EXTENSION OF BID DATE

Invitation for Bids for Improvements to Independence Square, Columbus Park, South Boston, and Children's Park, Roxbury, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby extends the bid date to September 22, 1987, instead of the proposed date, to invite sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of the contract document entitled, "Improvements to Independence Square, Columbus Park, South Boston, and Children's Park, Roxbury, Mass."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment and transportation to install play equipment, fencing, paving, planting materials, water, drainage and electrical work. Estimated cost of construction, \$350,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Tuesday, September 22, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the place designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, August 31, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of this bid price shall be expended for minority business enterprise. For the purpose of this paragraph, to term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders

form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, September 15, 1987, at 10 a.m., Boston time.

All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements at Francis Parkman Playground and South Street Mall, Jamaica Plain."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install asphalt, concrete, planting materials, tot lot, and baseball diamonds and sod work. Estimated cost, \$280,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, September 17, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any

informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, August 31, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, September 8, 1987, at 10 a.m., Boston time.

Proposals for Applying Pavement Markings on Various Road Surfaces in the City of Boston.

The City of Boston, acting by the Commissioner of Transportation, hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for applying pavement markings on various road surfaces in the City of Boston.

A performance bond and also a payment bond, each of surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Applying Pavement Markings on Various Road Surfaces in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon, on Friday, September 11, 1987, with a certified check or a bid bond in the amount of 5 percent of bid price, payable to and to become the property of the City if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any

item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade), for this contract are as follows: Minority — 25 percent; Boston resident — 50 percent; Female — 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental, or American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report," and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The letter of intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a Minority Business Identification Statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, September 9, 1987, at 10 a.m., in Transportation Department, Room 721, City Hall.

PUBLIC WORKS DEPARTMENT

Proposal for State-Aid Project No. 46 for Highway Reconstruction in Baker Street and Corey Street, in West Roxbury, and Freeport Street in Dorchester.

The City of Boston, acting by its Commissioner, has sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after 10 a.m., August 31, 1987. There will be a charge of fifty-five dollars (\$55), not refundable, for each set of contract documents taken out.

THIS IS A STATE AID PROJECT

CONTRACTORS INTENDING TO BID ON THIS PROJECT MUST FIRST OBTAIN FORM R-109, "REQUEST FOR PROPOSAL FORMS" (FOR DETERMINATION OF CONTRACTORS PREQUALIFICATION) FROM THE CONTRACT ENGINEER, ROOM 7551, 10 PARK PLAZA, BOSTON, MASS. EACH FORM MUST BE COMPLETED AND SUBMITTED TO THE CONTRACT ENGINEER FOR REVIEW. UPON APPROVAL AND WITH THE COMMISSIONER'S APPROVAL FOR PROPOSAL FORM TO ROOM 714 (CONTRACT OFFICE), CITY HALL, BOSTON, THE RESPECTIVE BIDDER WILL BE ENTITLED TO RECEIVE A NON-TRANSFERABLE PROPOSAL PACKAGE.

Every proposal shall be submitted in duplicate on or before the date specified in the advertisement in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston Thursday, September 17, 1987, at Room 714, at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically the requirements for bid deposits, insurance and performance bonds as may be applicable. The proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on a treasurer's or cashier's check issued by a reputable bank or trust company payable to the City of Boston, will be required of the successful bidder to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his contractors agree to the following Workforce Requirements (labor).

Minority Workforce: The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

Boston Resident Workforce: The contractor and its subcontractors shall maintain a not less

than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. Female Workforce: The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on September 9, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

EXTENSION OF BID DATE

Invitation for Bids for Improvements to Matthew J. Sweeney Playground, South Boston, and Little Scobie Playground, Roxbury, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby extends the bid date to September 24, 1987, instead of the proposed date, to invite sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to Matthew J. Sweeney Playground, South Boston, and Little Scobie Playground, Roxbury, Mass."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment and transportation to install play equipment, fencing, paving, planting materials, water, drainage and electrical work. Estimated cost of construction, \$350,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, September 24, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, August 31, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders

form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, September 15, 1987, at 10 a.m., Boston time.

LABOR DAY SEPTEMBER 7, 1987

LABOR DAY

In honor of the wage earners of the Nation, the United States and Canada have set aside the first Monday in September as Labor Day, a legal holiday. The observance of this day emanated from an annual parade in New York City by the Knights of Labor on September 5, in the 1880's.

Oregon, in 1887, was the first state to recognize Labor Day as a legal holiday, and other states quickly followed. On June 28, 1894, Congress passed a bill making the day a national holiday. All the states in the Union now observe Labor Day as a national holiday.

MAYOR OBJECTS TO BROOKLINE JERSEY BARRIERS

Mayor Raymond Flynn has formally objected to the erection of certain barriers in Brookline. The following letter was sent to the State Commissioner of the Department of Public Works.

CITY OF BOSTON
MASSACHUSETTS
OFFICE OF THE MAYOR
RAYMOND L. FLYNN

August 24, 1987.

Robert T. Tierney, *Commissioner*,
Massachusetts Department of Public Works.

Dear Commissioner Tierney:

I am writing in regard to the erection of Jersey barriers across Columbia Street in the Town of Brookline. These barriers effectively close off the street to through traffic and turn Walbridge Street in Allston into a dead end.

It is clear that this street closure is not in the interest of the general public. Not only does it inconvenience residents of this neighborhood and the public at large, but it also creates a potential public safety hazard by restricting the free access of emergency vehicles to the area.

Currently, the City is doing everything in its power to remedy this situation. On Wednesday, August 19, 1987, the Corporation Counsel's office sought a temporary restraining order in Land Court to force the Town of Brookline to remove the barriers. The court ordered that the Jersey barriers be replaced with a wooden barricade that would allow access to emergency vehicles. A trial date has been set for September 23, 1987, at which time the court will make a definitive determination of the appropriateness of the barricade.

Because the authority of the Commonwealth is broader than that of the City of Boston, I would like to request that your office independently investigate the situation and evaluate the authority of the Town of Brookline to close this street to through traffic. It does not appear in the interest of the Commonwealth to allow municipalities to build traffic barriers along their borders. Thank you for your consideration of this matter.

Sincerely,
Raymond L. Flynn,
Mayor.

COMMISSIONER ROACHE ISSUES POWER PATROL REPORT

The Power Patrol was formed on April 18, 1987, by the Boston Police Department as a model for proactive policing. First initiated in the Roxbury and Mattapan neighborhoods of Area B, the Power Patrol is a highly visible unit which patrols eighteen targeted high-crime "hot spots" making arrests and creating an environment which is hostile to criminal activity while deterring crime and improving the quality of neighborhood life.

An important aspect of the Power Patrol is that the unit does not respond to radio calls, thus giving the unit the op-

portunity to pursue criminal activity and create a presence which deters street crime. Based on the first Quarterly Report, the Power Patrol has met with substantial success in reducing and/or stemming crime in targeted "hot spots" and Area B in general.

- Part One Crime has decreased in the Power Patrol targeted areas for the first time since 1984.

- In Power Patrol targeted areas Part One Crime decreased 6 percent. In contrast, in 1985 Part One Crime increased 26 percent and in 1986 Part One Crime increased 11 percent in targeted areas.

- From April 18 through August 20, 1987, the Power Patrol made 1,519 arrests.

- Drug and public drinking arrests account for 67 percent of all Power Patrol arrests.

- The Power Patrol has succeeded in reducing repeat calls at 81 percent of the targeted, high-call frequency addresses.

As expected in summer months, calls for service experience a seasonal increase, but the volume of increase as compared to previous years has been sharply curtailed. In this first report, it appears that the Power Patrol may be meeting with success in impacting calls for service in Area B.

SAFE DRIVING URGED AS SCHOOLS OPEN

Police Commissioner Francis M. Roache has issued motorists a safe driving reminder as school openings approach.

The Commissioner joins Massachusetts AAA in urging motorists to drive extra carefully, as children in Boston will be returning to school soon.

Many children in kindergarten and first grade will be coping with traffic on their own for the first time and may not be aware of pedestrian safety rules.

Commissioner Roache advised concerned motorists that, "Safe driving is a year-round responsibility, but it is even more important as schools open. Keep alert and always obey the posted speed limit, but especially in school zones."

As part of its annual "School's Open" safety campaign, AAA of Massachusetts and the Boston Police Department, through the Bureau of Neighborhood Services, are distributing free "School's Open — Drive Carefully" bumper stickers.

The bumper stickers may be obtained at your district police station, or by contacting Officer Bill O'Connell at the Boston Police Department's Bureau of Neighborhood Services, telephone number 247-4345.

DEMOLITION OF ELEVATED STRUCTURE

Demolition of the elevated structure ('EI'), formerly used by the Orange line above Washington Street, commenced on Thursday, August 13, 1987.

Demolition of the EI, along with the southern stretch of the MBTA's Orange line ran between 1904 and 1987, commenced in Chinatown, at the entrance to the tunnel; and in Jamaica Plain, just north (toward downtown) of Forest Hills station, the old terminus of the Orange line.

Service on the elevated portion of the Orange Line was relocated to the new Southwest Corridor, a \$747 million project which contains nine, new, state-of-the-art stations and a 52-acre linear park.

Chinatown

In Chinatown, work started where the line exits the tunnel near Oak Street and proceeds to the old Dover station at Berkeley Street.

Work took place from 6 a.m. to 5 p.m., Monday through Friday. Demolition over the Massachusetts Turnpike takes place from 11 p.m. to 5 a.m. Work from the tunnel to Dover station is expected to take approximately four weeks.

There are no traffic restrictions in Chinatown between 7 a.m. and 9 a.m., and between 3:30 p.m. and 5 p.m.

Jamaica Plain

In Jamaica Plain, the first phase began just north of the old Forest Hills station and will proceed to Egleston Square. This portion of demolition will take approximately seven to eight weeks.

As discussed in public meetings, the only major demolition work scheduled for daytime hours in Jamaica Plain is that portion of the structure from the Forest Hills area to Brookley Road. Otherwise, work during daytime hours will be restricted to minor demolition and street patching, and will require minimum lane restrictions only. Traffic will flow in both directions on Washington Street during this period.

All other major demolition work in Jamaica Plain will take place from 6 p.m. to 7 a.m. During this nighttime work, traffic diversions will be required (except for emergency vehicles). For the first three weeks, a daytime traffic diversion will detour through the MBTA's Arborway bus yard, adjacent to

Washington Street. In addition, two-lane traffic flow along Washington Street will be maintained between 7 a.m. and 6 p.m. each day.

In both areas, site-specific traffic and work schedules have been established in cooperation with members of the local community in order to minimize the impact of demolition and to make the work safer and more efficient.

Demolition of the entire structure is expected to take twelve months. Following are the expected completion dates for specific locations: Track from Oak Street to Dover station, August 1987; track from Forest Hills to Green Street, and from Green Street to Egleston Square, September 1987; track from Dover Street to Northampton station, January 1988; track from Northampton station to Dudley Square, May 1988; and track from Egleston Square to Dudley Square, June 1988.

The six old stations on the elevated line will be demolished or salvaged as follows: Green Street (removal) October, 1987; Egleston, (removal) October, 1987; Dudley (removal and reuse of historic structures) between November, 1987 and June, 1988; Northampton (salvage) June, 1988; Dover (salvage) June, 1988; and Forest Hills (removal — not yet scheduled).

Public meetings were held in Jamaica Plain and in Chinatown previous to the start of work in those areas, and similar meetings will be held in the South End and in Roxbury before demolition work begins there. No work will take place under this contract between Thanksgiving and the first of the new year.

TRAIN SERVICE FOR PATRIOTS GAMES

New England Patriots fans can take the train to Sullivan Stadium in Foxboro for all home football games this year, MBTA General Manager James F. O'Leary announced today.

"I am pleased to announce this special commuter rail service from Boston to all Patriots Sunday home games," O'Leary said. "We hope many fans rooting for the team's success will take advantage of this safe and reliable service."

Beginning with the start of the Patriots exhibition season, the Authority operates trains to Sunday home games. This convenient service will leave South Station with stops at Readville and Norwood Central stations, arriving at Sullivan Stadium forty-five minutes before kickoff.

Round trip fare is \$6 and tickets are sold daily at North and South Stations, as well as on the train. Zones 5-11 commuter rail monthly passes are accepted and passholders may travel with one guest free on Sundays. Family fares and twelve-ride tickets may also be used.

Trains depart for the return trip twenty-five minutes after the official end of the game, regardless of the time.

For regular season, 1 p.m., Sunday games (September 13, Miami; October 4, Cleveland; October 11, Buffalo; November 1, LA Raiders; November 15, Dallas; November 22, Indianapolis; November 29, Philadelphia; and December 13, NY Jets), trains will depart from South Station at 11:15 a.m. and stop at Readville (11:25 a.m.), Norwood Central (11:40 a.m.) and arrive in Sullivan Stadium at 12:15 p.m.

For further information on this service, or on other routes and schedules, please call the MBTA's Telephone Information Center at 722-3200, or 1-800-392-6100.

II. RETIREMENT

The retirement of the following-named member, in accordance with the provisions of section 7, chapter 32, G.L., became effective at 1700 hours, July 28, 1987:

Fire Fighter James F. Ford, Engine Company 55.

Fire Fighter Ford was appointed to the department December 29, 1971. He leaves the department with the best wishes of his associates.

III. FIRE ALARM BOX INSTALLED

The following-numbered fire alarm box has been installed and company commanders shall add it to Circuit Card 15:

Box 13-1211 — Polcari's Restaurant, 283 Causeway Street.

IV. CHANGE IN DESIGNATION OF FIRE ALARM BOX

The designation of the following-numbered fire alarm box will be changed to read as follows:

Box 14-2366 — Roxbury Crossing MBTA Station, 1400 Tremont Street.

Company commanders shall make the above-mentioned change to UAAB assignment cards.

V. COMMENDATION

On July 31, 1987, at approximately 1218 hours, District 5 and Ladder 4, while returning to quarters, observed an automobile strike a tree on Albany Street. Upon investigating for possible injuries, it was reported to the members that this vehicle had just struck another vehicle.

While members were summoning the police, the operator, who was under the influence, fled the scene and was pursued and apprehended by Fire Fighter Robert C. Peterson, with assistance of members of Ladder 4.

The Fire Commissioner is pleased to commend Fire Fighter (Aide to District 5) Robert C. Peterson for his quick action and makes this commendation a part of his personnel folder.

VI. HAZARDOUS BUILDING

The building located at 498 Blue Hill Avenue, District 7, is in hazardous condition. The roof has collapsed into the third floor, exterior walls on all floors in the rear of the building have partially collapsed, and there are missing bricks and cracks in the walls.

Extreme caution must be taken at all times during fire fighting operations at this location. This building has been posted.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

HEALTH AND HOSPITALS DEPARTMENT

Lifepak 5 Units

Dear Sir:

Pursuant to authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Physio Control, Connecticut, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$5,486.

Under this contract, Physio Control will provide demand maintenance and repair services, Monday through Friday, 8 a.m. to 5 p.m. This includes, except for conditions of abuse, labor, travel and parts, with the exception of the recording stylus, recording paper, and patient cables, necessary to maintain in good operating condition seven Lifepak 5 units.

Physio Control has provided the department with excellent service in the past. The technicians are contacted for service on the average of once a week, they respond in a timely fashion and are sensitive to the needs of the department. Physio Control has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$5,200; 1985 — \$3,450; 1984 — \$3,286.

This service is unique in that when a unit is in need of repair the service must be immediate or a loaner unit must be made available in order to ensure adequate coverage for the department. The Li-

fepak 5 prehospital monitor and defibrillator is manufactured and serviced only by Physio Control.

Therefore, because Physio Control is the manufacturer and has the personnel specially trained to maintain and repair the above equipment, at a cost consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,

Commissioner

Preventive Maintenance X-ray Equipment

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Picker International, Inc., Canton, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$60,768.

Under this contract, Picker International, Inc. will provide the following service:

1. Maintenance contract and semi-annual preventive maintenance for: (a) Rapido Unit/X-ray room, \$15,019; (b) Chest unit/X-ray room, \$10,411; (c) Cap mobile unit, \$5,330; to include parts, labor and travel time between 8 a.m. and 5 p.m.

2. Repairs for the above equipment after 5 p.m. weekdays, weekends and holidays, at a cost not to exceed \$10,000.

3. To furnish X-ray tubes as needed for an estimated cost not to exceed \$20,000.

Picker International, Inc. has provided the department with quality maintenance services in the past. Picker International, Inc. has been awarded unadvertised contracts for the last three fiscal years in the following amounts: 1986 — \$58,927.69; 1985 — \$40,000; 1984 — \$31,377. Picker International, Inc. is the manufacturer of the equipment and has personnel specially trained to maintain and repair the equipment.

Inasmuch as the equipment is of a highly specialized nature, as Picker International, Inc. is the manufacturer, and as the price, in my opinion, reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,

Commissioner

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to TRW Wareham, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$39,840.

Under this contract, TRW will provide the following service:

2 Preventive maintenance sessions for Room and 2 (Pediatric Radiology) during normal work hours, \$4,800; after-hour repairs, \$5,000; Service maintenance for 1 AMX III portable unit to include parts, labor, travel time (8 a.m. to 5 p.m.), \$3,800; Service maintenance for 1 CGR and 2 Zonics portable units to include parts, labor, and travel time (8 a.m. to 5 p.m.), \$11,200; furnish X-ray tubes as required, \$15,000.

Last year the above service was provided Northeast X-ray, Inc., which was recently bought by TRW. The cost of the unadvertised contract with Northeast X-ray, Inc. in fiscal year 1986, was in amount of \$28,640. Prior to this, the service been provided by General Electric Company, manufacturer of this equipment. However, a

Several telephone calls and meeting with various vendors, the department found that Northeast X-ray (now TRW) could provide the same service and parts at a substantially lower cost to the city than that quoted by General Electric Company, who had been awarded an unadvertised contract in 1985 for \$28,078, and in 1984 for \$33,808.

Therefore, as TRW has the personnel specially trained to service the above equipment, and as the cost, in my opinion, is reasonable, no benefit would accrue to the city by publicly advertising for bids.

The contract documents were sent to the vendor for signature on June 4, 1986, however they were not returned to the Contract Office until March 3, 1987. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Electric Tractors Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Northland Industrial Truck Company, Inc., Wilmington, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$6,600.

Under this contract Northland Industrial Truck Company, Inc. will provide preventive maintenance and repair services as needed to three Taylor Dunn electric tractors located at Boston City Hospital.

Northland Industrial Truck Company, Inc. has provided the department with excellent service in the past, and has been awarded unadvertised contracts for the last three fiscal years in the following amounts: 1986 — \$6,600; 1985 — \$7,900; 1984 — \$4,400.

As much as Northland Industrial Truck Company, Inc. has the service rights for repair of the above equipment, and is able to repair the equipment in a minimum of time, and as the cost, in my opinion, is reasonable, no benefit would accrue to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Lifeline Systems Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract without advertising, to Lifeline Systems, Inc., Watertown, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$3,900.

Under this contract, Lifeline Systems, Inc. will maintain, including parts, labor and travel the following equipment located on the Emergency Floor at Boston City Hospital, for a cost of \$300 per year: One Printer/Clock, Serial No. 01880; two Receivers, Serial Nos. 02948 and 02951.

The vendor will also maintain the following communicators which are located in the homes of elderly homebound patients of the DH&H Lifeline program:

79 Model H101; at \$1.50/month; 79 Model H101A, at \$1/month; 20 Model HC102, at \$1/month.

Homebound elderly people can request to become a member of the DH&H Lifeline Program. There is a small sliding-scale fee per month. When members are experiencing difficulties, they can notify the hospital through the communicator equipment and personnel will contact them. The members are called during the month by Lifeline program personnel to inquire as to how they are

getting along. If something goes wrong with a communicator, it will send a signal to the response center on the Emergency Floor. Lifeline Program personnel will visit the member's home to discover the problem. If the equipment has to be repaired, a new communicator is left at the member's home and Lifeline Program personnel will arrange to have the damaged equipment repaired by Lifeline Systems, Inc.

There has been no previous contract for these services.

Because Lifeline Systems, Inc. is the manufacturer of the equipment, having trained personnel and availability of parts, and because the cost, in my opinion, is reasonable, no benefit would accrue to the city by publicly advertising for bids.

The contract documents were sent to the vendor on May 29, 1986. However, the completed documents were not sent to the Contract Office until November 13, 1986, therefore, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Maintenance of Monitors

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Litton Datamedix, Inc., Sharon, for the period August 1, 1986, through June 30, 1987, at a cost not to exceed \$6,442.

Under this contract, Litton Datamedix, Inc. will provide complete maintenance and repair from 8 a.m. to 5 p.m., Monday through Friday, on the following components of the central monitoring station and seven bedside main-frame monitors located in the Medical 6 ICU at Boston City Hospital:

Two CNS Monitor ST-429-68; one Switching Module SS-3-1; one Relay Box SS-3-217; one Writer w/cabinet WR-4D/CW-2; one Data Storage Unit DS-2; two Digital Display Module RD-1; seven Model ST-419 S/N 8L-105, 8L-358, 8L-335, 8L-349, 8L-360, SM-194, and SM-896.

In the past, Litton Datamedix, Inc. has provided high quality repair services to the department. The cost of the unadvertised contracts awarded to Litton Datamedix, Inc. for the past fiscal years have been as follows: 1986 — \$6,541; 1985 — \$6,057.12; 1984 — \$4,253.

Therefore, because Litron Datamedix, Inc., is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider to be reasonable, no benefit would accrue to the city by publicly advertising for bids.

This award is being processed late because the request for a contract for these services was submitted in June to the Contract Office. Due to the large volume of contracts to be processed and the emphasis to have contracts executed by July 1, the Contract Office concentrated on those contracts which could be executed by prior to July 1.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Optometry Consultant

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to Ronald Cline, O.D., 1857 Blue Hill Avenue, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$4,140.

Under this contract, Dr. Cline will provide consultation services in Optometry for patients of Mattapan Hospital. Each three-hour, on-site consultation session will be reimbursed at a rate of \$115 a session. The frequency of the consultation sessions will be every other week plus a maximum of ten additional sessions as determined by the Medical Director.

Dr. Cline has provided excellent service in the past. He has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$2,990; 1985 — \$2,800; 1984 — \$2,800.

As Dr. Cline is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late because the request for a contract for these services was submitted in June to the Contract Office. Due to the large volume of contracts to be processed and the emphasis to have contracts executed by July 1, the Contract Office concentrated on those contracts which could be executed prior to July 1.

Very truly yours,

Lewis W. Pollack,
Commissioner.

NOTICE TO CONTRACTORS

EXTENSION OF BID DATE

Invitation for Bids for Improvements to Matthew J. Sweeney Playground, South Boston, and Little Scobie Playground, Roxbury, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby extends the bid date to September 24, 1987, instead of the proposed date, to invite sealed bids for the project listed below.

Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to Matthew J. Sweeney Playground, South Boston, and Little Scobie Playground, Roxbury, Mass."

SCOPE OF WORK consists of furnishing of all labor, material, and equipment and transportation to install play equipment, fencing, paving, planting materials, water, drainage and electrical work. Estimated cost of construction, \$350,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, September 24, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, August 31, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 20 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders

form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, September 15, 1987, at 10 a.m., Boston time.

The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any

informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, August 31, 1987, after 9 a.m. Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, September 8, 1987, at 10 a.m., Boston time.

Envelopes containing proposals must be sealed and plainly marked "Proposal for Lease of Four (4) Fifteen-Passenger Vans (McKinley School). Bid Date: Friday, September 25, 1987." The bid must be in duplicate. One copy, signed by the bidder and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager at or before twelve o'clock noon on Friday, September 25, 1987. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The

School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

OL. 79 MONDAY, SEPTEMBER 14, 1987

NO. 37

MAYOR ANNOUNCES ABANDONED CAR PROPOSAL

Mayor Flynn has unveiled a two-part program to crack down on abandoned cars in Boston and to strengthen the ability of cities and towns to deter individuals from abandoning cars on public roadways.

In a home rule petition filed with the Boston City Council, the Mayor called for changes in the existing law enabling the city to directly penalize owners of abandoned motor vehicles. The plan also includes the establishment of an Abandoned Car Unit within the Transportation Department.

The Mayor's proposal seeks to amend the existing abandoned car law which provides for criminal penalties against anyone who "abandons a motor vehicle on any public or private way without the permission of the owner or lessee of said property" with fines ranging from \$100 to \$500.

"The intent of the proposed legislation is to deter people from abandoning their vehicles. Adjudicating this type of offense has been a low priority of the courts. Therefore, municipalities have no recourse in deterring offenders or receiving any compensation for the expenses involved in removal. This legislation would give municipalities the ability to impose fines and hopefully make it difficult and costly for people to abandon their unwanted vehicles," Mayor Flynn stated.

The legislation would "decriminalize" the statute and create a civil process whereby the City of Boston could impose a stiff, graduated-fine structure, plus license revocation and nonrenewal penalties for noncompliance. This change would not preclude an individual's recourse in the court, but would merely add a hearing at an administrative level. It would give the city the ability to administer and enforce abandoned vehicle laws and provide a deterrent mechanism without having to rely on the courts.

Under the new proposal, the process would be similar to the existing structure developed by the Office of the Parking Clerk for handling parking violations. According to Transportation Commissioner Richard Dimino, the city is seeking to impose a fine of \$250 for the first offense, plus a fee to recover the cost of removal. A fine of \$500 will be imposed for all subsequent offenses.

The number of abandoned cars on Boston's streets has risen dramatically in recent years, while the city's ability to deal with the situation has been hindered by several economic factors. Up until about three years ago, private contractors paid as much as \$37.50 per abandoned car for their scrap metal value.

In recent years, however, two primary factors have contributed to a reversal of this. First, the price of scrap metal has decreased significantly. Second, concern over the potential environmental hazards of waste materials has resulted in stiffer DEQE regulations, and therefore, a higher cost of disposal.

Private contractors now charge individuals approximately \$50 to remove a vehicle as opposed to several years ago when they would pay a nominal amount to come and remove a car. Transportation officials estimate that it costs the city approximately \$80 to remove and properly dispose of each car abandoned on city streets.

In addition to the proposed legislative action, the Mayor has also established a new, full-time unit within the Transportation Department to work exclusively on the removal of abandoned cars. This unit, funded in the FY 1988 budget at approximately \$400,000, consists of thirteen employees and eight tow trucks and will work on a regular basis, Monday through Friday, to remove abandoned vehicles.

Commissioner Dimino said, "The creation of this new unit enables the city to remove vehicles on a regular basis, Monday through Friday. Since July 1, we have removed more than 1,450 cars from city streets. With this new unit we expect to have the capacity to remove up to 8,000 vehicles per year."

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

DEPARTMENT OF HEALTH AND HOSPITALS

Catheters and Solutions

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Parke Davis & Co., d/b/a Deseret Medical, Inc., Utah, for provision of I. V. catheters and solutions to the Department of Health and Hospitals for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$156,000.

Becton Dickinson & Company acquired Deseret Medical, Inc., effective May 31, 1986. Becton Dickinson & Company will honor the Parke Davis & Co., d/b/a Deseret Medical, Inc. contract presently in force with the Department of Health and Hospitals. This amendment is necessary to change the vendor name to Deseret Medical, Inc., subsidiary of Becton Dickinson and Company; it shall not change the cost of the contract.

In the view of the above, and because there is no change in the cost, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Polyethylene Bags

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Industrial Wiper Supply and Paper Company, Chelsea, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$5,447.

This amendment will increase the contract amount by \$5,500, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$10,947.

The contract was awarded to Industrial Wiper Supply and Paper Company as the lowest acceptable bidder to provide 5-inch by 8-inch zip lock polyethylene bags, which appeared on Proposal No. 537 laboratory supplies, to the Department of Health and Hospitals. The department has underestimated the usage of this item and the volume appearing on the bid is far below the yearly requirement. Therefore, this amendment is necessary to maintain efficiency in the department.

In view of the above, and because the cost, in my opinion, is reasonable I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Sandoglobulin

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract awarded to Sandoz Pharmaceutical Corporation, New Jersey, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$6,300.

This amendment will increase the contract amount by \$10,000, thereby increasing the city's to-

tal liability under this contract, as so amended, to an amount not to exceed \$16,300.

The contract was awarded to Sandoz Pharmaceuticals as the lowest acceptable bidder to provide Sandoglobulin (Immune Globulin IV) to the Department of Health and Hospitals. At the time the contract award, this material was used exclusively in the treatment of children, and estimated quantity on the bid reflected requirements for that purpose only. The material is now being administered to adult AIDS patients and additional material will be required. Therefore, this amendment is necessary to maintain and provide care for this purpose.

Because all other terms and conditions of the contract will not change, and Sandoz Pharmaceutical was the lowest acceptable bidder, no benefit would inure to the city by further advertising for this material.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Kitchen Equipment Repairs

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Drico Corporation, Wellesley, for repair and maintenance of kitchen equipment at Boston City Hospital for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$5,000.

This amendment will increase the contract by \$6,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$11,000.

This amendment is necessary due to the fact that the cost for the repairs as needed portion of the contract was underestimated. The equipment at hospital is quite old, and is in constant need of repair. Therefore, it is difficult to estimate the number of repairs that will be necessary.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Primary Health Care Services

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract awarded to Brookside Park Family Life Center, Jamaica Plain, for matching grant for primary health care services for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$100,000.

This amendment will increase the contract by \$20,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$120,000.

This amendment represents the allocation of prenatal initiative funds targeted to reduce infant mortality rates in the neighborhood by expanding maternal and child health services provided by community health centers.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend and approve this amendment.

Very truly yours,

Lewis J. Pollack,
Commissioner.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

HEALTH AND HOSPITALS DEPARTMENT

CAT Scans and Camera

n. Raymond L. Flynn,
Mayor of Boston

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Elscint, Inc., 930 Commonwealth Avenue, for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$331,742.

Under this contract, Elscint, Inc. will provide preventive maintenance including travel, parts and labor from 8 a.m. to 5 p.m., Monday through Friday, the following equipment: one Elscint CAT Scan Unit No. 2002 (with glassware) \$139,115; one Elscint CAT Scan Unit No. 1800, \$150,000; Repair for the above units after hours, weekends and holidays, \$24,000; one Elscint Portable Camera No. 15, \$18,627.

One of the aforementioned CAT Scan Units is located at University Hospital. This machine is used by the city and the personnel operating the machine are Boston City Hospital employees. The city is reimbursed for all tests performed, less a total fee.

Elscint, Inc. has provided timely and reliable maintenance services on the cat scan equipment at a cost of the unadvertised contracts for the past three fiscal years were as follows: 1986 — \$19,380.60; 1985 — \$304,337; 1984 — \$298,701. The CAT scan equipment is currently on a lease/purchase agreement, and service performed by any other vendor would jeopardize the current vendor's responsibilities to this equipment and to the lease/purchase agreement. Elscint, Inc., is the sole manufacturer of this equipment and no other vendor is equipped to service this unit or upgrade the package.

Therefore, because Elscint, Inc., is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Negotiations over the amount of this contract were not finalized until the end of June, therefore this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Software Maintenance, etc.

n. Raymond L. Flynn,
Mayor of Boston

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Digital Equipment Corporation, Waltham, for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$22,278.

Under this contract, Digital Equipment Corporation will provide computer software maintenance and update service for the following at a cost of

\$5,166: PDP 11/70 computer system to include a. RXS-11m + ; b. Fortrain IC.

Digital Equipment Corporation will also provide a software contract for the VAX DECrad system and VAX/VMS system at a cost of \$17,112.

In the past, Digital Equipment Corporation has provided excellent service to the department. Unadvertised contracts have been awarded to Digital Equipment Corporation for computer software maintenance and update service for the past three fiscal years in the following amounts: 1986 — \$20,085; 1985 — \$19,380.60; 1984 — \$5,772.

Inasmuch as the equipment is of a highly specialized nature, as Digital Equipment Corporation is the manufacturer, and as the price, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late due to the fact that there were discrepancies in the costs of individual prices of equipment to be covered under the contract which required additional time to verify. The contract documents were sent to the vendor in November and returned in December, except for the Digital Terms and Conditions which were received February 2, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Rabies Control Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to the Animal Rescue League of Boston, Inc., for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$33,647.

Under this contract, the Animal Rescue League of Boston, Inc. will perform various duties related to the control of rabies in the City of Boston. These professional services will include, but not be limited to, the quarantine of possible rabid animals, the performance of follow-up inspections and veterinary examinations, the analysis of brain tissue to determine the presence of rabies, and compliance with all state health laws pertaining to rabies control.

The Animal Rescue League of Boston has provided rabies control services for the Department of Health and Hospitals for many years. Various kennels had been explored as possibly providing rabies control services. The Animal Rescue League of Boston was the only vendor who could provide adequate facilities and services to fully deal with rabies control. The costs of the unadvertised contracts awarded to the Animal Rescue League of Boston, Inc., for the past three fiscal years have been as follows: 1986 — \$32,169; 1985 — \$32,169; 1984 — \$32,169.

Therefore, in view of the professional, unique service to be rendered, in which the Animal Rescue League of Boston, Inc. has had wide experience and which it has satisfactorily provided to the city for many years at a cost which, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor on June 4, 1986. The vendor requested revisions in the terms and conditions which were not approved by the Legal Department at Boston City Hospital until recently, therefore this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Downtown Crossing.**

The City of Boston, acting through its Public Works Department, Engineering Division, invites Engineering firms to submit a statement of qualifications to provide both Engineering and Landscape Design Services that will develop a design concept plan as general guidelines relating to improvements of the streets, sidewalks, and open spaces in the Downtown Crossing.

1. Prospective proposers must submit four copies of a Statement of Qualifications for the project. The copies must be received no later than noon, October 5, 1987, at the Office of the Division Engineer.

2. To be considered, the Statement of Qualifications must include:

- a) The name(s) of the principal(s) who will work on the project; the Project Manager should be identified.
- b) The size and capability of the firm's staff.
- c) An explanation of similar work which has been done recently.
- d) The firm's financial condition.
- e) The firm's Affirmative Action Program.

3. The City will review all Statements of Qualifications, and determine the firm most qualified for providing the required services.

PUBLIC WORKS DEPARTMENT

**Proposal for Miscellaneous Repairs to Public
Works Department Plows and Spreaders.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, September 14, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, September 24, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Every proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

Minority Workforce: The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

Boston Resident Workforce: The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

Female Workforce: The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

The workforce requirements of paragraphs (1), (2) and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of Chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

IT IS HEREBY CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NOTICE TO CONTRACTORS

**Invitation for General Bids for Renovations to
Healy Park, Roslindale Mass., Project No.
4719.**

The City of Boston, acting by its Director of the Public Facilities Department, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for renovations to Healy Park.

Bids will be received up until twelve o'clock noon, Boston time, October 5, 1987, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check, treasurer's check or cashier's check, made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about September 14, 1987, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids, if it be in the public interest to do so.

The Real Property Board of the City of Boston, hereinafter called the Board, invites, from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one-half thereof is owned by a citizen or citizens of the United States, proposals for leasing the public parking facility situated in Boston at Causeway and Haverhill Streets and "Rip" Valenti Way, Boston, and public parking facility at Beverly Street, Lovejoy Place, and Causeway Street, Boston, Massachusetts, for the term of one (1) year beginning November 16, 1987, and ending November 15, 1988, unless earlier terminated in accordance with the terms and conditions as more fully set forth in the form of lease. Copies of the proposal and the lease, containing all applicable terms, conditions and covenants regarding the leasing of the Causeway Street and Beverly Street Annex Parking Facilities may be obtained daily (except Saturdays, Sundays and holidays) between 9 a.m. and 5 p.m., at the office of the Board, One City Hall Square, Room 811, Boston, for a non-refundable fee of twenty-five dollars (\$25) for each proposal taken. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Board.

Bidders may be asked to provide the Board with evidence of ability to perform the terms and conditions of the lease. As part of their proposal, bidders must furnish the Board with information concerning past experience in managing and operating parking facilities.

Proposals shall be submitted, in duplicate, on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked, "Proposal for Leasing of Public Parking Facility at Causeway and Haverhill Streets and 'Rip' Valenti Way and the Public Parking Facility at Beverly Street, Lovejoy Place, and Causeway Street, Boston." One copy of the proposal shall be filed with the Board at its office on or before 10 a.m. on Tuesday, October 13, 1987, at which time and place all proposals will be publicly opened and read aloud. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of five thousand dollars (\$5,000) made under the terms stated in the form of proposal, in the form of cash or a certified check, payable to the City of Boston. Additionally, the copy of the proposal filed with the Board shall be accompanied by a letter from a duly authorized agent of an insurance company certifying that a performance bond in the required amount as set forth in the proposal will be produced or, alternatively, the bidder shall accompany any proposal filed with the Board with cash or a certified check in the required amount as set forth in the proposal, payable to the City of Boston. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, One City Hall Square, Room M4, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

ber 23, 1987. Immediately thereafter, in a designa-
ted room, the bids will be opened and read publicly.

The work consists of the reconstruction of the com-
muter rail line including, but not limited to, tracks,
signal trackwork, grade crossings and drainage.
Each prospective bidder proposing to bid on
this project must be prequalified in accordance with
the Authority's "Procedures Governing Classification
and Rating of Prospective Bidders." Copies
may be obtained from the Contract Administration
Office at the above address. Requests for prequalifi-
cation for this project will not be accepted by the
Authority after the tenth (10th) day preceding the
date set for the opening of bids.

Each prospective bidder must also comply with
the additional prequalification requirements referred to in
Article 1.12, Competency of Bidders, in the In-
structions to Bidders.

Prequalified bidders may obtain from the Con-
tract Administration Office a "Request for Bid-
ding" which must be properly filled out and submit-
ted for approval.

ary, 1980, is available at a charge of \$15 per copy.
Bidding documents will be mailed by parcel post
on request and receipt of an additional fee of fifty
dollars (\$15), payable by separate check. If re-
quested, documents will be forwarded by air freight,
where such service is available, at the expense of
the plan holder. None of these charges are refund-
able.

The Authority's "Railroad Operations - Book of
Standard Plans — Track and Roadway" is available
at a charge of \$25 per copy, which is nonrefund-
able.

Bidders' attention is directed to Appendix 1,
Goals and Timetables for Female and Minority Partic-
ipation in the Construction Industry; and to Appen-
dix 2, Supplemental Equal Employment
Opportunity, Anti-Discrimination and Affirmative
Action Program in the specifications. In addition,
pursuant to the requirements of Appendix 3, Disad-
vantaged Business Enterprise (DBE) and Women-
owned Business Enterprise (WBE) Participation
Division, bidders must submit an assurance with
their bids that they will make sufficient reasonable
efforts to meet the stated goals of DBE 13 percent
and WBE 3 percent.

Bidders will affirmatively insure that in regard to
any contract entered into pursuant to this solicita-

tion, minority and female construction contractors
will be afforded full opportunity to submit bids and
will not be discriminated against on the grounds of
race, color, religion, sex, or national origin in con-
sideration for an award.

Bidders will be required to comply with federal
equal employment opportunity regulations and the
President's Executive Order No. 11246 and any
amendments or supplements thereof.

Authorization for the bidders to view the site of
the work on the MBTA's property shall be obtained
from the office of the Project Manager, Mr. James
Eng, MBTA, 21 Arlington Avenue, Charlestown, MA

bid conference will be held on September 9, 1987,
at 10 a.m., at the above office. Any request for in-
terpretation of the specifications should be submitted
in writing at the same time.

Bidders will be required to certify as part of their
bids that they are able to furnish labor that can work
in harmony with all other elements of labor em-
ployed or to be employed on the work.

This contract is subject to minimum state wage
rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the
amount of 5 percent of the value of the bid, in the
form of a bid bond, cash, certified check, treas-
urer's or cashier's check.

The successful bidder shall be required to fur-
nish a performance bond and a labor and materials
payment bond, each for the full amount of the con-
tract price.

The Authority reserves the right to reject any
or all bids, to waive informalities, to advertise for
new bids, or proceed to do the work otherwise, as
may be deemed to be for the best interests of the
Authority.

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on contract.

4. The workforce requirements of paragraphs (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements: Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 51 percent of his bid price shall be expended for minority business enterprise. For the purposes of paragraph, the term minority business enterprise means a business in which at least 51 percent of beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of the directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beane Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount of the bid shall be obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held September 23, 1987, at 10 a.m., in Room 714, Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there is, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 37A OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any items of the proposal should he deem it to be in the best interest of the city so to do.

MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

DL 79

MONDAY, SEPTEMBER 21, 1987

NO. 38

MAYOR RELEASES NEW OPEN SPACE PLAN

Boston Mayor Raymond L. Flynn has released *Boston's Open Space: An Open Space Plan*, described as the most comprehensive report ever compiled on "one of Boston's most useful resources — its open spaces." The report, which includes a ten-point plan of action, contains specific policy goals and future objectives, a comprehensive inventory, and condition assessment of 240 selected open-space sites within the city.

Mayor Flynn, who presented the findings to open-space advocates, community representatives, and government officials, reiterated his commitment to improving the quality of Boston's neighborhoods by improving Boston's system of open spaces. "The presentation of Boston's Open-Space Plan marks a significant turning point for the parks, playgrounds, and green spaces in this city. Following a half-century of underinvestment, poor maintenance, and vandalism, we have dedicated the resources and the planning effort needed to restore the beauty and character of the city's open spaces."

The two-volume plan is the product of an extensive planning process involving city planners, open space advocacy groups such as the Boston OpenSpace Alliance, Boston Urban Gardeners, and Boston Harbor Associates, and community representatives from all parts of the city. The project was coordinated by the Mayor's Office of Capital Planning.

A highlight of the ten-point plan is the \$75-million, capital investment that will see 80 percent of the city's parks and recreational facilities renovated over the next five years.

Capital Planning Director Mary Nee said, "The wealth of information generated by this study will be an invaluable resource for future capital investment decisions. Taken together, the open space plan and the capital plan will lay the foundation for a renaissance in the city's park system."

The plan encompasses over 300 facilities on approximately 2,500 acres, including every park, playground, square, plaza, urban wild, schoolyard, beach, community garden, recreation center, conservation area, and cemetery in Boston. Each item is identified, mapped, and described.

Stephen Coyle, BRA director, in commenting on the Capital Planning Office's work said, "Simply put, this is a landmark document. It shows that Boston is placing the same kind of importance and emphasis on parks and open spaces as it did when Frederick Law Olmsted was brought here to design the Emerald Necklace."

The plan, initiated by Mayor Flynn in August 1986, provides an up-to-date reference guide for planners, policymakers, and community members. Volume I contains the heart of the plan: a discussion of open-space issues in neighborhoods and citywide; and an outline of policy goals and objectives for the future of Boston's open spaces. A detailed portrait of each of the city's 27 neighborhoods is included.

Volume II of the plan contains the most comprehensive inventory of Boston's open space ever compiled. The name and location of over 300 sites are listed, along with its zoning and ownership status, acreage and facilities. The inventory is supplemented by a condition assessment of 240 selected open-space sites owned or managed by the City of Boston.

POLICE COMMISSIONER PRESENTS COMMENDATIONS AND CITATIONS

At ceremonies held at Boston Police Headquarters, Police Commissioner Francis M. Roache acknowledged the exemplary performance of Boston Police officers, Boston Police civilian personnel and individuals from outside agencies.

Among those commended at Thursday's ceremony was Police Officer Robert DiPasquale from Area D in the South End. He was credited with saving an assault victim's life, because of quick action and lifesaving first aid application. Similarly commended were Detective Robert Kenney, Detective Peter Doherty, Sergeant Detective Leonard Marquardt of Area E and Police Officer Ernesto Whittington of the Team Police. These officers encountered a vicious stabbing in progress and were lauded by surgeons at Beth Israel Hospital for saving this victim's life.

Also commended for their efforts, which were on many occasions well beyond the call of duty, were Team Police Officers Nadine Taylor, Robert Tebbets, James Fee, Paul Flaherty and Leon Martin. This recommendation came from the residents of the Orchard Park Development Tenants Organization with whom these officers had worked for the past three years.

Cited for his extraordinary actions, which ensured that all appropriate departments were brought together to assist a child injured in a vicious dog attack, was civilian Police Department Communications Equipment Operator John Kelly.

Also among those cited at the ceremony were the officers and personnel of the newly opened Station 14 in Brighton

and the members of the Police Department's Drug Control Unit. Although the Drug Unit's consistent work over the past year was given high praise, the more notable reason for the award was the successful conclusion of a nine-month intensive undercover operation, code named "Operation Dolphin." "Dolphin" culminated in July with the arrest and indictment of twelve Colombian nationals and the dissolution of a major cocaine ring in Boston. Also cited for their role in this operation were individual officers from the Massachusetts State Police, Brookline Police, and the Chelsea Police Department.

Additional civilians who were cited for their contribution to police services in the City of Boston were Deborah Prothrow-Stith, M.D., of Boston City Hospital, who has worked closely with the Boston Police on the development of their Handgun Forum, and is an expert on teenage violence; Special Agent Dennis Keppner of the United States Coast Guard intelligence, whose contributions led to the apprehension of persons involved in criminal activities, on two occasions, on Boston's waterfront.

THE ARK IN THE ATTIC

with painted backgrounds

by Eileen Doolittle

*an Exhibition about the Alphabet
with Things from A to Z!*

When the Ark in the Attic opens at the Children's Museum on October 1, the alphabet will come to life for all of us. A stunningly beautiful series of instant color photographs by renowned photographer Starr Ockenga, whose work is included in the permanent collections of the Museum of Modern Art in New York and the Bibliotheque Nationale in Paris, celebrates the alphabet in unique collections of miniatures representing each letter. The exhibition, which is funded by the Polaroid Corporation, is supported by activities and displays which feature the alphabet. This amazing one-of-a-kind exhibit combines the inspiration of Ockenga's photography with the interactive approach to learning that is the trademark of the Children's Museum.

Ockenga's Polaroid photographs

were created for a picture book, also entitled "The Ark in the Attic," being published by David R. Godine (a Floyd Yearout book). Artist Eileen Doolittle created the painted backgrounds for the photographs, as well as the narrative poem accompaniment.

After years of taking pictures of children at play, Ockenga was inspired by their love of collecting small objects. She found the alphabet to be an appropriate and educational way of ordering a multitude of interesting and charming objects into frames and set out to create a series of photographs that would be fun for children of all ages to play with alone and together.

"Things you can hold in the palm of your hand have a certain magic," comments Ockenga, "and children love small things. So many have a little purse or box full of objects. The objects become imbued with the spirit of the event that they recall." Ockenga admits to being an obsessive collector herself, "I love things that fit in the palm of my hand," she adds, "I have filled every corner of my 2,400 square-foot studio and home with my collections!"

Ockenga supplemented her personal collection of objects by consulting with the staff of the Children's Museum and borrowing from the museum archives. Many of the objects that appear in the photographs are from the museum's permanent collection and will be used

in the exhibit along with the photographs. Ockenga and Doolittle went to other sources as well, including private collections, the Wenham Museum and a doll maker.

As the project progressed, objects were sorted in 26 trays marked with every letter of the alphabet. Doolittle painted backgrounds were complete as a narrative poem evolved from the creative process. Finally, all the pieces came together in the series of stunningly beautiful photographs that are featured in *The Ark in the Attic*.

An actual large-format antique style Deardorff camera will be set up in a part of the exhibit called "Starr's Studio" so that children can see what Starr Ockenga saw when she created her alphabet photographs.

Eileen Doolittle is a painter and commercial freelance artist. Her painted backgrounds have been printed in "Esquire," "Boston Magazine," and other publications. Her paintings are in many private collections as well as the Wenham Museum. Doolittle has collaborated on editorial and commercial projects with Starr Ockenga for the past four years. She owns a studio in Mystic, Connecticut.

The Ark in the Attic exhibit is funded by the Polaroid Corporation, and will tour nationally after its year-long run at the Children's Museum.

Founded almost seventy-five years ago, the Children's Museum is committed to helping kids grow up into skilled and confident adults capable of living productive and thoughtful lives in our complex and demanding society. The Children's Museum piloted the use of interactive exhibits and programs more than twenty years ago, and has had several million dollars in research and development projects funded by several federal agencies and other national and local funding sources. The Children's Museum is supported in part by a grant from the Massachusetts Council on the Arts and Humanities, a state agency.

The Children's Museum is located at 300 Congress Street in Boston. The hours are daily, 10 a.m. to 5 p.m., Friday to 9 p.m. Adults \$4.50, children 15 and seniors \$3.50, under 2 free. Family Night is Friday, 5 to 9 p.m., free. For information call "What's Up Line" (617) 426-8855.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

DEPARTMENT OF HEALTH AND HOSPITALS

Blood and Blood Products

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to American Red Cross, Boston, for the period October 1, 1986, through September 30, 1987, at a cost not to exceed \$594,000.

Under this contract, American Red Cross will supply blood and blood products, as well as reference lab services, to the department. The contract cost is an estimate based on special needs and daily inventory level billed weekly.

Because of the special fitness of American Red Cross to render these services, and because of the special nature of the services to be provided, no benefit would inure to the city by publicly advertising for bids.

In past years, American Red Cross has furnished blood and blood products used by the Blood Bank for transfusions. Although no contract existed in the past, American Red Cross has been the 100 percent supplier of blood and blood products, with the exception of fresh frozen plasma which is supplied by AABB Clearinghouse. The costs for the past three fiscal years have been as follows: 1986 — \$619,261.90; 1985 — \$785,747; 1984 — \$559,510.

This service is unique in that American Red Cross is capable of supplying 100 percent blood and blood products which meet the standards of the FDA and Massachusetts Public Health Regulations. The only other known competitor, AABB Clearinghouse, furnished fresh frozen plasma only and does not advocate our dependency on them for 100 percent blood or blood product needs. American Red Cross is also an excellent reference lab of special problem cases.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this contract.

The contract documents were sent to the vendor on September 11, 1986, and returned on October 15, 1986, therefore, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Inspections and Repair Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully re-

quest your Honor's permission to dispense with public advertising and award a contract to AMSCO Service Company, Division of American Sterilizer Company, Wellesley Hills, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$4,000.

Under this contract, AMSCO Service Company will provide preventive maintenance inspections and repairs, bimonthly inspections with callback service between inspections on the following equipment: two AMSCO Hyvac steam sterilizer (recessed); one AMSCO cabinet enclosed washer/sterilizer; nine loading carts and transport carriers.

AMSCO Service Company had done business with Boston City Hospital for many years, servicing the hospital's sterilizer equipment, as needed, under the multi-vendor contract of the Physical Facilities Department. Fiscal 1986 was the first year that a preventive maintenance contract for the above equipment was in effect in the amount of \$3,033.

Therefore, because AMSCO Service Company is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the letter of award until June 30, 1986. The Contract Officer was then required to obtain all the additional necessary documents from the vendor.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Extermination and Pest Control

Dear Sir:

An invitation for bids for extermination and pest control services at Boston City Hospital for the period July 1, 1986, through June 30, 1988, was advertised in the *City Record* on March 24, 1986. Bids received were opened and publicly read on April 7, 1986. Nineteen companies were solicited and four companies responded to the invitation to bid.

Flynn Pest Control, Rehoboth, \$47,880; Archos, Inc., \$60,000; Certified Pest Control Co., Inc., Dedham, \$78,880; Paul Clancy & Sons, Dorchester, \$84,000.

Flynn Pest Control, the lowest bidder, failed to meet the qualifications required by the specifications, in that they do not have an entomologist on staff.

The second lowest bidder, Archos, Inc., submitted a technically defective bid, in that it was late.

In view of the above, I request your Honor's permission to reject all bids and award the contract to Archos, Inc., the lowest qualified bidder, because no benefit would inure to the city by further advertising.

This contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirement of City of Boston Code, St. 4, ss. 4 and 8.

The contract documents were sent to the vendor for signature on May 23, 1986, however, they were not returned to the Contract Office until July 14, 1986. Thus, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Hemodynamic Monitoring Kits

Dear Sir:

Pursuant to the authority delegated to me by the

Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Spectramed, Inc., Critical Care Division, California, for the period April 1, 1987, through June 30, 1988, at a cost not to exceed \$195,000.

An invitation for bids, Proposal No. 549, to furnish sterile disposable hemodynamic monitoring kits to the Department of Health and Hospitals was advertised in the *City Record* on August 4, 1986. Bids were publicly opened and read on August 20, 1986. Fourteen companies were solicited to bid and eight companies responded to the invitation to bid.

On September 12, 1986, permission was granted to award a contract to the lowest acceptable bidder Gould, Inc., Cardiovascular Products Division, California, in the amount of \$228,690, for the period September 1, 1986, through June 30, 1988.

The Department of Health and Hospitals has been notified as of October 10, 1986, that Gould, Inc. was sold to Spectramed, Inc., Critical Care Division. This new company, Spectramed, Inc., has notified the Department of Health and Hospitals that they will assume the responsibilities for the contract and will honor the prices quoted and all other terms and conditions of the contract.

In view of the above, and because the cost, in my opinion, is reasonable no benefit would inure to the city by publicly readvertising for bids.

The contract documents were sent to the vendor on March 26, 1987, and returned on May 26, 1987, therefore, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

RIA Kits/Controls

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to American Scientific Products, a subsidiary of Baxter Travenol, Inc., Bedford, for the period April 1, 1987, through June 30, 1988, at a cost not to exceed \$12,000.

An invitation for bids, Proposal No. 532, to furnish RIA Kits/Controls to the Department of Health and Hospitals was advertised in the *City Record* on April 7, 1986. Bids were publicly opened and read on April 30, 1986. Twenty-three companies were solicited to bid and sixteen companies responded to the invitation to bid.

On September 3, 1986, permission was granted to award a contract to Travenol-Genentech Diagnostics, Cambridge, in the amount of \$13,910, for the period July 1, 1986, through June 30, 1988.

Due to the merger of Baxter Travenol, Inc. and American Hospital Supply Corporation several changes in corporate structure and policy have evolved. The Department of Health and Hospitals has been notified as of January 1, 1987, that American Scientific Products will assume responsibility of the contract to furnish RIA Kit products and will honor quoted prices and all other terms and conditions of the contract.

In view of the above, and because the cost, in my opinion, is reasonable no benefit would inure to the city by publicly readvertising for bids.

This award is being processed late because we did not have all the necessary documents from the vendor in order to process the contract.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Radiology Catheters, Etc.

Dear Sir:

An invitation for bids, Proposal No. 566, to furnish radiology catheters and guidewires, etc. to the Department of Health and Hospitals was advertised in the *City Record* on November 10, 1986, and bids were publicly opened and read on December 1, 1986. Thirty companies were solicited to bid and thirteen companies responded to the invitation to bid.

Technically defective bids were received from the following vendors, who submitted the lowest acceptable bids meeting specifications at prices I consider to be reasonable. All three vendors submitted late bids.

Medi-Tech, Inc., Watertown, \$19,392, net 30 days, F.O.B. Watertown; Electro-Catheter Corp., New Jersey, \$3,900, net 30; Universal Medical Instrument Corp., New York, \$2,900, net 30 days.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to reject all bids for items to be supplied by the above vendors and award contracts, without further advertising, to these vendors. The contract amounts are approximate figures based on estimated volumes. The contract period is January 1, 1987, through December 31, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Vacuum Curettage Supplies

Dear Sir:

An invitation for bids, Proposal No. 564, to furnish vacuum curettage accessories and supplies to the Department of Health and Hospitals was advertised in the *City Record* on October 27, 1986. Bids were publicly opened and read on November 17, 1986. Ten companies were solicited and three companies responded to the invitation to bid.

A technically defective bid was received from the following vendors, who submitted the lowest acceptable bid meeting specifications at prices I consider to be reasonable, in that the vendor did not file a copy of the bid with the City Auditor — Cabot Medical, Pennsylvania, \$10,000, net 30, F.O.B. Pennsylvania.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the above vendor. The contract amount is an approximate figure based on estimated volumes. The period is January 1, 1987, through December 31, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

I.V. Catheters and Solutions

Dear Sir:

An invitation for bids, Proposal No. 527, to furnish I.V. catheters and solutions to the Department of Health and Hospitals was advertised in the *City Record* on April 7, 1986. Bids were publicly opened and read on April 28, 1986. Thirty-one companies were solicited and nineteen companies responded to the invitation to bid.

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to the following eligible vendors, who submitted the lowest bids, meeting specifications, at prices I consider to be reasonable.

Both these bids were defective because they did not send duplicate copies to the Auditor's office.

Abbott Critical Care Systems, Utah, \$10,000, net 30 days; American Hospital Supply Corporation, Bedford, \$10,000, net 30 days.

The above amounts are approximate figures based on estimated volumes. The contract period is July 1, 1986, through June 30, 1987.

The contract is being processed late because documents submitted by the above vendors were either not originals or some required documents were omitted.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Respiratory Therapy Supplies

Dear Sir:

An invitation for bids, Proposal No. 551, to furnish respiratory therapy supplies to the Department of Health and Hospitals was advertised in the *City Record* on August 18, 1986. Bids were publicly opened and read on September 3, 1986. For eight companies were solicited and twenty companies responded to the invitation to bid.

A technically defective bid was received from the following vendor, who submitted the lowest bid meeting specifications at prices I consider to be reasonable, in that the vendor did not file a copy of the bid with the City Auditor.

American Hospital Supply, Bedford, \$5,000, net 30 days.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the above vendor. The contract amount is an approximate figure based on estimated volumes. The contract period is from October 1, 1986, through September 30, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Adult and Pediatric Ventilators Parts

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Bear Medical, California, for the period January 1, 1987, through December 31, 1987, at a cost not to exceed \$8,000.

Under this contract, Biomedical Engineering Boston City Hospital, will order parts for the E Adult and pediatric ventilators. In prior years a service contract was awarded for maintenance and repair of this equipment. Hospital biomedical technicians are now trained to make the repairs; the costs incurred will be for parts only. Parts will be purchased at the current catalogue price and shipping will be FOB: Riverside, California.

Because Bear Medical is the manufacturer of the equipment, having sufficient inventory of various parts and because the cost, in my opinion, is reasonable no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Laboratory Equipment Repairs

Dear Sir:

An invitation to bid for maintenance and repair

ous laboratory equipment at Boston City Hospital was advertised in the *City Record* on May 5, 1986, with a bid opening date of May 22, 1986. Only three companies were solicited. No bids were received for service of the Hematrak System. Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the manufacturer of the instrument, Geometric Data, Pennsylvania, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$18,200.

Under this contract, Geometric Data will provide twenty-four-a-day, seven days a week service, including all parts, labor and travel for the Hematrak Model 360 and the Hematrak Differential System F-1 located in the Central Hematology Department at Boston City Hospital.

Geometric Data has provided the department with good service on this highly complex system in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$18,200; 1985 — \$18,200; 1984 — \$6,600.

Therefore, as Geometric Data is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I deem to be reasonable, no benefit would inure to the city by further advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the letter of award until after July 1, 1986. The Contract Office was then required to obtain all the additional necessary documents from the vendor.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Sir:
An invitation to bid for maintenance and repair of laboratory equipment at Boston City Hospital was advertised in the *City Record* on May 5, 1986, with a bid opening date of May 22, 1986. Only three companies were solicited. No bids were received for service of the two Ames Optimate II Instruments.

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to Ciba Corning Diagnostic Corp., Ohio, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$80,000.

Under this contract, Ciba Corning Diagnostic Corp. will provide maintenance and repair including all travel, parts and labor, necessary to maintain Ames Optimate TDM instruments in good operating condition. Service will be provided Monday through Friday, 8 a.m. to 5 p.m.

In the past, Ciba Corning Diagnostic Corp. (formerly Gilford Instruments) has provided good service on the aforementioned equipment. Unadvertised contracts were awarded to Gilford Instruments for the past three fiscal years in the following amounts: 1986 — \$3,600; 1985 — \$3,600; 1984 — \$3,600. The aforementioned contracts were for service of one Ames Optimate TDM instrument.

Therefore, inasmuch as Ciba Corning Diagnostic Corp. is the only current supplier of parts, has the personnel specially trained to maintain this equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by further advertising for bids.

This award is being processed late due to the difficulties encountered in obtaining the actual cost of the contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

DEPARTMENT OF HEALTH AND HOSPITALS

Disposal of Hazardous Waste

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Merrimack Valley Medical Services Co., Lawrence, for the pickup, hauling, and destruction of all infectious/hazardous waste for Boston City Hospital and Mattapan Hospital for the period January 10, 1986, through January 9, 1987, at a cost not to exceed \$260,000.

This amendment will increase the contract sum by \$620,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$880,000.

This amendment is necessary due to a reclassification regarding the definition of infectious waste which has caused the department to more than double the original estimated volume.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Floor Care Equipment

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Electrical Appliance Corp., for repair of Miscellaneous and Advance vacuum cleaner equipment plus miscellaneous floor care equipment at Boston City Hospital for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$15,000.

This amendment will increase the contract sum by \$5,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$20,000.

This amendment is necessary to cover the cost of repairs that were either underestimated or not anticipated.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Maintenance of X-ray Processors

Hon. Raymond L. Flynn,
Mayor of Boston.

Dear Sir:

Pursuant to the authority delegated to me by the

Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with E. M. Parker Co., Inc. for provision of X-ray solutions, maintenance of Department of Health and Hospitals' X-ray processors, and spent fixer recovery for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$28,000.

This amendment will increase the contract sum by \$35,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$63,000.

This amendment is necessary due to an anticipated increase in both the number of repairs to X-ray processors and the volume of X-ray solutions to be provided.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

BOSTON REDEVELOPMENT AUTHORITY

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for Site Preparation Contract F in the Washington Park Urban Renewal Project Area, Block 1, R-24, located in the City of Boston, Massachusetts, until 12 noon, Boston time, on October 6, 1987, at One City Hall Square, ninth floor, Room 910, Boston, Mass., Attention: Engineering Department, at which time and place all bids will be publicly opened and read aloud.

A prebid conference will be held at 10:30 a.m. on September 29, 1987, at One City Hall Square, ninth floor, Board Room, Boston, Mass., to discuss scheduling of the work and other matters.

The work will consist of construction to the degree of completeness as shown on the plans: removal and disposal of existing roadway and sidewalk pavements; removal and resetting of existing granite edgestone; construction of new bituminous concrete roadway pavements and cement concrete sidewalks and driveways; new street lighting system; roadway drainage system; and plantings of street trees, all in Dunford Street (Cobden Street to Fenner Street), Haley Street (Dennison Street to Harrishof Street), Harrishof Street (Walnut Street to end at Hospital Gate) and Park View Street (Seaver Street to Hutchings Street).

Proposed forms of contract documents, including drawings, and technical specifications are on file at the office of the Boston Redevelopment Authority, Room 910, ninth floor, One City Hall Square, Boston, MA 02201.

Copies of the contract documents may be obtained by paying one hundred dollars (\$100), non-refundable, in cash or a certified check, payable to Boston Redevelopment Authority for each set of documents so obtained.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check, or a surety's or cashier's check issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in form satisfactory to the Awarding Authority; (b) from a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit

shall be in the amount equal to at least 5 percent of each proposal for site preparation contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws, c. 30, sect. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 305 of the General Conditions of the contract.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, nondiscrimination, affirmative action with respect to minority, female, and resident employment, and minority business enterprise utilization.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, at Building Number 33, Charlestown Navy Yard, Charlestown, Mass., on September 29, 1987, at 11:30 a.m.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest to do so.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for General Bids for Boston City Hall Plaza Fountain Reconstruction, Project No. 4053, C. 30 Projects.

The City of Boston, acting by its Director of Public Facilities Department, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for Boston City Hall Plaza Fountain Reconstruction.

Bids will be received up until twelve o'clock noon, Boston time, November 5, 1987, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check, treasurer's check or cashier's check made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for

filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about September 21, 1987, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids, if it be in the public interest to do so.

Invitation for Proposals for Supplying and Delivering Typewriter Ribbons.

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying and delivering typewriter ribbons, as specified, to the Boston Public Library.

Proposals will be received until 12 o'clock noon, Boston time, Wednesday, October 14, 1987, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority mail address: P.O. Box 286, Boston, MA 02117, and the other copy shall be filed at the office of the

City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, September 23, 1987, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

**Invitation for Bids for Furnishing and Installing
New Rear Section for Boiler No.1 at the
Henry Grew School, 40 Gordon Avenue,
Hyde Park, Mass.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed general bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the documents entitled "Furnishing and Installing New Rear Section for Boiler No. 1 at the Henry Grew School, 40 Gordon Avenue, Hyde Park, Mass."

GENERAL BIDS will be received before twelve o'clock noon on Thursday, October 8, 1987, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, September 23, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall

be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

REQUEST FOR DESIGNERS

Under Massachusetts General Laws c. 7, s. 30, the Planning and Engineering Department is requesting applications for design work on an as-needed basis for the period October 15, 1987, through June 30, 1988, for development of plans, specifications, and cost estimates for the following projects:

1. Mechanical and Electrical Engineering
2. Architectural and Structural Engineering

The agreement does not obligate the School Committee or the Department of Planning and Engineering to accept, in whole or in part, any proposal submitted by a design firm or individual, and the Department of Planning and Engineering reserves the right to waive any informalities and to reject proposals, in whole or in part, if it be in the public interest to do so.

Design firms or individuals will perform work at fees as scheduled within the proposal form. Applicants must be either registered architects or registered engineers in the Commonwealth of Massachusetts, or otherwise qualified in the specific discipline called for.

The application package may be obtained from the Department of Planning and Engineering, 26 Court Street, second floor, Boston, MA 02108. Proposals are available now and are due by the close of business October 1, 1987.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. R8CN18, ATTLEBORO STATION PLATFORM, Attleboro, Massachusetts, will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on September 30, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

The work to be performed under this contract consists of the construction of the Attleboro Station Platform, which includes removal of existing R. R. track, concrete curb, bituminous pavement and chain link fencing, and providing a new bituminous paved platform, timber curbs, pavement markings, chain link fencing, earthwork, pipe railings, signage, lighting, and storm drainage.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after September 9, 1987, Monday through Friday, at a charge of \$50. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If required, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. John Kiersey, 500 Arborway, Jamaica Plain, MA 02130, Telephone Number (617) 722-3465. A prebid conference will be held on Thursday, September 17, 1987, at 10 a.m., at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their

bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, September 23, 1987, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

NO. 39

MAYOR FLYNN'S CELEBRATION OF CITIZENSHIP DAY

On September 16th, 1,000 Boston schoolchildren joined Mayor Raymond Flynn and Superintendent Laval Wilson in Boston's recognition of Celebrate Citizenship Day. The ceremony took place next to "Old Ironsides" moored at the National Historic Park in Charlestown. At 1:50 p.m. Mayor Flynn joined the children in reciting the Pledge of Allegiance simultaneously. President Ronald Reagan led the nation in the pledge live on national television.

Also the Mayor and the Superintendent recognized and awarded special medals to the six winners of the public schools essay contest on board the U.S.S. "Constitution." The winners then joined the other guests in the Pledge ceremony.

The National Parks Service 40-foot by 90-foot flag which originally hung on Mount Rushmore, and has been on tour this summer was displayed for the ceremony.

"Citizenship day, and our Essay Contest are two important parts of our year-long celebration of the Bicentennial of the United States Constitution. They serve to directly involve the young leaders of tomorrow, who must carry our vision of liberty and freedom into the twenty-first century," said Mayor Flynn. "The children are involved in this educational experience to strengthen their understanding, and knowledge of the country, and their government," he added.

Assembled on the stage with Mayor Flynn and the Superintendent were Commander David M. Cashman, of the U.S.S. "Constitution," Professor Alan Rogers from Boston College, Clarence Hoover from the School Department, Felix Arroyo, Kathleen Hennessy, and Rosemarie Sansone, all members of the Commission on the Bicentennial of the U.S. Constitution in Boston.

These events were sponsored by the Commission on the Bicentennial of the U.S. Constitution, the National Park Service, the United States Navy, and the Mayor's Office of Business and Cultural Development.

Mayor Flynn and Dr. Laval Wilson presented six Boston Middle and High School students with the "Advocates for Freedom" Bicentennial essay awards onboard the U.S.S. "Constitution." The Boston Bicentennial Commission "Advocates for Freedom" essay contest was sponsored by New England Telephone. The contest included over 200 essays from schools across the city. Mr. Gerhard M. Freche, President and Chief Executive Officer of New England Telephone Company, congratulated the students and spoke about the importance of the Constitution. Award winners from the middle school included Jennifer Dalton (first place) and David Visco (second place) from the Thomas A. Edison School of Brighton, and Jeffrey Hinton (third place) from the King Middle School of Dorchester. Award winners from the High Schools included Michelle Hall (first place) from the Boston Technical High School of South Boston, David Neuman (second place) and Richard Benoit (third place) from South Boston High School.

BOSTON WINS GRANT FOR REPAIR OF MARINE PARK'S PIER 10

The Commonwealth's Office of Coastal Zone Management (CZM) has awarded a \$472,825 grant to the City of Boston for the rehabilitation of Pier 10 at the Marine Industrial Park. The Economic Development and Industrial Corporation (EDIC), which owns the park and will administer the funds, was one of fourteen organizations to win a grant for the improvement of public coastal facilities.

Mayor Raymond Flynn announced that the city will supplement the CZM grant funds with \$631,300 to cover EDIC's total project cost of \$1,104,125.

The project calls for a dilapidated 140-foot section of the outboard side of the 300-foot-long pier to be demolished and replaced by floats providing eight new berths. The berths will be used by the Boston Harbor Police and commercial lobster boats.

Rehabilitation of the pier will also include lighting, electric, and water service connections, and a light duty hoist for lifting lobster traps. Structural repairs will provide better facilities for anchoring Drydock 3's gate or "caisson," ensuring the continued use of the drydock for shop repair.

"The Pier 10 rehabilitation project reflects the city's commitment to the preservation and enhancement of the city's waterfront industry," said EDIC Director Marilyn Swartz Lloyd.

When completed at the end of 1987, the pier will include provisions for public access and become part of the EDIC's program for "Art, Access, and Amenities," at the park. Visitors to the adjacent Pier 10 Park and Drydock will be able to observe activity at the pier while enjoying a magnificent harbor view.

Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by 11 a.m., Monday of each week to insure its publication in the following Monday's issue

The counselor to be provided by the Pine Street Inn, Inc. is particularly qualified, both in experience and training. The Pine Street Inn, Inc. provides valuable and needed services to the homeless people in the city.

The Department of Health and Hospitals has had a contract with Pine Street Inn for many years. The cost for the past three fiscal years has been \$5,000 per year.

Therefore, inasmuch as the service to be provided hereunder is of a personal nature, and since the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Camera System Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Raytheon Company, Illinois, for the period July 1, 1986 through June 30, 1987, at a cost not to exceed \$11,352.

Under this contract, Raytheon Company will provide parts, labor and travel between the hours of a.m. and 5 p.m., and four preventive maintenance sessions to maintain the Cameray II Camera System, model number 7001, serial number CY-106.

Raytheon Company has provided the department with excellent services in the past and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$11,025, 1985 — \$11,020; 1984 — \$11,020. Services for this highly specialized equipment must be provided by the manufacturer, who can quickly diagnose and repair the equipment without disruption to patient care.

Inasmuch as Raytheon Company is the manufacturer of this equipment with personnel specially trained to provide this service, and as the price, in my opinion, is reasonable, no useful purpose would be served by the city by publicly advertising for bids.

The contract documents were sent to the vendor for signature on April 23, 1986, however they were not returned to the Contract Office until July 20, 1986. Thus, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Pastoral Counseling

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to St. Gregory's Church, Dorchester, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$3,740.

Under this contract, St. Gregory's Church will provide pastoral counseling and liturgical service related to the needs of Catholic patients at Mattapan Hospital. Services are to be provided ten hours per week, which will include weekly visits to each of the wards, a weekly Sunday worship service, a two High Holy Day Services during the year, at a rate of \$70 per week, plus an additional \$50 for each High Holy Day Service. The priests of the parish will also be on call throughout each week, evenings and weekends included, for emergency purposes.

St. Gregory's Church has provided excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years.

the following amounts: 1986 — \$2,700; 1985 — \$2,700; 1984 — \$2,600.

Because of the special fitness of St. Gregory's church to provide these services, because of the professional nature of the services to be rendered and as the price, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Various Testing Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to St. Margaret's Hospital for Women, Dorchester, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$3,500.

Under this contract, St. Margaret's Hospital will perform Sphadex tests at \$25 per test and Bilirubin tests at \$15.75 per test. These tests are required for critical newborns at Boston City Hospital.

St. Margaret's Hospital is a maternity facility and performs the tests in-house. They have the expertise to provide a quality accurate result. The current test costs are subject to a price increase of up to 10 percent.

St. Margaret's Hospital has provided the department with excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$3,500; 1985 — \$3,500; 1984 — \$3,500. The quality of the testing has been consistent and reliable. Currently, the department requires approximately 100 tests per fiscal year. St. Margaret's Hospital is the sole provider of these services.

Therefore, because of the special fitness of St. Margaret's Hospital to provide these services, and because the cost, in my opinion is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor for signature on June 3, 1986, however they were not returned to the Contract Office until January 30, 1987. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Medical Care Clinic

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to South End Community Health Center, Inc., 400 Shawmut Avenue, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$45,000.

Under this contract, medical services are provided for residents of the South End Community Health Center, a private, nonprofit, medical care clinic. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. The health center provides free basic primary care services: adult medicine, pediatrics, and obstetrics/gynecology. Department of Health and Hospitals funded health centers play a major role in the delivery of ambulatory care throughout the city.

The South End Community Health Center has operated this clinic for almost seventeen years with financial assistance from this department, and in my judgment it is a vital provider of health services to the community which must continue to operate.

Unadvertised contracts have been awarded for the past three fiscal years in the following amounts: 1986 — \$145,000; 1985 — \$120,000; 1984 — \$120,000. This contract enables the health center to meet the responsibility placed upon it by the City of Boston Primary Care Districting Plan.

Inasmuch as the South End Community Health Center, Inc., is specially suited by experience and expertise to provide this service to the city, at a cost that is reasonable, and since the services are of a personal and professional nature, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because the Legal Office at the Department of Health and Hospitals decided to revise the terms and conditions of the contract and thus the paperwork could not be sent to the vendor for signature.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Geriatric Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, acting by the Boston University School of Public Health, School of Medicine, 80 East Concord Street, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$218,962.

Under this contract, the University shall provide a qualified physician group specializing in Geriatrics to plan, develop and deliver long-term care services for the City of Boston. The contract will cover salaries and support services for provision of the following: (a) medical services for elderly patients at Mattapan and Long Island Hospitals; (b) home health care; and (c) follow patients on acute-care admissions. The physician group will provide the aforementioned services on a twenty-four-hour-a-day, seven days a week basis.

The department has had contracts with the Boston University School of Medicine for medical and professional services for many years. Unadvertised contracts were awarded for the last three fiscal years in the following amounts: 1986 — \$196,297; 1985 — \$48,680; 1984 — \$35,510. The contracts for 1985 and 1984 were for the provision of only on physician, specializing in Geriatrics. The Medical School provides the department with high quality medical and professional services that incorporate service, teaching, and research activities.

Because of the special fitness of University to provide these services, because of the personal and professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because the Legal Office at the Department of Health and Hospitals decided to revise the terms and conditions of the contract and thus the paperwork could not be sent to the vendor for signature.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Various Medical and Research Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, acting by the Boston University School of Medicine, 80 East Concord Street, for

the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$457,469.

Under this contract, the University will provide public health and medical services in the following areas: parochial and public school health; surveillance, control, and prevention of communicable diseases, including AIDS and tuberculosis; maternal and child health care; adolescent health; lead paint poisoning prevention (medical services); substance abuse; health and vital statistics; research and evaluation of public health programs; health education for risk reduction programs. Eight physician-epidemiologists will be provided, as well as two research epidemiologists, the medical and administrative direction for the Department's narcotic addiction program, one health educator for the department's risk reduction program, and one physician to head a clinical AIDS program at Boston City Hospital.

The department has had contracts with Boston University School of Medicine for medical and professional services for several years. Unadvertised contracts have been awarded for the last three fiscal years in the following amounts: 1986 — \$479,973; 1985 — \$355,695; 1984 — \$274,357. The Medical School provides the department with high quality medical and professional services that incorporate service, teaching and research activities.

Therefore, because of the professional nature of the services to be performed, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because the Legal Office at the Department of Health and Hospitals decided to revise the terms and conditions of the contract and thus the paperwork could not be sent to the vendor for signature.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Primary Care Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1986, through June 30, 1987: Grantee Corporation, Children's Hospital Medical Center, Neighborhood Health Ctr.: Martha Eliot Health Center, 33 Bickford Street, Jamaica Plain, Amount of Grant; \$21,600.

The purpose of this grant is to enable the aforementioned to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular Grantee Corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

Fiscal year 1986 was the first year that the Department of Health and Hospitals had a contract with the Martha Eliot Health Center to provide primary care services. This was an unadvertised contract in the amount of \$10,000. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health services provide needed services and have had a significant impact on the health of people in Boston's neighborhoods.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late because the Legal Office at the Department of Health and Hospitals decided to revise the terms and conditions of the contract and thus the paperwork could not be sent to the vendor for signature.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1986, through June 30, 1987: Grantee Corporation, Greater Roslindale Health Organization, Inc., Neighborhood Health Ctr; Greater Roslindale Medical and Dental Center, 16 Cummins Highway, Roslindale, Amount of Grant: \$64,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular Grantee Corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Greater Roslindale Medical and Dental Center to provide primary care services in Roslindale for almost sixteen years. The health center provides high-quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. The Greater Roslindale Medical and Dental Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$64,000; 1985 — \$64,000; 1984 — \$64,000.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated

for the period July 1, 1986, through June 30, 1987: Grantee Corporation, Codman Square Health Center, Neighborhood Health Ctr; Codman Square Health Center, Inc., 6 Norfolk Street, Amount of Grant, \$150,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: first, that the city's contribution be matched by the particular Grantee Corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Codman Square Health Center to provide primary care services in Dorchester for five years. The health center provides high-quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. Codman Square Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$120,000; 1985 — \$70,000; 1984 — \$45,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, acting by the Boston University School of Medicine, 80 East Concord Street, to provide physicians' clinical services in the Primary Care Center of the Ambulatory Care Center for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$111,325.

Under this contract, the University will provide qualified physicians to render clinical services in the Ambulatory Care Center of the Department of Health and Hospitals. This includes administration, precepting, and supervision of house staff and medical students in the Primary Care Center. The individual assignments to the positions will be by the University with the approval of the department.

The department has had contracts with the Boston University School of Medicine for medical and professional services for many years. Unadvertised contracts for the last three fiscal years were awarded for the following amounts: 1986 — \$106,838; 1985 — \$123,467; 1984 — \$261,564. The Medical School provides the department with high quality medical and professional services that incorporate service, teaching and research activities.

Because of the special fitness of the University to provide these services, because of the personal and professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Agreement on the revisions to the contract terms between the Department of Health and Hospitals and Boston University Medical School for the large physician contract was not reached until November 17, 1986. Once negotiations were completed, every other physician contract with the Trustees of Boston University had to be reviewed and updated to reflect the changes made in the major contract. Because of this procedure, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Pharmacy Security Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Special Agent Systems, Watertown, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$2,619.

Under this contract, Special Agent Systems will maintain and test the security system in the Pharmacy at Mattapan Hospital at a cost of \$1,819. This service includes monitoring the pharmacy area twenty-four hours a day.

In addition, all parts and labor plus a one year guarantee on parts of additional installations during fiscal year 1987 will be provided at a cost of \$800.

Special Agent Systems has provided excellent services in the past. Unadvertised contracts were awarded to Special Agent Systems for the past three fiscal years in the following amounts: 1986 — \$2,343; (Mattapan Hospital); 1985 — \$4,019.30; 1984 — \$4,775. In 1984 and 1985 these services were provided to both Mattapan and Long Island Hospitals.

Therefore, since the equipment was originally installed by Special Agent Systems, because the most expensive feature of a security system is the installation cost, because Special Agent Systems has provided excellent services in the past, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Laundry Equipment Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to renew, without advertising, the city's contract with Spink Sales & Service, Inc., Quincy, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$40,000.

Spink Sales and Service, Inc., will provide repair and maintenance of laundry equipment at Mattapan and Long Island Hospitals at a cost of \$261 per hour. Under the original contract, at the option of the Department of Health and Hospitals, the contract may be renewed for one year under the same terms or those more favorable to the city.

Therefore, as the contract is being extended under the same terms to the city, and Spink Sales & Service, Inc., who was awarded the original contract

act pursuant to public bidding, has provided excellent service, at a cost I deem to be reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Software Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to System Analysis Corporation, Wellesley, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$19,228.56.

In 1982, the department purchased a clinical laboratory information system computer software package from System Analysis Corporation which is compatible with the department's existing computer hardware from Digital Equipment Corporation. Under this contract, System Analysis Corporation will provide all labor and travel expenses to clarify any and all software problems in existing programs.

System Analysis Corporation has provided the department with excellent services in the past. System Analysis Corporation was awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$19,228.56; 1985 — \$33,728.56; 1984 — \$17,907.

Because System Analysis Corporation is the manufacturer, because the software can only be altered by System Analysis Corporation as it is copyrighted material, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor for signature on June 10, 1986, however the completed documents were not returned to the Contract Office until October 10, 1986. Thus, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Sigma Camera Services, Etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Technicare Corporation, Ohio, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$3,180.

Under this contract, Technicare Corporation will provide, during the hours 8 a.m. and 5 p.m., all parts, labor, travel, and preventive maintenance necessary to maintain the following in good working condition: 1 Technicare DSA DR 960-B Unit, Special Procedures, \$23,180; 1 Sigma Camera and Area Scan, \$10,000.

Technicare Corporation has provided the department with quality maintenance service for approximately ten years. Technicare Corporation has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$2,912; 1985 — \$30,600; 1984 — \$10,035. Technicare Corporation is the manufacturer of this equipment. Service for the specialized computer components must be provided by the manufacturer who has personnel specially trained to quickly diagnose and repair the units without disruption to patient care.

Therefore, inasmuch as Technicare Corporation is the manufacturer, has the necessary parts in

stock, has personnel specially trained to repair and maintain the above equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Transcription Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising, the city's contract with Transcriptions, Ltd., Needham, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$75,300.

Transcriptions, Ltd. will provide medical record transcription services for the Department of Health and Hospitals at the rate of \$0.08 per line. Under the original contract, at the option of the Department of Health and Hospitals, the contract may be renewed for one year under the same terms or those more favorable to the city.

Therefore, as the contract is being extended under the same terms to the city, and Transcriptions, Ltd., who was awarded the original contract pursuant to public bidding, has provided excellent service, at a cost I deem to be reasonable, no useful purpose would be served by publicly advertising for bids.

The contract documents were sent to the vendor for signature on May 23, 1986, however, they were not returned to the Contract Office until July 25, 1986. Thus, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Computer Systems Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Vantine Computer Services, Inc., Sudbury, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$2,256.

Under this contract, Vantine Computer Services, Inc. will provide on-site support and maintenance service, Monday through Friday, 9 a.m. to 5 p.m. for the Fortune System 20 and for Pro multi-user O/S.

An unadvertised contract was awarded to Vantine Computer Services, Inc. for fiscal year 1986 in the amount of \$3,880. In 1984 and 1985, the support services for the computer system were paid for through physicians grants.

Prior to 1986, support services for the computer system were provided by what was, at that time, the only qualified vendor in the area to service the Fortune computers. However, the department had not been satisfied with this vendor's service. Fortune Computer Systems in California was contacted and they informed the department of another company, Vantine Computer Services, Inc., qualified to provide the services for the computer system. Vantine Computer Service's cost is also less than that of the previous vendor.

Therefore, in view of the above, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because the request for a contract for these services was submitted in June to the Contract Office. Due to the large volume of contracts to be processed and the emphasis to have contracts executed by July 1, the

Contract Office concentrated on those contracts which could be executed prior to July 1.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Blood Bank Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, Division of Hematology, 80 East Concord Street, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$9,000.

Under this contract, Trustees of Boston University, Division of Hematology, will provide a consultant to the Blood Bank at Boston City Hospital. This Hematologist/Immunologist will serve as medical director of the Blood Bank and as liaison with the medical staff. The aforesaid physician will serve under the department. The assignment to the position will be by the University with the approval of the department. The cost is fixed and is to be paid monthly.

The Trustees of Boston University, Division of Hematology, have been awarded unadvertised contracts for the last three fiscal years in the following amounts: 1986 — \$9,000; 1985 — \$9,000; 1984 — \$9,000.

Therefore, because of the professional nature of the services to be rendered, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Hormone Testing Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, 80 East Concord Street, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$4,000.

Under this contract, Dr. Herbert Wotiz will perform hormone testing to include a combination estrogen and progesterone receptor assay at \$104 per test. Trustees of Boston University has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$4,000; 1985 — \$4,000; 1984 — \$3,000. Dr. Wotiz has provided these services in a satisfactory manner in the past by offering the quality control desired by the hospital.

Therefore, because of the special fitness of the University to provide these services, and because Dr. Wotiz is particularly qualified to perform the needed tests and also because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Medical Students Recruitment

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period July 1,

1986, through June 30, 1987, at a cost not to exceed \$25,000.

Under this contract, the Trustees of Health and Hospitals of the City of Boston, Inc. will recruit, subject to departmental approval, minority fourth year medical students to serve their required electives at Boston City Hospital. The purpose of this program is twofold: first, to expose these students to the needs of this hospital and, also, to allow the appointing medical staff to evaluate their performance during this service. The ultimate goal of this program is to increase the number of minority students who apply to the Boston City Hospital for internships.

In order to provide an incentive for these students to apply, the department will help defray expenses during their four-week service by offering a \$500 stipend and, at the completion of their service, reimbursing travel expenses from Medical School to Boston City Hospital and return.

Trustees of Health and Hospitals have provided the department with excellent services in the past. The Trustees have been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1986 — \$25,000; 1985 — \$15,000; 1984 — \$15,000.

Inasmuch as the Trustees of Health and Hospitals of the City of Boston, Inc., a nonprofit organization, have demonstrated their expertise in recruitment and fiscal management at a reasonable cost, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Therapists Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Center for Creative Art Therapies, 731 Harrison Avenue, for the period January 1, 1987, through December 31, 1987, at a cost not to exceed \$3,750.

Under this contract, Center for Creative Art Therapies will provide a music therapist and an art therapist for the Geriatric Neuropsychology patients at Boston City Hospital. Services will be provided two and a half hours each week. One and a half hours will be dedicated to music therapy and one hour will be dedicated to supervision for expressive art therapy. The cost for these services will be \$30 per hour.

Geriatric Neuropsychology patient care is very complex. The patients require individuals specially trained to deal with their needs. Center for Creative Art Therapies has employees that have specialized skills in working with the elderly in the areas of music and art therapy. Unadvertised contracts for these services were awarded to Center for Creative Art Therapies for the past two fiscal years in the following amounts: 1986 — \$3,120; 1985 — \$2,340.

Therefore, because Center for Creative Art Therapies has therapists specially trained to provide these services, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because the request for a contract for these services was submitted in the middle of December to the Contract Office. Therefore, the paperwork could not be processed before the start of the contract.

This contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance

with the requirements of City of Boston Code, St. 4, ss. 4 and 8.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Health Advocate

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$418,000.

This contract will cover salaries of Neighborhood Health Advocates to be assigned to health centers in the North Dorchester, Roxbury, South End, and Jamaica Plain communities. The Neighborhood Health Advocates are part of the department's Healthy Baby Program. The program is designed to target and assist women with rates of low birthweight above the average for the general population including black and low-income women, adolescents, and women with poor reproductive histories.

The Neighborhood Health Advocates will work with neighborhood health center Obstetrics and Gynecology providers and the department's public health nurses to: find and enroll pregnant women in health care during the first trimester; assist in compliance with clinic visits and other necessary medical services; assist women with enrollment in entitlement and social service programs (e.g. nutrition, medicaid, day care, etc.); assure that high-risk women receive the necessary social supports.

Unadvertised contracts were awarded for the past two fiscal years in the following amounts: 1986 — \$368,000; 1985 — \$150,000. Prior to 1985, the program was not in existence.

Because of the unique nature of the services to be provided and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

JOBS AND COMMUNITY SERVICES

Job Training Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Saluti Associates, Inc., located at 15 Court Street. Under the terms of the contract, the contractor will provide training in the area of financial service clerks for two dislocated workers formerly employed at P & L Sportswear. The program will provide English as a Second Language (ESL) as well as financial services training experience.

The contractor was selected based upon the quality of its proposal in the areas of curriculum design and cost effectiveness, its previous experience in the training area, and its ability to provide training to the participants at this time.

Compensation under the terms of this contract shall not exceed \$10,000 payment being provided by the Division of Employment Security/Job Training Partnership Act Title III, dislocated workers grant. The period of performance shall be from December 1, 1986, until June 30, 1987.

The submission of this letter has been delayed due to the fact that these participants were initially being served by Saluti under a contract with the

Commonwealth of Massachusetts division of Employment Security (DES). Participants receiving services under the contract had to be eligible under the Trade Adjustment Assistance (TAA) act. It was not determined until several months into the program that these two students were ineligible for the TAA funding. Prior to the beginning of that contract, JCS had agreed to assist Saluti in servicing dislocated workers. Based on that agreement, JCS Agreed to recertify the students who were found to be Title III-eligible and pick up the costs associated with these two clients.

As this is a negotiated contract at a reasonable cost, which conforms to federal procurement requirements for JTPA programs, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to the Insight Consulting Group, Arlington, for the purpose of providing professional training services to the Mayor's Office of Jobs and Community Services (JCS).

Under the terms of the contract, the contractor will conduct its Managing Accelerated Performance seminar for JCS senior managers. This seminar will be tailored specifically for JCS needs. Topics include leadership skills, team building, motivation, stress management, strategic planning participatory management, productivity development, conflict resolution, communication, delegation, managing interpersonal relationships defining mission, and time management. The approach of the training is results-oriented, which differs from other training which tends to be more process-oriented, and will enable JCS managers to meet agency goals and objectives while freeing up their time to do more.

Compensation under the terms of this contract will not exceed \$16,000 payment being made from funds received from the Boston redevelopment Authority. The period of performance shall be from April 27, 1987, until April 28, 1987. The submission of this letter has been delayed as these are the only two days the contractor has available during the next six months. It is important that JCB managers receive this training now as the agency prepares for the new fiscal year, operates the Boston Fair Employment Commission, and implements the Boston for Boston plan. The training will enable JCS managers, particularly newer ones, to accomplish more during this busy period.

The Insight Consulting Group was one of four management training programs reviewed. They have done this type of training with both public sector and private sector employers, including the State Department of Social Services, EDIC, the Boston Technical Center, and the Social Security Administration. Of the programs reviewed, they offer the best price and plan and have also received excellent references.

As this is a negotiated contract at a reasonable cost, and due to the reasons cited above, I believe that public advertising would serve no useful practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising

the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Transitional Employment Enterprises, Inc., a nonprofit corporation, located at 60 Temple Place. Under the terms of the contract, the contractor will recruit and provide training to approximately twenty-five AFDC recipients to become family-based, day care providers. In addition, ongoing support services will be provided to the participants.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs are determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$77,435, payment being provided by the City of Boston through a grant from the Department of Public Welfare. The period of performance shall be from December 1, 1986, until June 30, 1987. This request was delayed due to late notification of funding availability from the State.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Alternative Educational Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the South Boston Neighborhood House, Inc., a nonprofit corporation, located at 521 East Seventh Street, South Boston. Under the terms of the contract, the contractor will provide alternative educational services leading to a high school diploma or a General Equivalency Diploma (GED) for approximately twenty City of Boston high school dropouts.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs are determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$21,250, payment being made from funds set aside for the Alternative Education Initiative. The period of performance shall be from January 20, 1987, until June 30, 1987. The submission of this letter has been delayed due to the length of time involved in developing this new program.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals

which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

PUBLIC FACILITIES DEPARTMENT

Day Care Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Infants and Other People, Inc., a nonprofit organization, located at 464 Tremont Street, for the purpose of providing day care services.

Under the terms of the contract, the contractor will provide day care services for five infants, six toddlers, and sixteen pre-school children. These services will be funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes a 25 percent local share. The contractor was selected based upon an evaluation of proposals submitted to both DSS and the Mayor's Office of Jobs and Community Services. Other selection criteria include the ability to provide the services needed, administrative capability, reasonableness of cost, and a review of the contractor's performance during the prior contract period. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract shall not exceed \$31,776, payment being made from the Community Development Block grant program. The period of performance shall be from July 1, 1986, until June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Family Day Care, Inc., a nonprofit organization, located at Brookline, for the purpose of providing day care services.

Under the terms of the contract, the contractor will provide fifty-three childcare slots for children of low to moderate-income adolescents, targeting the Roxbury and Jamaica Plain communities. These services will be funded in conjunction with the State's Department of Social Services (DSS) Public-Private Partnership Program, in which the city contributes a 25 percent local share. The contractor was selected based upon an evaluation of proposals submitted to both DSS and the Mayor's Office of Jobs and Community Services. Other selection criteria include the ability to provide the services needed, administrative capability, reasonableness of cost, and a review of the contractor's performance during the prior contract period. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract

shall not exceed \$49,437, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1986, until June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Allston/Brighton A.P.A.C., a nonprofit organization, located at 143 Harvard Street, for the purpose of providing day care services.

Under the terms of the contract, the contractor will provide day care services to seventeen pre-school and twenty-four after-school children. These services will be funded in conjunction with the State's Department of Social Services (DSS) Public-Private Partnership Program, in which the city contributes a 25 percent local share. The contractor was selected based upon an evaluation of proposals submitted to both DSS and the Mayor's Office of Jobs and Community Services. Other selection criteria include the ability to provide the services needed, administrative capability, reasonableness of cost, and a review of the contractor's performance during the prior contract period. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract shall not exceed \$30,949, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1986, until June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Career Workshops, Etc.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Boston Private Industry Council (BPIC), a nonprofit organization, located at 110 Tremont Street, for services in conjunction with and to be paid from the Community Development Block Grant/Job Bill.

Under the terms of the contract, the contractor will operate the Job Collaborative program which provides career workshops and job development services to high school youths. These services will be offered during summer vacation as well as the school year. The contractor was selected as they are the sole operator of the in-school Job Collaborative program. Costs are reasonable for the services provided, and BPIC has demonstrated the administrative capability needed to operate this program under previous contracts.

Compensation under the terms of this contract shall not exceed \$47,879, payment being made

from the Community Development Block Grant/ Jobs Bill program. The period of performance shall be from July 1, 1986 until June 30, 1987. The submission of this letter has been delayed due to the reorganization of the former Neighborhood Development and Employment Agency (NDEA), and the time involved in determining the availability of funds remaining under the Jobs Bill program.

At this is a negotiated contract at a reasonable cost, based upon an extensive program review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Tot Lot

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Parents and Children's Services, a nonprofit organization, located at 654 Beacon Street, for the purpose of improving existing neighborhood open space.

Under the terms of the contract, the contractor will construct a tot lot for the Parent's Center for Abused Children. The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Public Facilities Department. Costs were determined to be reasonable after extensive analysis by PFD staff and outside readers. Other selection criteria include administrative capability, severity of need, and project feasibility.

Compensation under the terms of this contract shall not exceed \$9,752, payment being made from the Community Development Block Grant program Year XI. The period of performance shall be from April 15, 1986, until December 31, 1986. The submission of this letter has been delayed due to the fact that a previous letter, dated February 25, 1986, was lost during processing.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Counseling Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Saint Leo's Haitian Multi-Service Center, a nonprofit organization, located at 177 Harvard Street, Dorchester, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide individual and family counseling services to 300 City of Boston residents of Haitian descent in the Dorchester community. These services will be funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes a 25 percent local share. The contractor was selected based upon an evaluation of proposals submitted to both DSS and the Mayor's Office of Jobs and Community Services. Other selection criteria include the ability to provide the services needed, administrative capability, reasonableness of cost, and a review of the contractor's performance during the prior contract period. Costs are determined by rates set by the

State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract shall not exceed \$6,922, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1986, until June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to United South End Settlements, a nonprofit organization, located at 566 Columbus Avenue, for the purpose of the providing counseling services.

Under the terms of the contract, the contractor will provide protective adult counseling for approximately 250 area elderly and hot lunches for approximately 350. These services will be funded in conjunction with the state's Executive Office of Elder Affairs, in which the city contributes a 25 percent local share. The contractor was selected based upon an evaluation of proposals submitted to both EOE and the Mayor's Office of Jobs and Community Services. Other selection criteria include the ability to provide the services needed, administrative capability, reasonableness of cost, and a review of the contractor's performance during the prior contract period. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both EOE and JCS.

Compensation under the terms of this contract shall not exceed \$45,300 payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1986, until June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston, Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to E.S.A.C. Inc., a nonprofit organization, located at 406 South Huntington Avenue, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide protective adult counseling to approximately 200 elderly in the Jamaica Plain neighborhood. These services will be funded in conjunction with the State's Executive Office of Elder Affairs, in which the city contributes a 25 percent local share. The contractor was selected based upon an evaluation of proposals submitted to both EOE and the Mayor's Office of Jobs and Community Services. Other selection criteria include the ability to provide the services needed, administrative capability, reasonableness of cost, and a review of the contractor's performance during the prior contract period.

Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both EOE and JCS.

Compensation under the terms of this contract shall not exceed \$25,362, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1986, until June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Greater Boston Chinese Golden Agers, a nonprofit organization, located 5 Oak Street, Boston for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide protective adult counseling to approximately 140 elderly Chinatown residents. The services will be funded in conjunction with the State's Executive Office of Elder Affairs, in which the city contributes a 25 percent local share. The contractor was selected based upon an evaluation of proposals submitted to both EOE and the Mayor's Office of Jobs and Community Services. Other selection criteria include the ability to provide the services needed, administrative capability, reasonableness of cost, and a review of the contractor's performance during the prior contract period. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both EOE and JCS.

Compensation under the terms of this contract shall not exceed \$11,211, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1986, until June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

Primary Health Care Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Dimock Community Health Center, 55 Dimock Street, matching grant for primary health care services, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$100,000.

This amendment will increase the contract sum by \$23,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$123,500.

This amendment represents the allocation of prenatal initiative funds targeted to reduce infant mortality rates in the neighborhood by expanding maternal and child health services provided by the community health centers.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Little House Center, 990 Dorchester Avenue, matching grant for primary health care services, for the period July 1, 1986, through June 30, 1987, at a cost not to exceed \$31,435.

This amendment will increase the contract sum by \$10,400, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$41,835.

This amendment represents the allocation of prenatal initiative funds targeted to reduce infant mortality rates in the neighborhood by expanding maternal and child health services provided by the community health centers.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

Very truly yours,
Lewis W. Pollack,
Commissioner.

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for General Bids for Emergency Motor
Replacement for the Main Security Gate at
the Deer Island House of Correction, Proj-
ect No. 5143.**

The City of Boston, acting by its Director of the Public Facilities Department, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for Emergency Motor Replacement for the Main Security Gate at the Deer Island House of Correction.

Bids will be received up until twelve o'clock noon, Boston time, October 14, 1987, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check,

treasurer's check or cashier's check, made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturday, Sunday, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide for the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available on or about September 28, 1987, at the Public Facilities Department, to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. P1CN28, GREEN LINE POWER UPGRADE, COMMONWEALTH AVENUE BRANCH, PHASE II, Metropolitan Boston, Massachusetts, (Class 5 — Electrical, Project Value \$6.00) will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on October 13, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work in this contract consists of trolley wire upgrade to No. 4/0 AWWG for the entire branch from Fenmore to Lake Street and part of Chestnut Hill Avenue, including elastic arm supports in the tunnel and stitched supports on the surface main line; construction of duct banks and manholes from Packards Corner to Harvard Avenue vicinity along Commonwealth Avenue; installation of new feeder disconnect switches, positive feeder cables and negative return cables; and improvements to power system at Lake Street Storage Yard.

This contract is subject to a financial assistance contract between the MBTA and UMTA of the United States Department of Transportation.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administrative Office at the address above from 8:30 a.m. to 4 p.m., after September 17, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan owner. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) Participation provisions, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

A prebid conference will be held on September 29, 1987, at 10 a.m. at the office of the Project Manager, Mr. Richard F. Conley, Power System Improvements Project Office, 21 Arlington Avenue, Charlestown, MA 02129, (Telephone Number 617-722-5014). Any request for interpretation of the specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to Federal Wage and Hour Laws and State Minimum Wage Rates as well as all other applicable labor laws.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

INSPECTIONAL SERVICES DEPARTMENT

**Proposal for Bids for Miscellaneous Repairs to
Inspectional Services Department Automobiles and Light Trucks.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at 1010 Massachusetts Avenue, fifth floor, Boston, Mass., on and after September 28, 1987. All proposals shall be filed no later than noon, Friday, October 9, 1987, at 1010 Massachusetts Avenue, fifth floor, Boston, Mass., and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they will be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guarantee shall consist of a bid deposit of \$1 in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Inspectional Services has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor therefore, a performance bond will not be required.

NOTICE

The attention of all bidders is specifically directed

to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

1. **MINORITY WORKFORCE:** The contractor and its subcontractor shall maintain a not less than 25 percent ratio of minority manhours in each trade worked on the contract.

2. **BOSTON RESIDENT WORKFORCE:** The contractor and his subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **FEMALE WORKFORCE:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

Attention is called to chapter 370 of the Acts of 1963, which must be strictly complied with. The Commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Giovanni Dello Iacono Playground, Hyde Park, and Thomas J. Hynes Playground, West Roxbury, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to Giovanni Dello Iacono Playground, Hyde Park, and Thomas J. Hynes Playground, West Roxbury, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install tot lot, steel fencing, baseball fields, tennis court, and water. Estimated cost of construction \$325,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 15, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, September 28, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, October 6, 1987, at 10 a.m., Boston time.

BUSINESS AND MAYOR FLYNN IN HISTORIC ART RESTORATION PROGRAM

On September 30th, at 8 a.m. Mayor Raymond L. Flynn announced the start of the Adopt-a-Statue Program at the Boston Park Plaza Hotel. The program is a public/private effort to raise \$1.2 million to restore and permanently maintain Boston's outdoor public art which has been damaged by acid rain and the elements.

Adopt-a-Statue is a historic campaign. Boston is the first city in the United States to undertake an outdoor public art restoration project of this scale. In addition, the establishment of a maintenance endowment for each piece of outdoor public art is an unprecedented measure.

At approximately 9:15 a.m., following the announcement of the program, Mayor Flynn unveiled the restored Emancipation Group at Park Plaza. The Boston Park Plaza Hotel and Towers has given \$25,000 for the restoration and maintenance of the statue. The adoption of the Emancipation Group by the hotel marks a significant beginning for the Adopt-a-Statue Program.

In the past, the role of Boston business has been perceived as a minor one in the support of public art. The recent interest expressed by corporations in the Adopt-a-Statue Program indicates an increasing involvement by business in the preservation of Boston's sculptural treasures.

CABLE TV SERVICE TO DOWNTOWN BOSTON

Cablevision will resume construction of final 11 miles, bringing service to residents of Back Bay, Chinatown, Bay Village and Beacon Hill.

Residents of Boston's downtown neighborhoods will begin to receive cable television service this fall. Cablevision of Boston, the licensed cable operator for the city, has agreed to start construction immediately. Completion of the cable system in the Back Bay, Chinatown, Bay Village, and Beacon Hill had been delayed because of a dispute with the Back Bay Architectural Commission and because Cablevision's line of credit had been cut off by its banks.

Underground construction will take place soon in the Back Bay this fall, and an estimated 400 units will be activated for service in Chinatown. Construction in the Back Bay will follow the guidelines worked out with the Back Bay Architectural Commission. This includes making use of an existing telephone company underground conduit along Commonwealth Avenue, attaching cable to existing poles along the Boylston Street/Newbury Street alleyway, and

minimizing the amount of cable attached to the exterior of the buildings.

Boston Mayor Raymond L. Flynn called the startup of construction "a very positive development" for residents of the Back Bay, Chinatown, Bay Village and Beacon Hill. "Residents of the downtown neighborhoods will finally have an opportunity to receive the improved reception and variety of programming that cable television can offer. We look forward to a smooth construction process that addresses the concerns of the community and brings the highest quality cable service to these neighborhoods as quickly as possible. We will also work closely with Cablevision and community groups to insure that any construction or service problems are resolved expeditiously. Boston residents deserve the best available cable television service at an affordable price, and we will take every appropriate step to insure that Boston residents receive just that," said Mayor Flynn.

According to Thomas P. Cohan, director of the city's Office of Cable Communications, "bringing cable television to the residents of the Back Bay, Chinatown, Bay Village, and Beacon Hill has

been a key priority in the ongoing negotiations with Cablevision. To make sure that the 16,000 residents in those neighborhoods get access to cable service as quickly as possible, and with the least amount of disruption, my office will work closely with the Department of Public Works, the Department of Transportation and community groups to monitor the construction project."

Cohan also stated that Cablevision has agreed to offer the residents of those neighborhoods now being constructed a special half-price Metro service through 1988. "Last January, federal deregulation of cable service rates went into effect. We pressed Cablevision to provide service at a reduced rate to those people who, because of construction delays, did not have an opportunity to subscribe prior to rate deregulation," said Cohan.

As construction proceeds, the city and Cablevision will continue negotiations on a variety of issues and license amendments. Still being discussed are: the establishment of a low-cost service for elders who live on a fixed-income and other low-income residents, tied to an adjustment in the franchise fee; the implementation of new employment training programs for Boston residents; and a further increase in the commitment on the part of Cablevision to hire Boston residents, minorities and women.

ABCD is Boston's antipoverty agency with funding from a variety of sources totaling over \$30 million annually. The agency is a private, nonprofit corporation established in 1962, with the majority of board members elected from Boston's neighborhoods through the decentralized ABCD neighborhood network. ABCD programs include Fuel Assistance, Foster Grandparents, Head Start, Day Care, Center for Jobs, Education and Career Training, the Summer Youth Employment Program, a tuition-free, accredited Urban College Program administered in conjunction with area colleges and universities, Health Services, Community Services and others.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT
Health Benefit and Insurance Division
Health Care Insurance

Dear Mayor Flynn:

In accordance with M.G.L. chapter 32B, section 16, the city is required to purchase insurance for the services of health care organizations for eligible employees and retirees on terms deemed to be in

the best interest of the city/county and its employees.

The Lahey Clinic, a Blue Cross/Blue Shield Health Maintenance Plan, has provided alternative insurance services to the city since March 1, 1983, as a health maintenance organization, the Lahey Clinic provides insurance as well as comprehensive medical care through its participating medical centers and affiliated hospitals.

Your Honor's permission is requested to approve the renewal of a contract with Lahey Clinic, Burlington, for eligible employees and retirees for the period July 1, 1987, to June 30, 1988, in an amount not to exceed \$310,000 from appropriation code 011-140-0148-H104-0490.

This contract is being submitted late due to the failure of the contractor to send the necessary forms and agreements to this office within the required time period.

Respectfully,
Irene Carrington,
Director.

ASSESSING DEPARTMENT

Maintenance and Enhancement Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Sigma Systems Technology, Inc., New York, for computer assisted mass appraisal system (CAMA) maintenance and enhancement services to the Assessing Department to assist the department in valuing taxable real property.

Under the terms of the contract, the contractor shall maintain the Assessing Department's existing CAMA system and perform other miscellaneous functions as required. The contractor will also provide the following enhancement and support services: 1) update computerized cost table rates; 2) update market interface computer program for multiple building parcels (State Class 109) to allow for generation of market values; 3) modify and enhance condominium data bases and associated market interface program so as to improve the accuracy of condominium valuation models; 4) provide miscellaneous data processing support

Advertising

A rate of \$8 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must, except in emergencies, be in hand at the City Record office by 11 a.m., Monday of each week to insure its publication in the following Monday's issue

services as requested; and 5) perform management and administrative tasks related to enhancement of Sigma-provided CAMA system.

These services are required to improve the capacity of the City of Boston Assessing Department to fulfill its statutory obligation to annually assess taxable real property within its jurisdiction at full and fair market value.

The contractor is uniquely qualified to perform these services. It previously developed and installed the existing residential CAMA system to the complete satisfaction of the Assessing Department. The existing RPIS and MODPRO software are the proprietary products of Sigma Systems Technology, Inc. and the file structures of the RPIS and MODPRO systems are customized and unique. Sigma is the sole source for upgrading the MODPRO system to include non-linear and constrained regression capabilities.

It is also not cost-effective in the short or long term to contract with another vendor to supply maintenance or other customized services as encompassed by this contract with respect to the existing CAMA system. As the vendor which originally designed and developed the existing system Sigma is able to most easily design software with the capacity of directly accessing files. Other vendors would be required to undergo an uncertain lengthy and therefore costly period of acclimation to acquire the skills necessary to provide the same customized services.

Sigma was initially selected via a national search and RFP process to install the residential CAMA system.

The selection of Sigma to maintain and enhance the existing system will eliminate unnecessary delays caused by unfamiliarity with the customized system as well as eliminate all potential difficulties as to incompatibility. The use of Sigma's services by the Assessing Department will provide the city with simpler access to the Sigma files so that the city will continue to become less reliant on Sigma services in the future in developing programs to interpret residential assessment data. In addition, were the Assessing Department to utilize the services of another vendor for general maintenance upgrades, Sigma would no longer be obligated to provide maintenance support for programs which has supplied under the terms of its previous agreements with the city.

Compensation under this contract shall not exceed \$45,000, which I have determined to be reasonable for the services to be performed. The contractor shall be compensated at the rates set forth in the contract.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

This contract is being processed late due to the need for additional careful study to ascertain short- and long-term needs of the Assessing Department so as to better meet its constitutional and statutory mandate, as well as the time required to explore all options for fulfilling those needs.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Digital Equipment Corporation, Framingham, for providing computer software maintenance in the Assessing Department.

This contract will serve for annual maintenance

software currently installed on the Digital Equipment Corporation VAX System for the period July 1, 1987, through June 30, 1988. Additional features of this contract include: telephone assistance twenty-four hours a day, seven days a week; new software releases and interim updates; improvements and enhancements to software reference manuals.

The cost of this contract shall not exceed \$9,804. This contract is being processed late because a proposal was not received from the contractor in time to process the contract prior to this date.

Due to the no extra cost consideration by Digital Equipment Corporation, public advertising to other software firms licensed by Digital Equipment Corporation would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.
Commissioner.

JOBS AND COMMUNITY SERVICES

Stenographic Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Apex Reporting, located at 99 Academy Street, for the purpose of providing stenographic services in support of the Boston Employment Commission.

Under the terms of the contract, the contractor will provide stenographic services to the Commission, recording all meetings and hearings and producing written transcripts. The contractor was selected as one of two respondents to a publicly advertised request for proposals conducted by the Mayor's Office and Community Services. The contractor submitted the lowest bid and has excellent references.

Compensation under the terms of this contract shall not exceed \$3,000. The period of performance shall be from August 25, 1987, until June 30, 1988.

As this is a negotiated contract for professional services at a reasonable cost, I believe that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Office Workers

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Volt Temporary Services, located at 59 Temple Place, to provide temporary services to the Mayor's Office of Jobs and Community Services. Under the terms of the contract, the contractor will provide temporary office workers on a time to time as requested by JCS in the areas of clerical, secretarial, receptionist and other services which arise to maintain work flow.

The contractor was selected after a careful review of proposals submitted in response to a request for proposals published in the *Boston Globe*, May 31, 1987. The contractor was selected and on reasonable rates for this type of service and its ability to provide the services needed.

Compensation under the terms of this contract shall not exceed \$10,000, payment being made from funds received under the Job Training Partnership Act. The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of time involved in determining the administrative process.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to

federal procurement requirements, no public purpose would be served by further advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Printing Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Hart Printing Service, Inc., located at 360 C Street, South Boston, for the purpose of providing professional printing services to the Mayor's Office of Jobs and Community Services.

Under the terms of the contract, the contractor will print four-part computer forms with seven digit tracking numbers, and the JCS annual report. The contractor was selected as one of two respondents to a request for proposals issued by JCS and published in the *Boston Globe* on May 31, 1987. The other respondent, the William R. Brown Company of Rhode Island, is located out of state. The costs are reasonable for the industry, and the city's Printing Department is not able to provide the services required for these specific tasks.

Compensation under the terms of this contract shall not exceed \$12,000, payment being made from funds received under the Job Training Partnership Act. The period of performance shall be from July 28, 1987, until June 30, 1988. The submission of this letter has been delayed due to the recent revision of the JCS computer forms and the need to have these forms available as soon as possible.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to federal procurement requirements, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Violence Prevention Programming

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Trustees of Health and Hospitals, a nonprofit corporation, located at 725 Massachusetts Avenue, for the purpose of providing training services.

Under the terms of the contract, the contractor will provide, through its Violence Prevention Project, violence prevention programming to social service agencies in the Roxbury and South Boston communities. The contractor will train, monitor, and supervise staff at approximately twenty agencies, in assisting their efforts to reach violence-prone young people in these neighborhoods. The contractor was selected based upon an evaluation of its proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$30,000, payment being made from the Community Development Block Grant program. The period of performance shall be from August 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of the proposal review process.

This unique and excellent program was selected

for funding because it addresses a serious need among the city's youth, and focuses on two of the poorest and most violence-prone neighborhoods. As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Educational Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Boston Technical Center, a nonprofit corporation, located at 660 Summer Street. Under the terms of the contract, the contractor will provide alternative educational services leading to a high school diploma or a General Equivalency Diploma for approximately forty City of Boston high school dropouts.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$45,000, payment being made from funds set aside for the Alternative Education Initiative. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Counseling Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Council of Elders, a nonprofit corporation, located at 2055 Columbus Avenue, for the purpose of providing counseling services to the elderly.

Under the terms of this contract, the contractor will provide protective adult counseling to approximately 500 elderly Boston residents. These services will be funded in conjunction with the State's Executive Office of Elder Affairs, in which the city contributes up to a 25 percent local share. The contractor was selected based upon an evaluation of refunding proposals submitted to both EOEA and the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both EOEA and JCS.

Compensation under the terms of this contract

shall not exceed \$57,414, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Roxbury Children's Service, a nonprofit corporation, located at 22 Elm Hill Avenue, for the purpose of providing counseling services.

Under the terms of this contract, the contractor will provide counseling for approximately 140 adolescents through the Boston School Collaborative. These services will be funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes up to a 25 percent local share. The contractor was selected based upon an evaluation of refunding proposals submitted to both DSS and the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract shall not exceed \$17,499, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the South Cove Community Health Center, a nonprofit corporation, located at 885 Washington Street, for the purpose of providing counseling services.

Under the terms of this contract, the contractor will provide counseling and support services to Vietnamese and Amerasian refugee adolescents ages twelve to twenty-one. These services will be funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes up to a 25 percent local share. The contractor was selected based upon an evaluation of refunding proposals submitted to both DSS and the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract

period, administrative capability, reasonableness of cost, and the ability to serve the targeted population. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract shall not exceed \$8,679, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract shall not exceed \$6,922, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Federated Dorchester Neighborhood Houses, a nonprofit corporation, located at 925 Dorchester Avenue, for the purpose of providing counseling services.

Under the terms of this contract, the contractor will provide individual and family counseling for approximately 120 North Dorchester residents. These services will be funded in conjunction with the State's Department of Social Services Public-Private Partnership Program, in which the city contributes up to a 25 percent local share. The contractor was selected based upon an evaluation of refunding proposals submitted to both DSS and the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population. Costs are determined by rates set by the State Rate Setting Commission and a negotiated number of service units, determined by both DSS and JCS.

Compensation under the terms of this contract shall not exceed \$9,336, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$15,000, payment being made from the Community Development Block Grant program. The period of performance shall be from October 1, 1986, until June 30, 1987. The submission of this letter has been delayed due to the recent notification of funding availability.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,

Director.

MANAGEMENT INFORMATION SYSTEMS Computer Services

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and award a contract to Janet Ostriker, 525 Beacon Street. The purpose of this contract is to provide computer services to Management Information Systems.

This contract will provide professional computer services on the Wang and IBM Personal Computer for various projects within MIS, and to also assist all other departments in the training and development of this equipment. This contract is being charged to appropriation code 011-140-0149-MI04-0290, and shall not exceed \$10,000, and will be for the period of August 17, 1987, through June 30, 1988.

Ms. Ostriker is currently a cooperative student at Northeastern University and through her education and the work she has done in the past (Contract 6275-87), she has considerable knowledge in the total operation and application development of these systems. Janet Ostriker will be compensated at the rate of \$7.50 per hour, an amount I believe is reasonable.

For the reasons outlined above, no useful purpose would be served by public advertising.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of MIS. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

POLICE DEPARTMENT Leasing Certain Premises

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising in approving a lease for the premises located at 286 Adams Street, Dorchester, consisting of 29,500 square feet of garage space deemed necessary and convenient for use as a motor vehicle maintenance facility by the Police Department.

The term of the lease is from July 1, 1987, through December 31, 1987. The monthly rental will be \$5,600, with the total charge for the period not to exceed \$33,600. I have determined the cost to be reasonable. The lessor is Padams Trust, Kevin A. Petitti, Trustee, 14 Patricia Drive, Milton.

Since these facilities are both adequate and convenient and because the department has occupied the premises for some time, it is my judgment that public advertising would serve no useful purpose. This letter is being submitted late due to processing the lease.

Respectfully,

Francis M. Roache,
Police Commissioner.

Leasing of Vehicle

Dear Mayor Flynn:

I respectfully request your approval to dispense with public advertising and to award a contract to General Motors Acceptance Corporation, Quincy.

Under the terms of the contract, the Police Department will lease a 1986 Pontiac Parisienne Sedan, VIN No. 1G2BL69Y1GX266595. The term of the lease is from July 1, 1987, through April 30, 1988. The monthly rental of this vehicle is \$330, with the total cost of this contract not to exceed \$3,300, which I have determined to be reasonable.

This lease is the final ten months of a twenty-four-month lease entered into by the Drug Control Unit of the Bureau of Investigative Services and previously paid for through another funding source. As

detailed in the attached lease agreement, a substantial penalty would be incurred if the lease was terminated before the end of the twenty-four-month term. Because of the reasons outlined above, it is submitted that public advertising would serve no useful purpose.

This letter is being submitted late awaiting the budget appropriation.

Respectfully,

Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT Landscape Architectural Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 10, 1987, I respectfully request your Honor's permission to dispense with public advertisement and award a contract to S.W.A. Group, a California corporation, with offices at 711 Boylston Street, providing landscape architectural services for capital streetscape improvements in the Codman Square area of Dorchester.

Compensation under this contract shall not exceed \$76,000 which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from July 1, 1987, to November 1, 1988. This contract has been submitted late due to the time involved in securing funding approval.

The contractor was selected based upon an evaluation of the proposal submitted in response to a request for proposals process conducted by the Public Facilities Department in March of 1986. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include stability of firm, qualifications of staff, and experience with similar projects.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Housing Development Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 26, 1987, I respectfully request your Honor's permission to dispense with further public advertisement and award a contract to Jamaica Plain Neighborhood Development Corporation, a nonprofit corporation, with offices at 31 Germania Street, providing management and technical assistance services for a housing development project. The contractor will provide technical and managerial support leading to the development of a twenty-one-unit limited equity cooperative.

Compensation under this contract shall not exceed \$51,170, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from May 1, 1987, to April 30, 1988. Funds for this contract shall come from those received under the Community Development Block Grant program. The submission of this request has been delayed due to the time required of vendor to complete necessary contract documents.

The contractor was selected based upon an evaluation of the proposal submitted in response to a request for proposals conducted by the Public Fa-

cilities Department in October of 1984 to eligible organizations. Costs were determined to be reasonable after extensive analysis by PFD staff. Other selection criteria include the contractor demonstrated technical and managerial experience with similar projects.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 10, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Perry, Dean, Rogers and Partners, Inc., a Massachusetts corporation, with offices at 77 Milk Street, providing professional design services for design of the renovations to the windows at Hyde Park High School, Dearborn Middle School, Mather School, Donald McKay School, and the Lewenberg School. Scope of services include preliminary design, design development, final working drawings and construction supervision.

Compensation under this contract shall not exceed \$93,094, (including \$5,000 for supplemental services) which is a fixed fee of 12.393 percent based on an estimated cost of construction of \$710,840, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for fifty-two weeks from the date of execution.

Following the advertisement of this project in the *Boston Globe* on January 19, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The Committee evaluated fourteen proposals submitted by the applicants and determined Perry, Dean, Rogers and Partners, Inc. most qualified and competent to complete said design work. The numerical ratio for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists in order of rank, was as follows:

Perry, Dean, Rogers and Partners, Inc., 7, 1 Milk Street; Collaborative Consulting Service, Inc., 12, 38 Chauncy Street; Bayside Engineering Associates, Inc., 13, 286 Summer Street; D. Bau and Associates, Inc., 13, 75 Kneeland Street, in 13, 75 Kneeland Street.

I believe Perry, Dean, Rogers and Partners, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Tenant Relocation Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on July 9, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Brer Armstrong, an individual of 327 Huntington A-

a, providing the provision of tenant relocation services for the occupied city-owned buildings in the Residential Development Program at a rate of \$5 per hour.

Compensation under this contract shall not exceed \$25,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from August 24, 1987, through August 19, 1988.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals conducted by Public Facilities Commission in the April 1987 in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Brenda Armstrong was selected due to her professional experience in working with tenants, interest in affordable housing issues and excellent references.

As this is a negotiated contract at a reasonable rate, based upon an extensive program and proposal review, I believe that public advertising would have no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *Record*, pursuant to authority granted under City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Leasing Certain Premises

Dear Mayor Flynn:

Under a delegation of its power from the Public Facilities Commission to the Director of Public Facilities, I hereby request your Honor's written authority to dispense with public advertising in granting the lease for certain premises deemed necessary and convenient for the director to be used as office space by the Office of Housing, the Community Schools Program and the Veterans Services Department.

The demised premises consists of 21,200 square feet on three floors at 26 West Street.

The term of the lease extension will be eleven months beginning July 1, 1987, and ending May 31, 1988. The monthly rental will be \$23,186.67 (including \$220 for HVAC maintenance), with the charge for this extended term not to exceed \$78,240.04. I have determined that this cost is reasonable. This request has been delayed as a result of a transfer of responsibilities of this department's existing agreements.

Since these facilities are both adequate and convenient, it is my judgment that public advertisement would serve no useful purpose and that this lease could be extended.

Sincerely,

Lisa G. Chapnick,
Director.

TREASURY DEPARTMENT

Legal Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to George Nader, 491 Beacon Street, for professional services as professional services as social assistant corporation counsel, subject to subsequent appointment by the corporation counsel.

Under the terms of the contract, the contractor will provide assistance in the collection of delinquent taxes by representing the city and department in bankruptcy proceedings which includes preparation of all necessary filings and protection of the city's rights to the assets of a bankruptcy estate.

Mr. Nader is specially qualified to perform these services because of his previous experience as a member of the delinquent tax unit, his law degree and his extensive work as bankruptcy coordinator for the Treasury Department.

Compensation under this contract shall not exceed \$15,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$13 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Contract Analysis, etc.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Darryl Parson, 145 Worcester Street, for assistance in financial activities for the Treasury Department.

Under the terms of the contract, the contractor will provide lease/purchase contract analysis, research/resolution of accounts in tax title/tax possession, financial analysis of the tax title/tax, analysis of the city's cash flow, assist in special projects as they arise and work with the computer systems.

Mr. Parson is specially qualified to perform these services because of his formal education from Harvard University where he is concentrating in government, and his exemplary work as an intern with the Treasury Department during this summer which prompted us to increase Mr. Parson's responsibilities.

Compensation under this contract shall not exceed \$9,120, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$8 per hour.

The term of this contract shall be August 26, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This award letter is dated and submitted late due to this department's need to reevaluate its current workload and the subsequent need for staffing.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

CONTRACTS AWARDED

The Mayor has approved the award of the following contracts to the lowest eligible bidders:

PUBLIC FACILITIES DEPARTMENT

For making and delivering xerox reproductions, blue-line prints, autopsitives and sepias, July 1, 1987, to June 30, 1988, Project No. 20181, awarded to Copy Quik, Inc., at \$41,925

TRANSPORTATION DEPARTMENT

Project Management Services, etc.

For technical support and project management services for the City of Boston as part of the Central Artery Depression/Third Harbor Crossing Project, awarded to Bruce Campbell & Associates, Inc., at \$400,000.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

JOBS AND COMMUNITY SERVICES

Vocational Training

Dear Mayor Flynn:

On or about October 15, 1986, your Honor approved the award of a contract with the Dimock Community Health Center, a nonprofit corporation, located at 55 Dimock Street, for the purpose of providing vocational training to Job Training Partnership Act eligible City of Boston residents in the areas of third party billing clerks and central supply technicians. Compensation was for an amount not to exceed \$61,157, payment being made from JTPA funds for the period of July 1, 1986, until June 30, 1987. This contract was subsequently amended, approved by your Honor on or about August 20, 1987, increasing compensation by the amount of \$2,268, to provide for possible incentive payments to be earned by the contractor and the provision of assessment services for Department of Public Welfare clients seeking employment services.

Your approval is requested to further amend this contract in terms of compensation. The purpose of this amendment is to increase the contract amount to allow the contractor to receive payment for the provision of skills training to eleven additional AFDC-eligible clients in the Central Supply Technician program. Funds will be provided by the DPW in the amount of \$26,605. Total compensation under the terms of this contract, as amended, shall not exceed \$90,030. The submission of this letter has been delayed due to administrative oversight related to staff turnover at JCS.

As this amendment is for a negotiated contract at a reasonable cost, no public purpose would be served by formal advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

POLICE DEPARTMENT

Transmission Repairs

Dear Mayor Flynn:

On May 14, 1986, your Honor approved the award of a contract, based on public advertising for bids, to Pier Garage, Inc., contract 2036-87, 221 Northern Avenue, to perform transmission repair work on Police Department vehicles, for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$150,000.

Your approval is requested to amend this contract to provide for an increased amount due to a higher number of police vehicles needing repair work than was estimated in the terms of the original contract. The cost of this amendment, which is effective January 1, 1987, shall not exceed \$11,600, which I have determined to be reasonable. The total cost of the contract, as amended, shall not exceed \$161,600. The period of performance shall remain the same.

Because the original contract was advertised, it is submitted that further public advertising would serve no useful purpose. This amendment is being submitted at this late date due to administrative delays.

Respectfully,

Francis M. Roache,
Police Commissioner.

Towing of Vehicles

Dear Mayor Flynn:

On October 31, 1986, your Honor approved the award of a contract, based on public advertising for bids, to Avenue Auto Wholesalers, 2796-87, 1121 Dorchester Avenue, for the towing of disabled Police Department vehicles and vehicles held for evidence purposes, for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$10,000.

Your approval is requested to amend this contract to provide for an increased amount due to a higher number of towed vehicles than was estimated in the terms of the original contract. The cost of this amendment, which is effective January 1, 1987, shall not exceed \$5,000, which I have determined to be reasonable. The total cost of the contract, as amended, shall not exceed \$15,000. The period of performance shall remain the same.

Because the original contract was advertised and awarded to the lowest bidder, it is submitted that further public advertising would serve no useful purpose. This amendment is being submitted at this late date due to administrative delays.

Respectfully,

Francis M. Roache,
Police Commissioner.

Catering Services

Dear Mayor Flynn:

On July 28, 1986, your Honor approved the award of a contract, based on public advertising for bids, to Famolare's Caterers, South Boston, to provide catering services for special events for the Police Department, for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$10,000.

Your approval is requested to amend this contract to provide for an increased amount due to the higher number of police special events than was estimated in the terms of the original contract. The cost of this amendment, which is effective January 1, 1987, shall not exceed \$11,400, which I have determined to be reasonable. The total cost of the contract, as amended, shall not exceed \$21,400. The period of performance shall remain the same.

Because the original contract was advertised, it is submitted that further public advertising would serve no useful purpose. This amendment is being submitted at this late date due to administrative delays.

Respectfully,

Francis M. Roache,
Police Commissioner.

Meals for Prisoners

Dear Mayor Flynn:

On August 6, 1986, your Honor approved the award of a contract, based on public advertising for bids, to Victoria Restaurant, Inc. contract 2076-87, 1024 Massachusetts Avenue, to provide meals for prisoners held at the Police District Stations, for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$60,000.

Your approval is requested to amend this contract to provide for an increased amount due to a higher number of prisoners held than was estimated in the terms of the original contract. The cost of this amendment, which is effective January 1, 1987, shall not exceed \$46,000, which I have determined to be reasonable. The total cost of the contract, as amended, shall not exceed \$106,000. The period of performance shall remain the same.

Because the original contract was advertised, it is submitted that further public advertising would serve no useful purpose. This amendment is being

submitted at this late date due to administrative delays.

Respectfully

Francis M. Roache,
Police Commissioner.

Washing of Vehicles

Dear Mayor Flynn:

On July 7, 1986, your Honor approved the award of a contract, based on public advertising for bids, to Boston Car Wash, contract 2084-87, 25 West Howell Street, for the washing of Police Department vehicles for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$10,000.

Your approval is requested to amend this contract to provide for an increased amount due to a higher number of police vehicles washed than was estimated in the terms of the original contract. The cost of this amendment, which is effective January 1, 1987, shall not exceed \$15,600, which I have determined to be reasonable. The total cost of the contract, as amended, shall not exceed \$25,600. The period of performance shall remain the same.

Because the original contract was advertised, it is submitted that further advertising would serve no useful purpose. Because of administrative delays within our department, this amendment is being submitted at this late date.

Respectfully,

Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT

Construction Loans

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 25, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and amend a contract approved by your Honor on February 11, 1986, to the Boston Five Cents Savings Bank, F.S.B., for the purpose of providing construction loans for the Abandoned Housing Program during the period from March 1, 1986 to December 31, 1988, at a cost not to exceed \$150,000.

Your approval is requested to amend this contract to provide for additional construction loan services. This funding mechanism is a successful program in the current period and the Public Facilities Department now seeks to continue these services to support the Abandoned Housing Program. It is estimated that at least five additional loans will be disbursed and since the current funds have been exhausted, this additional allocation is now necessary.

The cost of this amendment shall not exceed \$200,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$350,000. The period of performance, as amended shall be from March 1, 1986, to December 31, 1988.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Landscape Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 10, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and amend a contract approved by Your Honor on June 3, 1986, to Paul C. K. Lu Associates for the purpose of providing land-

scape architectural services during the period July 30, 1986, to June 1, 1987, at a cost not to exceed \$44,000.

Your approval is requested to amend this contract to provide for landscape design services for 1987 tree plantings, including site selection, working drawings, and specifications. The cost of this amendment shall not exceed \$17,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$61,000. The period of performance, as amended, shall be from June 30, 1986, to December 31, 1987. The submission of this request has been delayed due to time involved in contract negotiations.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. R4CN20, EXPANSION JOINT REPAIR AND REALIGNMENT OF HEATING SYSTEM, RIVERSIDE CARHOUSE, Newton, Mass., will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on October 28, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of the removing, disposing and replacing damaged heat supply piping and accessories in the ceiling at the Riverside Carhouse, Newton, Mass.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after September 28, 1987, Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient and reasonable efforts to meet the stated goals of DBE 13 percent and WBE 2 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Mr. Walter G. Cusack, Cabot Yard, 275 Dorchester Avenue, South Boston, MA 02127, Telephone No. (617) 722-5656. A prebid conference will be held on October 13, 1987, at 10 a.m. in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed general bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the documents entitled "Furnishing and Installing Lighting Alterations at the Mather School, Meeting House Hill, Dorchester, Mass."

GENERAL BIDS will be received before twelve o'clock noon on Thursday, October 22, 1987, at which time and place respective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, October 7, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and bids if it be in the public interest to do so.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. R8CN13, PARKING AREA IMPROVEMENTS, WINCHESTER CENTER STATION, WINCHESTER, MASSACHUSETTS, will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on October 27, 1987. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

This project includes upgrading of the existing parking lot by pavement reconstruction and repairs, paving overlay, curbing, landscaping, striping, sidewalk construction, signing, lighting and other related work.

Bidding documents may be obtained from the Contract Administration Office at the above address after September 27, 1987 from 8:30 a.m. to 4 p.m., Monday through Friday, at a charge of \$25. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy and the Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of fifteen dollars (\$15), payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 13 percent and WBE 3 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the Office of the Project Manager, James L. Eng, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. A prebid conference will be held on October 15, 1987, at 10 a.m. at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit of 5 percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, and 39K through 39P, chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Reglazing and Repairing of Existing Window Sash and Window Curtain Walls at the Henry Grew School, 40 Gordon Avenue, Hyde Park, Mass.," an estimated cost of \$135,000.

SCOPE OF WORK: In general includes: reglazing and repairing of existing window sash and window curtain walls as specified.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, October 7, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, October 8, 1987, at which time and place they will be publicly opened and read aloud. General contractors must file with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects involving glazing, up to a project dollar amount and up to an aggregate limit, and with an update statement DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to James Lee Hunt Playground, Mattapan, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to James Lee Hunt Playground, Mattapan, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to lot, tennis courts, ball diamonds, paving, planting materials, drainage, water and sod work. Estimated cost, \$260,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 22, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, October 5, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed

to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, October 13, 1987, at 10 a.m., Boston time.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Giovanni Dello Iacono Playground, Hyde Park, and Thomas J. Hynes Playground, West Roxbury, Mass.

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to Giovanni Dello Iacono Playground, Hyde Park, and Thomas J. Hynes Playground, West Roxbury, Mass."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to install tot lot, steel fencing, baseball fields, tennis court, and water. Estimated cost of construction \$325,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 15, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, September 28, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, October 6, 1987, at 10 a.m., Boston time.

FLYNN, SALVUCCI ESTABLISH TRANSPORTATION COMMITTEE

Mayor Raymond L. Flynn and state Transportation Secretary Frederick P. Salvucci have announced the formation of a transportation and construction Coordinating Committee (TRANSCOM) to be chaired jointly by Secretary Salvucci and Boston Transportation Commissioner Richard A. Dimino. The announcement was made immediately following a meeting of key city and state officials at the Parkman House.

The Mayor, joined by Secretary Salvucci, Commissioner Dimino, Steven Coyle, Jim O'Leary, and other key state and city officials, outlined the purpose of TRANSCOM which will meet regularly to plan and coordinate work on the major transportation and public improvement projects coming on line in the City of Boston. Projects of particular concern include the Central Artery Depression and Third Harbor Tunnel, the Central Artery North Area project (CANA), various bridge repair and reconstruction projects and the cleanup of Boston Harbor, to name only a few. The responsibility of the Committee will be to meet on a monthly basis to coordinate both long- and short-term construction activities so that their impact will be minimized.

The Mayor said "The City of Boston is the engine that drives the economy of not just Massachusetts but the entire New England Region. The magnitude of construction activities scheduled for Boston over the next ten to fifteen years makes it essential that all steps are taken to ensure access into the city and to minimize the disruption of these projects on Boston's neighborhoods." The Mayor added, "The establishment of this Committee will ensure that all key city and state agencies work closely and cooperatively during the planning and construction phases of each project. I expect that the Committee will provide the best mechanism for the cooperation and coordination we'll need to minimize the impacts of these projects and to ensure that Boston remains the driving force behind the regional economy."

Secretary Salvucci said "This Committee will provide for a more comprehensive understanding of the impact upon our traffic system of the large amount of construction already under way in Boston and improve our capacity for interagency coordination to deal with that impact." He added "For the large-scale projects now in the design state, such as the Artery/Tunnel project, this Committee will complement the activity of the citizen outreach process we have announced by improving our overall capacity to deal with traffic impacts in a practical way."

The Committee will be chaired jointly by EOTC and the Boston Transportation Department and will include twelve other city and state agencies. State agencies included on the Committee are the MBTA, the MDC, Mass. DPW, Massport, the Mass. Turnpike Authority, State Department of Public Safety and the Mass. Water Resources Authority (MWRA). The participating city agencies include the BRA, the Public Works Department, the Boston Police Department, the Office of Capital Planning and the Boston Water and Sewer Commission. In addition to the

public sector agencies, federal agencies and major utilities will be asked to participate on an ad hoc basis.

Commissioner Dimino said "The structure of this committee will be similar to that of TRANSCOM established in New York in 1985. It is the intent of this Administration to provide a mechanism to develop traffic and construction mitigation plans to minimize the impacts of these projects on local neighborhoods and the economy in general. I think it's extremely important that the appropriate state and city agencies develop and maintain a structured form of communication and cooperation and that we meet on a very regular basis."

TRANSCOM was established in 1985 by transportation agencies in New York and New Jersey as an informal association of agencies responsible for all transportation facilities in the New York/New Jersey metropolitan region. In November 1986, it became a formal organization through the signing of a three-year agreement by the Port Authority and Transportation Departments in each state. Presently, TRANSCOM consists of sixteen federal, state, and

local agencies and has been regarded as a very effective vehicle for managing transportation and construction-related impacts, using a concerted effort of affected government agencies.

As outlined by Secretary Salvucci and Commissioner Dimino, the primary purpose of the Committee will be to provide a structure to meet the following objectives:

- To establish a formal, permanent and mutually supportive structure among the appropriate transportation, development, utility and public safety agencies.
- To provide a comprehensive overview of the planned transportation, public improvement and private development construction projects in the City of Boston.
- To develop traffic and construction management plans that will minimize disruption for the region, the economy and Boston's local neighborhoods.
- To establish and maintain an effective information-sharing and coordination system.

Specific functions of the Committee will include the following:

- To provide better access to information on the major projects, such as project status and design, and their construction schedule and impacts;
- To provide a forum whereby both the City and the State can jointly identify both long- and short-term project impacts and ways to mitigate them;
- To coordinate project schedules and both long- and short-term mitigation measures on a regular and continuing basis; and
- To establish clear lines of responsibility and accountability for the implementation and management of mitigation measures.

Also in attendance at the Parkman House meeting were Dave Davis, Executive Director of Massport; Paul Levy, Executive Director of MWRA; William Geary, Commissioner of the MDC; Joseph Casazza, Public Works Commissioner; Mary Nee, Director of Capital Planning; Alden Raine, the

vernor's Director of Economic Development; Charles Barry, Secretary of Public Safety; Police Commissioner Francis Roache; Frank Gens, Commissioner of the Boston Water and Sewer Commission; Michael Myers, Director of Planning for the Mass. DPW; and Marilyn Schwartz, Director of EDIC.

JOINT PROGRAM FOR SENIOR CITIZENS

Boston Police Commissioner Francis Roache and Craig D. Pepper, Vice President-Commercial for Boston Edison, announced a joint program sponsored by the two organizations to help Boston's Senior Citizens. Officials will manage Boston Edison's Gatekeeper and Radio-on-Alert programs working with the BPD's Bureau of Neighborhood Services Senior Response Unit to coordinate assistance to Boston's older residents. The two groups have put together a folder containing their respective brochures with information for seniors. Included are guidelines on the following:

Gatekeepers — Approximately 500 Boston meter readers and customer service representatives have been trained to watch for danger signals and seek immediate help for an elderly person in need of assistance whom Edison workers may encounter in the course of their daily jobs. The program is being coordinated with the Executive Office of Public Affairs which trained the Gatekeepers.

Radio on Alert — is a volunteer effort by Boston Edison field employees to utilize their two-way radios to report suspicious criminal behavior and emergencies to the company dispatcher, who will immediately notify the Boston Police. Elderly residents in need of help are urged to approach any of the more than 1,000 Edison vehicles which have an orange and black "Radio on Alert" decal to request that emergency information be transmitted.

Crime Prevention — Tips for personal and home safety.

Senior Artists — Information about "concert" schemes which may victimize the elderly.

E.D.S. Program (Pedestrian Education and Driver Safety Program) — Advice for the elderly on safe ways to walk and drive through busy intersections.

The prior three items were contributed by the Boston Police Department's Senior Response Unit. Initiated in 1984 by Mayor Flynn, the unit, headed by Sergeant Russell Black, has twelve full-time officers who address the needs of Boston's senior citizens. In addition, each of the five police areas has a sergeant assigned as a coordinator between the district and the Senior Response Unit.

Boston Edison and Boston Police officials announced their cooperative efforts during a kickoff ceremony at the Keystone Apartments elderly housing development in Dorchester.

MANDATING THE MODERNIZATION OF BOSTON'S CAB FLEET

Boston Police Commissioner Francis M. Roache approved a sweeping new regulation mandating that effective January 1, 1988, all vehicles purchased as taxicabs shall not be more than four model years' old, and all present taxis older than 1982 models must be replaced by April 1, 1988.

In announcing this unprecedented regulation, Commissioner Roache stated, "The Boston Police Department's Hackney Carriage Unit under the leadership of Captain Donald Devine has been at the forefront nationally in implementing progressive programs that have dramatically improved the quality of taxicab service in the City

of Boston." The Commissioner went on to state, "Boston has led the way in establishing the nation's first 'dress code' for cab drivers, developing a comprehensive training course for all new cab drivers and tightening licensing procedures for hackney carriage drivers."

The new regulation mandating replacement of aged vehicles was developed after the results of a comprehensive survey of Boston's taxicab fleet were analyzed by the department's Hackney Carriage Unit. There were three major findings in the survey of Boston's 1,525 hackney carriages: 66.78 percent of the fleet is over four model years' old; taxicabs that are operated twenty-four hours per day average 100,000 miles annually; and approximately 10 percent of the fleet is not in operation at any given time due to disrepair.

Captain Devine noted that an exception to this new regulation will be permitted for an owner whose hackney carriage is in outstanding condition.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

AUDITING DEPARTMENT Accounting Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Peat, Marwick Main & Co., formally known as Peat, Marwick, Mitchell & Co. a certified public accounting firm, located at One Boston Place.

Under the terms of the contract, the contractor will perform the mandatory annual examination of the financial statements of the various funds and groups of accounts of the city for the Fiscal Years ending June 30, 1987 and 1988. In addition, the contractor will provide other necessary professional services, as required.

These other services include: assistance in preparing and certifying all financial information included in any public bond offering "official statements"; assistance in developing corrective action plans resulting from deficiencies noted while performing audits; technical advice on professional accounting and auditing requirements imposed; conducting quarterly audit committee meetings; limited accounting systems review and consultation; assistance in the development and maintenance of a limited internal control review program that meets required governmental audit standards and helps the city safeguard its assets.

The contractor is specially qualified to perform this work because of their extensive experience in the complex area of governmental accounting and auditing, and also their unique knowledge of the city's financial/accounting operations. This firm has recently completed the first "Single Audit" of the city as imposed by the Federal Single Audit Act of 1984. That audit has been closely reviewed by the city's Federal Cognizant Agency, the Federal Department of Education, and was deemed to be of high quality in every regard.

Compensation under this contract shall not exceed \$1,500,000 and is based upon a \$35 per hour billing rate for actual hours worked. This rate, in my opinion, is reasonable, since their previous contract rate was based upon a \$32 per hour billing rate. The term of this contract shall be from April 1, 1987, through June 30, 1989, subject to the availability of appropriations in subsequent fiscal years.

Because of the contractor's unique knowledge of the city, the costs associated with our training new auditors, the current limited resources within the city Auditor's office and the complexity of the audit as required under the "Single Audit Act" as well as the reasonable cost of these services, I believe that public advertising would serve no useful purpose at this time.

Very truly yours,

Leon P. Stamps,
City Auditor.

HEALTH AND HOSPITALS DEPARTMENT Community Health Centers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following community health center in the amount indicated for the period July 1, 1987, through June 30, 1988 — Grantee Corporation: New England Medical Center; Neighborhood Health Center: South Cove Community Health Ctr., 885 Washington Street; Amount of Grant: \$50,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular grantee corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the health center and the grantee corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the South Cove Community Health Center to provide primary care services in Boston for almost sixteen years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. The South Cove Community Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$50,000; 1986 — \$50,000; 1985 — \$50,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following community health center in the amount indicated for the period July 1, 1987, through June 30, 1988 — Grantee Corporation: St. Elizabeth Hospital; Neighborhood Health Ctr: Joseph M. Smith Comm. Health Center, 51 Stadium Way; Amount of Grant: \$100,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular grantee corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the health center and the grantee corporation are agreed on the program of primary health care service for

which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has a contract with the Joseph M. Smith Health Center to provide primary care services in Brighton/Alls for almost sixteen years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. Joseph M. Smith Community Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amount: 1987 — \$200,000; 1986 — \$100,000; 1985 — \$100,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide the health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following community health center in the amount indicated for the period July 1, 1987, through June 30, 1988 — Grantee Corporation: Carney Hospital; Neighborhood Health Center: Bowdoin Street Health Center, Inc., Dorchester; Amount of Grant: \$45,750.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular grantee corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the health center and the grantee corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has a contract with the Bowdoin Street Health Center to provide primary care services in Dorchester for almost sixteen years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. Bowdoin Street Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$45,750; 1986 — \$25,000; 1985 — \$25,750.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide the health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the

the Legal Department at Boston City Hospital not approve the contract until after July 1, 1987.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following community health center in the amount indicated for the period July 1, 1987, through June 30, 1988: Grantee Corporation: Carney Hospital; Neighborhood Health Center: Neponset Health Center, Dorchester; Amount of Grant: \$42,500.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Districting Plan. The grant is subject to two conditions: First, that the city's contribution be shared by the particular grantee corporation by providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the health center and the grantee corporation are agreed on a program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Neponset Health Center to provide primary care services in Dorchester for almost ten years. The health center provides high quality health services in a neighborhood that has not had no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services which have had a significant impact on the health of people in Boston's neighborhoods. Neponset Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amount: 1987 — \$42,500; 1986 — \$35,000; 1985 — \$35,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital cannot approve the contract until after July 1, 1987.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Preventive Maintenance of Equipment

Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Elscint, Inc., 980 Commonwealth Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$201,494.

Under this contract, Elscint, Inc. will provide preventive maintenance including travel, parts and labor from 8 a.m. to 5 p.m., Monday through Friday, the following equipment: one Elscint Cat Scan No. 1800, \$162,550; repair for the above unit for 100 hours, weekends and holidays, \$20,000; one Elscint Portable Camera No. 415, \$18,944. Elscint, Inc. has provided timely and reliable maintenance services on the cat scan equipment. The cost of the unadvertised contracts for the past

three fiscal years were as follows: 1987 — \$331,742; 1986 — \$317,983.39; 1985 — \$304,337.

Therefore, because Elscint, Inc., is the sole manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

The Contract Office did not receive the insurance documents until after August 1, 1987, therefore this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

JOBS AND COMMUNITY SERVICES

Printing Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Hart Printing Service, Inc., located at 360 C Street, South Boston, for the purpose of providing professional printing services to the Mayor's Office of Jobs and Community Services.

Under the terms of the contract, the contractor will print four-part computer forms with seven-digit tracking numbers, and the JCS Annual Report. The contractor was selected as one of two respondents to a request for proposals issued by JCS and published in the *Boston Globe* on May 31, 1987. The other respondent, the William R. Brown Company of Rhode Island, is located out-of-state. The costs are reasonable for the industry, and the city's Printing Department is not able to provide the services required for these specific tasks.

Compensation under the terms of this contract shall not exceed \$12,000, payment being made from funds received under the Job Training Partnership Act. The period of performance shall be from July 28, 1987, until June 30, 1988. The submission of this letter has been delayed due to the recent revision of the JCS computer forms and the need to have these forms available as soon as possible.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to federal procurement requirements, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Peter S. Drummond, an individual residing at 1439 Beacon Street, Brookline, for the purpose of providing graphic design services to the Mayor's Office of Jobs and Community Services.

Under the terms of the contract, Mr. Drummond will design the JCS Annual Report. The services will include design concept, presentations, consultations, type specifications, production mechanicals, and print supervision for an approximately twenty page report. The contractor was selected as the sole respondent to a publicly advertised request for proposals conducted by JCS and published in the *Boston Globe* on May 31, 1987. Mr. Drummond's rates are reasonable for the services being provided, and he has the experience and expertise to provide the services needed.

Compensation under the terms of this contract shall not exceed \$2,500, payment being made from

funds received under the Job Training Partnership Act. The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the time required to negotiate the scope of services and compensation for this contract.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to federal procurement requirements, no public purpose would be served by further advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Massachusetts Coalition for the Homeless, a nonprofit corporation, located at 34 1/2 Beacon Street, for the purpose of providing services to the homeless.

Under the terms of the contract, the contractor will distribute donated household goods to homeless persons seeking shelter through its Donated Assistance Program. The contractor was selected after a careful review of its proposal submitted to the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after analysis by JCS staff, and they are comparable to those incurred by other, similar service providers. Other selection criteria include administrative capability, ability to serve the targeted population, and the ability to provide the services needed.

Compensation under the terms of this contract shall not exceed \$25,000, payment being made from the Community Development Block Grant program. The period of performance shall be from September 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of the proposal review process.

The Donated Assistance Program is extremely cost-effective. The contractor has developed over the past three years an extensive network of donors, and this proposed contract award will leverage over \$200,000 in donated goods. As this is a negotiated contract at a reasonable cost, I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

LAW DEPARTMENT

Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Palmer & Dodge, One Beacon Street, for services as outside counsel.

Under the terms of the contract, Palmer & Dodge will represent the city in the case of *Conservation Law Foundation of New England, Inc., et al. vs. City of Boston, et al.*, C.A. No. 85-3961-MA. Since this case involved complicated environmental issues in federal and state law, it is in the city's best interests to have outside counsel represent the city. Mr. Ralph Child and Mr. Scott Lewis of Palmer & Dodge have extensive experience in litigating the issues

involved in the above case. Mr. Child's hourly rate is \$95 per hour and Mr. Lewis' is \$135 per hour, and their total compensation shall not exceed \$15,000, an amount I have determined to be reasonable for the work to be performed.

The term of this contract will be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to award a contract to Beverly W. Boorstein, PC, a law firm, located at One Winthrop Square, for legal services previously rendered in connection with the representation of John A. Vitagliano, former Commissioner of the Transportation Department, in a lawsuit captioned *Trustees of A. J. Brennan Realty Trust v. City of Boston, et al.*, U.S. District Court of Massachusetts, Civil Action No. 84-2431-MA.

The Law Department would have handled Mr. Vitagliano's legal representation since he was sued partially in his capacity as a city official but for the existence of a potential conflict of interest between the defensive postures of the city and Mr. Vitagliano. Because of this potential conflict of interest, I advised Mr. Vitagliano to seek his own legal counsel. It was impractical and inappropriate to enter into a contract for these legal services until certain discovery was completed and the preliminary motions heard. However, this lawsuit has now progressed to the point where it is appropriate to pay Mr. Vitagliano's legal expenses to date since the city will have no obligation for any legal expenses incurred in the future in connection with this lawsuit.

Compensation under this contract is \$6,595.29. This amount represents sixty-four hours at a rate of \$100 per hour, which I have determined reasonable for the work which was performed, plus \$195.29 in disbursements. The terms of this contract is the period October 15, 1984, through October 23, 1985.

Because of the personal and professional nature of the services performed, public advertising would have served no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

PENAL INSTITUTIONS DEPARTMENT Food Services

Dear Mr. Mayor:

In response to an advertisement published in the *City Record* on May 4, 1987, for comprehensive food services at the Suffolk County House of Correction at Deer Island the following bids were publicly opened and read on June 19, 1987:

Szabo Correctional Services, (a division of ARA Services, Inc.), Illinois — \$1.202; Creative Food Management, Inc., Ohio — \$1.075.

After a comprehensive review of the proposals by the Penal Institutions Department personnel and oral presentations given by each of the bidders, I have determined that the city will be served by awarding this contract to Szabo Correctional Services.

Both Szabo Correctional Services and Creative Food Management submitted professional responsive proposals and presentations, however, after close examination Szabo Correctional Services demonstrated its superiority to Creative Food Man-

agement in several areas including: experience in the correction market since 1976 and, since 1980, exclusively providing correctional food services; 37 accounts nationwide, concentrated in county facilities; 4 fully accredited food service operations; experienced corrections personnel in the administration of the organization, providing a unique insight into the difficult prison working environment; staffing proposal which includes, in addition to six food workers, an on-site manager whose sole responsibility will be to supervise kitchen area activities on a full-time basis; an experienced and completely trained food manager, already working within the organization, selected by the Szabo Correctional Services Administration and Penal Institutions Department personnel; excellent references.

In contrast, Creative Food Management: is a newly formed organization created by purchase back in February, 1986; has only fifteen correctional food service contracts; has no experienced corrections personnel within the organization; has a staffing proposal of six people, including the food manager; the food manager is also involved in food handling and can not dedicate his full time to management activities; food manager must be trained on site during the transition period.

This department contracted with another private food service vendor in FY '87 with completely unsatisfactory results. In addition to meals of questionable nutritional value and palatability, there were numerous instances of late meals, insufficient quantities, and poor vendor-inmate relations.

Szabo Correctional Services has proven itself to be professional and responsible in providing correctional food service with a ten-year nationwide reputation for excellence in the food service industry. Therefore, I have determined that the additional per meal cost is justified in light of the superior qualifications indicated above, which are essential to the delivery of quality, dependable food service in the prison environment.

Therefore, your Honor's permission is requested to dispense with further public advertising and award this contract to Szabo Correctional Services (a division of ARA Services, Inc.) located at Illinois. The period of this contract shall be July 8, 1987, to June 30, 1988, at a cost not to exceed \$750,000, at a rate of \$1.202 per meal, which I believe to be reasonable for the services to be rendered under this contract.

Very truly yours,
Robert G. Walsh, Jr.,
Commissioner.

PUBLIC FACILITIES DEPARTMENT Heating System Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 25, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Cleverdon, Varney and Pike, Inc., a Massachusetts corporation, with offices at 451 D Street, providing professional design services for the design of improvements to the heating system including: boiler replacement, temperature controls, condensate return, and oil tank removals at the Mattapan Hospital. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$117,000, including \$60,000 for supplementary services, which is a fixed fee of 11.4 percent based on an estimated cost of construction of \$500,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for eighteen months from the date of execution.

Following the advertisement of this project in the *Boston Globe* on July 7, 1986, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The Committee evaluated eight proposals submitted by the applicant and determined C. E. Maguire, Inc. most qualified and competent to complete said design work. The Public Facilities Department was unable to execute a contract with the first selection due to inability to agree on a precise scope of work for the captioned project, therefore, a second selection was required. It was the unanimous decision of the Designer Selection Committee to award a contract to Cleverdon, Varney & Pike, Inc. the second-ranked firm. The numerical rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the highest number. The numerical rating summary of the three finalists, in order of rank, was as follows:

C. E. Maguire, Inc., Waltham, 65; Cleverdon, Varney & Pike, Inc., 451 D Street, Boston, MA 02215, 58.63; Richard Kimball, Inc., Reading, 58.63; and SAR Engineering, Inc., Cambridge, 58.38.

I believe Cleverdon, Varney & Pike, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Life Safety Improvements Design

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 25, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Medical Facilities Planning Association, Inc., Massachusetts corporation, with offices at Natick providing professional design services for the design of life safety improvements at Boston City Hospital. Scope of work to include construction supervision and working drawings.

Compensation under this contract shall not exceed \$44,868, including \$8,705 for supplemental services, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for twenty-four months from the date of execution.

This firm did the original design work for this project and due to administration oversight, the original contract expired. Based on the Massachusetts General Laws for "Design Services" and continued services this firm is uniquely qualified to perform this service.

I believe Medical Facilities Planning Association, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Providing Loan Service

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 23, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Capital Bank and Trust Co., a Massachusetts corporation, with offices at 1 Bulfinch Place, providing loan servicing for the Neighborhood Development Bank.

loan program. The contractor shall make loans at a fixed, low-interest rate to approved applicants for commercial, residential, or mixed-use real estate project.

Compensation under this contract shall not exceed \$500,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1990. Funds for this contract shall come from those received under the Community Development Block Grant program. This contract has been submitted late due to the time involved in contract negotiations.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals conducted by the Public Facilities Commission on March 1, 1987, in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include technical capacity of bank, experience with similar loan servicing arrangements, and professionalism of staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Design for Maintenance Yard

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 11, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Green International Affiliates, Inc., a Massachusetts corporation, with offices at 529 Main Street, providing professional design services for the construction of an East Boston Public Works Department maintenance yard. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$117,160, including \$40,000 for supplementary services, which is a fixed fee of 6.43 percent based on an estimated cost of construction of \$1,200,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 104 weeks from the date of execution.

Following the advertisement of this project in the *Boston Globe* on March 2, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated eighteen proposals submitted by the applicants and determined Green International Affiliates, Inc. most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank was as follows:

Green International Affiliates, Inc., 5; Pisani Associates, 7; Bayside Engineering, Inc., 14; Hammer, Kiefer & Todd, Inc., Cambridge, 14.

I believe Green International Affiliates, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is

my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Tenant Relocating Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on July 9, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Brenda Armstrong, an individual of 327 Huntington Avenue, providing the provision of tenant relocation services for the occupied, city-owned buildings in the Residential Development Program at a rate of \$15 per hour.

Compensation under this contract shall not exceed \$25,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from August 24, 1987, through August 19, 1988.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals conducted by Public Facilities Commission in the April 12, 1987, in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Brenda Armstrong was selected due to her professional experience in working with tenants, interest in affordable housing issues and excellent references.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Roslindale Village Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 10, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Chan & Kreiger, architects, a Massachusetts partnership, located at Cambridge, providing urban design services, including a master plan, site survey and schematic design for the Roslindale Village Capital Program.

Compensation under this contract shall not exceed \$33,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from May 1, 1987, to November 30, 1987. Funds for this contract shall come from those received from the Massachusetts Council on Arts and Humanities and the city's capital funds. This contract has been submitted late due to a delay in securing funding approval from the Council on Arts and Humanities.

The contractor was selected based upon a request for proposals process conducted by the Public Facilities Department in March of 1987. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include stability of firm, qualifications of staff, and expertise with similar projects.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would

serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Shopping Mall Management Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 14, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Roslindale Village Main Street, a Massachusetts nonprofit corporation, with offices at 20 Belgrade Avenue, Roslindale, providing shopping mall educational management services to residents and merchants of Roslindale Village.

Compensation under this contract shall not exceed \$22,221, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from September 15, 1987, to June 20, 1988. Funds for this contract shall come from those received under the Community Development Block Grant program.

The contractor was selected based upon its exclusivity in providing the desired services. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include technical capacity of firm and professionalism of staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Recreation Centers Evaluations

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 23, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to CPF/Domenek & Hicks, Inc., a Massachusetts corporation, with offices at 155 Massachusetts Avenue, providing professional services for a feasibility study to survey and evaluate existing condition of Archdale and Gallivan Recreation Centers.

Compensation under this contract shall not exceed \$37,500, including \$2,500 for supplementary services, which is a negotiated fee. The term of this contract shall be for three months from the date of execution.

Following the advertisement of this project in the *Boston Globe* on February 9, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The Committee evaluated seven proposals submitted by the applicants and determined CPF/Domenek & Hicks, Inc. most qualified and competent to complete said work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was follows:

CPF/Domench & Hicks, Inc., 155 Massachusetts Avenue, 6; Rothman & Rothman, Inc., 711 Atlantic Avenue, 7; Cleverdon, Varney & Pike, 268 Summer Street, 11; Schoenfeld Assoc., Inc., 12 Farnsworth Street, 11.

Please note that two applicants tied for number three ranking.

I believe CPF/Domench & Hicks, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Architectural Engineering vices, etc.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 28, 1987, and in response to an advertisement in the *Boston Globe* issue dated April 20, 1987, and the Central Register issue dated April 22, 1987, I respectfully request your Honor's written permission to dispense with further public advertising and enter into contracts with the firms listed below for professional services including: architectural, engineering, surveying, specification writing, asbestos removal, environmental planning, landscape architecture, interior space planning and design.

Hall-Kimbrell Environmental Services, Concord; DiMarinisi & Wolfe, 2 Park Square; H. Bryan, AIA, Belmont; Hygeia, Inc., Waltham; Verne C. Norman Associates, Inc., Quincy; Dean Tucker Shaw, Inc., 199 Beach Street.

sociates, Architects, West Newton; Scorziello Associates, Inc., Brookline; Bayside Engineering Associates, 803 Summer Street.

Your approval is hereby requested to award a contract to the firms listed above for the period July 1, 1987, to June 30, 1988, inclusive. In no event shall the payments to be made nor the maximum liability of the city under this contract for all firms in this category exceed \$345,000. It is my opinion that this cost is reasonable for the services to be provided.

It is my view that these firms are most competent and qualified to deliver the as needed service in a timely and efficient manner.

Sincerely,

Lisa G. Chapnick,
Director.

SCHOOL DEPARTMENT Physical Examinations for Students

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Neponset Health Committee, Inc., d.b.a. Columbia Point Health Center, 300 Mount Vernon Street, Dorchester.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$5,732, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports and chapter 766 physical examinations for students at McCormack Middle School, and Tynan and Dever Elementary Schools. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from Columbia Point Health Center, as it is the local health provider. The contractor is also able to provide additional back-up service to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractors to the serviced schools, the expertise of the contractors in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

This is the first contractual agreement between the School department and this vendor.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Brigham and Women's Hospital, d.b.a. Brookside Park Family Life Center, 3297 Washington Street, Jamaica Plain.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$6,676, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at Jamaica Plain High School, Fuller, Parkman, Mendell, and

Longfellow Elementary Schools. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from Brookside Park Family Life Center, as it is the local health provider. The contractor is also able to provide additional back-up service to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractor to the serviced schools, the expertise of the contractor in providing such services, and the reasonable cost of these services, it is my belief that public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$3,150; 1986 — \$9,450; 1985 — \$7,829.95.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to South Cove Community Health Center, a corporation located at 885 Washington Street.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$3,072, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at Quincy Elementary School. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurse.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated school. In addition, many of the students attending this school presently receive primary care from South Cove Health Center, as it is the local health provider. The contractor is also able to provide additional back-up service to the school health care and has sufficient staff to serve this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractor to the serviced school, the expertise of the contractor in providing such services, and the reasonable cost of these services, it is my belief that public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$5,433.01; 1986 — \$9,392.15; 1985 — \$3,216.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to South End Community Health Center, a corporation located at 400 Shawmut Avenue.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and

occur at a cost not to exceed \$4,885, which I deemed to be reasonable.

Under the terms of this contract, the contractor provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter physical examinations for students at the Weststone Elementary School and the Hurley Elementary School. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to designated schools. In addition, many of the students attending these schools presently receive primary care from South End Community Health Center, as it is the local health provider. The contractor is also able to provide additional back-up services to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids. Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$4,611; 1986 — \$3,500; 1985 — \$6,723.

Very truly yours,

Laval S. Wilson,

Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to the Children's Hospital, 300 Wood Avenue.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$46,458, which I have deemed to be reasonable.

Under the terms of this contract, the contractor provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter physical examinations for students at Farragut, Garfield, Baldwin, Hamilton, Kennedy, and other Elementary Schools, and Mary Curley School, in District A and for Boston Latin School, Boston Latin Academy, English High School, Mackey and Wheatly Middle Schools, Trotter Curley, Jackson-Mann, Guild, Hennigan and McKay Elementary Schools in District E. In addition, the contractor will provide emergency medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to designated schools. In addition, many of the students attending these schools presently receive primary care from the Children's Hospital, as it is the local health care provider. The contractor is also able to provide additional back-up services to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractor to the serviced schools, the expertise of the contractor in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose. Compensation to this vendor during the past

three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$44,454; 1986 — \$22,350.

Very truly yours,

Laval S. Wilson,

Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Roxbury Comprehensive Community Health Center, a corporation located at 435 Warren Street, Roxbury.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$8,405, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at Boston Technical High School, M. L. King Middle School and the Hale Elementary School in District E and for Quincy Dickerman Elementary School in District C. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from Roxbury Comprehensive Health Center, as it is the local health provider. The contractor is also able to provide additional back-up services to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractor to the serviced school, the expertise of the contractor in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in 1987 — \$10,450; 1986 — \$9,890; 1985 — \$10,689.

Very truly yours,

Laval S. Wilson,

Superintendent of Schools.

Instructional Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Roxbury Multi-Service Center, a corporation located at 317 Blue Hill Avenue, Roxbury. This contract shall be in effect during the period from September 15, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$46,578, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Roxbury Multi-Service Center's portion as is related to that amount is \$46,578.

The contractor will provide the following instructional services at Boston Latin: provide educational, vocational and personal counseling to minority students at risk of failing; through its Language Lab, provide students with an opportunity to develop oral/aural skills described in the City-wide curriculum as well as the Boston Latin curriculum; work with families of At-Risk Asian students, assisting them by guiding and monitoring their use of support services as well as keeping a communication channel open with these students and their parents.

The contractor is uniquely qualified to provide

the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; (2) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge, W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$57,727; 1986 — \$91,621; 1987 — \$80,821.

Very truly yours,

Laval S. Wilson,

Superintendent of Schools.

Musical Instruction

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Brown Bag Opera, a corporation located at 39 Mason Road, Newton. This contract shall be in effect during the period from September 15, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$12,500, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the chapter 636 FY 88 proposals for the sum of \$5,128,956. Brown Bag Opera's portion as is related to that amount is \$12,500.

Under the terms of this contract, the contractor will provide the following instructional services:

Instruction in opera, violin, cello, piano, and voice, will bring educational and entertaining opera performances in English to schools in Areas A and C. There will be audience participation. After the performance, the artists will talk with the children about the instruments, the music of the opera, the life of the composer, as well as a little about health issues, travel and communication. The Reed Woodhouse Show will precede our performances in Area C. The contractor will provide study guides for the teachers. These study guides will be explained at faculty meetings in Area C.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; (2) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge, W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan, *Morgan v. McDonough*, Civil Action No. 72-911-G; (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the

expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636.

This is the first contractual agreement between the contractor and the Boston School Department.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

School Food Service Program

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Montfort of Colorado, for the period of August 15, 1987, to June 30, 1988, for the purpose of processing U.S. Government donated meat into a variety of portion-controlled cooked products to be served in the School Food Service programs.

The contractor is uniquely qualified to provide the above services because: it can supply the full range of products required; it has a U.S.D.A. approved quality control program; it has an approved contract with the Department of Education to process donated commodities; it has submitted the lowest prices for fee for service and product schedule to the Department of Education.

Compensation under the contract shall not exceed \$90,000.

Montfort of Colorado was previously awarded no unadvertised contracts.

Because of the nature of the services to be provided under the agreement and the expertise of the vendor in providing such services, it is my opinion that the public interest would not be served by public advertisement for bids.

Very truly yours,

Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contracts to specified vendors for furnishing perishable food items and other edible commodities as required by and under the care and custody of the Department of School Food Services for the period August 15, 1987, through June 30, 1988. Proposals to bid were mailed to twenty-three vendors doing business in the greater Boston area on May 11, 1987. Bids were received by both the Department of School Food Services and the Auditing Department of City Hall on Thursday June 4, 1987. In addition, the bids were publicly opened and read at 11 a.m. in the Department of School Food Services.

Your approval is required to award a contract to the following low bidders in each category:

Meat, fish and poultry and frozen convenience items, cafeteria schools bids, amount not to exceed: Costa Fruit and Produce Co., 414 Rutherford Ave., Charlestown, \$975,000.

Fresh produce, snacks and juices:

Dave Snacks, \$50,000; Costa Fruit and Produce Co., \$360,000.

Frozen meat products, frozen miscellaneous, juices and cookies; central kitchen facility bids, amount not to exceed.

Dandy Summer and School Services, 80 Liberty St., Quincy, \$48,000; Colebrook Farms, Inc., Rehoboth, \$89,000; Kraft/S. S. Pierce Co., Peabody, \$180,000; Costa Fruit and Produce, \$263,000; All-White Potato Company, 255 Southampton St., \$75,000; Boston Banana, Chelsea, \$20,000; Dave Snacks, \$45,000; Kayem Foods, Inc., Chelsea, \$90,000.

The vendor underlined above was awarded unadvertised contracts in the past three years in the amounts as follows: 1985 — \$60,879.76; 1986 — \$52,278.27; and 1987 none encumbered.

Inasmuch as these are responsible vendors and their prices are reasonable and reflect the required product specifications, it is my opinion that the public interest would not be served by public advertisement at this time.

Very truly yours,

Leo J. Burke,
Business Manager.

Applied Arts Program

Dear Mayor Flynn:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Bunker Hill Community College, New Rutherford Avenue. The contract shall be in effect during the period of September 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$30,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Bunker Hill Community College's portion as is related to that amount is \$30,000.

The contractor will provide the instructional services for an applied arts program at Charlestown High School to reduce disparity and respond to the needs of an ethnically diverse student body.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; (2) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge, W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor in the form of unadvertised contracts over the past three fiscal years is as follows: 1985 — \$80,161; 1986 — \$74,441; 1987 — \$74,441.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Information Publications to Parents

Dear Mayor Flynn:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Citywide Educational Coalition, a corporation located at 37 Temple Place. This contract shall be in effect during the period from September 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$31,840, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY 88 chapter 636 proposals for the sum of \$5,128,956. Citywide Educational Coalition's portion as is related to that amount is \$31,840.

The contractor shall provide the following services: publish four fact sheets on issues of concern to parents of students in Boston Public Schools; publish a monthly parent information bulletin reviewing issues and actions taken by the Superintendent, School Committee, School Department and the Mayor's Office.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of cultural institutions; (2) the institution has specifically designed service in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); (3) further, services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This agreement is to be executed without an appropriation of funds, under the provision of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under chapter 636.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$25,000; 1986 — \$13,352; 1985 — \$18,348.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Record-Keeping and Management

Dear Mayor Flynn:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Mary R. Powers, 216 W. Avenue, Hyde Park.

This contract shall be in effect during the period from September 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$7,500, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide four hours of work per day at \$25 per hour for not more than seventy-five days. She will work with the cafeteria manager in setting up appropriate record-keeping and cash management; the integration of Madison Park, Boston Technical High, and Hubert Humphrey Occupational Resource Center.

The contractor is especially qualified to provide the above services. She is a retired superintendent of school lunches, has had fifteen years experience supervising the program at Madison Park, Boston Technical High, and the Hubert Humphrey Occupational Resource Center and is familiar with all management systems. There is no other person with unique experience of this contractor to provide required services.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This is the first contractual agreement between the School Department and Ms. Powers.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Section V — Central Administration/Boston Latin School.

Direct small group and individual instruction in reading, writing and study skills for up to 100 students.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding

under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; (2) the institution has specifically designed service in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This agreement is to be executed without an appropriation of funds, under the provision of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under chapter 636.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$233,263; 1986 — \$187,900; 1985 — \$189,681.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Boston Children's Service Associates, located at 867 Boylston Street. The contract shall be in effect during the period of September 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$74,964, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY '88 chapter 636 proposals for the sum of \$5,128,956. Boston Children's Service Association's portion as is related to that amount is \$74,964.

Licensed social workers will provide counseling services to students and their families on site and/or at the child's home. Counseling services to students and their families will include the following:

1. Any activity on behalf of a student that promotes the well-being and maximizes his/her functioning — assessment and service planning; observation of child's behavior in classroom; counseling to student; counseling with parent(s); counseling with students and family; activity/counseling groups for students; advocacy with other community resources and systems, i.e. Dept. of Public Welfare, housing authority, medical services on behalf of student and family.

2. Any activity related to increasing the capacity of faculty and staff to promote maximizing the child's potential — teacher and staff consultation; development of individual plan for teacher to manage child's behavior in classroom; to provide in-service training for school staff concerning child development issues.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; (2) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge, W. Arthur Garrity, Memorandum and Orders Modifying Desegregation plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed, without an appropriation of funds, under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$74,964.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Legal Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Naomi R. Stonberg, Esq., Wellesley.

This contract shall be in effect during the period from September 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$7,000, which I have deemed to be reasonable.

Under the terms of this contract, Ms. Stonberg will represent the School Committee in arbitration proceedings. Such representation shall include investigation of claims, preparation for and appearance at arbitration hearings, and preparation of post hearing memoranda. Ms. Stonberg will perform all tasks under the direction of the General Counsel.

The School Committee shall compensate Attorney Stonberg for services at the rate of \$95 per hour and shall reimburse her for certain certified actual out-of-pocket expenses upon submission of adequate and reasonable documentation. The total amount shall not exceed \$7,000.

Because of the professional nature of the services to be provided under this agreement and the expertise of Ms. Stonberg in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$10,000; 1986 — \$0; 1985 — \$0.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

TRANSPORTATION DEPARTMENT

Traffic Engineering, Etc.

Dear Mayor Flynn:

Your Honor's permission is respectfully requested by the Transportation Department to award a contract, without public advertising, to Bruce Campbell & Associates of 38 Chauncy Street, to provide traffic and transportation engineering and planning assistance to the department on a variety of assignments. The department has budgeted \$100,000 for these tasks and has immediate need for such services, which are to be completed by June 30, 1987.

Bruce Campbell & Associates is a firm whose four principals have worked for the department on similar assignments during the past fiscal year, while employed by Tippetts-Abbett-McCarthy-Stratton. These four individuals are all well-known, professional engineers who together have a total of 120 years of experience, principally on projects in the City of Boston and other communities in the Boston Metropolitan area. They have performed

extremely well in the execution of all tasks the department has assigned to them.

The purpose of this contract is to provide technical advice and support services as needed in the conduct of Transportation Planning activities. Scope of services of each assignment will be given the consultant in writing. Payment shall be made in response to detailed invoices submitted upon completion of each task. Examples of work tasks assigned are as follows:

1. Design of structures to support overhead signs or oversize signs at the curb at approximately ten locations, selected from among the following: Cleveland Circle, Oak Square, Union Square, Government Center, South Station, Park Square, Andrew Square, Central Square, East Boston, Kenmore Square, Mattapan Square, and North Station.

Scope of work is to select exact locations in field and to prepare necessary drawings and cost estimates for implementation. Recommendations would also be made as to whether work can be done city personnel or by contractual forces.

2. Conceptual design up to 25 percent level of connecting streets in Fort Point Channel area. Work shall include circulation plan for street system connecting Old and New Northern Avenue, the proposed Seaport Access Road interchange, proposed new developments in the area.
3. Perform analysis of curbside regulations, signal operations and traffic control regulations, and recommend Transportation System Management options to insure safe and efficient flow of traffic around the La Grange and Corey Street MBTA commuter rail station in West Roxbury.
4. Review circulation, signal operation and parking regulations around the following: Southwest corridor Orange Line station: Forest Hills, Green Street and Stony Brook.
5. Evaluate traffic flow and parking condition in Roslindale Square, considering the impacts of new commuter rail stop and the needs of the existing commercial district.

In view of the immediate need this department has to utilize the capabilities of well-qualified engineering consulting firms to initiate and complete these tasks before the June 30 deadline, it is essential that we award this contract to a firm familiar with the needs and procedures of this department to provide efficiency and continuity. Since there is not sufficient time to advertise for such services, this contract is requested as an unadvertised award.

Accordingly, your permission is requested to award a contract without public advertising, to Bruce Campbell & Associates of Boston, for engineering services during the period of May 1, 1987, to June 30, 1987, in the amount not to exceed \$100,000.

Sincerely,
Richard A. Dimino,
Commissioner.

TREASURY DEPARTMENT Secretarial Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Nichelle Sadler, 405 Columbus Avenue, for assistance in secretarial duties for the Collecting Division of the Treasury Department.

Under the terms of the contract, the contractor will be answering phones, typing memoranda and reports using the word processor and Lotus computer, filing and other related work as needed.

Ms. Sadler is specially qualified to perform these

services because of her past secretarial experience, her ability to work productively and efficiently with little supervision and she has obtained the knowledge to perform those duties.

Compensation under this contract shall not exceed \$12,628, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$7.70 per hour.

The term of this contract shall be September 18, 1987, through June 30, 1987.

Because of the professional nature of the work to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Tax Collection Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Roseann Rokosz, 148 1/2 Prince Street, for assistance in the collection of delinquent real estate, personal property, and motor vehicle excise taxes as a legal assistant.

Under the terms of the contract, the contractor will perform legal research, investigations and administrative tasks and draft motions, memoranda and other legal documents in reference to tax issues, municipal liens and trusts with the City of Boston as trustee.

Ms. Rokosz is specially qualified to perform these services through her formal education at Boston University, as well as her past experience as legal assistant to the Treasury Department and Trust Office.

Compensation under this contract shall not exceed \$6,630, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$6.50 per hour.

The term of this contract shall be September 28, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Charlene Lewis, 58 South Huntington Avenue, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes as an account clerk.

Under the terms of the contract, Ms. Lewis will provide taxpayer assistance with regard to tax collections and tax refunds, calculate late payment interest and charges, and operate a computer terminal for the purpose of tax payment inquiries and status reports.

Ms. Lewis is specially qualified to do this work because she has the experience and knowledge to perform these duties, works productively and efficiently with little supervision and has previous experience dealing with the public.

Compensation under this contract shall not exceed \$12,320, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$6 per hour.

The term of this contract shall be September 9, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

At my discretion, authorized overtime service in

excess of a forty-hour workweek, shall be compensated on a time-and-one-half basis.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Legal Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Cullen & Resnick, a legal partnership located at Charlestown Navy Yard.

Under the terms of the contract, Cullen & Resnick will represent the City of Boston in re: *Gray Line of Boston, Inc., et al.* before the United States Bankruptcy Court for the District of Massachusetts and act as legal consultant to the Collector-Treasurer and the City of Boston pending bankruptcy matters including assistance in perfecting and processing bankruptcy claims. Mr. Resnick will report to the Collector-Treasurer and Corporation Counsel on the matters covered by this contract.

Cullen & Resnick is specially qualified to do this work because of their expertise in Bankruptcy Law and their extensive experience in handling said matters throughout the New England region.

Compensation under this contract shall not exceed \$15,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$110 per hour.

The term of this contract shall be September 22, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Respectfully yours,
George A. Russell, Jr.,
Collector-Treasurer.

Financial Analysis, etc.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a

contract to John Loffredo, Cambridge, for assistance in financial activities for the Treasury Department.

Under the terms of the contract, the contractor will be responsible for financial/operational analysis, debt and cash management, lease contract analysis, research/analysis of accounts in tax title/tax possession, handling special projects as assigned, and utilizing word processor and micro computer.

Mr. Loffredo is specially qualified to perform these duties because he holds a Bachelor of Arts degree from Utah State University where he majored in finance, and is a candidate for his Master of Business Administration with a concentration in Public Management Policy, May 1988, as well as his financial and system analysis background.

Compensation under this contract shall not exceed \$18,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$12.50 per hour. The term of this contract shall be September 8, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Darryl Parson, 145 Worcester Street, for assistance in financial activities for the Treasury Department.

Under the terms of the contract, the contractor will provide lease/purchase contract analysis, research/resolution of accounts in tax title/tax possession, financial analysis of the tax title/tax, analysis of the city's cash flow, assist in special projects as they arise and work with the computer systems.

Mr. Parson is specially qualified to perform these services because of his formal education from Harvard University where he is concentrating in Government, and his exemplary work as an intern with the Treasury Department during this summer which prompted us to increase Mr. Parson's responsibilities.

Compensation under this contract shall not exceed \$9,120, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$8 per hour.

The term of this contract shall be August 26, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This award letter is dated and submitted late due to this department's need to reevaluate its current workload and the subsequent need for staffing.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

HEALTH AND HOSPITALS DEPARTMENT

Developing Campus Parking Plan

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract without advertising to Vanasse Hangen Brustlin, Inc. (VHB), 60 Birmingham Parkway, for the period September 8, 1987, through September 7, 1988, at a cost not to exceed \$29,150.

Under this contract, VHB will evaluate current supply and demand on the Department of Health and Hospitals' parking, develop a plan for organizing and allocating current resources based on usage and need, and develop alternatives for meeting both the current and future requirements of the campus.

An invitation to bid for developing an effective parking plan for the Department of Health and Hospitals' South End Campus was advertised in the *City Record* on March 30, 1987, and bids were publicly opened and read on April 17, 1987. Five companies were solicited and the following bid was received from VHB:

Total fee for labor overhead and profit — \$19,000;
estimated direct expenses (not to exceed) — \$3,000; total, \$22,900.

Awarding the contract was delayed while the hospital prepared for the Joint Commission survey and after careful review, discussion and negotiation, the proposal was amended to include the field surveys which were originally to be done by hospital personnel. Labor rates have changed since VHB had submitted the original proposal so an additional \$1,150 must be added to cover the cost. An additional \$5,100 was added to cover the field surveys. This brings the new total to original bid, plus labor increase, \$24,050; field surveys, \$5,100; total, \$29,150.

In view of the above and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly re-advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

LAW DEPARTMENT Investigative Services

Dear Mr. Mayor:

On July 31, 1987, your Honor approved an award of a contract, without public advertising for bids, to John V. Sullivan, located at 1-C Lorenzo Street, Dorchester, for investigative services during the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$15,000.

Your approval is requested to amend this contract to provide for expenses unanticipated at the time of the original contract. The cost of this amendment, which is effective on July 1, 1987 shall not exceed \$6,000.

The contract, as amended, shall not exceed \$21,000 and the payments will be made at the rate of \$20 an hour, which I have determined to be reasonable for the work to be performed.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

PUBLIC WORKS DEPARTMENT

Engineering Services

Dear Mr. Mayor:

On September 16, 1985, your Honor approved the award of a contract, without public advertising

for bids, to Camp Dresser & McKee Inc., One Center Plaza, for engineering services, to conduct an investigation of an area of the Gardner Street Landfill, West Roxbury, during the period September 9, 1985, to November 8, 1985, at a cost not to exceed \$8,000, and on January 13, 1986, you approved an amendment in the amount of \$13,800, bringing the amended contract to \$21,800, which provided for additional services. The period of the contract was extended from November 8, 1985, to January 31, 1986.

On April 15, 1986, your Honor approved the award of a contract, without public advertising for bids, to Camp Dresser & McKee Inc., One Center Plaza, for engineering services in connection with site data gathering, development of a closure plan and preparation of an interim operating plan for street sweepings and arboreal wastes, during the period March 12, 1986, to June 30, 1986, at a cost not to exceed \$94,000.

On July 11, 1986, your Honor approved an amendment to this contract, which is effective on July 1, 1986, in the amount of \$40,000, bringing the amended contract to \$134,000. The period of this contract was extended from June 30, 1986, to December 31, 1986. This amendment also provided for additional services.

On April 13, 1987, your Honor approved an amendment to this contract, which is effective on January 1, 1987, in the amount of \$73,000, bringing the amended contract to \$207,000. The period of this contract was extended from December 31, 1986, to June 30, 1987. This amendment also provided for additional services.

Since the decision has not been made relative to the ongoing litigation regarding the Gardner Street Landfill, I must, at this time, request permission to further amend this contract. A new Scope of Services is attached hereto. The cost of the additional amendment, which is effective July 1, 1987, shall not exceed \$18,000, which I have determined to be reasonable. The contract, as further amended, shall not exceed \$225,000. The period of this contract shall be extended from June 30, 1987, to December 31, 1987.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purposes.

Only recently we have been advised by the State Department of Environmental Quality Engineering as to the next phase of work to be undertaken at the landfill.

Very truly yours,
Joseph F. Casazza,
Commissioner of Public Works.

The City of Boston, acting through its Transportation Department, Policy and Planning Division, invites proposals from qualified consulting planning/engineering firms to provide planning services in the area bounded by First Street, Pappas Way and the properties under development by Boston Marine Industrial Park, the waterfront at Piers 1-6, and Fort Point Channel and the Central Artery right-of-way. Requests for proposals containing the scope of services, selection criteria, budget, and other pertinent information will be available in the office of the Policy and Planning Division, Transportation Department, Room 721, City Hall, Boston, MA 02201, on or after October 13, 1987.

A preproposal conference will be held on Wednesday, October 21, 1987, at 2:30 p.m. in Room 801, City Hall.

Attendance at the preproposal conference is mandatory for all prospective proposers. Failure of a proposer to appear at the preproposal conference will disqualify the proposer from submitting proposals.

Any inquiries regarding the information contained in this Request for Proposals should be raised at the preproposal conference.

All nonsubstantive inquiries should be directed to the office of the Policy and Planning Division of the Transportation Department at 725-4606.

To be considered, four (4) copies of each proposal must be received no later than 12 noon, Wednesday, November 4, 1987, at the office of the Policy and Planning Division.

The Commissioner of Transportation reserves the right to:

1. Interview any or all proposers as required to assist in the evaluation of the proposals; and
2. Reject any or all proposals or any part or parts thereof and accept the proposal which he deems to be in the best interest of the City of Boston.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and

provisions of the contract documents entitled "Installation of New Lockers at English High School, 77 Avenue Louis Pasteur, Boston, Mass.," at an estimated cost of \$5,400.

SCOPE OF WORK: In general includes: furnishing and installing new lockers, and the removal of existing lockers.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, October 14, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

All GENERAL BIDS will be received before twelve o'clock noon on Thursday, October 29, 1987, at which time and place they will be publicly opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

GENERAL BIDS will be received before twelve o'clock noon on Thursday, October 29, 1987, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, October 14, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Pruning and Trimming Trees at
Malcolm "X" Park and Horatio Harris Park,
Roxbury, Mass.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Pruning and Trimming Trees at Malcolm "X" Park and Horatio Harris Park, Roxbury, Mass.

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide crew to prune and trim trees at Malcolm "X" Park and Horatio Harris Park, Roxbury, and to properly transport and legally dispose. Estimated Cost, \$30,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 29, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Tuesday, October 13, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, October 20, 1987, at 10 a.m., Boston time.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "West Roxbury Library Addition and Alterations."

SCOPE OF WORK to include renovations to the existing library structure and construction of a 14,700 square-foot addition.

TIME AND PLACE FOR FILING BIDS: ALL SUBBIDS shall be filed with the Awarding Authority at the sixth floor, 26 Court Street, Boston, MA 02108, before twelve o'clock noon on November 18, 1987, and ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on December 2, 1987, at which time and place respective bids will be opened forthwith and read aloud.

A prebid meeting will be held for all interested parties, including those involved with asbestos removal, on Wednesday, November 4, 1987, at 10 a.m., at the job site; 1961 Centre Street, West Roxbury, Mass.

In addition, the library will be available for inspection during normal business hours.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

CITY RECORD

OCT 28 1987

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

DL. 79

MONDAY, OCTOBER 19, 1987

NO. 42

PARCEL-TO-PARCEL LINKAGE DEVELOPMENT

Mayor Raymond L. Flynn and Gov. Michael S. Dukakis have presented financial guidelines to the minority development team chosen to construct a \$10 million project adjacent to the MBTA's Ruggles Street Station.

The financial guidelines received by Columbia Plaza Associates will provide the completion of financing arrangements and additional design in the simultaneous development of both the 6.5-acre Ruggles Street site and the city-owned Bedford Street garage in the city's first parcel-to-parcel linkage program development by a minority team.

Mayor Flynn said, "Boston is making history with this project. By linking one land downtown with a neighborhood site we are carrying through on our promise to make sure that no neighborhood and no segment of Boston's population are denied access to Boston's growth economy."

Columbia Plaza Associates was chosen in the qualifying round of development competition by the Boston Redevelopment Authority. The BRA serves as the development agent under an agreement signed by Mayor Flynn and Gov. Dukakis in July 1986, for the parcel-to-parcel linkage development of two sites, known as Parcel 18.

The team of minority developers was chosen on the first round and must have a minimum of 30 percent minority interest in the project, under the agreement guidelines. The minority team of Blacks, Hispanics, and African-Americans may increase their minority interest above 30 percent in the financing arrangements they reach with new development partners during the next four months.

For the first time, in this city, individuals from the Chinese, Hispanic and Black communities are working together in an economic partnership. For the first time, the state and city have forged an agreement which guarantees that these individuals can in fact control this development," said Mayor Flynn. "With these guidelines they now have 120 days to bring financial partners, to move forward on designs, and to fulfill all the requirements needed to receive final designation from the BRA."

Gov. Dukakis said, "The parcel-to-parcel concept — which is the first of its kind in the country — is rooted in the close involvement of community people in the planning process for the Corridor, from the days when

they mobilized to stop highway construction, to the time when we can work together at rebuilding this community. I am proud that in this state we are seeking ways to bring together the vitality of our growth economy downtown with the needs of people who have not fully benefited from that growth."

Under parcel-to-parcel linkage, disposition of city-owned land downtown is linked to city-owned land in the neighborhood to connect the economic growth and vitality of downtown to neighborhoods. The goal is to create new opportunities for residents of Chinatown and Roxbury to develop, own and manage projects which will bring new economic life to these neighborhoods.

The Kingston/Bedford Essex Street project will be a major multi-use project consisting of office, retail, hotel and residential uses. In addition, a landscaped plaza will be created on Columbia Street, which is a narrow street intersecting the Kingston-Bedford garage from the Essex Street parking lot. The project will also include two underground garages, each of which will have 600 to 800 spaces.

Parcel 18 is envisioned as a major commercial center with two mid-rise office buildings, retail space of 100,000 square feet, mixed-income residential development of 150 to 200 units, a community and cultural center, and an underground garage for 500 to 1,200 cars.

A portion of disposition proceeds from sale of the downtown parcels, limited to \$15 million, will be made available to the developers of the Parcel 18 project to offset the development costs of the project.

The process spelled out in the guidelines is intended to facilitate the development process and to increase the amount of community benefits.

The Challenge Track approach establishes five criteria which Columbia Plaza Associates must achieve over the next 120 days.

- Expansion of the minority and community participation in the venture;
- Development of a detailed and comprehensive community benefits plan;
- Submission of a development plan for each site that is sensitive to the neighborhoods;
- To the maximum extent feasible, the team should renegotiate a financing plan with private investors that assures the project will be built; assures the financial viability of the projects; and vests management control with community partners.

COMMUNITY COLLEGE PRESIDENT TO RESIGN

Harold E. Shively, founding president of Bunker Hill Community College, has announced that he will resign from his position as of August, 1988.

(Continued on next page)

Community College

(Continued from front page)

Under President Shively's leadership, the college has, since its inception in 1973, earned a world-wide reputation for academic excellence and has become a leader in international education programs. These programs now attract over 7,000 full- and part-time students not only from greater Boston, but from nearly seventy nations around the globe.

In addition to offering twenty-four traditional liberal arts and career training programs, Bunker Hill is a pioneer in nontraditional education. The college houses a state-of-the-art, multi-media learning center where students may complete or supplement their course requirements with self-guided, supervised instruction.

Bunker Hill Community College offers a host of programs designed for special needs populations including: culinary arts and computer application certificate programs for displaced homemakers, on-site and correspondence courses for prison inmates and a Worker Assistance Center which counsels and retrains displaced factory workers.

The college's ability to meet the educational needs of these special populations is reflected in the enormous success of Bunker Hill's English as a Second Language program — now the largest ESL program in New England.

President Shively has also encouraged the recruitment of minority faculty, staff and students. As a result, minority enrollment has steadily increased. Currently, over 40 percent of Bunker Hill Community College students are Black, Hispanic, or Asian Americans.

As co-founder and vice-president of the Community Colleges for International Development, a consortium of community colleges throughout North America, President Shively has guided Bunker Hill Community College into a leadership position with ongoing programs in Germany, Surinam, Jamaica, India, Taiwan and the Republic of China.

Working as an education consultant, President Shively developed a Community College Master Plan for Israel and a student exchange program for Argentina. He also designed programs for Guatemala, El Salvador and Venezuela, and has conducted workshops and seminars for college and university

presidents in the Republic of China. He is a consultant to the American Association of Community and Junior Colleges and teaches graduate-level courses at the University of Massachusetts and at Suffolk University.

Prior to founding Bunker Hill Community College, President Shively served for seven years as founding president of North Shore Community College in Beverly, Massachusetts. He received commendations from students in 1970 and 1973. In 1972, he was presented with an Outstanding Service Award from faculty and staff at North Shore Community College. In 1973, the National Council on Community Service for Community and Junior Colleges named him "Man of the Year."

President Shively's extensive community college experience includes his work at Orange County Community College in Middletown, New York, where, from a position as a full-time sociology professor, he became assistant and then acting director of the evening division and dean of the evening extension division.

President Shively attended Bliss Business College, received his B.S. from Ohio State University and a Master of Arts from Columbia Teachers College. In 1978, he was awarded an Honorary Doctorate of Education from Suffolk University, acknowledging his contributions to the advancement of education.

Advertising and other copy must, except in emergencies, be in hand at the City Record office by 11 a.m., Monday of each week to insure its publication in the following Monday's issue

He has served on numerous commissions and advisory committees including: the National Advisory Council on Vocational Education, the National Council on Education, the American Council on Education, the National Commission on Student Personnel and the American Association of Community and Junior College Task Force for Extending Educational Opportunities for Servicemen.

President Shively plans to pursue activities related to international education when he leaves his post at Bunker Hill Community College.

MUSEUM OF FINE ARTS EXHIBITIONS

Andrew Wyeth: The Helga Portraits, October 28-January 3, Members' Week: October 18-27.

Andrew Wyeth is one of America's best-loved contemporary artists, and the Museum's last major exhibition of his work, held in 1970, proved immensely popular. His rural imagery strike an important chord in the American consciousness.

On exhibition this month will be sketches, drawings, and paintings. Wyeth's neighbor, Helga Testorf. Executed between 1971 and 1985, the works were discovered last year. Featured are such finished tempera paintings as *Braids*, *Letting Her Hair Do*, *Sheepskin*, *Farm Road*. One of Wyeth's favorite media, tempera is a mixture of dry pigment, distilled water, and egg yolk that dries very quickly. "The something incredibly lasting about the material, like an Egyptian mummy," Wyeth says, "Tempera is, in a sense, like building, really building in greaters the way the earth itself was built."

The exhibition includes many preliminary sketches and drawings, as well as watercolor and drybrush works, leading to the finished temperas. Major brush watercolors include *Barracuda*, *Crown of Flowers*, *The Prussian*, *Flow*, and *Refuge*.

While Wyeth's interest in figure and landscape place him firmly within American tradition, he objects to being called a realist. "A lot of people say I brought realism back — they try to me up with Eakins and Winslow Homer. To my mind, they are mistaken. I mostlly consider myself an abstractist."

"Andrew Wyeth: The Helga Pictures" was organized by the National Gallery of Art in Washington, D.C., and made possible by the support of the Dupont Company. The full-color catalogue, published by Harry N. Abrams, Inc., includes an essay by John Wilmerding. The clothbound edition is available in the Museum Shop for \$9.95, the paper for \$19.95.

NOTICE

RETIREMENT BOARD RELOCATION

The Retirement Board will relocate to Room 401 in City Hall on or about October 19, 1987.

The office will be closed on Monday and Tuesday, October 19-20, 1987.

On Wednesday, October 21, 1987, the office will be open for general business.

In order to reach this office, you must take the North elevators to the fourth floor. Do not take the elevators on the main entrance, Mezzanine, as these elevators are not accessible to the fourth floor.

JAMES F. O'DONNELL,
Executive Director.

MBTA'S NEW FARE POLICY

Fares at six MBTA Commuter Rail stations within a six-mile radius of Boston are now seventy-five cents instead of the current \$1.25 MBTA General Manager James F. O'Leary announced. The fares at three new Commuter Rail stops within a three-mile radius of Boston are 60 cents.

The six, new, seventy-five-cent stations are: Porter Square (Cambridge), West Medford, Malden Center, Chelsea, Forest Hills (Jamaica Plain), and Morton Street (Mattapan). The new fifty-cent stations are Back Bay and Ruggles Street stations along the Southwest Corridor, and Uphams Corner (Dorchester) station on the Fairmount Branch.

Ruggles Street and Back Bay stations opened for service on October 5, and are serving passengers of the Southbound, Attleboro and Franklin Commuter Rail lines through the Southwest Corridor to South Station.

Morton Street and Uphams Corner stations are on the Fairmount Branch which also opened on October 5 for passenger service between Fairmount and South Station. Fare to and from Fairmount and South Station is \$1.25.

The change is an effort to establish a commuter rail fare structure that is consistent with the distance-based fares that are in effect on MBTA Rapid Transit streetcar and bus lines.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT Washington Office Services

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising in the award of a contract to the National Center for Municipal Development, Inc., of Washington, D.C., in an amount not to exceed \$45,000 for the period of July 1, 1987, through June 30, 1988.

Under the terms of this contract, N.C.M.D. will continue to provide services to the city's Washington staff, all office services including xerox, postage, telephone, supplies, etc., travel planning, advances, accounting services and fiscal administration; and to lease office space to the City of Boston at Washington, D.C. The contractor has been providing this service to the City of Boston for the past ten years in a professional and timely manner.

In view of the contract's length of service and past performance, I believe that public advertising would serve no useful purpose.

Sincerely,

Raymond C. Dooley,
Director.

Legislative Services

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising in the award of a contract to Meredith Associates of 169 Massachusetts Avenue, in an amount not to exceed \$32,000 for the period of July 1, 1987, through June 30, 1988, at the rate of \$300 per diem.

Under the terms of the contract, Meredith Associates, under the direction of its president, Judith Meredith, will advise the City of Boston on proposed and pending legislation which will affect the City of Boston. Ms. Meredith will also assist city department heads in formulating, drafting and filing legislation necessary to improve the orderly functioning of their respective departments. In addition, Meredith Associates will work to secure passage of legislation before the General Court which will advance the interests of the City of Boston and its residents.

Meredith Associates is a firm which represents the interest of private and nonprofit agencies before the General Court. Judith Meredith possesses a reputation on Beacon Hill for credibility, integrity, and professionalism.

In view of the professional nature of the services

to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Raymond C. Dooley,
Director.

Office Director Services

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising in the award of a contract to Kevin F. Flanagan of Maryland, in an amount not to exceed \$37,000, for the period of July 1, 1987, through June 30, 1988, at the rate of \$3,083.34 per month.

Under the terms of the contract, Mr. Flanagan will serve as the director of the City of Boston's Washington Office located at Washington, D.C. Mr. Flanagan will monitor the city's compliance with federal regulations; work towards improving the regulatory climate as it relates to Boston; and assist city department heads in the processing of federal grant applications. The contractor has been providing this quality service to the City of Boston for several years.

In view of Mr. Flanagan's past performance and his expertise in the field of federal relations, I believe that public advertising would serve no useful purpose.

Sincerely,

Raymond C. Dooley,
Director.

Office of Contract Management Bookbinding Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and award a contract to Coleman Bookbinding Corporation, a corporation located at 363 Albany Street, for the maintenance and timely distribution of the *City Record*.

Under the terms of this contract, Coleman Bookbinding Corporation will continue to provide all the services necessary for the timely distribution of the *City Record* to over 800 subscribers. This ongoing service includes designing address plates for each new subscriber; addressing each individual publication and delivering them to the post office; updating and maintaining the *City Record* mailing list and the address plates. Coleman Bookbinding is uniquely qualified to do this work because they currently possess the address plates for all the *City Record* subscribers and are also thoroughly experienced in this type of work.

Compensation under this contract shall not exceed \$4,800, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be July 1, 1987, through June 30, 1988.

In view of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose. This contract is being processed at this time due to administrative delays.

Very truly yours,

Martin J. Nee,
Director.

Research and Indexing Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and award a contract to Kevin J. Potts, an individual located at Dedham, for the provision of research for the OCM FY 88 report and the compilation of the 1983 through 1987 *City Record* indexes.

Under the terms of the contract, the contractor, a recent graduate of the University of Massachusetts

Harbor Campus, will research and collect information on contractual agreements entered into by the City of Boston. He shall also compile all the necessary information to publish the 1983 through 1987 City Record indexes must be completed in order for the yearly volumes to be bound. The contractor is specially qualified to do this work because of his educational background and his ability to organize information in an efficient manner.

Compensation under this contract shall not exceed \$7,300. Mr. Potts shall be paid at an hourly rate of \$7 per hour, a rate I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the aforementioned reasons and the reasonable cost of these services, I believe public advertising would serve no useful purpose.

Very truly yours,
Martin J. Nee,
Director.

Health Care Insurance

Dear Mayor Flynn:

In accordance with M.G.L. chapter 32B, section 16, the city is required to purchase insurance for the services of health care organizations for eligible employees and retirees on terms deemed to be in the best interest of the city county and its employees.

The Harvard Community Health Plan provides insurance as well as comprehensive medical care through its participating health centers, physician groups, and affiliated hospitals.

Your Honor's permission is requested to approve the renewal of a contract with Harvard Community Health Plan, Inc., One Fenway Plaza, for eligible employees and retirees for the period July 1, 1987, to June 30, 1988, in an amount not to exceed \$16,500,000 from appropriation code 011-140-0148-H104-0490.

Respectfully,
Irene Carrington,
Director.

Dear Mayor Flynn:

In accordance with M.G.L. chapter 32B, section 16, the city is required to purchase insurance for the services of health care organizations for eligible employees and retirees on terms deemed to be in the best interest of the city/county and its employees.

The Tufts Associated Health Maintenance Organization, Inc., d/b/a Tufts Associated Health Plan has provided alternative insurance services to the city since January 1, 1984. As a Health Maintenance Organization, the Tufts Plan provides insurance as well as comprehensive medical care through its participating physician groups and affiliated hospitals.

Your Honor's permission is requested to approve the renewal of a contract with Tufts Associated Health Maintenance Organization, Inc., Waltham, for eligible employees and retirees for the period July 1, 1987, to June 30, 1988, in an amount not to exceed \$4,700,000 from appropriation code 011-140-0148-H104-0490.

This contract is being submitted late due to the failure of the contractor to send the necessary forms and agreements to this office within the required time period.

Respectfully,
Irene Carrington,
Director.

Dear Mayor Flynn:

In accordance with M.G.L. chapter 32B, section 16, the city is required to purchase insurance for the

services of health care organizations for eligible employees and retirees on terms deemed to be in the best interest of the city/county and its employees.

Blue Cross and Blue Shield of Massachusetts, Inc., the health insurance carriers for the City of Boston since 1962, provides hospital, medical, surgical and other health care benefits.

In 1980, the city established a self-insured trust fund pursuant to the provisions of section 3A of chapter 32B of the Massachusetts General Laws. Payments on a cost reimbursement basis are made to the carrier from this fund. This arrangement permits the city to closely monitor claims and costs incurred for eligible employees.

Your Honor's permission is requested to approve the renewal of a contract with Blue Cross and Blue Shield of Massachusetts, Inc., 100 Summer Street, for eligible employees and retirees for the period July 1, 1987, to June 30, 1988, in an amount not to exceed \$36,000,000 from appropriation code 011-140-0148-H104-0490.

This contract is being submitted late due to the failure of the contractor to send the necessary forms and agreements to this office within the required time period.

Respectfully,
Irene Carrington,
Director.

Dear Mayor Flynn:

The City of Boston maintains a contract with Blue Cross/Blue Shield of Massachusetts to provide health insurance for eligible city and county employees on a self-insured basis. The self-insured program has provided and continues to provide substantial savings to the City of Boston. In order to ensure that the city's finances are not adversely affected by unexpectedly large claims, it is necessary to purchase Excess Loss Insurance.

Blue Cross/Blue Shield has provided this coverage to the city since Fiscal Year 1986. During FY'86, monies recovered under this policy exceeded the amount spent for the policy premium and this same result is expected after the final claims are processed for FY'87.

Your Honor's permission is requested to approve the renewal of a contract with Blue Cross/Blue Shield of Massachusetts, 100 Summer Street, for Excess Loss Insurance for the period of July 1, 1987, through June 30, 1988, in an amount not to exceed \$250,000 from appropriation code 011-140-0148-H104-490.

This contract is being submitted late due to the failure of the contractor to send the necessary forms and agreements to this office within the required time period.

Respectfully,
Irene Carrington,
Director.

Bulk Mailing Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and award a contract to Murdock Mailing, a company, located at 1205 Hyde Park Avenue, for the provision of mail handling services.

Under the terms of this agreement, Murdock Mailing shall label, stuff, seal and deliver to the South Postal Annex 240,000 envelopes for a bulk mailing to all City of Boston households. The information in this mailing will consist of the Surgeon General C. Everett Coop's report on Acquired Immune Deficiency Syndrome (AIDS). This report is a forty-page brochure that contains valuable information regarding the AIDS virus and measures that can be taken to prevent the spread of the disease.

In order to provide this potentially life-saving information to the public as quickly as possible I have foregone normal bidding procedures and requested three bids from vendors engaged in this type of work. The quotations received were as follows: Hub Mail Advertising, \$10,080; Dickinson Mailing, \$4,800; Murdock Mailing, \$4,680.

I respectfully request that an award be made to Murdock Mailing Co., the lowest quotation, in an amount not to exceed \$4,680, a sum that I consider reasonable for the work to be performed. The period of performance for this contract shall be from July 25, 1987, to August 10, 1987.

Due to the need to provide the public with this information as quickly as possible and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Sincerely,
Irene Carrington,
Director.

ASSESSING DEPARTMENT Sales Reporting System Update

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to Michael A. Jalliet, Woonsocket, Rhode Island, for professional services as a consultant to the Assessing Department.

Under the terms of the contract, the contractor shall provide technical assistance in the development of an on-line title update/sales reporting system. The developed system will be an enhancement of the Regi system.

The present system of tracking owner history manual one, will be replaced with a new, on-line master parcel inventory file. The dynamic file will be created will provide the department with constant update of sales information. Sales are an important ingredient in the valuation process. Accordingly, this will assist the assessor. Thus the on-line file system provides many advantages to not only the Assessing Department but the Informal, Real Property and Inspection Services Departments. This enables the Assessing Department to respond to taxpayer requests in a more timely and accurate manner.

The contractor is uniquely qualified to perform this work because of his extensive training background. He has developed and implemented the on-line property sales reporting system for the Assessing Department.

Compensation under this contract shall not exceed \$4,000, which I have determined to be reasonable for the services to be performed. The contractor shall be paid at the rate of \$25 per hour.

The term of this contract shall be from August 1, 1987, through June 30, 1988.

Because of the professional and technical nature of the services to be provided and the expertise of the contractor, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Line Printer Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award contract to GSC Services, Littleton, for professional services for performing line printer maintenance for the Assessing Department.

Under the terms of the contract, the contractor will provide maintenance, labor and parts for the Assessing Department's two-line printers (12 and 126064). Both printers are used to print "0

Assessing Department's management information systems reports from the VAX computer. These reports are (1) appraisal worksheet cards (AWS cards); (2) data collection cards; (3) sales reports; (4) land use; (5) parcel information; (6) tax exempt property; (7) abatements; and (8) timesheets for the department's computerized payroll/attendance system.

ISC Services is uniquely qualified to perform this work because of its expertise in servicing the mentioned equipment in the department and its services have been fully acceptable. The contractor is the authorized service representative for these line printers.

Compensation under this contract shall not exceed \$4,772, which I have determined to be reasonable for the work to be performed. This is approximately 10 percent less than the cost for the same services for FY 1987.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the professional and technical nature of the services to be provided and the expertise of the contractor in providing such services, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Taxpayers Assistance Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Jack Kardon, West Roxbury, for professional services to the Assessing Department.

Under the terms of the contract, the contractor will provide advice on an ongoing basis and on long-term decisions facing the department. In addition, the contractor will coordinate all interdepartmental requests for information from the Assessing Department. The contractor will also advise and assist in situations where taxpayers experience difficulty with the Assessing Department or procedures. Mr. Kardon will also assist in training Taxpayer's Assistance Assessing staff members.

Taxpayer's Assistance of the Assessing Department is the first point of contact the property owner has with the City of Boston Assessing Department. Taxpayer's Assistance provides the property owner with the following information: valuations, abatement programs, clause exemptions, and assessing notices.

Mr. Kardon is uniquely qualified to perform these services because of his seventeen years of experience with the City of Boston Assessing Department. As a former member of the Board of Review, the contractor has the expertise to quickly and accurately inform the taxpayer of the various programs the City of Boston has to offer. He also has 15 years of experience in real estate.

Compensation under this contract shall not exceed \$17,000, which I have determined to be reasonable. The contractor shall be paid at the rate of \$9 per hour.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be provided, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Legal Assistance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a

contract to Stephen G. Hamel, 824 Beacon Street, for professional services as a law clerk to the Assessing Department.

Under the terms of the contract, the contractor will provide general legal assistance, including legal research, drafting memoranda, briefs and assisting in trial preparation.

Mr. Hamel is uniquely qualified to perform these services because of his training and background. He is a law student at Boston University School of Law. He also has experience in computer application in a large-scale, commercial analysis. The combination of these factors, his law school education, and computer analysis training, makes Mr. Hamel a unique candidate for services as a law clerk.

Compensation under this contract shall not exceed \$4,800, which I have determined to be reasonable for the services to be performed. The contractor shall be paid at the rate of \$9 per hour.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the professional and technical nature of the services to be performed, and the training and education of the contractor, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Sean F. O'Connor, 58 Pinckney Street, for professional services as a law clerk to the Assessing Department.

Under the terms of the contract, the contractor will provide general legal assistance, including legal research, drafting memoranda, briefs and assisting in trial preparation.

The contractor is uniquely qualified because of his training and background. He is a law student at Suffolk University Law School. He has had previous experience as a law clerk and as a legislative aide. His background and education provide him with the necessary qualifications for providing services to the Assessing Department as a law clerk.

Compensation under this contract shall not exceed \$4,800, which I have determined to be reasonable for the services to be performed. The contractor will be paid at the rate of \$9 per hour.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the professional and technical nature of the services to be provided, and the training and education of the contractor, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Computer Maintenance

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to System Industries, California, for providing computer maintenance for the Assessing Department.

Under the terms of the contract, the contractor will provide unscheduled, on-call remedial maintenance as required for the Assessing Department's 9900 controller, three disk drives, and the SBI interface. This equipment stores the data that compiles the tax bills. They are the peripherals of the hardware for the computer.

System Industries is uniquely qualified to perform this work because it is professionally recognized within the industry and because it is licensed by the original equipment manufacturer to service this equipment.

Compensation under this contract shall not exceed \$9,984, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the professional and technical nature of the services to be provided and the expertise of the contractor in providing such services, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

1989 Revaluation Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Thomas L. Jacobs, Illinois, for professional services as a consultant to the Assessing Department.

The City of Boston is in the process of preparing for the implementation of third comprehensive revaluation in FY 1989, as required by Massachusetts law. Its goal is to accomplish such revaluation in a timely and accurate manner.

Under the terms of the contract, the contractor shall provide technical assistance to the Assessing Department for the 1989 Revaluation. The contractor shall (1) monitor the quality and productivity performance of the FY 1989 Revaluation to assure that the respective tasks are initiated and completed on time in accordance with the basic work plan and schedule, and with the level of effort and quality of product that are required; (2) assist in establishing the Research and Standards Unit, and organizing the specific tasks and analyses that are necessary for developing valuation standards and testing the quality of assessments; (3) assist in establishing and implementing the procedures, documentation, and follow through on quality control over property characteristics data collected initially for the revaluation or collected in the normal course of assessment maintenance; and (4) assist in establishing and implementing new methods and controls in processing changes in property characteristics, ownerships, etc. in the Tax Administration and Engineering Units to facilitate the overall function of the assessment maintenance.

The contractor is uniquely qualified because of his years of experience in real estate appraisal and assessment techniques. He is also knowledgeable of procedures used by the Assessing Department. His general experience in the assessment field includes (a) the detailed planning and conduct of turnkey-type revaluation projects for large and small jurisdictions; (b) the evaluation of assessment management and technical practices for a variety of communities; and (c) the design and application of unique methods for quality testing of assessments on commercial and industrial property. Additionally, the contractor is currently working with the International Association of Assessing Officers in restructuring their course and texts on assessment administration.

Compensation under this contract shall not exceed \$60,000, which I have determined to be reasonable for the services to be performed. The contractor shall be paid at the rate of \$75 per hour and shall be allowed reasonable expenses of not more than \$22,000, which shall be included in the total contract price.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the professional and technical nature of the services to be provided and the expertise of

the contractor, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Special Engineering Maps

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Sanborn Map Company, a division of Real Estate Data, Inc., New York, for the lease of special engineering maps to the Assessing Department.

These maps are one of the essential tools used by the assessor in determining characteristics of buildings in the city that are needed for the valuation process.

Under the terms of the contract, the contractor shall provide a set of fifteen 22 inches by 26 inches black and white maps which show building outlines, lot outlines, construction and other details of various buildings throughout the city. These maps are updated during the year by means of personal field surveys by the contractor.

The contractor is uniquely qualified to provide these services because it is the sole source of this type of map service.

Compensation under this contract shall not exceed \$3,315, which I have determined to be reasonable for the services to be provided.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

This award letter is being processed late because of administrative delays. The contractor was contacted on May 15, 1987, and June 9, 1987. The department did not receive a response from the contractor until June 29, 1987.

Because of the professional nature of the services to be provided, and because the contractor is the sole source of this type of map service, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Leasing Certain Premises

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Leggat, McCall Management Co., Inc. (formerly Old South Church in Boston by: Minot, DeBlois and Maddison, Inc., Attorney), for the lease of offices in the Old South Building to the Assessing Department.

Under the terms of the contract, the contractor will lease rooms 528-554 inclusive, containing approximately 10,106 square feet on the fifth story of the Old South building at 294 Washington Street. The monthly rent will be \$17,053.88, plus operating escalation expenses. The total compensation under this contract shall not exceed \$225,500, which I have determined to be reasonable for the services to be rendered.

The term of this lease shall be from July 1, 1987, through June 30, 1988.

This contract is being processed late due to an analysis of long term space planning needs of the department.

Because of the professional nature of the services to be rendered, I believe that public advertising would serve no useful purpose.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

Printing, Binding of Records

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Hall and McChesney, Inc., New York, for microfilm, printing and looseleaf binding of records for recorded and registered land located at the Suffolk County Registry of Deeds.

On June 1, 1987, the Registry of Deeds advertised in the *City Record* for proposals for microfilming, printing and looseleaf binding of records for the Recorded Land Section of the Registry of Deeds. Hall and McChesney was the sole bidder for the aforementioned services, at the rate of \$.32 per page.

Under this contract, a duplicate set of these records will be furnished to the Assessing Department by the vendor at a cost of \$.26 per page for printing and looseleaf binding. In addition, the vendor will also furnish a copy of each roll of microfilm at \$27 per roll (the same rate as fiscal year 1987). The total cost of this contract shall not exceed \$105,000, which I have determined to be reasonable for the services to be provided.

These services are part of the Assessing Department's ongoing process of timely updating sales verification records which is necessary to fulfill its statutorily mandated function of assessing all taxable property in the City of Boston at full and fair cash value on an annual basis.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

It is possible it will be determined sometime prior to the expiration of fiscal year 1988 that the Assessing Department is no longer in need of these records in the form provided by the vendor. In that event, the department will timely notify the vendor of the termination of this contract.

This contract is being processed late because of the time needed to negotiate the terms of this contract.

Because of the professional nature of the services to be provided, I believe that public advertising would serve no useful purpose. In addition, selection of this vendor will likely result in the shortest delay for the Assessing Department to receive the updated records as well as the greatest monetary savings as this vendor has already and continues to reproduce the same records for the Registry of Deeds.

It is necessary to receive such records in the least possible amount of time so as to ensure the efficient updating of Assessing Department records for revaluation purposes and timely issuance of future real estate tax bills.

Sincerely,
Thaddeus J. Jankowski, Jr.,
Commissioner.

BUDGET AND PROGRAM EVALUATION

Research Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising in the award of a contract to Ranjeet Sudan of Newton. Under the terms of the contract, the contractor will complete a five-year expenditure plan for the city and will conduct primary research on revenues, including historical analysis. Additionally, Mr. Sudan will work on various projects dealing with budgetary and administrative matters relative to the Department of Health and Hospitals.

Mr. Sudan started this project with the Revenue Monitoring and Analysis Unit of OBPE in May, 1987, under City of Boston Service Order 99-87. His familiarity with the project and his proven ability

combine to make him the ideal candidate. Mr. Sudan is working toward his M.B.A. at Boston College and he received his Bachelor of Science degree in Electrical Engineering from Cornell University in 1984.

Compensation for these services were made at the rate of \$8 per hour and shall not exceed \$2,975. Payment for these services will be made from appropriation code 011-140-0141-020-BP03 and the period of performance will be from July 1, 1987, through June 30, 1988.

Sincerely,
Robert J. Ciolek,
Director.

Program Budgeting and Evaluation

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Deloitte, Haskins & Sells located at One Financial Center. Under the terms of the contract, the contractor will assist the director of the Office of Budget and Program Evaluation in the design, implementation and subsequent critique of a program budgeting and evaluation process and will assist in the development and production of the City of Boston's operating budget. The Office of Budget and Program Evaluation will exercise the renewal option which was incorporated into the contract for Fiscal Year 1987.

Over twenty-five firms were solicited through request for proposal issued by the Office of Budget and Program Evaluation in September, 1986. Of the eight responding firms, Deloitte, Haskins & Sells was chosen after an extensive analysis of OBPE administrative staff. Criteria for selection included the quality of the consultant's experience and expertise, the educational and professional credentials of the project staff, and the degree of depth of understanding expressed by Deloitte, Haskins & Sells in responding to the scope of services detailed in the RFP.

Compensation under the terms of this contract shall not exceed \$150,000, a cost which has been deemed reasonable. Services will be performed on a task order basis at \$90 per hour for professional services and \$26 per hour for report production services. Payment for these services will be made from appropriation code 011-140-0141-0290 by the Office of Budget and Program Evaluation. The period of performance will be from July 6, 1987, through June 30, 1987.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals submitted for consideration, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s.

Sincerely,
Robert J. Ciolek,
Director.

Graphic Design Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising in the award of a contract to Elizabeth A. Taylor of Brighton. Under the terms of the contract, the contractor will provide graphic design services including paste-up, typesetting, and layout design for the Office of Budget and Program Evaluation. Additionally, MS T will arrange typesetting and reprographic services as required.

During Fiscal Year 1987, Ms. Taylor provided quality graphic design services to the Office of Budget and Program Evaluation.

Compensation for these services will be made

rate of \$15 per hour and shall not exceed \$500. Payment for these services will be made in appropriation code 011-140-0141-0290-BP02 for the period of performance will be from July 1, 1987, through June 30, 1988. Due to the professional nature of the services to be performed and the skill demonstrated by Ms. Perrault, I believe that no purpose would be served by public advertising.

Sincerely,
Robert J. Ciolek,
Director.

Econometric Forecast

Dear Mayor Flynn:
I respectfully request your Honor's permission to dispense with public advertising in the award of a contract to Mark S. Perrault of Andover. Under the terms of the contract, the contractor will assist the Office of Budget and Program Evaluation in the development of a long-term econometric forecast of City of Boston's revenues and expenditures will serve as an advisor to the Revenue Monitoring and Analysis Unit on all state aid issues. Mr. Perrault has served on a contractual basis for past several months and has demonstrated a high degree of skill and expertise in the performance of his duties. He previously served as executive director of the Massachusetts State Legislature's Commission on Local Aid. Compensation under the terms of this contract will be made at the rate of \$20 per hour and shall not exceed \$38,000. Payment for these services will be made from appropriation code 011-140-0141-0290-BP03 by the Office of Budget and Program Evaluation. The period of performance will be from July 1, 1987, through June 30, 1988. In view of the contractor's past performance and professional nature of the services to be rendered, I believe that no purpose would be served by public advertising.

Sincerely,
Robert J. Ciolek,
Director.

COMMUNITY SCHOOLS

Aquatics Program Director

Dear Mayor:
I respectfully request your permission to dispense with inviting proposals by advertising and to award a contract to Mr. Paul Shuman, 172 Marine Drive, South Boston, for services to be rendered as Director of the Aquatics Program for the pool operation of the Boston Community Schools and Recreation Centers. Mr. Shuman will work a total of 1,450 hours at \$12 per hour, which is a reasonable professional rate for the services he will render. The sum to be paid will not exceed \$17,400 for the period from July 1, 1987, to June 30, 1988. Under the terms of the contract, Mr. Shuman will direct all aquatics operations including maintenance for the Boston Community Schools and Recreation Centers pools. Further, he will train pool personnel and provide written recommendations and consultations for pool operation. Mr. Shuman has excellent credentials in aquatics including a BA in Physical Education and for the past fifteen years he has served in various capacities in aquatics programs. As you know, we expanded our pool program to two weeks. We will be opening two additional pools this year, Paris Street and Healy. These additions will bring the number of pools we operate to fifteen. In order to be successful with this program, we must have high standards and regulations, i.e. safety practices, sanitary rules and

emergency procedures, immediately. Mr. Shuman's services are available to us now, no useful purpose would be served by advertising for bids. I therefore, respectfully request that your permission be forthcoming to enter into this contract.

Respectfully yours,
Lawrence Dyer,
Executive Director.

Assistant Director of Programs

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising and to award a contract to Mr. John Gately, of Jamaica Plain, for services to be rendered as assistant director of programs for special needs children and adults at various playfields and indoor recreation facilities. Mr. Gately will work a total of 1,100 hours at \$15 per hour, which is a reasonable professional rate for the services he will render. The sum to be paid will not exceed \$16,500, for the period of July 1, 1987, to June 30, 1988.

Under the terms of the contract, Mr. Gately will direct all transportation, site supervision and participant evaluation for the special needs program. Over the course of this contract we expect that our total number of special needs participants will exceed 600 persons.

Mr. Gately has directed our special needs program for the past eight years. During that time he has operated the program in an efficient and cost-effective manner while increasing the quality of service. We consider him to be a dedicated professional and feel his services are necessary for the continued success of the program.

It is my opinion that no useful purpose would be served by advertising for bids in this case. I, therefore, respectfully request that your permission be forthcoming to enter into this contract.

Respectfully yours,
Lawrence Dwyer,
Executive Director.

Administrative Support Services

Dear Mayor:

Pursuant to the vote of the Public Facilities Commission, I hereby request your Honor's permission to dispense with public advertising and to award the Quincy School Community Council, Inc., 885 Washington Street, a contract for financial management and administrative support services for the Boston Community Schools Program for the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$250,000, an amount I determine to be reasonable.

Under the terms of the contract, the Quincy School Community Council, Inc., will furnish personnel, supplies, materials, equipment and administration necessary to operate the Community Schools Alternative Education Initiative. This program includes City Roots Alternative Education, Occupational Literacy and the Back to School Programs at the Blackstone, Charlestown, Condon, East Boston, Hyde Park, Jackson/Mann, Jamaica Plain, Lee, Madison Park, Roslindale and Tobin Community Schools and satellite sites including Orchard Park and the Uphams Corner Municipal Building.

The Quincy School Community Council, Inc. has performed financial management and administrative support services for the Boston Community Schools Program since 1984. In view of the efficiency and expertise of the Quincy School Community Council, Inc., in financial management and

administrative support matters, public advertising would serve no useful purpose.

Sincerely,
Lawrence A. Dwyer,
Executive Director.

Supervisor of Programs

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with inviting proposals by advertising and to award a contract to Mr. Thomas J. Younis, Roslindale, for services to be rendered as supervisor of programs for special needs children and adults at various playfields and indoor recreation facilities. Mr. Younis will work a total of 1,100 hours at \$15 per hour, which is a reasonable professional rate for the services he will render. The sum to be paid will not exceed \$16,500 for the period of July 1, 1987, to June 30, 1988.

Under the terms of the contract, Mr. Younis will perform services of on-site supervision, program planning and evaluation and on-site coordination of outside agency activities with the special needs program.

Mr. Younis has an exceptional background of both experience and education in therapeutic recreation. He has been engaged in this program's activities over the past seven years and has proven himself to be a dedicated and tireless worker. It is our opinion that it is due to his efforts, as well as other program staff, that our special needs program has gained a national reputation for excellence.

It is my opinion that no useful purpose would be served by advertising for bids in this case. I, therefore, respectfully request that your permission be forthcoming to enter into this contract.

Respectfully yours,
Lawrence Dwyer,
Executive Director.

Director of Programs

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising and to award a contract to Mr. Edmund Nazzaro, 89 Endicott Street, for services to be rendered as the director of programs for special needs children and adults at various playfields and indoor recreation facilities. Mr. Nazzaro will work a total of 1,100 hours at \$16 per hour, which is a reasonable professional rate for the services he will render. The sum to be paid will not exceed \$17,600, for the period of July 1, 1987, to June 30, 1988.

Under the terms of the contract, Mr. Nazzaro will direct all special programming (e.g. special olympics; field trips; camping; indoor recreation, etc.) for the special needs population served by this department. Further, he will coordinate all cross jurisdictional events that this department co-sponsors for special needs persons.

Mr. Nazzaro has excellent credentials in therapeutic recreation. For the past twelve years, he has served in various capacities in the special needs program. It is due to his effort, as well as other Camp Joy staff, that the program enjoys an excellent national reputation. Mr. Nazzaro has also used his expertise to obtain additional grant monies for the program, which has enabled this department to expand services.

We consider Mr. Nazzaro's services an integral part of the program and feel that no useful purpose would be served by advertising for bids. I, therefore, respectfully request that your permission be forthcoming to enter into this contract.

Respectfully yours,
Lawrence Dwyer,
Executive Director.

Financial and Administrative Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission, I hereby request your Honor's permission to dispense with public advertising and to award the Quincy School Community Council, Inc., 885 Washington Street, a contract for financial management and administrative support services for the Boston Community Schools Program for the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$800,000, an amount I determine to be reasonable.

Under the terms of the contract, the Quincy School Community Council, Inc., will furnish personnel, supplies, materials, equipment and administration necessary to operate the Community Schools Program at the Blackstone, Charlestown, Cleveland/Marshall, Condon, East Boston, Hennigan, Holland, Jackson/Mann, Jamaica Plain High, Kent, Lee, Madison Park, Mattahunt, Ohrenberger, Tynan and Hyde Park Community Schools.

The Quincy School Community Council, Inc. has performed financial management and administrative support services for the Boston Community Schools Program since 1984. In view of the efficiency and expertise of the Quincy School Community Council, Inc., in financial management and administrative support matters, public advertising would serve no useful purpose.

Sincerely,

Lawrence A. Dwyer,
Executive Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission, I hereby request your Honor's permission to dispense with public advertising and to award the Boys and Girls Clubs of Boston a contract for financial management services for the Boston Neighborhood Basketball League for the period July 1, 1987, to September 15, 1987, at a cost not to exceed \$100,000, an amount I determine to be reasonable.

Under the terms of the proposed contract, the Boys and Girls Clubs of Boston will provide financial management services with respect to payroll, supplies and equipment for all personnel in the Boston Neighborhood Basketball League. In doing so, they will maintain all books, records, accounts and other financial data necessary for the program.

The Boys and Girls Clubs of Boston provided this service to the City of Boston during the summers of 1984 through 1986. In view of the extensive knowledge the Boys and Girls Clubs of Boston have concerning the Boston Neighborhood Basketball League, and the efficiency and expertise with which they managed it in the past, I believe that public advertising would serve no useful purpose.

Respectfully yours,

Lawrence Dwyer,
Executive Director.

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission, I hereby request your Honor's permission to dispense with public advertising and to award the Boys and Girls Clubs of Boston a contract for financial management services for the Boston Community Schools Summer Pool Program for the period July 1, 1987, to September 15, 1987, at a cost not to exceed \$135,000, an amount I determine to be reasonable.

Under the terms of the proposed contract, the Boys and Girls Clubs of Boston will provide financial management services with respect to payroll, supplies and equipment for all personnel in the Summer Pool Program. In doing so, they will maintain all books, records, accounts, and other financial data necessary for the program.

The Boys and Girls Clubs of Boston provided this service to the Community Schools Program during the summers of 1984 through 1986. In view of extensive knowledge the Boys and Girls Clubs of Boston have concerning the Boston Community Schools Summer Pool Program, and the efficiency and expertise with which they managed it, I believe that public advertising would serve no useful purpose.

Respectfully yours,
Lawrence Dwyer,
Executive Director.

ENVIRONMENT DEPARTMENT

Adopt-a-Statue Program

Dear Mayor Flynn:

I respectfully request your permission to award the Friends of the Public Garden and Common, a nonprofit corporation, a contract to provide administrative services related to the Adopt-a-Statue Program to the Environment Department.

Under the terms of the contract, the Friends of the Public Garden and Common will provide the department with the professional services of a program coordinator for the planning, preparation and implementation of the Adopt-a-Statue program. The coordinator will be reimbursed at a rate of \$15 per hour.

Compensation for this contract shall not exceed \$5,000 by the Environment Department, which I consider reasonable for this work. The Friends of the Public Garden and Common will be reimbursed \$5,000 for the period beginning August 17, 1987, and ending October 23, 1987.

Based upon our recent experience with the Friends of the Public Garden and Common in regard to the Adopt-a-Statue Program and our need for expertise in the area of program management, fundraising and statue conservation and maintenance it is my determination that we will obtain the best service through the Friends of the Public Garden and Common for this amount of money. Due to the specialized nature of the services to be provided, and the proven capability and expertise of the Friends of the Public Garden and Common in regard to the management of this program, I believe no useful purpose would be served by public advertising.

In the past three fiscal years the Friends of the Public Garden and Common have received the following dollar amounts in contract awards from this department: FY '85 0, FY '86 \$2,500, FY '87 \$5,000.

Sincerely,

Lorraine M. Downey,
Director.

Personnel Services

Dear Mayor Flynn:

I respectfully request your permission to award a contract to Northeastern University, Coop-Education/Work Study Program, Boston, in the amount of \$4,500. Under the terms of this contract Northeastern will provide both full- and part-time personnel services to the Environment Department through its Coop-Education/Work Study Program.

Student employed under this program will work in the Environment Department providing staff support services during the period beginning July 1, 1987, and ending June 30, 1988. We plan to employ three to four students during the course of FY '88 at an average of \$5.61 per hour in the Environment Department. The cost to the departments will be approximately 38 percent of the total wages earned by the students.

Due to the specialized nature of the services to be provided, as well as the cost saving nature of the contract, it is felt that no public good would be

served by advertising. It is our determination based upon past experience, that Northeastern University will provide the best service for the amount of money. In the past three fiscal years Northeastern University has received contract service orders from the Environment Department totaling \$4,500 FY '87; \$4,000 FY '86; and \$4, FY '85, respectively.

This contract is being processed at this late date due to a delay in the return of the contract form Northeastern.

Thank you in advance for your approval of request.

Respectfully yours,
L. M. Downey,
Director.

FINANCE COMMISSION

Leasing Certain Premises

Dear Mayor Flynn:

We hereby respectfully request your permission to dispense with public advertising and to enter a lease with the Old South Church in Boston, Leggat, McCall Management Company, Inc., at Ten Post Office Square. The lease is for approximately 915 square feet of office space on the 8th floor (room 817) of 294 Washington Street in the amount of \$17,385 per year, at \$1,448.75 month. Also included in this request, is an estimated amount of \$1,615 to cover estimated real estate tax escalation charges and operating expense escalation charges. The annual amount is not to exceed \$19,000 with the second year being subject to appropriation. The period of the lease will be July 1, 1987, to June 30, 1989. The initial encumbrance under this contract request will be \$17,385.

The Finance Commission has leased this space since July 1, 1984. It has met our needs in an economical manner. The building is well-maintained and in close proximity to City Hall. The combination of office space and lease amount is unique in the area of downtown Boston.

In the last three fiscal years the Finance Commission has paid, under a previous lease, the following amounts to Old South Church in Boston: 1985 — \$16,486.48; 1986 — \$15,892.37; 1987 — \$18,579.45.

The cost of renting office space in downtown Boston is high. There are two other city departments, Assessing and Parks and Recreation, renting space at 294 Washington Street. The Finance Commission is of the opinion that this lease is the most reasonable one we could find in this general area. Public advertising for office space would serve no useful purpose.

Very truly yours,
John L. Tobin,
Chairman.

FIRE DEPARTMENT Consultant Services

Dear Mr. Mayor:

I respectfully request your approval to dispense with public advertising in the award of a contract to retired Fire Lieutenant Harold M. Magee, Jr., as a consultant.

The purpose of this contract is that Harold Magee will be hired on a per-day basis (maximum twenty hours per week) as a consultant. He has provided the following emergency planning consultant services in the past to the Boston Fire Department and it is in the best interest of public safety that these services be continued.

Fire Lieutenant Magee has completed a fire fighter's grid book and street guide with fire box location's covering all districts separately and a master grid book of the entire City of Boston.

sultant, he shall continue to place his current
a and research information on our computer and
re his highly specialized information which pro-
poses invaluable assistance to the Boston Fire De-
partment.

He will work under the Fire Commissioner's or-
ders and Fire Department officers to input informa-
tion on hydrant locations in a form compatible with
computer.

Inclusion of this additional information, which is
computer compatible, will facilitate the develop-
ment of a continually updated operations manual
which is essential to the Boston Fire Department's
training and emergency operations. It will also en-
sure response time for apparatus and its mem-
bers, knowing the exact locations of hydrants
and standpipes.

Harold Magee will also be working with State
Defense planners who are preparing Boston's
Comprehensive Emergency Management Plan.
This includes identifying hazardous material indus-
tries and locating them on grid maps. This info will
be computer compatible.

The term of the contract shall be from July 1,
1987, through June 30, 1988. Compensation under
terms of the contract shall not exceed \$10,000,
or a rate of \$16.58 per hour, which I have deter-
mined to be reasonable for the work performed.

Because of the unique and professional nature
of services to be performed and information to
be supplied by this consultant, I believe that public
advertising would serve no useful purpose.

Respectfully,

Leo D. Stapleton,
Commissioner/Chief.

Emergency Repairs

Sir:
I respectfully request your Honor's permission to
award a contract to Bay State Auto Spring Mfg. Co., 83 Hamp-
den Street, the task of performing certain emer-
gency repairs to spare Rescues, 301. On July 1,
1987, these emergency repairs were necessary in
interest of public safety, given that this piece is
essential to the fire fighting operations of the De-
partment.

Bay State Auto Mfg. Co., performed the following
work on spare Rescues, 301: 1. replace front springs
and bushings; 2. complete brake job.

The cost of the work described above is
\$56.99, which will be paid pursuant to the city's
existing contract with this firm, Contract 1576-88 for
preventive services for the fiscal year 1988. This
contract requires the Mayor's approval for any sin-
gle repair of \$2,000 or more.

This request is being submitted late after the
work has been completed because the parts
needed for the Rescues were not immediately avail-
able and a firm estimate was not established.

In my opinion the contractor is qualified to do the
work herein described, inasmuch as Bay State
Auto Mfg. Co., thoroughly familiar with all types of
equipment on said equipment. This price quoted for the
work is reasonable and it does not appear that any
lower price could be obtained by publicly advertis-
ing bids and I believe that public advertising
would serve no useful purpose.

Very truly yours,

Leo D. Stapleton,
Fire Commissioner.

Drydocking and Repairs

Mr. Mayor:
I respectfully request your permission to dis-
pose with public advertising and award a contract
for 7, 290 Northern Avenue, for the drydock-
ing and repairs of marine vessel "Firefighter."

Under the terms of the contract, Pier 7 will make
all the necessary repairs to marine vessel "Firefigh-
ter" caused by an accident in the performance of
their duty. Attached is a list of all the necessary re-
pairs. Pier 7 is uniquely qualified to do this work be-
cause of past performances, reputation in the
marine vessel industry, and a reasonable cost.

Attached are written quotes from two other com-
panies.

Compensation under this contract shall not ex-
ceed \$38,952.

The term of this contract shall be July 27, 1987, to
September 30, 1987.

Because of the professional nature of the serv-
ices to be performed and of the emergency nature, I
believe that public advertising would serve no
useful purpose.

Respectfully,

Leo D. Stapleton,
Commissioner/Chief.

HUMAN RIGHTS COMMISSION

Investigative Services

Dear Mr. Mayor:

I respectfully request your permission to dis-
pose with public advertising and to award a con-
tract to Gregory Rosenberg, an individual, located
at Jamaica Plain, for investigative services to be
provided to the Boston Human Rights Commission.

Under the terms of the contract, Gregory Rosen-
berg will interview clients and witnesses, draft docu-
ments, design investigative plans and research
cases at an hourly rate of \$13.19. Mr. Rosenberg is
uniquely qualified to do this work because of his ex-
tensive civil rights background and work experi-
ence with the commission. He has been providing
personal contractual services to the Boston Human
Rights Commission for six months. During that
time, he has attended numerous conferences and
training sessions such as the Suffolk County Civil
Rights Conference and EEOC training. His partici-
pation in such conferences and training has com-
plemented his on-the-job training. As a result, Mr.
Rosenberg is now a very skilled and efficient inves-
tigator. It would be extremely difficult and disruptive
to replace him with an untrained investigator.

Compensation under this contract shall not ex-
ceed \$6,225 which I have determined to be reason-
able for the work to be performed.

The term of this contract shall be July 1, 1987 to
September 30, 1987.

Because of the professional nature of the serv-
ices to be performed, I believe that public advertis-
ing would serve no useful purpose.

Very truly yours,

Marissa Landrau-Pirazzini,
Interim Director.

JOBS AND COMMUNITY SERVICES

Services to the Elderly

Dear Mayor Flynn:

I respectfully request your Honor's permission to
award a contract to the Labour Center, a nonprofit
corporation, located at South Boston, for the pur-
pose of providing services to the elderly.

Under the terms of the contract, the contractor
will offer a variety of services to approximately 450
elderly residents of the South Boston community.
The contractor was selected based upon an evalua-
tion of its refunding proposal submitted to the May-
or's Office of Jobs and Community Services. Other
selection criteria include the results of site monitor-
ing visits conducted by JCS staff, an overall review
of the contractor's performance during the prior
contract period, administrative capability, reason-
ableness of cost, and the ability to serve the tar-
geted population.

Compensation under the terms of this contract
shall not exceed \$44,812, payment being made
from the Community Development Block Grant pro-
gram. The period of performance shall be from July
1, 1987, until June 30, 1988. The initial encum-
brance shall be \$42,812.

As this is a negotiated contract at a reasonable
cost, based upon an extensive program and pro-
posal review, I believe that public advertising would
serve no useful purpose. I, therefore, request per-
mission to dispense with inviting sealed bids by ad-
vertising in the *City Record*, pursuant to authority
granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to
award a contract to the Veronica Smith Multi-Serv-
ice Center, a nonprofit corporation, located at 20
Chestnut Hill Avenue, for the purpose of providing
services to the elderly.

Under the terms of the contract, the contractor
will offer a variety of services to approximately
2,000 elderly residents of the Allston/Brighton
neighborhood. The contractor was selected based
upon an evaluation of its refunding proposal sub-
mitted to the Mayor's Office of Jobs and Community
Services. Other selection criteria include the
results of site monitoring visits conducted by JCS
staff, an overall review of the contractor's perfor-
mance during the prior contract period, adminis-
trative capability, reasonableness of cost, and the
ability to serve the targeted population.

Compensation under the terms of this contract
shall not exceed \$39,000, payment being made
from the Community Development Block Grant pro-
gram. The period of performance shall be from July
1, 1987, until June 30, 1988. The initial encum-
brance shall be \$37,000.

As this is a negotiated contract at a reasonable
cost, based upon an extensive program and pro-
posal review, I believe that public advertising would
serve no useful purpose. I, therefore, request per-
mission to dispense with inviting sealed bids by ad-
vertising in the *City Record*, pursuant to authority
granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to
award a contract to the Boston Evening Medical
Center, a nonprofit corporation, located at 314
Commonwealth Avenue, for the purpose of provid-
ing services to the elderly.

Under the terms of the contract, the contractor
will provide transportation, educational, and recre-
ational services to low to moderate income elderly
residents of Back Bay. The contractor was selected
based upon an evaluation of its refunding proposal
submitted to the Mayor's Office of Jobs and Com-
munity Services. Other selection criteria include
the results of site monitoring visits conducted by
JCS staff, an overall review of the contractor's per-
formance during the prior contract period, adminis-
trative capability, reasonableness of cost, and the
ability to serve the targeted population.

Compensation under the terms of this contract
shall not exceed \$16,400, payment being made
from the Community Development Block Grant pro-
gram. The period of performance shall be from July
1, 1987, until June 30, 1988. The initial encum-
brance shall be \$14,400.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the La Alianza Hispana, a nonprofit corporation, located at 409 Dudley Street, for the purpose of providing services to the elderly.

Under the terms of the contract, the contractor will operate a multi-service center for approximately 200 Hispanic senior citizens. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$36,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$34,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Family Service Association, a nonprofit corporation, located at 34-1/2 Beacon Street, for the purpose of providing services to the elderly.

Under the terms of the contract, the contractor will operate a multi-service center for elderly residents of the Fenway neighborhood. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$22,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$20,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority

granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Council of Elders, a nonprofit corporation, located at 2055 Columbus Avenue, Roxbury, for the purpose of providing services to the elderly.

Under the terms of the contract, the contractor will provide educational, recreational, counseling, outreach, and special services to 4,000 elderly residents city-wide. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$70,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$68,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Youth Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the South Boston branch of the Boys' and Girls' Club of Boston, a nonprofit corporation, located at 230 West Sixth Street, for the purpose of providing youth services.

Under the terms of the contract, the contractor will operate the South Boston Summer Collaborative program, serving approximately 1,000 area youths with a variety of summer recreational activities. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$37,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$35,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Quincy School Community Council/Community Management Assistance Corporation, a nonprofit corporation, located at 885 Washington Street, for the purpose of providing professional financial management services in support of the Boston Community Schools program.

Under the terms of the contract, the contractor will act as fiscal agent for the Kent/Charlestown Community School Council as it operates an adult literacy program. This program will offer Adult Basic Education classes and an External Diploma Program to seventy program participants. Compensation under the terms of this contract shall not exceed \$70,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of the negotiations between CMAC and the Boston Community Schools program.

The contractor was selected to operate this program as it has been providing the same services for the past four years to this and other Community School programs. The overall performance of the contractor has been excellent and the cost is reasonable for the services being provided. In addition, the contractor operates similar programs on its own.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the International Institute of Boston, a nonprofit corporation, located at 287 Commonwealth Avenue, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will offer individual and group counseling to approximately 80 refugees and newly arrived immigrants. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$29,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$27,000.

As this is a negotiated contract at a reasonable

cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the South Boston Neighborhood House, a nonprofit corporation, located at 521 East Seventh Street, South Boston, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will offer tutoring, exam preparation, college and career counseling services to the area youth. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$24,500, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$22,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Quincy School Community Council, Inc., a nonprofit corporation, located at 885 Washington Street, for the provision of support services to Asian adult newcomers. Under the terms of the contract, the contractor will provide English as a Second Language instruction, childcare, parent education and counseling services to the participants.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$40,000, payment being provided by the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by pub-

lic advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Pruning and Trimming Trees at
Malcolm "X" Park and Horatio Harris Park,
Roxbury, Mass.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Pruning and Trimming Trees at Malcolm "X" Park and Horatio Harris Park, Roxbury, Mass.

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to prune and trim trees at Malcolm "X" Park and Horatio Harris Park, Roxbury, and to properly transport and legally dispose. Estimated Cost, \$30,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 29, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Tuesday, October 13, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, October 20, 1987, at 10 a.m., Boston time.

NOTICE TO CONTRACTORS

**Invitation for Improvements at Malcolm "X"
Park and Horatio Harris Park, Roxbury,
Mass.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements at Malcolm "X" Park and Horatio Harris Park, Roxbury, Mass."

SCOPE OF WORK includes: Furnishing of all labor, materials, equipment and transportation to repair and maintenance of park benches, removal of deteriorated park structures and paving. Estimated Cost of construction, \$30,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Thursday, October 29, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Tuesday, October 13, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, October 20, 1987, at 10 a.m., Boston time.

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, OCTOBER 26, 1987

NO. 43

MAYOR ANNOUNCES BOSTON'S CAPITAL PLAN

Mayor Flynn has released Boston's Five-Year Capital Plan: "Rebuilding Boston."

Mayor Raymond L. Flynn, stating that "It is the blueprint we are using to make our city ready to support the growth and opportunities of the twenty-first century," released the third edition of Boston's Five-Year Capital Plan, "REBUILDING BOSTON," at a briefing attended by residents of Boston's neighborhoods.

"For twenty-five years, Boston's capital plant has deteriorated through a lack of investment in our future," said Mayor Flynn. "Today, we continue to turn around those years of neglect with our third, five-year plan to rebuild Boston."

"The seeds we planted three years ago are bearing fruit. We are pleased that much of this work has moved off the drawing boards and into our neighborhoods resulting in over 25 miles of reconstructed roads, reopened police stations, state-of-the-art fire fighting equipment, refurbished parks and playgrounds, and major repairs to over eighty schools across the city."

A Capital Plan for Fiscal Years 1988 - 1992, "Rebuilding Boston" contains a projected budget of \$920.5 million, representing an increase of \$120 million over last year (FY 87) for capital improvements to the city's schools, public safety departments, libraries, parks, buildings and infrastructure.

Over \$339 million of this year's capital budget is devoted to improvements of Boston's infrastructure. The reconstruction of 100 miles of roadway, 25 miles of sidewalks, rehabilitation of sixteen bridges, new street lighting installations, and improvements for seven neighborhood business districts are planned for the next five years. Additional funding is designated for improvements to four urban renewal areas.

Mary Nee, director of the Mayor's Office of Capital Planning, said this year's plan proposes a reinvestment effort which will begin replacement of city streets on a life-cycle schedule, as well as the rehabilitation of bridges, and upgrading of street lighting and traffic signal systems.

"Rebuilding Boston outlines Mayor Flynn's plan to coordinate the comprehensive process of restoring our

roadways and improving the design and construction of Boston's major arteries, said Director Nee.

The design and construction of new, in-patient facilities for Boston City Hospital, as well as renovations to Long Island and Mattapan Chronic Disease Hospitals, are also outlined in this year's plan. In addition, eighty-two schools and educational facilities throughout the city will be renovated.

All branch libraries will be improved under the capital plan, including installation of security systems. The construction of West Roxbury branch library's addition and the McKim Central Library restoration are also outlined.

The construction of new police stations for Mattapan, South Boston, and Jamaica Plain, the design and installation of Enhanced 9-1-1 and Computer-Aided Dispatch Systems represent part of the \$56 million invested in publicly safety improvements for Boston. The Fire Department will receive \$7.5 million in new equipment, part of the Flynn Administration's continuing commitment to provide the department with

state-of-the-art, front-line, fire-fighting apparatus.

Rebuilding Boston contains a progress report of completed capital improvements and the status of repairs and renovations under construction.

EIGHTY-SIX RECRUITS TO POLICE ACADEMY CLASS 20-87.

Boston Police Commissioner Francis M. Roache swore in eighty-six recruit Boston Police officers at a 2 p.m. ceremony at St. Gregory's Parish Hall. The class of eighty-six is part of the city's continuing commitment to rebuild the patrol force to its full strength. Presently there are 1,915 sworn members of the Boston Police Department. With the graduation of Recruit Class 19-87 in December of this year, and the anticipated graduation of Recruit Class 20-87 in March of 1988, the patrol force will number approximately 2,000 sworn personnel.

Funds have been allocated in the current fiscal year to reach a manning level of 2,342. In order to attain this most important hiring goal, the Boston Police Department will seek the cooperation of the Department of Personnel Administration in securing an annual examination for the position of Police Officer.

In his comments to the new recruits, Police Commissioner Roache advised them that they have begun training for a career of public service: service based on humanitarianism, sensitivity, and caring for those in our community. With that in mind, these recruits will be held to higher standards. From their

swearing in onward, every action they take on behalf of the Boston Police Department must be for the good of society and based on the precepts of the law of the country, the values of our department, and concern for the dignity of each individual.

Additionally, in its continuing effort to insure that the patrol force of the Boston Police Department reflects the diverse ethnic origins of the citizens of Boston this Recruit Class consists of 41 percent minority candidates.

POLICE DEPARTMENT RUNNERS CLUB RACE

The Police Department Runners Club sponsored the Annual Boston Police Chase 10K Road Race to benefit the Sunshine Foundation.

On Saturday, October 10, 1987, the Boston Police Department sponsored their 6th Annual Boston Police Chase, a fast-certified 10K course traversing the Back Bay and South Boston. The proceeds from this 6.2 mile race will benefit the Sunshine Foundation, an organization whose sole purpose is to grant wishes of an exceptional nature to terminally ill children.

The race, which is open to all police officers and law enforcement personnel, began at 12 noon at the Park Plaza Hotel Castle.

The Herbert A. Holder Company, Boston's oldest union electrical contractor, has relocated to the Economic Development and Industrial Corporation's (EDIC) Marine Industrial Park (MIP) in South Boston.

Founded in 1892 by Herbert A. Holder, the company assembles and provides electrical cables, meters, and other instruments to

approximately thirty electrical contractors working on various Boston construction projects.

"The Boston building boom has revitalized local construction companies," said Mayor Raymond L. Flynn. "Contractors in related fields benefit from this success and are an important part of the city's economic stability and continued growth. It's vital to retain these companies and the jobs they provide Boston residents."

Holder Electric currently has twenty employees and expects to create several new jobs through this expansion. "Our company was expanding and we needed more space," explains General Manager Michael Grable. "Available space at an affordable price for our type of business is fast disappearing in Boston. The MIP was the best place we could find to move the business."

"We are very happy to welcome the Herbert A. Holder Company to the MIP," said EDIC Director Marilyn Swartz Lloyd. "EDIC is pleased to be a part of the continuing success of the company, both for the jobs it will provide and for its long history in Boston."

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

JOBS AND COMMUNITY SERVICES Counseling Services, etc.

Dear Mayor Flynn:
 I respectfully request your Honor's permission to award a contract to Oficina Hispana, a nonprofit corporation, located at 125 Amory Street, Roxbury, for the provision of skills training to Hispanic newcomers in the Jamaica Plain area. Under the terms of the contract, the participants will receive vocational, business skills and English as a Second Language instruction. In addition, counseling and job development services will be provided.

Dear Mayor Flynn:
 I respectfully request your Honor's permission to award a contract to Oficina Hispana, a nonprofit corporation, located at 125 Amory Street, Roxbury, for the provision of skills training to Hispanic newcomers in the Jamaica Plain area. Under the terms of the contract, the participants will receive vocational, business skills and English as a Second Language instruction. In addition, counseling and job development services will be provided.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$45,000, payment being provided by the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract negotiated for professional services at a reasonable cost, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
 Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Cape Verdean Community House, a nonprofit corporation, located at 339 Dudley Street, Roxbury, for the purpose of providing day camp and counseling services.

Under the terms of the contract, the contractor will operate a summer day camp program for forty children, and provide personal and family counseling to approximately 260 Cape Verdean adults. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$37,540, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$33,540.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
 Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Home S.P.A.C.E., Inc., a nonprofit corporation, located at 88 Tremont Street, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide comprehensive counseling and support services to approximately fifty incarcerated mothers and their children. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$42,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$40,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
 Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Veteran's Benefit Clearinghouse, Inc., a nonprofit corporation, located at 70 Warren Street, Roxbury, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide educational and career counseling to approximately 350 Vietnam-era and minority veterans. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$33,500, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$31,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
 Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to S.T.E.P., Inc., a nonprofit corporation, located at 427 Commercial Street, c/o USCG, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide alcohol and substance abuse counseling services to approximately 250 area residents. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$57,000, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$55,000.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
 Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to F.I.R.S.T., Inc., a nonprofit corporation, located at 34 Intervale Street, Dorchester, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will operate a substance abuse counseling program for individuals and their families, and provide education and career counseling services for area youth. The contractor was selected based upon an evaluation of its refunding proposal submitted to

the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$60,166, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$55,166.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to W.O.M.E.N., Inc., a nonprofit corporation, located at 224 Townsend Street, Dorchester, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide alcohol and substance abuse counseling for thirty low- to moderate-income women, targeting the Roxbury and North Dorchester neighborhoods. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$35,250, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$33,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Comprehensive School-Aged Parenting Program, a nonprofit corporation, located at 77 Avenue Louis Pasteur, for the purpose of providing counseling services.

Under the terms of the contract, the contractor will provide personal and family counseling to approximately ninety low- to moderate-income adolescents. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability,

reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$38,000, payment being made from the community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$36,000.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to federal procurement regulations, I believe that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Jamaica Plain Ecumenical Social Action Committee, Inc., a nonprofit corporation, located at 406 South Huntington Avenue. Under the terms of the contract, the contractor will provide competency-based, pre-General Equivalency Diploma and GED classes coupled with job readiness training and job placement services for approximately 48 City of Boston youths. In addition, counseling services will be provided to the participants.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$80,680, payment being made from funds received under the Job Training Partnership Act. The period of performance shall be from July 1, 1987, until June 30, 1988. The request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract for professional services at a reasonable cost, I believe that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Jobs for Youth, Inc., a nonprofit corporation, located at 312 Stuart Street. Under the terms of the contract, the contractor will provide alternative educational services leading to a high school diploma or a General Equivalency Diploma for approximately fifteen City of Boston high school dropouts. In addition, counseling, job development, and job placement services will be provided.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$28,971, payment being made from funds set aside for the Alternative Education Initiative. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Jobs for Youth, Inc., a nonprofit corporation, located at 312 Stuart Street. Under the terms of the contract, the contractor will provide pre-general Equivalency Diploma and GED alternative educational services leading to job referrals and job placements for approximately twenty high school dropouts. In addition, counseling services will be provided to the participants.

The Contract was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$30,000, payment being provided by the Job Training Partnership Act. The period of performance shall be from July 1, 1987, until June 30, 1988. The request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Sobriety Treatment Education, Inc., (STEP), a nonprofit corporation, located at the U.S. Coast Guard, 427 Commercial Street, for the purpose of providing outreach services to members of the Hispanic population who are experiencing alcohol and drug related problems. The contractor will provide education and counseling, prevention and treatment services to the participants.

The Contract was selected based upon an evaluation of its proposal submitted in response to a request of proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$30,000, payment being provided

y the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Jewish Vocational Services, Inc., a nonprofit corporation located at 31 New Chardon Street, to provide job search/cultural orientation services for approximately fifty Eastern European refugees in Boston. The contractor will conduct various workshops designed to address employment barriers facing the newcomers. In addition, job skills training, education and counseling services will be provided to enable the participants to obtain employment.

The Contract was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$35,000, payment being provided by the Executive Office of Communities Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Technical Support Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to John Bowen, an individual residing at 137 Marlborough Street, for the purpose of providing professional services to the Computer Services Unit of the Mayor's Office of Jobs and Community Services.

Under the terms of the contract, Mr. Bowen will continue to provide on-site technical support and advice to JCS's programming staff, related to the use of Basic-Plus-2 and Total in JCS's computerized client tracking systems. He was selected as the sole respondent to a public advertised request for proposals published to the *Boston Globe* on May 1, 1986, and is currently under contract with JCS.

He has designed many of JCS's computerized systems, and is highly experienced in supporting JCS's programming needs. This contract is for the continuation of his services for an additional year, and his hourly rate of \$50 per hour is the same as under his current contract with JCS. Mr. Bowen's rate is competitive among data processing consultants, particularly in view of his experience and specialized nature of his knowledge.

Compensation under the terms of this contract shall not exceed \$9,500, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to federal procurement regulations, I believe that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Marketech, located at Wellesley, for the purpose of providing professional support services to the Mayor's Office of Jobs and Community Services.

Under the terms of the contract, the contractor will provide a complete range of technical and support services for JCS office information systems, personal computers and printers. The contractor was selected as it has provided invaluable assistance to JCS in the past, the cost is reasonable, and the contractor's rates are the lowest among comparable firms.

Compensation under the terms of this contract shall not exceed \$5,000 payment being made from funds received under the Job Training Partnership Act. The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of time required to determine the administrative budget.

As this is a negotiated contract for professional services at a reasonable cost, I believe that public advertising would serve no useful or practical purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Day Care Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Crispus Attucks Children's Center, a nonprofit corporation, located at 105 Crawford Street, Dorchester, for the purpose of providing day care services.

Under the terms of the contract, the contractor will provide after-school day care services to approximately fifty low-to moderate-income children whose parents are single, working, or in school. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$29,700, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$25,700.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Franklin Field Task Force, a nonprofit corporation, located at 121 Ames Street, Dorchester, the purpose of providing day camp services.

Under the terms of the contract, the contractor will operate a summer day camp for approximately eighty children, targeting residents of the Franklin Field BHA development. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$8,500, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$6,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to N.I.C.E. Day Care Center, a nonprofit corporation, located at 3297 Washington Street, Jamaica Plain, for the purpose of day care services.

Under the terms of the contract, the contractor will provide day care services for approximately one hundred pre-school children. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$35,500, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$31,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to S.M.I.L.E. Day Care, a nonprofit corporation, located at 55 Dimock Street, Roxbury, for the purpose of providing day care services.

Under the terms of the contract, the contractor will provide day care services to approximately sixty-five low-to moderate-income children targeting the Franklin Field, Mattapan, and Roxbury neighborhoods. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$26,500, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$22,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Federated Dorchester Neighborhood Houses, a nonprofit corporation, located at 985 Dorchester Avenue, Dorchester, for the purpose of providing day care services.

Under the terms of the contract, the contractor will provide after-school day care for approximately twenty low-to moderate-income youth, ages 6 to 15. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$36,500, payment being made from the Community Development Block Grant program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$32,500.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by ad-

vertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Escuelita Agueybana, a nonprofit corporation, located at 100 West Dedham Street, Boston, Massachusetts, 02118, for the purpose of providing day care services.

Under the terms of the contract, the contractor will operate two (2) day care centers serving approximately one hundred and forty (140) children in the Dorchester and South End neighborhoods. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services (JCS). Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$70,800, payment being made from the Community Development Block Grant (CDBG) program. The period of performance shall be from July 1, 1987, until June 30, 1988. The initial encumbrance shall be \$62,800.

As this is a negotiated contract for professional services at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Roxbury Comprehensive Community Health Center, Inc., a nonprofit corporation, located at 435 Warren Street, Roxbury. Under the terms of the contract, the contractor will develop and implement a program of community education and health care promotion for Hispanic, Haitian and Cape Verdean newcomers in the Roxbury/North Dorchester area. The goal of the program is to inform the newcomers about available health care resources within the community; highlighting multilingual health care providers and emphasize the importance of preventive health and health maintenance.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the

ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$35,000, payment being provided by the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

LAW DEPARTMENT Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to William A. Brown, P.C. of the law firm of Brown and Prince, located at 88 Broad Street, Boston.

Under the terms of the contract, Mr. Brown will provide legal services and representation to the City of Boston in the cases of *Lavoie v. City of Boston*, No. 45242 (Suffolk Superior Court), and *Munroe v. City of Boston*, No. 51334 (Suffolk Superior Court). Mr. Brown is highly qualified to provide these services.

Compensation under this contract shall not exceed \$10,000. Payments will be made at the rate of \$100 per hour for Mr. Brown's time. I have determined these rates to be reasonable.

The term of this contract shall be July 7, 1987, through June 30, 1988.

Because of the professional nature of the services to be provided, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to James A. Brett, a partner with the law firm of Reed, O'Reilly and Brett, located at 101 Tremont Street, for legal representation of the Inspectional Services Department.

Under the terms of the contract, Attorney Brett will represent Commissioner Sommers and the Department of Inspectional Services in the case of *Butterfield v. City of Boston*, Land Court No. 118673, in which the plaintiff seeks a judicial interpretation of section 16-7 of the Boston Zoning Code. Attorney Brett is uniquely qualified to do this work because of his expertise in this area of the law.

Compensation under this contract shall not exceed \$3,000 at the rate of \$125 per hour, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be July 1, 1987, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Joseph D. Burke, an attorney with offices located at 88 Broad Street, Boston.

Under the terms of the contract, Mr. Burke will provide legal services and representation to Police Officer James Fong in the case of *Colstad v. Byrne*, Federal Civil Action No. 84-3979. The City of Boston Law Department cannot provide such services because of possible conflict of interest. Mr. Burke is uniquely qualified to provide these services because of his expertise and experience in this area.

Compensation under this contract shall not exceed \$10,000. Payment will be made at the rate of not more than \$100 per hour for Mr. Burke's time. I have determined these rates to be reasonable. The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional and ongoing nature of the services to be provided, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Robert F. Muse, an attorney with offices located at 44 Bromfield Street.

Under the terms of the contract, Mr. Muse will provide legal services and representation to Police Officers Robert Buccafusca and Thomas Montgomery in the case of *Eloise N. Pate v. John Crowley, et al.*, C.A. No. 67186. The City of Boston Law Department cannot provide such services because of possible conflict of interest. Mr. Muse is uniquely qualified to provide these services because of his expertise and experience in this area. In addition, Mr. Muse represented officers Buccafusca and Montgomery in the last fiscal year and this new contract will allow him to continue.

Compensation under this contract shall not exceed \$20,000. Payments will be made at the rate of not more than \$100 per hour for Mr. Muse's time and not more than \$75 per hour for his associate Christopher J. Muse and Ronald Kovner. I have determined these rates to be reasonable.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional and ongoing nature of the services to be provided, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Robert Y. Murray, Esquire, One Washington Mall, Boston, MA 02108, for representing Kevin White, one of the defendants in the case of *Rich J. Sinnott v. State-Boston Retirement Board, et al.*, Suffolk Superior Court, Civil Action No. 54952.

Under the terms of the contract, Mr. Murray represents Kevin H. White in all pretrial and trial matters including Motions to Dismiss, Motion for Summary Judgment, discovery, trial preparation, trial. Mr. Murray is uniquely qualified to provide these services because of his expertise and experience in this field.

Compensation under this contract shall not exceed \$12,000 to be paid at a rate of \$100 per hour which I have determined to be reasonable for the work to be performed.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to John M. Moscardelli, Esquire, located at 2
erty Square.

Under the terms of the contract, Mr. Moscardelli
provide legal services and represent the de-
dant Thomas Richardson in the case of *in the*
es of Alexander Valentin v. Thomas Richardson,
et al., Civil Action No. 83-2753-N. Mr. Moscardelli is
quely qualified to provide these services be-
cause of his expertise and experience in this area.
Compensation under this contract shall not ex-
ceed \$10,000. Payment will be made at the rate of
\$100 per hour for Mr. Moscardelli's time and \$100
per hour for his colleague, Harvey Peters, a rate
which I have determined to be reasonable.

The term of this contract shall be July 1, 1987,
through June 30, 1988.

Because of the professional nature of the serv-
ices to be performed, I believe that public advertis-
ing would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to Merrick & Louison, a law firm located at 88
ad Street, Boston.

Under the terms of the contract, Nancy Merrick
and Douglas Louison will provide legal services
which include as necessary all pretrial discovery,
motions and trials of the following cases:

Alva Cintron v. Vincent Adduci, et al., U. S. Dist-
ict Court, No. 83-4187-WF;
Allen Curry v. Thomas Hammond, et al., Suffolk
Superior Court, No. 59905;
Long Guang Huang v. Francis Kelly, U. S. District
Court, No. 87-0110-WF;
Michael Kidd v. City of Boston, et al., U. S. District
Court, No. 86-2256-C;
Edmund Narine, et al., v. *John Powers*, Supreme
Judicial Court, No. 4401, Middlesex Superior
Court, No. 77-1457;
Richard Partello v. Ralph Henry and City of Boston,
S. District Court, No. 86-1880-MC;
Kevin Purvis, v. Dennis Kearney, Suffolk Superior
Court, No. 57617, U. S. District Court, No. 84-0984-
1.

Nancy Merrick and Douglas Louison are
quely qualified to do this work because they are
their assistant corporation counsels specializing
the defense of civil rights actions, and because
they have been actively involved in handling each
these cases while assistant corporation counsels
in the Law Department. They have recently left
the Law Department to begin their own practice. Al-
though most of the cases that had been assigned to
them were reassigned to other attorneys in the Law
Department, it is necessary for Ms. Merrick and Mr.
Louison to continue their representation in the
five pending cases because of the complex legal
issues involved. Further, the continuity of counsel is
essential to the successful defense of all these mat-

Compensation under this contract shall not ex-
ceed \$100,000 at a rate of \$70 per hour. Ms. Merrick
and Mr. Louison's rates have been determined
based upon the equivalent hourly rate they were
earning with the Law Department, plus reasonable
costs for overhead and expenses. These rates rep-
resent a substantial discount of rates Ms. Merrick
and Mr. Louison will charge other clients. I have de-
termined these rates to be reasonable for the work
to be performed.

The term of this contract shall be from July 1,
1987, to June 30, 1988.

Because of the professional nature of the serv-
ices to be performed, I believe that public advertis-
ing would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mayor Flynn:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to the law firm of Martin Magnuson, McCarthy,
and Kenney, with offices located at 73 Tremont
Street.

Under the terms of the contract, Martin, Magnu-
son, McCarthy and Kenney will provide representa-
tion to R. Harold Holbrook, M.D., in the case of
Netter, et al. v. Holbrook, et al., Suffolk Superior
Court, Civil Action No. 61178. Such arrangement is
necessary in order to address a conflict which has
arisen in the simultaneous representation of Dr.
Holbrook and a codefendant in this case. Martin,
Magnuson, McCarthy and Kenney is uniquely qual-
ified to provide these services because of their ex-
perience and expertise in the field of medical
malpractice defense.

The term of the contract will be from July 1, 1987,
to June 30, 1988. Compensation shall not exceed
\$20,000, to be billed at the rate of \$125 per hour for
the time of Charles P. Reidy, III, Esquire. I have de-
termined this rate to be reasonable.

In view of the professional services to be per-
formed, I believe that public advertising would
serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to Karen Logozzo, an individual located at 40
Berkeley Street.

Under the terms of this contract, Ms. Logozzo will
provide services to the Law Department which will
include assisting department attorneys in cases in-
volving motor vehicle collisions and defects in pub-
lic ways, concentrating on answering interroga-
tories and responding to other discovery requests.
She will also assist in the management of the de-
partment's computerized case tracking system and
the law library; monitor certain types of refund
claims initiated against the city; provide assistance
with tow and boot claims, and have an opportunity
to perform legal research and provide assistance in
trial preparation under attorney supervision. Ms.
Logozzo has an excellent working knowledge of the
legal concepts and research techniques and has
demonstrated the ability to successfully maintain,
simultaneously, several projects of varying degrees
of difficulty.

Compensation under this contract shall not ex-
ceed \$4,500. Payments shall be made at the rate of
\$8 per hour. I have determined this amount to be
reasonable.

The term of this contract shall be July 1, 1987,
through June 30, 1988.

Because of the professional nature of the serv-
ices to be performed, I believe that public advertis-
ing would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mayor Flynn:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to Albert L. Hutton, an attorney with offices
located at 6 Beacon Street.

Under the terms of the contract, Mr. Hutton will
provide legal services and representation to Police
Officer John Crowley in the case of *Eloise N. Pate v.*
John Crowley, et al., C.A. No. 67186. The City of
Boston Law Department cannot provide such serv-
ices because of possible conflict of interest. Mr.
Hutton is uniquely qualified to provide these serv-
ices because of his expertise and experience in this
area. In addition, Mr. Hutton represented Officer
Crowley in the last fiscal year and this new contract
will allow him to continue.

Compensation under this contract shall not ex-
ceed \$10,000. Payment will be made at the rate of
not more than \$100 per hour for Mr. Hutton's time
and not more than \$75 per hour for the time of his
associate Mr. William Madden. I have determined
these rates to be reasonable. The term of this con-
tract shall be July 1, 1987, through June 30, 1988.

Because of the professional and ongoing nature
of the services to be performed, I believe that public
advertising would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to Harrison & Maguire, P.C., 24 School Street.

Under the terms of the contract, Steven P.
Perlmutter of Harrison & Maguire, P.C., will provide
legal services to Walter Robinson, Jr., in the case of
Eloise N. Pate v. John Crowley, et al., C.A. No.
67186 (Suffolk Superior Court); Raymond L. Flynn,
in his capacity as Mayor of the City of Boston, and
the Public Facilities Commission of the City of Bos-
ton in the case of *Morgan, et al. v. Nucci, et al.*, C.A.
No. 72-911-G (United States District Court); and the
City of Boston, Joseph Jordan, Kevin H. White and
Richard W. Bourque, Jr., in the case of *Hart, Admx,*
v. Bourque, et al., No. 85-1629 (First Circuit Court of
Appeals). Mr. Perlmutter has provided legal serv-
ices in the *Pate, Morgan, and Hart* cases in the past
and it is in the best interest of the city and city em-
ployees who are defendants in these cases that he
continue as their legal counsel in these cases. Mr.
Perlmutter shall also provide consulting services
and supervisory assistant of the City of Boston Law
Department, including the representation of the
City of Boston in the redistricting case.

Mr. Perlmutter shall represent the City of Boston
in securing the recovery costs incurred in identifi-
fying, recovering and/or encapsulating asbestos or
other similar material in any and all buildings owned
by the City of Boston. In consideration of the serv-
ices rendered and to be rendered by Mr. Perlmutter
in relation to the asbestos matter, the city hereby
agrees to pay him in accordance with the Amended
Contingent Fee Contract annexed hereto. I have
determined this fee agreement to be reasonable.

Compensation under this contract shall not ex-
ceed \$149,000. It is understood that \$25,000 shall

be allocated to the *Pate* case; \$10,000 shall be allocated to the *Morgan* case; \$1,000 shall be allocated to the *Hart* case; and \$13,000 shall be allocated for consulting services and supervisory assistance to the City of Boston, and the representation of the City of Boston in the redistricting case.

It is also understood that the portion of this contract relating to the asbestos case, shall provide for the payment of expenses, in an amount not to exceed \$100,000 in accordance with the Amended Contingent Fee Agreement.

Payments will be made at the rate of \$115 per hour for Mr. Perlmutter's time. If Mr. Perlmutter determines that it is necessary for additional attorneys at Harrison & Maguire, P.C. to work on these cases, those attorneys shall be compensated at the following hourly rates within the same total amount of compensation: Alex H. MacDonald, \$100 per hour; Lawrence P. Heffernan, \$90 per hour; Clive Martin and David Wilson, \$75 per hour. Paralegal time shall be compensated at the rate of \$25 per hour. I have determined these rates to be reasonable.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to the law firm of Glass & Brand located at 114 State Street.

Under the terms of the contract, the law firm will provide legal services to the City of Boston and Joseph M. Jordan in the case of *Eloise N. Pate v. John Crowley, et al.*, C.A. No. 67186 (Suffolk Superior Court), Robert DiGrazia and Charles L. Byrne in the consolidated cases of *Colonial Tavern, et al.*, v. *DiGrazia, et al.*, C.A. No. 79-726-S and *Colonial Tavern v. Byrne, et al.*, C.A. No. 79-1000-S, and the City of Boston in the case of *Valentin v. Richardson, et al.*, C.A. No. 83-2753-W. Robert Glass has provided legal services in the *Pate* and *Colonial Tavern* cases in the past, and it is in the best interest of the city and city employees who are defendants in these cases that he continue his representation in these cases. It is also in the city's interest that Mr. Glass represent if in the *Valentin* case since the issues raised in the *Valentin* and *Pate* cases are similar.

This contract will also provide for the service of computerizing all Police Department shooting cases going back eight to ten years. This work is being done by the city's special counsel in two of such cases and includes appropriate legal analysis, and is being done in such a manner as to fully protect the attorney-client and work product privileges.

Compensation under this contract shall not exceed \$125,000. It is understood that \$2,000 shall be allocated to the *Colonial Tavern* cases; \$53,000 to the *Pate* and *Valentin* cases; and \$100,000 for the service of computerizing all Police Department cases going back eight to ten years. Payment will be made at a rate of \$100 per hour for partners and \$25 per hour for paralegals. I have determined this rate to be reasonable.

The period of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to DiCara, Selig, Sawyer & Holt, a law office located at Three Center Plaza, Boston, for professional services rendered in the case of *Watkins v. Barrow*.

Under the terms of the contract, DiCara, Selig, Sawyer & Holt will provide legal services for the representation of Glendon Barrow, a police officer for the City of Boston in the above case, due to a conflict of interest in the representation of Officer Barrow and the City of Boston. DiCara, Selig, Sawyer and Holt is uniquely qualified to do this work because the case against Mr. Barrow is pursuant to 42 USC s. 1983, Civil Rights Statute, and Mr. Holt is completely familiar with the legal issues involved and has a history of success in these kinds of cases.

Compensation under this contract shall not exceed \$60,000, at a rate of \$100 per hour for partners and \$75 per hour for associates, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be from July 1, 1987, to June 30, 1988. Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Richard G. Shalhoub, P.C., with offices located at 65 Franklin Street.

Under the terms of this contract, Mr. Shalhoub will provide legal services to police officers Jose Garcia and Thomas Montgomery in the case of *Eloise N. Pate v. John Crowley, et al.*, C.A. No. 67186. The City of Boston Law Department cannot provide such services because of potential conflict of interest. Mr. Shalhoub is uniquely qualified to provide these services because of his expertise in this area. In addition, Mr. Shalhoub represented officers Garcia and Montgomery in the last fiscal year and this new contract will allow him to continue.

Compensation under this contract shall not exceed \$10,000. Payment will be made at the rate not more than \$100 per hour for Mr. Shalhoub's and not more than \$75 per hour for his colleague, Jeffery Palmer. I have determined these rates to be reasonable.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the professional and ongoing nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Elizabeth A. Weber, an individual located at Melrose, for professional services to be performed on behalf of the corporation counsel.

Under the terms of the contract, Ms. Weber will perform services as contract administrator for the Law Department and administrative assistant to the corporation counsel. Ms. Weber is uniquely qualified to do this work because she has thirteen years experience performing legal secretarial work for the undersigned in a position which has required

a very high level of trust and professional competence. The duties and responsibilities within the Law Department involve matters of a highly sensitive and confidential nature. Ms. Weber's demonstrated ability to exercise discretion, good judgment and self-direction are necessary to carry out the responsibilities within the office of the Corporation Counsel.

Compensation under this contract shall not exceed \$30,000. Payment shall be made at the rate of \$19.50 per hour. I have determined this rate to be reasonable.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the personal and professional nature of the services to be performed and Ms. Weber's special qualifications, I believe public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to William B. Fairley, Analysis and Inference Inc., 211 Delancey Street, Philadelphia.

Under the terms of the contract, William Fairley will conduct follow-up statistical studies, review and interpret analysis report and serve as an expert witness at the trial of the case of *City of Boston, et al. v. Daniel Sullivan, et al.*, Suffolk Superior Court Civil Action Number 55900, which is scheduled to go to trial on August 24, 1987. Mr. Fairley is uniquely qualified to do this work because he has previously worked on this case and others in the past and has rendered the same type of professional services as an expert in this field.

Compensation under this contract shall not exceed \$5,000 which I have determined to be reasonable for the work to be done. Mr. Fairley will be paid at the rate of \$125 per hour and his associates will be paid at the rates of \$15 to \$75 per hour depending on the work and the assistance required.

The term of this contract shall be July 23, 1987, to June 30, 1988.

This contract is being submitted late because due to the imminence of the scheduled trial date of this case, it was necessary to retain the expert witness's services prior to the awarding of the contract.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to George R. Sprague, an attorney with office located at 10 Liberty Square.

The contract would require Mr. Sprague to review various matters pending before the Massachusetts Department of Public Utilities (DPU) regarding telephone rates and recommend action by the city where appropriate. The city currently spends about \$4,000,000 annually on telephone services, and the rates approved for future telephone charges may have a substantial financial impact on the city. The city has already saved over \$1,000,000 by intervening in the Boston Edison Company electric rate case. At a time when deregulation of the telecommunications industry has radically changed the cost structure of telephone service, it is imperative that the city study the wisdom of participating

ose rate proceedings as well. In addition, Mr. Sprague will represent the City of Boston in DPU 42 in which the Boston Edison Company seeks form an unregulated subsidiary for the purpose developing real estate.

Mr. Sprague has represented the City successfully in various matters before the DPU in the last year and the contract for fiscal year 1987 will be an orderly continuation of that representation.

The term of this contract shall be from July 1, 1987, through June 30, 1988 at a cost not to exceed \$5,000, an amount I have determined to be reasonable. Payment will be made at the rate of \$100 per hour.

Due to the professional and unique nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and award a contract to Stanley J. Levy, an attorney with Levy, Phillips & Berg, with its offices located at New York.

Under the terms of the contract, Mr. Levy will represent the City of Boston in securing the recovery of costs incurred in identifying, removing and/or encapsulating asbestos or other similar material in any and all buildings owned by the City of Boston. In consideration of the services rendered and to be rendered by Mr. Levy, the city hereby agrees to pay in accordance with the Amended Contingent Fee Contract annexed hereto. I have determined this fee agreement to be reasonable. This contract shall also provide for expenses including services rendered by law students and paralegals in an amount not to exceed \$100,000, which I have determined to be reasonable.

The term of this contract shall be July 1, 1987, through June 30, 1988. Because of the professional nature of the services to be performed, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Keohane and DeTore, 100 State Street, for legal and consultant services regarding the Department of Public Utilities regulatory matters.

Under the terms of the contract, Keohane and DeTore shall provide for representation of the City of Boston before the Energy Facilities Siting Council and the Department of Public Utilities. Further, the contractor will advise the Law Department and the Assessing Department on matters concerning regulations of the DPU concerning co-generation, the siting of facilities, and all matters where the particular expertise of the contractor will assist the City of Boston in matters proposed or pending concerning regulated or unregulated utilities.

The contractor is qualified to perform such services because it is recognized as possessing expertise in DPU regulatory matters.

Compensation under this contract shall not exceed \$88,000, which I have determined to be reasonable for the work to be performed. The contractor shall charge hourly rates from \$75 to \$100 an hour, as specified in the contract, and shall be allowed reasonable expenses, which shall be included in the total contract price.

The term of the contract shall be from July 1, 1987, through June 30, 1988.

Because of the nature of the professional services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Feld, Kaminetzky and Cohen, P.C., consulting engineers located in the Lincoln Building, New York.

Under the terms of the contract, Feld, Kaminetzky and Cohen, P.C., will provide the City of Boston the services specified in the letters annexed hereto as Exhibit A and B. These letters are part of the original contract which was awarded in 1983 and the services of Feld, Kaminetzky and Cohen, P.C., are still being provided under the terms of the original contract.

The services will be rendered in connection with the case of *City of Boston v. Dow Chemical Co., et al.*, C.A. No. 54256. Feld, Kaminetzky and Cohen, P.C. is uniquely qualified to provide these services because of their expertise and experience in this area. In addition, Feld, Kaminetzky and Cohen, P.C., worked on this case in the last three fiscal years and this contract will allow them to continue.

The term of this contract will be July 1, 1987, through June 30, 1988. Compensation shall not exceed \$10,000. Payment shall be made at the rate of \$1,000 per day plus reasonable and necessary expenses. These rates I have determined to be reasonable. Feld, Kaminetzky and Cohen, P.C., shall confer and report regularly to me or my designee on all significant legal developments in this matter.

Because of the professional and unique nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

Medical Examinations

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Rees Medical Associates, Inc., with its principal office at 1195 Beacon Street, Brookline.

Under the terms of the contract, Rees Medical Associates, Inc. will provide medical examinations to private individuals which were the result of accidents with city-owned vehicles.

The contractor is uniquely qualified to do this work because of their specialization in this area and their past exceptional performance while undertaking this responsibility for the City of Boston in the last fiscal year.

Compensation under this contract shall not exceed \$6,000. Payment shall not exceed \$45 per examination. I have determined these rates to be reasonable. The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of Rees Medical Associates, Inc.'s unique ability to provide these services and the reasonable cost, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

Processing Claims, Foreclosures, etc.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Jon P. Julien, an individual located at Swampscott.

Under the terms of this contract, Mr. Julien will provide services to the Tax Title Division of the Law Department which will include processing claims, notice of appearances, investigating tax title foreclosures and tax liens, and general office responsibilities.

Compensation under this contract shall not exceed \$6,000. Payment shall be made at the rate of \$6 per hour. I have determined this amount to be reasonable.

The term of this contract shall be July 1, 1987, through December 31, 1987.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

Various Computer Services

Dear Mr. Mayor:

I respectfully request your permission to renew, without public advertising, the city's existing contract with Mead Data Central, a corporation with its principal office at Ohio, and with its local office at Old City Hall, 45 School Street, for LEXIS computer-assisted legal research services for the City of Boston Law Department.

Under the terms of the contract, the contractor will provide one UBIQ terminal, a printer, installation, instruction and access to a very large legal data base. Agreement between the parties dated February 10, 1983 incorporated by reference.

The contractor is specifically qualified to do this work because of its unparalleled achievements in the field of computerized legal research support services. In addition, the contractor has provided the City of Boston Law Department with this service in the past three fiscal years and this contract will allow them to continue.

Compensation under this contract shall not exceed \$15,000. I have determined this cost to be reasonable. The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the contractor's unique ability to provide these services and the reasonable cost, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel

Appraisal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to John J. Roche Company, specialists in automobile appraising with its principal office located at 740 Beacon Street, Newton Centre.

Under the terms of the contract, John J. Roche Company will provide automobile appraisals in situations where estimates submitted to the Investigating Division of the Law Department are in excess of \$150 and are the result of an accident involving city-owned vehicles and private parties; damage to private citizens' vehicles by potholes in city streets and other like situations.

John J. Roche Company is uniquely qualified to do this work because of the specialization in this field. In addition, John J. Roche Company provided

this service to the City of Boston in the last fiscal year.

Compensation under this contract shall not exceed \$6,000. Payment will not exceed \$50 per appraisal. I have determined these rates to be reasonable.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

Because of the contractor's unique ability to provide these services and the reasonable cost, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Scott R. Vertucci, an individual located at Burlington.

Under the terms of the contract, Mr. Vertucci will provide services to the Tax Title Division of the Law Department which will include processing claims, notice of appearances, investigating tax titles foreclosures and tax liens, and general office responsibilities.

Compensation under this contract shall not exceed \$6,000. Payment shall be made at the rate of \$6 per hour. I have determined this amount to be reasonable.

The term of this contract shall be from July 1, 1987, through December 31, 1987.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and award a contract to Paula Lynne, an individual located at 103 Gainsborough Street.

Under the terms of the contract, Ms. Lynne will provide services to the claims and investigating division of the Law Department, which will include processing claims, notice of appearances, logging in contracts, switchboard relief and general office responsibilities.

Compensation under this contract shall not exceed \$6,000. Payment shall not be made at the rate of \$6 per hour. I have determined this amount to be reasonable.

The term of this contract shall be from July 1, 1987, through December 31, 1987.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan, Jr.,
Corporation Counsel.

LIBRARY DEPARTMENT

Building Settlements Examinations

Dear Mr. Mayor:

Ever since the 1890s when the Boston Public Library was relocated to Copley Square, it has been necessary to have periodic examination made of its building settlement levels for the safety of the public and for the protection of the magnificent buildings as well as their contents. This examination has been performed from the beginning by the firm of

engineers, the J. R. Worcester & Co., and more recently by their successors, the firm of Gilbert Small & Co., Inc.

The firm of Gilbert Small & Co., Inc. is especially qualified because of exhaustive studies of the Library's conditions made by it over the past three-quarters of a century. It has a complete file of all pertinent yearly data relative to the water table during this period. In addition, it has a thorough familiarity with the buildings, geological conditions, etc. of the Copley Square area. The cost of this firm's services for July 1, 1987, through June 30, 1988, is not to exceed four thousand five hundred dollars and no cents (\$4,500.00).

The Board of Trustees in charge of the Library Department of the City of Boston, acting for and in behalf of the City of Boston, has therefore taken the following action:

Voted, that there be entered into, without public advertising, with Gilbert Small & Co., Inc., 1391 South Street, Needham, Massachusetts, a service agreement for the examination of building levels at one central library building (McKim) during the period July 1, 1987, through June 30, 1988, the total fee thus charged to be subject to the terms, agreements, and conditions set forth in said agreement.

In view of the foregoing, and because in the opinion of the official the cost is reasonable for the service to be rendered, the permission of your Honor is respectfully requested to enter into this agreement with Gilbert Small & Co., Inc.

Respectfully,
The Board of Trustees in Charge of the
Library Department of the City of Boston,
By Arthur Curley,
Director and Librarian.

Rental of Certain Premises

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests that you approve the signing of a lease, without public advertising, with Alec Rich Company, for the rental of premises located at Rear 21 Court Street (Kings Court), Taunton. Those premises will serve as quarters for a deposit center for the Eastern Massachusetts Regional Library System in the Taunton area.

The lease will cover the period of three years, beginning on July 1, 1987, and ending June 30, 1988, with an option for renewal through June 30, 1990. The monthly rental rate will be \$1,733, with \$20,796 to be paid during the first fiscal year.

In view of the foregoing, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, believing the cost to the city to be reasonable for the services to be rendered, has taken the following action:

Voted, that, without public advertising, the Board of Trustees in charge of the Library Department of the City of Boston, acting in the name of and for the City of Boston, does hereby accept an instrument of lease by and between Alec Rich Company and the City of Boston for the rental of premises located at Rear 21 Court Street (Kings Court), Taunton, for the period from July 1, 1987, through June 30, 1988, with an option for renewal from July 1, 1988, through June 30, 1990, at a monthly rate of \$1,733, and further

Voted, that Arthur Curley, director and librarian of the Public Library of the City of Boston, be, and hereby is, authorized and directed in the name of and behalf of the Board of Trustees in charge of the Library Department of the City of Boston to execute said instruments of lease in duplicate.

Inasmuch as the total rental will exceed \$2,000, there is respectfully requested permission of your

Honor to enter into this lease without public advertising for bids. Funds for the payment of the rental are made available to the City of Boston as reimbursement from the Commonwealth of Massachusetts, through the State Aid for Support to Public Libraries.

Respectfully,
The Board of Trustees in Charge of the
Library Department of the City of Boston,
By Arthur Curley,
Director and Librarian.

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests that you approve the signing of a renewal agreement, without advertising, with the Trustees of the Hyannis Public Library Association, for rental premises located at 401 Main Street, Hyannis. These premises serve as quarters for a deposit center for the Eastern Massachusetts Regional Library System in the Cape Cod area. The renewal agreement will be for the period July 1, 1988, through June 30, 1988. The annual rate will be the sum of \$11,400.

Your Honor gave approval for the lease for the period July 1, 1986, through June 30, 1987, with the (Official's) option to renew on July 1, 1987 (for the period July 1, 1987, through June 30, 1988), and on July 1, 1988 (for the period July 1, 1988, through June 30, 1989), at the monthly rate of \$950.

The Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, exercising its option to renew the lease for the period July 1, 1987, through June 30, 1988, and believing the cost to the City to be reasonable, has taken the following action:

Voted, that, without advertising, there be entered into a renewal agreement with the Trustees of the Hyannis Public Library Association, Inc. for the rental of premises located at 401 Main Street, Hyannis, for the period July 1, 1987, through June 30, 1988, at a monthly rate of \$950. and

Voted, that Arthur Curley, director and librarian, be, and hereby is, authorized to make, from time to time, as specified in said renewal agreement with the Trustees of the Hyannis Public Library, monthly payments as prescribed in said lease agreement.

Inasmuch as the total rental will exceed \$2,000 there is respectfully requested permission of your Honor to enter into this renewal agreement with public advertising for bids. Funds for the payment of the rental are made available to the City of Boston as reimbursement from the Commonwealth of Massachusetts through the State Aid for support to Public Libraries.

Respectfully,
The Board of Trustees in Charge of the
Library Department of the City of Boston,
By Arthur Curley,
Director and Librarian.

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests that you approve the renewal of a lease, without advertising, with Dr. Donald Stackhouse, for the rental of premises located at 205 Main Street, North Reading. These premises serve as quarters for a deposit center for the Eastern Massachusetts Regional Library System in the North Reading area.

Your Honor gave approval for the lease for the period July 1, 1986, through June 30, 1987, with the (Official's) option to renew on July 1, 1987 (for the period July 1, 1987, through June 30, 1988), and on July 1, 1988, for the period July 1, 1988, through

ne 30, 1989, at the monthly rate of \$2,083. The Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, exercising its option to renew the lease for the period July 1, 1987, through June 30, 1988, and bearing the cost to the city to be reasonable, has taken the following action:

Voted, that, without advertising, there be entered into a renewal agreement with Doctor Donald Stackhouse for the rental of premises located at 5 North Main Street, North Reading, for the period July 1, 1987, through June 30, 1988, at a monthly rate of \$2,083, and

Voted, that Arthur Curley, director and librarian, and hereby is, authorized to make, from time to time, as specified in said renewal agreement with Doctor Donald Stackhouse, monthly payments as described in said renewal agreement.

Funds for the payment of the rental are made available to the City of Boston as reimbursement from the Commonwealth of Massachusetts, through the State Aid for Support to Public Libraries.

Respectfully,

The Board of Trustees in charge of the Library Department of the City of Boston,
By Allan K. Stern,
Director and Librarian.

IBM Equipment Rental

Dear Mr. Mayor:

The Board of Trustees in charge of the Library Department of the City of Boston respectfully requests approval of your Honor for the award of a contract, without public advertising, to International Business Machines Corporation, a corporation having places of business at Armonk, New York, and One Copley Place, for the rental of certain IBM machines during the period July 1, 1987, through June 30, 1988.

The rental of equipment will enable the library to continue its program of data processing activities which was initiated in 1966 whereby, using IBM equipment, many internal service operations have been mechanized. Inasmuch as only IBM can provide its own equipment, no useful purpose would be served by advertising for bids. The total cost for the rental of the equipment during the period of the contract is estimated to be \$27,500.

In view of the above, the Board of Trustees in charge of the Library Department, acting in the name of and for the City of Boston, has:

Voted, that, without advertising, there be entered into a renewal agreement with International Business Machines Corporation, a corporation having places of business at Armonk, New York, and One Copley Place, a contract for the rental of certain data processing equipment during the period July 1, 1987, through June 30, 1988, the rental thus charged to be subject to the terms, conditions, and conditions set forth in said contract.

With the approval of your Honor for the award of this contract, without publicly advertising of bids, to International Business Machines Corporation, as above, is hereby requested. In the opinion of the Board, the cost is reasonable for the services to be rendered.

Respectfully,

The Board of Trustees in charge of the Library Department of the City of Boston,
By Allan K. Stern,
Director.

Computer Services

Dear Mr. Mayor:

Permission is respectfully requested to dispense

with public advertising and award a contract to Joseph Bangs, Quincy. The purpose of this contract is to provide computer services to Management Information Systems.

This contract will provide professional computer services on the Wang and IBM personal computer for various projects within MIS, and to also assist all other departments in the training and development of this equipment. This contract is being charged to appropriation code 011-140-0149-MI04-0290, and shall not exceed \$8,640, and will be for the period of July 1, 1987, through June 30, 1988.

Mr. Bangs is currently a cooperative student at Northeastern University and through his education and the work he has done in the past (Contract 6284-87), he has considerable knowledge in the total operation and application development of these systems. Mr. Bangs will be compensated at the rate of \$8 per hour, an amount I believe is reasonable.

For the reasons outlined above, no useful purpose would be served by public advertising.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of the MIS department. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and award a contract to J. Matthew Sebastian of East Boston. The purpose of this contract is to provide computer services to this division at a rate of \$250 for a thirty-five-hour week.

This contract will provide professional computer services on the Wang and IBM personal computer for various projects within this department, and to also assist all other departments in the training and development of this equipment. This contract is being charged to appropriation code 011-140-0149-MI04-0290, and shall not exceed \$13,000, and shall be for the period of July 1, 1987, through June 30, 1988.

Mr. Sebastian is currently a cooperative student at Northeastern University and through his education, he has considerable knowledge in the total operation and application development of these systems. I have determined the cost of these services reasonable, and therefore no useful purpose would be served by public advertising.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of the MIS department. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with public advertising and award a contract to Mr. Matthew M. Wilbert of Cambridge. This contract is in the amount of \$57,500 for the period of July 1, 1987, through June 30, 1988. This contract is to provide computer services to this division at an hourly rate of \$34.

This contract will provide systems support to the three DEC computers located in Room 103, City Hall (2) VAX 11/780, and (1) VAX 11/751 as these systems currently service Assessing, Collector-Treasurer, and MIS/Mapping needs. Mr. Wilbert will

also provide assistance with special reports, systems analysis, systems maintenance, programming and other related responsibilities as determined by the MIS director. Mr. Wilbert will also be required to attend related training sessions and seminars provided by Intergraph Corporation and other related computer firms, necessary for the total management and upkeep of the above systems.

Mr. Wilbert has done work for this division in the past and has considerable knowledge in the total operation and maintenance of the DEC systems. I have determined that the cost of these services reasonable, and therefore no useful purpose would be served by public advertising. This contract will be charged to appropriation code 011-140-0149-MI05-0290 and shall be for the period of July 1, 1987, through June 30, 1988.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of the MIS department. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with public advertising and award a contract to Domenic Conte of East Boston. The purpose of this contract is to provide computer services to Management Information Systems.

This contract will provide professional computer services on the Wang and IBM personal computer for various projects within MIS, and to also assist all other departments in the training and development of this equipment. This contract if being charged to appropriation code 011-140-0149-MI04-0290, and shall not exceed \$12,000, and will be for the period of July 1, 1987, through June 30, 1988.

Mr. Conte is currently a cooperative student at Northeastern University and through his education and the work he has done in the past (Contract 6200-87), he has considerable knowledge in the total operation and application development of these systems. Mr. Conte will be compensated at the rate of \$9.50 per hour, an amount I believe is reasonable.

For the reasons outlined above, no useful purpose would be served by public advertising.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of MIS. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with public advertising and award a contract to Juanita Webb of Somerville. The purpose of this contract is to provide computer services to Management Information Systems (MIS).

This contract will provide professional computer services on the Wang and IBM personal computer for various projects within MIS, and to also assist all other departments in the training and development of this equipment. This contract if being charged to appropriation code 011-14-0149-MI04-0290, and shall not exceed \$6,000, and will be for the period of July 1, 1987, through June 30, 1988.

Miss Webb is currently a cooperative student at Northeastern University and through her education and the work she has done in the past (Contract 6285-87), she has considerable knowledge in the total operation and application development of these systems. Miss Webb will be compensated at the rate of \$8 per hour, an amount I believe is reasonable.

For the reasons outlined above, no useful purpose would be served by public advertising.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of MIS. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

Dear Mr. Mayor:

Permission is respectfully requested to dispense with public advertising and award a contract to Richard Cummings, 120 Hemenway Street. The purpose of this contract is to provide computer services to the Management Information Systems Department.

This contract will provide professional computer services on the Wang and IBM personal computer for various projects within this department, and to also assist all other departments in the training and development of this equipment. This contract is being charged to appropriation code 011-140-0149-MI04-0290, and shall not exceed \$14,300, and will be for the period of July 1, 1987, through June 30, 1988.

Mr. Cummings is currently a cooperative student at Northeastern University and through his education and the work he has done in the past (Service Order S-08200-87), he has considerable knowledge in the total operation and application development of these systems. I have determined the cost of these services reasonable, and therefore no useful purpose would be served by public advertising.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of the MIS department. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

ADMINISTRATIVE SERVICES DEPARTMENT

Legal Services

Dear Mayor Flynn:

I respectfully request authorization to dispense with public advertising and to award a contract to Attorney Lawrence J. Ball of Ten Tremont Street.

The purpose of this contract is to provide this department with advice, consultation and representation relative to Civil Service and personnel laws. We wish to award this contract to Mr. Ball because Mr. Ball is an expert in the areas of Civil Service and personnel.

Compensation under this contract shall not exceed \$15,000, an amount I have determined to be reasonable for the work performed. Payment for services associated with this contract shall be charged to appropriation 011-140-0147-0290. The hourly rate shall be \$75 per hour.

The term of this contract shall be from July 13, 1987, through June 30, 1988.

In view of the professional nature of the services to be performed, I see no practical purpose to be

served by further public advertising for these services.

Very truly yours,

Raymond C. Dooley,
Director.

Collective Bargaining Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to James B. Cox, Esquire, of Mahoney, Hawkes and Goldings of One Walnut Street, Boston.

Under the terms of the contract, James Cox will assist the city in negotiating various collective bargaining agreements for Fiscal Year 1988 with the City of Boston employee unions.

Compensation under this contract shall not exceed \$25,000, an amount I have determined to be reasonable for the work performed. Payment for services associated with this contract shall be charged to appropriation 011-140-0147-0290. The hourly rate shall be \$115 per hour.

The term of this contract shall be from July 13, 1987, through June 30, 1988.

Mr. Cox is uniquely qualified to perform this service because of his past experience in all aspects of the labor relations function as a member and ultimately, supervisor of the city's Office of Labor Relations.

Sincerely,

Raymond C. Dooley,
Director.

CONSUMER AFFAIRS AND LICENSING

Complaints Investigator

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to review the city's contract with existing Ernest Deeb, of Winthrop, to provide services as a licensing complaints investigator.

Under the terms of the contract, Ernest Deeb will perform investigative duties as they relate to the licensing of entertainment in the City of Boston and any safety problems which might arise. Ernest Deeb is uniquely qualified to do this work because he has worked extensively in our office for the last two years. He has an excellent grasp of the materials and information necessary to investigate licensing complaints. Mr. Deeb's prior employment as a Boston fire fighter has prepared him well to handle the duties of inspecting licensed premises for safety code violations, and handling licensing applications.

Compensation under this contract shall not exceed \$4,825.17, which I have determined to be reasonable for the work to be performed at the rate of \$8.51 per hour.

The term of this contract shall be July 1, 1987, to December 31, 1987.

Because of the professional nature of the services to be performed and Mr. Deeb's experience and qualifications, I believe that public advertising would serve no useful purpose.

Sincerely,

Diane J. Modica,
Commissioner.

Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Murphy, DeMarco and O'Neill P. C., a partnership located at 4 Faneuil Hall Marketplace, for legal services rendered to the Mayor's Licensing Division.

Under the terms of the contract, Murphy, DeMarco and O'Neill P. C. will serve as legal counsel to the Mayor's Licensing Division for the court case, *Highland Tap of Boston, Inc. v. Andrea Gargiulo, et al* (C.A. No. 42026 (1987)). Murphy, DeMarco and O'Neill P. C. is uniquely qualified to serve as legal counsel because of its expertise in constitutional and civil rights matters.

Compensation under this contract shall not exceed \$25,000, which I deem to be reasonable for the work performed. Compensation will be at the rate of \$125 per hour.

The term of this contract shall be July 7, 1987, to June 30, 1988. Because of the professional nature of the service to be performed, I believe that public advertising would serve no useful purpose.

In the past three fiscal years, Murphy, DeMarco and O'Neill P. C. has not been under a professional contract to the Mayor's Office of Consumer Affairs and Licensing.

Sincerely,

Diane J. Modica,
Commissioner.

HEALTH AND HOSPITALS DEPARTMENT

Pastoral Counseling, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Rev. Judith M. Van Sprewenburg, 40 Quint Avenue, Allston, Massachusetts 02134 for the period July 1, 1987, through June 30, 1988 at a cost not to exceed \$6,756.

Under this contract Rev. Van Sprewenburg will provide pastoral counseling and liturgical services related to the needs of Protestant patients at Mattapan Hospital. Services are to be provided sixteen hours per week at a cost of \$8 per hour for a total of \$128 per week. Two special Holyday services will be provided during the year at a cost of \$50 per service. In addition, Rev. Van Sprewenburg will be on call for emergency visits.

Fiscal year 1988 is the first year that a contract will be awarded to Rev. Van Sprewenburg. In the past, these services have been provided by Rev. W. Grif Vautier, who has resigned his position. The costs of the unadvertised contracts awarded to Rev. Grif Vautier for the past three fiscal years were as follows: 1987 — \$13,512 (Mattapan and Long Island Hospitals); 1986 — \$6,440 (Mattapan Hospital, July - June; Long Island Hospital, January - June); 1985 — \$2,700 (Mattapan Hospital).

Because of the special fitness of Rev. Van Sprewenburg to provide these services, because of the professional nature of the services to be rendered and as the cost, in my opinion, is reasonable, benefit would inure to the City by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Society of Jesus of New England, 761 Harrison Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$17,000.

Under this contract Society of Jesus of New England will provide pastoral counseling and liturgical services related to the needs of Catholic patients at Boston City Hospital. Services are to be provided

ifty hours per week at the rate of \$6.54 per hour. Twenty hours will be in-house on a daily scheduled basis, and thirty hours will be on call throughout each week, evenings and weekends included, for emergency purposes.

Society of Jesus of New England has provided excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years, in the following amounts: 1987 — \$17,000; 1986 — \$17,000; 1985 — \$17,000

Because of the special fitness of Society of Jesus of new England to provide these services, because of the professional nature of the services to be provided, and as the price, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids

Very truly yours,

Lewis W. Pollack,
Commissioner.

Radioactive Waste

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to ADCO Services, Illinois, for the period April 15, 1987 through April 14, 1988 at an estimated cost not to exceed \$6,000

Under this contract ADCO Services will remove radioactive waste from Boston City Hospital upon request. Barrels and supplies will be delivered free of charge. Cost will accrue when full barrels are removed for legal disposal by the company. The current cost is \$215 per full 55-gallon barrel of dry solid waste, subject to any increase initiated by the disposal site. In addition, there is a State of Washington surcharge of \$5/cu. ft. of dry solid waste. This cost also is subject to increase by the State of Washington. The Department will be notified by ADCO 30 days in advance of any increases

ADCO Services has provided radioactive waste removal services during the past three years, however the costs were under \$2,000. Therefore, no contract was warranted. Due to an increase in the required services a contract will now be required.

During the renewal process for the Department's Nuclear Regulatory Commission license, other vendors were sought. ADCO Services proved to be the most desirable in that not only do they take responsibility for certain wastes upon removal while other companies do not, but also their charges are only accrued upon removal with free delivery.

Therefore, because ADCO Services is the waste company listed on the Department's Nuclear Regulatory Commission federal license and to deal with any other company would be a violation under the current license, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This contract was originally written in February, 1987. However, when the vendor received the paperwork, we were informed that there had been a change in the State of Washington's charges. The new documents were sent to the vendor on May 12, 1987, and returned to the Contract Office on June 4, 1987. Thus, this award is being processed late

Very truly yours,

Lewis W. Pollack,
Commissioner.

EKG Electrodes

Dear Sir:

An invitation for bids, Proposal No. 641, to furnish EKG Electrodes, Etc. to the Department of Health and Hospitals was advertised in the *City Record* on May 11, 1987. Bids were publicly opened

and read on May 26, 1987. Forty-nine companies were solicited and twenty-three companies responded to the invitation to bid.

A technically defective bid was received from the following vendor, who submitted the lowest acceptable bid meeting specifications at prices I consider to be reasonable, in that the vendor submitted a late bid.

Corometrics Medical Systems, Inc., Wallingford, CT 06492, \$46,920

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to the above vendor. The contract amount is an approximate figure based on estimated volumes. The contract period is from July 1, 1987, through June 30, 1988

Very truly yours,

Lewis W. Pollack,
Commissioner.

Microfilm Equipment

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Minnesco Division/3M, St Paul, Minnesota 55144, for the period July 1, 1987, through June 30, 1990, at a cost not to exceed \$19,416.

Under this contract Boston City Hospital will lease a reconditioned 3M EF5000 Camera; a reconditioned 3M 900 P. S. Reader/Printer and a 3M Chart Feeder for Fetal Monitoring Tapes from Minnesco Division/3M at a cost of three hundred fifty dollars and fifty cents per month over a thirty-six month period. The cost of the equipment will not exceed \$12,618. The interest rate is 7 1/2 percent. The equipment has warranty for parts and labor for 90 days and the terms are net 30 with a freight charge

The guaranteed maintenance agreement will provide parts, labor and travel at a cost of \$2,266 for a total of \$6,798 over the three-year period following expiration of the warranty.

This equipment will be used to microfilm fetal heart monitoring tapes at Boston City Hospital.

The hospital needs tighter control of these tapes due to a long retention schedule for these records; the space problem for storage of boxes; the inability to always be able to retrieve individual tapes and damage control from fire, water and loss of tapes.

Because this equipment is reconditioned and thus less costly, because it will be leased through the manufacturer and because the cost, in my opinion, is reasonable no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because we did not have the necessary documents from the vendor in order to process the contract.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Linens, etc.

Dear Sir:

An invitation for bids, Proposal No. 632, to furnish Linens and Patient Cloth Gowns, Etc. to the Department of Health and Hospitals was advertised in the *City Record* on March 30, 1987. Bids were publicly opened and read on April 27, 1987. Thirty-two companies were solicited and fifteen companies responded to the invitation to bid.

Technically defective bids were received from the following vendors, who submitted the lowest acceptable bids meeting specifications at prices I

consider to be reasonable. One vendor submitted a late bid and the other did not sign any of the legal documents.

Harbor Service Corp. of America, Gibbsboro, New Jersey 08026, \$14,066; American Hospital Supply, Bedford, MA 01730, \$3,650.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to reject all bids for items to be supplied by the above vendors and award a contract, without further advertising, to these vendors. The contract amounts are approximate figures based on estimated volumes. The contract period is from July 1, 1987, through June 30, 1988.

Very truly yours,

George A. Lamb,
Acting Commissioner.

Thermometers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Sherwood Medical, Hospital Products Division, St. Louis, Missouri 63101, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$35,000.

A leasing contract for furnishing Electronic Thermometers, Parts and Probe Covers has been in place for the past eighteen months with the manufacturer Chesebrough Ponds, Hospital Products Division, Inc. This company has been sold to Sherwood Medical, Hospital Products Division, which will honor the terms and conditions of the above contract. The fifty-nine thermometers will become the property of the Department of Health and Hospitals at the end of the lease period, June 30, 1987.

The Biomedical Engineering Department located at Boston City Hospital has made the decision that they are capable of repairing, if necessary, these thermometers with parts available from the manufacturer who is now Sherwood Medical, Hospital Products Division.

This contract will include necessary parts, replacement of thermometers if needed and disposable probe covers.

Therefore, in view of the above, because these thermometers will be the property of the Department of Health and Hospitals, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Wash Cloths

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Mainline Industries, Inc., Westfield, MA 01085, for the period July 1, 1987, through December 31, 1987, at a cost not to exceed \$17,660.

A contract was awarded to Columbia United Associates, as the low bidder, to furnish Disposable Wash Cloths based on Proposal No. 558 for Surgical Dressings which opened on November 12, 1986. Columbia United Associates has notified the Department of Health & Hospitals that they cannot honor the contract because they are no longer a distributor for this item. Mainline Industries, Inc., the manufacturer of this wash cloth will honor the bid submitted by Columbia United Associate at the same bid price.

Therefore, in view of the above, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Temporary Relocation

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$9,144.

Under this contract the Trustees of Health and Hospitals will provide two studio apartments (No. 808 and No. 809), including all utilities, in the Nursing Education Building at Boston City Hospital for the temporary relocation of families having their homes deleaded by the Office of Environmental Affairs Lead Poisoning Prevention Program. The apartments will be rented at an estimated cost of \$381 per month for each apartment for twelve months.

In the past the rental of apartments had been included in the unadvertised contracts awarded to Trustees of Health and Hospitals for the operation and management of the South Block complex as Boston City Hospital. The costs of the apartment rental portion of said contracts for the past three fiscal years were as follows: 1987 — \$8,947; 1986 — \$8,448; 1985 — \$8,040.

Therefore, in view of the above and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Minority Recruitment

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$25,000.

Under this contract the Trustees of Health and Hospitals of the City of Boston, Inc. will recruit, subject to departmental approval, minority fourth year medical students to serve their required electives at Boston City Hospital. The purpose of this program is two-fold: first, to expose these students to the needs of this hospital and, also, to allow the appointing medical staff to evaluate their performance during this service. The ultimate goal of this program is to increase the number of minority students who apply to the Boston City Hospital for internships.

In order to provide an incentive for these students to apply, the Department will help defray expenses during their four week service by offering a \$500 stipend and, at the completion of their service, reimbursing travel expenses from Medical School to Boston City Hospital and return.

Trustees of Health and Hospitals have provided the Department with excellent services in the past. The Trustees have been awarded unadvertised contracts for the past three fiscal years in the following amounts; 1987 — \$25,000; 1986 — \$25,000; 1985 — \$15,000.

Inasmuch as Trustees of Health and Hospitals of the City of Boston, Inc., a non-profit organization,

have demonstrated their expertise in recruitment and fiscal management at a reasonable cost, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Oncology Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, acting by and through the Oncology Section of the Boston University School of Medicine, for the provision of Oncology Services at Mattapan Hospital for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$30,000.

Under this contract the Oncology Section will provide primary care for patients on the Oncology Unit. This includes on-site sessions twice a week, six (6) hours per session, for patient evaluation, staff conferences and appropriate documentation. The physicians will be available by telephone for nurse practitioners and covering physicians to advise on treatment decisions. They will serve as a resource for the medical staff for questions regarding specific patients and general approaches to oncology related problems. Timothy Cooley, M.D. will serve as the liaison between the Mattapan Hospital Oncology Unit and the Boston City Hospital Oncology Division. He will spend time as needed to assure the continuity of care of the patients. Reimbursement for participating in program development for the oncology unit will be paid at the rate of \$200 per session as arranged by the medical director. The oncologist on-site will assist in the daily operations of the oncology unit as needed which may include dictation summaries and direct patient care needs.

The Trustees of Boston University have provided excellent services in the past. The Trustees have been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$30,000; 1986 — \$30,000; 1985 — \$30,000.

Direct patient care will be provided by physicians with specific training and expertise in the Oncology field. Contracting with the Trustees instead of individual physicians for these services allows for the establishment of a comprehensive program and continuity of care.

Because of the special fitness of the University to provide these services, because of the professional nature of the services, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Lab Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Yearwood Orthodontic Laboratory, Cambridge, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$4,979.

Under this contract Yearwood Orthodontic Laboratory will perform dental and orthodontic laboratory services for the Whittier Street Clinic and Boston City Hospital. The Department's orthodontic program has been using the Yearwood Laboratory for approximately 16 years, and during this

time Yearwood Laboratory has provided high quality services and has been very responsive to the needs of our patients. As most orthodontic patients are in treatment for approximately two years, it would disrupt the treatment process to use another laboratory. Also, there would be a drop in the efficiency and productivity of the orthodontic program as a new laboratory would have to be oriented and trained in the needs of our program and patients. In addition, Yearwood Orthodontic Laboratory is the only minority orthodontic lab in greater Boston.

In fiscal year 1987 Yearwood Orthodontic Laboratory was awarded an unadvertised contract for a seven-month period with a total cost of \$2,436. In 1986 an advertised non-competitive bid contract was awarded for an eight-month period in the amount of \$3,500. A two year advertised non-competitive bid contract was awarded for 1984-85 in the amount of \$9,000.

Therefore, in view of the above, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Refuse Disposal

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to renew, without advertising, the city's contract with Waste Management of Massachusetts, Woburn, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$47,000.

Waste Management of Massachusetts will dispose of refuse from Mattapan and Long Island Hospitals at the Somerville Transfer Station at the rate of \$62.50 per ton, a price I consider to be reasonable. Under the original contract, at the option of the Department of Health and Hospitals, the contract may be renewed for a second and third year under the same terms or those more favorable to the city.

Therefore, as the contract is being extended under the same terms to the city, and as Waste Management of Massachusetts has provided excellent service, at a cost I deem to be reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Chaplaincy Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Meyer Strassfeld, Marblehead, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$5,000.

Under this contract Rabbi Strassfeld will provide chaplaincy services to Jewish patients at Boston City Hospital on Mondays, Wednesdays and Thursdays totalling thirteen hours per week, even on weekends, included, for emergency purpose. Service will include visits to patients, contacts with families, and worship services as needed. Rabbi Strassfeld will be paid monthly.

Rabbi Strassfeld has provided the hospital with excellent services in the past, and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$5,000; 1986 — \$5,000; 1985 — \$5,000.

Because of the special fitness of Rabbi Strass-
id to provide these services, because of the pro-
fessional nature of the services to be provided, and
the cost, in my opinion, is reasonable, no useful
purpose would be served by publicly advertising for
bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Counselor

Dear Sir:
Pursuant to the authority delegated to me by the
Board of Health and Hospitals, I respectfully re-
quest your Honor's permission to dispense with
public advertising and award a contract to the Pine
Street Inn, Inc., to provide partial salary for one full-
time counselor for the Detoxification Unit located at
the Pine Street Inn, 444 Harrison Avenue, Boston
Massachusetts 02118, for the period July 1, 1987,
through June 30, 1988, at a cost not to exceed
\$60,000.

The counselor to be provided by the Pine Street
Inn, Inc., is particularly qualified, both in experi-
ence and training. The Pine Street Inn, Inc. pro-
vides valuable and needed services to the
homeless people in the city.

The Department of Health and Hospitals has had
contract with the Pine Street Inn for many years.
The cost for the past three fiscal years has been
\$60,000 per year.

Therefore, inasmuch as the service to be pro-
vided hereunder is of a personal nature, and since
the cost to the city is reasonable, no useful purpose
would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Plasma

Dear Sir:
Pursuant to the authority delegated to me by the
Board of Health and Hospitals, I respectfully re-
quest your Honor's permission to dispense with
public advertising and award a contract to National
Blood Exchange of the American Association of
Blood Banks, Arlington, Virginia 22209, for the per-
iod July 1, 1987, through June 30, 1988, at a cost
not to exceed \$25,000.

Under this contract the National Blood Exchange
of the American Association of Blood Banks will
supply plasma at a cost of \$23 per unit, plus fifty-five
cents transaction fee per unit. The contract cost is
an estimate based on the amount that is ordered
weekly.

The National Blood Exchange of the American
Association of Blood Banks has the ability to furnish
the necessary large quantities of fresh frozen
plasma required for use in the Blood Bank of Bos-
ton City Hospital. Unadvertised contracts have
been awarded to American Association of Blood
Banks for the past three fiscal years in the following
amounts: 1987 — \$35,000; 1986 — \$52,004.52;
1985 — \$60,569.60. The decrease in costs over the
past three fiscal years is due to a decrease in re-
quest of plasma from the blood exchange following
the opening of the Blood Bank at Boston City Hospi-
tal.

The fresh frozen plasma received from the Na-
tional Blood Exchange of the American Association
of Blood Banks meets with the standards approved
by the FDA and Massachusetts Public Health. In
addition, the cost per unit of plasma is less than that
of American Red Cross, which is the only other
known competitor capable of supplying the re-
quired quantities.

Because of the special fitness of the National
Blood Exchange of the American Association of

Blood Banks to render these services, as the price,
in my opinion, is reasonable, and because of the
nature of the services to be provided, no useful pur-
pose would be served by publicly advertising for
bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Blood

Dear Sir:

Pursuant to the authority delegated to me by the
Board of Health and Hospitals, I respectfully re-
quest your Honor's permission to dispense with
public advertising and award a contract to Ameri-
can Red Cross, Boston, for the period October 1,
1987, through September 30, 1988, at a cost not to
exceed \$610,000.

Under this contract American Red Cross will sup-
ply blood and blood products, as well as reference
lab services, to the Department. The contract cost
is an estimate based on special needs and daily in-
ventory level billed weekly.

Because of the special fitness of American Red
Cross to render these services, and because of the
special nature of the services to be provided, no
benefit would inure to the City by publicly advertis-
ing for bids.

In past years American Red Cross has furnished
blood and blood products used by the Blood Bank
for transfusions. American Red Cross has been the
100 percent supplier of blood and blood products,
with the exception of fresh frozen plasma which is
supplied by the National Blood Exchange of AABBB.
The costs for the past three fiscal years have been
as follows: 1987 — \$594,000; 1986 — \$619,261.90;
1985 — \$785,747.

This service is unique in that American Red
Cross is capable of supplying 100 percent blood
and blood products which meet the standards of
the FDA and Massachusetts Public Health Regula-
tions. The only other known competitor, National
Blood Exchange of AABBB, furnished fresh frozen
plasma only and does not advocate our depen-
dency on them for 100 percent blood or blood prod-
uct needs. American Red Cross is also an excellent
reference lab for special problem cases.

In view of the above, and as the cost, in my opi-
nion, is reasonable, I recommend approval of this
contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

AIDS Counseling

Dear Sir:

Pursuant to the authority delegated to me by the
Board of Health and Hospitals, I respectfully re-
quest your Honor's permission to dispense with
public advertising and award a contract to AIDS
Action Committee, 661 Boylston Street, Boston,
MA 02116, for the period July 1, 1987, through June
30, 1988, at a cost not to exceed \$566,150.

Under this contract the AIDS Action Committee
will be providing medical, psychological and other
forms of care and counseling to those individuals
who have contacted Acquired Immune Deficiency
Syndrome. This range of service is required due to
the virulence of the disease and the lack of support-
ive services to this segment of Boston's population.

The AIDS Action Committee was established in
November, 1982, in response to the growing and
demonstrable crisis situation developing in Boston
as a consequence of the spread of this incurable
and deadly disease. Unadvertised contracts have
been awarded to AIDS Action Committee for the
last three fiscal years in the following amounts:
1987 — \$295,150; 1986 — \$150,000; 1985 —
\$150,000.

The services are of a professional nature and be-
cause AIDS Action Committee is the only organiza-
tion in Boston currently providing such
comprehensive services for patients afflicted with
this disease. Given the nature of this crisis, the im-
mediate need for services for these patients and
our commitment to help all segments of our com-
munity, and because the cost, in my opinion, is rea-
sonable, no benefit would inure to the city by
publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Body Work, etc.

Dear Sir:

An invitation for bids for Body and Frame Work on
Ambulance, Trucks and Automobiles for the period
July 1, 1987, through June 30, 1988, was adver-
tised in the *City Record* on March 23, 1987, and bids
were publicly opened and read on April 7, 1987.
Five companies were solicited and the following bid
was received: Woodward's Spring Shop, Inc.,
Quincy, Hourly Rate: \$32, Parts: 10 percent.

The sole bidder Woodward's Spring Shop, Inc.,
submitted a defective bid, in that they did not file a
copy with the City Auditor.

Pursuant to the authority delegated to me by the
Board of Health and Hospitals, I respectfully re-
quest your Honor's permission to award this con-
tract, without further advertising, to Woodward's
Spring Shop, Inc., for the period July 1, 1987,
through June 30, 1988, at a cost not to exceed
\$76,650.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Rabies Control

Dear Sir:

Pursuant to the authority delegated to me by the
Board of Health and Hospitals, I respectfully re-
quest your Honor's permission to dispense with
public advertising and award a contract to the An-
imal Rescue League of Boston, Inc., for the period
July 1, 1987, through June 30, 1988, at a cost not to
exceed \$32,877.

Under this contract the Animal Rescue League of
Boston, Inc. will perform various duties related to
the control of rabies in the City of Boston. These
professional services will include, but not be limited
to the quarantine of possible rabid animals, the per-
formance of follow-up inspections and veterinary
examinations, the analysis of brain tissue to deter-
mine the presence of rabies, and compliance with
all state health laws pertaining to rabies control.

The Animal Rescue League of Boston has pro-
vided rabies control services for the Department of
Health and Hospitals for many years. Various ken-
nels had been explored as possibly providing rabies
control services. The Animal Rescue League of
Boston was the only vendor who could provide
adequate facilities and services to fully deal with rabies
control. The costs of the unadvertised con-
tracts awarded to the Animal Rescue League of
Boston, Inc., for the past three fiscal years have
been as follows: 1987 — \$33,647; 1986 — \$32,169;
1985 — \$32,169.

Therefore, in view of the professional, unique
service to be rendered, in which the Animal Rescue
League of Boston, Inc. has had wide experience
and which it has satisfactorily provided to the city
for many years at a cost which, in my opinion, is
reasonable, no benefit would inure to the City by
publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Abuse Prevention

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue. This contract between the Department of Health and Hospitals and the Trustees of Health and Hospitals of the City of Boston, Inc., provides the matching funds required by the State Department of Social Services (Title XX) to provide child abuse prevention and respite care services for children at high risk of abuse and neglect at Boston City Hospital for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$33,180.

Under this contract the Trustees of Health and Hospitals of the City of Boston, Inc. will provide medical care and psychological and social support for families of victims or potential victims of child abuse and neglect, as well as specific services such as payroll, purchasing and financial reporting. In consideration of services rendered, the Trustees shall be permitted to retain an amount equal to 9.5 percent of the total of this contract as general and administrative cost. This arrangement is satisfactory to the State Department of Social Service (Title XX). This contract has been awarded without advertising for the last three fiscal years in the following amounts: 1987 — \$26,248; 1986 — \$43,746; 1985 — \$42,350.

This undertaking is of a very personal and professional nature, and the Trustees have demonstrated to the City their special fitness to administer this contract in a very satisfactory manner at a reasonable cost. Accordingly, in my judgment, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Outreach

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue for the period July 1, 1987, through June 30, 1988, at a cost, cost not to exceed \$447,000.

This contract will cover salaries, fringe, indirect costs and overhead for Neighborhood Health Advocates assigned to make home visits and outreach at community sites and health centers in Roxbury, Dorchester, Mattapan, South end and Jamaica Plain neighborhoods. The services are of a professional nature delivered by social workers, advocates, nurses and health education staff and integrated into the Department of Health and Hospitals Community Health nursing program. The contract is designed to target and assist women with rates of low birthweight above the average for the general population including black and low income women, adolescents, and women with poor reproductive histories.

The Neighborhood Health Advocates will work with the neighborhood health center Obstetrics and Gynecology providers and the Department's public health nurses to: find and enroll pregnant women in health care during the first trimester; assist in compliance with clinic visits and other necessary medical services; assist women with enrollment in entitlement and social service programs (e.g. nutrition, medicaid, day care, etc.); and assure that high

risk women receive the necessary social supports.

Unadvertised contracts were awarded for the past three fiscal years in the following amounts: 1987 — \$418,000; 1986 — \$368,000; 1985 — \$150,000.

Because of the nature of the services to be provided and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$26,554.

Under this contract Trustees of Health and Hospitals will provide for the salary and fringe benefits for a community outreach worker to work with the Haitian community surrounding the issues of AIDS.

An unadvertised contract was awarded to Trustees of Health and Hospitals for fiscal year 1987 in the amount of \$25,163. Prior to this the service was not in existence.

Because of the unique nature of the services to be provided, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Homeless Shelter

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc., 725 Massachusetts Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$275,000.

Under this contract Trustees of Health and Hospitals will supply, subject to departmental approval, personnel services for the operation of the Shelter for the Homeless at Long Island Hospital. The persons employed under this contract must be sensitive to the issue of homelessness and must have a long background in dealing with this complex problem. The contract will also include provision of specific services such as payroll, purchasing and financial reporting to the Department of Health and Hospitals.

Unadvertised contracts have been awarded to Trustees of Health and Hospitals of the City of Boston, Inc. for the last three fiscal years in the following amounts: 1987 — \$275,000; 1986 — \$275,000; 1985 — \$570,000.

Inasmuch as the Trustees of Health and Hospitals of the City of Boston, Inc., a nonprofit organization, has demonstrated expertise in recruitment and fiscal management at a reasonable cost, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Uniforms

Dear Sir:

An invitation for bids, Proposal No. 637, to furnish Uniform Clothing to the Department of Health

and Hospitals was advertised in the *City Record* on April 20, 1987. Bids were publicly opened and read on May 13, 1987. Twenty-one companies were solicited and four companies responded to the invitation to bid.

A technically defective bid was received from the following vendor, who submitted the lowest acceptable bid meeting specifications at prices I consider to be reasonable, in that the vendor filed a late copy of the bid with the City Auditor.

Wearguard Corporation, Norwell, \$15,500.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract without further advertising, to the above vendor. The contract period is from July 1, 1987, through June 30, 1988.

Very truly yours,
George A. Lamb,
Acting Commissioner.

Radiation Monitoring

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to R. S. Landauer Co., Illinois, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$3,000.

Under this contract R. S. Landauer Co. will provide monthly radiation monitoring services, including film badges and radiation reports, for more than 200 employees subject to radiation. State and Federal Law requires exposure data on all individuals exposed to ionizing radiation.

R. S. Landauer Co. was awarded an unadvertised contract for fiscal year 1987 in the amount of \$3,000. Prior to this time no contract was warranted because the cost was under \$2,000.

Therefore, because R. S. Landauer has a database file with all the previous data on each of the employees maintained in accordance with Title 46 code of Federal Regulations 19.12, and because the cost, in my opinion, is reasonable no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Laboratory Supplies

Dear Sir:

An invitation for bids, Proposal No. 634, to furnish Laboratory Supplies to the Department of Health and Hospitals was advertised in the *City Record* on April 13, 1987. Bids were publicly opened and read on May 4, 1987. Ninety-four companies were solicited and fifty-one companies responded to the invitation to bid.

Technically defective bids were received from following vendors, who submitted the lowest acceptable bids meeting specifications at prices I consider to be reasonable. Three vendors submitted late bids, one vendor did not sign their bid, vendor did not file a copy with the City Auditor, vendors did not submit bid packages with the chasing Department at Boston City Hospital the other did not include prices on the copy with the City Auditor.

Miles Laboratories, Inc., Ames Division, Elk River, MN 55329, \$82,110; Scott Laboratories, Fiskeville, RI 02823, \$50,000; Life Technology Laboratories, Lawrence, MA 01840, \$32,000; Electro-Nucleonics, Inc., Fairfield, NJ 07006, \$13,568; National Diagnostics,

anville, New Jersey 08835, \$8,725; Burrough's Wellcome Co., Wellcome Diagnostics Division, Research Triangle Park, NC 27709, \$5,550; Northeast Laboratory Services, Waterville, Maine 04901, \$5,000; and Sclavo, Inc., Wayne, New Jersey 07470, \$3,025.

Therefore, because it is in best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to reject all bids for items to be supplied by the above vendors and award contracts, without further advertising, to these vendors.

The contract amounts are approximate figures based on estimated volumes. The contract period is from July 1, 1987, through June 30, 1988.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

The bid request for Laboratory Supplies, Proposal No. 634, which was publicly opened and read May 4, 1987, contained a request to furnish coagulation supplies, items No. 120 through 124, inclusive. Vendors were requested to bid in two ways: one bid for supplies only and one bid for supplies and equipment. Of the 51 vendors who submitted bid packages, 5 vendors bid on these items, with 4 vendors responding to the request for equipment. After reviewing all bids and evaluating equipment offered by the vendors, the Department has determined that the Dade Supplies and MLA Equipment offered by American Scientific Products best meets its needs and meets specifications. In addition to providing the laboratory with the use of one each MLA 800 and MLA 800D coagulation timers, a vendor will completely refurbish the MLA 700 coagulation instrument which is currently in use in the laboratory.

American Scientific Products also quoted pricing based on one, two, or three year commitments. The Department decided that the two year offer best meets its needs and requests your Honor's permission to award the contract to American Scientific Products, Bedford, MA 01730, in an amount not to exceed \$108,000.

The contract period is from July 1, 1987, through June 30, 1989.

This award is being processed late because we do not have the necessary documents from the vendor in order to process the contract.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Health Centers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1987 through June 30, 1988. Grantee Corporation: Carney Hospital; Neighborhood Health Center: Little House Health Center, 100 Dorchester Avenue, Dorchester, Mass. 02125; Amount of Grant: \$41,835.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city contribution be matched by the particular Grantee Corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department

of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Little House Health Center to provide primary care services in Dorchester for almost 16 years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. Little House Health Center has been awarded unadvertised contracts for the past three fiscal years, in the following amounts: 1987 — \$41,835; 1986 — \$31,435; 1985 — \$31,435.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1987 through June 30, 1988.

Grantee Corporation: Brigham & Women's Hospital; Neighborhood Health Center: Brookside Park Family Life Center, 3297 Washington Street, Jamaica Plain, Ma. 02130; Amount of Grant: \$120,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city contribution be matched by the particular Grantee Corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Brookside Park Family Life Center to provide primary care services in Jamaica Plain for almost 16 years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. Brookside Park Family Life Center has been awarded unadvertised contracts for the past three fiscal years, in the following amounts: 1987 — \$120,000; 1986 — \$100,000; 1985 — \$80,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the

city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to South End Community Health Center, Inc., 400 Shawmut Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$156,700.

Under this contract medical services are provided for residents of the South End community through the operation of a private, nonprofit medical care clinic. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. The health center provides three basic primary care services: adult medicine, pediatrics, and obstetrics/gynecology. Department of Health and Hospitals funded health centers play a major role in the delivery of ambulatory care throughout the city.

The South End Community Health Center has operated this clinic for almost eighteen years with financial assistance from this Department, and in our judgment it is a vital provider of health services in the community which must continue to operate. Unadvertised contracts have been awarded for the past three fiscal years in the following amounts: 1987 — \$156,700; 1986 — \$145,000; 1985 — \$120,000. This contract enables the health center to meet the responsibility placed upon it by the City of Boston Primary Care Districting Plan.

Inasmuch as the South End Community Health Center, Inc. is specially suited by experience and expertise to provide this service to the City, at a cost that is reasonable, and since the services provided are of a personal and professional nature, no benefit would inure to the city by publicly advertising for bids.

Negotiations over the amount of this contract were not finalized until the end of June, thus this Award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Yearwood Orthodontic Laboratory, Cambridge, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$4,979.

Under this contract Yearwood Orthodontic Laboratory will perform dental and orthodontic laboratory services for the Whittier Street Clinic and Boston City Hospital. The Department's orthodontic program has been using the Yearwood Laboratory for approximately 16 years, and during this time Yearwood Laboratory has provided high quality services and has been very responsive to the needs of our patients. As most orthodontic patients are in treatment for approximately two years, it would disrupt the treatment process to use another laboratory. Also, there would be a drop in the efficiency and productivity of the orthodontic program as a new laboratory would have to be oriented and

trained in the needs of our program and patients. In addition, Yearwood Orthodontic Laboratory is the only minority orthodontic lab in Greater Boston.

In fiscal year 1987 Yearwood Orthodontic Laboratory was awarded an unadvertised contract for a seven month period with a total cost of \$2,436. In 1986 an advertised non-competitive bid contract was awarded for an eight month period in the amount of \$3,500. A two year advertised non-competitive bid contract was awarded for 1984-85 in the amount of \$9,000.

Therefore, in view of the above, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Consultant Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Barry Make, M.D., 19 Carlton Road, Waban, for the period July 1, 1987, through June 30, 1988 at a cost not to exceed \$12,800.

Under this contract Dr. Make will provide consultant services in Pulmonary Medicine and Respiratory Therapy for the patients at Mattapan and Long Island Hospitals. Dr. Make will serve as the Medical Director for the Respiratory Therapy Division. This will include developing and reviewing policies and procedures for the Respiratory Therapy Division, evaluation and in-service education for the staff, ongoing review of patient care, participation in Quality Assurance Programs, and monitoring of compliance of the Respiratory Therapy department with regulatory agencies. Telephone availability for problems relating to Pulmonary Medicine will be provided. Each on-site consultative session, which shall not exceed four (4) hours in length, shall be scheduled in advance on a weekly basis. The hours of said sessions will be determined by the Medical Director. At Long Island Hospital the on-site sessions shall not exceed twelve times per year, the frequency of which will be determined by the Medical Director. Reimbursement will be at the rate of \$50 per hour to be paid monthly on a services rendered basis.

Dr. Make has provided the Department with excellent services in the past. He has been awarded unadvertised contracts for the past three years in the following amounts: 1987 — \$22,000; 1986 — \$12,800; 1985 — \$9,200.

As Dr. Make is a specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

This contract was submitted for processing in March, 1987. However, it was returned to the Contract Office for inclusion of the newly created activity codes, which were not available to us at that time. The contract was put aside until this information was supplied to us, and was subsequently overlooked by the Contract Office. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to Trustees of Boston University, Psychiatry Section, 80 East Concord Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$11,656.

Under this contract the Psychiatry Section will provide consultant services in Psychiatry at Long Island Hospital. On-site consultative sessions are to be provided at least once a week with the total consultative time not to exceed four (4) hours per week. The frequency and length of each session are to be determined by the Medical Director. Reimbursement will be at the rate of \$50 per hour to be paid monthly on a services rendered basis. The contractor will also provide telephone availability for problems relating to psychiatric aspects of patient care. In addition, the contractor must provide on-site consultative coverage for absences, including vacation.

The Trustees of Boston University have provided excellent services in Psychiatry for many years. Unadvertised contracts have been awarded for the past three fiscal years in the following amounts: 1987 — \$20,000; 1986 — \$20,800; 1985 — \$10,400.

Because of the special fitness of the Psychiatry Section to provide these services, as the Psychiatry Section has provided excellent services in the past, because of the professional nature of the services, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, acting by and through the Division of Hematology of the Boston University School of Medicine, 80 East Concord Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$9,000.

Under this contract the Division of Hematology will provide a consultant to the Blood Bank at Boston City Hospital. This Hematologist/Immunologist will serve as Medical Director of the Blood Bank and as liaison with the Medical Staff. The aforesaid physician will serve under the Department. The assignment to the position will be by the University with the approval of the Department. The cost is fixed and is to be paid monthly.

The Division of Hematology of the Boston University School of Medicine has provided the Department with excellent service in the past. The costs of the unadvertised contracts for the last three fiscal years were as follows: 1987 — \$9,000; 1986 — \$9,000; 1985 — \$9,000.

Therefore, because this position is required by F.D.A. and Massachusetts Public Health Regulations, because of the professional nature of the services to be rendered, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. Michael Price, 720 Harrison Avenue, for the period

July 1, 1987, through June 30, 1988, at a cost not to exceed \$7,400.

Under this contract Dr. Price will provide on-site consultative sessions in Ophthalmology at Mattapan and Long Island Hospitals. Each three hour consultative session will be reimbursed at the rate of \$50 per hour. The sessions will be scheduled in advance at a frequency of twice a month at Mattapan Hospital and once a month at Long Island Hospital. These consultative sessions will include occasional in-services to the medical staff at the request of the Medical Director. Reimbursement will be paid monthly on a services rendered basis. Twenty-four hour telephone availability for questions regarding ophthalmologic problems will be reimbursed at a flat fee of \$1,000/12 months for Mattapan Hospital, and \$1,000/12 months at Long Island Hospital.

Unadvertised contracts were awarded to Dr. Price for the last three fiscal years in the following amounts: 1987 — \$7,700; 1986 — \$7,400; 1985 — \$7,250.

As Dr. Price is a specialist in this field, because of the professional nature of the services provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. Robert P. Moritz, Canton, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$2,990.

Under this contract Dr. Moritz will provide consultant services in Optometry at Long Island Hospital. Each three hour on-site consultative session will be reimbursed at the rate of \$115 per session. The frequency of the consultative sessions will be every other week or as determined by the Medical Director and/or Administrative Director.

Dr. Moritz has provided the Department with excellent services in the past. Dr. Moritz has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$2,990; 1986 — \$2,990; 1985 — \$2,990.

Because of the personal and professional nature of the service to be provided, and because Dr. Moritz is well qualified by training and experience to provide these services, at a price I deem to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Cefer Bague, M.D., 280 Washington Street, Suite 1, Brighton, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$43,600.

Under this contract Dr. Bague will provide administrative and consultative services in Physical Rehabilitation Medicine for patients at Mattapan and Long Island. On-site consultative sessions will be provided at Mattapan three times per week, not to exceed four hours per session. At Long Island Hospital on-site consultative sessions will be provided once per week, not to exceed four hours per

sion, plus a maximum of twenty administrative sessions, not to exceed two hours per session. These sessions entail developing and reviewing policies and procedures for Physical and Rehabilitation Medicine. All services will be reimbursed at the rate of \$50 per hour, to be paid on a services rendered basis.

Dr. Bague was awarded an unadvertised contract for fiscal year 1987 in the amount of \$23,450. Prior to this time, Dr. Chatterjee was awarded an unadvertised contract for the last six months of Fiscal Year 1986 in the amount of \$11,700. Dr. Chatterjee resigned to pursue private practice. Previous unadvertised contracts were awarded to Dr. Moses in the following amounts: 1986 — \$22,700 (July 1, 1985, through December 31, 1985); 1985 — \$9,000 (Mattapan Hospital). The increase in the contract amount for fiscal year 1988 reflects an increase in hours of service to be provided.

As Dr. Bague is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to James Breeling, M.D., Needham, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$8,400.

Under this contract Dr. James Breeling will provide consultative services in Infectious Diseases and Epidemiology and related educational services for the medical and nursing staff, specifically the pediatric nurse, at Mattapan and Long Island Hospitals. At each hospital, on-site consultative sessions will be provided once a month, to include attendance at the Infection Control Meeting. Services will be reimbursed at the rate of \$200 for each two hour session. An additional eight sessions, four at each hospital, will be arranged by the Medical Director and will be reimbursed at the rate of \$200 for each two hour session. Telephone availability will be provided at both hospitals and will be reimbursed at the flat rate of \$1,000 at each hospital for the year.

Dr. Breeling was awarded an unadvertised contract for fiscal year 1987 in the amount of \$9,200. Prior to this time, unadvertised contracts were awarded to the Trustees of Boston University with services provided by Dr. Craven in the following amounts: 1986 — \$7,490; 1985 — \$6,776. Dr. Craven resigned his position effective July 1, 1986.

As Dr. Breeling is a specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to John Adams, M.D., Manchester, 01944, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$8,900.

Under this contract Dr. Adams will provide consultant services in Neurology for patients at Mattapan Hospital. A three hour consultation session will be provided once a week, to be scheduled in advance. Each session, which will include occasional in-service for the medical staff and chart reviews, will be reimbursed at the rate of \$50 per hour to be paid monthly on a services rendered basis. Telephone availability for neurological problems will be provided for a flat fee of \$1,000/year to be paid on a monthly basis. Development of criteria for formal neurological studies will be provided also as requested by the Medical Director.

Dr. Adams was awarded unadvertised contracts for the past two fiscal years in the following amounts: 1987 — \$8,900; 1986 — \$8,900. Prior to that time Dr. Fereydoun Shahrokhi provided the above services.

As Dr. Adams is a specialist in this field, because of the professional nature of the services to be provided, and as the cost in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Kenneth Silverman, M.D., Brookline, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$10,000.

Under this contract Dr. Silverman will provide on-site cardiology consultations at Mattapan and Long Island Hospitals. Each three hour consultative session will be reimbursed at the rate of \$50 per hour. The sessions will be scheduled in advance at a frequency of twice a month, as determined by the medical director. A maximum of four emergency sessions, two at each hospital, also to be scheduled by the medical director, are to be reimbursed at the rate of \$150 per session. Telephone availability for consultations will be reimbursed at a flat rate of \$1,100 for Mattapan Hospital, and \$1,100 for Long Island Hospital.

An unadvertised contract was awarded to Dr. Silverman for fiscal year 1987 in the amount of \$10,300. Prior to this the chronic care division did not require a Cardiology Consultant.

Because of the special fitness of Dr. Silverman to provide these services, because of the professional nature of the services to be rendered, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

The contract documents were sent to the vendor for signature on April 27, 1987, however they were not returned to the Contract Office until July 23, 1987. Thus, this Award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, 80 East Concord Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$73,920.

Under this contract Dr. Alfred I. Tauber will serve

as Director of Clinical Laboratories, acting as a consultant for all laboratory issues. Dr. Tauber will provide medical expertise and guidance to the labs and interact with the Medical, Surgical and Ancillary staff through the hospital. He will also set policy and conduct associated duties with the Department of Laboratory Medicine.

Dr. Tauber has provided excellent performance of these services in the past. The costs of the unadvertised contracts awarded to Trustees of Boston University with services provided by Dr. Tauber for the last three fiscal years were as follows: 1987 — \$60,000; 1986 — \$60,000; 1985 — \$60,000.

Because of the professional nature of the services to be provided and the importance of remaining in full compliance with the requirements of the Joint Commission on Accreditation of Hospitals, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Affiliated University Surgeons, P.C., recipient Dr. Nancy Cantelmo, 75 East Newton Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$14,800.

Under this contract Dr. Cantelmo will provide on-site consultative services for surgery to the patients at Mattapan and Long Island Hospitals. On-site consultative sessions will be provided at Mattapan Hospital on a scheduled weekly basis not to exceed four hours per week. On-site consultative sessions will be provided at Long Island Hospital as needed. The necessity of each session will be determined by the Medical Director and will not exceed twelve times per year, not to exceed four hours per session. All sessions will be reimbursed at a rate of \$50 per hour to be paid monthly on a services rendered basis. Telephone availability for questions regarding surgical problems for patients at Mattapan and Long Island Hospitals will be provided at a flat rate of \$1,000 per year, at each hospital.

Unadvertised contracts have been awarded to Affiliated University Surgeons, P.C., recipient Dr. Nancy Cantelmo, for the past three fiscal years for Mattapan and Long Island Hospitals in the following amounts: 1987 — \$9,918; 1986 — \$5,800; 1985 — \$5,950.

As Dr. Cantelmo is a specialist in this field, because of the professional nature of the services to be provided and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. Gigi Girgis, 55 Green Street, Charlestown, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$8,900.

Under this contract Dr. Girgis will provide on-site consultative services in Neurology at Long Island Hospital. A three hour consultative session will be provided once a week, to be scheduled in advance.

Each session, which will include occasional in-service for the medical staff and chart reviews, will be reimbursed at the rate of \$50 per hour to be paid monthly on a services rendered basis. Development of criteria for formal neurological studies will also be provided as requested by the Medical Director. Telephone availability for questions regarding neurological problems will be paid on a monthly basis for a flat fee of \$1,100 per year.

Dr. Girgis was awarded an unadvertised contract for fiscal year 1987 in the amount of \$8,300. Prior to this time, unadvertised contracts were awarded to Dr. Schiff in the following amounts: 1986 — \$8,900; 1985 — \$8,900. Dr. Schiff resigned at the end of July.

As Dr. Girgis is a specialist in this field, because of the professional nature of the services to be provided, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Hewlett-Packard Company, 1775 Minuteman Road, Andover, for the period August 1, 1987, through July 31, 1988, at a cost not to exceed \$30,976.68.

Under this contract Hewlett-Packard Company will provide maintenance including parts and travel for the following Hewlett-Packard systems: ECG Management System and Series 60 Real Time Phased Array Imaging System.

In addition Hewlett-Packard will provide miscellaneous repairs as needed on various Hewlett-Packard equipment.

The Hewlett-Packard Company has provided the Department with high quality repair services in the past. Hewlett-Packard Company has been awarded unadvertised contract for the past three fiscal years in the following amounts: 1987 — \$19,063; 1986 — \$11,350; 1985 — \$11,500.

Inasmuch as Hewlett-Packard is the manufacturer who has specially trained personnel to quickly diagnose and repair the equipment without disruption to patient care, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

An invitation for bids to provide (1) Maintenance of Fortune System, (2) Peripheral Computer Hardware Maintenance Service, and (3) Repair and Installation Services for Computer Terminal and Instrument Interfaces at Boston City Hospital for the period July 1, 1987 through June 30, 1988, was advertised in the *City Record* on April 20, 1987. Bids were publicly opened and read on May 5, 1987. Eleven companies were solicited and the following bids were received for Sections 2 and 3. Section 2 — Peripheral Computer Hardware Maintenance Service.

Dataterm, Inc., Woburn, \$11,844; and Northeast Terminal & Computer Services, Inc., Billerica, \$12,613.20.

Section 3 — Repair and Installation Services for Computer Terminal and Instrument Interfaces.

Dataterm, Inc., Woburn, \$45 per hour per man, plus travel and parts.

A technically defective bid was received from Dataterm, Inc., the low bidder on Section 2 and sole bidder on Section 3, in that they failed to submit the required bid deposit.

Therefore, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to reject all bids and award this contract without advertising to Dataterm, Inc., at a cost not to exceed \$22,500, under the terms and conditions stated above.

Very truly yours,
George A. Lamb, M.D.,
Acting Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Del Mar Avionics, 274 Main Street, Reading, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$8,930.

Under this contract Del Mar Avionics will provide service maintenance to include parts, labor and travel weekdays from 8 a.m. to 5 p.m. for the Del Mar Model 750 Innovator w/8 recorders (Model 453-A) located in the Heart Station at Boston City Hospital. 1 Scanner, \$7,490; 8 Holter Recorders, \$1,440.

Fiscal Year 1988 is the first year that a contract will be required for servicing the above equipment, as it has been under warranty until now.

Therefore, because Del Mar Avionics is the factory authorized service representative, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to ATL Ultrasound, Bothell, Washington 98041, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$8,120.

Under this contract ATL Ultrasound will provide maintenance service, parts and labor for two Mark 100 Ultrasound units between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, except holidays.

ATL Ultrasound has provided quality maintenance services for the two Mark 100 Units since fiscal 1983. ATL Ultrasound has been awarded unadvertised contracts for the past 3 fiscal years in the following amounts: 1987 — \$8,120; 1986 — \$8,420; 1985 — \$8,115.

Inasmuch as ATL Ultrasound is the sole manufacturer of these units and has specially trained personnel to quickly diagnose and repair the equipment without disruption of patient care, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Acuson, Inc., Mountain View, California 94043, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$14,100.

Under this contract Acuson, Inc. will provide service maintenance to include parts, labor and travel weekdays from 8 a.m. to 5 p.m. and any software update as it becomes available for the following equipment located in the Radiology Department at Boston City Hospital: Acuson 128 Ultrasound Unit and Matrix Camera Model 1010.

Acuson, Inc. has been awarded unadvertised contracts for the past two fiscal years for the amount of: 1987 — \$13,500; 1986 — \$9,150. Prior to that time the above equipment has been under warranty.

Therefore, because Acuson, Inc., is the manufacturer and has the personnel specially trained to service the above equipment at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to United X-Ray Corporation of Massachusetts, Fall River, Massachusetts, for the period July 1, 1987 through June 30, 1988 at a cost not to exceed \$221,080.

Under this contract United X-Ray Corporation will provide the following services:

1. Service maintenance for Phillips X-Ray Equipment located in A.C.C. X-Ray: Room 1, 2, 3, 4, 7 and Polytome System, to include parts, labor and travel between 8:00 A.M. and 5:00 P.M., \$133,056.
2. Repair contract on above equipment as needed, after 5:00 P.M., weekends and holidays, \$6,000.
3. Service maintenance for Angio Suite and Cystoscopy table, \$57,024.
4. To furnish x-ray tubes as needed, \$25,000.

United X-Ray Corporation has provided the Department with quality maintenance service for over eighteen years. United X-Ray Corporation has been awarded unadvertised contracts for the last three fiscal years in the following amounts: 1987 — \$207,000; 1986 — \$209,000; 1985 — \$151,500. United X-Ray Corporation is the sole distributor and the only company to service the radiologic units.

Therefore, because the equipment is of a high specialized nature, because United X-Ray Corporation is the sole distributor and, because the cost in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Rainin Instrument Company, Inc., Woburn, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$2,200.

Under this contract Rainin Instrument Company, Inc. will provide preventive maintenance and emergency service for the Radiometer ABL-30 Blood Gas Instrument located in the Respiratory Therapy Department at Mattapan Hospital. This contract includes two preventive maintenance calls, any all emergency service, travel and labor during normal working hours, and all replacement parts with the exception of glass parts, electrodes, or damage due to spillage.

Rainin Instrument Company, Inc. had provided excellent service in the past. An unadvertised contract was awarded to Rainin Instrument Co., Inc. for the fiscal year 1987 at a cost of \$2,300. Prior to this the bids were under \$2,000, thus a contract was not warranted.

Rainin Instrument Company, Inc. is the only authorized vendor in this region to maintain and supply parts for radiometer equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Physio Control, Rowayton, Connecticut 06853, for the period July 1, 1987, through June 30, 1988 at a cost not to exceed \$5,607.

Under this contract Physio Control will provide band and maintenance and repair services Monday through Friday, 8:00 a.m. to 5:00 p.m. This includes (except for conditions of abuse) labor, travel and expenses, with the exception of the recording stylus, recording paper, and patient cables, necessary to maintain in good operating condition seven (7) Life-5 Units.

Physio Control has provided the Department with excellent service in the past. The technicians are contacted for service on an average of once a week and respond in a timely fashion and are sensitive to the needs of the Department. Physio Control has been awarded unadvertised contracts for the past five fiscal years in the following amounts: 1987 — \$4,886; 1986 — \$5,200; 1985 — \$3,450.

This service is unique in that when a unit is in need of repair the service must be immediate or a replacement unit must be made available in order to ensure adequate coverage for the Department. The package 5 prehospital monitor and defibrillator is manufactured and serviced only by Physio Control and therefore, because Physio Control is the manufacturer and has the personnel specially trained to maintain and repair the above equipment, at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to National Business Systems, Moonachie, New Jersey 07074, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$10,000.

Under this contract National Business Systems will provide service, including parts and labor, for NBS Model 9900 embossers, on an as needed basis. Fiscal year 1988 is the first year that a contract will be in effect as the embossers have been under warranty until now.

Therefore, as National Business Systems is the manufacturer and as the cost, in my opinion, is reasonable, no benefit would inure to the city by public advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

An invitation for bids for Maintenance of Operating Room Instruments at Boston City Hospital for the period July 1, 1987, through June 30, 1988, was advertised in the *City Record* on March 9, 1987, and bids were publicly opened and read on March 24, 1987. Four companies were solicited and the following bid was received: Mobile Instrument Service & Repair South Easton.

The sole bidder Mobile Instrument Service & Repair, submitted a defective bid, in that they did not file a copy with the City Auditor.

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award this contract, without further advertising, to Mobile Instrument Service & Repair, for the period July 1, 1987, through June 30, 1988 at a cost not to exceed \$4,000.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

An invitation to bid for Maintenance and Repair Service for Dictaphone Equipment at Boston City Hospital was advertised in the *City Record* on April 21, 1987, with a bid opening day of May 6, 1987. Three companies were solicited. No bids were received for service for Dictaphone Equipment.

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to Dictronics Inc., Needham, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$2,500.

Under this contract Dictronics, Inc. will provide preventive maintenance and repair service at a cost of \$67.50 per unit for the following equipment: (9) BM-25A; (18) BM-20; (50) BM-75; (2) BM-40A.

Dictronics Inc. has provided the Department with good service on this equipment in the past. Fiscal Year 1988 is the first year that a contract will be in effect for this service. Prior to this the cost had been under \$2,000, therefore no contract was warranted.

In view of the above, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by further advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to W. E. Collins, Inc., Braintree, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$3,016.

Under this contract W. E. Collins, Inc. will provide one maintenance visit, unlimited emergency visits, including parts, labor and expenses to the Collins DS/560 Spirometer System, S/N 0522 located in the Pulmonary Function Lab. at Boston City Hospital.

W. E. Collins, Inc. has performed repairs to the DS/560 Spirometer System with a high degree of skill in the past. Fiscal year 88 is the first year that a contract will be in effect for this service. Prior to this the cost had been under \$2,000, therefore no contract was warranted.

Therefore, because W. E. Collins, Inc. is the manufacturer with personnel specially trained to perform repairs to the above equipment, and as the

cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Motorola, Inc., Waltham, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$91,980.

Under this contract Motorola, Inc. will provide programmed maintenance and repair of Motorola radio communications equipment owned by the Department of Health and Hospitals' EMS Ambulance Service. The total cost for programmed maintenance of fixed base equipment and mobile/portable equipment will be \$60,000. Miscellaneous repairs will be performed on a time and material basis at the rate of \$60 per hour.

An unadvertised contract was awarded to Motorola, Inc. for fiscal year 1987 in the amount of \$90,000. The contract was advertised in fiscal year 1986 and two bids were received. The low bidder at that time was Acticom, Inc. (formerly Ackerman Communications Ltd.). However, Acticom, Inc. was not an authorized dealer for Motorola, Inc. The contract was therefore awarded, without advertising, to the second bidder, Motorola, Inc. at a cost of \$111,536. An unadvertised contract in the amount of \$69,980 was awarded to Ackerman Communications Ltd. in 1985, as this company was an authorized dealer during that time.

Therefore, as Motorola, Inc. is capable of providing the engineering support and inventory of parts necessary to meet the needs of the department and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

George A. Lamb, M.D.,
Acting Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Digital Equipment Corporation, Waltham, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$23,627.20.

Under this contract Digital Equipment Corporation will provide computer software maintenance and update service for the following at a cost of \$4,804: DPD 11/70 computer system to include: a. RXS-11m + b. Fortrain IC.

Digital Equipment Corporation will also provide a software contract for the VAX DECrad System and VAX/VMS System at a cost of \$18,823.20.

In the past Digital Equipment Corporation has provided excellent service to the Department. Unadvertised contracts have been awarded to Digital Equipment Corporation for computer software maintenance and update service for the past three fiscal years in the following amounts: 1987 — \$22,278; 1986 — \$20,085; 1985 — \$19,380.60.

Inasmuch as the equipment is of a highly specialized nature, as Digital Equipment Corporation is the manufacturer, and as the price, in my opinion, is reasonable, no benefit would inure to the city by public advertising for bids.

The Contract Office did not receive the insurance

documents from the vendor until after July 1, 1987, therefore this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to AMSCO Service Company, Division of American Sterilizer Company, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$4,500.

Under this contract AMSCO Service Company will provide preventive maintenance inspections and repairs, bi-monthly inspections with callback service between inspections on the following equipment: 2, AMSCO Hyvac Steam Sterilizer (recessed); 1, AMSCO Cabinet enclosed Washer/Sterilizer; and 9, Loading Carts and transport carriers.

AMSCO Service Company had done business with Boston City Hospital for many years, servicing the hospital's sterilizer equipment, as needed, under the multi-vendor contract of the Physical Facilities Department. Unadvertised contracts have been awarded to AMSCO Service Company for the last two fiscal years in the following amounts: 1987 — \$4,000; 1986 — \$3,033 which was the first year a contract was in existence.

Therefore, because AMSCO Service Company is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were not received from the vendor until after July 1, therefore, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

An invitation to bid for Maintenance and Repair of Various Laboratory Equipment at Boston City Hospital was advertised in the *City Record* on May 4, 1987. Bids were publicly opened and read on May 18, 1987. Thirty-seven companies were solicited and one bid was received for the Isodata Gamma Counter & Qwint Printer. However, this was a technically defective bid, in that the vendor failed to submit the required bid deposit.

Beta Gamma Services, Inc., East Hartford, CT 06108, \$2,000.

Under this contract Beta Gamma Services, Inc. will provide portal to portal service including all parts and labor for the Isodata Gamma Counter and Qwint Printer.

Beta Gamma Services, Inc. the sole bidder, has submitted a bid I deem to be reasonable. Therefore, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award this contract, without further advertising, to Beta Gamma Services, Inc. for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$2,000.

This award is being processed late due to the time involved for the Department to peruse the multiple bids received in the category of Maintenance and Repair of Various Laboratory Equipment. The Contract Department was then required to obtain the necessary documents from the vendor.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Testing

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Children's Hospital, 300 Longwood Avenue, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$35,000.

Under this contract Children's Hospital will perform Rhino Sinus Virus Tests at \$177/test and Chloramphenicol Test at \$92/test. These tests are subject to increase during the contract period. These tests are required for pediatric patients at Boston City Hospital.

Children's Hospital has provided an excellent quality service in the past which has met with the approval of the physicians. Unadvertised contracts were awarded to Children's Hospital for the past three fiscal years in the following amounts: 1987 — \$30,000; 1986 — \$20,000; 1985 — \$27,010.

Therefore, because Children's Hospital is best suited to perform these tests and also because the cost in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, Center for Human Genetics, 80 East Concord Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$51,500.

Under this contract Trustees of Boston University, Center for Human Genetics, will perform genetic diagnostic testing services to include: Peripheral blood cell chromosomes at \$325; Bone marrow culture and chromosomes at \$350; Amniotic fluid cell chromosomes at \$525; Peripheral blood for Fragile-x chromosomes at \$350; Skin biopsy fibroblast chromosomes at \$350; Serum alpha-fetoprotein at \$25; Amniotic fluid acetylcholinesterase assay at \$75; Amniotic fluid alpha-fetoprotein assay at \$25.

The Trustees of Boston University, Center for Human Genetics, has supplied the Department with excellent services in the past. Trustees of Boston University, Center for Human Genetics, has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$50,500; 1986 — \$45,000; 1985 — \$35,000.

Therefore, because of the special nature of these services, because the vendor, being associated with the Medical School, is on-site and offers a fast turnaround time and convenience for consultations with the Boston City Hospital medical staff, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Brigham & Women's Hospital, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$25,550.

Under this contract Brigham & Women's Hospital, will perform L/S Ratio Testing at a cost of \$64/test before 2:00 p.m., L/S Ratio Testing (STAT) \$145/test, after 2:00 p.m., L/S Ratio, PG Testing \$60/test, L/S Ratio PG Testing (STAT) \$145/test, Anti Plt Indirect, \$81/test and Anti Plt Direct \$104/test. All of these tests are for Boston City Hospital patients.

Brigham & Women's Hospital has provided excellent quality service in the past, which has with the approval of the physicians. Unadvertised contracts have been awarded to Brigham & Women's Hospital for the past three fiscal years in the following amounts: 1987 — \$35,000; 1986 — \$25,000; 1985 — \$21,600.

Therefore, because Brigham & Women's Hospital is the only vendor in the area that performs the tests on a stat basis, and also because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Dr. Matthew A. Derow, Boston University Medical Center, Room 504, 80 East Concord Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$12,775.

Under this contract Dr. Derow will conduct O and Parasite Tests at a cost of \$20 per test. The quantity of tests will vary month to month, but it is expected that approximately 700 to 800 tests will be performed during the fiscal year. These tests provide an accurate method for the detection and identification of ova and parasites in the stool.

Dr. Derow has performed an excellent quality service in the past and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$12,500; 1986 — \$6,000; 1985 — \$5,000.

This service is unique in that the tests are performed at the Boston City Hospital Gastrointestinal Laboratory by a qualified physician, thereby eliminating the need for training and hiring a part-time technician and the expense associated with mandatory, periodic physician input when interpreting results, which would substantially increase the cost now expended for these tests.

Therefore, inasmuch as this contract is of a highly specialized nature and since Dr. Derow is eminently suited to perform the required tests, at a reasonable cost to the city, no benefit would inure to the City by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Boston University, 80 East Concord Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$4,080.

Under this contract Dr. Herbert Wotiz will perform hormone testing to include a combination estradiol and progesterone receptor assay at \$104 per test. Trustees of Boston University has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$4,080.

1986 — \$4,000; 1985 — \$4,000. Dr. Wotiz has provided these services in a satisfactory manner in the past by offering the quality control desired by the hospital.

Therefore, because of the special fitness of the University to provide these services, and because Dr. Wotiz is particularly qualified to perform the needed tests and also because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,
Lewis W. Pollack,
Commissioner.

LAW DEPARTMENT

Office Duties

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to Christine Moore, 15 Bay State Road,
Boston.

Under the terms of the contract, Ms. Moore will
provide services to the Workers' Compensation Di-
vision of the Law Department, including but not lim-
ited to the processing of section 37 claims, sched-
uling of depositions, analysis of files, declara-
tion of city's lien in third-party actions and other
related office duties. Ms. Moore is exceptionally
well qualified to perform these services because of
her prior experience and background in the Law
Department.

The period of this contract shall be from July 1,
1987, through June 30, 1988. Compensation will
not exceed \$3,000, and the payments will be made
at the rate of \$10 per hour, which I have determined
to be reasonable for the work to be performed.

In view of the nature of the services to be per-
formed and Ms. Moore's special qualifications, I be-
lieve that public advertising would serve no useful
purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

Investigative Services

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with public advertising and to award a con-
tract to John V. Sullivan, located at 1-C Lorenzo
Street, Dorchester, for investigative services.

Under the terms of the contract, John V. Sullivan
will provide investigative services to the Workers'
Compensation Division of the Law Department, in-
cluding but not limited to activities checks, surveil-
lance, reviewing records, documenting evidence,
submitting investigative reports and photographs,
serving subpoenas, notarizing documents and re-
lated office duties as required. John V. Sullivan is
uniquely qualified to do this work, because of pre-
vious thirty-six years of experience with the Work-
ers' Compensation Service.

Compensation under this contract shall not ex-
ceed \$15,000 and the payments will be made at the
rate of \$15 an hour, which I have determined to be
reasonable for the work to be performed. The term
of this contract shall be from July 1, 1987, to June
30, 1988.

In view of the nature of the services to be per-
formed and Ms. Moore's special qualifications, I be-
lieve that public advertising would serve no useful
purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

MANAGEMENT INFORMATION SYSTEMS

Wang Maintenance

Dear Mr. Mayor:

I respectfully request that your Honor award a
contract, without public advertising to Wang Labo-
ratories of Lowell, for the maintenance of Wang
Word/Data Processing machines for the various
city departments and for Wang Word Processing
equipment which was donated to the Boston Public
School System in an amount not to exceed
\$400,000 for the period July 1, 1986, through June
30, 1987.

Under this contract, Wang will provide all materi-
als and perform all the work necessary for and inci-
dental to providing preventive and remedial
maintenance service for this equipment.

Inasmuch as Wang is the manufacturer of the
equipment in question, their technicians are
trained specifically to maintain and repair all of this
equipment, and parts are readily available, and the
cost, in my opinion, is reasonable, no benefit would
accrue to the city by publicly advertising for bids.

The cost of this contract will be charged to ac-
count No. 011-140-0149-0490.

This company is a responsible one and the cost is
reasonable for the services provided. One of the
main factors involved in the late submission of this
award letter was the city/Wang Laboratories com-
parison of actual serial numbers and equipment to
be covered by the agreement. Because of these
complexities, this letter is being submitted late.

Respectfully yours,
Allan K. Stern,
Director.

MAYOR'S OFFICE

Consultant

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with public advertising and award a contract
to Mr. Craig Dutra, an individual located at Ware-
ham, for policy consulting and program develop-
ment.

Under the terms of the contract, Mr. Dutra will ad-
vise the Office of the Mayor on human service pro-
gram development and policy analysis. Mr. Dutra is
uniquely qualified to do this work because of his
over ten years experience in developing and man-
aging a wide array of human service programs.

Compensation under this contract shall not ex-
ceed \$9,500, which I have determined to be reason-
able for the work to be performed. Mr. Dutra will be
paid \$210 per diem and will work a full-time sched-
ule.

The term of this contract shall be from July 1,
1987, through August 31, 1987.

Mr. Dutra has received compensation for similar
work under contract during fiscal year 1987 in the
amount of \$43,300. He did not receive any compen-
sation during fiscal years 1985 and 1986.

Because of the professional nature of the serv-
ices to be performed, I believe that public advertis-
ing would serve no useful purpose.

Sincerely,
Nancy Snyder,
Staff Director.

PARKS AND RECREATION DEPARTMENT

Courageous Sailing Program

Dear Mr. Mayor:

I respectfully request your permission to dis-
pense with inviting proposals by advertising in the
City Record and to award a contract to the Boys and

Girls Clubs of Boston, Inc., 15 Green Street,
Charlestown.

It is our intention that the Boys and Girls Clubs of
Boston, Inc., will administer the Courageous Sail-
ing Program during the period July 1, 1987, to June
30, 1988. The sum to be paid would not exceed
\$100,000 which would be charged to the Parks and
Recreation Department Budget 011-300-0301-
PK05-029 Miscellaneous Contractual Services.
This is a reasonable rate for the services which
would be rendered.

Under the terms of this proposed contract the
Boys and Girls Clubs of Boston, Inc., would provide
financial management services with respect to pay-
roll, supplies and equipment for all personnel and
boats in the Courageous Sailing Program. In so do-
ing it would maintain all books, records, accounts
and other financial data necessary for the adminis-
tration of the program.

We have determined that this social service
agency is best qualified to aid us in conducting the
sailing program in Charlestown. By choosing this
local agency for the financial administration of the
sailing program in Charlestown, we can expect a
definite economic advantage to inure to the city and
the neighborhood. Further, specifications for com-
petitive bids are not feasible or practical to prepare
in this case due to the fact that only the Boys and
Girls Clubs of Boston, Inc., has the necessary expe-
rience managing a program of this nature and the
extent for the city.

I, therefore, feel that public advertising would
serve no useful purpose and I respectfully request
that your permission be forthcoming to enter into
this contract.

Very truly yours,
William B. Coughlin,
Commissioner.

Swimming Program

Dear Mayor Flynn:

I respectfully request your permission to dis-
pense with inviting proposals by advertising in the
City Record and to award a contract to the Boys and
Girls Clubs of Boston, Inc., 15 Green Street,
Charlestown.

It is planned that the Boys and Girls Clubs of Bos-
ton, Inc., will financially administer the public swim-
ming pool program. The contract will be for the
period July 1, 1987, to June 30, 1988. The sum to be
paid would not exceed \$260,000 which would be
charged to the Parks and Recreation Department
Budget 011-300-0301-PK05-029 Miscellaneous
Contractual Services. The above amount is based
on the total cost of the program which supports four
public pool operations. We have determined that
the above funding is necessary, reasonable and
cost effective.

Under the terms of this proposed contract the
Boys and Girls Clubs of Boston, Inc., will administer
and fiscally manage public pool operations con-
ducted by neighborhood organizations, to which
the facilities have been leased, for the 1987 sum-
mer season.

We feel that the Boys and Girls Clubs of Boston,
Inc., is a known, highly credible, active and profes-
sional private non-profit corporation that has
proven its capacity and demonstrated the manage-
ment capability to administer the pool program. It is
our considered opinion that the summer pool pro-
gram will best be operated by having this proposed
contractual arrangement. It is in the public good to
continue to have the Boys and Girls Clubs of Bos-
ton, Inc. administer and coordinate the activities of
the agencies involved in this project. Since it is our
opinion that an economic advantage would inure to
the City of Boston by giving children and adults a

good form of summer recreation, specifications for competitive bids are not practical to prepare in this case. I, therefore, feel that public advertising would serve no useful purpose and respectfully request that your permission be forthcoming to enter into this contract.

Very truly yours,
William B. Coughlin,
Commissioner.

Chair Rental

Dear Mayor Flynn:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record* and to award a contract to Why-Not-Rent, 1152 Dorchester Avenue, Dorchester. The contract is for rental chair service for the period July 1, 1987, to June 30, 1988, at a cost not to exceed \$15,000, an amount I determine to be reasonable.

Why-Not-Rent will provide 15,000 chairs at \$.95 each (delivery set-up and take down included) for eleven Wednesday Evenings on City Hall Plaza and other department events. The sum to be paid will not exceed \$15,000 which will be charged to the Parks and Recreation Department Budget appropriation 011-300-0301-0290-PK05.

In previous years we have used other vendors to supply chairs for these and other events and we were charged for "lost" chairs. These charges for "lost" chairs were in addition to the rental price. In addition, the vendor would deliver the chairs and Department employees would have to set them up and take them down, pack them and store them in City Hall until the following day when the vendor would pick them up. It was not possible to put a 24-hour guard to watch folding chairs.

For a fee of \$.95 per chair rental, Why-Not-Rent will set up all chairs for the performances and other events and remove all chairs afterwards. This saves the department the cost for lost chairs, overtime costs for employees and insures a professional set up of all chairs for the performances and other department events.

In our experience other vendors do not provide this service and the cost per chair is higher.

In the past Why-Not-Rent has proven to be reliable and professional.

It is my opinion that, due to the savings in personnel costs, the savings in "lost" chairs, the lower cost per chair and the set-up and take-down services to be provided by Why-Not-Rent, public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, st. 4, sec. 5.

The reason for the delay of the contract is that the contractor failed to return the contract in a reasonable time period.

Very truly yours,
William B. Coughlin,
Commissioner.

Financial Management

Dear Mayor Flynn:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record* and to award to the Action for Boston Community Development Inc., 178 Tremont Street, a contract for financial management services for the Boston Youth Conservation Corporation for the period June 1, 1987, to August 28, 1987, at a cost not to exceed \$70,000, an amount I determine to be reasonable.

Under the terms of the proposed contract, Action for Boston Community Development Inc., will provide financial management services with respect to

payroll, supplies and equipment for all personnel in the Boston Youth Conservation Corporation. In doing so, they will maintain all books, records, and accounts necessary for the administration of the program.

The Action for Boston Community Development Inc. has 20 years of past experience in similar programs with underprivileged youths. One million dollar cuts in the Summer Youth and Employment Training Program, which is the under the Summer Youth component of the Job Training Partnership, have threatened this program which has been instrumental in coordinating city youth and public improvement programs. By working with the proposed contractor we will be able to provide youths with a meaningful summer work experience that focuses on the improvement of community open spaces.

Based on their qualifications and experience it is in my opinion that the Action for Boston Community Development Inc. would insure services in an efficient and cost effective manner. I therefore request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, sec. 5.

The reason for delay of contract is due to Action for Boston Community Development's delay as well as the Awarding Authority delay in processing of the contract.

Respectfully yours,
William B. Coughlin,
Commissioner.

Baseball Clinics

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record* and to award a contract to Mr. Tom Harper, Stoughton.

It is our intention that Mr. Harper would provide baseball clinics, act as a coordinator for the Mayor's All Neighborhood Field Days and be involved in the Youth Partnership Project. He would commence these services August 1, 1987. The contract would end September 30, 1987. The sum to be paid would not exceed \$3,150. Mr. Harper would be paid \$30 per hour for approximately 25 hours per week. This amount would be charged to the Parks and Recreation Department Budget 011-300-0310-0290 PK05 Miscellaneous Contractual Services. This is a reasonable and standard rate for the services which would be rendered.

Under the terms of this proposed contract, Mr. Harper would conduct city-wide beginners and advanced baseball clinics for youth age 14 and under and 15 and over. Furthermore, he would serve as a coordinator for the Mayor's Field Days this summer. He will also act as one of this department's representatives in the Youth Partnership Project.

Mr. Harper would enter into this contract with a well-known and exceptional background as a professional baseball player. His baseball career with the Boston Red Sox gives him insights to the game of baseball which are unique. He can pass his expertise on to our youth through the above specified activities. His abilities, professional background and resources would make specification preparation for competitive bids not feasible or practical to prepare in this case.

I therefore request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, sec. 5.

Respectfully yours,
William B. Coughlin,
Commissioner.

Beautification Project

Dear Mayor Flynn:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record* and to award a contract to The Franklin Park Coalition Inc., 319 Forest Hills Street, Jamaica Plain.

The Franklin Park Coalition Inc. will serve as manager of a community beautification project in Franklin Park. The contract will be for the period of August 1, 1987, to October 15, 1987. The sum to be paid will not exceed \$30,000 which will be charged to the Parks and Recreation Department budget 011-300-0301-0290-PK02 Miscellaneous Contractual Services. The Franklin Park Coalition will employ and supervise one maintenance supervisor (seasonal) and supervise seventeen young seasonal workers. The Franklin Park Coalition will rent one pickup truck, and will supervise the young seasonal workers who will assist the Parks and Recreation employees in general maintenance of Franklin Park.

The type of maintenance the Franklin Park Coalition will perform includes, mowing, watering newly planted trees, planting new shrubs, weeding, litter pick-up, removal of vegetation and removal of trash.

The Franklin Park Coalition has extensive experience as a community based organization in supervising projects of this nature. It is my opinion that the interests of this Department and the citizens of Boston and specifically those in the Franklin Park area will be well served having the Franklin Park Coalition managing this program. I therefore request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, sec. 5.

Respectfully yours,
William B. Coughlin,
Commissioner.

Jamaica Pond

Dear Mayor Flynn:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record* and to award a contract to the Jamaica Pond Project, 36 Perkins Street, Jamaica Plain.

The Jamaica Plain Project will be responsible for the daily operations of the parkland and its facilities at Jamaica Pond. The contract will be for the period of August 1, 1987 to June 30, 1988. The sum to be paid will not exceed \$20,000.00 which will be charged to the Parks and Recreation Department budget 011-300-0301-0290 PK05 Miscellaneous Contractual Services. The Jamaica Pond Project will be responsible for the daily operations of Jamaica Pond. They will also supervise ten young seasonal workers who will assist the Parks and Recreation employees in the general maintenance of Jamaica Pond.

The type of maintenance the Jamaica Pond Project will perform includes litter pick-up, daily maintenance of flower gardens, raking of leaves, removal of dead branches, removal of vegetation and the daily operation of the Row Boating Program.

The Jamaica Pond Project enters upon this project with extensive experience as a community based organization which has been actively involved in Jamaica Pond and the Jamaica Plain community. It is my opinion that the Jamaica Pond Project will expand the network of citizen involvement in the parkland to insure optimal management and utilization of Jamaica Pond. It is also

inion that the interests of this Department and
e citizens of Boston and specifically those in the
maica Pond area will be served having the Ja-
maica Pond Project managing this program. I
erefore request permission to dispense with invit-
g sealed bids by advertising in the *City Record*
rsuant to authority granted under the City of Bos-
n Code, St. 4, sec. 5.

Respectfully yours,
William B. Coughlin,
Commissioner.

Consultant

ear Mayor Flynn:
I respectfully request your permission to dis-
se with inviting proposals by advertising in the
City Record and to award a contract to Mr. Angelo
cardi, 51 Church Street, Boston, MA 02116, for
services to be rendered as a consultant in the pro-
gramming of Special Events and Public Entertain-
ment for this Department from July 1, 1987, to June
1, 1988. The sum to be paid will not exceed
\$5,000, which would be charged to the Boston
Parks and Recreation Department budget 011-
00-0301-0290 Miscellaneous Contractual Serv-
ices. Mr. Picardi would work a total of 1,000 hours at
\$25 per hour which is the standard and professional
rate of services of this nature.

Under the terms of the contract Mr. Picardi would
assist in the planning of public festivities sponsored
by this Department and personally entertain and
perform in such events as Wednesday Evenings on
the Plaza, Senior Citizens concerts, the Christmas
Festival, and neighborhood entertainment pro-
grams. He would also assist in the engagement of
appropriate entertainment, in providing technical
assistance and would provide professional advise
concerning the entertainment business to other city
agencies in need of such services.

Mr. Picardi would enter into the contractual obli-
gation with superior professional credentials in the
entertainment business. He is a well known enter-
tainment celebrity. He has established an excellent
network in furthering the interests of this depart-
ment and the city.

It is my opinion that no useful purpose would be
served by advertising for bids in this instance. I,
therefore, respectfully request your permission to
enter into this contract.

Very truly yours,
William B. Coughlin,
Commissioner.

NO. 44

LONSDALE STREET GROUNDBREAKING FOR HOMES

Four months after a plane crashed into a Dorchester neighborhood, destroying \$2 million worth of private property, Mayor Raymond L. Flynn and State Rep. John Brett (D-Dorchester) on October 24, joined neighbors, friends and other officials at a ceremony marking the reconstruction of three houses leveled by the crash.

Mayor Flynn, who arrived on Lonsdale Street moments after the June 26 crash, began coordinating relief efforts for the victims early that morning. He has continued his involvement through the summer, helping the families in their legal claims against Cash Air and its insurer, and directing the BRA to rebuild the houses.

"This has been a true test of neighborhood strength and spirit," Mayor Flynn said. "Everyone from neighbors to architects, contractors, banks and residents of other neighborhoods came together in what has been a heartwarming display of compassion — and this is the result," Flynn said, standing at the lot where the houses will be rebuilt.

At the Mayor's direction, Boston Redevelopment Authority staffers designed the new homes, found builders, and arranged financing. The BRA also sought the assistance of several private firms to replace the destroyed homes as expensively and quickly as possible. As a result of these efforts, the families whose homes were destroyed in June should be moved in before Christmas.

Four individuals whose combined assistance helped save the families more than \$200,000 toward the cost of rebuilding are:

- Robert Vitello, Hi-Tech Structures, who, at no charge, spearheaded the design and construction of the three homes.

- Michael Saccone, Saccone Building and Management, who, as general contractor for the reconstruction, directed all site and foundation work for the site, and all other construction work at the site.

- David Schnee, Bruner/Cott & Associates, David Schnee, who along with other members of the Housing Committee of the Boston Society of Architects, reviewed and refined the initial home design plans, free of charge.

- John Sullivan, vice-president of the Bank of New England for Commercial

Lending, provided construction and mortgage financing on very favorable terms and as rapidly as possible, saving the homeowners costs and time.

The Cash Air Piper Seneca crashed into the densely populated Dorchester neighborhood early in the morning on June 26, killing the pilot, injuring three residents, and destroying the homes.

Through his Office of Neighborhood Services and the Boston Redevelopment Authority, the Mayor has coordinated relief efforts aimed at "helping those who lost their homes to return quickly to their neighborhood in new houses."

*Statement of Mayor Raymond L. Flynn
— "The Miracle of Lonsdale Street,"
October 24, 1987.*

I arrived here last July just minutes after a small plane slammed into this block, shattering these houses and the lives of the people living here. It was a miracle that more people were not injured by the plane crash. Now we are witnessing another miracle — the rebuilding of these houses to again be part of this vibrant neighborhood of hard-working families.

From the first moments after the crash, people from my administration — people like Terry Kenny — were at this site, ensuring that families were

placed, that the area was secured, and that the initial cleanup proceeded rapidly and without inflicting further trauma on the victims of this disaster.

Over the succeeding weeks, I directed various city agencies to assess the situation and determine how the city could best assist in the rebuilding process. After meeting with the seven families in my office, we developed a plan to go forward — refusing to wait for issues of blame and contention to be settled and thereby sparing these families painful months of uncertainty and waiting.

The response from all quarters has been overwhelming. St. Mark's Church, neighborhood residents, and the larger family of Boston have responded with an outpouring of financial and moral support which says a great deal about our city and the people who live here.

To the extent that we were able to help, it symbolizes that throughout my administration there are prominent community leaders who keep us tied to the neighborhoods, working closely with people on Lonsdale Street, in Port Norfolk, at Clam Point and throughout Dorchester. We remain committed to addressing special issues of concern to residents of these areas.

Today the victims of this disaster, working with my Office of Neighborhood Services and the BRA have a plan which we are executing to ensure that these families will again have a home on Lonsdale Street. We have enlisted the support and cooperation of the necessary players: Hi-Tech Structures, Saccone Building, David Schnee as architect, and Bank of New England — all of whom have donated all or part of their services, adding to sense of neighbors helping neighbors and allowing us to move forward quickly.

As this groundbreaking demon-

Lonsdale Street . . .

strates, this process is far from complete. Together the city has joined with the residents in litigation to seek a fair settlement, and there is a great deal of construction work — as well as other rebuilding issues — still before us. But just as the city has stood with the residents of this neighborhood from the first moments last June, today demonstrates that we will not rest until every issue is settled, families are living in newly completed homes, and life on Lonsdale Street is back to normal.

I salute all of the thousands of people who have helped us to this happy occasion, and especially the families of Lonsdale Street who have kept the faith and helped all of us to help themselves.

UNITED WAY GRANTS FOR AIDS EDUCATION

In an effort to slow the spread of Acquired Immune Deficiency Syndrome (AIDS), the United Way of Massachusetts Bay has announced a \$40,000 grant to the AIDS Action Committee (AAC) to develop a program for AIDS education in the workplace.

The grant will enable the AAC to develop education and consulting services for local businesses and employees. The program will provide basic AIDS information to employees and guidance on legal issues, confidentiality, and insurance and health care costs to executives. The grant was based on the United Way report, "AIDS: Extent of the Problem, Responses, and Needs in the Greater Boston Area," which was also released.

"Clearly, there is a tremendous need for AIDS education and awareness," said Christine Robinson, the United Way's planning associate and author of the report. "Regular reports from city, state, and national medical experts show that AIDS is the most serious public health crisis that has occurred in most individuals' lifetimes."

The report notes that AIDS cases are increasing among all population groups and that intravenous (IV) drug users, gay and bisexual males, people of color, and teens are at particular risk.

"Local funding organizations realize the extent of the problem," Robinson said, "and we are trying to coordinate a response."

She said the United Way grant focuses on workplace education as a means to reach the general public more quickly and efficiently.

"We want to reach the general public in a setting where everyone can come together and get information about AIDS without worrying about confidentiality," she said.

The AAC expects to conduct 150 to 200 workplace presentations, reaching from 7,500 to 10,000 employees the first year of the program.

Robinson said United Way volunteers who approved the twelve-month grant cited the AAC's record of successful program development and experience working with a wide range of agencies and communities. "The AAC is well-managed, well-respected, and has a history of sound fiscal management," she said.

The AAC is not a United Way-affiliated agency but was chosen for funding through the United Way's New Initiatives and Emergencies Fund, which allows the United Way to respond quickly and effectively to immediate local needs and opportunities. To date in 1987, the fund has granted \$368,700 to twelve agencies to fund such services as early intervention, youth outreach, elderly minority employment, help for the homeless, and more.

FORUM ON PREVENTING JUVENILE VIOLENCE

Mayor Raymond L. Flynn and Police Commissioner Francis M. Roache and Representatives of the Boston Community Schools Youth Outreach Program hosted a forum at the Parkman House on preventing violence among juveniles. This is the third in a series of forums sponsored by the Mayor and the Commissioner to reduce the number of illegal handguns in Boston.

The forum has three goals:

— To plan a violence prevention week early in 1988 dedicated to reducing violence and educating youth and the community in general about violence/weapons issues.

— To form an active Police/Youth Relations Committee to deal with issues concerning those two groups.

— To form an Educational/Training Media Committee to work on school curriculum/community education issues and to begin media development projects about weapons and media issues.

A committee of young people played a major role in developing the events. These members of the Youth Outreach Program designed role-playing scenarios to demonstrate reactions to violent situations. They also introduced guest Dr. Deborah Prothrow-Stith, Massachusetts Commissioner of Public Health who is an expert on juvenile violence.

At the previous two forums, ideas were discussed and plans developed to reduce both illegal handguns and violence in Boston, particularly among young people. In February 1987, law enforcement officials agreed to pursue legislation aimed at stricter sentencing for abuse of the weapons laws and also to support education programs targeted for Boston school children. At the second forum in July of 1987, representatives of community organizations and crime watch groups discussed a Gun Amnesty program and an amendment to the Massachusetts General Laws which would increase the penalties for giving or selling a weapon to a juvenile. This legislation has been drafted and will be submitted to the next legislative session.

GREAT AMERICAN SMOKEOUT

On November 19, the American Cancer Society will celebrate the eleventh annual Great American Smokeout. In conjunction with this, Boston's Fittest will be providing an informational booth with helpful tips for those who are interested in quitting as well as for those interested in helping someone quit. In planning the event, it would be helpful to have a list of employees willing to participate by abstaining from smoking that day. Please relay this information to your staff and send me a list of those interested by November 10. Thank you for your support in this matter — Nancyrose Dow, Wellness Coordinator.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

PENAL INSTITUTIONS DEPARTMENT Consultant

Dear Mr. Mayor:

Your Honor's permission is requested to dispense with public advertising and to award a contract for correctional consultations to Mr. Sigmund L. Fine, Plymouth, MN 55447, for the period of August 1, 1987, through June 30, 1988, at a cost not to exceed \$12,000.

Mr. Fine is a nationally recognized expert in corrections and has a special expertise in prison fire safety. Mr. Fine will be advising myself and my staff on fire safety and other matters at the Suffolk County House of Correction at Deer Island from time to time as requested at a cost of \$440 per day.

Because of the professional nature of the services to be rendered, and because of Mr. Fine's exceptional expertise in corrections and fire safety, and because of the reasonableness of the price that Mr. Fine will charge, I believe that no useful purpose would be served by publicly advertising this contract.

Very truly yours,
Robert G. Walsh, Jr.
Commissioner

POLICE DEPARTMENT Lease

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to approve a lease for 7,220 square feet of space on the first floor of 1010 Massachusetts Avenue, Boston, to be used by the Property Clerk of the Boston Police Department.

The lessor is 1010 Massachusetts Avenue Trust, Donald Stackhouse, Trustee. The property is managed by Boston Realty Advisors, Inc., 268 Summer Street, Boston. The term of the lease is from July 1, 1987, through June 30, 1988, at a cost of \$4,813.33 per month with the total cost of the contract \$57,759.96, which I have determined to be reasonable.

It was imperative that the Property Clerk find necessary space since it had to move from its former location at Frontage Road. This site was selected after a search was made to find an appropriate facility that had adequate space for storage as well as a loading dock. Inasmuch as this space is deemed both adequate and convenient for use by the Property Clerk and inasmuch as it is located centrally within the city, it is submitted that public advertising would serve no useful purpose. This letter is being submitted late awaiting budgetary appropriations.

Respectfully,
Francis M. Roache,
Police Commissioner

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising in approving a lease for the premises located at 286 Adams Street, Dorchester, consisting of 29,500 square feet of garage space deemed necessary and convenient for use as a motor vehicle maintenance facility by the Police Department.

The term of the lease is from July 1, 1987, through December 31, 1987. The monthly rental will be \$5,600, with the total charge for the period not to exceed \$33,600. I have determined the cost to be reasonable. The lessor is Padams Trust, Kevin A. Petitti, Trustee, 14 Patricia Drive, Milton.

Since these facilities are both adequate and convenient and because the department has occupied the premises for some time, it is my judgment that public advertising would serve no useful purpose. This letter submitted late due to processing the lease.

Respectfully,
Francis M. Roache,
Police Commissioner

Medical Examinations

Dear Mr. Mayor:

I respectfully request authorization to dispense with public bidding in the award of a contract to Alyce Adams, M.D., of Brookline, for an amount not to exceed \$10,400, at a rate of \$40 per hour, for the period commencing July 1, 1987, through June 30, 1988. I have determined that the contract cost is reasonable in view of the professional nature of the services.

The purpose of this contract is to provide for medical examinations of present and prospective police officers and to aid in Departmental decisions relating to:

1. Determination of fitness of injured or ill officers for return to light or full duty.
2. Distinguishing between on and off duty injuries and illnesses of officers.
3. Selection of officers from applicants.
4. Determining physical fitness of potential employees.
5. Advising the Department on application for disability retirement.

We have recruited in previous years for the position through the Massachusetts Medical Society Newsletter. Dr. Adams is a graduate of the Boston University School of Medicine with a Cardiology fellowship with Tulane University Medical Center. Dr. Adams operates a private practice at 521 Blue Hill Avenue, Dorchester, and has discharged her responsibilities effectively during fiscal years 1986 and 1987.

Therefore, because of the advertising already undertaken by the Department, and in light of the qualifications and experience of Dr. Adams, it is believed that public advertising would serve no useful purpose. This letter is being submitted late awaiting budgetary appropriations.

Respectfully,
Francis M. Roache,
Police Commissioner

Dear Mr. Mayor:

I respectfully request authorization to dispense with public bidding in the award of a contract to Jane Coleman, M.D., Wellesley, for an amount not to exceed \$4,000, at a rate of \$40 per hour, for the period commencing July 1, 1987, through June 30, 1988. I have determined that the contract cost is reasonable in view of the professional nature of the services.

The purpose of this contract is to provide for medical examinations of present and prospective police officers and to aid in Departmental decisions relating to:

1. Determination of fitness of injured or ill officers for return to light or full duty.
2. Distinguishing between on and off duty injuries and illnesses of officers.

3. Selection of officers from applicants.
4. Determining physical fitness of potential employees.
5. Advising the Department on application for disability retirement.

We have recruited applicants in previous years for the position through the Massachusetts Medical Society Newsletter. Dr. Coleman was the most qualified of the applicants and has discharged her responsibilities effectively during fiscal years 1984, 1985, 1986 and 1987. Dr. Coleman is a graduate of the University of Massachusetts Medical School with a medical Internship at Framingham Union Hospital and Residency Training in Physical Medicine and Rehabilitation from University Hospital, Boston. Also, from 1973 to 1975, Dr. Coleman worked as a Physical Therapist at the New England Baptist Hospital.

Therefore, because of the advertising already undertaken by the Department, and in light of Dr. Coleman's experience in the Department and her qualifications, it is believed that public advertising would serve no useful purpose. This letter is being submitted late awaiting budgetary appropriations.

Respectfully,
Francis M. Roache,
Police Commissioner

Legal Services

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a contract to Nicholas Foundas, an attorney with offices at One Court Street, Boston, for the purpose of providing legal services to this department.

Under the terms of the contract, Mr. Foundas will represent the Police Department in certain pending litigation, including *E.E.O.C. v. Boston Police Department*, U.S. District Court Docket No. 84-2594-W; *M.A.A.A.P. v. Boston Police Department*, U.S. District Court Docket No. 78-5296MC; and *Brian Langton v. Neil Powers and City of Boston*, U.S. District Court No. 84-2515-MC.

This contract is a continuation of a similar FY1987 contract for legal representation, and it is in the best interest of the City that Mr. Foundas continue to represent the department in the complex cases cited above.

Compensation under this contract shall not exceed \$15,000, which I have determined to be reasonable for the work to be performed. The term of the contract shall be from July 1, 1987, to June 30, 1988. The rate of compensation shall be \$100 per hour.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose. This letter is being submitted late due to late receipt of the contract documents.

Respectfully,
Francis M. Roache,
Police Commissioner

Maintenance

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Savin Corporation of 1480 Soldier Field Road, Brighton.

Under the terms of the contract, Savin Corporation will provide maintenance service to the Savin copier machines used by the Boston Police Department. This company is specially qualified to perform this service because these copier machines were manufactured by Savin Corporation and the

possess the technical expertise necessary to serve them.

Compensation under this contract shall not exceed \$4,754, which I have determined to be reasonable for the service to be performed. The term of this contract is from July 1, 1987, through June 30, 1988. Because of the reasons outlined above, I believe that public advertising would serve no useful purpose. This letter is being submitted late awaiting budgetary appropriations.

Respectfully,

Francis M. Roache,
Police Commissioner.

Security Consultant

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising in the award of a contract to Mr. John Law, 106 Summer Street, Hyde Park, for services as a Security Consultant for the Police Department.

Under the terms of the contract, John Law will serve as Security Consultant to the Executive and Ignitatory Protection Unit of the Boston Police Department. Mr. Law is uniquely qualified for this position, having served thirty-three years as a Boston Police Officer and having professional experience in this area.

Compensation under this contract will be at a rate of \$9 an hour. The total cost of this contract shall not exceed \$20,000, which I have determined to be reasonable in light of the services to be performed.

The term of this contract shall be from July 1, 1987, through June 30, 1988. Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This letter is being submitted late awaiting the budget appropriation

Respectfully,

Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT

Consultant

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 10, 1987, I respectfully request your Honor's written permission to dispense with public advertising and award a contract to David Trietsch, an individual, located at Brookline, providing management services for the Director and senior staff of the Public Facilities Department on various management issues regarding housing production, capital facility mandates and practices, procedures and policies of Federal and State Government Grant programs.

Mr. Trietsch is particularly qualified to do this work because of his sixteen years of experience in community development. For the past ten years he has been particularly involved with development and housing within the City of Boston. As a result, Mr. Trietsch has extensive experience and expertise in dealing with agencies related to housing and development. Also, Mr. Trietsch is especially knowledgeable with respect to Massachusetts State policies and programs as they pertain to housing.

The record of performance by Mr. Trietsch to the Public Facilities Department during the past two years has been invaluable. A tremendous workload accompanied the Department with the merger of the Public Facilities Department and the Neighborhood Development and Employment Agency in 1986. In order to meet the comprehensive housing

production and capital facility mandates of this Department, the expertise of Mr. Trietsch was drawn upon repeatedly to assist in dealing with housing and development in the City of Boston. As a result the Department has made significant improvements to expand the housing base in Boston. These results were forged by the extensive assistance provided to the Director and senior staff of the Department by Mr. Trietsch.

Compensation under this contract shall not exceed \$45,000 (payable at \$30 per hour), which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1988.

Because these services are essential in preparing and implementing the Mayor's policy to include neighborhood development programs within the Public Facilities Department, the reasonable cost of the services to be provided, and the particular qualifications of Mr. Trietsch, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 14, 1987, I respectfully request your Honor's written permission to dispense with public advertising and award a contract to Sheila Kennedy, an individual, located at 73 Bigelow Road, Brighton, providing technical consultation services. Under the terms of this contract, Sheila Kennedy shall assist the Public Facilities Department with the development of program guidelines and implementation procedures for expanding the existing homeowner services program to legalize and expand accessory apartments. In addition, a secondary network of organizations and contractors shall be identified to increase program access and production of affordable housing. Finally, complimentary strategies shall be developed for integrating union pension funds into the city's housing program goals.

Sheila Kennedy is particularly qualified to do this work because of her ten years of research and experience in Boston neighborhood housing initiatives and knowledge of statewide and congressional legislative initiatives and directives. As a result, Sheila Kennedy has extensive experience and expertise in dealing with agencies related to housing and development.

Compensation under this contract shall not exceed \$20,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1988.

Because these services are essential to the development of the Mayor's policy to include neighborhood development programs within the Public Facilities Department, the reasonable cost of the services to be provided, and the particular qualifications of Sheila Kennedy, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Emergency Repairs

Dear Mayor Flynn:

An emergency situation occurred with the plumbing in the dark room of the Arson Squad Building. Our prompt actions were required as the down time for the production of photographs as evidence for

the investigation of suspected arson fires in the city had to be minimal.

Due to the urgency of the situation, I requested bids from three contractors normally engaged in this type of work. The bids were publicly opened and read aloud at the office of the Public Facilities Department on November 19, 1986 with the following results: P. J. Kennedy & Sons Co., Inc., \$4,880; D & F Plumbing Co., Inc., \$7,600; Mass. Air Co., Inc., no response.

The bid of P. J. Kennedy & Sons Co., Inc. is the lowest eligible and responsible general bid on this project and is within the range of our estimate for the cost of these services. It is my opinion that the cost is reasonable.

This request has been delayed due to the vacancy of a Contract Administrator in the Alterations & Repair Unit of the Public Facilities Department.

Therefore, in accordance with Massachusetts General Law c. 149, section 44 (A), I request your Honor's written permission to forego public advertising and award a contract to P. J. Kennedy & Sons Co., Inc., 486 Albany Street, Boston, for a total amount not to exceed \$4,880.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mr. Mayor:

On January 23, 1987, as a result of a severe winter storm, a section of roof on the maximum security building at Suffolk County House of Correction flew off leaving the building open to the elements. The water and snow was falling on the living quarters of inmates as well as leaking throughout the electrical system of the building.

Due to the urgency of the situation and the threat to the safety of the inmates as well as the personnel at the institution, an emergency situation was declared and Morrello Brothers Construction Company was called in to install a temporary roof over the affected area.

It will be noted that several months have elapsed without an official request for approval from this department. The reason for this delay is due to the vacancy of the position of contract officer.

Morrello Brothers has provided the City of Boston with immediate action and deserve compensation for their services. Therefore, in accordance with the Massachusetts General Laws chapter 149, section 44a, I request your written permission to dispense with public advertising and to award a contract to Morrello Brothers Construction, Inc., 17 Prescott Street, Medford, for a total not to exceed \$6,837.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

An emergency situation existed at the Print Shop located at 174 North Street, in the North End of Boston. The No. 1 Boiler at that facility failed after several of the unit's tubes ruptured beyond immediate repair. This incident left the Print Shop without any heat. A temporary boiler had been rented for an immediate solution to the Print Shop's heating needs as the extreme cold winter temperatures descended upon us. The needs of the facility exceed the capabilities of the rented boiler and require a resolution. This situation threatened the safety of all persons working at and around this facility. Therefore, it was necessary, under emergency procedures, to retube the boiler in order to protect the City's employees, plant, and other interests.

Because of the emergency of the situation, and the potential threat to the life and property of The

City Of Boston, I had requested bids from three (3) reputable contractors normally engaged in this kind of work with the following results: Helfrich Brothers, Inc., \$16,777; Hendall Boiler, \$17,559; and Hodge Boiler Works, no bid received.

Therefore, in accordance with Massachusetts General Laws chapter 149, section 44A, I request your written permission to dispense with public advertising, and based on the lowest bid, to award a contract to Helfrich Brothers Boiler Works, Inc., 39 Merrimack Street Lawrence, for a total amount not to exceed \$16,777.

Sincerely,
Lisa G. Chapnick,
Director.

Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 14, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Architects & Associated Designers, a Massachusetts corporation, with offices at 286 Congress Street, Boston, providing design services in support of various small scale CDBG programs, including Neighborhood Commercial Development Bank, Physical Improvements Program, and Buildable Lots.

Compensation under this contract shall not exceed \$20,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from August 1, 1987, to June 30, 1989. Funds for this contract shall come from those received under the Community Development Block Grant program.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals conducted by the Public Facilities Commission on March 15, 1987 in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include stability of firm, professional level of staff, similar project experience, and quality of plans and drawings. This contract was submitted late due to the time involved in contract negotiations.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 14, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Pierce/Lamb Associates, a Massachusetts corporation, with offices at 1359 Center Street, Newton Center, Massachusetts, providing design services in support of various small scale CDBG programs, including Neighborhood Commercial Development Bank, Physical Improvements Program, and Buildable Lots.

Compensation under this contract shall not exceed \$20,000, which I have determined to be a reasonable cost for the services to be performed. Servicing Agent

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 23, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Shawmut Bank, N.A., a National Banking Association, with offices at One Federal Street, Boston, to act as servicing agent for the Neighborhood Development Fund loan program to finance commercial, residential, and mixed-use real estate projects.

Compensation under this contract shall not exceed \$2,000,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1990. Funds for this contract shall come from those received under the Community Development Block Grant program. This contract has been submitted late due to the time involved in securing funding approval.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals conducted by the Public Facilities Commission on March 1, 1987 in the *Boston Globe*. Other selection criteria include technical capacity of the bank, experience with similar loan arrangements, and professionalism of staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed

bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 23, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Shawmut Bank, N.A., a national banking association, with offices at One Federal Street, Boston, providing loan services in support of the Management Assistance Program/Technical Assistance Program loans for community development organizations.

Compensation under this contract shall not exceed \$2,000,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1990. Funds for this contract shall come from those received under the Community Development Block Grant program. This contract has been submitted late due to the time involved in contract negotiations.

The contractor was selected upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals conducted by the Public Facilities Commission on March 1, 1987 in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include technical capacity of the bank, experience with similar loan servicing arrangements, and qualifications of staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

PUBLIC WORKS DEPARTMENT Refuse Collection

Dear Mr. Mayor:

Contracts for Refuse Collection in the various Public Works Districts of the City expire June 30, 1987. These contracts include option renewal provisions under which the City may elect to continue the present collection contracts for the period July 1, 1987 to June 30, 1988.

The services provided by the present contractors have been very satisfactory and there would be no advantage to be gained in not exercising our option of renewal and by inviting bids for doing this work. Therefore, I respectfully request your authorization to dispense with further public advertising and enter into contracts for Collecting and Removing refuse for the period July 1, 1987 to June 30, 1988 (2 weeks and 2 days) with the following listed contractors at the current contract prices, the total amount to be paid under each contract not to exceed the amounts listed below:

District 1A - Charlestown, Waste Management of Mass., Inc., 530 East First Street, South Boston, 20,490.

District 1B - Boston Proper, Waste Management Mass., Inc., 530 East First Street, South Boston, 489,736.

District 2 - Jamaica Plain, Browning Ferris Industries, Inc., Quincy District, 22 Nightingale Avenue, Quincy, 728,140.

District 3 - Dorchester North, GSX Corporation of New England, 66 Cambridge Street, Charlestown, 11,223.

District 4 - Brighton, Charles Lee Disposal, Inc., 1 Mary Street, South Boston, \$1,044,000.

District 5 - South Boston, Charles Lee Disposal, Inc., 1 Ellery Street, South Boston, \$501,903.

District 6 - West Roxbury, Browning Ferris Industries, Inc., Quincy District, 22 Nightingale Avenue, Quincy, \$1,002,842.

District 7 - Dorchester South, GSX Corporation of New England, 66 Cambridge Street, Charlestown, 18,365.

District 8 - Hyde Park, Browning Ferris Industries, Inc., Quincy District, 22 Nightingale Avenue, Quincy, \$597,289.

District 9 - East Boston, Waste Management of Mass., Inc., 530 East First Street, South Boston, \$2,299.

District 10 - Roxbury, United Contracting Co., Inc., Boston, 1141 Dorchester Avenue, Boston, 1305,000.

Respectfully,
Joseph F. Casazza,
Commissioner of Public Works.

Bridge Work

Dear Mr. Mayor:
I respectfully request your permission to dispense with public advertising and to award a contract to Narayana & Associates, Inc., One Newbury Street, Peabody, for Emergency Replacement of Timber D2R and Ancillary Work on the Andrew P. Arden Bridge Over the Chelsea River.

The services required under this contract consist of: removal of existing diagonal support members; D2R; fabrication and erection of a new member; and all ancillary work, as outlined on the plan. Due to the serious condition and the potential damage to adjacent members the longer the condition exists, I have canvassed five contractors, with technical expertise in this type of work, for informal bids to implement repairs.

From the five canvassed contractors, I have subsequently received the following two sealed proposals: Narayana & Associates, Inc., \$23,980, and Boston Bridge and Iron, Inc., \$27,300.

I believe the cost to be reasonable and this firm is eminently qualified to perform these services, as I have used them previously. The contract period will be ten working days.

Due to the emergency nature of the work to be performed and time being of the essence, it is my judgment that public advertising would serve no useful purpose.

This letter is being prepared at this late date due to the lengthy time necessary for the vendor to execute the contract document.

Very truly yours,
Joseph F. Casazza,
Commissioner of Public Works.

Weather Forecasting

Dear Mr. Mayor:

I respectfully request permission to dispense with public advertising and to award a contract to Weather Services Corporation, a corporation, located at Bedford, for weather forecasting services.

Under the terms of this contract, the consultant will furnish varied types of weather forecasting services throughout the year.

This consultant is uniquely qualified to do this work because it operates one of the largest and best equipped private weather centers in the country, designated to monitor and forecast weather throughout the world. This global forecast center operates 24 hours a day, 7 days a week, on a communications system that is 10 times faster than the regular weather teletype channels.

It has served our department satisfactorily for the past 17 years at an aggregate cost of only \$47,040 and due to the uniqueness and the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Compensation under this contract shall not exceed \$3,280, a fixed cost, which I consider to be reasonable for the services to be performed. The period of performance shall be from July 1, 1987, to June 30, 1988, inclusive.

Very truly yours,
Joseph F. Casazza,
Commissioner of Public Works.

Information Services

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with inviting proposals by advertisement in the *City Record* in awarding to the Greater Boston Convention and Tourist Bureau, Inc., Prudential Tower, Boston, a contract for furnishing information service at a booth on Boston Common, promoting places of historic value in Boston, particularly all historic places along the Freedom Trail, for an amount not to exceed \$250,000, which in my opinion is reasonable, under which the Bureau shall provide the following visitor services during the period commencing July 1, 1987, through June 30, 1988.

Late submission is due to the fact that the City Council did not approve the budget until July 8, 1987.

I. BOSTON COMMON VISITOR INFORMATION CENTER

Salaries (2 full time, 5 part-time)	\$37,500.
Insurance and related	\$ 3,000.
Repairs and Maintenance	\$10,000.
Water and Utilities	\$ 2,000.
Telephone	\$ 1,500.
Supplies and Equipment	\$ 1,000.
Insurance and Security	\$ 1,000.
Administrative	\$ 6,000.
Sub-Total:	\$ 62,000.

II. VISITOR SERVICES CENTER PRUDENTIAL PLAZA	
Staff (2 full time, 2 part time)	\$40,000.
Insurance and related	\$ 4,000.
Telephone (800 number)	\$12,000.
Postage and Delivery/Consumer fulfillment	\$20,000.
Supplies and Equipment	\$ 5,000.
Rent and Utilities	\$25,000.
Administrative	\$12,000.
Sub-Total:	\$118,000.

III. VISITOR PUBLICATIONS	
City Map and Guide	\$40,000.
Events and Hotel Package Guide	\$25,000.
Sub-Total:	\$65,000.

IV. CONTINGENCY	<u>\$ 5,000.</u>
GRAND TOTAL	<u>\$250,000.</u>

An information service of this kind, here involved, is obviously a quasi-professional service which is unique and does not readily lend itself to inviting proposals by advertisement.

Respectfully,
Freedom Trail Commission,
Richard A. Berenson,
Chairman.

REAL PROPERTY DEPARTMENT Sump Pumps

Your Honor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to J. A. Marino, 203 South Street, Jamaica Plain, for installation of sump pumps at Boston City Hall.

Under the supervision of Tom Kilkelly, Building Systems Engineer, J. A. Marino will furnish all labor and materials to install two submersible sewage pumps at Boston City Hall.

Because of the following reasons I have requested and received approval from the Commonwealth of Massachusetts Division of Capital Planning & Operations to dispense with meeting the requirements of MGL chapter 149, Section 44A as it pertains to public advertising.

1. One of two sump pumps which are utilized for excessive amounts of ground water, is no longer functioning and the second pump is obsolete and parts are no longer available.

2. If pump No. 2 fails we would not have the capability of pumping out condensate and ground water.

3. If this failure was to go undetected for any amount of time our electrical transformer vault and switch gear equipment would sustain water damage, causing excessive and expensive power outages.

The department obtains an estimate from J. A. Marino Co. for installation of two new pumps in the amount of \$7,500, which I have determined to be reasonable.

Due to the emergency situation that exists and to waiver from the Department of Capital Planning & Operations, I believe public advertising would serve no useful purpose. Compensation under this contract shall not exceed \$7,500. The period of performance will be June 8th through June 16th.

Respectfully yours,
J. Edward Roche,
Commissioner.

SCHOOL DEPARTMENT

Alarm Systems Maintenance

Dear Mr. Mayor:

I request your approval of my action in awarding a contract, without public advertising, to the following firm for the supervision and maintenance of intrusion systems presently in operation in twelve school buildings. American District Telegraph Company, Wilmington.

The total amount of the contract will not exceed \$57,394.07 and the contract will be in effect from July 1, 1987, through June 30, 1988. It is my considered opinion that this cost is reasonable and fair.

This company has been providing this service to the Department of Planning and Engineering for many years and is uniquely qualified to perform this work in these school buildings. Inasmuch as this equipment has over a period of years been leased from this firm and along with the fact that the equipment is tied in with their central station and is monitored on a full-time basis by them, the American District Telegraph Co. is the only firm that can supply this service to the twelve school buildings covered by this proposed contract. In addition, this program operates in conjunction with the City of Boston Public Facilities Department Municipal Police. It is my opinion that public advertising would serve no useful purpose.

Very truly yours,
Paul W. Mooney,

Data Base License

Dear Mr. Mayor:

On behalf of the School Department of the City of Boston, I request your written authority to dispense with inviting bids and to award a contract to West Publishing Company, Minnesota, for a right of access to the data in the Westlaw data base and a limited, nonexclusive, nontransferable license to use data copyrighted by West and other contributors to the data base. West Publishing Co. shall grant lease of West's Automatic Law Terminal and the WEST-Jet printer for twelve months.

Compensation to this vendor shall not exceed \$10,000 during the period July 1, 1987, thru June 30, 1988.

This contractor is uniquely qualified to perform these services due to the exclusiveness of the right to grant access to the data in the Westlaw data base.

Since the services to be provided under the proposed contract are to be professional in nature, it is the view of the Boston School Department that publicly inviting bids would serve no useful purpose.

Compensation to this vendor during the past year in the form of advertised contracts is as follows: 1984/1985 — \$10,000; and 1985/1986 — \$5,000; and 1986/1987 — \$8,850.

Very truly yours,
Laval S. Wilson,
Superintendent.

Auditory Equipment Maintenance

Dear Mr. Mayor:

Your authorization is requested for the award of a contract, without public advertising to Phonic Ear, Inc., California, furnishing maintenance service for all auditory training equipment at the Horace Mann Evaluation Unit at the Jackson-Mann School. Service for 134 units will commence July 1, 1987, thru June 30, 1988, as stated in the attached service renewal notice.

Compensation under this contract including service for the periods stated will not exceed \$5,351, a price I deem to be reasonable.

The auditory training equipment was purchased from Phonic Ear, Inc. the company has successfully provided maintenance service for more than five years. They are the only company who has supplied this service effectively and immediately with trained technicians and have an inventory of parts on hand for the machines.

Because of the satisfactory services and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$3,500; 1986 — \$5,000; 1987 — \$5,880.

Very truly yours,
Leo J. Burke,
Business Manager.

Xerox Copiers, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Xerox Corporation located at 155 Federal Street, for outright purchase, installment purchase, term lease or rental of new Xerox copiers, duplicators and memorywriters for the period July 1, 1987, through June 30, 1988, as needed by the School Department in an amount not to exceed \$210,000. In most cases, new copiers or duplicators will represent replacement of old Xerox copiers returned to the manufacturer for trade-in credit. Equipment acquired with federal monies will be placed on term lease or rental plans.

Xerox Corporation was awarded publicly advertised contracts by the Commonwealth of Massachusetts in October, 1986 for one calendar year for the purchase of copiers, duplicators and memorywriters. The Purchasing Agent of the City of Boston has conducted an extensive study of its reprographic equipment and requirements, and determined that the city needs to standardize its purchase of copiers and duplicators.

Prices charged to the School Committee will be the same as those charged to the Commonwealth of Massachusetts and the City of Boston and I consider these prices reasonable. In view of the above, it is my opinion that no useful purpose would be served by further public advertisement for bids.

Compensation to this vendor during the past two fiscal years in the form of unadvertised contracts is as follows: 1984-1985 — \$75,000; 1985-1986 — \$75,000; and 1986-1987 — \$200,000.

Very truly yours,
Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization to award a contract, without public advertisement, to Xerox Corporation, 155 Federal Street, for furnishing maintenance of equipment for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$550,000.

Under the terms of this contract, Xerox Corporation will provide maintenance for previously installed Xerox copiers, duplicators and memorywriters including all parts and labor.

Since the Xerox Corporation has provided services of a specific nature, has performed satisfactorily and the cost to the city is deemed reasonable by the business manager, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised con-

tracts is as follows: 1984-1985 — \$200,000; 1985-1986 — \$400,000; and 1986-1987 — \$500,000.

Very truly yours,
Leo J. Burke,
Business Manager.

Copier Machine

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization to award a contract, without public advertisement, to Savin Corporation, Brighton, for the renewal of copier machine installment purchase agreements, rental maintenance and incidental supplies for the period July 1, 1987, thru June 30, 1988, at a cost not to exceed \$200,000. The initial encumbrance is \$150,000.

The contractor will continue service under the terms and conditions of their 1985-1986 contract. The copier machines are located in various school and district offices in the Boston School Department. Savin Corporation is specially qualified to provide the above services based upon its satisfactory performance of substantially the same service during July 1, 1987 through June 30, 1988. The School Department will be now entering the sixth year of a seventh year lease/purchase plan.

Because of the professional nature of the services to be provided under this agreement and the expertise of the Contractor in providing such services, it is my determination that the public interest would not be served by advertisement for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1984 — \$125,000; 1985 — \$160,000; 1986 — \$160,000; 1987 — \$200,000.

Very truly yours,
Leo J. Burke,
Business Manager.

Musical Equipment

Dear Mr. Mayor:

Your authorization is requested for the award of a contract without public advertising to Service Control, Inc. (Musitronic) Minnesota, at a cost not to exceed \$4,500, a cost I deem reasonable for the period December 15, 1987, to June 30, 1988.

The contractor agrees to repair, tune, replace and maintain parts for musical equipment, three electronic piano labs and highly specialized technical equipment throughout the school system. Service Control, Inc. has a regional representative New England area who is available on an as-called basis. Service Control, Inc. is the sole supplier of parts to repair the equipment.

Service Control, Inc. is qualified to perform the service since they are the original installer and manufacturer of the equipment and they are the only qualified repair person able to provide the service. The person in charge of making recommendations for the repair service (the senior advisor of music) feels that this company has provided satisfactory service at a reasonable rate since the equipment was installed in the 1975 school year. It appears that the best interest of the city would be served by advertising for bids.

Compensation to this vendor during the past three years has been the following: FY 83-84 \$2,500; and FY 85-86 — \$2,500.

Very truly yours,
Leo J. Burke,
Business Manager.

Newspaper Subscriptions

Dear Mr. Mayor:

I respectfully request your written permission to dispense with public advertisement and award

contract to Globe Newspaper Co., d/b/a the Boston Globe, is to provide yearly subscriptions.

The period of the contract is July 1, 1987, through June 30, 1988. The total cost of this contract is not to exceed \$10,000, which I deem reasonable.

Since the Globe is one of two local daily newspapers with a sufficiently large circulation, no public interest would be served by advertising for bids. This award letter is being submitted late. Contract documents forwarded to Globe Newspaper Co. on April 6, 1987 were returned on July 1, 1987.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1984-1985 — \$5,000; 1985-1986 — \$45,000.

Very truly yours,

Leo J. Burke,
Business Manager.

Time Stamp Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Simplex Time Recorder Co., a Corporation located at Auburndale, for purchase, preventive maintenance and related supplies as required for Simplex time stamps.

Under the terms of the contract, the contractor will provide time recorders, preventive maintenance service and supplies for Simplex time stamps located at various sites.

This contract is being submitted after the commencement of the intended term of the proposed contract. Documents forwarded in April 1, 1987 were not returned until August, 1987. Compensation under this contract shall not exceed \$6,000. The term of this contract shall be from July 1, 1987 to June 30, 1988.

Because of satisfactory service, the availability of an inventory on parts and supplies and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Contractor agrees to furnish supplies and maintenance as required; shall do everything necessary to complete the order to the official within the time set forth in the terms of the accepted offer.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$5,000; 1987 — \$6,000.

Very truly yours,

Leo J. Burke,
Business Manager.

Lamps and Light Bulbs

Dear Mr. Mayor:

Under state law, any Massachusetts municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its own contracts, based on state awards.

Because this can only be accomplished by dispensing with public advertising, your permission is requested to award a contract, without public advertisement, to Gem/Peerless Electric Supply Co., Boston, for the period August 3, 1987 through June 30, 1988 at a cost not to exceed \$200,000. Under the terms of this contract, the contractor will furnish lamps and light bulbs as listed in the Gem/Peerless Electric Supply Co. contract with the state.

This company provides services of a specific nature; is qualified to provide these services and has

performed satisfactorily over a period of years. For these reasons, it is my determination that the public interest would not be served by public advertising for bids.

Very truly yours,

Leo J. Burke,
Business Manager.

Copy Machine Supplies

Dear Mr. Mayor:

Under state law, any Massachusetts municipality may make purchases under state contracts which have been publicly advertised and awarded by the Collective Purchasing Bureau, Department of Administration and Finance. In order to take advantage of these state contracts, the city's Law Department has ruled that the city must award its own contracts, based on state awards.

Because this can only be accomplished by dispensing with public advertising, your permission is requested to award a contract, without public advertisement, to Xerox Corporation, New York, for the period July 1, 1987 through June 30, 1988 at a cost not to exceed \$150,000. Under the terms of this contract, the contractor will provide supplies for copying machines (dry ink, developer, fuser oil) as listed in the Xerox Corporation contract with the state.

This company provides services of a specific nature; is qualified to provide these services and has performed satisfactorily over a period of years. For these reasons, it is my determination that the public interest would not be served by public advertising for bids.

Very truly yours,

Leo J. Burke,
Business Manager.

Training Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Work, Inc., dba South Shore Rehabilitation Center, a corporation located at North Quincy, for training services of the staff and students of the Sheltered Workshop Programs.

This contract shall be in effect during the period from September 14, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$30,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide Sheltered Workshop Programs at Charlestown, Hyde Park, English, and Dorchester High Schools. Work, Inc. will provide contracted work for developmentally disabled students in a school setting. A minimum of twelve and a maximum of twenty-four students at each site will be serviced under this contract.

Morgan Memorial, Community Workshops, Inc., Vocational Adjustment Center, Charles River Workshop and Work, Inc., dba South Shore Rehabilitation Center were contacted to inquire whether they could provide a school-based work experience program for the adolescent developmentally disabled student. Work, Inc., dba South Shore Rehabilitation Center is the only organization able to perform these services. Utilizing the services of this vendor will save the School Department manhours and money because of their extensive experience in developing contracts for the handicapped and for their efficiency in running sheltered workshop activities.

This agreement is to be executed without an appropriation of funds under the provision of General Laws, ch. 44, s. 53A, and is subject to the receipt of

funds under P.L. 89-313 Career Occupational Education.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$25,000; 1986 — \$25,000; 1985 — \$25,000.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Volunteers

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to School Volunteers for Boston, Inc. a corporation located at 25 West Street.

This contract shall be in effect during the period from July 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$142,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will support and expand programs of instruction in the Boston Public Schools through an extensive use of volunteers in the basic skills, enrichment, and career education both during the school day and in after school and summer remediation programs.

The contractor was selected to provide these services because School Volunteers for Boston, Inc. is the only provider of these services in the Boston area.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$142,000; 1986 — \$142,000; 1985 — \$142,000.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

American Indians Programs

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Boston Indian Council, a corporation located at 105 South Huntington Avenue.

This contract shall be in effect during the period from September 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$57,990, which I have deemed to be reasonable.

Under the terms of this contract, the Boston Indian Council will provide staff to the Boston Public Schools to develop, implement, and supervise supplemental Indian educational and cultural activities for the 371 American Indian students enrolled in the Boston Public Schools. The contractor will provide facilities for staff to allow Indian students enrolled in the Boston Public Schools a place to pursue their cultural activities. The Indian Council will disperse required reports and staff payroll weekly.

The contractor is specially qualified to provide the above services because the Boston Indian Council represents the American Indian population in the Boston area and provides the students with the strong cultural component required by the program. In addition, the students will be able to utilize the Council's physical facilities as a base for pursuit of their cultural heritage, supplemental education assistance, and social contacts with Indian elders and peer groups.

This agreement is to be executed without an ap-

appropriation of funds under the provision of General Laws, ch. 44, s. 53A, and is subject to the receipt of funds under Title IV A, Indian Education Act.

Because of the professional nature of the services to be provided under this agreement and the unique ability of the Boston Indian Council in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$51,094; 1986 — \$45,453; 1985 — \$41,685.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Psycho-Social Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Linda Rae Brion-Meisels, Ph.D., an individual residing at Cambridge.

This contract shall be in effect during the period from October 31, 1987 to August 31, 1988, and shall occur at a cost not to exceed \$4,500, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the following services to the Horace Mann School: design a procedure of assessing psycho-social development for deaf adolescents; coordinate the assessment of psycho-social development for approximately fifteen targeted deaf students from middle and high school populations; design a method to decrease anti-social/school behavior to be coordinated with teachers, administrators, outside agencies (as needed), family members, evaluation/counseling department and other team members; provide bimonthly consultation and in-service training to staff on these issues; coordinate the implementation of these procedures; observe selected staff to recommend behavioral changes.

Ms. Brion-Meisels was selected to provide these services because she is an expert in the field of behavior management as it relates to multihandicapped/deaf adolescents who have special needs in the area of psycho-social development. This contract will fulfill the objectives of the P.L. 89-313 grant entitled "Student Centered Therapy." The consultant has extensive experience with special needs populations and with designing behavior management plans for deaf students. Following a spring, 1985 professional search among SPED organizations, Dr. Brion-Meisels was chosen because of her exceptional qualifications. She successfully served in this capacity at the Horace Mann School during the 1985-86 and the 1986-87 school years. The contractor will be compensated for her services at the rate of \$50 per hour.

Because of the professional nature of the services to be provided under this agreement and the expertise of Dr. Brion-Meisels in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$4,500.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Evaluation Services, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Vazquez-Nuttall Associates, Inc., a corporation located at Newton.

This contract shall be in effect during the period from August 25, 1987 to September 30, 1988, and shall occur at a cost not to exceed \$8,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide Title VII Project with evaluation services for Project INVOLVE, which will include the design of a study which will assist the project in assessing the attainment of its objectives over a three-year period; providing formative evaluation to project administrators on an ongoing basis, and producing a written summative evaluation report by November, 1988 which includes both quantitative and qualitative data in the evaluation of the project.

Funds for this project are available at no cost to the city under Title VII Project INVOLVE. The project director of the Title VII project is responsible for the supervision of the project, endorsement of invoices on behalf of the School Department, and for serving as the contact person.

The contractor is specially qualified to provide the above services because this is the second year of a three-year continuing project utilizing the evaluation firm that was awarded the contract based on open bids during the fiscal year of the grant (1986-87).

The contractor will also provide training to bilingual teachers in techniques for developing CRT items based on Spanish language arts curriculum objectives. Contractor will review draft test items prepared by teachers for grades K-5 and 9-12. This will be for a total of twelve days at a cost of \$250 per day.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$12,456; 1986 — \$8,841; 1985 — \$20,189.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Problem Solving, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Eberhard Thieme, an individual residing at New York.

This contract shall be in effect during the period from August 11, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$22,690, which I have deemed to be reasonable. Dr. Thieme will be compensated for his services at the rate of \$250 per day.

Under the terms of this contract, Eberhard Thieme will serve as liaison between the Boston Public Schools and the Massachusetts Department of Education to facilitate joint problem-solving of issues related to vocational education and the merger of the Humphrey Occupational Resource Center and Madison Park High School.

Dr. Thieme will provide the following services: convene state and school department staff to discuss merger plans and facilitate the solution of problems and resolve differences of opinion; con-

vene state and school department staff to address issues identified in state monitoring reports; advise the commissioner and superintendent on progress towards resolving issues relative to vocational education and to report on the efforts of staff; facilitate agreement between the state and school department on the superintendent's recommendations on vocational education in the Boston Education Plan; assist the director of campus complex in planning and executing a staff involvement plan in the implementation of the merger; design and recommend an ongoing communication process with specific protocols for maintaining harmonious working relationships between the State Department of Education and the Boston School Department on vocational issues.

Eberhard Thieme was selected to provide these services based on his past performance from November, 1985 through June, 1986 as the project manager for the merger of Madison Park High School and the Humphrey Occupational Resource Center. In this capacity, Dr. Thieme was given the responsibility of planning, organizing, leading and controlling the merger of the two schools into a comprehensive vocational and technical high school.

Because of the professional nature of the services to be provided under this agreement and the expertise and past performance of Dr. Thieme in providing similar services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$0; 1986 — \$29,891; 1985 — \$0.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Career Education, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Boston Private Industry Council, a corporation located at 185 Devonshire Street.

This contract shall be in effect during the period from September 1, 1987, to August 31, 1988, and shall occur at a cost not to exceed \$300,000, which I have deemed to be reasonable.

Under the terms of this contract, the Boston Private Industry Council will provide the Boston Public Schools with the services to twelve full-time career specialists working at various Boston high schools.

Each career specialist holds the pivotal role in implementing the job collaborative's school-based operations in each participating high school. The career specialist is school-based and must be able to work effectively with three different groups: private employers, high-school-aged youth, and professional staff of the School Department and the Private Industry Council.

The career specialist will be assigned a list of B.P.I.C. company accounts for job development and relationship maintenance, will establish a career education and job placement program in his/her assigned high school, will conduct workshop and provide group and individual career counseling to assigned students, and will conduct private industry contact in coordination with B.P.I.C.

Each career specialist will be responsible for enrollment, preparation, placement, and work-site monitoring of students placed through the Boston Summer Jobs Program, the Job Collaborative, and the Boston Compact.

The contractor was selected to provide these services because the Boston Private Industry Council designed and implemented this program and has been providing these services for the past years. In a number of schools, staff assigned to this project have been working on-site at their respective locations since inception of the program. Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids. Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$300,000; 1986 — \$00,000; 1985 — \$300,000.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Program for Youths

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Boston Private Industry Council, a corporation located at 185 Devonshire Street.

This contract shall be in effect during the period from July 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$69,000, which I have deemed to be reasonable.

Under the terms of this contract, the Boston Private Industry Council will act as a fiscal agent for the Boston Public Schools and provide staffing for the Commonwealth Futures Advisory Committee. Under the terms of chapter 188, the committee is charged with the responsibility for coordinating and unifying Boston's response to the Governor's At-Risk Youth Initiative. Staffing for this program will consist of a program manager and an alternative education liaison, who will be compensated for their services at the rate of \$123 and \$115 per day respectively. Fringe benefits and administrative overhead will be 22 percent. Both staff members will report directly to the executive director of the Boston Compact.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids. Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$25,000.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Teacher Training Sessions

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Mary Ansaldo, an individual residing at Hingham.

This contract shall be in effect during the period from August 1, 1987, to September 30, 1987, and shall occur at a cost not to exceed \$5,500, which I have deemed to be reasonable.

Under the terms of this contract, the Contractor will prepare materials for teacher training sessions, the selection and evaluation of instructional materials for reading (ten days), conduct above-mentioned training sessions for fifty teachers (eight days), complete final report, including documenta-

tion (four days). Compensation for these services will be at the rate of \$250 per day.

Ms. Ansaldo is specially qualified to provide the above services because she has unique expertise in materials selection and evaluation, including twenty-five years of direct experience in the publishing field. She has consulted on this topic with school systems throughout the state. Three other experts in this field, Dr. John Sherk (University of Massachusetts), Dr. Jean Paratore (Boston University), and Dr. Jean Chall (Harvard) were contacted but were unable to conduct the training sessions on the dates specified.

Because of the professional nature of the services to be provided under this agreement and the ability of this contractor in providing these services on the required dates, it is my determination that the public interest would not be served by publicly advertising for bids.

This is the first contractual agreement between the Boston Public Schools and this vendor.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Musical Instructions

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to the Boston Conservatory located at 8 the Fenway. The contract shall be in effect during the period of September 1, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$29,013 which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. The Boston Conservatory's portion as is related to that amount is \$29,013.

The contractor will provide the following services for the S. Lewenberg Middle School, the R. Shaw Middle School, the Joyce Kilmer Elementary School, and the Pauline A. Shaw Elementary School: class instrument instruction on violin and viola; orchestra and ensemble instruction on violin and viola; administer music aptitude tests in cooperation with the classroom teachers; provide drama coaching; involve parents for preprogram meetings, school assembly programs, and performances; provide on-site evaluation visits.

The contractor is uniquely qualified to provide the above services because: (1) the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; (2) the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); (3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three

fiscal years in the form of unadvertised contracts is as follows: 1987 — \$30,684.

Very truly yours,

Laval S. Wilson,

Legal Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Shapiro & Grace, attorneys at law, a partnership located at 79 Milk Street.

The contract shall be in effect during the period from August 15, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$31,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will represent the School Committee in the matter of *Mary Jane Drinkwater v. The School Committee of the City of Boston*; said representation shall include, but not be limited to; researching legal issues; drafting and submitting memoranda; appearing in opposition to and in support of motions; engaging in discovery; and if required, appearance at trial. The committee shall pay counsel at the rate of \$100 per hour for services of attorneys and \$25 per hour for services of paralegals and for certain certified actual out-of-pocket expenses upon submission of adequate and reasonable documentation to the School Committee. The total amount of services and reimbursements shall not exceed \$31,000 during the term of the contract.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$35,000; 1986 — \$0; 1985 — \$0.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Cambridge College located at Cambridge. The contract shall be in effect during the period of September 3, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$40,000 which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Cambridge College's portion as is related to that amount is \$40,000.

The contractor will provide the following services including: staff development workshops in behavior management and techniques to work with at risk students; the staff will work with students to publish a monthly newsletter to parents; the development of a minority of retention program and the education of parents about the educational process, special education and the alternative program.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairings; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services has

been reviewed and approved by appropriate personnel at the Department of Education.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44 s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal years in the form of unadvertised contracts is as follows: 1987 — \$55,040; 1986 — \$56,039; 1985 — \$56,039.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General

Laws, chapter 44 s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal years in the form of unadvertised contracts is as follows: 1987 — \$177,781; 1986 — \$172,842; 1985 — \$185,574.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to the University of Massachusetts at Boston, Institute for Learning and Teaching, Harbor Campus, Dorchester.

The contract shall be in effect during the period of August 16, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$470,307 which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding for the sum of \$5,128,956. The University of Massachusetts' portion as is related to that amount is \$470,307.

Under the terms of this contract, the contractor will provide the following services:

Part I: Area C Partnership: student remedial and enrichment tutoring and professional development activities focused on basic skill improvement through the BEST program in twenty-one elementary and six middle schools in Area C; coordinate and provide services to students exhibiting academic or behavioral difficulties at the Mather, Emerson, Winthrop, Cleveland, Gavin and Dorchester High School; assist the reading and writing enrichment program at South Boston High School through community studies and writing activities directed by the Mosaic Project; provide counseling services at the Winthrop School through the Labour Center; provide outreach recruitment information and training activities as well as regular printed materials for all parents in area C through the Parent Recruiting Information Center; assist in coordinating and developing activities through the Magnet Theme Program in computers at the Burke High School; coordinate and provide services to LEP students and their teachers in six Area C schools.

Part II: Comprehensive Student Support Program: provides tutoring and team support to staff and students at the Tobin, Trotter and Gavin Schools as well as providing overall coordination of the program in Area C and Area E.

Part III: ACC Student Support Team: provides nonacademic support services to the students at the Another Course to College Program.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairings; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General

Laws, chapter 44 s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal years in the form of unadvertised contracts is as follows: 1985 — \$391,632; 1986 — \$339,091; 1987 — \$436,751.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Historic Neighborhood Foundation, located at 2 Boylston Street.

This contract shall be in effect during the period from September 9, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$17,917 which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding for the sum of \$5,126,756. Historic Neighborhoods Foundation's portion as is related to that amount is \$17,917.

Under the terms of this contract, the contractor will provide instructional services at the Barnum Middle School paired with the Timilty Middle School, and the Bradley Elementary School paired with the Quincy Elementary School. Services will be provided to 80 students of various racial and ethnic backgrounds for 34 sessions. Each session will emphasize positive aspects of the students' school and home neighborhoods by matching photographs of actual buildings and details of buildings with buildings in their neighborhoods.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44 s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal years in the form of unadvertised contracts is as follows: 1985 — \$23,371; 1986 — \$12,603; 1987 — \$23,096.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Museum of Fine Arts, a corporation located at 465 Huntington Avenue. This contract shall be in effect during the period from September 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$22,266, which I have deemed to be reasonable.

The contractor shall provide the following services: orientation meetings to schools with cl

m teachers and museum instructors to plan
laborative, multi-cultural curriculum and pro-
gram schedules; classroom slide orientations to
museum's collections of art from many cultures by
museum's instructor; in-class, hands on art activi-
ties, relating to the works of the craftspeople or art-
ists from the civilization under study;
demonstrations by multi-cultural resource artists;
visits to the Museum of Fine Arts or the Museum of
Contemporary Art of Afro-American Artists; pur-
chase of multi-cultural resource materials for each
school in Area B; teacher training workshops; year-
long family day for parents and students including
reception, exhibition of students' work and demon-
strations by multi-cultural resource artists and per-
forming artists; evaluation of the program by school
administrators, teachers and parents.

The contractor is uniquely qualified to provide
the above services because: the contractor has or-
ganized appropriate resources to enable the Bos-
ton School Department to qualify for funding under
Chapter 636 (1974 Amendments to the 1965 Racial
Imbalance Act) in the category of Cultural Institu-
tions; the institution has specifically designed serv-
ices in conjunction with school personnel to meet
the intent of U. S. District Court Judge W. Arthur
Garrett, Memorandum and Orders Modifying De-
segregation Plan (*Morgan v. McDonough*, Civil
Action No. 72-911-G); further, the services have
been reviewed and approved by appropriate per-
sonnel at the Department of Education.

Because of professional nature of the services to
be provided under this agreement and the exper-
tise of the contractor in providing such services, it is
my determination that the public interest would not
be served by public advertisement for bids.

This agreement is to be executed without an ap-
propriation of funds under provisions of General
Laws, chapter 44 s. 53A, and is subject to the re-
ceipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal
years in the form of unadvertised contracts is as fol-
lows: 1987 — \$20,768; 1986 — \$5,742; 1985 —
\$1,399.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

I, superintendent of the Boston Public Schools,
respectfully request your authorization for the
award of a contract to Parents' and Children's Ser-
vices, a corporation located at 654 Beacon Street.
This contract shall be in effect during the period
from September 15, 1987 to June 30, 1988, and
shall occur at a cost not to exceed \$35,000, which I
have deemed to be reasonable. On July 21, 1987,
the School Committee approved all of the FY 88
Chapter 636 proposals for the sum of \$5,128,956.
Parents' and Children's Services' portion as is re-
lated to that amount is \$35,000.

The contractor shall provide compensation for
thirty-five hours of work for a social work project co-
ordinator, a psychologist and a psychiatrist sup-
ported by a part-time secretary who will provide the
following services at Boston Technical High School:
direct supervision to team members; direct clinical
services to students and their families; liaison
with student advisors from graduate schools of so-
cial work and psychology; report to the school de-
velopment officer on all administrative matters;
report to the director of Clinical Services at Parents'
and Children's Services regarding professional
matters; make arrangements for adequate space,
furnishings and sound-proofing so as to create
physical conditions conducive to quality clinical
work and the safeguarding of confidentiality; de-

sign and implement in-service training for faculty so
as to create a climate which welcomes, assists and
utilizes the clinical team; relate to the headmaster
on administrative matters, and create administra-
tive linkages with different in-school program in-
cluding guidance counseling, peer counseling, the
student leadership program and various clubs;
identify and relate to health and social agencies
presently providing backup services or having po-
tential for doing so, including Freedom House, Rox-
bury Children's Service, St. Margaret's Hospital,
Crittendon House, the Chinese-American Associa-
tion and other resources throughout the city serv-
ing specific ethnic populations; provide training for
peer counselors and the prevention of suicide, al-
cohol and drug abuse; furnish an evaluation report.

The contractor is uniquely qualified to provide
the above services because: the contractor has or-
ganized appropriate resources to enable the Bos-
ton School Department to qualify for funding under
Chapter 636 (1974 Amendments to the 1965 Racial
Imbalance Act) in the category of Cultural Institu-
tions; the institution has specifically designed serv-
ices in conjunction with school personnel to meet
the intent of U. S. District Court Judge W. Arthur
Garrett, Memorandum and Orders Modifying De-
segregation Plan (*Morgan v. McDonough*, Civil
Action No. 72-911-G); further, the services have
been reviewed and approved by appropriate per-
sonnel at the Department of Education.

Because of professional nature of the services to
be provided under this agreement and the exper-
tise of the contractor in providing such services, it is
my determination that the public interest would not
be served by public advertisement for bids.

This agreement is to be executed without an ap-
propriation of funds under provisions of General
Laws, chapter 44 s. 53A, and is subject to the re-
ceipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal
years in the form of unadvertised contracts is as fol-
lows: 1987 — \$15,000; 1986 — \$5,000.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request
your authorization for the award of a contract to The
Institute of Contemporary Art, located at 955 Boyl-
ston Street. The contract shall be in effect during
the period of October 1, 1987 to June 30, 1988 and
shall occur at a cost not to exceed \$3,000 which I
have deemed to be reasonable. On July 21, 1987
the School Committee approved all of the FY'88
Chapter 636 proposals for the sum of \$5,128,956.
Institute of Contemporary Arts' portion as is related
to that amount is \$3,000.

The contractor will provide the following instruc-
tional services: four art/media classes at Madison
Park High School will participate in a six session
program at the Institute of Contemporary Art that
will introduce them to contemporary art forms and
artists. As part of the program, teachers at Madison
Park High will participate in workshops at the In-
stitute of Contemporary Art.

The contractor is uniquely qualified to provide
the above services because: the contractor has or-
ganized appropriate resources to enable the Bos-
ton School Department to qualify for funding under
Chapter 636 (1974 Amendments to the 1965 Racial
Imbalance Act) in the category of Cultural Institu-
tions; the institution has specifically designed serv-
ices in conjunction with school personnel to meet
the intent of U. S. District Court Judge W. Arthur

been reviewed and approved by appropriate per-
sonnel at the Department of Education.

Because of professional nature of the services to
be provided under this agreement and the exper-
tise of the contractor in providing such services, it is
my determination that the public interest would not
be served by public advertisement for bids.

This agreement is to be executed without an ap-
propriation of funds under provisions of General
Laws, chapter 44 s. 53A, and is subject to the re-
ceipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal
years in the form of unadvertised contracts is as fol-
lows: 1985 — \$12,406; 1986 — \$3,088; 1987 —
\$4,173.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools,
I respectfully request your authorization for the
award of a contract to Theatre Company of Boston,
a corporation located at Canton. This contract shall
be in effect during the period from September 15,
1987 to June 30, 1988 and shall occur at a cost not
to exceed \$31,050, which I have deemed to be rea-
sonable. On July 21, 1987 the School Committee
approved all of the FY 88 Chapter 636 proposals for
the sum of \$5,128,956. Theatre Company of Bos-
ton's portion as is related to that amount is \$31,050.

The contractor will provide the following services
at South Boston High School and Area C Schools:
direct instruction of an Arts-in-Education Theatre
program to provide multi-cultural approaches to ba-
sic skills improvement, two classes will be offered
each day to students recruited by Theatre Com-
pany of Boston Staff; provide monthly student the-
atre workshop performances focusing on original
student writings in the new Studio Theatre con-
structed by the Theatre Company of Boston; assist
English, Humanities, and Art teachers in develop-
ing special events (Black History Week Theatre
Project; Celebration of Learning Project; Get a Job
Workshop; Freshman Orientation Week, etc.); pro-
vide cultural resources to plan and implement ac-
tivities of the Artist-in-Residence Career
Awareness Program.

The contractor is uniquely qualified to provide
the above services because: the contractor has or-
ganized appropriate resources to enable the Bos-
ton School Department to qualify for funding under
Chapter 636 (1974 Amendments to the 1965 Racial
Imbalance Act) in the category of Cultural Institu-
tion; the institution has specifically designed serv-
ices in conjunction with school personnel to meet
the intent of U. S. District Court Judge W. Arthur
Garrett, Memorandum and Orders Modifying De-
segregation Plan (*Morgan v. McDonough*, Civil
Action No. 72-911-G); further, the services have
been reviewed and approved by appropriate per-
sonnel at the Department of Education.

Because of professional nature of the services to
be provided under this agreement and the exper-
tise of the contractor in providing such services, it is
my determination that the public interest would not
be served by public advertisement for bids.

This agreement is to be executed without an ap-
propriation of funds under provisions of General
Laws, chapter 44 s. 53A, and is subject to the re-
ceipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal

years in the form of unadvertised contracts is as follows: 1987 — \$27,000; 1986 — \$18,000; 1985 — \$17,587.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to the Loon and Heron Theatre, a corporation located at Brookline. This contract shall be in effect during the period from September 15, 1987 to June 15, 1988 and shall occur at a cost not to exceed \$29,633 which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding for the sum of \$5,128,956. The Loon and Heron Theatre's portion as is related to that amount is \$29,633.

The contractor will provide instructional services to sixteen District A elementary schools as follows: a team of two artists/teachers will work once a week for fifteen weeks with thirty-two first grade classes. The classes will last for one hour, and will focus on how puppets can enhance basic skills in reading, speaking, listening, and writing.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under Chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44 s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past fiscal years in the form of unadvertised contracts is as follows: 1987 — \$15,400; 1986 — \$5,900; 1985 — \$19,080.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Ramon de los Reyes Spanish Dance Theatre, a corporation located at 791 Tremont Street. This contract shall be in effect during the period from October 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$11,581, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY 88 chapter 636 proposals for the sum of \$5,128,956. Ramon de los Reyes Spanish Dance Theatre's portion as is related to that amount is \$11,581.

The contractor shall provide the following services: fifteen weeks of instruction of Hispanic dance and song for all third grade students in six District A elementary schools; instruction will emphasize

physical and rhythmical development, coordination, and balance; students will also develop ethnic awareness through sharing of their cultural backgrounds; this program will pair a standard English class with a Spanish speaking bilingual class to achieve the integration mandate of chapter 636; students will attend a performance of the Spanish Dance Theatre at Villa Victoria in Boston to observe professional dancers in a professional setting; students will present a final performance at the school for classmates, parents and community members.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This agreement is to be executed without an appropriation of funds, under the provision of General Laws, chapter 44, s.53A, and is subject to the receipt of funds under chapter 636.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$8,872; 1986 — \$10,309; 1985 — \$13,533.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to School Volunteers for Boston, Inc., a corporation located at 25 West Street. This contract shall be in effect during the period from September 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$50,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY 88 chapter 636 proposals for the sum of \$5,128,956. School Volunteers for Boston's portion as is related to that amount is \$50,000.

The contractor shall provide the following services: the staff will plan and conduct fifty parent training courses, consisting of two to four sessions. It is envisioned that at least twenty parents will attend each course for a total of at least 1,000 parents trained. Topics covered in the courses will include: ESL for LEP parents; issues in math and reading; how a parent can support his child at home; study skills and reading aloud. Another important area of training will equip parents to serve in Parent Information Centers in districts. An additional 1,000 parents will be served through workshops and events conducted by School Volunteers of Boston staff, parents, and volunteers.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; the institution has specifically designed serv-

ices in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This agreement is to be executed without an appropriation of funds, under the provision of General Laws, chapter 44, s.53A, and is subject to the receipt of funds under chapter 636.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$40,000; 1986 — \$32,989; 1985 — \$21,097.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Simmons College, a corporation located at 300 The Fenway. This contract shall be in effect during the period from September 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$45,535, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY 88 chapter 636 proposals for the sum of \$5,128,956. Simmons College's portion as is related to that amount is \$45,535.

The contractor shall provide the following services at Jamaica Plain High School: to provide technical assistance to Jamaica Plain High School faculty, students and staff for the development of writing program, Creative Publications; to provide instructional and non-instructional services to Jamaica Plain High School faculty and students; to provide student leadership programs, material support for student leadership including field trip admission, film developing and seed money for student leadership; to provide after school remediation tutoring services of 2,100 hours to Jamaica Plain High School students; to provide cultural education services to Jamaica Plain High School students, faculty and parents through performing arts programs, including artist consultants and material support for performing arts program; material support, including reading is fundamental books, and enrichment materials, to implement the above program at Jamaica Plain High School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Programs; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

This agreement is to be executed without an appropriation of funds, under the provision of General

vs, chapter 44, s.53A, and is subject to the report of funds under chapter 636
compensation to this vendor during the past fiscal years in the form of unadvertised contracts is as follows: 1987 — \$42,607; 1986 — \$231; 1985 — \$52,726.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Diabetes Prevention Education

Dear Mr. Mayor:

I am superintendent of the Boston Public Schools. I respectfully request your authorization for the award of a contract to Greater Boston Diabetes Society located at Brookline.

This contract shall be in effect during the period from October 28, 1987 to April 1, 1988, and shall be at a cost not to exceed \$5,000, which I have deemed to be reasonable.

Under the terms of this agreement, the contractor will provide the following services and materials: provide an inservice session for seventy-five school nurses; provide thirty-three days of classroom presentations in high school health classes; provide materials for classroom dissemination for 5,000 students; supply videotapes for Student Support Centers in seventeen high schools and the Camp Resource Center.

The Diabetes Society provides trained nurses and nutrition educators qualified to present material on diabetes prevention and education to high school students and student nurses. It is the only organization qualified to give this highly specialized kind of presentation.

This is the first contractual agreement between the Boston School Department and the Greater Boston Diabetes Society.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Superintendent's Dental Care

Dear Mr. Mayor:

I am business manager of the Boston Public Schools. I respectfully request your authorization for the award of a contract to Tufts University, Dental Faculty Practice, a corporation located at One Ireland Street.

This contract shall be in effect during the period from August 17, 1987 to June 30, 1988, and shall be at a cost not to exceed \$5,000 which I have deemed to be reasonable.

Under the terms of this agreement, Tufts University will provide dental services to Superintendent Laval S. Wilson and his family as specified in Dr. Wilson's contractual agreement with the Boston School Committee. Services for Superintendent Wilson's children, Holly and Laval S. Wilson, Jr., will be provided through the term of this agreement.

This agreement will cover the cost of dental services actually provided to Dr. Wilson and his family. These services will be comparable to, but will not exceed, the benefits under the Blue Cross/Blue Shield Dental Care Program provided to Superintendent Wilson and his family by the Rochester School District.

Because of the professional nature of the services to be provided under this agreement and the fact that this facility was selected by Superintendent Wilson on a preferential basis, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past fiscal years in the form of unadvertised con-

tracts for similar services is as follows: 1987 — \$5,000.

Very truly yours,

Leo J. Burke,
Business Manager.

Edible Commodities

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award contracts to specified vendors for furnishing perishable food items and other edible commodities as required by and under the care and custody of the Department of School Food Services for the period August 15, 1987 through June 30, 1988. Proposals to bid were mailed to twenty-three vendors doing business in the greater Boston area on May 11, 1987. Bids were received by both the Department of School Food Services and the Auditing Department of City Hall on Thursday June 4, 1987. In addition, the bids were publicly opened and read at 11 a.m. in the Department of School Food Services.

Your approval is requested to award a contract to the following low bidders in each category:

Meat, fish and poultry and frozen convenience items:

Cafeteria schools bids — amount not to exceed: Costa Fruit & Produce Co., Charlestown, \$975,000.

Fresh produce, snacks and juices: not to exceed: Dave Snacks, Brookfield, \$50,000; Costa Fruit & Produce Co., \$360,000.

Frozen meat products, frozen miscellaneous, juices and cookies: Central Kitchen Facility bids amount not to exceed:

Dandy Summer and School Services, Quincy, \$48,000; Colebrook Farms, Inc., Rehoboth, \$89,000; Kraft/S.S. Pierce Co., Peabody, \$180,000; Costa Fruit & Produce, \$263,000; All-White Potato Company, \$75,000; Boston Banana, Chelsea, \$20,000; Dave Snacks, \$45,000; Kayem Foods, Inc., Chelsea, \$90,000.

The vendor underlined above was awarded unadvertised contracts in the past three years in the amounts as follows: 1985 — \$18,796.64; 1986 — \$65,237.85; and 1987 — none encumbered.

Inasmuch as these are responsible vendors and their prices are reasonable and reflect the required product specifications, it is my opinion that the public interest would not be served by public advertisement at this time.

Very truly yours,

Leo J. Burke,
Business Manager.

Freezer Storage

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Quincy Market Cold Storage, a corporation located at Watertown, for freezer storage.

Under the terms of the contract, the contractor will provide freezer storage for food commodities donated to the Boston Public Schools by the federal government and transferred at the facility from the Massachusetts Department of Education's School Lunch Account. The contractor was selected by the Massachusetts Department of Education by public advertising.

The contractor is especially qualified to do this work because it is the only facility to receive and store the government food commodities for the Massachusetts Department of Education that are available to the Boston Public Schools.

Compensation under this contract shall not exceed \$50,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1987, through

June 30, 1988. If the state fails to make the award to Quincy Market Cold Storage, this contract will be automatically terminated September 1, 1987.

Since in the absence of this agreement, the Boston Public Schools would be unable to take advantage of the free government commodities, valued last year at about \$850,000 and would be required to purchase and store additional food commodities at greater expense, and because of the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

The contractor was awarded unadvertised contracts in the past three years as follows: 1985 — \$27,308.47; 1986 — \$40,000; 1987 — \$40,000.

Very truly yours,

Leo J. Burke,
Business Manager.

Food Storage

Dear Mr. Mayor:

I respectfully request your Honor's written permission to dispense with public advertising and to award a contract to Garofano Brothers of Charlestown, for the Storage and handling of foods during the period of July 1, 1987, to June 30, 1988, at a cost not to exceed \$28,000, which I have deemed reasonable.

Under the terms of the contract, the contractor will provide handling and storage for food commodities donated to the Boston Public Schools by the federal government through the Massachusetts Department of Education's School Lunch Account.

The contractor is specially qualified to do this work because as a result of public bidding he was selected by the Massachusetts Department of Education to receive and store government food commodities.

Since the Boston Public Schools have no choice in the selection of the vendor but can realize substantial savings by accepting and storing free government commodities at the warehouse selected by the Department of Education, and because of the reasonable cost of these services, I believe that public advertising would serve no useful purpose. If the state fails to make the award to Garofano Bros, this contract will automatically terminate with the termination of the state contract.

The contractor was awarded unadvertised contracts in the past three years. The amounts are as follows: 1985 — \$14,467.29; 1986 — \$19,246.54; 1987 — \$22,000 encumbered.

Very truly yours,

Leo J. Burke,
Business Manager.

Instructional Materials

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Mary Ansaldo, an individual residing at Hingham.

This contract shall be in effect during the period from August 1, 1987, to September 30, 1987 and shall occur at a cost not to exceed \$5,500 which I have deemed to be reasonable.

Under the terms of this contract, the contractor will prepare materials for teacher training sessions on the selection and evaluation of instructional materials for reading (10 days), conduct above-mentioned training sessions for 50 teachers (8 days), complete final report, including documentation (4 days). Compensation for these services will be at the rate of \$250 per day.

Ms. Ansaldo is specially qualified to provide the above services because she has unique expertise in material selection and evaluation, including 25 years of direct experience in the publishing field. She has consulted on this topic with school sys-

tems throughout the state. Three other experts in this field, Dr. John Sherk (University of Massachusetts), Dr. Jean Paratore (Boston University), and Dr. Jean Chall (Harvard) were contacted but were unable to conduct the training sessions on the dates specified.

Because of the professional nature of the services to be provided under this agreement and the ability of this contractor in providing these services on the required dates, it is my determination that the public interest would not be served by publicly advertising for bids.

This is the first contractual agreement between the Boston Public Schools and this vendor.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Fiscal Agent, Case Management

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Boston Private Industry Council, a corporation located at 185 Devonshire Street.

This contract shall be in effect during the period from July 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$296,460, which I have deemed to be reasonable.

Under the terms of this contract, the Boston Private Industry Council will act as a fiscal agent of the Boston Public Schools and provide nine case management workers for the Compact Ventures Program, a collaborative approach to the drop-out problem in the Boston Public Schools.

Each case manager will work closely with school administration and faculty to enroll 100 at-risk ninth and tenth grade students in the Compact Ventures Program, establish an in-school tutoring center, coordinate outreach and referral services, supervise staff, maintain records on student participants, and supervise a summer follow-up program. Each manager will also assist the business partnership manager in brokering agreements with community-based organizations and educational institutions, and will provide support to the Boston Private Industry Council on all activities concerning the achievement of compact goals. Compensation for these services will be at the rate of \$104 per day for each manager.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$87,840.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Compact Director

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Boston Private Industry Council, a corporation located at 185 Devonshire Street.

This contract shall be in effect during the period from July 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$57,500, which I have deemed to be reasonable.

Under the terms of this contract, the Boston Private Industry Council will provide the Boston Public Schools with the services of Edward Dooley, who will serve as the executive director of the Boston

Compact. In that capacity Mr. Dooley will act as liaison between the superintendent of schools and the three communities of interest committed to the Boston Compact: trade unions, business and universities. The compact director will work directly with leaders of these communities to achieve measurable results in jobs, education support, and apprenticeship opportunities.

The compact director will represent the superintendent on all committees, task forces, and work groups related to compact activity, and will serve as lead staff for all School Department contact with business and post-secondary education providers. Mr. Dooley will have particular responsibility for policy leadership and initial implementation of the Drop-Out Prevention and Re-Entry plan, and will serve as a liaison between the Superintendent's Office, the Mayor's Office and community organizations on all matters related to the drop-out issue.

Edward Dooley was selected to provide these services because as a long-term participant in the trilateral council, which was instrumental in the creation of the Boston Compact, and as an experienced developer of successful programs for at-risk youth, he has proven himself to be uniquely qualified to serve the superintendent in these matters. Mr. Dooley will be compensated for his services at the rate of \$221 per day.

Because of the professional nature of the services to be provided under this agreement and the unique ability of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$54,280.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Action Plan Development

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Alan Blumner, an individual residing at Newton.

This contract shall be in effect during the period from July 15, 1987, to November 15, 1987, and shall occur at a cost not to exceed \$15,000, which I have deemed to be reasonable.

Under the terms of this contract, Dr. Blumner will work with the Department of Curriculum and Instruction to assist in the development of an integrated action plan, he will work with staff to: integrate the curriculum and instruction initiatives into a single unified action plan to support Boston Education Plan initiatives; develop an eighteen month calendar of activities to support the single unified plan; identify resources necessary to implement the plan.

Dr. Blumner was selected to provide these services because he has worked successfully with the Boston Public Schools in the past. He is well acquainted with the programmatic issues within the Division of Curriculum and Instruction, and has collaborated with many of the staff members in developing prototypes for Chapter 636 funding. These prototypes reflect priorities from the Boston Education Plan. Dr. Blumner will be compensated for his services at the rate of \$250 per day.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past

three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$8,000.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Transcription Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, and upon the recommendation of the superintendent of schools, I respectfully request your authorization to dispense with public advertising and award a contract to Ford Reporting Associates, 85 Merrimac Street.

This contract shall be in effect during the period from July 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$30,000, which has been deemed to be reasonable by the School Committee.

Ford Reporting Associates will provide the following services at the School Committee Administration Building or at such other location where the committee may conduct its meeting: make a transcribed record of the proceedings of the School Committee for each meeting, each hearing, and each deposition. The School Committee agrees to pay the contractor the sum of \$4 for each original page plus one copy, and \$1 for each additional copy of said proceedings. In addition, Ford Reporting Associates will be paid an attendance fee of \$200 per meeting.

Because of professional nature of the services to be provided under this agreement and the quality of the performance of these services by this contractor in the past, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$12,504.50; 1986 — \$16,574.50; 1985 — \$21,586.35.

Very truly yours,
Edward J. Winter,
Secretary to the School Committee.

Young Audiences

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Young Audiences of Massachusetts, a corporation located at 74 Joy Street.

This contract shall be in effect during the period from September 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$8,900, which I have deemed to be reasonable.

Under the terms of this contract, 100 programs will be presented by ensembles selected from the 1987-1988 Young Audiences' roster. Performances will be scheduled for Grades 3-6 in the Boston Public Schools and to twelve middle schools without music program. Each program consists of a fifteen minute presentation by an accredited performance ensemble ranging in size from a solo performer to a quintet. The cost of each performance shall be \$89.

The contractor is specially qualified to provide the above services because Young Audiences is a nationally recognized organization using only highly trained professional artists who must adhere to national standards. It is the only organization in the Boston area capable of presenting concerts and performances aimed at all grade levels in public schools and has over thirty years experience in this field.

Because of professional nature of the services to be provided under this agreement and the quality

performance of these services by this contract in the past, it is my determination that the public interest would not be served by publicly advertising bids.

Compensation to this vendor during the past five fiscal years in the form of unadvertised contracts is as follows: 1987 — \$9,000; 1986 — \$7,000; 1985 — \$17,000.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the School Committee of the City of
Boston, I request your authorization for the award
of a contract as a sole source provider to South
Cove Community Health Center, 885 Washington
Street, for the provision of special educational services
to Boston Public School children in accordance
with M.G.L. c. 71B (chapter 766), and the
regulations promulgated thereunder, at a cost not
to exceed \$42,000 which is deemed to be reasonable
by the committee during the period of July 1,
1987 to June 30, 1988.

The amount to be encumbered initially is \$3,000.

The facility will provide educational services to
Boston Public School pupils in accordance with
each child's individual educational plan devised by
the School Department staff.

Because it has been determined that these children
are in immediate need of special education,
and due to the professional nature of the services to
be performed, the expertise of the facility in this
area, and the setting of rates by the Massachusetts
Rate Setting Commission it is the determination of
the School Committee that the public interest
would not be served by public advertising for bids.
FY-85 expenditure — \$3,618; FY-86 — \$4,824; FY-
87 — \$1,224.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of
Boston, I request your authorization for the award
of a contract as a sole source provider to Schools
for Children, Inc., Arlington, for the provision of special
educational services to Boston Public School
children in accordance with M.G.L. c. 71B (chapter
766), and the regulations promulgated thereunder,
at a cost not to exceed \$2,129,352 which is deemed
to be reasonable by the committee during the period
of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is
\$1,064,676.

The facility will provide educational services to
Boston Public School pupils in accordance with
each child's individual educational plan devised by
the School Department staff.

Because it has been determined that these chil-

dren are in immediate need of special education,
and due to the professional nature of the services to
be performed, the expertise of the facility in this
area, and the setting of rates by the Massachusetts
Rate Setting Commission it is the determination of
the School Committee that the public interest
would not be served by public advertising for bids.
FY-85 expenditure — \$651,443.46; FY-86 —
\$745,719.86; FY-87 — \$932,411.88.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of
Boston, I request your authorization for the award
of a contract as a sole source provider to St. Vincent's
Home, Fall River, for the provision of special
educational services to Boston Public School children
in accordance with M.G.L. c. 71B (chapter
766), and the regulations promulgated thereunder,
at a cost not to exceed \$376,520 which is deemed to
be reasonable by the committee during the period
of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is
\$188,260.

The facility will provide educational services to
Boston Public School pupils in accordance with
each child's individual educational plan devised by
the School Department staff.

Because it has been determined that these children
are in immediate need of special education,
and due to the professional nature of the services to
be performed, the expertise of the facility in this
area, and the setting of rates by the Massachusetts
Rate Setting Commission it is the determination of
the School Committee that the public interest
would not be served by public advertising for bids.
FY-85 expenditure — \$529,301.60; FY-86 —
\$117,311.26; FY-87 — \$135,244.54.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of
Boston, I request authorization for the award of a
late contract as a sole source provider to St. Mary's
School/Centaum, St. Margaret's Hospital, 90
Cushing Ave., for the provision of special educational
services to Boston Public School children in
accordance with M.G.L. c. 71B (chapter 766), and
the regulations promulgated thereunder, at a cost
not to exceed \$70,000, which is deemed to be reasonable
by the committee during the period of July
1, 1987 to June 30, 1988.

The reason this contract is late is due to the contractor
not returning the contract on time.

The amount to be encumbered initially is
\$36,750.

The facility will provide educational services to
Boston Public School pupils in accordance with
each child's individual educational plan devised by
the School Department staff.

Because it has been determined that these children
are in immediate need of special education,
and due to the professional nature of the services to
be performed, the expertise of the facility in this
area, and the setting of rates by the Massachusetts
Rate Setting Commission it is the determination of
the School Committee that the public interest
would not be served by public advertising for bids.
FY-85 expenditure — \$75,371.04; FY-86 — \$0—; FY-87
— \$0—.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to New England Medical Center, dba Dimock Community Health Center, a corporation located at 55 Dimock Street, Roxbury.

This contract shall be in effect during the period from September 14, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$4,450 which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at Lewis Middle School, Higginson, Ellis, and Manning Elementary Schools. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from Dimock Community Health Center, as it is the local health provider. The contractor is also able to provide additional backup service to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractors to the serviced schools, the expertise of the contractor in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$3,923; 1986 — \$3,199.98; 1985 — \$3,200.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Mattapan Community Health Center, a corporation located at 1425 Blue Hill Avenue, Mattapan.

This contract shall be in effect during the period from September 14, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$17,293 which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at Hyde Park High School, Lewenberg Middle School, Mattahunt, Roosevelt, Greenwood, Taylor, Chittick, and Grew Elementary Schools in District B and for Haley Elementary School in District E. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from Mattapan Community Health Center, as it is the local health provider. The contractor is also able to provide additional backup service to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of

the contractors to the serviced schools, the expertise of the contractor in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$10,661; 1986 — \$18,083.24; 1985 — \$13,158.68.

Very truly yours,
Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Braintree St. Coletta Day School, Inc., Braintree, for the provision of special educational services to Boston Public school children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$548, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$274,422.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$178,107.28; FY-86 — \$209,087.49; FY-87 — \$213,589.24.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:
On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Brandon School, Natick, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$1,263,586 which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$3,586.20.
The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$83,136.59; FY-86 — \$6,963.54; FY-87 — \$230,382.27.

Very truly yours,

Laval S. Wilson,

The amount to be encumbered initially is \$902,161.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$620,740.51; FY-86 — \$681,016.97; FY-87 — \$148,273.95.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Justice Resource Institute, 132 Boylston Street, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$256,210, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$128,205.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$171,223; FY-86 — \$180,249.28; FY-87 — \$111,307.02.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Robert F. Kennedy Action Corps, Inc., 11 Beacon Street, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$250,141.80, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$125,071.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts

Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$750,008; FY-86 — \$58,547.33; FY-87 — \$111,906.72.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Kenned Memorial Hospital Day School, 30 Warren Street, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$2,725,450, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$1,362,725.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$987,799.98; FY-86 — \$1,129,416.79; FY-87 — \$1,304,939.49.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Kenned Memorial Hospital, 30 Warren Street, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$241,920, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$120,960.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. PUBLIC WORKS DEPARTMENT

**Proposal for Demolition of
Downtown Crossing Canopy.**

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., after Monday, November 2, 1987. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

Every proposal shall be submitted in duplicate and in accordance with the contract documents. All proposals shall be filed no later than 2 p.m., Boston time, Thursday, November 19, 1987, at Room 714 at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract documents and specifically the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on,

or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. *Minority Workforce:* The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. *Boston Resident Workforce:* The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. *Female Workforce:* The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on November 10, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

NOTICE

COMMONWEALTH OF MASSACHUSETTS CITY OF BOSTON

TREASURY DEPARTMENT SCHOOL DEPARTMENT

To Whom It May Concern:

The City of Boston is preparing new rules for the participation of carriers in the Teachers Supplemental Annuity Program. The rules concern only the question of gaining and maintaining admission to the program for payroll deduction, and do not cover solicitation issues for which the School Department may from time to time promulgate rules and regulations.

The attached draft outlines the issue and the rules for gaining admission and maintaining the privilege of utilizing the City's payroll deductions by supplemental annuity carriers. There will be a 30-day comment period in which interested parties may comment on the draft rules and regulations. If you have any comments, they should be submitted in writing to the TSA Working Group, Attention: Mr. George M. Zoukee or Mr. Robert Walthall.

Comments must be received by November 20, 1987, to be considered prior to implementation of the new rules and regulations.

Sincerely,
GEORGE A. RUSSELL, JR.,
Collector-Treasurer.

TAX SHELTERED ANNUITIES RULES

I. Eligibility Requirements

- a) Each participating company shall be required to enroll a minimum of thirty (30) Boston School Department employees as applicants ("Employees") prior to being certified as an eligible provider of tax sheltered annuities (TSAs).
- b) Companies which meet the initial eligibility test in I(a) must continually maintain contracts with the minimum number of employees in order to remain eligible. To ensure compliance with this requirement each participating company shall submit a list of *current* employees under contract each January. Failure to provide such list may cause a participating company to lose eligibility.

II. Eligibility Fee

- a) Each eligible company shall be required to pay an annual flat fee of \$2,000 for the first four hundred (400) employees it contracts with. Payment of this fee, which shall be non-refundable, is a precondition to certification as an eligible company. This fee shall be prorated to reflect that portion of the initial year in which the company is eligible. Subsequent annual fees shall be due on January 1 of the succeeding years of participation.
- b) An annual fee of \$1 shall be paid for each additional employee contracted with over the 400 benchmark.
- c) The annual fees paid by eligible companies are to be borne from the company's total assets. The contributions of the participating employees shall not be the sole source of the annual fees and shall not be the source of the fees in any greater proportion than the other assets of the company.
- d) The fees described in section II(c) above shall be paid to the City of Boston, Treasury Department, Room M-5, Boston City Hall, Boston, MA 02201.

III. Company Requirements

- a) Each eligible company shall sell to employees only those annuities complying with the provisions of Section 403(b) of United States Internal Revenue Code, Massachusetts General Laws, Chapter 71, section 37(b), and any other pertinent present or future federal, state or local law.
- b) The company assumes sole responsibility for insuring that all TSAs marketed and sold by them are in full compliance with all applicable provisions of the Internal Revenue Code, Regulations, and all other applicable federal, state and local law.
- c) Each eligible company shall provide the City of Boston, through its Treasury Department, with a written instrument which states that in consideration for its participation in the TSA program the company will indemnify and hold harmless the City of Boston School Department, Treasury Department, City of Boston, its officers and employees from every claim and demand arising out of the sale and marketing of TSAs. Such instrument must be provided to the Treasury Department at the time of certification of eligibility.

INVITATION FOR BIDS

The Boston Redevelopment Authority will receive sealed bids for construction of Long Wharf Phase IA, located in the Waterfront Project Area, Mass. R-77, City of Boston, Mass., until 12 noon, Boston time, on November 20, 1987, at One City Hall Square, ninth floor, Room 910, Boston, Mass., Attention: Engineering Department, at which time and place all bids will be publicly opened and read.

A prebid conference will be held at the Boston Redevelopment Authority, Harbor Planning and Development, Building No. 34, One First Avenue, second floor Conference Room, Charlestown Navy Yard, at 10 a.m. on November 10, 1987, to ascertain any problems with the work and other matters.

The work will consist of the installation of granite pavements, bituminous pavements, granite coping, utilities and site furnishings.

Proposed forms of contract documents, including drawings, and technical specifications are on file at the office of the Boston Redevelopment Authority, Room 910, ninth floor, One City Hall Square, Boston, MA 02201.

Copies of the contract documents may be obtained by paying one hundred dollars (\$100), refundable, in cash or a certified check, payable to the Boston Redevelopment Authority for each set of documents so obtained.

Bids shall be accompanied by a bid deposit in the form of a bid bond, or cash, or a certified check on, or a treasurer's or cashier's check, issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. A bid bond shall be: (a) in a form satisfactory to the Awarding Authority; (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the Awarding Authority; and (c) conditioned upon the faithful performance by the principal of the agreements contained in the subbid or general bid. Bid deposit shall be in the amount equal to at least 5 percent of each proposal for this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Authority, and each in the sum of 100 percent of the contract price will be required of the successful bidder.

The attention of all bidders is called to Massachusetts General Laws, c. 30, sect. 39, which became effective July 1, 1981, and which is set forth in its entirety in section 304 of the General Conditions of the contract.

Attention is called to the Authority's requirements regarding minimum wages, Workmen's Compensation, non-discrimination, affirmative action with respect to minority, female, and resident employment, and minority business enterprise utilization.

The above requirements are included in the bid specifications. A prebid conference to discuss contract compliance will be held with the Boston Redevelopment Authority's Office of Contract Compliance, at Building 33, Charlestown Navy Yard, Charlestown, Mass., on November 10, 1987 at 10:30 a.m.

The Authority reserves the right to reject any or all bids or to waive any informalities in bidding, if it be in the public interest so to do.

The Authority may reject any bid if the bidding entity has not formally obtained the bidding documents from the Authority and been listed as a potential bidder.

Bids may be held by the Boston Redevelopment Authority for a period not to exceed thirty (30) days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of the bidders, prior to awarding the contract.

BOSTON REDEVELOPMENT AUTHORITY,
By KANE SIMONIAN,
Secretary.

PUBLIC FACILITIES DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for General Bids for Emergency Motor Replacement for the Main Security Gate at the Deer Island House of Correction, Project 5143.

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for emergency motor replacement for the main security gate at the Deer Island House of Correction.

Bids will be received up until twelve o'clock noon, Boston time, November 20, 1987, at the office of the Awarding Authority, 26 Court Street, Boston, MA 02108, at which time and place they will be publicly opened and read aloud.

The bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. The bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, certified check, treasurer's check or cashier's check made payable to the City of Boston, in the sum of 5 percent of his or her bid.

No bid may be withdrawn after the time limit for filing bids and for the five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three most responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide the payment of compensation by insurance and for the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), Chapter 152, to all persons to be employed during the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligation of the contractor to take affirmative action in connection with employment practices throughout the work.

PLANS AND SPECIFICATIONS will be available for about November 2, 1987, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the check returned.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids on any items of a bid, if it be in the public interest to do so.

Invitation for Bids for Removal of Carpet and Installation of Vinyl Floor Tile at Grover Cleveland School, 11 Charles Street, Dorchester, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Removal of Carpet and Installation of Vinyl Floor Tile at Grover Cleveland School, 11 Charles Street, Dorchester, Mass." at an estimated cost of \$27,000.

SCOPE OF WORK: In general includes replacement of existing carpet with vinyl floor tile.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, November 4, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Thursday, November 19, 1987, at which time and place they will be publicly opened and read aloud. General contractors must file with their bids a copy of a certificate from DCPO showing that they are eligible to bid on projects in general contracting up to a project dollar amount and up to an aggregate limit, and with an update statement, DCPO Form CQ3.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,
Senior Structural Engineer.

NO. 45

MEMORIAL TO OLYMPIAN CONNOLLY UNVEILED

Mayor Raymond L. Flynn and the members of the Old Harbor Athletic Club were pleased to announce the unveiling and dedication of the James Brendan Connolly Memorial at a ceremony on Saturday, October 31, 1987, at the newly renovated Saunders Stadium in Columbus Park, Old Colony Avenue in South Boston. Various athletic demonstrations beginning at 12 noon launched the ceremonies, with the formal program that commenced at 1 p.m., and featured Mayor Flynn and various local Olympians.

James Connolly, who was born in South Boston in 1869, to Irish immigrant parents, achieved renown as the first American Olympic winner, finishing victorious in the triple jump (then called the hop, skip, and jump) in the first modern Olympics, held in Athens, Greece, in 1896. His award was a Silver Medal, since Gold Medals had not been then in use.

The Connolly sculpture, by Massachusetts artist Thomas Haxo, was conceived of by the Old Harbor Athletic Club, and was commissioned by the Trustees of the Edward Ingersoll Browne Fund. The work depicts Connolly as a competitor, striving to reach his furthest mark. Additional assistance in creating this memorial was provided by the City of Boston Trust Office, the Boston Parks and Recreation Department, and the Boston Arts Commission.

TRASH REGULATIONS FOR BACK BAY

Mayor Raymond L. Flynn has announced to leaders of civic and business associations in Boston's Back Bay neighborhood that a new set of trash regulations — designed to deal with a growing rodent problem in that neighborhood — would be implemented on November 1.

Over the past few weeks, the Flynn Administration has worked with District City Councillor David Scondras and a number of Back Bay neighborhood organizations to put together specialized trash collection regulations to deal with that community's unique circumstances.

After meeting with civic leaders, Mayor Flynn said, "What we want to do is design a program that will target the Back Bay's problem and meet that community's needs."

The new trash pickup regulations for the Back Bay, set out by the Boston Public Works Department, will prohibit trash from being put out in plastic bags until 6 a.m. on the morning of collection. Trash can continue to be put out in securely covered metal containers after 5 p.m. on the night before collection.

The penalty for early or improper disposal of trash is \$25 for residential trash and \$50 for commercial trash. Officials from the city's Code Enforcement Program pledged a stepped-up enforcement of these regulations in the Back Bay, after a two-week warning period from the time the new regulations went into effect.

Back Bay leaders attending the recent meeting with Mayor Flynn, hailed the new regulations. "I'm convinced it really will work," noted Newbury Street resident Dick Brayley. "We need a two-pronged approach: the city has to continue to do the rodent baiting, while the residents and businesses in the Back Bay have to cooperate in reducing the rodent's food supply."

"We're pleased with the Mayor's interest in this problem," said Dennis Quilty, president of the Neighborhood Association of the Back Bay. "Mayor Flynn, the Office of Neighborhood Services and Councillor Scondras have joined to make it a total effort."

In addition to the change in trash disposal regulations, the Flynn Administration committed to continue efforts by the Inspectional Services Department's Rodent Control Unit in identifying and

baiting rodent nesting places in the neighborhood. Beginning in January, the administration announced, a state grant will enable two additional inspectors to be assigned full-time to the Back Bay to continue baiting efforts, as well as work on public awareness and prevention efforts with residents and businesses.

Present at the meeting in Mayor Flynn's office were: Dennis Quilty, Paul Demakis, and David Novak, president, Chairman and Executive Director of the Neighborhood Association of the Back Bay (NABB), respectively; and Marianne Abrams, executive director of the Back Bay Association. Councillor David Scondras and representatives from the Mayor's Office of Neighborhood Services, Rodent Control Program, Code Enforcement Program, and Inspectional Services Department also participated.

"I appreciate the support and cooperation of the administration in dealing with this most serious health problem facing my district," observed Councillor Scondras. "I have complete confidence that the program we worked out together with the neighborhood will reduce the rodent population."

Don Gillis, director of the Mayor's Office of Neighborhood Services, stressed the need for neighborhood residents and businesses to work together to solve the rodent problem. "What we want to stress to Back Bay residents is that they should put out their trash as they go out their doors to go to work on the morning of pickup." Gillis added that, in addition to warning notices, letters and flyers would be used to inform residents and merchants about the new regulations.

AIDS EDUCATION IN THE WORK-PLACE

In an effort to slow the spread of Acquired Immune Deficiency Syndrome (AIDS), the United Way of Massachusetts Bay announced a \$40,000 grant to the AIDS Action Committee (AAC) to develop a program for AIDS education in the workplace.

The grant will enable the AAC to develop education and consulting services for local businesses and employees. The program will provide basic AIDS information to employees and guidance on legal issues, confidentiality, and insurance and health care costs to executives. The grant was based on the United Way report, "AIDS: Extent of the Problem, Responses, and Needs in the Greater Boston Area," which was also released.

"Clearly, there is a tremendous need for AIDS education and awareness," said Christine Robinson, the United Way's planning associate and author of the report. "Regular reports from city, state, and national medical experts show that AIDS is the most serious public health crisis that has occurred in most individuals' lifetimes."

The report notes that AIDS cases are increasing among all population groups and that intravenous (IV) drug users, gay and bisexual males, people of color, and teens are at particular risk.

Robinson said the United Way grant focuses on workplace education as the means to reach the public more quickly and efficiently.

"We want to reach the general public in a setting where everyone can come to get information about AIDS without worrying about confidentiality," she said.

The AAC experts to conduct 150 to 200 workplace presentations, reaching from 7,500 to 10,000 employees in the first year of the program.

Robinson said United Way volunteers who approved the twelve-month grant cited the AAC's record of successful program development and experience working with a wide range of agencies and communities. "The AAC is well-managed, well-respected, and has a history of sound fiscal management," Ms. Robinson added.

The AAC is not a United Way-Affiliated agency but was chosen for funding through the United Way's New Initiatives and Emergencies Fund, which allows the United Way to respond quickly and effectively to immediate local needs and opportunities.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

SCHOOL DEPARTMENT

Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Kolburne School, New Marlborough, for the provision of Special Educational Services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$340,656, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$42,582.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — 0; FY-86 — \$63,191.50; FY-87 — \$33,978.39.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

School, 241 St. Botolph Street, for the provision of Special Educational Services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$304,582.50, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$152,291.25.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$76,919.98; FY-86 — \$90,857.63; FY-87 — \$107,616.71.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Concord-Assabet School, Concord, for the provision of Special Educational Services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$198,360, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$49,590.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — 0; FY-86 — 0; FY-87 — \$32,946.05.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request authorization for the award of a contract as a sole source provider to the Devereux Foundation, Devon, Pennsylvania, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$800,278.44, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$400,139.22.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$32,113.96; FY-86 — \$145,511.51; FY-87 — \$304,700.50.

Very truly yours,

Laval S. Wilson,

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Enable Inc./Early Beginning Center, Canton, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$54,930, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$27,465.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure — \$28,822.75; FY-86 — \$36,477.21; FY-87 — \$26,334.18.

Very truly yours,

Laval S. Wilson,
Superintendent.

Various Computer Systems and Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to National Computer Systems, Minnesota.

Under the terms of the contract, the vendor will provide maintenance for the Sentry Optical Mark Reader Model 3000, Automatic Sheet Feeder Model 3034, and Transport Printer Model 3035, including all parts and labor. This equipment is used to process student tests and to capture other data such as grades, courses and attendance.

National Computer Systems manufactures this equipment and is the sole provider of maintenance. Compensation to this vendor shall not exceed \$9,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1988.

Because this service is not available through other vendors and the cost is considered reasonable, I believe that public advertising would serve no useful purpose. This contract is being submitted after the commencement of the intended term of the proposed contract. Documents forwarded May, 1987, were not returned until July 7, 1987.

Compensation to this vendor during the past several years in the form of unadvertised contracts follows: 1986 — \$14,800; 1987 — \$16,800.

Very truly yours,

Leo J. Burke.

Dear Mr. Mayor:
I respectfully request your Honor's permission to dispense with public advertising and award a contract to National Computer Systems, Minnesota, for providing maintenance of equipment utilized by the Information Service Department.

Under the terms of the contract, National Computer Systems, a sole vendor will continue to maintain equipment for the OMR scanner, Sentry 70 OMR system, 1600 BPI tape drive, Transport Center, the Sentry 3000 system and peripheral devices which have been previously purchased from the company.

Compensation to this vendor shall not exceed \$6,800, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1988. Because National Computer Systems is the sole vendor of equipment already in place and is able to perform the maintenance of the equipment, and the cost of these services is reasonable, I believe that public advertising would serve no useful purpose. This contract is being submitted after the commencement of the intended term of the proposed contract. Documents forwarded in May, 1987, were returned until July 7, 1987.

Compensation to this vendor during the past five years in the form of unadvertised contracts is as follows: 1986 — \$14,800; 1987 — \$16,800.

Very truly yours,

Leo J. Burke,
Business Manager

Dear Mr. Mayor:
On behalf of the Boston School Committee, I request your authorization to award a contract, without public advertising, to International Business Machine Corporation, Waltham, for furnishing maintenance of purchased IBM equipment (mainframe tape drive maintenance of the software. This contract will not exceed \$180,000 for the period July 1, 1987, to June 30, 1988.

Under the terms of this contract, International Business Machine Corporation will provide hardware maintenance to purchased equipment, programs and other software software products especially developed for the IBM software had been designed to meet specialized requirements of the School Department computer applications. IBM will also provide basic materials, related optical materials and maintenance thereof to perform computer operations in the Data Processing Center of the Boston School Department.

Since IBM has provided services of a specific nature, has performed satisfactorily and the cost to the city is deemed reasonable by the business manager, public advertising would serve no useful purpose.

Compensation to this vendor during the past five years in the form of unadvertised contracts is as follows: 1984-1985 — \$150,000; 1985-1986 — \$5,000; 1986-1987 — \$175,000.

Very truly yours,

Leo J. Burke,
Business Manager

Medical Examinations

Dear Mr. Mayor:
As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Upham's Corner Health Center, a corporation located at 500 Columbia Road, Dorchester.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$2,498, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical ex-

aminations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at the Russell Elementary School in District C, and for the Hernandez Elementary School in District E. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from the Upham's Corner Health Center, as it is the local health provider. The contractor is also able to provide additional back-up service to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractor to the serviced schools, the expertise of the contractor in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$2,100.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to South Boston Health Center, a corporation located at 133 Dorchester Avenue, South Boston.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$6,275, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at the Condon, Perry, and Perkins Elementary Schools, and the P. F. Gavin Middle School. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from the South Boston Health Center, as it is the local health provider. The contractor is also able to provide additional back-up service to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractors to the serviced schools, the expertise of the contractor in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$5,700; 1986 — \$5,700; 1985 — \$5,700.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

TREASURY DEPARTMENT

Customer Service Representatives

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Anne Whalen, 22 Weyanoke Street, Dorchester, for services as customer service representative for the Collecting Division.

Under the terms of the contract Ms. Whalen will be assisting the taxpayer service window, reaching checks sent without remittance, researching teller errors, processing the mail for incoming payments and balancing with the computer room.

Ms. Whalen is specially qualified to do this work because of her proven ability to work independently within all sections of the department as well as her past experience as a city teller.

Compensation under this contract shall not exceed \$9,166, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$11 per hour. The increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Maureen Flaherty, 241 Minot Street, Dorchester, for services as customer service representative for the Collecting Division.

Under the terms of the contract Maureen Flaherty, will assist the taxpayer service window, research checks sent without remittance, research teller errors, process the mail for incoming payments and balance with the computer room.

Ms. Flaherty is specially qualified to do this work because of her proven ability to work independently within all sections of the department as well as her past experience as a city teller and assistant head cashier.

Compensation under the terms of this contract shall not exceed \$11,920, which I have determined to be reasonable for the work to be performed. Ms. Flaherty will be paid at the rate of \$11 per hour. The increase from FY 87 to FY 88 is principally due to an

anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Tax Collection Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Paul Johnson, 122 P Street, South Boston, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract Mr. Johnson will provide taxpayer assistance with regard to tax collections and tax refunds by picking up and sorting the mail from our Post Office box, delivering it to the appropriate sections, delivering tax payments to Shawmut Bank, and assisting the central mail room staff during times of heavy tax mailings. He will also continue to organize and maintain our stock and record room.

Mr. Johnson is specially qualified to perform these duties due to the experience he has obtained during the past six years in the Treasury Department.

Compensation under this contract shall not exceed \$19,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$9.10 per hour.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Patricia Stoddard, 10 Tuckerman Street, South Boston, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract the contractor will type and process all tax title releases for the collecting division.

Ms. Stoddard is specially qualified to perform these services because of her statistical typing skills, her proven ability to work productively and efficiently with little supervision and she has obtained the knowledge to perform those duties.

Compensation under this contract shall not exceed \$8,580, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$6.60 per hour.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and to award a con-

tract to William F. Stoia, an individual, located at 292 Huntington Ave., Hyde Park, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract Mr. Stoia will instruct employees in the Accounting Section of the Collecting Division, and familiarize other supervisors with the tax title update procedures. Mr. Stoia will also work closely with senior members of the Collecting Division regarding modifications to the computer-based systems for receipting payments and maintaining records regarding properties on which tax liens have been placed. Mr. Stoia is uniquely qualified to do this work because of his knowledge of the work through experience and his excellent performance.

Compensation under this contract shall not exceed \$18,000, which I have determined reasonable for the work to be performed. Mr. Stoia will be working two days a week, at a rate of \$173.07 per day. The term of this contract shall be from July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Financial Systems Analyst

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Robert T. Walthall, 49 Alpine Street, Boston, for professional services as financial/systems analyst for the Treasury Department.

Under the terms of the contract, the contractor will provide extensive work on personal computer system with an application to cashflow and research analysis, create programs for Collection and Treasury related data analysis, handle 121A and problem PILOT accounts as 121A Corporation Auditor, assist tax managers, research trouble accounts and recommend solutions based on analysis, and monitor of all data related to the cashflow with an internal analysis of all data.

Mr. Walthall is specially qualified to perform these services because of his formal education from Oberlin College with a concentration in economics and econometrics with systems applications and his past experience with the Treasury Department.

Compensation under this contract shall not exceed \$21,099, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$426.56 per week.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Legal Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Gia Savino, 57 Cooper Street, for assistance in the Municipal Lien Section of the Collecting Division.

Under the terms of the contract the contractor will prepare legal documents for conveyance and insurance claims, answer legal questions in refer-

ence to conveyance of properties, keep records and be responsible for data on municipal liens, balance daily and work on computers.

Ms. Savino is specially qualified to perform these services because she has the experience and knowledge to perform those duties, works productively and efficiently with little supervision and has previous experience dealing with the public.

Compensation under this contract shall not exceed \$5,200, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$6.05 per hour. The increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Daniel Calenda, 47 Harvard Street, Charlestown, for services as a legal assistant for the Collecting Division of the Treasury Department.

Under the terms of the contract the contractor will provide services as a legal assistant performing research and providing staff support to the department's attorneys.

Mr. Calenda is specially qualified to perform these services because of his previous experience as a legal assistant, his law degree and his extensive work as legal assistant for the Treasury Department.

Compensation under this contract shall not exceed \$3,000, which I have determined to be reasonable for the work to be performed. Mr. Calenda will be paid at the rate of \$7.50 per hour.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Robert Baldacci, 106 Hudson Street, Somerville, for assistance in the Municipal Lien Section of the Collecting Division.

Under the terms of the contract the contractor will prepare legal documents for conveyance and insurance claims, answer legal questions in reference to conveyance of properties, keep records and be responsible for data on municipal liens, balance daily and work on computers.

Mr. Baldacci is specially qualified to perform these services because he has the experience and knowledge to perform those duties, works productively and efficiently with little supervision and has previous experience dealing with the public.

Compensation under this contract shall not exceed \$22,800, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$9.90 per hour.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

At my discretion, authorized overtime service in excess of a forty-hour workweek, shall be compensated on a time-and-one-half basis.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Trust Office

Contracts — Parkman Fund

Dear Mr. Mayor:

In my capacity as trustee of the Parkman Fund have delegated the Parks and Recreation Department to act as my agent in soliciting proposals for miscellaneous landscape repairs, Boston Common and Public Garden.

The following contractors were invited to submit proposals: Ferrazzani Construction Co., Inc., Reading; Cambridge Landscape Co., Inc., Cambridge; A & B Construction, Inc., Brighton; South Corridor Community Farm, Jamaica Plain.

Inasmuch as three of the above contractors declined to submit bids for the project period requested due to other commitments and Cambridge Landscape Co. submitted several references which checked-out very satisfactorily, your permission is hereby requested to award the contract for miscellaneous landscape repairs, Boston Common and Public Garden to Cambridge Landscape Co., Inc., 52 Rindge Ave., Cambridge. The contract time period shall be June 29, 1987 through July 1987 in an amount not to exceed \$22,020 which I have determined to be reasonable.

The money for this contract will be paid out of Parkman Fund. This contract is late due to the pressing and obtaining of the required contract documents.

Very truly yours,

George Russell,
Collector-Treasurer,
Trustee, Parkman Fund.

Dear Mr. Mayor:

In my capacity as Trustee of the Parkman Fund have delegated the Parks and Recreation Department to act as my agent in contracting for and installing etched aluminum signs, Boston Common and Public Garden.

Inasmuch as the desired product is only available from one manufacturer and other products are comparable in quality, your permission is hereby requested to award the contract to Allotech, Salt Lake City, Utah, for the time period of June 18 to July 1987 in an amount not to exceed \$21,365.20 which I have determined to be reasonable.

The money for this contract will be paid out of Parkman Fund. This contract is late due to the pressing and obtaining of the required contract documents.

Very truly yours,

George Russell,
Collector-Treasurer,
Trustee, Parkman Fund.

Dear Mr. Mayor:

In my capacity as Trustee of the Parkman Fund, I have delegated the Parks and Recreation Department to act as my agent in soliciting proposals for porcelain enamel sign panels, Boston Common.

Inasmuch as this is a special item, your permission is hereby requested to award the contract for fabrication and installation of porcelain enamel signs, Boston Common to Unerectors, Inc., 82 Crescent Avenue, Dorchester, for the time period of 18 calendar days from the date of authorization, in an amount not to exceed \$16,340, which I have determined to be reasonable.

The money for this contract will be paid out of the Parkman Fund.

Very truly yours,

George Russell,
Collector-Treasurer,
Trustee, Parkman Fund.

SUFFOLK COUNTY SHERIFF'S DEPARTMENT

Dental Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dr. Leonard Shulman of 11 Alden Road, Weyland, for on-site dental services to the inmates incarcerated at the Suffolk County Jail.

Under the terms of the contract the contractor will perform dental services to the inmates incarcerated at the jail and shall be on call on a twenty-four hour basis for consultation with the jail medical staff. In addition, the contractor shall provide at least sixteen hours of dental services per month and shall provide for an alternate dentist at the contractor's sole expense in the event he is unable to provide said services. The alternate selected by the contractor shall be subject to approval by the sheriff. The contractor is also required to provide proof of malpractice insurance in form and amount satisfactory to the Sheriff.

Compensation under this contract shall not exceed \$24,840, at a rate of \$2,070 per month, which I have determined to be reasonable for the work to be performed. The term of this contract shall be from July 1st, 1987 to June 30th, 1988.

Dr. Shulman is especially qualified to perform these services because he has had extensive dental care experience dealing with individuals in custody and in particular, individuals confined at the Suffolk County Jail. Dr. Shulman has served as the institutional dentist at the Suffolk County Jail for the last nineteen years.

In view of the nature of the specialized services to be performed and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Please excuse the tardiness in the submission of this letter as unavoidable delays are the reason for its slight delay.

Very truly yours,

Robert C. Rufo,
Sheriff.

ADMINISTRATIVE SERVICES DEPARTMENT

Health Benefit and Insurance Division

Insurance Coverage

Dear Mayor Flynn:

In accordance with M.G.L. chapter 32B, section 1, the city is required to purchase life and accidental death and dismemberment policies for eligible employees and retirees on terms deemed to be in the best interest of the city/county and its employees. Boston Mutual Life Insurance Company, Canton,

has provided the City of Boston with life and accidental death and dismemberment insurance since 1962. In July of 1983, the city entered into a five-year contract with Boston Mutual Life Insurance Company to continue providing this insurance coverage.

Your Honor's permission is requested to approve the fifth year of this contract for the period of July 1, 1987, through June 30, 1988, in an amount not to exceed \$345,000, appropriation code 011-140-0148-H104-0490.

This contract is being submitted late due to the failure of the contractor to send the necessary forms and agreements to this office within the required time period.

A copy of the original award letter is attached.

Respectfully,

Irene Carrington,
Director.

Printing Section

Printing Equipment Maintenance

Dear Mr. Mayor:

Authority is requested to renew, without advertising, the city's existing contract with Compugraphic Corporation, Wilmington, for the service and maintenance of Compugraphic printing equipment presently installed in the city's Printing Section and which is being leased under an existing lease-purchase contract. The service and maintenance work will be performed by Compugraphic's Warranty Extension Agreement Division, North Reading. The contract will be effective for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$16,632 net.

Under this contract, Compugraphic will provide all materials and perform all the work necessary for and incidental to providing preventative and remedial maintenance service for the printing equipment.

Inasmuch as Compugraphic is the manufacturer, their technicians are trained specially to maintain and repair all of the equipment it manufactures, and parts are readily available, it is my opinion that no benefit will inure to the city by publicly advertising for bids. The cost of the service and maintenance is reasonable and will be no higher than the prices charged the General Services Administration by Compugraphic for the same work.

A schedule of the printing equipment to be serviced and maintained under this contract will be furnished by Compugraphic and will become part of this contract. It will show model and serial number, and monthly cost of each item.

Respectfully yours,

William J. Hannon,
Superintendent.

Cable Communications

Mailing Equipment Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in the award of a contract to Pitney-Bowes, Inc., Waltham, in an amount not to exceed \$18,517. The period of service for this contract will be July 1, 1987, to June 30, 1988. Funding for this contract is located in 011-140-0146-CT03-0270.

Under the terms of this contract, Pitney-Bowes will service and maintain the mailing equipment in the City Hall Mail Unit. Due to the fact that this maintenance agreement covers equipment manufactured by Pitney-Bowes, I believe that public advertising would serve no useful purpose.

This letter of award has been submitted after the period of performance has commenced due to an administrative lag.

I look forward to your favorable response.

Sincerely,

Thomas P. Cohan,
Director.

FIRE DEPARTMENT

Emergency Repairs to Ladders

Dear Sir:

I respectfully request your Honor's permission to award to Resco Trailer, Inc., Braintree, the task of performing certain emergency repairs to Ladder 25. On August 31, 1987, these emergency repairs were necessary in the interest of public safety, given that this piece of apparatus is necessary to the fire-fighting operations of the department.

Resco Trailer, Inc., performed the following work on Ladder 25: 1. rebuild and repair body; 2. prep., prime and paint.

The cost of the work described above is \$10,500, which will be paid pursuant to the city's existing contract with this firm, Contract No. 1603-88, for repetitive services for the fiscal year 1988. This contract requires the Mayor's approval for any single repair of \$2,000 or more.

This request is being submitted late after completion of the work, because the parts needed for Ladder 25 were not immediately available and the final bill was not received for at least three weeks after completion of the work.

In my opinion, the contractor is qualified to do the work herein described, inasmuch as Resco Trailer, is thoroughly familiar with all types of work on said equipment and competitive bids were obtained from at least three other repetitive service vendors. The prices quoted were as follows: Resco Trailer, Braintree, Contract No. 1603-88, \$10,500; Greenwood Fire Apparatus, No. Attleboro, Contract No. 1584-88, \$20,000; and a three-month wait, Middleboro Fire Apparatus, Taunton, Contract No. 1593-88, \$15,000 and a three-month wait and Mass. Truck Body and Trailer, Chelsea, Contract No. 1591-88, reported it was too busy to handle these repairs.

The price quoted for the work is reasonable and it does not appear that any lower price could be obtained by publicly advertising for bids and I believe that public advertising would serve no useful purpose.

Very truly yours,

Leo D. Stapleton,
Fire Commissioner.

Dear Sir:

I respectfully request your Honor's permission to award to Bay State Auto Spring Mfg. Co., 83 Hampden Street, the task of performing certain emergency repairs to Reserve Ladder 219-T. On July 25, 1987, these emergency repairs were necessary in the interest of public safety, given that this piece of apparatus is necessary to the fire-fighting operations of the department.

Bay State Spring Mfg. Co., performed the following work on Reserve Ladder 219-T: 1. rebuilt and repaired front end.

The cost of the work described is \$2,664.76, which will be paid pursuant to the city's existing contract with this firm, Contract No. 1576-88 for repetitive services for the fiscal year 1988. This contract requires the Mayor's approval for any single repair of \$2,000 or more.

This request is being submitted late after completion of the work, because the parts needed for Reserve Ladder 219-T were not immediately available and the final bill was not received for at least two months after completion of the work.

In my opinion the contractor is qualified to do the work herein described, inasmuch as Bay State is

thoroughly familiar with all types of work on said equipment and competitive bids were obtained from at least two other repetitive service vendors. The prices quoted were as follows: Bay State, Boston, Contract No. 1576-88, \$2,664.76; Arcand Sales & Service, Allston, Contract No. 1574-88, between \$2,800 and \$3,000; and Bob Mac Enterprises, Rockland, Contract No. 1588-88, \$2,800.

This price quoted for the work is reasonable and it does not appear that any lower price could be obtained by publicly advertising for bids and I believe that public advertising would serve no useful purpose.

Very truly yours,
Leo D. Stapleton,
Fire Commissioner.

Dear Sir:

I respectfully request your Honor's permission to award to Resco Trailer, Inc., Braintree, the task of performing certain emergency repairs to Ladder 229. On July 23, 1987, these emergency repairs were necessary in the interest of public safety, given that this piece is necessary to the fire fighting operations of the department.

Resco Trailer, Inc., performed the following work on Ladder 229: 1. rebuild and replace two rear cab fenders; 2. rebuild and replace two rear tiller fenders.

The cost of the work described above is \$10,500, which will be paid pursuant to the city's existing contract with this firm, Contract 1603-88 for repetitive services for the fiscal year 1988. This contract requires the Mayor's approval for any single repair of \$2,000 or more.

This request is being submitted late after completion of the work, because the parts needed for Ladder 229 were not immediately available and a firm estimate was not established.

In my opinion the contractor is qualified to do the work herein described, inasmuch as Resco Trailer, Inc., is thoroughly familiar with all types of work on said equipment. This price quoted for the work is reasonable and it does not appear that any lower price could be obtained by publicly advertising for bids and I believe that public advertising would serve no useful purpose.

Very truly yours,
Leo D. Stapleton,
Fire Commissioner.

HEALTH AND HOSPITALS DEPARTMENT Orthopedic Instrumentation

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to the following vendors: Biomet, Inc., Indiana, \$30,000, net 30 days; Pudenz-Schulte Medical, California, \$20,000, net 30 days, FOB shipping point.

A multivendor contract was awarded to several vendors to furnish orthopedic instrumentation, penile prosthesis, and neurosurgical products based on Proposal No. 542, which was advertised in the *City Record* on May 5, 1986, and opened on May 22, 1986, for a two-year period from July 1, 1986, through June 30, 1988.

As quoted in that letter, the decision as to which implants are to be bought is made solely by the physician based on what he/she deems to be in the best interest of his/her patient, contracts are executed with every vendor whose products are acceptable to the medical staff.

The Biomet Company has developed a product for fracture implant which the department feels is

the best technology available at this time, the pricing is less than the cost of the product previously used for this procedure.

The Pudenz-Schulte Company has made available to the Boston City Hospital neurosurgical products which have been on a recall basis during the previous year from two companies originally listed on the award letter. The costs for these new products is less than those on the recall list.

Therefore, in view of the above, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract amounts are approximate figures based on estimated volumes. The contract period is from August 1, 1987, through June 30, 1988.

These awards are being processed late because we did not have the necessary documents from the vendors in order to process the contracts.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Diagnostic Test Kits

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Gen-Probe California, for the period July 15, 1987, through June 30, 1988, at a cost not to exceed \$15,000. The terms will be net 30 days, F.O.B. California.

Under the contract, the Medical Microbiology Department located at the Boston City Hospital will purchase miscellaneous diagnostic test kits. The kits purchased shall include, but not be limited to, the following: mycoplasma pneumoniae for the detection of pneumonia directly from a throat swab; legionella for the detection of legionnaire disease from clinical sputum at a cost of \$232 per kit; and mycobacterium genus direct for the detection of all mycobacterium present directly from sputum at a cost of \$425 per kit.

These products represent a major breakthrough in the field of microbiology technology. Test results are determined in approximately two hours, whereas other methods require culturing procedures necessitating a growth period of three to five weeks before results are determined.

Inasmuch as the methodology is unique and Gen-Probe is the sole source of supply for these kits, at prices that in my opinion are reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late because we did not have the necessary documents from the vendor in order to process the contract.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Computer Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Digital Equipment Corporation, Waltham, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$76,230.

Under this contract, Digital Equipment Corporation will provide computer hardware repair and maintenance service, including parts, labor and travel for the following equipment:

Two Digital PDP 11/34 and 11/34A computer system and disk drive located in Nuclear Medicine and Pulmonary Function: DEC service Monday—Friday, 8 a.m. to 5 p.m., excluding locally observed DEC holidays; Digital PDP 11/70 computer system,

console terminal and disk drive: DEC service Monday—Sunday 8 a.m., excluding locally observed DEC holidays; DECrad computer system—VMS/DEC 11/34; one Model LA50 Printer; two Ro DEC std 169 w/pc Graphics Model LA100-PC; four RC350 system unit Model PC350-D2; one PC350-D2 has FULL SERVICE coverage (which includes the hotline). The other two PC350-D2, the LA50 printer and the two LA100-PC printers have the BASIC digital service.

In the past, Digital Equipment Corporation had provided excellent service to the department. Unadvertised contract have been awarded to Digital Equipment Corporation for computer hardware repair, maintenance and upgrade package for the past three fiscal years in the following amounts: 1987 — \$41,326.40; 1986 — \$85,257.74; — 1985 — \$43,807.65. Fiscal year 1988 is the first year that Model LA50, Model LA100-PC and Model PC350-D2 will be included in this contract. Prior to this contract the cost has been under \$2,000.

Inasmuch as the equipment is of a highly specialized nature, as Digital Equipment Corporation is the manufacturer, and as the price, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The documents were not received from the vendor until after July 1, 1987, therefore this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Shuttle Bus Service

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to renew, without advertising, the city's contract with Ride-Well, Inc., East Boston, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$121,097.55.

Ride-Well, Inc. will provide shuttle bus services for Boston City Hospital. Under the original contract, at the option of the department of Health and Hospitals, the contract may be renewed for one the same terms or those more favorable to the city.

Therefore, as the contract is being extended under the same terms to the city, and Ride-Well, Inc. was awarded the original contract pursuant to public bidding, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to legal difficulties which were not rectified until the end of June.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Safety Helmets

Dear Sir:

An invitation for bids, Proposal No. 645, to furnish safety helmets to the Department of Health and Hospitals was advertised in the *City Record* on June 15, 1987. Bids were publicly opened and read on June 29, 1987. Three companies were solicited and one company responded to the invitation by bid.

A technically defective bid was received from the following vendor, who submitted the lowest acceptable bid meeting specifications at prices I consider to be reasonable, in that the vendor submitted a late bid — American Fire Equipment Co., Inc. Needham, \$10,350, net 30 days, FOB delivered.

Therefore, because it is in the best interest of the city, pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract

without further advertising, to the above vendor. The contract amount is an approximate figure based on estimated volumes. The contract period from July 15, 1987, through December 31, 1987.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Pastoral Counseling

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to St. Gregory's Church, Dorchester, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$5,924.

Under this contract, St. Gregory's Church will provide pastoral counseling and liturgical services related to the needs of Catholic patients at Mattapan Hospital. Services are to be provided sixteen hours per week to be reimbursed at the rate of \$7 per hour or \$112 per week. In addition, two special holiday services will be provided during the year to be reimbursed at the rate of \$50 per service. Weekly services will include a Sunday worship service. The priests of the parish will be on call for emergency visits and regular visitations.

St. Gregory's Church has provided excellent services in the past, and has been awarded unadvised contracts for the past three fiscal years in the following amounts: 1987 — \$3,740 (10 hrs/week); 1986 — \$2,700; 1985 — \$2,700.

Because of the special fitness of St. Gregory's Church to provide these services, because of the professional nature of the services to be rendered and as the price, in my opinion, is reasonable, no public purpose would be served by publicly advertising for bids.

The contract documents were sent to the vendor for signature on June 2, 1987, however they were not returned to the Contract Office until August 31, 1987. Thus, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

INSPECTIONAL SERVICES DEPARTMENT

Buildings Demolition

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to the Napoli Wrecking Company, Inc. of Roxbury, for the emergency demolition of three buildings and disposal of debris from the wreckage of the airplane crash on June 26, at numbers 28, 34, and 38 Lonsdale Street, Dorchester.

The cost of these services shall not exceed \$1,694, a cost that I consider to be reasonable for the work to be performed. The period of performance for this award shall be from June 27, 1987, through July 30, 1987.

Napoli Wrecking Company, Inc. is a responsible and capable vendor who has provided this department with excellent emergency services in the past. More importantly, they were immediately available and possessed the equipment required for an undertaking of the scope.

Therefore, due to the extreme urgency of the situation and the need to protect the public I respectfully request your permission to award this contract, without advertising, to the Napoli Wrecking Company, Inc. This award is being processed at

this time because an accurate cost for the services provided could only recently be ascertained.

Sincerely,
William Sommers,
Commissioner.

JOB AND COMMUNITY SERVICES

COPE Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Coping with the Overall Pregnancy Experience (COPE), a non-profit corporation, located at 530 Tremont Street, to provide a comprehensive program of services for approximately twenty-one pregnant and parenting teenage women between the ages of sixteen and nineteen who are members of households receiving welfare benefits. The goal of the program is to maximize the teenagers' chances of becoming self-sufficient. The participants will receive training in the areas of comprehensive assessment, education, personal and vocational counseling support services and job development and placement services.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$51,030, payment being provided by the State Department of Public Welfare through the Office of Training and Employment Policy. The period of performance shall be from May 4, 1987, until December 31, 1987. This request was delayed due to late notification of funding availability from the State.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Stenographic Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Apex Reporting, located at 99 Chauncy Street, for the purpose of providing professional services in support of the Boston Employment Commission.

Under the terms of the contract, the contractor will provide stenographic services to the commission, recording all meetings and hearings and providing written transcripts. The contractor was selected as one of two respondents to a publicly advertised request for proposals conducted by the Mayor's Office of Jobs and Community Services. The contractor submitted the lowest bid, and has excellent references.

Compensation under the terms of this contract shall not exceed \$3,000. The period of performance shall be from August 25, 1987, until June 30, 1988.

As this is a negotiated contract for professional services at a reasonable cost, I believe that public advertising would serve no useful or practical purposes. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Courier Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Skyline Communications, Inc., located at 186 Lincoln Street, for the purpose of providing courier services to the Mayor's Office of Jobs and Community Services. Under the terms of the contract, the contractor will pick up and deliver Job Training Partnership Act applicant and participant records twice weekly from approximately twenty sites in the Boston area. In addition, services will entail delivery on an as-needed basis to any city in the United States as well as overnight delivery.

The contractor was selected as the sole respondent to a publicly advertised request for proposals conducted by JCS and published in the *Boston Globe* on May 31, 1987. The contractor was also selected based on its reasonable rates and its ability to provide a comprehensive range of courier services to the city.

Compensation under the terms of this contract shall not exceed \$7,500, payment being made from funds received under the Job Training Partnership Act. The period of performance shall be from July 21, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of time required to determine the administrative budget.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Assistance to Aliens

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Catholic Charitable Bureau of Boston, Inc., a nonprofit corporation, located at 150 Causeway Street, for the purpose of assisting illegal aliens in Boston seeking amnesty under the new immigration law. Under the terms of the contract, the contractor will establish a documentation team to be coordinated out of the Refugee and Immigration Services Office to assist the clients in obtaining the required documentation to apply for amnesty. These services will include telephone calls to employers, landlords, government agencies and other offices requesting official records for the clients in question.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the

ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$50,000, payment being provided by the State Department of Public Welfare through the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Services to Cambodian Women

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Cambodian Community of Massachusetts, Inc., a non-profit corporation, located at Chelsea. Under the terms of the contract, the contractor will provide services for Cambodian refugee women who suffer from isolation, anxiety, health and mental problems, domestic violence, sexual assault, and poverty. The program will offer crisis intervention services, support group activities, workshops, and classes designed to maximize the participants' chances of becoming self-reliant.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$25,000, payment being provided by the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

LAW DEPARTMENT

Stenographic Services, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Doris O. Wong Associates, Inc., a corporation located at 50 Franklin Street, for stenographic and court reporter services.

Under the terms of the contract, the contractor will provide stenographic services for the City of Boston Law Department.

The contractor is specially qualified to do this work because of the expertise, quality of work performed and during the past years we have dealt with this contractor, the service provided us by this company has been exemplary.

Compensation under this contract shall not exceed \$15,000, which I have determined to be reasonable. The term of this contract shall be from September 22, 1987, through June 30, 1988.

Because of the quality of past work performed and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Doris M. Jones and Associates, a corporation located at 59 Temple Place, for stenographic and court reporter services.

Under the terms of the contract, the contractor will provide stenographic services for the City of Boston Law Department.

The contractor is specially qualified to do this work because of the expertise, quality of work performed and during the past years we have dealt with this contractor, the service provided us by this company has been exemplary.

Compensation under this contract shall not exceed \$15,000, which I have determined to be reasonable. The term of this contract shall be from August 1, 1987, through June 30, 1988.

Because of the quality of past work performed and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

This contract is being submitted late due to an administrative oversight.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

Investigative Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Allied Adjustment Service, a corporation located at Needham, for investigative services.

Under the terms of the contract, Allied Adjustment Services will provide investigative services to the Workers' Compensation Division of the Law Department, including but not limited to, activities checks, surveillance, reviewing records, documenting evidence, submitting investigative reports and testifying at the Department of Industrial Accidents regarding City of Boston employees who have filed Workers' Compensation claims. Allied Adjustment Service is uniquely qualified to do this work, because of their resources and expert personnel who perform similar services for major insurance companies throughout New England.

Compensation under this contract shall not exceed \$20,000, which I have determined to be reasonable for the work performed.

The term of this contract shall be from July 1, 1987, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This letter is late due to a necessary adjustment in the amount of the contract.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

LIBRARY DEPARTMENT Servicing HVAC Systems

Dear Mr. Mayor:

On September 23, 1985, there was entered into with Building Technology Engineers, Inc., Newton, a contract for the operation and servicing of heating, ventilating and air conditioning systems, electrical systems and equipment, as well as plumbing systems throughout the various units of the Boston Public Library system during the period July 1, 1985, through June 30, 1986.

Your Honor had given approval for the award of this contract following a public advertisement and a public opening of bids. Bids were invited and submitted for the above mentioned work during the period July 1, 1985, through June 30, 1986, with option for renewal as of July 1, 1986, and as of July 1, 1987, at the bid price. The option was to be that of the Official.

During the period from July 1, 1985, to date Building Technology Engineers, Inc., has performed to the satisfaction of the Library. Their acquaintance with the Library's plant and its problems should be a desirable asset if the firm is allowed to continue the contract work for another year.

In view of the foregoing, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, and wishing to exercise the option of the Official, has taken the following action:

Voted, that, without further public advertising, there be entered into with Building Technology Engineers, Inc., Newton, a renewal agreement for the operation and servicing of heating, ventilating, and air conditioning systems, electrical systems and equipment, as well as plumbing systems, throughout the Library system during the period July 1, 1987, through June 30, 1988, at a total cost not to exceed \$366,347.36.

The permission of your Honor is therefore respectfully requested to enter into a contract with Building Technology Engineers, Inc. for the above work at the original bid price of \$366,347.36 without publicly advertising for bids. In the opinion of the Official the cost is reasonable for the services to be rendered.

Respectfully,
Library Department,
Arthur C. Curley,
Director and Librarian.

Data Display Terminals Rentals, etc.

Dear Mr. Mayor:

On July 7, 1986, there was entered into with Marketechs, Inc., Wellesley, a contract for the rental and maintenance of data display terminal during the period July 1, 1986, through June 30, 1987, with option for renewal as of July 1, 1987, and as of July 1, 1988, at the bid price.

Your Honor had given approval for the award of this contract following a public advertisement and public opening of bids. Bids had been invited and submitted for the above mentioned work to be performed during the period July 1, 1986, through June 30, 1987, with option for renewal as of July 1, 1987, and as of July 1, 1988, at bid price.

During the period from July 1, 1986, to date Marketechs, Inc., has performed to the satisfaction of the Library. Its acquaintance with the Library data processing equipment should be a desirable

set if the firm is allowed to continue the contract another year.

In view of the foregoing, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, and wishing to exercise the option of the Official, has taken the following action:

Voted, that, without further advertising, there be entered into with Marketechs, Inc., Wellesley, a renewal agreement for the rental and maintenance of a display terminals during the period July 1, 1987, through June 30, 1988, at a total cost not to exceed \$42,372.

The permission of your Honor is hereby requested to award this contract to Marketechs, Inc. above. In the opinion of the Official the amount is reasonable for the services to be rendered.

Respectfully,
Library Department,
Arthur C. Curley,
Director and Librarian.

Microfiche Readers

Dear Mr. Mayor:

On July 7, 1986, there was entered into with Auto-graphics, Inc., California, a contract for the rental and maintenance of certain microfiche readers for the Research Library catalog system during the period July 1, 1986, through June 30, 1987.

Your Honor had given approval for the award of the contract following a public advertisement and public opening of bids. Bids were invited and submitted for the above-mentioned work to be performed during the period July 1, 1986, through June 30, 1987, with the official's option for renewal of July 1, 1987, and as of July 1, 1988, at the bid price of \$68,699.04.

During the period from July 1, 1986, to date, Auto-graphics, Inc., has performed to the satisfaction of the Library.

In view of the foregoing, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, and wishing to exercise the option of the Official, has taken the following action:

Voted, that, without further advertising, there be entered into with Auto-graphics, Inc., California, a renewal agreement for the rental and maintenance of certain microfiche readers for the Research Library catalog system during the period July 1, 1987, through June 30, 1988, at a total cost not to exceed \$68,699.04.

The permission of your Honor is hereby requested for the award of a contract, as above, with Auto-graphics, Inc. for the specified work at a total amount not to exceed \$68,699.04, without publicly advertising for bids. In the opinion of the official, the amount to the city is reasonable for the services to be rendered.

Respectfully,
Library Department,
Arthur C. Curley,
Director and Librarian.

Guard and Patrol Services

Dear Mr. Mayor:

On September 11, 1985, there was entered into with Excelon Security Services, Inc., 870 Massachusetts Avenue, a contract for providing guard and patrol service for the Boston Public Library during the period July 1, 1985, through June 30, 1986, with the (official's) option for renewal as of July 1, 1986, and as of July 1, 1987, at the bid price.

Your Honor had given approval for the award of the contract following a public advertisement and public opening of bids. Bids were invited and submitted for the above-mentioned work during the

period July 1, 1985, through June 30, 1986, with option for renewal as of July 1, 1986, and July 1, 1987, at the bid price.

To date, Excelon Security Services, Inc. has performed to the satisfaction of the Library. Its acquaintance with the Library and its security problems should be a desirable asset if the firm is allowed to continue the contract for another year.

In view of the foregoing, the Board of Trustees in charge of the Library Department, acting for and in behalf of the City of Boston, and wishing to exercise the option of the Official to renew, has taken the following action:

Voted, that, without further public advertising, there be entered into with Excelon Security Services, Inc., 870 Massachusetts Avenue, a renewal agreement for guard and patrol service at the Central Library Building, Copley Square, and at the Egleston Square Branch Library; and patrol and inspection by two uniformed security people in radio-equipped car at the Fields Corner Branch Library, Connolly Branch Library and the Codman Square Branch Library; during the period July 1, 1987, through June 30, 1988, at a total cost not to exceed \$159,416.92.

The permission of your Honor is therefore respectfully requested to enter into a contract with Excelon Security Services, for the work described above at the original bid price of \$159,416. In the opinion of the official the cost is reasonable for the services to be rendered.

Respectfully,
Library Department,
Arthur C. Curley,
Director and Librarian.

Catalog Services

Dear Mr. Mayor:

On August 16, 1985, there was entered into with Infononics, Inc., Littleton, a contract for supplying and delivering Marc II catalog products and services (Group I) during the period July 1, 1985, through June 30, 1986.

Your Honor had given approval for the award of this contract following a public advertisement and public opening of bids. Bids were invited and submitted for the above-mentioned work to be performed during the period July 1, 1985, through June 30, 1986, with option for renewal as of July 1, 1986, and as of July 1, 1987, at the bid price. The option was to be that of the official.

During the period from July 1, 1985, to date, Infononics, Inc., has performed to the satisfaction of the Library. Their knowledge of the Library's cataloging needs, requirements, and problems should be a desirable asset if that firm is allowed to continue the contract work for another year.

In view of the foregoing, the Board of Trustees in charge of the Library Department of the City of Boston, wishing to exercise the option of the Official, has taken the following action:

Voted, that, without further advertising, there be entered into with Infononics, Inc., Littleton, a renewal agreement for providing Marc II catalog services (Group I) to the Boston Public Library during the period July 1, 1987, through June 30, 1988, at a total cost not to exceed \$80,000.

The permission of your Honor is therefore respectfully requested to enter into a contract with Infononics, for the above work at the original bid price of \$80,000, without publicly advertising for bids. In the opinion of the official, the cost to the city is reasonable for the services to be rendered.

Respectfully,
Library Department,
Arthur C. Curley,
Director and Librarian.

PARKS AND RECREATION DEPARTMENT

Rodent Control

Dear Mr. Mayor:

It is respectfully requested that your Honor approve my selection of the Trustees of Health and Hospitals of the City of Boston, Inc., hereinafter designated the contractor, with principal offices located at 818 Harrison Avenue, to implement a program of rodent control at the Public Garden, Boston Common, Granary Burying Ground, King's Chapel Cemetery and Columbus Park for the period September 15, 1987, through June 30, 1988, at a cost not to exceed \$8,550.

The program will include a monthly inspection of the above areas to determine the presence of active rodent infestation. The activity will be noted and the burrows poisoned and closed.

A monthly report, submitted to the Parks and Recreation Department will detail detected potential infestation or sanitary problems which may lead to increased rodent population. In addition, the contractor will provide one day of baiting service to coincide with the spring period of high population growth.

The contractor will use the expertise and resources of the Boston Environmental Health Program which is uniquely qualified to provide these services. In my opinion the compensation to be paid is fair and reasonable.

Because the proposed contract is one for performance of specialized services, a public solicitation for bids would serve no useful purpose. Therefore, I request permission to dispense with public advertising in the *City Record* in the award of this contract pursuant to authority granted under the City of Boston Code, St. 4, Sec. 5. The proposed contract will be charged to Miscellaneous Contractual Services 011-300-0301-0290-PK02.

The reason for the delay is due to the awarding authority and the contractor in processing the contract.

Very truly yours,
William B. Coughlin,
Commissioner.

POLICE DEPARTMENT

Juvenile Detention Facility

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Northeastern Family Institute, a corporation, of Danvers, to operate and manage the Boston Police Juvenile Detention Facility.

This Juvenile Detention Facility is an overnight unit used by the Police Department for juveniles who have been arrested and are not able to be released on bail or to their parents. This facility will be managed and operated by Northeastern Family Institute under guidelines developed by the Boston Police Department. These guidelines will follow the Office for Children and Department of Youth Services standards for Shelter/Care Detention. The Juvenile Detention Facility is currently located at 40 Somerset Street, but will be moving to 40 New Sudbury Street, during this fiscal year.

The Boston Police Department in FY 87, advertised for letters of interest from agencies or organizations wishing to contract for the operation and staffing of the Juvenile Detention Facility, sending out request for proposals to thirty agencies from the Department of Youth Services mailing list. From this request, the Police Department received five proposals from agencies expressing a desire to contract with this department. The submitted proposals were rated by the Police Department's selection committee and after extensive reviews, interviews and visits to shelter facilities operated by

the finalists, it was decided by the committee that Northeastern Family Institute was most qualified to fill the particular needs of the Police Department Juvenile Detention Facility.

Northeastern Family Institute has been operating a shelter care facility under contract to the Department of Youth Services for the past ten years and this program has developed a reputation for providing a safe and secure facility. Since June 1, 1986, Northeastern Family Institute has effectively and professionally operated the Boston Police Department Juvenile Detention Facility.

The term of this contract is July 1, 1987, through June 30, 1988. This cost of this operation includes salaries of the program manager, supervisors and counselors, as well as training and expenses (see attached budget breakdown). The total cost of this program shall not exceed \$218,762.10, which I have determined to be reasonable for the services to be performed. Because of the reasons outlined above and the professional nature of the services to be performed, it is submitted that further advertising would serve no useful purpose. This letter is being submitted late due to budgetary appropriations.

Respectfully,

Francis M. Roache,
Police Commissioner.

Law Library Materials

Dear Mr. Mayor:

I respectfully request authorization to dispense with public bidding in the award of a contract to Lawyers Cooperative Publishing Company, New York, in an amount not to exceed \$2,200, for the period July 1, 1987, through June 30, 1988.

The purpose of this contract is to provide this department's law library with updated and supplemental materials necessary to keep the library current and to continue legal subscription services for legal publications.

We wish to award this contract to Lawyers Cooperative Publishing Company because they are the sole providers of the services enumerated above. Lawyers Cooperative Publishing Company, Inc. sells its legal publications directly, not through any distributors and its prices are fixed for all subscribers.

Due to the facts outlined herein, I see no practical purpose to be served by public advertising for these services. I have determined that the contract price is reasonable. This letter is being submitted late due to late receipt of contract documents.

Very truly yours,

Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT

Design Services, etc.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 11, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Green International Affiliates, Inc., a Massachusetts corporation, with offices at 529 Main Street, for providing professional design services for the construction of an East Boston Public Works Department maintenance yard. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$117,160 (including \$40,000 for supplementary services) which is a fixed fee of 6.43 percent based on an estimated cost of construction of \$1,200,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 104 weeks from the date of execution.

Following the advertisement of this project in the *Boston Globe* on March 2, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated eighteen proposals submitted by the applicants and determined Green International Affiliates, Inc. most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each Committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank was as follows: Green International Affiliates, Inc. — 5; Pisani Associates — 7; Bayside Engineering, Inc. — 14; Hammer, Kiefer & Todd, Inc. — 14.

I believe Green International Affiliates, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on October 10, 1986, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Vollmer Associates, a Massachusetts company, with offices at 6 St. James Avenue, providing professional services for structural repairs to the decking of the roof over the Dock Square garage at Boston City Hall. The scope of services includes preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$75,000 (including \$43,800 for supplementary services) which is a fixed fee of 10.40 percent based on an estimated cost of construction of \$300,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 315 days from the date of execution.

Following the advertisement of this project in the *Boston Globe* of July 21, 1986, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated six proposals submitted by the applicants and determined Vollmer Associates most qualified and competent to complete said design work. The numerical rating summary of the three finalists, in order of rank, were as follows:

Vollmer Associates — 64.6; ASEC, Inc. — 61.6; LEA group — 54.6.

I believe Vollmer Associates is qualified to perform the services required.

This request has been delayed due to a staff turnover in the Public Facilities Department's Contracts Unit which has caused processing difficulties.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to votes of the Public Facilities Commission on October 23, 1986, and May 28, 1987, I

respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Perry, Dean, Rogers and Partners, Architects, Inc., a Massachusetts corporation, with offices at 177 Milk Street, providing professional design services for the Suffolk County Court House located on Pemberton Square. Services include roof replacement of both Court House buildings, and the associated skylight and masonry repairs.

Compensation under this contract shall not exceed \$106,884 (including \$24,000 for supplementary services) which is a fixed fee of 10.85 percent based on an estimated cost of construction of \$763,913, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 34.5 months from the date of execution.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The Committee evaluated two proposals submitted by the applicants and determined Perry, Dean, Rogers & Partners: Architects, Inc. most qualified and competent to complete said design work. The numerical rating summary of the two finalists, in order of rank, were as follows: Perry, Dean, Rogers & Partners, Architects, Inc. — 68; LEA Group — 23.

I believe Perry, Dean, Rogers and Partners, Architects, Inc. is qualified to perform the services required.

The submission of this request has been delayed due to a vacancy and subsequent transfer of design contract administration responsibilities in the Contracts Unit of the Public Facilities Department.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Demonstration Program

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 14, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to National Trust for Historic Preservation, a District of Columbia Corporation, with offices at Washington, D.C., providing an urban demonstration program for shopping mall management to businesses in the Roslindale Village district of the City of Boston.

Compensation under this contract shall not exceed \$10,779, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from September 1, 1987, to June 30, 1988. Funds for this contract shall come from those received under the Community Development Block Grant program. This contract has been submitted late due to the time involved in negotiating contractual terms and conditions.

The contractor was selected based upon its exclusivity in providing the desired services. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include technical expertise of firm and professionalism of staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposed review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed

ids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Buildings Renovations

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 23, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Victory House, Inc., a Massachusetts corporation, with offices at 556 Massachusetts Avenue, providing renovations to its facility under the Non-Profit Organization Physical Improvement Program.

Compensation under this contract shall not exceed \$15,750, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from June 23, 1987, to June 30, 1988. Funds for this contract shall come from those received under the Community Development Block Grant program. This contract has been submitted late due to the time involved in securing funding approval.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals by the Public Facilities Department on December 1, 1986 (the *Boston Globe*). Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposed review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on July 23, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Little Angels Community Day Care, Inc., a Massachusetts corporation, with offices at East Boston, providing renovations to its facility under the nonprofit Organization/Physical Improvements Program.

Compensation under this contract shall not exceed \$24,500, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from September 1, 1987, to June 30, 1988. Funds for this contract shall come from those received under the Community Development Block Grant program. This contract has been submitted late due to the time involved in securing funding approval.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals by the Public Facilities Department on December 1, 1986 (the *Boston Globe*). Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include administrative capability and project feasibility.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposed review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority

granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 28, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Ecumenical Social Action Committee, Inc., a nonprofit corporation, with offices at 406 South Huntington Avenue, providing emergency repairs and other minor physical improvement services to 122 elderly and handicapped persons residing in the Jamaica Plain neighborhood. Services shall include repairs to electrical, plumbing and carpentry problems with emphasis on health and safety improvements. The contract shall be supported by funds received through the Community Development Block Grant program for Year XIII.

Compensation under this contract shall not exceed \$70,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1988.

The contractor was selected based upon an evaluation of past performance in Year XI and XII to provide service. In addition, a review of the contractor's program goals and objectives for Year XIII were aligned with the Public Facilities Department's Housing Division goals and objectives for the service. Costs were determined to be reasonable after extensive analysis by PFD staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Leasing Certain Premises

Dear Mayor Flynn:

Under a delegation of its powers from the Public Facilities Commission to the Director of Public Facilities dated December 8, 1971, I hereby request your Honor's written authority to dispense with public advertising and to further amend a lease with 1010 Massachusetts Avenue Trust, c/o Boston Realty Advisors, Inc., 268 Summer Street, executed on January 24, 1986.

The second amendment is for the lease of an additional 9,256 square feet of office space located at 1010 Massachusetts Avenue, (from 34,104 square feet to 43,360 square feet) at \$12.75 per square foot and at the same escalation schedule pursuant to section 10.14 of the base lease. The effective date of this amendment shall be March 1, 1988. Said amendment will increase the monthly rental fee, beginning March 1, 1988, from \$36,235.50 to \$46,070, an increase of \$9,834.50. Said amendment will decrease the total amount authorized for expenditure for this second year term from \$455,000 to \$428,774.

The demised premises 1010 Massachusetts Avenue have been deemed necessary and convenient by the Director of Public Facilities to be used as office space by the Inspectional Services Department. This additional space is needed to house approximately twenty-five staff people for the Code Enforcement Program and additional space. The

original lease did not allocate space for the above-mentioned personnel and offices for the Inspectional Services Department vacant lot program. Also, storage space provided for under the original lease has been deemed inadequate. I believe this request for additional space is reasonable.

The schedule for rent payment based on estimated occupancy dates are as follows: twelve months of occupancy of 25,560 sq. ft., \$325,890; seven months of occupancy of 8,544 sq. ft. (Amendment 1), \$63,546; four months of occupancy of 9,256 sq. ft. (Amendment 2), \$39,338.

These facilities have proven to be adequate and convenient after investigating approximately eight other properties and over one year of occupancy at this location, and since it is imperative that all support staff of the Inspectional Services Department be centrally located and due to the reasonable cost of the lease, it is my judgment that public advertising would serve no useful purpose in amending the existing lease.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Under a delegation of its power from the Public Facilities Commission to the Director of Public Facilities, I hereby request your Honor's written authority to dispense with public advertising in extending the lease for certain premises deemed necessary and convenient by the director to be used as office space by the Office of Housing, the Community Schools Program and the Veterans Services Department.

The demised premises consists of 21,200 square feet on three floors at 26 West Street. Leaser: 26 West Street Associates, c/o Cohen Properties, Boston, Project No. 20018.

The term of the lease extension will be eleven months beginning July 1, 1987, and ending May 31, 1988. The monthly rental will be \$23,186.67 (including \$220 for HVAC maintenance), with the charge for this extended term not to exceed \$255,053.37. I have determined that this cost is reasonable. This request has been delayed as a result of a transfer of responsibilities of this department's leasing agreements.

Since these facilities are both adequate and convenient, it is my judgment that public advertisement would serve no useful purpose and that this lease should be extended.

Sincerely,
Lisa G. Chapnick,
Director.

REAL PROPERTY DEPARTMENT Consultant Services

Your Honor:

I respectfully request your permission to dispense with public advertising and to award a contract to an individual, Stephen G. Kiarsis, Allston, to provide special consultant services regarding the recently initiated buildable lots program.

Under the terms of this contract, Mr. Kiarsis will perform site inspections of over 800 parcels of foreclosed real estate in excess of 3,500 square feet. Primarily, those inspections will be to determine the appropriate disposition track for such parcels (i.e., abutter use, buildable house lot, large site or other use). Another aspect of the inspections will be to refer parcels which have debris and/or abandoned vehicles on them to the regular staff for cleaning and poling as part of the vacant lot cleaning program.

Mr. Kiarsis is a retired deputy real property agent with twenty years of experience performing inspections and evaluations of foreclosed real estate. He will be compensated \$15 an hour which represents a cost savings to the city of over \$8 an hour when compared to the hourly pay and fringe benefits of comparable full-time staff. Additionally, this job is of a limited duration and special nature not suitable to the employment of another full-time staff person.

Compensation under this contract shall not exceed \$17,500, which I have determined to be reasonable for the work to be performed. The term of the contract shall be August 24, 1987, to June 30, 1988.

Because of the professional nature of the services, the temporary nature of the work, the cost savings to the city, and the background and experience of Mr. Kiarsis, I believe that public advertising would serve no useful purpose.

Respectfully yours,
J. Edward Roche,
Commissioner.

SCHOOL DEPARTMENT After-School Programs Renewal

Dear Mr. Mayor:

Attached is a letter, dated March 26, 1987, in which the School Department requested that a contract be awarded to St. James Educational Center with a not to exceed figure of \$41,075. The period of the contract was March 25, 1987, through June 30, 1987. The contract contains an option under which the School Committee may elect to renew the contract for the FY '87-88 school year. (See CO4260, 87).

Inasmuch as we have advertised these services in the *City Record* on January 6, 1987, and we have provided in the original contract the option to renew these services based upon satisfactory performance, we request your permission to implement the Option to Renew for the period September 8, 1987, through June 30, 1988 and that the cost not exceed \$37,000, which I have determined to be reasonable.

Very truly yours,
Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

Attached is a letter, dated March 26, 1987, in which the School Department requested that a contract be awarded to Mary Jeanne Day Care Center, Inc. with a not to exceed figure of \$37,500. The period of the contract was March 25, 1987, through June 30, 1987. The contract contains an option under which the School Committee may elect to renew the contract for the FY '87-88. (See CO4255, 87).

Inasmuch as we have advertised these services in the *City Record* on January 6, 1987, and we have provided in the original contract the option to renew these services based upon satisfactory performance, we request your permission to implement the option to renew for the period September 8, 1987, through June 30, 1988, and that the cost not exceed \$66,000, which I have determined to be reasonable.

Very truly yours,
Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

Attached is a letter, dated March 26, 1987, in which the School Department requested that a contract be awarded to Christ Tabernacle Day Care Center, Inc. with a not to exceed figure of \$6,987.61.

The period of the contract was March 25, 1987, through June 30, 1987. The contract contains an option under which the School Committee may elect to renew the contract for the FY '87-88. (See CO4256, 87).

Inasmuch as we have advertised these services in the *City Record* on January 6, 1987, and we have provided in the original contract the option to renew these services based upon satisfactory performance, we request your permission to implement the option to renew for the period September 8, 1987, through June 30, 1988, and that the cost not exceed \$21,000, which I have determined to be reasonable.

Very truly yours,
Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

Attached is a letter, dated March 26, 1987, in which the School Department requested that a contract be awarded to Federated Dorchester Neighborhood Houses, Inc. with a not to exceed figure of \$38,120. The period of the contract was March 25, 1987, through June 30, 1987. The contract contains an option under which the School Committee may elect to renew the contract for the FY '87-88. (See CO4257, 87).

Inasmuch as we have advertised these services in the *City Record* on January 6, 1987, and we have provided in the original contract the option to renew these services based upon satisfactory performance, we request your permission to implement the option to renew for the period September 8, 1987, through June 30, 1988, and that the cost not exceed \$28,000, which I have determined to be reasonable.

Very truly yours,
Leo J. Burke,
Business Manager.

Dear Mr. Mayor:

Attached is a letter, dated March 26, 1987, in which the School Department requested that a contract be awarded to North End Union, Inc. with a not to exceed figure of \$21,868. The period of the contract was March 25, 1987, through June 30, 1987. The contract contains an option under which the School Committee may elect to renew the contract for the FY '87-88. (See CO4258, 87).

Inasmuch as we have advertised these services in the *City Record* on January 6, 1987, and we have provided in the original contract the option to renew these services based upon satisfactory performance, we request your permission to implement the option to renew for the period September 8, 1987, through June 30, 1988, and that the cost not exceed \$38,000, which I have determined to be reasonable.

Very truly yours,
Leo J. Burke,
Business Manager.

Procurement Equipment Renewal

Dear Mr. Mayor:

Attached is a letter, dated August 10, 1986, in which the School Department requested that a contract be awarded to Instructional Systems, Inc. for \$978,187. The period of the contract was September 16, 1986, through June 30, 1987. The contract contains an option under which the School Committee may elect to renew the contract for the second year so as to procure outright all the equipment at the end of FY '88. Inasmuch as we have advertised this contract in the *City Record* on Monday, June 2, 1986, and we have provided in the original contract

the option to renew these services based upon satisfactory performance, we request your permission to implement the option to renew for the period September 1, 1987, through August 31, 1988 and that cost not to exceed \$878,187.

Very truly yours,
Leo J. Burke,
Business Manager.

Physical Examinations

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Carney Hospital, a corporation located at 2100 Dorchester Avenue, Dorchester.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$23,438, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at Dorchester High School, Wilson, Holmes, and Holland Middle Schools, Stone, Marshall, Everett, Murphy, Kenny, and Fifield Elementary Schools. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the students attending these schools presently receive primary care from Carney Hospital, as it is the local health provider. The contractor is also able to provide additional back-up services to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractor to the serviced schools, the expertise of the contractors in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$12,299.72; 1986 — \$35,958.66; 1985 — \$35,192.37.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Dorchester House Multi-Service Center, a corporation located at 1353 Dorchester Avenue, Dorchester.

This contract shall be in effect during the period from September 14, 1987, to June 30, 1988 and shall occur at a cost not to exceed \$5,560, which have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the necessary entry level physical examinations, medical examinations of students who participate in interscholastic sports, and chapter 766 physical examinations for students at Cleveland Middle School and Mather Elementary School. In addition, the contractor will provide emergency medical service and medical consultation services to the school nurses at these locations.

The contractor is specially qualified to provide the above services because it is in close proximity to the designated schools. In addition, many of the

students attending these schools presently receive primary care from Dorchester House, as it is the local health provider. The contractor is also able to provide additional back-up service to the school health care and has sufficient staff for this purpose.

Because of the professional nature of the services to be rendered, the geographical proximity of the contractor to the serviced schools, the expertise of the contractor in providing such services, and the reasonable cost of these services, public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$5,100.

Very truly yours,

Laval S. Wilson,
Superintendent.

Parent Participation Program, etc.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Jeanne M. Lewis, located at 85 Woodley Avenue, West Roxbury. This contract shall be in effect during the period from October 1, 1987, to June 15, 1988, and shall occur at a cost not to exceed \$15,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY '88 chapter 636 proposals for the sum of \$5,128,956. Jeanne M. Lewis's portion as is related to that amount is \$15,000.

The contractor will provide the following services:

The retention/recruitment consultant will set up and coordinate the parent information center in Area E; the consultant will train parent outreach workers to staff parent information centers including registrations of students, conduct parent surveys and assist in the publishing of parent newsletters; the consultant will develop and assist Area E schools with parent outreach projects that involve more parents in coordination with existing parent organizations; the consultant will promote and publicize programs and accomplishments of Area E schools and assist with recruitment efforts; the consultant will develop and facilitate workshops in coordination with the District Superintendent/Northeastern University/School Volunteers for parent involvement in Area E programs including Early Childhood and Teenage Assistance programs; coordinate evaluation of parent participation and parent desires through surveys and parent information center records in coordination with the central chapter 636 Evaluation Unit; the consultant will assist with Area E retention efforts, i.e. location of programs and referrals; the consultant will identify and obtain home-help materials for parents to be disseminated through workshops, parent centers, etc.; the consultant will assist with development of school-based parent information centers; the consultant will review possible chapter 636 cultural programs, identify and recommend for funding for school requests; the consultant will review possible chapter 636 cultural programs, identify and recommend for funding for school requests; the consultant will work 125 days, three days a week at the rate of \$120 per day; will utilize over twenty years experience on developing and running workshops on a variety of subjects, such as health, education, public relations, parent involvement and outreach, dropouts, etc.; will utilize past functions in a supervisory capacity in both business and community relations and parent organizations in this project.

The contractor is specially qualified to provide the above services because; the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under

chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act); the consultant has specifically designated services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G; 3) further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$20,000; 1987 — \$9,950.

Very truly yours,

Laval S. Wilson,
Superintendent.

Music Programs

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to New England Conservatory of Music, located at 290 Huntington Avenue. This contract shall be in effect during the period of September 15, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$25,030, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY '88 chapter 636 proposals for the sum of \$5,128,956. New England Conservatory of Music's portion as is related to that amount is \$25,030.

The contractor will provide the following services: one ensemble coach and music coordinator for West Roxbury and Hyde Park High Schools; five miscellaneous supportive instrumental consultants, i.e. percussion, brass, etc.; one brass band consultant at the Philbrick Elementary School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; the institution has specially designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44 s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$11,073; 1986 — \$11,507; 1987 — \$25,030.

Very truly yours,

Laval S. Wilson,
Superintendent.

TRANSPORTATION DEPARTMENT Hearing Officer

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Matthew R. Quinn, So. Dartmouth, for the purpose of adjudicating the parking violations in the Adjudication Section of the Office of the Parking Clerk.

Under the terms of the contract, Matthew R. Quinn will perform as a hearing officer as designated by the parking clerk adjudicating parking violations issued in the City of Boston. He is qualified to do this work because of his successful completion of two years of law school and a B. A. degree from a recognized college or university.

Compensation under this contract shall not exceed \$8,000, payable at a rate of \$8.50 per hour on a Monday through Friday schedule, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be September 23, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Very truly yours,

Richard A. Dimino,
Commissioner/Parking Clerk.

Parking Violations Processing

Dear Mr. Mayor:

In response to a request for proposal advertised in the *City Record* on December 10, 1984, and also in the *Boston Herald*, *Boston Globe* and *New York Times* on December 9 and 12, 1984, for the design, development and operation of a state-of-the-art relational or relational-like data base management system for the reporting and processing of parking violations, your Honor approved, on July 3, 1985, the award of a contract to Datacom Systems Corporation, 186 Lincoln Street, in an amount not to exceed \$4,200,000 for the period July 1, 1985, through June 30, 1986. Your Honor then approved an amendment on May 20, 1986, which increased the contract amount by \$360,000, thereby increasing the total amount of the contract to an amount not to exceed \$4,560,000.

The contract, as noted in the original award letter approved by your Honor, contained an option to renew on the part of the city for successive twelve-month periods ending June 30, 1989. On August 14, 1986, your Honor approved my request to renew the contract for the twelve-month period July 1, 1986, through June 30, 1987, at a cost not to exceed \$4,800,000.

Inasmuch as Datacom has continued to perform satisfactorily under the contract, provided additional services at no additional cost and as the fees for services in my opinion are reasonable, your Honor's permission is again requested to exercise the city's option to renew the existing contract with Datacom Systems Corporation, located New Jersey, with local offices at 186 Lincoln Street, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$5,100,000. The schedule of fees for ticket processing under this contract, reflects an increased cost per ticket of 5 percent in accordance with the terms of the original contract awarded to Datacom.

Very truly yours,

Richard A. Dimino,
Commissioner/Parking Clerk.

TREASURY DEPARTMENT
Tax Collecting Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to James Kean, Brighton, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, Mr. Kean will match Instrument of Taking against daily Tax Title Receipts, research tax title releases and prepare them for processing, process Petitions for Foreclosure for the Legal Section and do title searches at the Registry of Deeds.

Mr. Kean is specially qualified to do this work through his past experience with the Collecting Division, and his ability to deliver assignments promptly with little supervision.

Compensation under this contract shall not exceed \$16,016, which I have determined to be reasonable for the work to be performed. Mr. Kean will be paid at the rate of \$7.70 per hour. The increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to James Coyne, 91 Burrell Street, Roxbury, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes as legal assistant.

Under the terms of the contract, the contractor will be assisting in research and preparation of the Petitions for Foreclosure as well as researching bankruptcy cases and preparing them for court hearings.

The contractor is specially qualified to do this work through his past experience doing legal research as well as his formal education from Suffolk University.

Compensation under this contract shall not exceed \$15,600, which I have determined to be reasonable. The contractor will be paid at the rate of \$7.50 per hour. The increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Ann Carrabino, 50 Burroughs Street, Jamaica Plain, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, Ms. Carrabino will be assisting the customer service window in the Deputy Collector Section of the Collecting Division by gathering documentation for tax title releases to

be forwarded to the Tax Title Section as well as processing all excise payments from Urban Tax Services and Shawmut Bank. Ms. Carrabino will also be answering the telephone and directing customers to deputy collectors.

Mr. Carrabino is specially qualified to do this work through her previous experience in customer assistance as well as her proven ability dealing with the public effectively and professionally.

Compensation under this contract shall not exceed \$5,190, which I have determined to be reasonable for the work to be performed. Ms. Carrabino will be paid at the rate of \$6.60 per hour. The increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Tonya Martin, 17 Woodruff Way, Mattapan, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, the contractor will assist the customer service window, type, answer phones, and make out tax bills for the collecting division.

Ms. Martin is specially qualified to perform these services because of her typing skills, her proven ability to work productively and efficiently with little supervision and she has obtained the knowledge to perform those duties.

Compensation under this contract shall not exceed \$11,440, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$5.50 per hour. The increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Rafael Muriel, 64 Beechland Street, Roslindale, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes as an account clerk.

Under the terms of the contract, Mr. Muriel will provide taxpayer assistance with regard to tax collections and tax refunds, calculate late payment interest and charges, and operate a computer terminal for the purpose of tax payment inquiries and status reports.

Mr. Muriel is specially qualified to do this work because he is bilingual and is able to communicate with our Spanish-speaking taxpayers and he has obtained the knowledge required to perform those duties.

Compensation under this contract shall not exceed \$14,728, which I have determined to be reasonable for the work to be performed. The

contractor will be paid at the rate of \$6.60 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

At my discretion, authorized overtime service in excess of a forty-hour workweek, shall be compensated on a time-and-one-half basis.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Leslie Williams, 34 Linden Street, Dorchester, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, the contractor will be assisting in the research and preparation of the Petitions for Foreclosure as well as researching bankruptcy cases.

Mr. Williams is specially qualified to do this work because he is experienced in the preceding duties and has obtained the knowledge to perform these duties.

Compensation under this contract shall not exceed \$12,480, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$6 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Walter Steele, 24 Harvard Street, Charlestown, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, the contractor will prepare Petitions for Foreclosure for the legal section, do data entry, research tax title releases and prepare them for processing.

Mr. Steele is specially qualified to perform these services because of his formal education at Suffolk University and because he has obtained the knowledge required to perform those duties.

Compensation under this contract shall not exceed \$8,500, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$6 per hour.

The term of this contract shall be July 1, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

ADVERTISEMENT THE SCHOOL COMMITTEE OF THE CITY OF BOSTON

Department of Planning and Engineering,
26 Court Street, Boston, Mass.

Invitation for Bids for Lock Repairs at Boston Latin School, 78 Avenue Louis Pasteur, Boston, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K, of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Lock Repairs at Boston Latin School, 78 Avenue Louis Pasteur, Boston, Mass."

GENERAL BIDS will be received before twelve o'clock noon on Monday, November 30, 1987, at

which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Thursday, November 12, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,
Senior Structural Engineer.

PARKS AND RECREATION DEPARTMENT

NOTICE TO DESIGNERS

Invitation for Request for Designer Qualifications for Planning, Engineering, and Landscape Architectural Services Relating to the Renovation of a Number of Parks in the City of Boston.

The Parks and Recreation Department, acting through its Commissioner, is requesting "Designer Qualifications for Planning, Engineering, and Landscape Architectural Services Relating to the Renovation of a Number of Parks in the City of Boston" (approximate value of construction: \$450,000 each). It is the intention of the department to select a minimum of 5 (five) qualified individuals or firms.

Work to include detailed site analysis; schematic and design development documentation; three to four community review meetings; cost estimates; contract documents and specifications; and construction supervision. It is the intent of this Awarding Authority to develop park renovation design of the highest quality and to retain firms with the professional qualifications commensurate with this goal.

This announcement initiates a two-stage selection process. Stage One requires a written submittal which outlines professional qualifications. A select number of applicants will then be required to submit additional information in Stage Two of the selection process. Applicants are encouraged to follow the guidelines set forth in the Designer Qualification Statement which may be obtained from the office of the Chief Engineer, Parks and Recreation Department, at the address indicated below. If interested, please call 542-3071 and refer to this advertisement. Applicants must be either registered landscape architects or registered engineers in the Commonwealth of Massachusetts.

All documents shall be delivered to the Chief Engineer, Department of Parks and Recreation, Suite 930, 294 Washington Street, Boston, MA 02108. Stage One submittals are due no later than 5 p.m., December 2, 1987.

Screens and Installing New Screens at
Brighton High School, 25 Warren Street,
Brighton, Mass.**

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39K, and 39J, of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Repairing Protective Screens and Installing

New Screens at Brighton High School, 25 Warren Street, Brighton, Mass."

GENERAL BIDS will be received before twelve o'clock noon, on Monday, November 30, 1987, at which time and place respective bids will be opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Thursday, November 12, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,
Senior Structural Engineer.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

Invitation for Bids for Improvements to Peters Park and Lester J. Rotch Playground, Boston, Mass.

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 930, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled, "Improvements to Peters Park and Lester J. Rotch Playground, Boston, Mass."

SCOPE OF WORK includes: Furnishing of all labor, materials, equipment and transportation to install tot lot, ballfields, chain link fencing, asphalt, concrete, planting materials, benches, water, and drainage. Estimated Cost \$240,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Wednesday, November 25, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS AND PLANS will be available on or about Monday, November 9, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$50 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$50 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed

to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, 294 Washington Street, Room 930, Boston, MA 02108, on Tuesday, November 17, 1987, at 10 a.m., Boston time.

ASSESSING DEPARTMENT

Request for Proposals to Provide Digitizing Services for the Assessing Department of the City of Boston.

The City of Boston (the City), acting by its Commissioner of Assessing (the Official), invites proposals for the performance of the work generally described above, and in the Request for Proposals.

Every proposal shall be submitted in an original and six (6) copies in accordance with the Request for Proposals which may be obtained at the office of the Official, Room 301, City Hall, Boston, MA 02201, on or after Monday, November 9, 1987.

One copy of the proposal shall be filed no later than twelve noon, Boston time, on Monday, November 30, 1987, at the office of the City Auditor, Room M4, City Hall, Boston, Mass. The original and five (5) copies shall be filed no later than twelve noon Boston time, on Monday, November 30, 1987, at the Assessing Department, Room 301, City Hall, Boston, Mass., at which time and place they shall be opened.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for performance as may be applicable.

The City and the Official reserve the right to accept or reject any or all proposals, in whole or in part; to waive any defects, informalities and minor irregularities in the proposals received; to accept exceptions to these specifications; and to act otherwise as the City and the Official alone may deem in the City's best interests.

The City will award the contract under this Request for Proposals to that responsible and eligible proposer whose proposal conforming to this Request for Proposals may be deemed by the City and the Official to be most advantageous and otherwise in the City's best interest, price and other factors considered.

NO. 46

MAYOR FLYNN KICKS OFF CAN SHARE FOOD DRIVE

Mayor Raymond L. Flynn, on November 9, kicked-off the third annual "Boston Can Share" food drive at a press conference held at R. M. Bradley's downtown headquarters. Sponsored by the Mayor's Hunger Commission, and coordinated by the Office of Jobs and Community Service, the two-week campaign is part of the city's commitment to fighting hunger among Boston's needy.

"In just three years, the Can Share food drive has become an important part of Boston's tradition of caring for the less fortunate. Men, women, and children in our midst — and across the country — go hungry each day, and face the upcoming holiday season with despair and uncertainty. I am confident that the people in the Boston area will respond to this drive with compassion and generosity, and that our goal of 50,000 cans will be reached," said Mayor Flynn.

The goal of collecting 50,000 cans will provide an estimated 30,000 to 40,000 meals for Boston's hungry. The food will be distributed among 112 food pantries across the city, under the auspices of the Boston food bank.

Sixty-seven companies are participating in this year's food drive, twice the number involved last year. These companies, along with the city employees participating, represent over 150,000 people working to collect meals for the hungry people of Boston.

UNITED WAY REACHES 70 PERCENT OF \$46.5 MILLION GOAL

The United Way of Massachusetts Bay, now in the final stage of its 1987 fund-raising drive, has raised \$32,614,356 — 70 percent of its record goal of \$46.5 million, as of October 29, 1987.

United Way Constitution Division Associate Chairman Frank E. Ellsworth, special assistant to the chief executive officer at the Houghton Mifflin Company in Boston, reported at the United Way's recent Second Report Luncheon, held at the Boston Park Plaza Hotel, that \$878,309 has been raised to date in Boston, Brookline, Cambridge, and adjacent communities. This figure represents 65 percent of the division's \$1,349,000 goal.

With less than one month left to raise funds during the annual drive, United Way 1987 General Campaign Chairman Stephen J. Sweeney, chairman and chief executive officer of the Boston Edison Company, reminded the 600 local volunteers: "... We still have a lot of work ahead of us to reach our \$46.5

million goal. But, I know that we will succeed," said Sweeney. "Because we care about the people who are counting on us." Funds raised will help homeless families, abused children, troubled teens, neglected senior citizens, and many more. "They all need our help more than ever," he said.

Recognized for running outstanding \$1 million-plus drives were: General Electric Co., which pledged a combined employee and corporate gift of \$1,550,000, with an average employee gift of \$97 and 90 percent participation; Bank of Boston employees, who pledged \$678,000, a 12 percent increase over last year with an average gift of \$103 (Bank of Boston employee gifts coupled with the corporate contribution, presented a campaign total well over the million-dollar mark); and Raytheon Co. and New England Telephone, which are entering the homestretch of their fund-raising, anticipate record-breaking results.

Also honored for their campaign efforts were employees at the following area organizations:

State Street Bank and Trust Co. — \$527,012 contributed, a 22 percent increase over last year; the Massachusetts Company — a 138 percent increase with an average gift of \$169 and 96 percent participation; Cambridge Redevelopment Authority — 33 percent increase with an average gift of \$175; GigaMos Systems, Inc. — an average gift of \$215; Loomis Sayles & Company, Inc. — an average gift of \$273; Bear, Stearns & Company, Inc. — a 40 percent increase with 100 percent participation and an average gift of \$233; the New England Aquarium — a 9 percent increase with an average gift of \$87; RKO General — 21 percent increase with an average gift of \$102; High Street Operations Office of Merrill Lynch, Pierce, Fenner & Smith, Inc. — a 63 percent increase; and Anderson Power Products and members of the United Auto Workers Union, Local 1595 — a 31 percent increase and an average gift of \$112.

Also, La Escuelita Agueybana, Inc. (a United Way agency) — a 185 percent increase with 100 percent participation; North End Union (a United Way agency) — 100 percent participation and a \$96 per capita; Patriot's Trail Girl Scout Council, Inc. (a United Way agency) — an 11 percent increase with 100 percent participation and an average gift of \$90; Charles T. Main Corp. — a 66 percent increase; and the Amherst Group, Inc. — a 291 percent increase with a 100 percent participation and a \$165 per capita.

The United Way luncheon, "You Bring Out the Best in All of Us," was hosted by Jack Williams, co-anchor of WBZ TV-4 "Eyewitness News." The event also featured a performance by the cast of "Forbidden Broadway," a cabaret-style parody of Broadway shows and personalities, running for the third year in Boston and hailed as New York's longest-running musical comedy revue.

(Continued on next page)

United Way Goal . . .

(Continued from previous page)

This year's United Way campaign will be topped off on November 26 with the Jordan Marsh Sixth Annual Thanksgiving Day Road Race. Proceeds will benefit the United Way.

There are hundreds of United Way of Massachusetts Bay-supported services in eighty-one communities in eastern Massachusetts, including such services as day care; home health care; food and shelter; elderly programs; and help for battered women, abused children, and troubled teens. Of every dollar contributed to the United Way, 88 cents goes to help people in need.

The local United Way campaign runs through November 24.

FRED P. OTT'S DANCE MARATHON FOR UNITED WAY

Fred P. Ott's Bar and Grill at Faneuil Hall Marketplace, on November 14, hosted the Second Annual Dance Marathon to benefit the United Way.

Sponsored dancers took the floor from 9:30 a.m. to 11 p.m. in an effort to double the \$10,000 raised last year for the United Way of Massachusetts Bay, which is currently conducting its annual fund-raising campaign to benefit local people in need.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

CAPITAL PLANNING

Design Services

Dear Mr. Mayor:

On March 31, 1987, your Honor approved the award of an advertised contract to Richland Design Associates of 357 Harvard Street, Cambridge for professional design, editing and production services to be rendered to the Office of Capital Planning to assist in the development of the city's open space master plan during the period of March 16, 1987, through June 30, 1987, at a cost not to exceed \$30,000.

Your approval is requested to amend this contract to provide for additional services which were not anticipated in the terms of the original contract. Due to the under estimation of the number of city parks to be assessed and the increases in the number of pages to be printed, it is necessary to increase the scope of work, the not to exceed amount, and the expiration date under this contract.

The cost of this amendment shall not exceed \$22,000, which I have determined to be reasonable. The total cost of this contract, as amended,

shall not exceed \$52,000. The period of this contract shall be extended to June 30, 1988.

Because of the specialized scope of services to be performed and in consideration of the selection process followed for the award of the original contract, I do not believe public advertising would benefit the City of Boston, or serve any useful purpose.

The lapse of time between the contract expiration date and the date of the amendment letter is due to administrative delays, particularly in obtaining all necessary contract documents.

Very truly yours,

Mary Nee,
Director.

HEALTH AND HOSPITALS DEPARTMENT Building and Properties Work

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the following contracts for the amounts shown:

The Canton Corp., Boston, amended \$10,000; new \$14,000; Lentine Electric Service, Jamaica Plain, amend \$13,000; new \$28,000; F. I. Rounds, Randolph, amend \$25,000; new \$41,000.

The above contracts are for estimating periodically the cost of, and thereafter, upon the lowest responsible estimate, performing the category of work as required by the department on buildings and properties under the care of the Department of Health and Hospitals for the period July 1, 1987 through June 30, 1988.

The original amounts requested for the above contracts were estimated. It is difficult to estimate the amount of work that will be needed on buildings and properties. The amendments are necessary to cover the costs of repairs that were either underestimated or not anticipated.

Therefore, in view of the above, and as the individual contract increases, in my opinion, are responsible, I recommend approval of these amendments.

Very truly yours,
George A. Lamb, M.D.,
Acting Commissioner.

Hardware Memory Capacity

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Digital Equipment Corporation, Waltham, for the period July 1, 1986 through June 30, 1987 at a cost not to exceed \$81,326.40.

This amendment will increase the contract sum by \$5,907, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$87,233.40.

This amendment is necessary to cover hardware memory capacity from 10 to 16 mega bytes for the DECrad Computer System, which were not anticipated at the time of the original contract.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

The documents were not received from the vendor until after July 1, 1987 therefore this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

PARKS AND RECREATION DEPARTMENT

Fence Repairs

Dear Mr. Mayor:

A publicly advertised contract executed on June 18, 1987, for repairs to steel picket fences, Commonwealth Avenue Mall Contract No. 7894-87 was awarded to the lowest bidder DeAngelis Iron Works, Inc. at a cost not to exceed \$15,689 to be charged to appropriation No. 6S2-300-4301-0735.

Your approval is requested to amend this contract to provide for additional repairs to the picket fences not included in the base bid, but which were damaged and now need immediate attention.

The cost of this amendment which is effective on September 10, 1987, shall not exceed \$1,601, which I have determined to be reasonable. The contract as amended shall not exceed \$17,279.

Because of the additional work required is minimal, and to advertise would prevent the completion of this contract within the contract specified period and result in additional cost to the city over and above the prices quoted by the present contractor, I recommend that you approve this request, and that the project continue to completion.

Very truly yours,
William B. Coughlin,
Commissioner.

Pruning and Trimming Trees

Dear Mr. Mayor:

On July 15, 1987, your Honor approved an award of a contract based on public advertising for bids, to the Frost & Higgins Co., Inc., Burlington, for pruning and trimming trees in Franklin Park during the period May 25, 1987, thru July 23, 1987, at a cost not to exceed \$79,925.

The above contract is for an as needed basis. Because of the limitations of the budget allowed, and because the demand for the contracted service has been much higher than anticipated, the money allotted will have to be increased before completion of the scheduled and necessary services are made. Therefore, your approval is requested to amend this contract to provide funds for needed pruning and trimming. Payment for work performed will be at the original contract unit prices.

The cost of this amendment which is effective of July 24, 1987, shall not exceed \$19,981.25, a sum

which I have determined to be reasonable. The contract as amended shall not exceed \$99,906.25.

Because time is a critical factor, and because the contractor has performed satisfactorily, it is my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

The reason for the delay of contract is due to the Auditing Department taking an extended amount of time in setting up new accounts under Capital Funds, Olmsted Historic Landscape Preservation Program.

Very truly yours,
William B. Coughlin,
Commissioner.

POLICE DEPARTMENT

Meals for Prisoners

Dear Mayor Flynn:

On August 6, 1986, your Honor approved the award of a contract, based on public advertising for bids, to Victoria Restaurant, Inc. contract 2076-87, 1024 Massachusetts Avenue, to provide meals for prisoners held at the Police District Stations, for the period of July 1, 1986, through June 30, 1987, at a cost not to exceed \$60,000.

Your approval is requested to amend this contract to provide for an increased amount due to a higher number of prisoners held than was estimated in the terms of the original contract. The cost of this amendment, which is effective January 1, 1987, shall not exceed \$46,000, which I have determined to be reasonable. The total cost of the contract, as amended shall not exceed \$106,000. The period of performance shall remain the same.

Because the original contract was advertised, it is submitted that further public advertising would serve no useful purpose. This amendment is being submitted at this late date due to administrative delays.

Respectfully,
Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT

Providing Construction Loans

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 25, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and amend a contract approved by your Honor on February 11, 1986 to the Boston Five Cents Savings Bank, F.S.B. for the purpose of providing construction loans for the Abandoned Housing Program during the period from March 1, 1986 to December 31, 1987 at a cost not to exceed \$150,000.

Your approval is requested to amend this contract to provide for additional construction loan services. This funding mechanism is a successful program in the current period and the Public Facilities Department now seeks to continue these services to support the Abandoned Housing Program. It is estimated that at least five additional loans will be disbursed and since the current funds have been exhausted, this additional allocation is now necessary.

The cost of this amendment shall not exceed 200,000, which I have determined to be reasonable. The contract, as amended, shall not exceed 350,000. The period of performance, as amended shall be from March 1, 1986, to December 31, 1988.

Because of the professional nature of the services to be provided, and the qualifications of the

contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Oil Tank Replacements

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 14, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and amend a contract approved by your Honor on May 1, 1986, to Cleverdon, Varney & Pike, Inc. for the purpose of providing design services for replacement of oil tank at the Long Island Hospital during the period November 3, 1986 to August 15, 1988 at a cost not to exceed \$43,875.

Your approval is requested to amend this contract to provide for soil samples to be taken around the fuel oil tanks to determine the amount of contamination.

The cost of this amendment shall not exceed \$20,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$63,875.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Boiler Replacement

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 27, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and amend a contract approved by your Honor on April 13, 1987 awarded to Reardon and Turner, a sole proprietorship with offices at 150 Causeway Street, for design of the replacement of the boiler and associated piping and controls at the Emerson School in Roxbury. The cost of this amendment shall not exceed \$1,000. The amended cost of this contract shall not exceed \$15,850 (including \$2,200 for supplementary services).

Said amendment is necessary due to the increased scope of service required of the designer. Under the terms of the amended contract, Reardon and Turner shall provide additional supplementary services including the monitoring of asbestos removal.

In view of the technical and professional nature of the services required, the expertise and familiarity of the designer with all existing conditions, and the reasonable cost of such services, it is my view that further public advertising would serve no useful purpose in this particular instance.

Sincerely,
Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT

Sidewalk Repairs

Dear Mr. Mayor:

On August 26, 1986, his Honor the Mayor approved the award of a contract based on public advertising for bids to Fred DeRoma & Son Inc. of Roslindale, for repairs to sidewalks in Area 3 of the City of Boston, for a period not to exceed one hundred working days, at a cost not to exceed

\$320,710; \$270,710 encumbered against Code 6-023-107-100-0735 and \$50,000 encumbered against Code 9-93-11-000, and amended on October 26, 1986 for \$50,000 encumbered against Code 9-93-11-000 to \$100,000.

Your approval is requested to further amend this contract to allow for additional square feet of Portland cement concrete for sidewalk repairs.

The cost of this amendment, which is effective on June 1, 1987, shall not exceed \$20,000, which I have determined to be reasonable for the work to be done and would be charged against encumbrance in 9-93-11-000, increasing the \$100,000 to \$120,000. The contract, as amended, shall not exceed \$390,710 and is being implemented at this late date, as only until this time could the cost of the additional work be completely detailed for cost.

Because this is related to and in conjunction with an existing contract by this contractor, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph F. Casazza,
Commissioner.

Dear Mr. Mayor:

On July 18, 1986, his Honor the Mayor approved the award of a contract based on public advertising for bids to Mr. Dom Giannangelo Contractors, Inc., Hyde Park, for sidewalk reconstruction in Fairmount Avenue and West Street in Hyde Park and Gardner Street and Stratford Street in West Roxbury. Contract SC-3060-86, at a cost not to exceed \$328,570.29.

In the course of the work this amount proved to be insufficient, because it was necessary to remove more pavement and base and do more saw-cutting of pavement on Fairmount Avenue than had been anticipated at the planning stage. Therefore, your approval is requested to amend the contract to provide additional funds to pay for the work.

The cost of this amendment which is effective June 1, 1987, shall not exceed \$20,000, which I have determined to be sufficient to finalize the contract. The contract as amended shall not exceed \$348,570.29.

Very truly yours,
Joseph F. Casazza,
Commissioner of Public Works.

Street Resurfacing

Dear Mr. Mayor:

On April 2, 1987, his Honor, the Mayor, approved the award of a contract to Hot Top Pavements, Inc., of Hyde Park, for resurfacing of Washington St., Brighton, at a cost not to exceed \$296,620.55, for a period of 40 working days.

Your permission is respectfully requested to amend this contract, effective on September 15, 1987, to provide for an increase in area and depth of the street to be resurfaced.

The cost of this amendment shall not exceed \$50,000, which I have determined to be reasonable for the work. The contract as amended, shall not exceed \$346,620.55.

Inasmuch as this work is related directly to and in conjunction with an existing contract, I feel that public advertising would serve no useful purpose.

Very truly yours,
Joseph F. Casazza,
Commissioner.

SCHOOL DEPARTMENT

Typewriters Servicing

Dear Mr. Mayor:

On September 29, 1986, your Honor approved an award of a contract CO4590(87) to Standard Maintenance Co., 41 Winter Street, Boston, for maintenance, servicing and furnishing related supplies for typewriters FY86/87 during the period of September 29, 1986, through June 30, 1987, at a cost not to exceed \$25,500.

Your approval is requested to amend this contract for an additional \$3,500 to allow for maintenance for 54 typewriters donated to the School Department that were in need of repair. Standard Maintenance was one of four companies awarded a contract for these services. The total contract as amended will not exceed \$29,000, a price I deem reasonable.

The reason for this amendment is due to the fact that the department was not aware of the need for repair of these extra typewriters at the time the contract was initiated.

Very truly yours,

Leo J. Burke,
Business Manager.

Various Educational Materials

Dear Mr. Mayor:

On May 2, 1986, the Mayor approved the award of a contract to various vendors for providing books and certain educational materials during the period July 1, 1987, to June 30, 1989.

Your approval is requested to amend this contract to add additional vendors to the original listing approved by the Mayor. They are as follows:

Agency for Industrial Technology; Audio Language Studies, Inc. (88); Cellar Book Shop, The; Checkpoint Systems (88); Copycat Magazine; Creative Classroom (88); Ctr. for the Study of Reading; Ctr. for Sea Studies (88); Gallaudet College Bookstore (88); Gallaudet Bookstore (88); General Learning Corp. (88); Goncalves, Manuel D. (88); Hach Associates (88); Health Alert Press (88); Kemtec Educational Corp.; Little Book Room, The; MassComm. Inc. (88); Math Lifeboat, The (88); Nat'l Study of School Evaluation; One Twenty/120 Creative Corner; Shattinger Music (88); Tomar, Inc.; Visual Arts Resources.

This amendment will not affect the amount of dollars budgeted for fiscal year 1987. Because of the ongoing need to provide Boston Public Schools with books and certain educational materials, and because textbooks and certain other educational materials, are unique to a particular publisher, it is my opinion that advertising for bids would serve no public purpose.

This contract amendment is late due to new orders placed by various schools and departments. Orders were placed at intervals between spring, 1987 and as recent as summer, 1987. The Business Office anticipates that new orders are going to exceed the \$2,000 limit.

All companies on this list are reputable and publish at least some materials that should be included on Boston's Approved Lists.

Very truly yours,

Leo J. Burke,
Business Manager.

Certain Management Services

Dear Mr. Mayor:

On September 30, 1985, your Honor approved the award of a contract pursuant to M.G.L. c. 40, s.

4, after public advertising for bids to Transcom, Inc., dba, I.C.B.M., Roxbury, for furnishing certain management services in connection with providing special needs school transportation services during the period July 15, 1985 through August 31, 1987, with renewal options for two additional years through August 31, 1989 at an estimated cost not to exceed \$5,249,120 for 1986-1987 and \$5,564,067 for 1987-1988 and a total amount not to exceed \$21,663,098 if both option years are approved by the School Committee.

On July 8, 1987, your Honor approved an amendment to this contract in the amount of \$1,258,406 to provide for additional services and costs not anticipated at the time the original contract was executed. That amendment increased the not to exceed amount of the contract to \$22,921,504 (\$616,319 for 1986-1987 and \$642,087 for 1987-1988).

Your approval is now requested to further amend this contract by amending paragraph three of the first amendment to read as follows: by changing the estimated cost for the year 1986-1987 from \$5,865,439 to \$6,507,526. The increase for the year 1986-1987 results in a reduction for the year 1987-1988 from \$6,206,154 to \$5,564,067 in paragraph four of the amendment.

This second amendment is necessary due to a technical error in paragraph three of the first amendment. This error was a result of the confusion of the term "fiscal year" with that of "contract year." The total amendment amount of \$1,258,406 should have been identified for the 1986-1987 contract year, September 1, 1986 through August 31, 1987. Of this total, \$642,087 in costs were incurred for services rendered during July and August, 1987, accordingly, should be charged to fiscal year 1988.

Very truly yours,

Laval S. Wilson,
Superintendent.

TRANSPORTATION DEPARTMENT

Leasehold Improvements to Building

Dear Mayor Flynn:

On August 14, 1986, your Honor approved the award of a contract for a ten year lease of property at 200 Frontage Road for the operations of the Transportation Department's Enforcement Division. It is my intention to have the landlord, Frontage Development Corporation, 450 Summer Street, engage in certain leasehold improvements to the building at the above site to accommodate the consolidated and expanded operations of the Enforcement Division.

The leasehold improvements consist of converting the existing warehouse and office space (approximately 14,000 square feet) to office space, storage areas and public access areas appropriate for the particular functions of the Tow and Hold, Parking Enforcement, Traffic Enforcement, and Enforcement Administration units of the Transportation Department. A complete version of the plans and specifications for those improvements are attached hereto.

The costs for the proposed improvements, which total \$408,000, would be amortized over the balance of the lease in equal monthly installments of \$6,225.54. The balance of additional payments will be \$672,338.32 over the next nine years. Should the city so elect, the unpaid balance of the financed leasehold improvements can be prepaid at any time without penalty.

The plans and specifications for the improvements were developed by the city's Public Facilities

Department. Time is of the essence for the completion of the work in order to provide facilities for the operational units of the department referenced above, which have outgrown other quarters and have significant program objectives to meet. If approved, the renovations at the facility will be complete on November 27, 1987.

The landlord has engaged in an invitation to bid process based on the Public Facilities plans and specifications. The landlord will select the contractor to accomplish the leasehold improvements. The Public Facilities Department has advised that the cost for the work to be performed is reasonable. Because the landlord is providing the service of management of the construction of the leasehold improvements and because the construction of the improvements will be done under the landlord's supervision, I believe that public advertisement would serve no useful purpose in this instance.

Therefore, I hereby respectfully request your permission to amend the lease with the Frontage Development Corporation, 450 Summer Street, by an additional amount not to exceed \$672,338.32 over the balance of the lease term. The increased cost for the period July 1, 1987 to June 30, 1988 will be \$74,706.48. Attached hereto is a document entitled "First Amendment of Lease", which specifies language changes to the lease document that accomplish the contract amendment subject hereby.

Sincerely,

Richard A. Dimino,
Commissioner.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

TREASURY DEPARTMENT

Dear Mayor Flynn:
I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Grace McCall, 50 Elmira Street, Brighton, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, the contractor will research tax title releases and prepare them for processing, process Petitions for Foreclosure for the Legal Section, and do title searches at the Registry of Deeds, as well as data entry.

Ms. McCall is specially qualified to do this work through her past experience with the Collecting Division and her formal education at Suffolk University.

Compensation under this contract shall not exceed \$13,728, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$6.60 per hour. An increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Legal Services

Dear Mayor Flynn:
I respectfully request your Honor's permission to dispense with public advertising and to award a contract to George Nader, 491 Beacon Street, for professional services as special assistant corporation counsel, subject to subsequent appointment to the Corporation Counsel.

Under the terms of the contract, the contractor will provide assistance in the collection of delinquent taxes by representing the city and department in bankruptcy proceedings which includes preparation of all necessary filings and protect the city's rights to the assets of a bankruptcy estate.

Mr. Nader is specially qualified to perform these services because of his previous experience as a member of the delinquent tax unit, his law degree and his extensive work as bankruptcy coordinator in the Treasury Department.

Compensation under this contract shall not exceed \$15,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$13 per hour. The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:
I respectfully request your Honor's permission to

dispense with public advertising and to award a contract to Martine M. Ortiz, North Quincy, for professional services as special assistant corporation counsel for the Treasury Department.

Under the terms of the contract, the contractor will provide assistance and advice in the collection of delinquent taxes; appear on behalf of the city and department on collection suits, bankruptcy matters and trust matters; assist in the audit of investment manager's performance on trust accounts.

Ms. Ortiz is specially qualified to perform these services because of her previous experience as an attorney, her law degree and her participation in master of law degree program, and her extensive work as a special assistant corporation counsel for the Treasury Department.

Compensation under this contract shall not exceed \$33,000, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$687.50 per week.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Joseph A. McGrail Jr., Watertown, for professional services as counsel to the Collector-Treasurer for the Treasury Department.

Under the terms of the contract, the contractor will provide advice on and assist in policy decision affecting the management of the department; provide technical assistance in the preparation of petitions to foreclose tax liens; represent the Collector-Treasurer on the city's Property Disposition Committee and assist in the preparation of reports to this committee; serve on staff groups providing advice and assistance to the boards of the Neighborhood Housing Trust and the Neighborhood Jobs Trust, supervise special assistant corporation counsels in the department; work with the Mayor's Office on implementing legislation on the state and city levels.

Mr. McGrail is specially qualified to perform these services because of his previous experience as a member of the city's Delinquent Tax Unit, as a special assistant corporation counsel and staff assistant to the Collector-Treasurer, his law degree and his extensive work as counsel to the Collector-Treasurer.

Compensation under this contract shall not exceed \$36,300, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$756.25 per week.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Budget Operations Assistant

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Daidra Gorham, 9 Hinckley Street, Dorchester, for professional services as personnel and budget operations assistant for the Treasury Department.

Under the terms of the contract, the contractor will be responsible for various monthly reports to the Office of Budget and Program Evaluation; coordination of the payment processing for the city's vehicle leasing; and delinquent excise collection programs; record-keeping for the Treasury contractual services personnel; and overseeing the operations of the department's central clerical pool.

Ms. Gorham is specially qualified to do this work given her number of years of service to the Treasury Department in various capacities. Currently she is the record-keeper for Treasury contractual service personnel, processes the biweekly payroll, oversees the monthly payments for the city's vehicle lease purchase and the weekly collection reporting for delinquent motor vehicle excise taxes. The expansion in Ms. Gorham's responsibilities to include preparing the new Office of Budget and Program Evaluation reports is recognition of her ability to take on new responsibilities and structure reports that have not previously been required.

Compensation under this contract shall not exceed \$18,720, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$390 per week.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Secretarial Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Valencia Taylor, 18 Mallon Road, Dorchester, for assistance in secretarial services for the Treasury Department.

Under the terms of the contract, Ms. Taylor will compose and type correspondence, open and route mail to appropriate offices, maintain office filing systems, and perform related work as needed.

Ms. Taylor is specially qualified to do this work because she has the experience and knowledge to perform these duties, and works productively and efficiently with little supervision.

Compensation under this contract shall not exceed \$12,720, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$343.75 per week.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Taxpayer Assistance

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Barbara Smith, 37 O Street, South Boston, for services provided in Taxpayer's Assistance of the Collecting Division of the Treasury Department.

Under the terms of the contract, the contractor will be processing taxpayer abatements and refunds as well as researching misapplied tax payments.

Ms. Smith is specially qualified to perform these services through her past experience as a teller, as well as her experience in Taxpayer's Assistance and her proven patience and effectiveness dealing with the public.

Compensation under this contract shall not exceed \$16,370, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$7.15 per hour. The increase from FY 87 to FY 88 is principally due to an anticipated substantial increase in the number of hours this contractor will be working.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Colleen Ridge, 598 East 7th Street, South Boston, for assistance in computer and accounting activities for the Treasury Department.

Under the terms of the contract, the contractor will be responsible for the reconciliation of high volume checking accounts with the interrelation of the IBM main-frame system, Digital (Vax 11-780) mini-computer systems and the IBM PC system. Ms. Ridge will also be responsible for the reporting of adjusting entries necessary to bring the checking

At my discretion, authorized overtime service in excess of a forty hour workweek, shall be compensated on a time-and-one-half basis.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Accounting Services, etc.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Hazel Pryce, 2 Montrose Street, for assistance in accounting activities for the Treasury Department.

Under the terms of the contract, Ms. Pryce will ascertain payroll information required to issue paychecks, prepare checks for disbursement, and research stop-payments for the department.

Ms. Pryce is specially qualified to do this work because she has completed various undergraduate courses necessary to perform the preceding duties.

Compensation under this contract shall not exceed \$14,560, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$7 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mark McGillivray, 18 Grayson Street, Dorchester, for assistance in computer and accounting activities for the Treasury Department.

Under the terms of the contract, the contractor will perform duties required in the Treasury Department such as computer programming and instruction, bank reconciliations and payment inquiries.

Mr. McGillivray is specially qualified to do this work because the contractor holds an undergraduate degree in computer science and has the qualifications and experience required to perform his duties in the Treasury Department.

Compensation under this contract shall not exceed \$18,304, which I have determined to be reasonable for the work to be performed. The

contractor will be paid at the rate of \$8.80 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Denise Pickering, 524 East 5th Street South Boston, for assistance in accounting activities for the Treasury Department.

Under the terms of the contract, Ms. Pickering will provide assistance in issuing/funding checks on our accounts payable system, processing stop payments on lost checks and general accounting for the Treasury Department.

Ms. Pickering is specially qualified to do this work because of her past experience in accounting as well as her formal education at Westfield State College.

Compensation under this contract shall not exceed \$16,640, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$8 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Eileen Clifford, 155 Austin Street, Hyde Park, for assistance in accounting activities for the Treasury Department.

Under the terms of the contract, the contractor will perform duties required in the Treasury Department such as trust fund work, tax work, preparation of payments, tax reconciliations, etc.

Ms. Clifford is specially qualified to do this work because the contractor holds an undergraduate degree in accounting and has the qualifications and experience required to perform her duties.

Compensation under this contract shall not exceed \$22,500, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$468.75 per week.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Financial Analysts

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Darryl Parson, 145 Worcester Street, for assistance in financial activities for the Treasury Department.

Under the terms of the contract, the contractor will provide lease/purchase contract analysis, research/resolution of accounts in tax title/tax possession, financial analysis of the tax title/tax,

analysis of the city's cash flow, assist in special projects as they arise and work with the computer systems.

Mr. Parson is specially qualified to perform these services because of his formal education from Harvard University where he is concentrating in government, and his exemplary work as an intern with the Treasury Department during this summer which prompted us to increase Mr. Parson's responsibilities.

Compensation under this contract shall not exceed \$9,120, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$8 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This award letter is dated and submitted late due to this department's need to reevaluate its current workload and the subsequent need for staffing.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Joan Schraeder, 102 Endicott Street, for assistance in financial activities for the Treasury Department.

Under the terms of the contract, the contractor will be responsible for financial/operational analysis, debt cash management, lease contract analysis, research/analysis of accounts in tax title/tax possession, handling special projects as assigned, and utilizing word processor and microcomputer.

Ms. Schraeder is specially qualified to perform these duties due to her auditing/analytical experience during the past five years and her B. S. in Business Administration with emphasis in accounting. She has recently completed her second year of Law School, is highly motivated and has the keen ability to take on new projects independently. Ms. Schraeder was contracted last year as an intern but her work performance and ability to manage projects independently has led to this increase in responsibility and the new level of compensation.

Compensation under this contract shall not exceed \$11,350, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$10 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to William Lee, 180 Chiswick Road, Brighton, for assistance in financial activities for the Treasury Department.

Under the terms of the contract, the contractor will provide in-depth analysis/research of the city's cash flow, lease purchase contract analysis, overall debt management, research/resolution of accounts with special problems with recommendations for improvements, and extensive work with microcomputer systems.

Mr. Lee is specially qualified to perform these services because of his formal education from Boston College where he earned a Bachelor of Science

degree with a concentration in finance.

Compensation under this contract shall not exceed \$19,501, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$416.67 per week.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

This award letter is dated and submitted late due to this department's need to reevaluate its current workload and the subsequent need for staffing.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to George Zoukee, 151 Tremont Street, for professional services as senior financial analyst for the Treasury Department.

Under the terms of the contract, the contractor will assist in 121A and pilot audits and maintenance, provide assistance for excise tax and property tax issues and audits, assist the Boston City Hospital reconstruction finance working group, tax title working group and pilot working group, and assist Taxpayers Assistance with customer problems.

Mr. Zoukee is specially qualified to perform these services because of his formal education from Hampshire College with a B. A. in economics and Boston University Graduate School of Management with an MBA in Finance as well as his past experience in the Treasury Department.

Compensation under this contract shall not exceed \$28,280, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$568.74 per week.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

Computer Operator

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Mark Dolan, Belmont, for services as night and weekend backup operator.

Under the terms of the contract, Mr. Dolan will be responsible for daily, weekly, and monthly backup for the Treasury Department, Collecting Division, Public Facilities Department, Boston Redevelopment Authority, and the Abandoned Property System involving nine city departments. On an as-needed basis, Mr. Dolan will load Urban Tax Service and Shawmut Bank lock box transactions and run nightly balancing reports and city cash books.

Mr. Dolan is specially qualified to do this work through his extensive computer background, his formal education in computer science and most important, his proven dependability.

Compensation under this contract shall not exceed \$15,560, which I have determined to be reasonable for the work to be performed. Mr. Dolan will be paid at the rate of \$8.80 per hour.

The term of this contract shall be July 1, 1987, through June 30, 1988.

Because of the professional nature of the serv-

ices to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

George A. Russell, Jr.,
Collector-Treasurer.

ADMINISTRATIVE SERVICES DEPARTMENT

Budget and Program Evaluation

Program Budgeting and Evaluation

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Price Waterhouse, located at 160 Federal Street. Under the terms of the contract, the contractor will assist the director of the Office of Budget and Program Evaluation in the design, implementation and subsequent critique of a program budgeting and evaluation process for the Department of Health and Hospitals and will assist in the development and production of the City of Boston's operating budget with respect to that department. The Office of Budget and Program Evaluation will exercise the renewal option that was incorporated into the Fiscal Year 1987 contract.

Over twenty-five firms were solicited through a request for proposals issued by the Office of Budget and Program Evaluation. Of the eight responding firms, Price Waterhouse was chosen after an extensive analysis by OBPE administrative staff. Criteria for selection included the quality of the consultant's experience and expertise, the educational and professional credentials of the project staff, and the degree and depth of understanding expressed by Price Waterhouse in responding to the scope of services detailed in the RFP.

Compensation under the terms of this contract, shall not exceed \$64,000, a cost which has been deemed reasonable. Services will be performed on a task order basis at \$90 per hour for professional services and \$20 per hour for clerical services. Payment for these services will be made from appropriation code 011-140-0141-0290-BP02 by the Office of Budget and Program Evaluation. The period of performance shall be from October 15, 1987, through June 30, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals submitted for consideration, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Robert J. Ciolek,
Director.

Cable Communications

Cable Communications Consultant

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Appropriate Media Services, Inc., 30 Worthington Street in an amount not to exceed \$15,000. The period of service for this contract will be July 1, 1987, to June 30, 1988, at an hourly rate of \$45.

Under the terms of this contract, Appropriate Media Services, Inc. will provide professional services to the Cable Communications Division of the Administrative Services Department. As such, the firm will be advising the city on matters relating to cable services and equipment, specifically with respect to the suitability of the cable plant and configuration in delivering desired municipal services and programming. Appropriate Media Services,

Inc. will also be responsible for the ongoing development and use of the city's ten channels on the Public Institutional Network. Appropriate Media Services, Inc. is uniquely qualified to perform these services: the corporation has been involved in the cable communications field in various capacities for almost twelve years and has consulted to numerous other cities, including Chicago and St. Paul, on similar matters.

Due to the technical and professional nature of the service to be performed, I believe that public advertising would serve no useful purpose.

This letter of award has been submitted after the period of performance has commenced due to an administrative lag.

Sincerely,

Thomas P. Cohan,
Director.

Health Benefit and Insurance Division

Risk Management Plan

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to J. H. Albert International Insurance Advisors, Inc., of Needham Heights.

Under the terms of the contract, J. H. Albert will establish a risk management plan for the City of Boston. They will begin by developing a job description for the risk manager and after he/she is hired, continue to provide advice and direction regarding the establishment of a manual data system for gathering and tracking loss information, property information, asset values and the like.

The risk manager will be responsible for safety and loss prevention activities within the city and by identifying problem areas and health risks, will ultimately save the city money that would normally be spent on paying insurance claims.

J. H. Albert was selected to provide this service because this firm undertook a year-long study of the risk management and insurance needs of the City of Boston and published a report with their recommendations in August of 1985.

I respectfully request that an award be made to J. H. Albert International Insurance Advisors, Inc. in an amount not exceed \$10,000, a sum that I consider to be reasonable for the work to be performed. The period of performance for this contract shall be from August 17, 1987, through June 30, 1988, and be paid from appropriation code 011-140-0148-HI01-0290.

Since J. H. Albert is thoroughly familiar with the needs of the city and has extensive experience in the area of risk management, I believe that public advertising would serve no useful purpose.

Respectfully,

Irene Carrington,
Director

Office of Labor Relations

Legal Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to John P. Reilly, Esquire, of Hennessey, Kilgoar & Ronan of 28 State Street, Boston.

Under the terms of the contract, John Reilly will assist the city in litigating labor cases (arbitrations, Labor Relations Commission cases, and court cases) while the Office of Labor Relations is negotiating all the collective bargaining agreements.

Compensation under this contract shall not exceed \$20,000 an amount I have determined to be reasonable for the work to be performed. Payment for services associated with this contract shall be

charged to appropriation 011-140-0147-LR01-0290. The hourly rate shall be \$110.

The term of this contract shall be October 16, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Cynthia S. Denton,
Director.

Printing Section

Computer Hardware Servicing

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Data General, a corporation, located at Milford, for the maintenance of the following computer equipment hardware:

One 8394-K Nova 4X computer with 128KB MOS; one 6098, 12.5MB winchester drive/1.26MB diskette subsystem; two 6106-AA, D100 CRT; one 6194-AA, TR2 keyboard printer; one 6191 LP2 line printer; one 4241, ULM-5 Mux; one 1148-A, cabinet.

Under the terms of the contract, Data General, on a regular basis, as well as the request of a designated representative of this department, will service and maintain the peripherals and the computer hardware.

Data General has supplied hardware support since the installation of the computer system in July of 1982. In fiscal year '83 the aggregate dollar amount for this service was \$3,515.21, in fiscal year '84 it was \$4,031, in fiscal year '85 it was \$4,309, and in fiscal years '86 and '87 it was \$4,728.

Data General is specially qualified to do this work since it is the manufacturer of the existing equipment hardware. The Data General Corporation and their personnel have the technical backgrounds and machinery necessary to evaluate and correct any problems in this system. Their close proximity to Boston allows a quick response for maintenance and parts required for any service repair to this equipment.

Compensation under this contract shall be payable at a rate of \$419 per month which I have determined to be reasonable. The total amount of this contract shall not exceed \$5,530. An increase of about 10 percent has been added to the total amount in anticipation of the annual increase which occurs historically in February. The term of this contract shall be from July 1, 1987, to June 30, 1988.

Since Data General is specially qualified to do this work for a reasonable price, I believe that public advertising would serve no useful purpose.

Respectfully yours,

William J. Hannon,
Superintendent.

AUDITING DEPARTMENT

Document Retrieval, etc.

Dear Mr. Mayor:

Your approval is respectfully requested to dispense with public advertising and award a contract to Ms. Stacey Dixon an individual residing at 272 Lamartine Street, Jamaica Plain.

Under the terms of this contract, Ms. Dixon will be responsible for general information inquiries from vendors and for assistance with filing and document retrieval. Ms. Dixon is qualified to do this work because of her previous experience with the Auditing Department as a work study student.

Compensation under this contract will be paid at the rate of \$7 per hour and shall not exceed \$9,000, which I have determined to be reasonable.

The period of this contract shall run from October 1, 1987, until June 30, 1988.

Because of the nature of the services to be performed and because of the circumstances cited above, I believe that public advertising would serve no useful purpose.

Sincerely,

Leon P. Stamps,
City Auditor.

COMMUNITY SCHOOLS

Youth Program Consultant

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising and to award a contract to Mr. Stanley Pollack, Arlington, for services to be rendered as consultant to the Youth Outreach Program.

Mr. Pollack's duties have been outlined in the attached contract and will include coordination and implementation of the staff training program; program policy development; peer leader skills development; planning and implementation of weekly staff meetings and supervisions; as well as assisting in fundraising efforts from the private sector and foundation community.

These services will be provided from September 1, 1987, through June 30, 1988, at the rate of \$20 per hour for 940 hours, at a cost not to exceed \$18,800. Payments shall be on a biweekly basis beginning September 8, 1987, and ending June 30, 1988.

Mr. Pollack has excellent qualifications specifically in the model currently being implemented by the Youth Outreach Program. In addition, Mr. Pollack has been involved with the program since its inception in 1986.

Our rapid expansion and success in the communities being served have warranted the need for Mr. Pollack to increase his involvement with the program to the requested 940 hours during this fiscal year.

As Mr. Pollack's services are available to us now, and no useful purpose would be served by advertising for bids, I therefore respectfully request that your permission be forthcoming to enter into this contract.

Respectfully yours,

Lawrence Dwyer,
Executive Director.

HEALTH AND HOSPITALS DEPARTMENT

Laboratory Equipment Maintenance

Dear Sir:

An invitation to bid for maintenance and repair of various laboratory equipment at Boston City Hospital was advertised in the *City Record* on May 4, 1987, with a bid opening date of May 18, 1987. Thirty-seven companies were solicited. No bids were received for service of the two Ames Optimate TDM Instruments.

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to Ciba Corning Diagnostic Corp., Ohio for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$7,325.

Under this contract Ciba Corning Diagnostic Corp. will provide maintenance and repair including all travel, parts and labor, necessary to maintain two Ames Optimate TDM instruments in good operating condition. Service will be provided Monday through Friday, 8 a.m. to 5 p.m.

An unadvertised contract was awarded to Ciba Corning Diagnostic Corp. (formerly Gilford Instruments) for fiscal year 1987 in the amount of \$6,480.

Prior to this unadvertised contracts were awarded to Gilford Instruments in the following amounts: 1986 — \$3,600; 1985 — \$3,600. The 1985 and 1986 contracts were for service of one Ames Optimate TDM instrument.

Therefore, inasmuch as Ciba Corning Diagnostic Corp. is the only current supplier of parts, has the personnel specially trained to maintain this equipment, and as the cost, in my opinion, is reasonable no benefit would inure to the city by further advertising for bids.

The contract documents were sent to the vendor for signature on June 12, 1987, however they were not returned to the contract office until October 6, 1987. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Health Care Centers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Trustees of Health and Hospitals of the City of Boston, Inc. 725 Massachusetts Avenue, a charitable, nonprofit corporation created under chapter 174 of the Acts of 1880 as most recently amended by chapter 65 of the Acts of 1965, under which said corporation will fund comprehensive health care service through health care centers affiliated with Boston City Hospital for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$3,144,719. The health care centers are operated in facilities, some of which are owned or rented by the City of Boston, and consist of the following:

North Dorchester and Mattapan: Dorchester Health Center; Uphams Corner Health Center; Harvard Street Health Center.

Roxbury: Whittier Street Health Center.

South Boston: South Boston Health Center.

East Boston: East Boston Neighborhood Health Center.

The health centers provide high quality health services in neighborhoods that have almost no private physicians or other acceptable primary care services. All of the health centers provide three basic primary care services: adult medicine, pediatrics and obstetrics/gynecology. Many have additional specialty services according to the needs of the community. Department of Health and Hospitals funded health centers play a major role in the delivery of ambulatory care throughout the city.

Under this contract, the Trustees will continue to provide grant support and make available additional specific services such as payroll, purchasing and financial reporting to the health centers affiliated with the Boston City Hospital. In consideration of the services rendered the Trustees shall be permitted to retain an amount equal to 9.5 percent of the total of this contract as general and administrative cost.

The Trustees have provided excellent services in the past. Unadvertised contracts have been awarded for the last three fiscal years in the following amounts: 1987 — \$3,109,775; 1986 — \$3,247,303; 1985 — \$2,758,997.

The services provided are of a professional nature, and the Trustees have demonstrated to the public during the past several years their special fitness to administer this contract in a very satisfactory manner, at a reasonable cost. Accordingly, in my judgment, no benefit would inure to the city by public advertising for bids.

This award is being processed late because the Legal Office at the Department of Health and Hospitals decided to revise the terms and conditions.

the contract and thus the paperwork could not be sent to the vendor for signature.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1987 through June 30, 1988.

Grantee Corporation, Mass General Hospital; Neighborhood Health Center, North End Community Health Center; Amount of Grant, \$117,250.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular grantee corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the health center and the grantee corporation are agreed on the program of primary care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the North End Community Health Center to provide primary care services in Boston for almost sixteen years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. North End Community Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$117,250; 1986 — \$117,250; 1985 — \$117,250.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1987 through June 30, 1988.

Grantee Corporation, Roxbury Comprehensive Community Health Ctr.; Neighborhood Health Ctr.; Roxbury Comprehensive Community Health Ctr.; Amount of Grant: \$77,500.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: First, that the city's contribution be matched by the particular grantee corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department

of Health and Hospitals is satisfied that the health center and the grantee corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Roxbury Comprehensive Community Health Center to provide primary care services for the past three years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. Roxbury Comprehensive Community Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$77,500; 1986 — \$60,000; 1985 — \$15,000.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Fiberoptic Scopes Repairs, etc.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Olympus Corporation of America, New York, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$17,870.

Under this contract, Olympus Corporation of America will supply, as needed, repair services for all Olympus Corporation fiberoptic scopes and related technology within the Department of Health and Hospitals. The vendor will also advise the Biomedical Engineering Department on proper preventive maintenance techniques, and will provide parts as needed. Whenever possible, loaner equipment will be made available.

Olympus Corporation of America has provided high quality repair services in the past. Olympus Corporation has been awarded unadvertised contracts for the last three fiscal years in the following amounts: 1987 — \$17,485; 1986 — \$14,899; 1985 — \$14,870.

Therefore, because Olympus Corporation of America is the manufacturer of the equipment, is the only vendor that can supply appropriate and timely service, and has technicians trained specifically for repairing the equipment, at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor for signature on March 23, 1987, however, they were not returned to the contract office until September 22, 1987. Thus, this award is being processed late.

Very truly yours,
George A. Lamb, M. D.,
Acting Commissioner.

Psychiatric Consultant

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Lawrence Miller, M. D., Weston, for the period July 1, 1987 through June 30, 1988, at a cost not to exceed \$19,200.

Under this contract, Dr. Miller will provide consultant services in Psychiatry at Long Island Hospital. On-site consultative sessions are to be provided at least once a week with the total consultative time not to exceed seven hours per week. The frequency and length of each session are to be determined by the medical director. Reimbursement will be at the rate of \$50 per hour to be paid monthly on a services rendered basis. Telephone availability for problems relating to psychiatry will be provided for the length of the contract for a flat fee of \$1,000 to be reimbursed monthly. In addition, Dr. Miller must provide on-site consultative coverage for absences, including vacation.

In the past, Dr. Miller has provided these services through the Trustees of Boston University. Unadvertised contracts have been awarded for the past three fiscal years in the following amounts: 1987 — \$20,800; 1986 — \$20,800; — 1985 — \$10,400.

Because of the special fitness of Dr. Miller to provide these services, as he has provided excellent services in the past, because of the professional nature of the services, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Due to a backlog of paperwork at Long Island Hospital, the Contract Office did not receive the request for this contract until September 15, 1987. Thus, this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Echocardiography Machine

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Interspec, Pennsylvania, for the period July 29, 1987, through December 31, 1987, at a cost not to exceed \$58,500.

Under this contract, Interspec will provide Boston City Hospital with a portable echocardiography machine. The cost of the machine is \$58,000 and an additional \$500 is included to cover the shipping costs.

On September 29, 1986, the department went out to bid for an echocardiogram machine. Three companies responded to the invitation to bid. The contract was awarded to the lowest bidder, X-Ray Incorporated of Rhode Island who provided the hospital with a Toshiba SSH-60A echocardiogram machine for \$59,997. The other two bidders submitted machines which cost significantly more than the Toshiba equipment.

The Toshiba SSH-60A was in the hospital for several months but it did not perform up to the expectations of the Cardiology Department and the hospital canceled the purchase order and had the equipment returned to the vendor.

Boston City Hospital cardiologists have searched for a portable echocardiography machine of good quality and with a high degree of image resolution and have evaluated most of the competitive machines in the Heart Station under clinical conditions. They have found that only one of these machines is appropriate for our needs, the

Interspec XL-3. It is the only machine which possesses a combination of high resolution and easy portability by a single person; CW pulsed and high PRF transducers with 2.0, 3.0 and 5.0 MHz frequencies; programmable image depth settings from 4-24 cm.; single probe containing imaged CW, pulsed and high PRF Doppler at a 3.5 MHz frequency; 32 second scrolling memory for M-mode and Doppler; eight section swept strobe imaging for wall motion analysis; on and off-line calculation package for cardiac output across left and right heart valves; fully integrated Vingmed pulsed, high PRF and pulsed Doppler; two-dimensional eight image memory.

In view of the above, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Locksmith Services

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to renew, without advertising, the city's contract with Joseph Antonelli Contracting Co., Norwood, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$20,000.

Joseph Antonelli Contracting Co. will provide locksmith services at Boston City Hospital. Under the original contract, at the option of the Department of Health and Hospitals, the contract may be renewed for each of two years under the same terms or those more favorable to the city. Fiscal 1988 is the last year for renewal of this contract.

Therefore, as the contract is being extended under the same terms to the city, as Joseph Antonelli Contracting Co. was awarded the original contract pursuant to public bidding, and as the cost, in my opinion, is reasonable, no useful purpose would be served by publicly advertising for bids.

The contract office did not receive the request for renewal of this contract until after July 1, 1987, due to an oversight by the director of Physical Facilities. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

JOBS AND COMMUNITY SERVICES

Temporary Office Workers

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Ford & Ford Temporary Division, located at 581 Boylston Street, to provide temporary services to the Mayor's Office of Jobs and Community Services. Under the terms of the contract, the contractor will provide temporary office workers from time to time as requested by JCS in the areas of clerical, secretarial, receptionist and other services which arise to maintain work flow.

The contractor was selected after a careful review of proposals submitted in response to a request for proposals published in the *Boston Globe* on May 31, 1987. The contractor was selected based on reasonable rates for this type of service and has provided excellent services to the city under a previous contract.

Compensation under the terms of this contract shall not exceed \$10,000, payment being made from funds received under the Job Training Partnership Act. The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of time involved in determining the administrative budget.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to federal procurement requirements, no public purpose would be served by further advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Office Skills Training

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Chinese American Civic Association, a nonprofit corporation, located at 90 Tyler Street. Under the terms of the contract, the contractor will operate an office skills training program for approximately twenty JTPA and DPW eligible participants to improve their employment potential and economic self-sufficiency. In addition, counseling and referral services will be provided.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$48,000, payment being provided by the Job Training Partnership Act and the Department of Public Welfare. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Furniture Rental

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Direct Office Furniture, located at 215 Sydney Street, Dorchester, for the purpose of providing furniture rental services to the Mayor's Office of Jobs and Community Services.

Under the terms of the contract, the contractor will provide office partitions, modular offices, desks, and other items on both a rental and purchase basis. The contractor was selected as it has provided similar services to JCS while under service orders during the prior and current fiscal year, was the least expensive of a number of firms surveyed, and is the only firm providing modular offices on a rental basis. In addition, the two firms currently under contract with the City of Boston for the provision of similar services, Business Interiors and PSI, are not able to provide services to JCS on a timely basis or a rental basis. Three firms were contracted for the rental of office partitions, and Direct Office Furniture had the lowest price: Direct Office Furniture, \$306, a month; IFR, \$396 a month; Discount Office Furniture, \$624.60 a month.

Compensation under the terms of this contract shall not exceed \$4,900, payment being made from funds received under the Job Training Partnership

Act (JTPA). The period of performance shall be from October 1, 1987, until June 30, 1988.

As this is a negotiated contract for professional services at a reasonable cost, which conforms to federal procurement requirements, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Job Placement and Counseling

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Allston/Brighton APAC, a nonprofit organization, located at 143 Harvard Street, Allston, for the purpose of providing counseling and job placement services.

Under the terms of the contract, the contractor will match well-screened and trained youths, ages twelve to fifteen, with local residents, primarily elderly, to perform odd jobs, errands, and yard work. In addition, the contractor will offer technical assistance to other agencies interested in operating similar programs. This program is being funded as a pilot demonstration project in response to issues raised in neighborhood meetings. The contractor was selected to operate this program as it has operated a similar program of its own, and has expressed an interest in assisting other agencies. The program has a low cost per participant, and the costs are reasonable when compared to other youth programs.

Compensation under the terms of this contract shall not exceed \$15,500, payment being made from the Community Development Block Grant program. The period of performance shall be from August 1, 1987, until June 30, 1988. The submission of this letter has been delayed pending completion of negotiations with the contractor.

As this is a negotiated contract at a reasonable cost, based upon an extensive proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Training Services, etc.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Oficina Hispana, a nonprofit organization, located at 125 Amory Street, Roxbury, for the purpose of providing education and training services as part of the city's BostonWorks program.

Under the terms of the contract, the contractor will provide training in the carpentry and electrical fields to ten city residents. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Boston Private Industry Council and reviewed by staff of the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$40,000, payment being made from the Community Development Block Grant program. The period of performance shall be from September 1, 1987, until April 1, 1988. The submission

of this letter has been delayed due to the length of contract negotiations with the contractor.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Ecumenical Social Action Committee, Inc. (ESAC), a nonprofit corporation, located at 3134 Washington Street, Jamaica Plain. Under the terms of the contract, the contractor will work with approximately eighty companies to provide a neighborhood-based employment service for approximately 100 older workers. These services will include outreach, recruitment, assessment, employment readiness, training, and job placement services.

The contractor was selected based upon a competitive evaluation of its proposal submitted in response to a competitive state-wide bid process conducted by the Executive Office of Economic Affairs/Office of Training and Employment Policy. In addition, the contractor was selected based upon the quality of its proposal in the areas of curriculum design, cost effectiveness, and its demonstrated effectiveness in servicing this targeted population.

Compensation under the terms of this contract shall not exceed \$45,000, payment being made from funds provided to the City of Boston through a competitive grant (3 percent grant) provided by the Executive Office of Economic Affairs. The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the late notification of funding availability from the state.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Careers for Late Years, Inc./Operation ABLE of Greater Boston, a nonprofit corporation, located at the World Trade Center-suite 306, Commonwealth Pier.

Under the terms of the contract, the contractor will in collaboration with the Urban League of Eastern Massachusetts, work with various community-based organizations to develop a specialized employment program targeting unemployed older minorities in the City of Boston. Services will include assessment, recruitment, training/retraining, and job placement services. The contractor was selected based on a competitive evaluation of its proposal submitted in response to a competitive state-wide bid process conducted by the Executive Office of Economic Affairs/Office of Training and Employment Policy. In addition, the contractor was selected based on the quality of its proposal in the areas of program design, cost effectiveness, and its demonstrated effectiveness in servicing this targeted population.

Compensation under the terms of this contract shall not exceed \$39,150, payment being made from funds provided to the City of Boston through EOEAA (3 percent grant). The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the late notification of funding availability from the state.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Data Entry Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Manassa Systems, located at 530 Warren Street, Roxbury, for the purpose of providing data entry support services to the Mayor's Office of Jobs and Community Services.

Under the terms of the contract, the contractor will continue to provide data entry support services to the Compliance and Enforcement Division of JCS on an as needed basis, assisting data entry staff in processing weekly workforce reports submitted by building contractors and developers working in the City of Boston. The contractor was selected as the sole respondent to a request for proposals conducted by JCS, and published in the *Boston Globe* on May 31, 1987. In addition, the contractor has provided services to JCS under a previous contract, and its performance has been very satisfactory.

Compensation under the terms of this contract shall not exceed \$16,560, payment being made from the Community Development Block Grant program. The period of performance shall be from September 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the length of negotiations with the contractor.

As this is a negotiated contract for professional services at a reasonable cost, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

LAW DEPARTMENT

Legal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Nolan & Nolan, P. C., a law firm and corporation located at 21 Franklin Street, Quincy.

Under the terms of the contract, Nolan & Nolan will provide legal services which will include as necessary all pretrial discovery, motions and trials of the following cases: *Thomas Walsh v. Boston Zoning Commission*, Land Court No. 121469; *Thomas Walsh v. Inspectional Services*, Suffolk Superior Court, No. 87598; and *National Amusements v. City of Boston*, Land Court No. 123588. They will also provide all legal services in connection with the pending appeal of the case of *National Amusements v. William Sommers*, Appeals Court No. 87-799, and remand after the appeal of the case of *Daniel Marr v. Back Bay Architectural Commission*, Suffolk Superior Court, No. 68060.

Nolan & Nolan is uniquely qualified to do this work because Mary Ellen Nolan is a former assistant corporation counsel specializing in zoning issues and because she has been actively involved in handling each of these cases while an assistant corporation counsel with the Law Department. She has recently left the Law Department to join the firm of Nolan and Nolan. Although most of the cases that had been assigned to her were reassigned to other attorneys in the Law Department, it is necessary for Ms. Nolan to continue her representation in the above pending cases because of the complex legal issues involved.

Compensation under this contract shall not exceed \$40,000, at a rate of \$70 per hour. Ms. Nolan's rate has been determined based upon the equivalent hourly rate she was earning with the Law Department, plus reasonable costs for overhead and expenses. These rates represent a substantial discount of rates Ms. Nolan will charge other clients. I have determined this rate to be reasonable for the work to be performed.

The term of this contract shall be from October 15, 1987, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph I. Mulligan, Jr.,
Corporation Counsel.

LICENSING BOARD

Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of a contract to Camille F. Sarrouf, Esquire, of Sarrouf, Tarricone & Flemming, 95 Commercial Wharf, for legal services to be rendered to this board. Mr. Sarrouf has agreed to perform these services for a fee of \$85 an hour. This is less than half of his usual hourly rate and is far below the market rate for such services in Boston. The total cost of this contract will not exceed \$25,000. This contract shall be for the period July 1, 1987, through June 30, 1988.

Mr. Sarrouf performed legal services for the board in the previous fiscal year, and we have been most pleased with his responsiveness to the board's legal needs and with the quality of his legal work.

He has been an attorney for twenty-six years and is presently the president of the Massachusetts Academy of Trial Attorneys.

Because of the personal nature of the attorney/client relationship, it is important for the board to have an attorney with whom it can have a good working relationship and in whose abilities it has the highest confidence. Since Mr. Sarrouf fulfills these qualifications and is also willing to perform the services at an acceptable city rate, there would be no benefit to the board or to the public in advertising this contract for public bidding.

This letter is being submitted late because the board was unaware that further legal work would be required in connection with pending cases. A decision of the Appeals Court in July, 1987, required an immediate response by counsel and the services were obtained even though no contract was then in effect.

Thank you for your consideration.

Very truly yours,

Andrea W. Gargiulo,
Chairwoman,

MANAGEMENT INFORMATION SYSTEMS

Computer Services

Dear Mr. Mayor:

Permission is respectfully requested to dispense

with public advertising and award a contract to Robert Sullivan, 175 Sycamore Street, Boston. The purpose of this contract is to provide computer services to Management Information Systems.

This contract will provide professional computer services on the Wang and IBM personal computer for various projects within MIS, and to also assist all other departments in the training and development of this equipment. This contract is being charged to appropriation code 011-140-0149-MI04-0290, and shall not exceed \$7,360 and will be for the period of July 1, 1987, through June 30, 1988.

Mr. Sullivan is currently a cooperative student at Northeastern University and through his education and the work he has done in the past (Contract 6201-87), he has considerable knowledge in the total operation and application development of these systems. Robert will be compensated at the rate of \$8.60 per hour, an amount I believe is reasonable.

For the reasons outlined above, no useful purpose would be served by public advertising.

The reason this contract is being submitted late is due to the reorganization of the administrative procedures of MIS. These new procedures will result in a more timely and efficient management of MIS contracts.

Sincerely,

Allan K. Stern,
Director.

PARKS AND RECREATION DEPARTMENT Design Services

Dear Mr. Mayor:

You are respectfully notified that advertised proposals for design service for improvements to McConnell Park, Dorchester, were received in this office on Tuesday, February 24, 1987.

Twelve firms submitted design proposals which were reviewed and numerically rated by the Parks and Recreation Department, Planning and Engineering Division.

The two firms with the highest numerical rating have been awarded design contracts with this department in the recent past. The third highest ranking firm declined to accept work as they felt our fee schedule for the proposed design work was too low. The firms with the fourth, fifth, sixth and seventh highest numerical rating have also been awarded design contracts with this department in the recent past, therefore I propose to award the design contract to the firm with the eighth highest numerical rating, LEA Group Engineers/Architects/Planners, 75 Kneeland Street, for design services for improvements to the McConnell Park, Dorchester.

The designer's basic fee, 6.994 percent (Public Facilities Department's memorandum effective January 1, 1980, Engineering Services, B rate) of the presently estimated cost of construction \$460,000 shall be \$32,172. The sum of \$31,000 will be provided for supplementary services. The maximum liability of the city under the terms of the proposed contract shall not exceed \$63,172.

LEA Group is qualified to perform the services proposed. The compensation to be paid to the firm is fair and reasonable and conforms with the rate paid for similar professional services by other city departments.

Your approval is respectfully requested to dispense with inviting further public advertising, and to award this contract to LEA Group Engineers/Architects/Planners for the sum not to exceed \$63,172 for the period of June 1, 1987, through October 1, 1988.

As the proposed contract is to be one for the performance of professional services, a public solicitation for bids would serve no useful purpose. The contract will be charged to 6S1-300-4203-0725.

The reason for the delay is due to the contractor getting liability insurance for the processing of this contract.

Very truly yours,
William B. Coughlin,
Commissioner.

Waste Disposal Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with inviting proposals by advertising in the *City Record* and to award the contract for waste disposal services, to Laidlaw Waste Systems d/b/a GSX Corp. of New England, Charlestown, from October 1, 1987 to June 30, 1988. The sum to be paid shall not exceed \$84,000 and will be charged to the Parks and Recreation Department budget 011-300-0301-0250-PK02.

The above consideration is based on disposal of approximately 1,100 tons at a per-ton price of \$75.

The cost of the per-ton price is reasonable and the rate appears to be standard with waste disposal companies throughout the area. Laidlaw Waste Systems d/b/a GSX Corporation has provided the city with good service in the past and has the only transfer station located in the City of Boston, which saves the Parks and Recreation Department travel time, labor costs, and vehicle operating expenses.

The contract is requested in order to provide the Parks and Recreation Department continuous service until the City of Boston can coordinate and incorporate the street and park waste disposal service under one contract.

I consider the waste disposal problem in the Parks and Recreation Department an emergency which must be acted upon immediately. I therefore request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Respectfully,
William B. Coughlin,
Commissioner.

PENAL INSTITUTIONS DEPARTMENT Citizens Advisory Committee

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to the National Center for Citizen Participation in the Administration of Justice, a nonprofit Massachusetts corporation located at 20 West Street, for consultant services for the Suffolk County House of Correction, Deer Island.

Under the terms of the contract, the National Center for the Citizen Participation of Justice will assist the Penal Institutions Department in the final development and establishment of a citizen's advisory committee in accordance with the settlement agreement in *Watkins, et al. v. Mayor, et al.* and national correctional standards.

The NCCPAJ is uniquely qualified to perform this work because they have previously been contracted by the Penal Institutions Department in assisting with the formulation of a community involvement program during fiscal year 1987.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be September 1, 1987 to June 30, 1988.

Because of the professional nature of the services and that the NCCPAJ is familiar with this program, I believe that public advertising would serve no useful purpose. This contract is being submitted

late because the contractor delayed in submitting the necessary contract documents.

Very truly yours,
Robert G. Walsh, Jr.,
Commissioner.

PUBLIC FACILITIES DEPARTMENT Transportation Consulting Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 26, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Boston Survey Company/Cambridge Systematics, Inc., a consortium, with offices at 450 Summer Street, providing transportation consulting services for transportation analysis and planning services in the South Boston community as part of the Neighborhood Transportation Planning Program. The five general areas to be analyzed under the contract are general traffic, truck traffic, intersection operation/geometrics, parking and transit.

Compensation under this contract shall not exceed \$80,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from December 15, 1986, to June 30, 1988. The submission of this request has been delayed due to extended conversations between the Public Facilities Department and the City of Boston's Transportation Department regarding acceptance and expenditure of the funds for this contract by private contributors. Pursuant to the authority contained in St. 1966, c. 642, s. 3 (i) the Public Facilities Commission has the authority to accept and expend these grant funds, and voted to do so at a meeting of said commission on February 12, 1987.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals conducted on August 9 and 15, 1986 in the *City Record*. Costs were determined to be reasonable after extensive analysis of scope of work to be prepared. The costs estimates were prepared in response to community input to needs and requirements for services.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose.

Sincerely,
Lisa G. Chapnick,
Director.

Trash Collection Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 14, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Reppucci Brothers, Incorporated, a Massachusetts corporation, with offices at 217 Hanover Street, for providing trash collection services for the Public Facilities Department office building located at 15 Beacon Street.

Compensation under this contract shall not exceed \$9,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from July 1, 1987 to June 30, 1988.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised request for proposals conducted on by the Public Facilities Commission on March 29, 1987 in the *Boston Globe*. Costs were

determined to be reasonable after extensive analysis by PFD staff. Other selection criteria include past performance and experience of Reppucci Brothers, Incorporated to provide services.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on July 23, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to R. G. Vanderweil Engineers, Inc., a Massachusetts corporation, with offices at 266 Summer Street, providing design services for the renovations of the switch gear and construction supervision for new 750 ton chiller and switch gear renovations at Boston City Hall.

Compensation under this contract shall not exceed \$26,880, which is a fixed fee of 8.96 percent based on an estimated cost of construction of \$400,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for thirty weeks from the date of execution.

This firm did the original design work for this project and due to the administrative oversight the original design contract expired. Based on the Mass. General Laws for design services under continued services this firm is qualified to perform this service.

I believe R. G. Vanderweil Engineers, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on July 23, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Dean Tucker Shaw, Inc., a Massachusetts corporation, with offices at 119 Beach Street, providing design services for the renovation of 15 Beacon Street office building, using an open plan office system, for use as Public Facilities Department offices. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$487,547, (including \$238,500 for supplementary services), which is a fixed fee of 9.398 percent based on an estimated cost of construction of \$2,650,000 which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for forty-seven months from the date of execution.

Following the advertisement of this project in the *Boston Globe* on April 27, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with IGL c. 7, s. 38A 1/2 et seq. The committee evaluated thirty-three proposals submitted by the applicants and determined Dean Tucker Shaw, Inc. most

qualified and competent to complete said work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was as follows: Dean Tucker Shaw, Inc., 119 Beach Street — 4; Earl R. Flansburgh & Assoc., Inc., 77 North Washington Street — 10; Rector Olson Assoc., Inc., 59 Temple Place — 16.

I believe Dean Tucker Shaw, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 11, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to ASEC Corporation, a Massachusetts corporation, with offices at 383 Dorchester Avenue, providing professional design services for repair and renovation of four Public Department maintenance yards. Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$153,805 (including \$35,000 for supplementary services) which is a fixed fee of 16.2 percent based on an estimated cost of construction of \$950,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for seventy-eight weeks from the date of execution.

Following the advertisement of this project in the *Boston Globe* on March 2, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated fifteen proposals submitted by the applicants and determined ASEC Corporation most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was as follows: ASEC Corporation, 353 Dorchester Avenue — 3; Pisani Associates, 150 Lincoln Street — 5; Arnold A. Jacobson & Assoc., 22 Drydock Avenue — 11.

I believe ASEC Corporation is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT

Bridge Repairs

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of a contract to Grand Banks Marine, a corporation, located at No. Scituate for emergency temporary fender repairs to the Chelsea Street Bridge.

Under the terms of the contract, the contractor will institute temporary repairs to one side of the

fender system of the above bridge. This will mainly consist of driving several piles in the immediate area of the fender, so as to protect the fender from being struck by seagoing vessels. These repairs are being done by order of the U. S. Coast Guard, with a possible \$1,000 fine per day if this order is not complied with, within a reasonable period of time.

Compensation under this contract will not exceed \$25,000, which will be for all labor, equipment, materials, floating plant, and all else necessary to perform these emergency repairs, and which I have determined to be reasonable for the services to be performed. The term of this contract shall be July 20, 1987 to July 31, 1987.

This letter is being presented at this late date, as time is of the essence, and it was imperative that the contractor implement this work as per the order of the U. S. Coast Guard and so as to avoid the possibility of the fender being struck by a seagoing vessel.

This firm was selected by me on the basis of the emergency nature of the work to be done and that they have done work of a similar nature on numerous occasions in the past, and for these reasons I believe that public advertising would serve no useful purpose.

Very truly yours,

Joseph F. Casazza,
Commissioner.

REAL PROPERTY DEPARTMENT

Waste Disposal

Your Honor:

I respectfully request your permission to dispense with public advertising and to award a contract to Waste Managements, Inc., Charlestown Shipyard, for refuse services at Boston City Hall.

Under the terms of this contract Waste Managements will furnish install and maintain a refuse compactor and 30 yard container as requested by this department. On August 19, 1986 your Honor approved a contract based on public advertisement for collection and disposal of refuse in the City of Boston as recommended by the commissioner of PWD as a result of that award Waste Managements, Inc., is responsible for district 1B (Boston Proper).

I believe it to be the best interest of the city to leave equipment from the same company providing collection so that all liability services and maintenance concerns are that of a then vendor.

Compensation under this contract shall not exceed \$12,000 which I have determined to be reasonable for services to be provided. The term of this contract shall be July 1, 1987 to June 30, 1988.

Because of the reasons stated above I believe further public advertising would serve no useful purpose.

This contract is being submitted late due to the recent return of the contract documents by the vendor.

Respectfully yours,

J. Edward Roche,
Commissioner.

RETIREMENT BOARD

Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Gaston Snow & Ely Bartlett, located at One Federal Street, for professional legal services to the Retirement Board in matters concerning investments.

Under the terms of the contract, the firm will provide legal and consultant services, including but not limited to filings required by state and federal agencies, in matters concerning Retirement Board investments.

The contractor is qualified to perform such services because it is recognized as possessing expertise in this area of law. The contractor has provided the same services in fiscal year ended June 30, 1987 and rendered those services satisfactorily. The contractor was selected for the purpose of rendering these services on the recommendation of the Law Department of the City of Boston.

The term of this contract will be from September 15, 1987 through June 30, 1988.

Compensation under this contract shall not exceed \$35,000, which I have determined to be reasonable for the work performed. The contractor shall charge hourly rates ranging from \$180 per hour to \$45 per hour, as specified in the contract, and shall be allowed reasonable expenses of not more than \$3,500 which shall be included in the total contract price.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Very truly yours,

James F. O'Donnell,
Executive Officer.

SCHOOL DEPARTMENT Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Curry College, located at Milton. The contract shall be in effect during the period of October 1, 1987, to June 1, 1988, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Curry College's portion as is related to that amount is \$5,000.

The contractor will provide the following instructional services:

The pairing between Curry College and the Gifted and Talented Project will focus on the maximization of the language potential of each child in grades K-3 with emphasis on minority children to reflect the racial component of the school. Parents and teachers will participate. Pre and post teacher assessments of the listening, speaking, reading and writing skills of the children will be made. Programming for language gifted and language disabled will be individualized. A continuation of Curry's student teacher program will continue throughout the academic year. To broaden horizons, students, parents and teacher visitation to Curry College's campus will be instituted.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General

Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$3,203; 1986 — \$3,203; 1987 — \$3,203.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Boston University, located at 25 Buick Street. The contract shall be in effect during the period of October 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$18,750, which I have deemed to be reasonable.

The contractor will provide the following instructional services: Develop curriculum for training potential Boston Public School principals including women and minorities; complete case studies in school administration; identify and hire faculty and administrative/support staff; conduct outreach and selection process for potential applicants; coordinate selection of the class for the 1987-88 school year; implement training program for 1987-88 school year; coordinate training site setup and instructional materials; evaluate 1987-88 training program.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$18,750; 1987 — \$18,750.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Boston Ballet, Inc., located at 535 Tremont Street. The contract shall be in effect during the period of October 10, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$7,355, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Boston Ballet's portion as is related to that amount is \$7,355.

The contractor will provide instructional services as follows: for fifty students from grades 6, 7 and 8 at the Mary E. Curley School programs including bilingual and special needs children they will hold

eleven dance workshops, two performances at the Wang Center, one backstage tour at the Wang Center, two costume shop tours, one Career Day, one Open House, dance films and performances by Boston Ballet II plus other companies. In addition, there will be a series of eight teacher/parent workshops modeled after the students' program to encourage recruitment of students, particularly white and black. Finally, "Last Chance Dance" will be offered. This is a remedial program for twenty to forty students who have not passed physical education. The program uses dance to instill physical and motivational growth.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$6,045; 1987 — \$7,073.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Dorchester Youth Collaborative, Inc., located at 1514A Dorchester Avenue. The contract shall be in effect during the period of October 13, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$18,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Dorchester Youth Collaborative's portion as is related to that amount is \$18,000.

The contractor will provide instructional services direct outreach services, consultation to teachers and staff, community networking and development of the student support team at the Woodrow Wilson Middle School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institutions; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$5,000.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Massachusetts College of Pharmacy/AHS, located at 179 Longwood Avenue. The contract shall be in effect during the period of October 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$57,500, which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Massachusetts College of Pharmacy's portion as is related to that amount is \$57,500.

The contractor will provide the following services at the Mackey Mosaic School: Staff training in English as a second language methodology, parent services from bilingual coordinator, curriculum consultant to aid non-certified bilingual teachers in mainstreaming students and identification and evaluation of non-English proficient students already in the mainstream.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$91,999; 1986 — \$83,499; 1987 — \$91,999.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Arts Progress, Inc., located at 11 Green Street, Jamaica Plain. The contract shall be in effect during the period of October 8, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$12,063, which I have deemed to be reasonable. On July 21, 1987,

the School Committee approved all of the FY'88 chapter 636 funding for sum of \$5,128,956. Arts In Progress's portion as is related to that amount is \$12,063.

The contractor will provide the following instructional services: Storytelling classes for 3rd graders in conjunction with the 3rd grade social studies and language arts curricula focusing on communities with a special emphasis on Boston. Students will hear and learn to tell stories. Storytelling performance and 5 one-hour storytelling sessions for 3rd and 4th graders at Beethoven Elementary in District B. Three in-service workshops for parents and teachers. Coordination, follow-up and curriculum consultation with teachers.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$10,430; 1987 — \$10,490.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Lesson One Associates, located at 25 Huntington Avenue. The contract shall be in effect during the period from October 8, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$64,307, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding for sum of \$5,128,956. Lesson One Associates' portion as is related to that amount is \$64,307.

The contractor will provide the direct-service elementary classroom program called BEST Brotherhood & Sisterhood (Basic Educational Skills and Tools). BEST's unique system of skills and tools comprise a learning language which is used by teachers, principals and parents with students in schools and neighborhoods. BEST concepts include brotherhood and sisterhood, self-control, listening, thinking, problem-solving, concentration and cooperation. When these skills and tools are used with children throughout the day in schools and homes, children learn to internalize these concepts to help promote racial harmony and learning literacy in the Boston Public Schools. Before children can effectively be taught what to learn, BEST teaches them to learn how to learn.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under

chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$99,714; 1986 — \$82,928; 1987 — \$81,482.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Wellesley College. The contract shall be in effect during the period of October 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$5,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding for sum of \$5,128,956. Wellesley College's portion as is related to that amount is \$5,000.

The contractor will provide the instructional services of supervising and operating a tutoring and support group program one morning a week, for twenty weeks for at-risk students in need of academic support and guidance at the Boston Latin School.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$5,000; 1986 — \$5,000; 1987 — \$5,000.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Trustees of Boston University located at 25 Buick Street. The contract shall be in effect during the period of September 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$98,200, which I have deemed to be reasonable.

The contractor will provide the following services to the Area A Early Learning Center; one senior day care teacher for forty-four weeks, four day care providers for forty-three weeks, one social service coordinator for forty-three weeks and administrative services to handle personnel matters associated with recruiting, hiring and paying such personnel.

The contractor is uniquely qualified to provide the above services because: the University has the resources available to recruit and hire qualified, licensed and experienced day care workers.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This contract is being submitted late because due to the reorganization of the Department of Curriculum and Instruction, crucial decisions regarding the Early Childhood program were not made until late August. The contractor received the documents to prepare the contract on August 27, 1987. At that time, the university wanted some clarification of matters from the General Counsel Department. These clarifications were made September 2, 1987, and the contract was received in the chapter 636 office on September 9, 1987.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$189,681; 1986 — \$232,395; 1987 — \$486,326.

Very truly yours,
Laval S. Wilson,
Superintendent.

Technical Research Projects

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to MassPEP, Inc., a corporation located at 553 Huntington Avenue.

This contract shall be in effect during the period from October 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$16,000, which I have deemed to be reasonable.

Under the terms of this contract, MassPEP, Inc. will provide the following services to approximately 230 students in grades 9-12 during the 1987-88 school year:

Provide independent and group science and technical research projects; mentoring for engineering and technical careers orientation; counseling services; exposure to technical research laboratory and manufacturing facilities; telecommunications for participating schools; summer internship program; technical assistance and coordination of high school teacher teams to provide the above mentioned services.

MassPEP will work cooperatively with the Office of Curriculum and Instruction and the eight headmasters and their relevant staff toward the goal of preparing students for entry into college engineering fields.

MassPEP is a unique organization providing a specialized type of service available from no other source in the Boston area.

Because of the professional nature of the services to be provided under this agreement and the

expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$16,000.

Very truly yours,
Laval S. Wilson,
Superintendent.

Arts Programs

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Very Special Arts — Massachusetts, a corporation located at 59 Temple Place.

This contract shall be in effect during the period from October 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$9,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the following instructional services: 1, 15 day New England Training Program; 2, 30 day Artist-in-Residence Programs; 2, 10 day Arts Events; 6, 7 day Arts Events; special training events for school staff (10 days); evaluation by professional evaluators (10 days); art supplies for the eleven targeted schools.

The instructional services mentioned above will be provided to special education cluster programs serving children with substantial handicaps who are enrolled at the Kent, Beethoven, Sumner, Winthrop, Dearborn, Murphy, Lewis, Wilson, Shaw, Sarah Greenwood and Elihu Greenwood Schools.

The contractor was selected to provide the above services because it is the only organization in the Boston area with the expertise, credibility, and resources to insure success of this program. The program will service many inner-city students during this school year who otherwise would have no access to creative activities in their educational plans.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$9,000.

Very truly yours,
Laval S. Wilson,
Superintendent.

Projects Evaluation

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Public Affairs Research Institute, a corporation located at Arlington.

This contract shall be in effect during the period from October 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$9,500, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the Title VII Project with evaluation services for Projects IDEAL and ACHIEVE. These services will be provided according to the following schedule: Phase I - Planning; Phase II - Implementation Evaluation; Phase III - Progress Evaluation; and Phase IV - Outcome Evaluation. Implementation of this phased evaluation will require that the following tasks be provided by PARI: planning/design, instrumentation development, on-site interviews and observations, training courses review, data analysis, and preparation of reports.

Funds are available for these projects at no cost to the city under Title VII Projects IDEAL and ACHIEVE. The Title VII project director will be responsible for the supervision of the projects, endorsement of invoices on behalf of the School Department, and for serving as the contact person.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$38,337; 1986 — \$42,147; 1985 — \$42,626.34.

Very truly yours,
Laval S. Wilson,
Superintendent.

Drug Abuse Prevention

Dear Mr. Mayor:

As superintendent of the Boston Public Schools I respectfully request your authorization for the award of a contract to the Prevention Center of the Medical Foundation, Inc., a corporation located at 29 Commonwealth Avenue.

This contract shall be in effect during the period from September 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$25,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide fourteen days of professional training eight hours per day for \$75 per hour. The Prevention Center will also provide eight parent training sessions at a cost of \$100 per session; handouts will be provided for the 314 expected participants at a cost of \$15 per kit.

The contractor is specially qualified to provide the above services because the Prevention Center is one of eight regional centers responsible for the coordination of drug abuse prevention efforts in Massachusetts.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$11,025.

Very truly yours,
Laval S. Wilson,
Superintendent.

Load Tape and Tape Seal

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to BASF Systems Inc., Bedford, for the period October 15, 1987 through March 31, 1988, at a cost not to exceed \$4,000.

Under the terms of the contract the contractor will supply BASF 2400 EZ load tape and 1200 tape seal. The contractor has been awarded a contract by state bid B7038100 which was publicly advertised. Under state law, any Massachusetts Municipality may make purchases under state contracts which have been publicly advertised and awarded. In order to take advantage of these state contracts the city's Law Department has ruled that the city must award its own contracts, based on state awards.

Since BASF Systems Inc. was the lowest acceptable bidder on publicly advertised bids for EZ load tape and tape seal for the Commonwealth of Massachusetts, they are a responsible firm and

qualified to fulfill the requirements of their contract, and the price is reasonable, it is my opinion that public interest would not be served by public advertising for bids.

Very truly yours,
Leo J. Burke,
Business Manager.

TRANSPORTATION DEPARTMENT

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Caravan for Commuters, Inc., a nonprofit corporation located at 10 Park Plaza, for Caravan to develop and manage the City of Boston Commuter Mobility Program. This firm selected because it is the sole provider of comprehensive commuter transportation brokerage services in the Commonwealth and because of its reputation for quality service. The contract will address the department's need to expand its staff capabilities on a short-term basis with respect to commuter transportation and traffic issues.

Under terms of the contract, Caravan for Commuters, Inc. will hire a commuter mobility manager and provide marketing and supervisory staff to carry out a scope of services aimed at developing commuter alternatives to the single occupant vehicle, which includes, but is not limited to:

Promoting the creation of commuter mobility programs in buildings/companies not covered by a Transportation Access Plan; working in conjunction with the department's Access Plan project manager to monitor and ensure compliance with commuter mobility elements of Transportation Access Plans; acting as a liaison to transportation coordinators in buildings/companies with newly instituted commuter mobility programs; refining and publicizing the department's commuter mobility statement; and establishing commuter mobility information stations within public buildings owned by the city.

Compensation under this contract shall not exceed \$48,800 which I have deemed to be reasonable for the work to be performed. Funds will be encumbered by the Transportation Department upon approval of this letter.

The term of this contract shall be from 1 September 1987 until and including 30 June 1989 which is contingent upon the availability of funds for the fiscal year commencing 1 July 1988 through 30 June 1989.

Very truly yours,
Richard A. Dimino,
Commissioner.

**TREASURY DEPARTMENT
Tax Collection Services**

Dear Mayor Flynn:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of a contract to Ronnie Plummer, 64 Beechland Street, Roslindale, for assistance in the collection of delinquent real estate, personal property and motor vehicle excise taxes.

Under the terms of the contract, Mr. Plummer will match instrument of taking against daily tax title receipts, research tax title releases and prepare them or processing, process petitions for foreclosure for the Legal Section and do title searches at the Registry of Deeds.

Mr. Plummer is specially qualified to do this work because he has the experience and knowledge to perform these duties, and he has the ability to deliver assignments promptly with little supervision.

Compensation under this contract will not exceed \$11,500, which I have determined to be reasonable for the work to be performed. Mr. Plummer will be paid at the rate of \$7 per hour.

The term of this contract shall be September 24, 1987 through June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,
George A. Russell, Jr.,
Collector-Treasurer.

Consulting and Data Processing

Dear Mr. Mayor:

On June 12, 1986 your Honor approved an award of a contract, without public advertising, to Computer Assistance, Inc., Wellesley, for consulting and data processing services. These services consist of alterations, improvements and correction of problems that arise in the operation of our IBM 36 computer system for recorded land. We will be programming an additional input of information for registered land. They do programming, on our system, for the Assessing, Collector-Treasurer departments and the Bankers and Tradesmen weekly publication.

We have found their work to be satisfactory and wish to continue with their services and renew their contract for the F/Y 88.

Therefore, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Computer Assistance, Inc., for services as a consultant and data processing programmer. The terms of this contract will be July 1, 1987, through June 30, 1988, at \$60 per hour by appointment, and \$250 minimum for four hours for emergency calls with a cost not to exceed \$15,000.

Because of the professional nature of the services to be performed and their knowledgeable familiarity with our present programs, I believe that public advertising would serve no useful purpose.

We hope for your approval in this matter.

Very truly yours,
Paul R. Tierney,
Register of Deeds.

**Sheriff's Department
Physician Services**

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Dr. Timothy Lyons, an individual located in Milton, for physician services at the Suffolk County Jail.

Under the terms of this contract, the contractor shall provide physician services seven days per week at the Suffolk County Jail, including, but not limited to, the services mandated by the order of the United States District Court in the case of *Inmates of Suffolk County Jail v. Kearney, et al.* In addition, the contractor shall be on call twenty-four hours per day for consultation by jail staff and shall provide for an alternate physician at the contractor's sole expense in the event he is unable to provide said consultation services. The alternate selected by the contractor shall be subject to approval by the sheriff. The contractor shall provide a minimum of fifteen hours of physician services per week. The contractor is also required to provide proof of malpractice insurance in a form and amount satisfactory to the sheriff.

Dr. Lyons is especially qualified to do this work as he has had extensive medical experience at various jails and in particular, the Suffolk County Jail. He is familiar with the jail's policies and procedures and has been instrumental in achieving the accreditation of the American Medical Association for the operation of the jail clinic.

Compensation under this contract shall not exceed \$42,504, at a rate of \$3,542 per month, which I have determined to be reasonable for the work to be performed. The term of this contract shall be July 1, 1987 to June 30, 1988.

Because of the reasons stated above I believe further public advertising would serve no useful purpose.

In view of the special nature of the physician services to be performed, and the reasonable cost of these services, I believe that public advertising would serve no useful purpose.

Please excuse the tardiness in the submission of this letter as unavoidable delays are the reason for this slight delay.

Robert C. Rufo,
Sheriff.

Temporary Housing and Services

Dear Mr. Mayor:

I respectfully request your Honor's approval of a contract to Massachusetts Halfway Houses, Inc., a nonprofit organization, located at 186 Massachusetts Avenue. The contract provides for temporary housing and services for the Pre Trial Controlled Release Program.

The Sheriff's Department has received a grant for Fiscal Year 1988 from the Executive Office of Human Services under the County Operational Grant Program. The grant will fund the cost for the Pre Trial Controlled Release Program, an innovative approach designed to relieve the chronic overcrowding at the Charles Street Jail. The program will provide, on a continual basis, ten residential beds at a MHHI facility and ten positions in the Boston Offender Services Project.

Compensation under the terms of the contract will not exceed \$281,640. The contract period will run from July 1, 1987 through June 30, 1988. Payment for the residential component is a contract rate of \$323.30 per day. Payment for the BOSP component will be based upon services rendered but will not exceed \$163,300 for the contract period.

The contractor was selected based upon its ability to provide the services needed and is the designated service provider under the terms of the grant.

Please excuse the tardiness in the submission of this letter, as administrative delays in the receipt and depositing of funds are the reasons for this slight delay.

Robert C. Rufo,
Sheriff.

Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Chester Janiak, Esq., an individual located at 50 Milk Street, for legal services to the Sheriff of the Suffolk County, concerning the matter of *Inmates of Suffolk County Jail v. Kearney, et al.*

Under the terms of the contract, the contractor shall provide legal services to the Sheriff of Suffolk County in certain litigated matters including, without limitation, the matter of *Inmates of Suffolk County Jail v. Kearney, et al.*, presently pending before the United States District Court for the District of Massachusetts, and the Supreme Judicial Court for Suffolk County.

Compensation under this contract shall not exceed \$42,000, at a rate of \$125 per attorney hour, \$55 per clerk hour, and \$40 per paralegal hour, which I have determined to be reasonable for the work to be performed. Fees and disbursements are included in this amount, and will be itemized separately. The term of this contract shall be from July 1, 1987 through June 30, 1988.

Because of Mr. Janiak's familiarity with the ongoing litigation concerning the jail and the reasonable cost for the specific legal services to be performed, I believe that public advertising would serve no useful purpose.

Please excuse the tardiness in the submission of this letter as unavoidable delays are the reason for this slight delay.

Robert C. Rufo,
Sheriff.

NOTICE TO DESIGNERS

Invitation for Request for Designer Qualifications for Planning, Engineering, and Landscape Architectural Services Relating to the Renovation of a Number of Parks in the City of Boston.

The Parks and Recreation Department, acting through its Commissioner, is requesting "Designer Qualifications for Planning, Engineering, and Landscape Architectural Services Relating to the Renovation of a Number of Parks in the City of Boston" (approximate value of construction: \$450,000 each). It is the intention of the department to select a minimum of 5 (five) qualified individuals or firms.

Work to include detailed site analysis; schematic and design development documentation; three to four community review meetings; cost estimates; contract documents and specifications; and construction supervision. It is the intent of this Awarding Authority to develop park renovation design of the highest quality and to retain firms with the professional qualifications commensurate with this goal.

This announcement initiates a two-stage selection process. Stage One requires a written submittal which outlines professional qualifications. A select number of applicants will then be required to submit additional information in Stage Two of the selection process. Applicants are encouraged to follow the guidelines set forth in the Designer Qualification Statement which may be obtained from the office of the Chief Engineer, Parks and Recreation Department, at the address indicated below. If interested, please call 542-3071 and refer to this advertisement. Applicants must be either registered landscape architects or registered engineers in the Commonwealth of Massachusetts.

All documents shall be delivered to the Chief Engineer, Department of Parks and Recreation, Suite 930, 294 Washington Street, Boston, MA 02108. Stage One submittals are due no later than 5 p.m., December 2, 1987.

PUBLIC WORKS DEPARTMENT

Proposal for Capital Improvement Project No. 16 for Highway Construction in Cypress Terrace in West Roxbury, and Highway Reconstruction in Amherst Street, Bellaire Road, Delano Park, Heathcote Street, June Street, Oriole Street, Rustic Road and Searle Road in West Roxbury and Greenwood Avenue and Solaris Road in Hyde Park.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, November 16, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, December 3, 1987, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid, in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his contractors agree to the following Workforce requirements (labor).

Minority Workforce: The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

Boston Resident Workforce: The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

Female Workforce: The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

The workforce requirements of paragraphs (1),

(2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on December 1, 1987, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JOSEPH F. CASAZZA,
Commissioner of Public Works.

NO. 47

NEW PEDESTRIAN LIGHTS FOR BOSTON

Mayor Raymond L. Flynn, and Boston Parks and Recreation Commissioner William B. Coughlin flipped the switch on a new \$1 million pedestrian lighting system for Boston Common at a ceremony Tuesday, November 17, 1987. The ceremony was held at Liberty Mall, on the Common directly across from the State House.

"It's history," Mayor Flynn said as he turned on the 300 lamps, "We're not just lighting Christmas trees tonight. This marks a commitment to not only improve our parks, but to maintain them."

The pedestrian lighting is a project of the City of Boston and the State Department of Environmental Management under its City and Town Common program.

Founded in 1634, Boston Common is the oldest public open space in the country.

The lighting of the Boston Park Post lamps comes at the finish of the 1987 season, and is one of a series of major capital and maintenance improvements in the Common.

MAYOR FLYNN APPOINTS ANN M. MAGUIRE EXECUTIVE DIRECTOR OF EMERGENCY SHELTER COMMISSION

Mayor Raymond L. Flynn recently announced the appointment of Ann Marie Maguire to head the city's Emergency Shelter Commission.

The Commission provides placement services to those in need of emergency shelter, supplying referral services about places and programs where meals are served, clothes are distributed, and health services are available. In addition, the Commission works closely with and acts as a liaison between city, state, and federal agencies to respond to the needs of the homeless.

"Our target this year is to have no homeless person go without shelter, meal, a bed or health care, and Ann will play a critical role in achieving this goal," Mayor Flynn said during a briefing on a report on the city's comprehensive policy for Boston's homeless.

Ann M. Maguire has been Mayor Flynn's Liaison to the Lesbian/Gay Community since 1984. She has been a regular volunteer at Rosie's Place-Women's Shelter in the South End for the last three years, working

on dinner shifts, holiday celebrations and overnight duties. She is a former board member of Rosie's.

Mayor Flynn said, "With the winter season upon us, the needs of the homeless in Boston are of critical importance to this Administration. Having worked with Ann Maguire over the last three years on a number of issues that require professionalism, sensitivity, and effectiveness, I am confident that Ann will bring to this job the attributes required to meet this challenging assignment."

As well as working on a daily basis with the homeless, the Commission also conducts research and provides statistics on the homeless and related issues. This information is published in annual and semi-annual reports.

In addition to her work with the lesbian/gay community and her volunteer experience at homeless shelters, Ms. Maguire is also on the executive committee of the Bay Village Neighborhood Association and an elected member of the Ward 5 Democratic Committee. Ms. Maguire received her B. S. from Bridgewater State College, and her M.Ed. from Boston University.

MAYOR FLYNN APPOINTS TOM McNICHOLAS AS ACTING ISD COMMISSIONER

Mayor Raymond L. Flynn recently appointed lifelong Charlestown resident Thomas J. McNicholas as the acting commissioner of Boston's Inspectional Services Department. McNicholas replaces William Sommers as administrator of the 300-employee department.

McNicholas, age 60, has 39 years of experience and service as an electrical engineer and inspector within Boston's Public Works, Building, and Inspectional Services Departments.

Mayor Flynn praised Tom McNicholas' dedication and commitment, saying, "Tom will be an exemplary commissioner of Inspectional Services for the people of Boston. He possesses in high degree the four characteristics needed to continue the fine work of Bill Sommers: integrity, responsiveness, accountability and professionalism. I look forward to the continued success of the department's reorganization under Commissioner McNicholas' direction."

Commissioner McNicholas and his wife, Margaret (Shea), are lifelong residents of Charlestown. They have four children, Nancy Kelly, Thomas, William and Geraldine.

McNicholas has been an instructor for electrical license preparation for over 15 years. He is presently a member of the Continuing Education Department faculty at Bunker Hill Community College.

The various units and divisions of Inspectional Services were centralized this past year to a new location at 1010 Massachusetts Avenue to more efficiently execute their operations. The new offices, located in the Old Mr. Boston building of Newmarket Square, now house the Building, Housing, and Health inspection units as well as Zoning, the Board of Appeals, Board of Examiners, Weights and Measures,

TUFTS ARENA THEATER PRESENTS LOVE'S COMEDY

Tufts Arena Theater will present Henrik Ibsen's *LOVE'S COMEDY* translated by Jens Arup and adapted and directed by Bruce G. Shapiro, December 1 to 5, 1987, at 8 p.m.

LOVE'S COMEDY is the first of Ibsen's that discusses hypocrisy in society. A transition play about the relentless search for true and lasting love, *LOVE'S COMEDY* is as much a part of life today as when it was written. Much of the play concerns a choice between either impulse or duty — and how that choice affects an age, a life, a time of mind and heart.

Carroll R. Durand, head of Tufts Arena Theater's design and technical program, is production scenographer for this new interpretation of Ibsen's work. Bruce Shapiro, currently the Artist-in-Residence in Acting and Directing, adapts and directs. Mr. Shapiro was the director for last season's highly successful production of *FANSHEN*.

The Tufts Arena Theater is located on Tufts' Medford Campus, about seven miles north of Boston. Tickets are \$1 on Tuesday, \$3 on Wednesday and Thursday, and \$4 on Friday and Saturday. For more information, call 381-3493.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

HEALTH AND HOSPITALS DEPARTMENT

Tractor Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with Northland Industrial Truck Company, Inc., Wilmington, for the period July 1, 1986 through June 30, 1987 at a cost not to exceed \$6,600.

This amendment will increase the contract sum by \$7,000, thereby the city's total liability under this contract, as so amended, to an amount not to exceed \$13,600.

Under this contract Northland Industrial Truck Company, Inc., provides preventive maintenance and repair service, as needed, to three Taylor Dunn electric tractors located at Boston City Hospital.

This amendment is necessary to cover the costs of anticipated repairs and replacement costs.

Therefore, because the tractors are a necessary part of the operation of the Laundry Division at Boston City Hospital, because Northland Industrial Truck Company, Inc., has the service rights for repair of the equipment and because the cost, in my opinion, is reasonable, I recommend approval of this amendment.

These expenses were incurred in the last quarter of the fiscal year. The Contract Office gave priority over amendments to 1988 contracts, therefore, this letter of award is being submitted late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Laundry Equipment Repairs

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I hereby request your Honor's permission to amend the contract with Spink Sales and Service, Inc. for repair and maintenance of laundry equipment at Mattapan and Long Island Hospitals for the period July 1, 1986 through June 30, 1987 at a cost not to exceed \$40,000.

This amendment will increase the contract sum by \$20,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$60,000.

This amendment is necessary due to the fact that the cost for repairs needed for the laundry equipment at Long Island Hospital was underestimated. The equipment at the hospital is over twenty years old, and is in constant need of repair. With equipment as old as this, it is difficult to estimate the number of repairs that will be necessary.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

These expenses were incurred in the last quarter of the fiscal year. The Contract Office gave priority over amendments to 1988 contracts, therefore, this letter of award is being submitted late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

POLICE DEPARTMENT

Washing of Vehicles

Dear Mayor Flynn:

On July 7, 1986, your Honor approved the award of a contract, based on public advertising for bids, to Boston Car Wash, contract 2084-87, 25 West Howell Street, Dorchester, for the washing of Police Department vehicles for the period of July 1, 1986 through June 30, 1987, at a cost not exceed \$10,000.

Your approval is requested to amend this contract to provide for an increased amount due to a higher number of police vehicles washed than was

estimated in the terms of the original contract. The cost of this amendment, which is effective January 1, 1987 shall not exceed \$15,600, which I have determined to be reasonable. The total cost of the contract, as amended, shall not exceed \$25,600. The period of performance shall remain the same.

Because the original contract was advertised, it is submitted that further advertising would serve no useful purpose. Because of administrative delays within our department, this amendment is being submitted at this late date.

Respectfully,

Francis M. Roache,
Police Commissioner.

PUBLIC FACILITIES DEPARTMENT

Housing Counseling Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities on June 11, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and amend a contract approved by your Honor on September 25, 1986, to the Boston Indian Council for the purpose of providing housing counseling services during the period October 1, 1986 to June 30, 1987 at a cost not to exceed \$18,750.

Your approval is requested to amend this contract to provide for continuation of same services during the phase out period of the housing counseling program operation. The cost of this amendment shall not exceed \$5,000, which I have determined to be reasonable. The contract, as amended, shall not exceed \$23,750. The period of performance, as amended, shall be from October 1, 1986 to September 30, 1987.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

Temporary Personnel

Dear Mayor Flynn:

I respectfully request your written permission to dispense with public advertising and amend a contract approved by your Honor on September 22, 1986 for temporary technical and clerical personnel assistance services during the period July 1, 1986 through June 30, 1987 at a cost not to exceed \$50,000.

Your Honor's approval is requested to amend this contract to provide for additional technical and recruitment assistance, resulting from unanticipated staff turnover and therefore an unforeseen escalation and utilization of the services provided by Yankee Contract Services, Inc.

The cost of this amendment shall not exceed \$40,000, which I have determined to be appropriate. The contract as amended, shall not exceed \$90,000. The period of performance shall remain unchanged from July 1, 1986 through June 30, 1987.

The submission of this request has been delayed because an analysis of the contract's funding availability, revealing the cost overruns, was completed just prior to the expiration of the contract. This analysis demonstrated that the department-side utilization of temporary services over the fiscal year was much higher than originally anticipated and budgeted for. At this time, it is imperative that we increase the contract to accommodate the higher volume of activity and the subsequent budget overrun.

Because of the nature of the services to be provided, and the qualifications and satisfactory per-

formance to date by the contractor, I believe that further public advertising would serve no useful purpose.

Sincerely,
Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT

Refuse Disposal

Dear Mr. Mayor:

On August 19, 1986, your Honor approved an award of a contract based on public advertising for bids to GSX Corporation of New England, Charlestown, for the disposal of refuse from Districts 3, Dorchester North; 7, Dorchester South; and Boston P.W.D. during the period July 1, 1986 to June 30, 1987 at a cost not to exceed \$4,189,493.76.

On February 11, 1987, your Honor approved an amendment to this contract, which is effective on July 1, 1986, in the amount of \$157,738, bringing the amended contract to \$4,347,231.76.

On July 28, 1987, your Honor approved a further amendment to this contract, which is effective on June 1, 1987, in the amount of \$175,000, bringing the amended contract to \$5,22,231.76.

Your approval is requested to further amend this contract to provide for the disposal of refuse which will exceed the estimated tonnage, stated at the time of execution of this contract. The cost of this amendment, which is effective on June 1, 1987, shall not exceed \$50,000, which I have determined to be reasonable. The contract, as further amended, shall not exceed \$4,572,231.76. The period of performance shall be to June 30, 1987.

This letter is being submitted late because the previous amendment was not fully executed until July 30, 1987. Also all of the contract documents must be sent to Maryland, by the contractor, for execution which is time-consuming.

Very truly yours,
Joseph F. Casazza,
Commissioner.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ASSESSING DEPARTMENT

Hardware Maintenance

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Digital Equipment Corporation, Waltham, for professional hardware maintenance for the Assessing Department's DEC VAX system.

Under the terms of the contract, the contractor shall provide unscheduled, on-call remedial maintenance as required for the City of Boston Assessing Department's DEC VAX system. This contract includes: committed four-hour response time; emergency overnight coverage on the Assessing Department's system; emergency weekend coverage on the Assessing Department's system; five-year price protection clause.

This contract is based on a previously advertised contract (award letter dated June 29, 1984) in which Digital was awarded the contract. Compensation under this contract shall not exceed \$68,440, which I have determined to be reasonable for the services to be provided.

The term of this contract shall be from July 1, 1987, through June 30, 1988.

The Assessing Department is in the process of upgrading its systems in order to meet the needs of the FY 1989 revaluation. Therefore, this contract is being submitted late because the scope of services could not accurately be determined until this time.

Due to the price protection clause for hardware maintenance, the professional and technical nature of the services to be provided and the expertise of the contractor, I believe that public advertising would serve no useful purpose.

Sincerely,

Thaddeus J. Jankowski, Jr.,
Commissioner.

BUSINESS AND CULTURAL DEVELOPMENT

Cultural Events

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to the Fund for Boston Neighborhoods, Inc. a corporation located at Boston, for the following services:

a. to provide technical services to musical, artistic, literary, performing arts, theatrical and other neighborhood groups which provide services to residents of and visitors to the City of Boston; b. to publicize ongoing events, conduct and produce special artistic projects, civic events, entertainment, and festivals, to be held in various locations throughout the City of Boston; c. to produce exhibits and receptions within City Hall Plaza and other locations within the city, for the benefit of residents and visitors to the City of Boston; d. to produce a series of midday and evening concerts on City Hall Plaza and at other locations within the city, for the benefit of residents of and visitors to the City of Boston; e. to assist city department and neighborhood, civic, arts, cultural, educational and theatrical groups in exploring alternative sources of

funding, and to assist such groups in fundraising activities through public and private sources.

Under the proposed agreement, the Fund for Boston Neighborhoods, Inc. will pay for all labor and materials furnished. The period of performance will be July 1, 1987, to June 30, 1988. The cost to the city of this contract will not exceed \$180,500, a sum I deem reasonable.

Your approval of this letter of award will constitute your written determination as the official responsible for my appointment, that my interest in this contract is not so substantial as to be deemed likely to affect the integrity of the services which the city expects of me.

Sincerely,

Rosemarie E. Sansone,
Director.

HEALTH AND HOSPITALS DEPARTMENT

Laboratory Equipment Maintenance

Dear Sir:

An invitation to bid for maintenance and repair of various laboratory equipment at Boston City Hospital was advertised in the *City Record* on May 4, 1987, with a bid opening date of May 18, 1987. Thirty-seven companies were solicited. No bids were received for service of the two Ames Optimate TDM Instruments.

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without further advertising, to Ciba Corning Diagnostic Corp., Ohio, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$7,325.

Under this contract, Ciba Corning Diagnostic Corp. will provide maintenance and repair including all travel, parts and labor, necessary to maintain two Ames Optimate TDM instruments in good operating condition. Service will be provided Monday through Friday, 8 a.m. to 5 p.m.

An unadvertised contract was awarded to Ciba Corning Diagnostic Corp. (formerly Gilford Instruments) for fiscal year 1987 in the amount of \$6,480. Prior to this, unadvertised contracts were awarded to Gilford Instruments in the following amounts: 1986 — \$3,600; 1985 — \$3,600. The 1985 and 1986 contracts were for service of one Ames Optimate TDM instrument.

Therefore, inasmuch as Ciba Corning Diagnostic Corp. is the only current supplier of parts, has the personnel specially trained to maintain this equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by further advertising for bids.

The contract documents were sent to the vendor for signature on June 12, 1987, however they were not returned to the Contract Office until October 6, 1987. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Repairs to Pneumatic Tube System

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising, to Edgar H. Whittier Company, Stoneham, for the period October 25, 1987 through October 24, 1988 at a cost not to exceed \$25,000.

Under this contract, Edgar H. Whittier Company will repair and provide parts, as needed, to maintain the pneumatic tube system which runs from all of the in-patient buildings and the Ambulatory Care

Center to the Biochemistry Laboratory at Boston City Hospital. This system has been manufactured fabricated and installed by the above vendor. It is a system that has been custom made and adapted to the needs of this institution. The system is used 24 hours a day, seven days a week. Because of the increased incidence of infectious disease the system has been running at its maximum for the past year. It is imperative that a company be able to respond immediately to put the system back in order or extensive overtime by the transportation department is required.

No contract has been previously awarded for this service in the past but now as the equipment ages the system is used more extensively and the warranties on portions of the system have expired, the number of service calls have significantly increased.

This contract encompasses more than one fiscal year and the city's financial obligations are subject to the availability of an appropriation in accordance with the requirement of City of Boston Code, St. 4 ss. 4 and 8.

Because of the above, because Edgar H. Whittier Company, the manufacturer has trained personnel and availability of parts, and because the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

Very truly yours,

Lewis W. Pollack,
Commissioner.

PERSONNEL MANAGEMENT

Consultant Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Dr. Donald Ronchi, a private consultant located at Florida, for training and advice for our Labor-Management Cooperation Program.

Under the terms of the contract, Dr. Ronchi, will continue to provide the Office of Personnel Management with both training services for employees and managers, and advice to the staff and the Citywide Oversight Committee of the Labor-Management Cooperation Program. Dr. Ronchi is uniquely qualified to perform this work because of his extensive experience with municipal labor-management programs (the City of New York and the City of Columbus, Ohio).

Compensation under this contract shall not exceed \$4,000, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be July 1, 1987, June 30, 1988. This contract is being submitted late due to administrative inadvertence.

Because of Dr. Ronchi's unique professional services I believe that public advertising would serve no useful purpose.

The rate of pay for this contract is \$300 a day plus expenses.

Sincerely,

Robert Consalvo,
Director.

PUBLIC FACILITIES DEPARTMENT

Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on July 23, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Zeybekoglu Nayman Associates, Inc., a Massachusetts corporation, with offices at Boston, providing design services for repairs to eleven branch

libraries (Hyde Park, Roslindale, Adams Street, So. Boston, E. Boston, Faneuil, Grove Hall, N. End, W. End, Mattapan, Kirstein). Scope of work to include preliminary drawings, design development, working drawings and construction supervision.

Compensation under this contract shall not exceed \$311,626 (including \$85,000 for supplementary services) which is a fixed fee of 12.91 percent on an estimated cost of construction of \$1,755,400, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 150 weeks from the date of execution.

Following the advertisement of this project in the *Boston Globe* on March 30, 1987, and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by the Public Facilities Designer Selection Committee in accordance with MGL c. 7, s. 38A 1/2 et seq. The committee evaluated seventeen proposals submitted by the applicants and determined Zeybekoglu Nayman Associates, Inc. most qualified and competent to complete said design work. The numerical matrix rating for a firm reflects the combined score of each committee member's ranking of this firm and thus the recommended firm has the lowest number. The numerical matrix rating summary of the three finalists, in order of rank, was as follows:

Zeybekoglu Nayman Associates, Inc., Boston, —4; A. Anthony Tappe & Assoc., Boston, —8; Gutman Assoc., Inc., Boston, —12.

I believe Zeybekoglu Nayman Associates, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

SCHOOL DEPARTMENT

Behavioral Consultant

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Tools for Change, Inc., a corporation located at Cambridge.

This contract shall be in effect during the period from October 26, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$8,850, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide part-time behavioral consultation to severely and profoundly handicapped adolescents, direct one-on-one training of students, as well as consultation and in-service training to the Carter School staff. Tools for Change will evaluate each student's current performance and establish a corrective program and monitor using precise data keeping systems. Services will be performed at the rate of \$109.39 per day.

Candidates for these services have been solicited for the past three years in general special education newspapers and through listings for job openings with the Council for Exceptional Children. In each instance, Tools for Change has been the only respondent.

These services are necessary in order to provide to the severely retarded student population assigned to the Carter Center. Failure to provide these services would result in noncompliance with mandated Massachusetts legislation.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing these services, it is my determination that the public interest

would not be served by publicly advertising for bids.

Compensation to this vendor during the past two fiscal years in the form of unadvertised contracts is as follows: 1987 — \$7,800; 1986 — \$2,200.

Very truly yours,

Laval S. Wilson,
Superintendent.

Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Federated Dorchester Neighborhood Houses, located at 985 Dorchester Avenue, Dorchester. This contract shall be in effect during the period from October 26, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$82,628, which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Federated Dorchester Neighborhood Houses' portion as is related to that amount is \$82,628.

Under the terms of this contract the contractor will provide the following services: a program in the integration of bilingual students in the general program, promotion of integrated student leadership, reducing disparity in academic achievement and career awareness are provided by a team of three full-time teachers, one instructional aide and the program director. This project consists of a five-day week, Monday through Friday, 8:15 a.m. to 2 p.m. during the regular school year. Forty students is the expected enrollment.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the Racial Imbalance Act) in the category of Cultural Institutions; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$57,060; 1986 — \$46,440; 1987 — \$82,628.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools, I request your authorization for the award of a contract to Boston University, located at 25 Buick Street. This contract shall be in effect during the period from October 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$18,750, which I have deemed to be reasonable.

The contractor will provide the following services: develop a curriculum for training potential Boston Public School principals including women

and minorities; complete case studies in school administration; identify and hire faculty and administrative/support staff; conduct outreach and selection process for potential applicants; coordinate selection of the class for the 1987-88 school year; implement training program for 1987-88 school year; coordinate training site setup and instruction materials; evaluate 1987-88 training program.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$18,750; 1987 — \$18,750.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Emmanuel College, located at 400 the Fenway. This contract shall be in effect during the period from October 26, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$15,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding in the amount of \$5,128,956. Emmanuel College's portion as is related to that amount is \$15,000.

Under the terms of this contract the contractor will provide the following services city-wide: a parent outreach program, including a parent helper program, providing outreach through a parent coordinator, newsletters and parental activities; a cross-cultural program, which will provide a coordinator, resources curriculum, materials and programs.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the

expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$51,480; 1986 — \$50,572; 1987 — \$45,816.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to University of Lowell. The contract shall be in effect during the period of July 6, 1987, to July 10, 1987, and shall occur at a cost not to exceed \$4,000, which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. University of Lowell's portion as is related to the amount is \$4,000.

The contractor will provide the following services: participation of eight Boston Public School teachers in a week-long residential Institute for Teaching Language and Culture. Teachers participate in workshops, presentations, demonstrations and field trips about collaborative language teaching and work on developing models for two-way bilingual and other collaborative language teaching programs.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This contract is being submitted late because state approval for this project was given in late June, before the new fiscal year began. These teachers were given permission to attend this program by Judy Rizzo, who at the time was director of this project. The university did not know that they would need a contract to provide these services and did not submit one to the chapter 636 office until the first week of September. The chapter 636 office was in contact with the university and got the documents in order and processed them as soon as possible.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

This is the first contractual agreement between the University of Lowell and the Boston Public Schools.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Institute for Responsive Education, located at 605 Commonwealth Avenue.

This contract shall be in effect during the period from September 1, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$96,452 which I have deemed to be reasonable.

Under the terms of the contract, the contractor will provide services to the District C Early Learning Center, Dorchester. Services will include recruiting, hiring and paying day care teachers, providing snacks for children and related administrative tasks.

The contractor is uniquely qualified to provide the above services because the institute has the resources available to select qualified, licensed day care teachers and assist in the planning of an appropriate curriculum.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

The late submission of this contract is due to the fact that during the reorganization of the Department of Curriculum and Instruction, critical decisions regarding the Early Learning center were not made until late August. The contractor was contacted on August 21, 1987 and a representative from the institute arrived at Court Street on August 27, 1987, to pick up the contract documents. The chapter 636 office received the contract on August 28, 1987. Therefore there was not sufficient time to process this contract before the effective date.

This is the first unadvertised contractual agreement between the Boston Public Schools and the Institute for Responsive Education.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Boston Zoological Society, Inc., located at Franklin Park. The contract shall be in effect during the period of September 1, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$24,000 which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the chapter 636 FY'88 proposals for the sum of \$5,128,956. Boston Zoological Society's portion as is related to that amount is \$24,000.

Under the terms of this contract, the contractor will provide the following instructional services: the Boston Zoological Society's full-time instructor will provide a ten week Natural History program for eight elementary schools in Area B during the 1987-88 school year. A Boston Zoological instructor will spend a total of six hours a day, four days a week in four different elementary schools from September to December and four different schools from January to May; students will learn about animal life and habitats through hands-on activities, audio visual presentations and live animal demonstrations. Lessons have been planned around the Boston Public School Elementary Science objectives; two teacher workshops will also be included. Participating students will reflect the racial and ethnic population of the schools. Short-term substitutes will be provided to release teachers for workshops.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under

chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$44,372; 1986 — \$21,925; 1987 — \$21,925.

Very truly yours,

Laval S. Wilson,
Superintendent.

Instructional Services

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to New Century Education, a corporation located in New Jersey.

This contract shall be in effect during the period from September 14, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$57,600, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide chapter I instructional services at the Taylor, Dever, Hale, Barnes Middle, Lewis Middle, and McCormack Schools.

The contractor agrees to the following: to insure a sufficient and effective supply of instructional materials, New Century will order materials on a regular monthly cycle and midway between each ordering cycle will survey and order for additional material needs which may arise; service and repair all NCEC audio frame equipment promptly; provide ongoing consultation between NCEC and the Basic Skills Learning Center Staff on the implementation and operation of the center; provide a full-time NCEC employee who will be made available on a periodic basis to ensure that the Basic Skills Learning Center is serviced properly; replace, at no cost to the city, any revised and improved instructional materials which are designed and designated by the company as part of the Basic Skills Learning Center curriculum; provide assistance to the school district in preparing and disseminating the benefits and objectives of the Basic Skills Learning Center to other concerned parties within the school district and community by means of "Center News" brochures, and other media; at the end of each school year, make a survey of each center's material and equipment to assess those needs required for startup in the following year. Subject to a contract renewal, these materials will be shipped to allow for center operation by the first day of the following school year; the contractor will submit, on corporation letterhead, a bill showing cost of materials and services provided for each billing period at an amount not to exceed \$19,200 for each period.

The contractor is specially qualified to provide the above services because the equipment used in the reading laboratories was designed by the New Century Education Corporation and the New Century Education Corporation is the sole supplier and

developer of these copyrighted materials and supplies.

Because of the professional nature of the services to be provided under this agreement and the unique ability of this contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$55,035; 1986 — \$53,340; 1987 — \$71,120.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Very Special Arts — Massachusetts, a corporation located at 59 Temple Place.

This contract shall be in effect during the period from October 1, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$9,000, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the following instructional services: 1, 15 day New England Training Program; 2, 30 day Artist-in-Residence Programs; 3, 10 day arts events; 4, 7 day arts events; special training events for school staff (10 days); evaluation by professional evaluators (10 days); art supplies for the eleven targeted schools.

The instructional services mentioned above will be provided to special education Cluster programs serving children with substantial handicaps who are enrolled at the Kent, Beethoven Sumner, Winthrop, Dearborn, Murphy, Lewis, Wilson, Shaw, Sarah Greenwood and Elihu Greenwood Schools.

The contractor was selected to provide the above services because it is the only organization in the Boston area with the expertise, credibility, and resources to insure success of this program. The program will service many inner-city students during this school year who otherwise would have no access to creative activities in their educational plans.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1986 — \$9,000.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to MassPEP, Inc., a corporation located at 553 Huntington Avenue.

This contract shall be in effect during the period from October 1, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$16,000, which I have deemed to be reasonable.

Under the terms of this contract, MassPEP, Inc. will provide the following services: approximately 20 students in grades 9-12 during the 1987-88 school year: provide independent and group science and technical research projects; mentoring in engineering and technical careers orientation; counseling services; exposure to technical research laboratory and manufacturing facilities; and communications for participating schools;

summer internship program; technical assistance and coordination of high school teacher teams to provide the above mentioned services.

MassPEP will work cooperatively with the Office of Curriculum and Instruction and the eight headmasters and their relevant staff toward the goal of preparing students for entry into college engineering fields.

MassPEP is a unique organization providing a specialized type of service available from no other source in the Boston area.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$16,000.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Prescription Learning, a corporation located in Arizona.

This contract shall be in effect during the period from September 14, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$55,200 which I have deemed to be reasonable.

Under the terms of the contract, the contractor will provide the following instructional services at the Agassiz, Kent, Cleveland Middle, and Dorchester High School: Prescription Learning will service an in-lab management system consisting of one Commodore 64 micro-computer, dual disc drive unit and printer. The student laboratory will include nine Commodore 64s or Victor 20s with single disc drive; to insure a sufficient and effective supply of Prescription Learning instructional material in reading, Prescription Learning will provide for the refurbishing of software, direct order and delivery of supplies by a technician. Prescription Learning will analyze the existing chapter I educational materials in each school and integrate them into the management system of each lab.

The service, repair, and replacement of equipment on a prompt basis will be included. The initial and continuing inservice training by the Prescription Learning consultant for administrators, teachers, paraprofessionals and others who contribute to the success of the program at each school. A Prescription Learning technician will visit each laboratory twice monthly to ensure that the laboratories are properly serviced.

The consultant will visit each school twice each month to help reassess student needs and to introduce new methods and materials as they become available, at no additional cost. The technician will remove and refurbish the laboratories over the summer. If the laboratory, or parts of it, are stolen or vandalized, the company will replace them at no cost to the city. The contractor will submit, on corporation letterhead, a bill showing costs of materials delivered and services provided for each billing period.

The contractor is specially qualified to provide the above services because the software used in the laboratories was designed by Prescription Learning, which is the sole supplier and developer of these copyrighted materials and supplies.

Because of the professional nature of the services to be provided under this agreement and the unique ability of the contractor in providing such

services, it is my determination that the public interest would not be served by public advertisement for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$67,600; 1986 — \$67,600; 1987 — \$55,200.

Very truly yours,

Laval S. Wilson,
Superintendent.

Curriculum Development, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Wheelock College, a corporation located at 200 The Riverway.

This contract shall be in effect during the period from September 30, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$50,000, which I have deemed to be reasonable. An initial encumbrance of \$43,360 will be established for these services.

Under the terms of this contract, the contractor will provide the following services: revision of Kindergarten I - II curriculum, which will include monthly meetings with Central Office staff and a teacher field test team for ongoing feedback; ten training sessions for teachers, daycare providers, and parents; two individuals to work on-site with kindergarten teachers involved in curriculum development and implementation.

The contractor was selected to provide these services last year as a result of a public bidding process. At that time, Wheelock College was selected to provide these services based on the following considerations: cost, personnel qualifications, proximity to serviced schools and ability to provide on-site consultation services. In my opinion, having Wheelock College provide these services this school year will lend continuity of service critical to the success of this program.

Because of the professional nature of the services to be provided under this agreement, the expertise of the contractor in providing these services, and the satisfactory performance of Wheelock College in providing these services in the past, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$355,623.

Very truly yours,

Laval S. Wilson,
Superintendent.

Counseling, etc.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to the Education Resources Institute, a corporation located at 330 Stuart Street.

This contract shall be in effect during the period from September 14, 1987 to June 30, 1988, and shall occur at a cost not to exceed \$32,000, which I have deemed to be reasonable.

This amount, which represents a token financial commitment on the part of the Boston Public Schools, will allow the Education Resources Institute to continue providing services to Boston Public School students and their parents. Services will include, but will not be limited to financial aid counseling, early awareness counseling, and the printing and distribution of informational packets on higher education and occupational choices.

Financial support for institute's operation is provided by Boston area colleges, the Massachusetts Higher Education Assistance Corporation, the Massachusetts Rehabilitation Commission, the United States Department of Education, and the Boston Public Library.

Because of the professional nature of the services to be provided under this agreement, and the unique ability of the contractor in providing these services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$25,000.

Very truly yours,

Laval S. Wilson,
Superintendent.

Projects Evaluations

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Public Affairs Research Institute, a corporation located in Arlington.

This contract shall be in effect during the period from October 1, 1987, to September 30, 1988, and shall occur at a cost not to exceed \$9,500, which I have deemed to be reasonable.

Under the terms of this contract, the contractor will provide the Title VII Project with evaluation services for Projects IDEAL and ACHIEVE. These services will be provided according to the following schedule: Phase I — Planning; Phase II — Implementation Evaluation; Phase III — Progress Evaluation; and Phase IV — Outcome Evaluation. Implementation of this phased evaluation will require that the following tasks be provided by PARI: planning/design, instrumentation development, on-site interviews and observations, training courses review, data analysis, and preparation of reports.

Funds are available for these projects at no cost to the city under Title VII Projects IDEAL and ACHIEVE. The Title VII project director will be responsible for the supervision of the projects, endorsement of invoices on behalf of the School Department, and for serving as the contact person.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by publicly advertising for bids.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1987 — \$38,337; 1986 — \$42,147; 1985 — \$42,626.34.

Very truly yours,

Laval S. Wilson,
Superintendent.

Bunker Hill Monument

A towering obelisk marks the site of the first major battle of the Revolution: the Battle of Bunker Hill, June 17, 1775. The monument is a tribute to those Colonists who, though badly outnumbered, fought bravely against the British and withdrew only after their ammunition was gone. Monument and museum open daily, 9 to dusk. Adults, \$.75; children, \$.50.

TRANSPORTATION DEPARTMENT

Proposals for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City of Boston.

The City of Boston, acting by its Commissioner of Transportation Department hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for repairs to traffic signal cable in the Boston Edison manhole system and loop detectors at various locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contract. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon on Friday, December 11, 1987, (Boston Transportation Department), with a certified check or a bid bond in the amount of 5 percent of bid price payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate on, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under his contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement, (employee manhours per trade) for this contract are as follows: Minority, 25 percent; Boston resident, 50 percent; Female, 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least N/A percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental of American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report" and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The Letter of Intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a minority business identification statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, December 9, 1987, at 10 a.m., in Boston Transportation Department, City Hall, Room 721.

If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the Specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated DBE goal of 18 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager Donald J. Burns, 275 Dorchester Avenue, South Boston, MA 02127, Telephone No. (617) 722-3405. A prebid conference will be held on November 30, 1987, at 10 a.m. at the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the DBE stated goal of 16 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, Howard Haywood, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. A prebid conference will be held on November 24, 1987, at 10 a.m., in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreement which results from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Repairing and Replacing Locksets, Panic Assemblies, Door Closers and Related Work at HHORC, 55 New Dudley Street, Roxbury, Mass.," at an estimated cost of \$15,000.

SCOPE OF WORK: In general includes: repair and replacement of various lockset systems as herein specified.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, November 25, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, payable to the City of Boston.

ALL GENERAL BIDS will be received before twelve o'clock noon on Friday, December 11, 1987, at which time and place they will be publicly opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in

connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

**Proposal for Boarding and Securing, Project
No. 28-CI-ABU (A-B), City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

36 Glenway Street, Ward 14
102 Wheatland Avenue, Ward 17

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received until 11 a.m., Friday, December 11, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide surety for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chap-

ter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: Project No. 28-CI-ABU (A-B).

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements:

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for Minority Business Enterprise, if bid is over \$10,000. For the purpose of this paragraph, the term Minority Business Enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements:

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246) IF APPLICABLE.

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of the projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

CITY UNVEILS HOUSING DESIGN GUIDELINES

Boston Mayor Raymond L. Flynn and Lisa G. Chapnick, director of the Public Facilities Department (PFD), recently presented a set of proposed design guidelines for the construction of new neighborhood housing on 747 vacant city-owned lots — Project 747 — before a gathering of designers, architects and neighborhood representatives at the Parkman House.

"These guidelines speak to the importance of thoughtful design" said Mayor Flynn. "They reflect the opinions and desires of the people who live in Boston's neighborhoods — neighborhoods that will be strengthened through the construction of attractive new housing on these 747 vacant lots."

The 747 vacant city-owned lots are each at least 3,500 square feet and are considered buildable. In the past the city sold these parcels at auction to the highest bidder. However, Mayor Flynn ended the auction process soon after he took office in 1984 because it had failed to produce much needed housing.

"The auction simply benefited real estate speculators," said Lisa G. Chapnick, PFD director, who is overseeing Project 747 for the city. "In 1983, the last full year of the auction, the city sold 181 lots. Those lots yielded exactly 3 new units of housing."

The draft of *Design Guidelines for Neighborhood Housing: Project 747* was prepared by Alex Krieger and Thomas Sieniewicz of Chan Krieger and Levi Architects.

In preparing the report, the authors also made use of a survey done by the Public Facilities Department of people who live in recently constructed, city-assisted housing. Their comments peak not only to the quality of the housing in which they live, but also to issues such as landscaping, security and parking.

The recent gathering at the Parkman House offered Boston's design community the opportunity to give their opinions of the proposed design guidelines and to raise issues that will be incorporated into the final report of *Design Guidelines for Neighborhood Housing: Project 747*, which is due to be released at the beginning of the new year.

MBTA PURCHASES RAIL STORAGE FACILITY IN READVILLE

MBTA General Manager James F. O'Leary announced that the Authority has purchased a 38.5-acre parcel of land in Readville, for \$3.7 million, from Amtrak, part of which is to be used for midday storage of southside MBTA commuter rail trains.

"The purchase of this facility is critical for the efficient operation of southside commuter rail service. We will be working with local residents in the months ahead to determine the most appropriate use for that portion of the Readville site not required for rail car storage," O'Leary said.

Ridership on the southern branches of the MBTA's commuter rail system has increased by 20 percent over the last five years. To meet this demand and replace older, hard to maintain equipment, the Authority has purchased 107 passenger coaches and 26 locomotives, some of which are already in service. The Readville facility will provide much needed midday storage space for southside trains.

It is anticipated that approximately 50 percent of the land will be devoted to commuter rail uses, and the remainder will be utilized for non-rail-based development such as recreational, residential, commercial or light manufacturing.

A Request for Qualifications will be issued by the MBTA in the near future for architectural and engineering services

for the design of the Readville rail storage facility and for the study of land use, environmental impacts, and related development opportunities. The study process will be conducted with full participation of area residents and local officials.

Of the total parcel, 18.8 acres are in Hyde Park and 19.7 acres are in Dedham.

MUSEUM SCHOOL HOLDS HOLIDAY SALE

Over 600 pieces of original artwork — including paintings, drawings and photographs, sculpture, ceramics and stained glass, jewelry, baskets and puppets — will be offered for sale at the School of the Museum of Fine Arts, Boston, from December 5 to 14. The objects will be on display in the School's Grossman Gallery at 230 The Fenway where hours are 11 a.m. to 8 p.m., Monday through Friday, and from 1 to 5 p.m. on Saturday and Sunday. The selection of artwork will change daily. Proceeds from the sale of works benefit the annual fund for student scholarships.

"The last holiday sale was an enormous success, raising thousands of dollars to assist students with scholarships," says Bruce MacDonald, dean of the Museum School. "We are pleased to present new works this holiday season, and invite the public not only to purchase unique holiday gifts, but also to see art that is being created today." The public is invited to a reception on the sale's opening day, Saturday, December 5, from 5 to 8 p.m.

The works available at the annual holiday sale are produced by 150 artists who are faculty, students and alumni of the Museum School. The Museum School is one of the oldest and most distinguished professional art schools in

the country. Among the more recent students of the Museum School are the well-known and respected artists Jim Dine, Will Barnett, Ellsworth Kelly, and Larry Poons. Those associated with the school during its early years include Edmund Charles Tarbell, Frank W. Benson, and Lilian Wescott Hale. In addition to the many professional artists who have achieved international recognition are alumni who have become museum directors, curators, art historians, illustrators, and conservators.

BOSTON MFA PRESENTS FREE-FOR-ALL

The Museum of Fine Arts, Boston, presents Free-for-All on Saturday and Sunday, February 20 and 21, 1988, from 10 a.m. to 5 p.m. The galleries will be filled with music and fun in celebration of the museum's outstanding collections of art from all over the world. Admission to the Museum and to all special events is free for the entire weekend.

Live music in the galleries, ranging from brass choirs to banjos, from Bach to ragtime and jazz, will turn a museum visit into an unusual and exciting experience.

The galleries will also be the setting for programs designed for families. Storytellers will draw their inspiration from Greek, Roman, Egyptian, and Afro-American art. Activity booklets for families will lead them from one discovery to another in the works of art from around the world. And children won't want to miss the wonderful movies on Saturday afternoon in Remis Auditorium. (Free-for-All follows the Museum's School Vacation Week programs — four days of workshops, stories, games, and other activities for families and children, February 16 to 19.)

The Museum welcomes first-time visitors, and invites them to take an introductory walk to discover the highlights of the extraordinary collections, which offer a survey of the world's art — from Europe and the Americas to Asia, from ancient civilizations to the art of our time. Special exhibitions on view in February include *Massachusetts Masters: Afro-American Artists and Masters*

of Seventeenth-Century Dutch Landscape Painting. There will be several introductory walks each day, including one given in Spanish.

Bring your family and friends to the Museum and join us for a great celebration! For more information, visitors can call 267-9300, ext. 300.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

Health Benefit and Insurance Division

Wellness Program Coordinator

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Nancy Rose Dow of 11 Seaverns Avenue, Jamaica Plain, for professional services to be rendered to the Health Benefit and Insurance Division of the Administrative Services Department.

Under the terms of the contract, Ms. Dow will be the intervention coordinator for the City of Boston employee Wellness Program, sponsored by the Health Benefit and Insurance Division. She will be responsible for developing and managing this program designed to provide health education and promote an all-around healthier lifestyle for city employees.

Seven applicants responded to a professional help wanted advertisement placed in the *Boston Globe* on August 30, 1987. Ms. Dow was selected for the position after interviews were conducted with all the qualified candidates.

Ms. Dow is the recipient of a master's degree in education from Harvard University. She is currently the director of the Adolescent Psychoeducational Program at the Human Resource Institute in Brookline, which includes wellness as part of its curriculum.

Compensation under this contract shall not exceed \$7,000 which I have determined to be reasonable for the work to be performed. The contractor shall be paid at the rate of \$10 per hour with available funds from appropriation code 011-140-0148-0290 and work a twenty-hour week. The period of his contract shall be from November 16, 1987 through June 30, 1988.

This is Nancy Rose Dow's first contract with the City of Boston.

Because of the professional nature of the work to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Irene Carrington,
Director.

AFFAIRS OF THE ELDERLY

Hotel Function

Dear Mr. Mayor:

Your permission is hereby requested to award a contract without advertising to the Sheraton Boston Hotel and Towers, Prudential Center, for food, service and facilities for a recognition function for approximately 600 retired senior volunteers in the amount of \$8,778 on September 30, 1987.

The Commission on Affairs of the Elderly is mandated under its contract with ACTION, funding source for the Retired Senior Volunteer Program, to provide recognition for the older Bostonians who volunteer over 250,000 hours annually.

The services to be provided under this contract include preset apple juice, chicken florentine, pasta primavera, dessert, beverages, paper and

linen supplies, incidentals, function room, tables and chairs, service, public address system and necessary electrical power.

Thirteen Boston hotels and function rooms were contacted to provide luncheon service. Below please find verbal responses received from the hotels contacted: Unable to accommodate — number of persons: Back Bay Hilton, Bostonian, Colonnade, Lafayette, Four Seasons, Parker House, Meridien, Ritz-Carlton, Copley Plaza, World Trade Center.

Unable to accommodate: Marriot Copley.

Available Dates and Price, Boston Park Plaza Hotel and Towers, \$12.50 per person plus gratuities; Sheraton Boston, \$12.50 per person plus gratuities.

Based on the responses received and the quoted price of \$12.50 per person for a hot luncheon, which I deem to be reasonable, I believe the public advertising would serve no useful purpose and your approval is hereby requested to dispense with public advertising in the award of this contract.

Sincerely,

Michael Taylor,
Commissioner.

BUDGET AND PROGRAM EVALUATION

Program Budgeting Evaluation

Dear Mayor Flynn,

I respectfully request your Honor's permission to award a contract to Price Waterhouse located at 160 Federal Street. Under the terms of the contract, the contractor will assist the director of the Office of Budget and Program Evaluation in the design, implementation and subsequent critique of a program budgeting and evaluation process for the Department of Health and Hospitals and will assist in the development and production of the City of Boston operating budget with respect to that department. The Office of Budget and Program Evaluation will exercise the renewal option that was incorporated into the Fiscal Year 1987 contract.

Over twenty-five firms were solicited through a request for proposals issued by the Office of Budget and Program Evaluation (OBPE). Of the eight responding firms, Price Waterhouse was chosen after an extensive analysis by OBPE administrative staff. Criteria for selection included the quality of the consultant's experience and expertise, the educational and professional credentials of the project staff, and the degree and depth of understanding expressed by Price Waterhouse in responding to the scope of services detailed in the RFP.

Compensation under the terms of this contract shall not exceed \$64,000 a cost which has been deemed reasonable. Services will be performed on a task order basis at \$90 per hour for professional services and \$20 per hour for clerical services. Payment for these services will be made from appropriation code 011-140-0140-0290-BP02 by the Office of Budget and Program Evaluation. The period of performance shall be from October 15, 1987, through June 30, 1988.

As this is a negotiated contract at a reasonable cost, based on an extensive review of proposals submitted for consideration, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Robert J. Ciolek,
Director.

HEALTH AND HOSPITALS DEPARTMENT

Repairs to Lab Instruments

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Abbott Laboratories, Illinois, for the period July 1, 1986 through June 30, 1987 at a cost not to exceed \$8,197.72.

Under this contract Abbott Laboratories will provide full service preventive maintenance and repair including all parts, labor and travel costs incurred by the vendor for two Abbott VP instruments located in the Biochemistry Department at Boston City Hospital.

Abbott Laboratories was awarded an unadvertised contract in fiscal 1984 in the amount of \$8,694. In fiscal years 1985 and 1986 the above equipment was used on a back-up basis only and the costs for service were under \$2,000, therefore no contract was warranted.

Inasmuch as Abbott Laboratories, the manufacturer, is well equipped to service the above instrumentation, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late due to the fact that it was not the intention of the department to use these two instruments during fiscal 1987. However, both instruments have had to be used due to the inability to satisfactorily resolve contractual problems with another vendor on the lab's primary analyzer. The contract documents were sent to the vendor on February 20, 1987 and returned on September 17, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Health Care Centers

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a contract, and thereby make a grant to the following Community Health Care Center in the amount indicated for the period July 1, 1987, through June 30, 1988.

Grantee Corporation; Brigham & Women Hospital; Neighborhood Health Center, Southern Jamaica Plain Health Ctr., Jamaica Plain; Amount of Grant, \$74,000.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to two conditions: first, that the city's contribution be matched by the particular grantee corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the health center and the grantee corporation are agreed on the program of primary health care service for which these funds shall be spent and their respective roles relative to the management of the program.

The Department of Health and Hospitals has had a contract with the Southern Jamaica Plain Health Center to provide primary care services in Jamaica Plain for almost sixteen years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide

needed services and have had a significant impact on the health of people in Boston's neighborhoods. Southern Jamaica Plain Health Center has been awarded unadvertised contract for the past three fiscal years in the following amount: 1987 — \$74,000; 1986 — \$63,800; 1985 — \$51,300.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Ethylene Oxide Monitoring Service

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with

public advertising and award a contract to Medical Surgical Division/3M, Minnesota, for the period September 22, 1987 through September 21, 1988 at a cost not to exceed \$3,582.20.

Under this contract Medical Surgical Division/3M will inspect and repair, if necessary, twice per year each of the following pieces of equipment in accordance with standards set by the Environmental Protection Agency. In addition, they will provide a comprehensive ethylene oxide monitoring service: one 3M steri-vac gas sterilizer 400B, S/N 410-242, \$1,368.90; one 3M steri-vac gas sterilizer 400B, S/N 410-060, \$1,368.90; one 3M aerator 20, S/N 205-045, \$666.50; basic 3550 monitoring package (A), \$68; one-time travel charge, \$109.90.

Medical Surgical Division/3M has provided excellent quality service in the past. Unadvertised contracts were awarded to Medical Surgical Division/3M for the past three fiscal years in the following amounts: 1987 — \$3,454.50; 1986 — \$3,500; 1985 — \$2,867.50.

This service is unique in that the ETO gas used is highly explosive and considered by the EPA to be one of the most toxic materials allowed to be used in the United States. Therefore, it is most important that the gas sterilizers and aerator be constantly maintained.

Therefore, because Medical Surgical Division/3M is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider to be reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor for signature on August 27, 1987, however they were not returned to the Contract Office until October 5, 1987. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

INSPECTIONAL SERVICES DEPARTMENT

Boarding and Securing

Dear Mr. Mayor:

The following building or structure has been condemned by me as being an unsafe and dangerous condition. Notices have been sent to the owner, but no steps have been taken to abate the dangerous conditions. This building or structure is a menace to the neighborhood. The location is 139 Bowdoin St., Wd. 15. Ordered in board up and secure per specifications on June 26, 1987.

Accordingly, in conformity with the provisions of chapter 802, Acts of 1972 as amended, particularly section 123.1 thereof I have asked and received your Honor's permission to enter these premises and to board and secure.

Bidders were requested to submit an aggregate bid for the boarding and securing of this building or structure.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following: Donald Clancy and Sons, \$3,375. When this was an advertised bid there were no bidders. Therefore, commissioner ordered Donald Clancy and Sons to go in and do the work.

Donald Clancy and Sons, 339 Dorchester St., South Boston, has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance and it has done satisfactory work for this department in the past.

139 Bowdoin Street, Wd. 15, unsafe and dangerous, building has windows and doors open or missing leaving open to the elements and trespass.

The Inspectional Services Commissioner considers the price of this contract as reasonable. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding without advertising as required in the city charter of a contract in the sum of \$3,375, to the Donald Clancy and Sons, 339 Dorchester st., South Boston.

Very truly yours,

Gary P. Moccia,
For Inspectional Services Commissioner.

POLICE DEPARTMENT

Psychological Screening

Dear Mayor Flynn:

I respectfully request your approval to dispense with public advertising in the award of a contract to Guy O. Seymour, PH.D., of Cambridge, to conduct psychological screening and evaluation of police recruit candidates for the Boston Police Department.

The Boston Police Department, under a delegation agreement with the Massachusetts Department of Personnel Administration, has assumed the responsibility for determining the psychological fitness of entry level police officer candidates in the City of Boston. The Boston Police Department has recognized the necessity for screening future police officers in order to assure the citizens that a reasonable effort has been made to hire officers who are emotionally stable and psychologically suitable for this occupation. A number of recent court decisions have established that when law enforcement agencies fail to employ selection procedures generally recognized as reasonable and necessary, they incur legal liability for both the actions of the officers and also for negligently accepting the officer to a position that could result in unacceptable behavior. Therefore, the department elected to solicit proposals from practitioners in this area to provide a plan/process that would meet the guidelines established by the DPA and avoid future charges of neglect.

In establishing a list of prospective practitioners the department conferred with the Massachusetts Psychological and Referral Association, the Department of Personnel Administration and the Massachusetts Minority Business Office. A panel comprised of a psychiatrist/psychologist, personnel director and the director of recruit investigation decided that Dr. Seymour's prior experience with the department and his expertise met the requirements.

The contract term is from July 1, 1987 through June 30, 1988. The total cost of this contract shall not exceed \$85,000. This contract covers the cost of \$120 per person interview, \$175 for psychiatric evaluation and \$70 for administration and evaluation of the test for approximately 400 applicants screened for the upcoming recruit classes this year. I have determined that the contract cost is reasonable in view of the professional nature of the services performed.

Inasmuch as Dr. Seymour is the most qualified psychologist who responded to our request for proposal, it is submitted that further advertising would serve no useful purpose. This letter is being submitted late awaiting budget appropriations and the late receipt of contract documents.

Respectfully,

Francis M. Roache,
Police Commissioner.

JOBS AND COMMUNITY SERVICES

Training for Women

Dear Mayor Flynn:

I respectfully request your Honor's permission to

award a contract to Roxbury Community College, an accredited Commonwealth of Massachusetts educational institution, located at 625 Huntington Avenue, for the purpose of providing education and training services as part of the city's BostonWorks program.

Under the terms of the contract, the contractor will provide pre-apprenticeship training to forty-five women who have expressed interest in and an aptitude for employment in the building trades, in conjunction with the Women in the Building Trades program. This program was formerly affiliated with the Women's Technical Institute, and will prepare participants for acceptance into a number of building trades apprenticeship programs. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Boston Private Industry Council and reviewed by staff of the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population. Compensation under the terms of this contract shall not exceed \$40,000, payment being made from the Community Development Block Grant program. The period of performance shall be from September 1, 1987 until June 30, 1988. The submission of this letter has been delayed due to the length of contract negotiations with the contractor.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Roxbury Community College, an accredited Commonwealth of Massachusetts educational institution, located at 625 Huntington Avenue, for the purpose of providing education and training services as part of the city's BostonWorks program.

Under the terms of the contract, the contractor will provide outreach, recruitment, and orientation services to at least one hundred women seeking employment in the Building Trades program. This program was formerly affiliated with the Women's Technical Institute. The contractor was selected based upon an evaluation of its refunding proposal submitted to the Boston Private Industry Council and reviewed by staff of the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population. Compensation under the terms of this contract shall not exceed \$60,000, payment being made from the Community Development Block Grant program. The period of performance shall be from September 1, 1987 until June 30, 1988. The submission of this letter has been delayed due to the length of contract negotiations with the contractor.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority

granted under the City of Boston Code, St. 4, s. 5.

Director.

Unemployed Older Minorities Program

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Careers for Later Years, Inc./Operation ABLE of Greater Boston, a nonprofit corporation, located at the World Trade Center, Commonwealth Pier.

Under the terms of the contract, the contractor will, in collaboration with the Urban League of Eastern Massachusetts, work with various community-based organization to develop a specialized employment program targeting unemployed older minorities in the City of Boston. Services will include assessment, recruitment, training/retraining, and job placement services. The contractor was selected based on a competitive evaluation of its proposal submitted in response to a competitive state-wide bid process conducted by the Executive Office of Economic Affairs/Office of Training and Employment Policy. In addition, the contractor was selected based on the quality of its proposal in the areas of program design, cost effectiveness, and its demonstrated effectiveness in servicing this targeted population.

Compensation under the terms of this contract shall not exceed \$39,150, payment being made from funds provided to the City of Boston through EOEI (3 percent grant). The period of performance shall be from July 1, 1987, until June 30, 1988. The submission of this letter has been delayed due to the late notification of funding availability from the state.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Counseling Ethiopian Newcomers

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Ethiopian Family Center, Inc., a nonprofit corporation, located at 140 Clarendon Street, for the purpose of providing counseling and support services for Ethiopian newcomers. The goal of the program is to provide stress management and training services to assist the newcomers in adjusting, resettling and in attaining a minimal standard of living in America.

The contractor was selected based upon an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$25,000, payment being provided by the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

GED Classes

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Mujeres Unidas en Accion, Inc., a nonprofit corporation, located at 1534 Dorchester Avenue, Dorchester. Under the terms of the contract, the contractor will provide pre-General Equivalency Diploma (GED) and GED classes to approximately sixty-one low-income Hispanic adults residing in the Dorchester, Roxbury, and Mattapan communities. In addition, career and educational counseling will be provided.

The contractor was selected based on an evaluation of its proposal submitted in response to a request for proposals conducted by the Mayor's Office of Jobs and Community Services. Costs were determined to be reasonable after an extensive analysis by JCS staff and outside readers. Other selection criteria include administrative capability, performance under previous contracts, the ability to provide the services needed, and the ability to serve the target population.

Compensation under the terms of this contract shall not exceed \$42,500, payment being provided by the Executive Office of Communities and Development through the Gateway Cities Program. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive review of proposals which conforms to federal procurement requirements, no public purpose would be served by public advertising. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

Job Placement Services

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to Sociedad Latina, a nonprofit corporation, located at 1481 Tremont Street. Under the terms of the contract, the contractor will provide job placement services to approximately 100 JTPA and DPW eligible City of Boston residents. The program will provide pre-employment training, tutoring and post placement workshops to the program participants.

The contractor was selected based on an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services. Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$50,300, payment being provided

by the Job Training Partnership Act and the Department of Public Welfare. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

PUBLIC FACILITIES DEPARTMENT

Land Surveys

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 28, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to ASEC Corporation, Inc., a Massachusetts corporation, with offices at 383 Dorchester Avenue, to provide land surveys on city-owned disposition sites.

Compensation under this contract shall not exceed \$75,700, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from August 1, 1987 to June 30, 1989.

This contract has been submitted late due to the time involved negotiating the scope of services.

The contractor was one of three firms selected based upon an evaluation of its proposal submitted in response to a publicly advertised request for proposal in the *Boston Globe* on March 15, 1987. The selection committee evaluated seven proposals submitted by the applicants and determined ASEC Corporation, Inc. to be one of the three most qualified and competent to complete said work. The three firms selected, in order of rank, were as follows: ASEC Corporation, Inc., Beals & Thomas, Inc., Sverdrup Corporation.

Other selection criteria included local firm preference, financial stability of firm, professional level of firm, similar project experience, reasonableness of hourly rate, and quality of work/drawings. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on October 1, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to ASEC Corporation, Inc., a Massachusetts corporation, with offices at 383 Dorchester Avenue, to provide land surveys on city-owned disposition sites.

Compensation under this contract shall not exceed \$40,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from October 15, 1987 to June 30, 1988.

Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Landscape Architecture

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 11, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to the Halvorson Company, Inc., a Massachusetts corporation, with offices at 161 Massachusetts Avenue, to provide landscape architectural services for special projects, including the Hernandez School playground in Roxbury.

Compensation under this contract shall not exceed \$10,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from August 1, 1987 to June 30, 1988. This contract has been submitted late due to the time involved in securing funding approval.

The contractor was one of three firms selected based upon an evaluation of its proposal submitted in response to a publicly advertised Request For Proposals in the *Boston Globe* on March 15, 1987. Costs were determined to be reasonable after extensive analysis by PFD staff. The selection committee evaluated four proposals submitted by applicants and determined the Halvorson Company, Inc. to be the most qualified and competent to complete said design work. The final ranking of four proposals was as follows: The Halvorson Company, Inc.; Paul C. K. Lu & Associates; the Sverdrup Corporation; Beals & Thomas, Inc.

Selection criteria included stability of firm, local firm preference, professional level of staff, similar project experience, reasonableness of hourly rate, current workload, past performance on public/private projects, and quality of drawings.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Operation of the Parkman House

Dear Mayor Flynn:

I respectfully request your Honor's written permission to dispense with public advertising and award a contract to the Fund for Boston Neighborhoods, Inc., a Massachusetts corporation, located at Boston, for the operation of the Parkman House located at 33 Beacon Street.

Under the term of the contract, the contractor will provide the care, cleaning, security, maintenance, minor repairs and will procure and provide provisions to the Parkman House.

The contractor is particularly qualified to do this work based on its past satisfactory experience, and in view of the particular nature of the services to be provided.

Compensation under this contract shall not exceed \$70,000, which I have determined reasonable for the work to be performed. The term of this contract shall be from July 1, 1987 through June 30, 1988. This request has been delayed due to a vacancy and subsequent transfer of design contract administration responsibilities in the Contracts Unit of the Public Facilities Department.

Because of the special status of the Parkman House in the cultural, social and political events of the city and the unique ability of the Fund for Boston Neighborhoods, Inc. to administer this contract, it is

my judgment that public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Legal Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 11, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to the law firm of Goodwin, Procter and Hoar with offices at Exchange Place, Boston, MA 02108, providing legal assistance in connection with the design and construction of a new Boston City Hospital. The scope of legal assistance will relate to a variety of regulatory issues inclusive of which are environmental, historic preservation, title, zoning and construction management.

The contractor is specially qualified to do this work because of the particular expertise possessed in providing legal opinions related to the varied regulatory concerns to be adhered to in conjunction with construction of new buildings. The submission of this request has been delayed due to prolonged negotiations with Public Facilities Department staff, the office of the Corporation Counsel and Goodwin, Procter and Hoar on particular services to be rendered within the content of this contract.

Compensation under this contract shall not exceed \$15,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from May 15, 1987 to June 30, 1987.

Because of the professional nature of the services to be performed and the reasonable cost of these services, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 27, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Bayside Engineering Associates, Inc., a Massachusetts corporation, with offices at 803 Summer Street, providing construction supervision services for the freezer addition to the School Department Central Kitchen. The scope of work will include construction supervision. Supplementary services will include measured drawings, testing, inspections and printing.

Compensation under this contract shall not exceed \$83,763.79 (including \$44,685.79 for supplementary services) which is a fixed fee of 2.9 percent based on an estimated cost of construction of \$1,347,500, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from June 26, 1987 through December 31, 1988.

This firm did the original design work for this project. The original contract expired June 24, 1987 before the funds were exhausted.

Since the design for this project was completed by Bayside Engineering Associates, Inc., I believe they are qualified to perform the construction supervision services required. The submission of this request has been delayed due to an administrative oversight.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that Bayside Engineering Associates, Inc. be allowed to continue with this project into the

construction supervision phase and that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 27, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Medical Facilities Planning Associates, Inc., a Massachusetts corporation, with offices at Natick, providing design services for the renovations at the sixth floor at the Maternity Building, Boston City Hospital to correct code violations. The scope of work is to include preliminary drawings, working drawings, design development and construction supervision.

Compensation under this contract shall not exceed \$46,740 (including \$2,000 for supplementary services) which is a fixed fee of 13.5 percent based on an estimated cost of construction of \$330,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for sixty-two weeks from the date of execution.

This firm did the original design work for this project, however the contract expired before the funds were exhausted.

I believe Medical Facilities Planning Associates, Inc. is qualified to continue to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that Medical Facilities Planning Associates be allowed to continue with this project to completion and that public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 27, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Whitney, Atwood, Norcross Associates, Inc., a Massachusetts corporation, with offices at 99 Chauncy Street, providing construction supervision services for the design of the connector Bridge Access connecting Bridge Access connecting the Dowling Building and Ambulatory Care Center at Boston City Hospital.

Compensation under this contract shall not exceed \$17,128 which is a fixed fee of 3.28 percent based on an estimated cost of construction of \$523,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from July 24, 1987 through June 24, 1988.

This firm did the original design work for this project. However, the contract did not provide sufficient time or funds for receiving bids and supervision of construction.

I believe Whitney, Atwood, Norcross Associates, Inc. is qualified to perform the services required. The submission of this request has been delayed due to an administrative oversight.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on February 26, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Kallmann, McKinnell and Wood, Architects, Inc., a Massachusetts corporation, with offices at 939 Boylston Street, providing professional design services for the reconstruction of the City Hall Plaza fountain. The scope of work will include preliminary design and working drawings.

Compensation under this contract shall not exceed \$89,800 (including \$37,000 for supplementary services) which is a fixed fee of 13.2 percent based on an estimated cost of construction \$400,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for fifty-five weeks from the date of execution.

Under the terms of the contract, Kallmann, McKinnell and Wood, Architects, Inc. will design the reconstruction of the City Hall Plaza fountain including preliminary design and working drawings. Kallmann, McKinnell and Wood, Architects, Inc. is uniquely qualified to do this work because this firm completed the original design work for the fountain. Since that time they have supervised testing and investigation to plan the necessary repairs.

I believe Kallmann, McKinnell and Wood, Architects, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

The Finance Commission of the City of Boston has recommended that you disapprove a \$76,000 contract to The SWA Group to perform urban design services in support of capital streetscape improvements (to include trees, pedestrian lighting and sidewalk/curb replacement) in Codman Square during the period from July 1, 1987 to November 1, 1988.

The Finance Commission has requested more information, regarding method of procurement and an explanation as to why the contract had been submitted late, prior to your Honor's approval of said contract.

The contractor was selected on the basis of a request for proposals process conducted by Public Facilities Department staff. The committee evaluated twelve proposals in the spring of 1987, based on the following criteria: local firm preference, financial stability, minority business, professionalism of staff, similar project design experience, reasonableness of hourly rate, current workload, and quality of drawings. The SWA Group was determined to be the most competent to complete said design work. The three finalists in order of the Committee's evaluation were: The SWA Group; Carlone Associates; Chan & Kreiger, Architects.

This contract is late because it took the contractor ten weeks to return contract documents to PFD from its executive office in California.

In light of the above, I urge you to approve the award of this contract, as I believe that it is both expedient and appropriate to do so.

Sincerely,
Lisa G. Chapnick,
Director.

SCHOOL DEPARTMENT

Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Lesley College, located at Cambridge. This contract shall be in effect during the period from November 1, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$60,500 which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956, Lesley College's portion as is related to that amount is \$60,500.

The contractor will provide the following instructional services:

Hennigan/Hernandez Literature Happenings: Building on the in-place model of past years the project will work with an identified core group of teachers to integrate literature into the reading and writing program; expand the literature collection of the reading center to meet the themes and issues relevant to curriculum; develop teaching units for themes and issues relevant to grade levels; prepare materials appropriate for dissemination; develop a home-reading program through parent training and newsletters; extend the bilingual collaboration and teaching model through teacher training and literature projects including Big Books.

Lesley/Advanced Work Class Seminar Series: Sixty Boston Advanced Work Class teachers will attend a series of five, all day seminars at Lesley College in the areas of literature, writing, creative and critical thinking; the sessions will emphasize teachers working closely with Lesley College Graduate School Faculty members who are specialists in the fields of literature for children, writing, creative and critical thinking. Three seminar groups of twenty Boston teachers will be led by three senior faculty members; the Boston teachers will also work with Lesley College children's librarians/media specialists, and use the extensive resources of the Kresge Center for Children's Literature; the five sessions will include presentations by experts, techniques and strategies for integrating literature and writing across the curriculum and the hands-on development of curricula and materials; there will be in-depth presentations by guest speakers from the Lesley College faculty covering a variety of approaches and techniques for actively engaging in reading quality literature and relating reading to writing and critical thinking; Boston Advanced Work Class teachers will take an active part in planning the form and content of the seminars. They will take leadership roles in the seminar sessions. Frequent opportunities for interaction and sharing ideas will be part of all seminars; teachers will try out teaching strategies developed during the seminars in their classrooms and report back to the seminar groups about the effectiveness of the strategies; all curriculum materials developed during the seminars will be made available to other teachers in the Boston Public Schools. The dissemination of materials is a major goal of the project.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed

and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement, and the expertise of the contractor in providing such services it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$70,424; 1986 — \$76,084; 1987 — \$78,907.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

As superintendent of the Boston Public Schools, I respectfully request your authorization for the award of a contract to Louise Thompson, an individual residing at 7 Kenswick Street, Boston, Massachusetts 02215.

This contract shall be in effect during the period from August 1, 1987 to December 15, 1987 and shall occur at a cost not to exceed \$9,000 which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956, Louise Thompson's portion as is related to that amount is \$9,000.

The contractor is uniquely qualified to provide the above services because the School Committee has approved the Boston Education Plan for Professional Development that speaks to the adoption of a single unified philosophy of instruction within the Boston Public School. The format upon which this philosophy is contained is in "The Skillful Teacher," a publication by John Saphier and Robert Gowan. Ms. Thompson is an expert on this philosophy and therefore is the sole vendor. Under the terms of this contract, the contractor will give all day workshops in August to thirty teachers and administrators. This consultant will work thirty additional five-hour days doing on-site observation and diagnosis for these workshop participants. These workshops will help teachers and administrators recognize and meet the needs of individual students and develop a repertoire of instructional and classroom management strategies tailored to the variety of learning styles of our students. Ms. Thompson will be compensated for these services at the rate of \$250 per day.

Because of the professional nature of the services to be provided under this agreement, and the expertise of the contractor in providing these services it is my determination that the public interest would not be served by public advertisement for bids.

This is the first contractual agreement between the School Department and Louise Thompson.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Northeastern University, located at 360 Huntington Avenue. This contract shall be in effect during the period from November 1, 1987 to June 30, 1988 and shall occur at a cost not to exceed \$260,795 which I have deemed to be reasonable. On July 21, 1987 the School Committee approved all of the

FY'88 chapter 636 proposals for the sum of \$5,128,956, Northeastern University's portion as is related to that amount is \$260,795.

The contractor will provide the following instructional services:

Section I: District D Elementary and Middle Schools and East Boston High School: Coordinate an ongoing support for four reading programs: Project DARE, Literature is TOPS, Middle School Literature Support and Reading Teach/NET serving targeted students in grades 1-12 in seven elementary, one middle and high schools. Activities include consultant and tutor services, on-going consultation and support, staff training and selection and purchase of materials. Design and coordination of two mathematics programs; Math in the Visual Arts and Math Teach/NET for K-8 students in nine elementary and one middle school. Includes consultant services, staff development and selection and purchase of materials. Design and coordination of Communication Support for LEP students program for approximately 100 students in three elementary schools. Includes consultant services, staff development and selection and purchase of materials. Design and coordination of two programs under at-risk priority: Middle School Student Leadership and SWS Model at East Boston Business Magnet. Design and implementation of Parent Information Center Program involving all District D Schools. Includes hiring and training of fifteen outreach workers, coordinating recruitment and information and dissemination efforts, editing and printing four issues of a district newsletter and organizing workshops and other parent information meetings. Oversee planning and supervising of umbrella arts cultural activities involving five or more neighborhood based organizations at four elementary schools. Project will serve more than 1500 K-5 students.

Section II: District E Schools. Plan and coordinate three projects at the Wheatley Middle School: In-School Prevention Center (serves 60-80 students), After School Peer Tutoring (serves 145 students) and Visual Arts Multicultural Calendar Project. Includes hiring of consultants and center staff, scheduling and selection and purchase of materials. Select and purchase materials for In-House Prevention Center and provide support for publication of a newsletter at the Martin Luther King Middle School. Assist with planning and implementation of orientation program for 100 students and staff development activities for entire staff at Boston High School. Plan and implement a variety of activities related to the merged Madison Park/Humphrey Center High School. Program includes Home Base Alternative School, Campus Connections, Positive School Climate, Safety, Staff Development and Support for Limited English Proficient students. Activities include screening and hiring consultants, guidance intern and two outreach workers; arranging field trips; selection and purchase of materials, and editorial assistance for preparation and printing of newsletter and other publications. Serves approximately 1,600 high school students. Assist in developing overall plan for District E Parent Information Centers. Hire and train four outreach workers, editorial support and printing of District newsletter and other publications.

Section III: Centrally funded projects. 15 percent of District D Umbrella Arts Program costs are provided by central cultural allocation. Central allocation includes funds for salaries of neighborhood artists screened and hired by Northeastern University. Coordinate and oversee CED-Elementary Schools Cultural Program in District E for ten elementary schools involving five or more cultural groups. Includes hiring consultants, consultant services, screening and scheduling of programs,

supervision and evaluation of activities and selection and purchase of materials. Supplemental Core Costs budget provides for additional administrative time allocated to District D, and District E projects cited above. In District D; staff training for reading programs; consultant support to mathematics programs; LEP staff development activities; planning activities for at-risk programs; Parent Training editorial assistance and evaluation activities for Cultural Programs.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Pairing; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement, and the expertise of the contractor in providing such services it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$271,567; 1986 — \$295,134; 1987 — \$266,450.

Very truly yours,
Laval S. Wilson,
Superintendent.

Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to Crotched Mountain Rehab. Center, New Hampshire, for the provision of special educational services to Boston Public School children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated there under, at a cost not to exceed \$500,000, which is deemed to be reasonable by the committee during the period of July 1, 1987 to June 30, 1988.

The amount to be encumbered initially is \$75,000.

This contract is late due to the contractor having returned it late. The services have however been provided consonant with the students individual education plans.

The facility will provide educational services to Boston Public School pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by the Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids. FY-85 expenditure \$16,860.60; FY-86 \$18,782.97; FY-87 \$66,540.17.

Very truly yours,
Laval S. Wilson,
Superintendent.

Escalators Maintenance

Dear Mr. Mayor:

On July 14, 1986, your Honor approved the award of Contract C-4006-87 for maintenance of escalators at various schools, publicly advertised for bids, to Montgomery Elevator Company, Braintree, during the period July 1, 1986 to June 30, 1987, at a cost of \$172,000.40.

There is an option in the original contract to renew this contract for an additional year. I am exercising the option to renew this contract, without further advertising, at a cost of \$189,384.60, which I have determined to be reasonable.

The period of this contract will be from July 1, 1987 to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose, and that exercising the option to extend is more advantageous.

Preparation of this letter has been delayed pending determination of the results of collective bargaining negotiations and the resultant increase in the contract amount. The option to renew permits an increase in the contract amount equal to any increase in the mechanics wage rates.

Respectfully yours,
Paul W. Mooney,
Senior Structural Engineer.

Books, etc.

Dear Mr. Mayor:

On May 2, 1986 the Mayor approved the award of a contract to various vendors for providing books and certain educational materials during the period July 1, 1987 to June 30, 1989.

Your approval is requested to amend this contract to add additional vendors to the original listing approved by the Mayor. They are as follows: Dushkin Publishing Group, Lischen Singare, Sterling Software (Dylakor Div.).

This amendment will not affect the amount of dollars budgeted for fiscal year 1987. Because of the ongoing need to provide Boston Public Schools with books and certain educational materials, and because textbooks and certain other educational materials, are unique to a particular publisher, it is my opinion that advertising for bids would serve no public purpose.

This contract amendment is late due to new orders placed by various schools and departments. Orders were placed at intervals between spring, 1987 and as recent as summer, 1987. The Business Office anticipates that new orders are going to exceed the \$2,000 limit.

All companies on this list are reputable and publish at least some materials that should be included on Boston's approved lists.

Very truly yours,
Leo J. Burke,
Business Manager.

TRANSPORTATION DEPARTMENT

Internal Control Review

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to Deloitte, Haskins and Sells, a partnership, of One Financial Place, Boston, for the performance of an internal control review of the Boston Transportation Department/Office of the Parking Clerk's Parking Violations System.

Under the terms of the contract, the contractor will provide the BTDO/PC with: (i) a comprehensive review of both the manual and internal controls within the current PVS and an assessment of their effectiveness; (ii) an executive summary and a detailed report which will provide detailed recommen-

dations for improvements within the PVS; and (iii) a comprehensive written program which will assist us in monitoring the PVS and the contractor maintaining it.

The PVS has undergone a number of major changes and enhancements since the last review of the system in 1983. This internal control review will provide us with the ability to assess the effectiveness of the prior changes. It will also provide us with a solid base with which to develop future enhancements and programs, thus allowing the BTDO/PC to more efficiently control the city's revenues from parking violations.

The selection process for this contract included both public advertisement and solicitation of proposals from ten known potential bidders through a request for proposals. The proposals received were opened on May 4, 1987, evaluated, and noted by the senior staff members of the BTDO/PC assisted by a senior staff member of the Auditing Department. Two finalists were selected and oral interviews of the selected firms' principals were conducted by the evaluation committee. Both the selection and interview process followed rigorous review standards and criteria with the objective of selecting the best possible firm to conduct our internal control review.

The firm of Deloitte, Haskins and Sells was chosen for the following reasons: Deloitte, Haskins and Sells has extensive experience in reviewing large city parking violations systems including the City of New York's Parking Violations Bureau. The senior manager responsible for the City of New York's Parking Violations Bureau Review has been assigned to review a major portion of the PVS controls. The individuals assigned to this review by Deloitte, Haskins and Sells have extensive experience in reviewing complex computer driven systems, such as the PVS. Deloitte, Haskins, and Sells will at the completion of the engagement provide us with a detailed review and monitoring program, to review the PVS, together with training for our staff in its use.

In summary, the benefits to be derived by the city in engaging Deloitte, Haskins and Sells, as described in the four items above, uniquely qualifies them to perform the services requested. They have submitted a proposal which I have determined to be reasonable for the work to be performed. Compensation under this contract for all phases of the work plan and deliverables shall be at the rates set forth in the proposal (\$98 per hour, a composite rate for partner, manager and senior consultants, plus an estimated amount for reimbursable expenses approved by the city) and shall not exceed \$110,000. This amount shall be charged to appropriation codes 011-251-0253-TRP1-0290 (\$55,000 charge) and 011-251-0253-TRP2-0290 (\$55,000 charge). The term of the contract shall be from July 1, 1987 through June 30, 1988.

Very truly yours,
Richard A. Dimino,
Commissioner/Parking Clerk.

NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. C9CN18, LYNN STATION AND PARKING GARAGE, LYNN, MASSACHUSETTS (Class 7 — Buildings, Project Value 324.75) will be received by the Director of Construction at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on January 7, 1988. Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of the construction of a new commuter rail and bus terminal, 1,000-car parking garage and pedestrian arcade; complete replacement of Washington Street and Pleasant Street Bridges; rehabilitation of Market Street, Railroad Avenue, Central Square and Silsbee Street Bridges; renovation of existing rail and bus station, track construction and site work.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after November 24, 1987, Monday through Friday, at a charge of \$100. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If required, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the DBE stated goal of 16 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal

equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, James L. Eng, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. A prebid conference will be held on December 10, 1987, at 10 a.m. in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

TRANSPORTATION DEPARTMENT

Proposals for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City of Boston.

The City of Boston, acting by its Commissioner of Transportation Department hereinafter referred to as the Commissioner, with offices at Room 721, City Hall, invites proposals for repairs to traffic signal cable in the Boston Edison manhole system and loop detectors at various locations in the City of Boston.

A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 percent of the contract price will be required of the successful contract. Forms of proposals may be obtained at Room 721, City Hall. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Repairs to Traffic Signal Cable in the Boston Edison Manhole System and Loop Detectors at Various Locations in the City of Boston," one copy of which is to be left at Room 721, City Hall, before 12 noon on Friday, December 11, 1987, (Boston Transportation Department), with a certified check or a bid bond in the amount of 5 percent of bid price payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate on, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal should he deem it to be for the best interest of the city so to do.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provision of the specifications and the obligations of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement, (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston resident, 50 percent; Female, 10 percent.

No bid for the award of this project will be considered acceptable unless the contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the supplemental minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least N/A percent of this bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which 51 percent of the beneficial ownership is held by one or more minority persons (Black, Hispanic, Oriental of American Indian).

Included with the contract documents are copies of the "Minority Business Utilization Form," "Minority Business Identification Statement," "Minority Business Utilization Progress Report" and the "Minority Business and the General Contractor's Letter of Intent."

Each contractor must complete, sign and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal. The three lowest responsive bidders are required to submit a Minority Business and General Contractor's Letter of Intent. The Letter of Intent shall be completed and signed by the minority business enterprise and the general contractor within five days after the time set for receiving bids. At the request of the city, one or more of three lowest bidders may also be required to submit a minority business identification statement.

Contractors shall also avail themselves of the list of minority businesses to be provided by the city through the Office of Minority Business Enterprise to facilitate compliance with these requirements.

A prebid conference will be held on Wednesday, December 9, 1987, at 10 a.m., in Boston Transportation Department, City Hall, Room 721.

CITY RECORD

16 1987

RAYMOND L. FLYNN
MAYOR OF BOSTON

OFFICIAL CHRONICLE, MUNICIPAL AFFAIRS

BRUCE C. BOLLING
PRESIDENT, CITY COUNCIL

VOL. 79

MONDAY, DECEMBER 7, 1987

NO. 49

STATE MUST HELP COUNTY CORRECTIONAL FACILITIES

During the past three years, the Flynn Administration has increased the operating budget of the Suffolk County House of Correction by more than \$3 million. Personnel at the institution has been increased by 45 percent, the quality of programs and services provided to the inmate population has been improved, and staff members have been given the training needed to do a professional job.

Recent incidents at the Suffolk County House of Correction at Deer Island, though minor, have underscored the crisis that is erupting in the county correctional system throughout Massachusetts. It is a crisis that has been building up over the past several years, and will continue to build until a consensus is reached on how to fund the operation of the county jails.

The Flynn Administration believes that state assumption of county correctional costs is essential if the crisis is to be successfully dealt with by county correctional administrators across the state. The situation is exacerbated in Boston, since the city assumes full responsibility for funding both of Suffolk County's correctional institutions.

There are five factors contributing to the current crisis in the state's county correctional system:

1. **Overcrowding** — Designed to hold just over 3,000 inmates, the county correctional facilities today hold more than 4,800 inmates.
2. **Old buildings** — The average house of correction in Massachusetts is ninety years old, and several are among the oldest in the nation. At the Deer Island prison, inmates still live in a cell block that was built and operated before Abraham Lincoln ran for President.
3. **Underfunding** — Proposition 2 1/2 severely limited the ability of counties to appropriate funds to meet the growing population and deteriorating physical plants.
4. **Changing type of prisoners** — Ten years ago the majority of inmates at Deer Island were serving sentences for non-support and public drunkenness. Today the inmates have longer criminal histories, more assault records, and more specialized mental health needs.
5. **Increased judicial scrutiny** — Ten years ago, only one county correctional institution had a court litigation filed against it. Today over 70 percent of the state's county correctional institutions have at least one

court case that dictates how the institution must be operated.

All of these factors translate into an overloaded system that burdens not only inmates and prison personnel, but threatens public safety. Staff members working in the state's county correctional institutions have been doing a most professional job under difficult circumstances, and they are to be commended for their efforts.

State assistance at this time is critical for the counties to deal effectively with these problems. If public safety is to be protected and inmate needs are to be met in a constitutional and humane manner, the time for state assistance for county corrections is now.

The County Corrections Assistance Bill currently before the Massachusetts legislature would allow the state to take over funding of county jails. This bill would halt the steady deterioration of the county correctional facilities in Boston and throughout the state, and prevent a catastrophe in the future that would surely result from continued inaction.

BOSTON MFA PRESENTS FREE-FOR-ALL

The Museum of Fine Arts, Boston, presents Free-for-All on Saturday and Sunday, February 20 and 21, 1988, from 10 a.m. to 5 p.m. The galleries will be filled with music and fun in celebration of the museum's outstanding collections of art from all over the world. Admission to the Museum and to all special events is free for the entire weekend.

Live music in the galleries, ranging from brass choirs to banjos, from Bach to ragtime and jazz, will turn a museum visit into an unusual and exciting experience.

The galleries will also be the setting for programs designed for families. Storytellers will draw their inspiration from Greek, Roman, Egyptian, and Afro-American art. Activity booklets for families will lead them from one discovery to another in the works of art from around the world. And children won't want to miss the wonderful movies on Saturday afternoon in Remis Auditorium. (Free-for-All follows the Museum's School Vacation Week programs — four days of workshops, stories, games, and other activities for families and children, February 16 to 19.)

The Museum welcomes first-time visitors, and invites them to take an introductory walk to discover the highlights of the extraordinary collections, which offer a survey of the world's art — from Europe and the Americas to Asia, from ancient civilizations to the art of our time. Special exhibitions on view in February include *Massachusetts Masters: Afro-American Artists and Masters of Seventeenth-Century Dutch Landscape Painting*. There will be several introductory walks each day, including one given in Spanish.

Bring your family and friends to the Museum and join us for a great celebration! For more information, visitors can call 267-9300, ext. 300.

MBTA TRAIN ARRIVAL ANNUNCIATORS

The MBTA Board of Directors has increased an existing contract with Bechtel Civil, Inc. to include design and technical assistance in the installation of a train arrival annunciator systems for selected stations on the Red, Orange, Blue and Green lines.

The train arrival annunciator system consists of signal network which announces the arrival of trains into stations. The system allows passengers to wait for trains near MBTA collectors' booths, and have time to walk to the platforms just prior to the arrival of their trains.

"The Authority has always placed a special emphasis on passenger safety, and this train annunciator system is a very important component," MBTA General Manager James F. O'Leary said.

The stations selected for initial installation of the train annunciators are as follows. Red Line: Alewife, Davis, Porter, Harvard (mezzanine), Charles/MGH, South Station, Broadway, Andrew, JFK/UMass, Savin Hill, Shawmut, North Quincy, Wollaston, Quincy Center and Quincy Adams.

Orange Line: Forest Hills, Green Street, Stony Brook, Jackson Square, Roxbury Crossing, Ruggles, Mass. Ave., Back Bay, N.E. Medical Center, North Station, Community College, Sullivan, Wellington, Malden Center, Oak Grove, State and Haymarket. On the Green Line, at Haymarket; and on the Blue Line at Wood Island, Airport and Aquarium.

A similar device, installed as an experiment at the Red Line's Shawmut station in 1982, has operated without failure, and has been well-received by the riding public and the community.

Construction and installation of the systems is expected to begin in two to three months, and last approximately twelve months. Other transit security systems being designed for the MBTA by Bechtel under the existing contract include an MBTA Police computer-aided dispatch system, emergency telecommunications systems, transmission improvements, revenue collection security and improved collection booth security systems. Total cost for work under this contract, including the police telecommunications security systems, is \$1.6 million.

MUSEUM SCHOOL HOLDS HOLIDAY SALE

Over 600 pieces of original artwork — including paintings, drawings and photographs, sculpture, ceramics and stained glass, jewelry, baskets and puppets — will be offered for sale at the School of the Museum of Fine Arts, Boston, from December 5 to 14. The objects will be on display in the School's Grossman Gallery at 230 The Fenway where hours are 11 a.m. to 8 p.m., Monday through Friday, and from 1 to 5 p.m. on Saturday and Sunday. The selection of artwork will change daily. Proceeds from the sale of works benefit the annual fund for student scholarships.

"The last holiday sale was an enormous success, raising thousands of dollars to assist students with scholarships," says Bruce MacDonald, dean of the Museum School. "We are pleased to present new works this holiday season, and invite the public not only to purchase unique holiday gifts, but also to see art that is being created today."

The works available at the annual holiday sale are produced by 150 artists who are faculty, students and alumni of the Museum School. The Museum School is one of the oldest and most distinguished professional art schools in the country. Among the more recent students of the Museum School are the well-known and respected artists Jim Dine, Will Barnet, Ellsworth Kelly, and

Larry Poons. Those associated with the school during its early years include Edmund Charles Tarbell, Frank W. Benson, and Lilian Wescott Hale. In addition to the many professional artists who have achieved international recognition are alumni who have become museum directors, curators, art historians, illustrators, and conservators.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT Health Benefit and Insurance Division Professional Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and award a contract to Nancy Rose Dow of 11 Seavens Avenue, Apt. No. 6, Jamaica Plain, for professional services to be rendered to the Health Benefit and Insurance Division of the Administrative Services Department.

Under the terms of the contract, Ms. Dow will be the intervention coordinator for the City of Boston Employee Wellness Program, sponsored by the Health Benefit and Insurance Division. She will be responsible for developing and managing this program designed to provide health education and promote an all-around healthier lifestyle for city employees.

Seven applicants responded to a professional help wanted advertisement placed in the *Boston Globe* on August 30, 1987. Ms. Dow was selected for the position after interviews were conducted with all the qualified candidates.

Ms. Dow is the recipient of a Master's Degree in Education from Harvard University. She is currently the director of the Adolescent Psychoeducational Program at the Human Resource Institute in Brookline, which includes wellness as part of its curriculum.

Compensation under this contract shall not exceed \$7,000, which I have determined to be reasonable for the work to be performed. The contractor shall be paid at the rate of \$10 per hour with available funds from appropriation code 011-140-0148-0290 and work a twenty-hour week. The period of this contract shall be from November 16, 1987, through June 30, 1988.

This is Nancy Rose Dow's first contract with the City of Boston.

Because of the professional nature of the work to be performed, I believe that public advertising would serve no useful purpose.

Sincerely,

Irene Carrington,
Director.

LIBRARY DEPARTMENT Books, etc.

Dear Mr. Mayor:

On behalf of the Public Library of the City of Boston, I am respectfully requesting your approval to award a contract without advertising to the Trustees of the Public Library of the City of Boston, a corporation duly organized and existing under the laws of the Commonwealth of Massachusetts (See st. 1878, c. 114), for the purchase of books and certain other library materials for the period November 1, 1987, through June 30, 1988, at a cost not to exceed \$2,159,185.

The Library is now requesting that a contract be established between the City of Boston (Official) and the Trustees of the Public Library of the City of Boston (Contractor), in the amount of \$2,159,185. This amount is available for the Library approved City Budget (011-110-0110-0390-01) for FY-88. The contract will allow the purchase of books and materials from publishers and dealers that can supply

the required titles and quantities. In the past, the Library book purchasing operation involved over 3,000 individual book supply companies, and this supply network is still needed.

This contract has been discussed with the Law Department and the City Auditor, and has been agreed to as an acceptable approach to this unique purchasing situation.

The Trustees of the Boston Public Library will abide by the City of Boston contract procedures to the extent possible and this contract will have no effect on competition among book vendors.

In view of the circumstances outlined above, public advertising would serve no useful purpose.

With the award of this contract, the Trustees of the Boston Public Library will now be able to order books and other library materials from the main supply source and the general public needs and interests will be served more efficiently.

Respectfully,

Arthur Curley,
Director and Librarian.

LICENSING BOARD Legal Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of a contract to Barbara A.H. Smith, Esquire, of 45 Bromfield Street, Boston, for legal services to be rendered to this Board. Ms. Smith has agreed to perform these services for a fee of \$85 per hour. This is less than half of her usual hourly rate and is far below the market rate for such services in Boston. The total cost of this contract will not exceed \$8,000. This contract shall be for the period November 1, 1987, to June 30, 1988.

Ms. Smith's services are needed to prepare and file an *amicus curiae* brief to be submitted to the United States Supreme Court in the case of *Century Club Association v. City of New York*. By directing the Court's attention to the legal issues raised by the rule of the Board concerning private clubs, we can save the city substantial legal costs in the future.

Ms. Smith served in the Attorney General's office for over fourteen years. She was chief of the Criminal Appellate Division and while serving in that position she prepared and argued six cases before the United States Supreme Court. She has appeared in fifty-five cases in the United States First Circuit Court of Appeal.

Thank you for your consideration to this request.

Very truly yours,

Andrea W. Gargiulo,
Chairwoman.

PENAL INSTITUTIONS DEPARTMENT Consultant Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to the National Center for Citizen Participation in the Administration of Justice, a non-profit Massachusetts corporation located at 20 West Street, fourth floor, Boston, MA 02111, for consultant services for the Suffolk County House of Correction, Deer Island.

Under the terms of the contract, the National Center for the Citizen Participation of Justice (NCCPAJ) will assist the Penal Institutions Department in the final development and establishment of a Citizen's Advisory Committee in accordance with the Settlement Agreement in *Watkins, et al. v. Mayor, et al.* and national correctional standards.

The NCCPAJ is uniquely qualified to perform this work because they have previously been contracted by the Penal Institutions Department in as-

sisting with the formulation of a community involvement program during fiscal year 1987 in the amount of \$13,340 and fiscal year 1986 in the amount of \$5,300.

Compensation under this contract shall not exceed \$5,000, which I have determined to be reasonable for the work to be performed. The term of this contract shall be September 1, 1987, to June 30, 1988.

Because of the professional nature of the services and that the NCCPAJ is familiar with this program, I believe that public advertising would serve no useful purpose. This contract is being submitted late because the contractor delayed in submitting the necessary contract documents.

Very truly yours,

Robert G. Walsh, Jr.,
Commissioner.

PUBLIC FACILITIES DEPARTMENT Electric Heaters

Dear Mayor Flynn:

On Jan. 9, 1987, an emergency situation existed at Engine Company No. 42, 1876 Columbus Avenue in Roxbury. The facility's heating system failed due to burst pipes. The service provided by this engine company is of the utmost importance to life and health of the Roxbury community.

The urgency of the situation necessitated an emergency call to Patrick J. Kennedy & Sons, Inc., of 486 Albany Street, Boston MA 02118, to rent and install electric heaters so that the vital service this facility provides to the Roxbury community would not be jeopardized.

The delay in the processing of this contract was due to the vacancy of a contract officer in the Alterations and Repair Unit for several months. The position has been filled but training and backtracking has added to the delay.

Therefore, in accordance with Massachusetts General Laws chapter 149, section 44(A), I request your written permission to dispense with public advertising and award a contract to Patrick J. Kennedy & Sons, Inc. for a total amount not to exceed \$4,244.

Sincerely,

Lisa G. Chapnick,
Director.

Servicing Agent

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on April 23, 1987, I respectfully request your Honor's written permission to dispense with public advertising and award a contract to Boston Bank of Commerce, a Massachusetts corporation, with offices at 110 Tremont Street, Boston, MA 02109, to act as a servicing agent for the BUILD Loan Program to finance commercial, residential and mixed-use real estate projects.

Compensation under this contract shall not exceed \$15,000,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from July 1, 1987 to June 30, 1990. Funds for this contract shall come from those received under the Community Development Block Grant program. This contract has been submitted late due to the time involved in securing funding approval.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals conducted by the Public Facilities Commission on March 1, 1987 in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria include technical capacity of bank, experience with similar loan servicing arrangements and qualifications of staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Engineering Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on June 11, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Sverdrup Corporation, Inc. a Missouri corporation, with offices at 38 Chauncy Street, Boston, MA 02111, providing architectural engineering and site analysis in support of housing development projects.

Compensation under this contract shall not exceed \$20,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from August 1, 1987, to June 30, 1988.

This contract has been submitted late due to the time involved negotiating the scope of services and the time involved in securing appropriation.

The Sverdrup Corporation, Inc. was one of three firms selected based upon an evaluation of the proposals submitted in response to a publicly advertised Request for Proposals conducted by the Public Facilities Department on March 15, 1987 in the *Boston Globe*. The selection committee evaluated seven (7) proposals submitted by the applicants and determined Sverdrup Corporation to be one of the three most qualified and competent firms to complete said work. The numerical matrix rating summary of the three finalists, in order of rank, was as follows:

1) ASEC Corporation, 58.5; 2) Beals & Thomas, Inc., 58.4; and 3) Sverdrup Corporation, 46.

Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria included local firm preference, financial stability, professional level of staff, similar project experience, reasonableness of hourly rates, and quality of work/drawings.

As this is a negotiated contract at reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT

Trucks

Dear Mr. Mayor:

In conjunction with the Charles Lee Disposal, Inc., contracts for Collecting and Removing Refuse (C 7603-88) and (SC 7607-88), as set forth in the Notice to Bidders, in accordance with the specifications of the said refuse contracts, the contractor is obligated to furnish plowing vehicles (50 percent for every vehicle used for Collecting and Refuse Removal) to be used for plowing operations during the snow season.

With regard to the foregoing, I respectfully request permission to dispense with public advertising and to award a contract to Charles Lee Disposal, Inc., a Corporation, located at 1 Ellery

Street, Boston, for furnishing trucks for plowing operations during the snow season in various districts in the City of Boston.

The contractor is specially qualified to do this work because it is relative to the above-mentioned contract for refuse collection and removal.

Compensation under this contract shall not exceed \$6,000, to be paid at an hourly rate of \$86.75 for each 3-axle truck and \$76.60 for each 2-axle truck utilized during plowing operations, and which I have established as being reasonable for the work to be performed. The term of this contract shall be from November 15, 1987, to April 30, 1988.

Because this work is relative to and in conjunction with another existing contract and the equitable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph F. Casazza,
Commissioner of Public Works.

Dear Mr. Mayor:

In conjunction with the William E. O'Brien Co., Inc., contract for Furnishing Mechanical Sweepers to Supplement the Department Forces and Equipment (SC 7649-88) in accordance with the specifications of the said requirements set forth one (1) truck for each mechanical sweeper being employed, to be used in spreading and/or plowing operations during the snow season.

With regard to the foregoing, I respectfully request permission to dispense with public advertising and to award a contract to William E. O'Brien Co., Inc., a corporation, located at 382 Park Street, N. Reading, for furnishing trucks for spreading and/or plowing operations during the snow season in various districts in the City of Boston.

The contractor is specially qualified to do this work because it is relative to the above-mentioned Mechanical Sweeper contract.

Compensation under this contract shall not exceed \$22,500, to be paid at a rate of \$75 per hour for each truck utilized during snow operations, and which I have determined to be reasonable for the work to be performed. The term of this contract shall be from November 15, 1987, to April 30, 1988.

Because this work is relative to and in conjunction with another existing contract and the equitable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph F. Casazza,
Commissioner of Public Works.

SCHOOL DEPARTMENT

Perishable Food, etc.

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to specified vendors for furnishing perishable food items and other edible commodities as required by and under the care and custody of the Department of School Food Services for the period August 15, 1987, through June 30, 1988. Proposals to bid were mailed to twenty-three (23) vendors doing business in the greater Boston area on May 11, 1987. Bids were received by both the Department of School Food Services and the Auditing Department of City Hall on Thursday June 4, 1987. In addition, the bids were publicly opened and read at 11 a.m. in the Department of School Food Services.

Your approval is requested to award a contract to the following low bidders in each category:

Meat, Fish and Poultry and Frozen Convenience Items: Cafeteria Schools Bids: Costa Fruit & Produce Co., 414 Rutherford Ave., Charlestown, not to

exceed \$975,000. Fresh Produce, Snacks and Juices: Dave Snacks, RFD No. 1 Box L4, Brookfield, Mass., not to exceed \$50,000; and Costa Fruit & Produce Co., not to exceed \$360,000.

Frozen Meat Products, Frozen Miscellaneous, Juices and Cookies; Central Kitchen Facility Bids: Dandy Summer & School Services, 80 Liberty St., Quincy, not to exceed \$48,000; Colebrook Farms, Inc., 537 Winthrop St., Rehoboth, Mass., not to exceed \$89,000; Kraft/S. S. Pierce Co., 1 Technology Dr., P. O. Box 6030, Peabody, Mass., \$180,000; Costa Fruit & Produce, not to exceed \$263,000; All-White Potato Company, 225 Southampton St., Boston, not to exceed \$75,000; Boston Banana, 68 N. E. Produce Center, Chelsea, Mass., not to exceed \$20,000; Dave Snacks, not to exceed \$45,000; and Kayem Foods, Inc., P. O. Box 490A, Chelsea, Mass., not to exceed \$90,000.

Kraft/S. S. Pierce Co. was awarded unadvertised contracts in the past three years in the amounts as follows: 1985 — 200,127.29; 1986 — 158,883.92; and 1987 none encumbered.

Inasmuch as these are responsible vendors and their prices are reasonable and reflect the required product specifications, it is my opinion that the public interest would not be served by public advertisement at this time.

The letter of award is being submitted late because repeated requests to contractor for original certificate of authority or letter in lieu of same were unsuccessful thus delaying the process.

Very truly yours,
Leo J. Burke,
Business Manager.

Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Troubadour, Inc., located at 11 Spring Valley Road, West Roxbury. The contract shall be in effect during the period of October 26, 1987, to June 10, 1988, and shall occur at a cost not to exceed \$6,000, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding in the amount of \$5,128,956. Troubadour, Inc.'s portion as is related to that amount is \$6,000.

The contractor will provide the following services: Twenty days of in-class workshops in poetry and songwriting at the Farragut and Kennedy schools in Area A.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "Cultural Institutions"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertising for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53 A and is subject to the receipt of funds under grant from chapter 636.

This is the first contractual agreement between the Boston public schools and the contractor.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

Dear Mr. Mayor:

On behalf of the Boston Public Schools I request your authorization for the award of a contract to Cultural Education Collaborative, located at 59 Temple Place, Boston, MA 02111. The contract shall be in effect during the period of October 19, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$69,268, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 funding in the amount of \$5,128,956. Cultural Education Collaborative's portion as is related to that amount is \$69,268.

Under the terms of this contract, the contractor will provide the Boston School Department with the Boston Education Project, which is designed to provide organizational support to both the Boston public schools and the cultural institutions which are striving to provide quality cultural education programming for the school children of Boston. The Boston Education Project will act as a catalyst to these organizations to help meet the following needs: (1) Attract and maintain a racially balanced population. (2) Promote positive cross-cultural interaction among students, teachers, and professional artists. (3) Provide outreach to parents in an effort to recruit students of under-represented groups.

Under its chapter 636 grant, the Cultural Education Collaborative (CEC) will orchestrate programs which will have a positive effect on issues of desegregation and provide students with substantive cross-cultural experiences. The CEC will accomplish its objective through three strategies (components): Advocacy, Targeted Program Development and Special Projects Coordination. A special project of the Collaborative, National Dance Institute/New England will provide dance training for 200 students from six Area C schools.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of "Cultural Institutions"; the institution has specifically designed services in conjunction with school personnel to meet the intent of U. S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement, and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertising for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53 A and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$44,500, 1986 — \$36,507, 1987 — \$45,620.

Very truly yours,

Laval S. Wilson,
Superintendent of Schools.

TRANSPORTATION DEPARTMENT

Hearing Officer

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Anthony L. SanAndres, 17 Wheeler Street, Somerville, for the purpose of adjudicating the parking violations in the Adjudication Section of the Office of the Parking Clerk.

Under the terms of the contract, Anthony L. SanAndres will perform as a hearing officer as designated by the parking clerk, adjudicating parking violations issued in the City of Boston. He is qualified to do this work because of his successful completion of two (2) years of law school and a B. A. degree from a recognized college or university.

Compensation under this contract shall not exceed \$5,200, payable at a rate of \$8.50 per hour on a Monday through Friday schedule which I have determined to be reasonable for the work to be performed.

The term of this contract shall be October 21, 1987, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe public advertising would serve no useful purpose.

Very truly yours,

Richard A. Dimino,
Commissioner/Parking Clerk.

ADMINISTRATIVE SERVICES DEPARTMENT

Office of Contract Management

City Record

Dear Mayor Flynn:

I respectfully request your permission to dispense with public advertising and award a contract to Coleman Bookbinding Corporation, a corporation located at 363 Albany Street, Boston, for the maintenance and timely distribution of the *City Record*.

Under the terms of this contract, Coleman Bookbinding Corporation will continue to provide all the services necessary for the timely distribution of the *City Record* to over eight hundred subscribers. This ongoing service includes designing address plates for each new subscriber; addressing each individual publication and delivering them to the Post Office; updating and maintaining the *City Record* mailing list and the address plates. Coleman Bookbinding is uniquely qualified to do this work because they currently possess the address plates for all the *City Record* subscribers and are also thoroughly experienced in this type of work.

Compensation under this contract shall not exceed \$4,800, which I have determined to be reasonable for the work to be performed.

The term of this contract shall be July 1, 1987, through June 30, 1988.

In view of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose. This contract is being processed at this time due to administrative delays.

FY 87 — \$4,500; FY 86 — \$4,500; and FY 85 — \$4,500.

Very truly yours,

Martin J. Nee,
Director.

HEALTH AND HOSPITALS DEPARTMENT

Health Center

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to enter into a con-

tract, and thereby make a grant to the following Community Health Center in the amount indicated for the period July 1, 1987 through June 30, 1988.

Grantee Corporation: New England Deaconess Hospital. Neighborhood Health Center: Fenway Community Health Center, 16 Haviland Street, Boston, MA 02115. Amount of Grant: \$105,328.

The purpose of this grant is to enable the aforementioned participants to meet the responsibility placed upon them by the City of Boston Primary Care Districting Plan. The grant is subject to the conditions: First, that the city's contribution be matched by the particular Grantee Corporation by either providing funds or services equal in value to the city's grant; and secondly, that the Department of Health and Hospitals is satisfied that the Health Center and the Grantee Corporation are agreed on the program of primary health care service in which these funds shall be spent and their respective roles relative to the managements of the program.

The Department of Health and Hospitals has had a contract with the Fenway Community Health Center to provide primary care services in Boston for almost 16 years. The health center provides high quality health services in a neighborhood that has almost no private physicians or other acceptable primary care services. Boston's network of neighborhood health centers provide needed services and have had a significant impact on the health of people in Boston's neighborhoods. Fenway Community Health Center has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$105,328; 1986 — \$44,400; 1985 — \$44,400.

Therefore, because of the professional nature of the services to be rendered, because the aforementioned is particularly suited to provide these health care services, and because the cost to the city is reasonable, no useful purpose would be served by publicly advertising for bids.

This award is being processed late due to the fact that the Legal Department at Boston City Hospital did not approve the contract until after July 1, 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Service Maintenance

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Raytheon Company, 2020 N. Janice Avenue, Melrose Park, Illinois 60160-1083, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$11,352.

Under this contract Raytheon Company will provide service maintenance on the 7001 Gamma Camera, S/N CY-106 to include preventive maintenance and all parts, labor and travel during the hours 8:00 a.m. and 5:00 p.m.

Raytheon Company has provided the department with excellent services in the past and has been awarded unadvertised contracts for the past three fiscal years in the following amounts: 1987 — \$11,352; 1986 — \$11,025; 1985 — \$11,020. Services for this highly specialized equipment must be provided by the manufacturer, who can quickly diagnose and repair the equipment without disruption to patient care.

Inasmuch as Raytheon Company is the manufacturer of this equipment with personnel specially trained to provide this service, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

The contract documents were sent to the vendor for signature on May 26, 1987, however they were not returned to the contract office until October 28, 1987. Thus, this award is being processed late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to dispense with public advertising and award a contract to Beckman Instruments, Inc., 45 Belmont Drive, Somerset, New Jersey 08873, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$2,595.

Under this contract Beckman Instruments, Inc., will provide a total service agreement for the following instrumentation:

Beckman Centrifuge TJ-6, S/N 2788, \$565.

Beckman Centrifuge TJ-6, S/N 6922, \$565.

Beckman Centrifuge TJ-6, S/N 13444, \$565.

Beckman Centrifuge J6B, S/N 325, \$900.

In fiscal years 1985 and 1986 Beckman Instruments, Inc., the manufacturer of this equipment, was awarded unadvertised contracts for service of three centrifuges and one Gamma 4000 in the following amounts: 1985 — \$3,862; 1986 — \$4,800. In 1987 a contract was awarded, as a result of public bid, to Diagnostic Equipment Service Corp. for service of three centrifuges in the amount of \$1,200. However, the quality of service provided by this vendor was not adequate to meet the needs of the department.

Therefore, because Beckman Instruments, Inc., is the manufacturer and has the personnel specially trained to maintain and repair the above equipment at a cost I consider to be reasonable, no benefit would inure to the City by publicly advertising for bids.

This award is being processed late due to difficulties in obtaining the actual costs for service of the above instrumentation. The signed contract documents were received from the vendor on November 1987.

Very truly yours,

Lewis W. Pollack,
Commissioner.

JOBS AND COMMUNITY SERVICES

Training Program

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Chinese American Civic Association, a non-profit corporation, located at 90 Dorchester Street, Boston. Under the terms of the contract, the contractor will operate a bilingual office skills training program for approximately four TAG eligible participants to improve their employment potential and economic self-sufficiency. In addition, counseling and referral services will be provided.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services (JCS). Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$13,100, payment being provided by the City of Boston through a Targeted Assistance Grant (TAG) received through the Commonwealth of Massachusetts. The period of performance shall

be from July 1, 1987, until March 31, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Massachusetts Halfway Houses, Inc./Boston Employment Resource Center, a non-profit corporation, located at 80 Broad Street, Boston. Under the terms of the contract, the contractor will provide specialized intake and employment services to approximately 780 JTPA eligible ex-offenders. The program will provide pre-employment training, tutoring, and post placement workshops to the participants. In addition, counseling and job placement services will be provided.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services (JCS). Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$100,441, payment being provided by the Job Training Partnership Act (JTPA). The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Kristen J. McCormack,
Director.

LICENSING BOARD

Public Information Services

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising in the awarding of a contract to Peter Woloschuk of 2032 Dorchester Avenue, Dorchester, for public information services to be rendered to this Board. Mr. Woloschuk has agreed to perform these services for a fee of \$40 per hour. This is less than half of his usual hourly rate and is well below the market rate for such services in Boston. The total cost of this contract will not exceed \$8,000. This contract shall be for the period of November 5, 1987, to June 30, 1988.

Mr. Woloschuk will prepare public information packages to inform and educate the public about the activities of the Board. He has performed this function in the past fiscal year on a very limited basis.

It is important that this task be performed by a person who has a good working relationship with the Board and someone in whose abilities the

Board has the highest confidence. Since Mr. Woloschuk fulfills these qualifications and is willing to perform the service at an acceptable "city rate," there would be no benefit to the Board or to the public in advertising this contract for public bidding.

Very truly yours,

Andrea W. Gargiulo,
Chairwoman.

PUBLIC FACILITIES DEPARTMENT

Production Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on September 17, 1987, I respectfully request your Honor's written permission to dispense with further public advertising and award a contract to Purney Hayes Creative, a firm, with offices at 171 Milk Street, Boston, providing graphic and visual display production services for Public Facilities Department program marketing. Scope of services will include, production of charts, visual display materials for public presentation, and graphic design of other program related materials. Also, they have the ability to produce photographic style presentations.

Compensation under this contract shall not exceed \$10,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from October 15, 1987, to June 30, 1988.

Purney Hayes Creative was the only firm to respond to a publicly advertised request for proposals conducted by the Public Facilities Commission on August 3, 1987, in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff. Other selection criteria included the contractor's professional work ability, the ability to work within the budget limitations, and their high degree of quality of work presented. This request has been delayed, due to the amount of time required of Purney Hayes to return all necessary documents (3 1/2 weeks).

As this is a negotiated contract for professional services and in view of the reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,

Lisa G. Chapnick,
Director.

Graphic Design Services

Dear Mr. Mayor:

Pursuant to a vote of the Public Facilities Commission on September 3, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to Webster Design, a firm with offices at 83 Rockaway Avenue, Marblehead, providing graphic design services for Public Facilities Department production of print and other related materials. Scope of services will include design production, consultation and other illustration services.

Compensation under this contract shall not exceed \$5,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from October 1, 1987, to June 30, 1988.

The contractor was selected based upon an evaluation of the proposals submitted in response to a publicly advertised Request For Proposals conducted by the Public Facilities Department on August 3, 1987, in the *Boston Globe*. The four firms

which submitted Request For Proposals were: Webster Design; Kelgraphic; Merryman, Inc.; and Sanford/Shaugnessy Advertising. Webster Design submitted the lowest design and production cost. Other selection criteria included, Webster Design's high quality of work, their proven track record and their availability and delivery of services.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with advertising sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

The submission of this request was delayed seven weeks, from the date of the Public Facilities Commission vote to the date it was forwarded to the Fiscal Department. This was due to a job vacancy in Contracts Administration and the administrative oversight of the newly hired Contract Administrator.

Sincerely,

Lisa G. Chapnick,
Director.

REAL PROPERTY DEPARTMENT Professional Services

Dear Mr. Mayor:

Pursuant to a unanimous vote of the Real Property Board on October 23, 1987, I respectfully request your Honor's written permission to award a contract to Rojas, Vogt & Lee in association with Vanasse Hangen Brustlin, Inc., 81 Mt. Auburn Street, Cambridge, MA 02138. Request for proposals were publicly advertised in the *City Record*, *Boston Herald* and *Central Register* for an Urban Designer/Landscape Architect. Under the terms of the contract Rojas Vogt & Lee will provide construction plans and specifications and construction oversight relative to reconstruction of the two public parking facilities in East Boston.

Compensation under this contract shall not exceed \$32,000 as outlined in their proposal, which I have determined to be a reasonable cost for the work performed, and will be paid from the Parking Facilities Fund Account No. 031-251-7156-0000. Term of the contract will be December 1, 1987, to June 30, 1988.

Following the advertisement of this project and receipt of proposals, the contractor was selected on the basis of a rating system undertaken by a three member evaluation committee in accordance with M.G.L. c.7, s. 308 et seq. I believe this contractor is qualified to perform the services required; this will be the second contract this department has had with the firm, the first contract amount totalled \$71,500 in FY 87.

In view of the firm's past performance with the department, the technical and professional nature of the services, and the selection process used, it is my judgment that further advertising would serve no useful purpose.

Sincerely,

J. Edward Roche,
Chairman, Real Property Board.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

HEALTH AND HOSPITALS DEPARTMENT Advertising

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to amend the contract with The Haughey Group, Inc. for full service advertising to the Personnel Division of the Department of Health and Hospitals for the period July 1, 1986, through June 30, 1987 at a cost not to exceed \$164,000.

This amendment will increase the contract sum by \$27,000, thereby increasing the city's total liability under this contract, as so amended, to an amount not to exceed \$191,000.

This amendment is necessary due to a high turnover in senior and middle management positions, as well as extensive advertising for hard to fill technical positions, which have resulted in an unexpected increase in advertising costs.

In view of the above, and as the cost, in my opinion, is reasonable, I recommend approval of this amendment.

These expenses were incurred in the last quarter of the fiscal year. The Contract Office gave priority over amendments to 1988 contracts, therefore this letter of award is being submitted late.

Very truly yours,

Lewis W. Pollack,
Commissioner.

PARKS AND RECREATION DEPARTMENT Tree Work

Dear Mr. Mayor:

On June 10, 1987 your Honor approved an award of a contract based on public advertising for bids, to The Frost & Higgins Co., Inc., Two Wheeler Road, Burlington, MA 01803, for "Pruning and Trimming Trees in Jamaica Pond" during the period May 1, 1987, through June 19, 1987, at a cost not to exceed \$64,299.

The above contract is for an "as needed" basis. Because of the limitations of the budget allowed, and because the demand for the contracted services has been much higher than anticipated, the money allotted will have to be increased before completion of the scheduled and necessary services are made. Therefore, your approval is requested to amend this contract in terms of compensation and the time of the contract. Payment for work performed will be at the original contract unit prices.

The cost of this amendment which is effective on June 20, 1987, shall not exceed \$16,074.75 a sum which I have determined to be reasonable. The contract as amended shall not exceed \$80,373.75. The new term of this contract shall be May 1, 1987, through October 1, 1987.

Because time is a critical factor, and because the contractor has performed satisfactorily, it is my judgment that the amendment proposed is in the best interest of the city, and that public advertising would serve no useful purpose.

The reason for delay of contract is due to the processing of the contract.

Very truly yours,

William B. Coughlin,
Commissioner.

PUBLIC FACILITIES DEPARTMENT

Urban Demonstration Program

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 14, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and amend a contract approved by your Honor on February 10, 1987, to National Trust for Historic Preservation for the purpose of providing an urban demonstration program in Roslindale during the period October 1, 1986, to December 31, 1987, at a cost not to exceed \$26,500.

Your approval is requested to amend this contract by deleting Articles III, IV, and VIB of the Community Development Block Grant, General Terms and Conditions. Under the terms of this contract, the following provisions of the Community Development Block Grant, General Terms and Conditions will not apply to the services rendered by the contractor: Article III, Copyright and Patents; Article IV Special Construction Contract Provisions; and, Article VIB, Relocation and Acquisition.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT Interim Capping Landfill

Dear Mr. Mayor:

On August 4, 1987, your Honor approved the award of a contract based on public advertising for bids to O'Donnell Sand and Gravel, Inc., Marior Drive, P. O. Box 243, Kingston MA 02364, for interim capping portions of Gardner Street Landfill in the amount of \$60,000, during the period June 12, 1987, to June 30, 1987.

Subject firm was the only bidder for this work in the amount of \$118,820, but since the city and the court agreed that the work would commence by June 12, 1987, only \$60,000 could be encumbered for fiscal 1987.

In view of the foregoing, your permission is requested to amend this contract. The cost of this amendment, which is effective on July 1, 1987, shall not exceed \$58,820, which I have determined to be reasonable. The contract, as amended shall not exceed \$118,820. The period of this contract shall be extended from June 30, 1987, to September 1, 1987.

Very truly yours,

Joseph F. Casazza,
Commissioner of Public Works.

NOTICE TO CONTRACTORS

**Invitation for Bids for Egress Door Repairs at
Boston City Hall, Project No. 4697, C. 149
Projects.**

The City of Boston, acting by its Public Facilities Commission, through its Director of Public Facilities, sixth floor, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project. Bids shall be on a form supplied by the Public Facilities Department, shall be clearly identified as a bid, and signed by the bidder. All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled: "Egress Door Repairs at Boston City Hall."

SCOPE OF WORK includes repair and/or replacement of doors, frames and finish hardware.

TIME AND PLACE FOR FILING BIDS: ALL GENERAL BIDS shall be filed with the Awarding Authority at the above address before twelve o'clock noon on January 4, 1988, at which time and place respective bids will be opened forthwith and read aloud.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on or about December 7, 1987, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the sum of 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

LISA G. CHAPNICK,
Director.

PARKS AND RECREATION DEPARTMENT

NOTICE TO CONTRACTORS

**Invitation for Removal of Dead or Dying Trees.
Pruning and Trimming of Trees in the Fens,
Riverway, Olmsted Park and Jamaica Pond.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Removal of Dead or Dying Trees. Pruning and Trimming of Trees in the Fens, Riverway, Olmsted Park and Jamaica Pond."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to remove, prune, and trim trees at various locations within the City of Boston and to properly transport and legally dispose. Estimated Cost, \$50,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Wednesday, December 23, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, December 7, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of a bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston,

Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest to do so.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, December 15, 1987, at 10 a.m., Boston time.

INSPECTIONAL SERVICES DEPARTMENT

NOTICE TO CONTRACTORS

Proposal for Boarding and Securing, Project
No. 29-CI-ABU, City Funds.

The City of Boston, acting by its Inspectional Services Commissioner, fifth floor, 1010 Massachusetts Avenue, Roxbury, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids for the boarding and securing of the following buildings:

1 Wise Street, Ward 10

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Thursday December 17, 1987, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Two copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: Project No. 29-CI-ABU.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the boarding and securing of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements.

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for minority business enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its sub-

contractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subcontractors), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.

BOSTON SNOW EMERGENCY REGULATIONS

According to Boston's traffic rules and regulations, a snow emergency can be put into effect "whenever impending weather conditions threaten to constitute a traffic hazard impairing transportation, the movement of food and fuel supplies, medical care, fire, health and police protection and other vital functions of the city." Between November 15, 1987, and March 31, 1988, snow emergency rules are in effect in Boston. There are two basic changes that apply to traffic rules during snow emergencies.

- On all major thoroughfares in the city that are posted as Emergency Arteries, parking is prohibited on both sides of the street.
- On those streets that are not posted as emergency arteries — primarily residential streets — parking will be prohibited on the even side of the street.

The side of street used for parking varies from year to year and is determined by the calendar year in which the winter months begin. Since this winter begins in 1987 and 87 is an odd number, parking is allowed on the odd side of the street.

Snow emergency regulations are designed to ensure access for emergency vehicles and to enable them to remove as much snow as possible to keep the curb lanes free for parking after the emergency regulations are lifted. Vehicles parked in violation of these regulations will receive a \$15 ticket and will be towed.

For up-to-the-minute information on snow emergency regulations throughout the winter, you can call the Public Works Department at 725-4900.

HAROLD WASHINGTON

The following are excerpts of Mayor Raymond L. Flynn's comments on the death of Harold Washington, "The late Mayor Harold Washington's vision of Chicago was that of a city not divided between the Old Guard and the New, or between Blacks and Whites, but of a city united in access to the opportunities of progress. Harold Washington lived as that dream was taking shape, but he leaves behind a legacy of hope

and accomplishment for the City of Chicago, and for the many people around the country who respected him and the goals for which he fought."

CITY FUNDS ROXBURY RECOVERY HOME

The Public Facilities Department (PFD) of the City of Boston has awarded a \$25,000 grant to Casa Esperanza, Inc., a residential treatment home in Roxbury for recovering alcoholics. The funding given through the Physical Improvements Program (PIP) for nonprofit organizations, will be used to plant grass and trees to improve the exterior of Casa Esperanza's Eustis Street home.

"Casa Esperanza will be the first recovery home set up specifically to serve Boston's Hispanic population," said Lisa G. Chapnick, director of PFD. "The Physical Improvements Program will allow Casa Esperanza to make necessary improvements to the outside of their facility in preparation for the opening of their treatment program."

Casa Esperanza will provide residential rehabilitation services to bilingual Hispanic men who need a supervised environment in order to strengthen their new-found sobriety. The center will house twenty-five men in a ninety-to one hundred eighty-day recovery program. Personal, group and employment counseling are used to help individuals return to work, and to an active family and community life.

Casa Esperanza was developed over the last four years with the support of La

Alianza Hispana, a Hispanic multiservice agency, and the University of Massachusetts Division of Continuing Education Alcoholism Service Program.

Casa Esperanza purchased their facility from the Boston Redevelopment Authority (BRA) in 1986 for \$10,000. The building, abandoned during the early 1970s, was completely renovated by Casa Esperanza. The total cost of rehabilitating the building exceeded \$500,000. Funding was obtained from a wide range of sources including the Department of Public Health, the Boston Foundation, the Neighborhood Housing Bank, and the Public Facilities Department.

"The additional PFD money from the Physical Improvements Program will allow us to make the exterior of the building look as good as the interior," said Ricardo Quiroga, executive director of Casa Esperanza. "We expect to be fully operational by the first of the year."

The Physical Improvements Program has given \$3,704,869 to seventy-four nonprofit organizations over the last five years, allowing them to make improvements to their facilities without interrupting their services.

AMERICAN CANCER SOCIETY RAISES \$5,443,537

American Cancer Society volunteers raised a record \$5,433,537 during 1987 to support the Society's Massachusetts programs of research, education, and service to cancer patients and their families for the upcoming year, it was announced recently by Francis L. Coolidge, Esq., chairman of the Massachusetts Division Board of Directors. This total represents an increase of \$242,151 over 1986.

Funds were raised through special events such as Daffodil Days and Jail (Continued on next page)

American Cancer Society . . .

(Continued from front page)

and Bail, the neighborhood Residential Crusade in April, memorial contributions, and special gifts. An additional \$2,287,355 was raised through legacies, bequests, and planned gifts.

The Society's Massachusetts Division Board of Directors, comprised of fifty-four medical and lay volunteers, will determine how the funds are allocated. Priority projects for 1988 include cancer prevention initiatives, information and guidance for cancer patients and their families, public education efforts in breast cancer and mammography, and continued support of innovative cancer research.

A total of \$8.4 million in National American Cancer Society grants supported cancer research in Massachusetts in 1987 — almost twice the amount raised by the society here. The American Cancer Society's Massachusetts Division devotes 84 percent of its budget to program services, with 16 percent going toward management and fund raising.

More information about the society's activities and expenditures is available by requesting a copy of the Massachusetts Division annual report from local offices of the society, or by calling the Massachusetts Division's headquarters in Boston at 1-800-952-7664.

CITY FUNDS REPAIR TO FIELDS CORNER RECOVERY HOME

The Public Facilities Department (PFD) of the City of Boston has awarded a \$27,000 grant to Interim House, Inc., a residential treatment program for recovering alcoholics. The funding, given through the Physical Improvements Program (PIP) for nonprofit organizations, will be used for renovations to Interim's Fields Corner facility.

"Interim House is providing an invaluable service," said Lisa G. Chappnick, director of PFD. "The Physical Improvements Program will allow Interim House to make necessary repairs while continuing to operate their rehabilitation program."

The PIP money will be used to make repairs to the roof and to porches, to install new windows and insulation, for exterior painting and for some minor plumbing repairs. Matching funds of

\$9,000, provided by private contributors, will be added to the city's \$27,000 for a total project cost of \$36,000.

"The staff at Interim House consists of a managing director, a full-time supervisory team in residence, three counselors supervised by a psychologist, and a cook," said Yvonne Linehan, executive director of Interim House. "About half of our staff members are recovering alcoholics themselves."

Interim House provides residents with guidance, supervision and personal and family counseling to help them in their efforts to return to a normal living situation. Applicants must be referred by an alcohol treatment professional. Interim House has an eighteen-bed capacity, and men between the ages of twenty-one and sixty are eligible for admission provided space is available. Residents of Interim House agree, by signing a contract, to participate fully in house activities and to attend at least five Alcoholics Anonymous meetings per week. It is expected that residents will return to work within a reasonable amount of time, and will stay at Interim House for no longer than six months. Interim House can be reached by calling 265-2636.

The Physical Improvements Program has given \$3,704,869 to over seventy-four nonprofit organizations, allowing them to make improvements to their facilities without interrupting their services.

CITY FUNDS DORCHESTER RECOVERY HOME

The Public Facilities Department (PFD) of the City of Boston has awarded a \$45,000 grant to FIRST, Inc., a Roxbury-based social service provider. The funding, given through the Physical Improvements Program (PIP) for nonprofit organizations, will be used for renovations to FIRST's recently purchased building on Algonquin Street in Dorchester. The site will be the future home of Algonquin Academy, a short-term residential treatment program for recovering alcoholics.

"FIRST has been very successful with its many drug rehabilitation and education programs," said Lisa G. Chappnick, director of PFD. "The Public Facilities Department is pleased to assist FIRST as they focus their expertise on treating the disease of alcoholism."

The PIP money will be used to install new windows, insulation and siding, to repair porches and paint the exterior, and to put up fences and do some landscaping.

"We are celebrating our twentieth anniversary this year," said Karen Pressman, deputy director of Clinical Services. "The City of Boston and FIRST, Inc. have worked well together in the past, and this grant insures that we will be able to continue to serve those in the city who desperately need our services."

FIRST, For Individuals Recovering Sound Thinking, was founded in 1967 by seven Deer Island inmates. It was the first, self-help group formed by inmates at a Massachusetts correctional facility. When the seven founding members were released from prison, they continued to operate their program.

Since 1968, FIRST has acquired five residential properties in Dorchester and Roxbury that are used for drug abuse clinics and treatment programs. The many projects of FIRST include outpatient counseling and prison outreach programs, AIDS information for intravenous drug abusers, Project Self Help, a drug awareness program for adolescents, the First Caravan, mobile drug abuse workshops, two residential drug abuse treatment programs, and now Algonquin Academy.

VIII. HIGH COMMENDATION

On September 26, 1987, at approximately 0658 hours, Fire Fighter John F. Hart of Ladder Company 18, while enroute to work, discovered a building fire at 10 Monument Street, Charlestown. The fire involved the second floor and attic area of a two-and-a-half story wood-frame dwelling.

Box 4161 was transmitted. Fire Fighter Hart proceeded to sound his automobile horn, while instructing civilians to notify the Fire Department. He then immediately entered the building and awoke occupants on the first floor. He then made his way to the second floor and, while encountering heat and smoke, continued his search, arousing more sleeping occupants whom he led to the street.

Upon the arrival of Engine 50, members were informed by Fire Fighter Hart as he was leaving the building that it had been evacuated. Fire Fighter John F. Hart, performed this act at great personal risk, without the benefit of protective equipment, and before arrival of apparatus.

Because of his quick actions and without thought for his personal safety, while preventing possible tragedy and reflecting great credit upon himself and the department, the Fire Commissioner is pleased to highly commend Fire Fighter John J. Hart of Ladder Company 18 and his case is referred to the Board of Merit for further consideration.

IX. COMMENDATION

The Fire Commissioner is pleased to commend Fire Fighter Robert X. Dunkle, Ladder Company 18, for responding to and working at Box 718 on November 17, 1987, while off duty, and makes this commendation a part of his personnel record.

LIBRARY DEPARTMENT

Invitation for Proposals for Supplying and Delivering Foul Weather Gear.

The City of Boston, acting by the Board of Trustees in charge of the Library Department of the City of Boston, hereinafter referred to as the Awarding Authority, invites sealed proposals for supplying foul weather gear, as specified, to the Boston Public Library.

Proposals will be received until 12 o'clock noon, Boston time, Wednesday, December 30, 1987, at the office of the Awarding Authority (Office of the Director), 666 Boylston Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, plainly marked with the name of the bidder and the notation "Bid Proposal," followed by a brief description of the item bid upon. One copy shall be filed at the office of the Awarding Authority (mail address: P.O. Box 286, Boston, MA 02117), and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, MA 02201. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of 5 percent of the total bid price shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bid may be withdrawn after the time limit for filing bids and for two days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bids. In addition, no bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

Specifications may be obtained on and after 12 o'clock noon, Boston time, Wednesday, December 16, 1987, at the Business Office, Boston Public Library, Room 305, 666 Boylston Street, Boston, Mass.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, and written in the full amount of the contract, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities, to accept or reject any or all bids, and to award the contract as it deems for the best interest of the city.

TRANSPORTATION DEPARTMENT

Invitation for Proposals for Custodial Services at 200 Frontage Road, Boston.

The City of Boston (the City), acting by its Commissioner of Transportation (the Official), invites sealed proposals for the performance of the work generally described above, and in contract documents. The work generally consists of providing custodial services at the above-described facility which is open to the public twenty-four hours a day. The facility contains approximately 14,000 square feet of area, which will be serviced on a variable schedule. The work must be accomplished between the hours of midnight and 6 a.m., Tuesday through Saturday (exclusive of municipal holidays). The period of this contract will be from the date of awarding until June 30, 1988.

Every proposal shall be submitted in duplicate, and in accordance with, the contract documents which may be obtained at the office of the

Official, Room 721, City Hall, Boston, on or after December 14, 1987.

All proposals shall be filed no later than 1 p.m., Boston time, December 30, 1987, at the office of the City Auditor, Room M4, City Hall, Boston, and at the office of the Official at which time and place they shall be publicly opened and read aloud.

The attention of all bidders is directed to the provisions of the contract document and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the official, or certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be 100 percent of bid price.

The City and the Official reserve the right to reject any or all proposals or any parts thereof and to award the contract as the Official deems to be in the best interest of the City.

Immediately thereafter, in a designated room, the bids will be opened and read publicly.

Work consists of a new, below-grade connector linking the stations West and South passageways with the existing South Station Headhouse, construction of new stainless steel tube and glass East, West, North and South Kiosks, the addition of new escalator no. 9 from outbound platform to new connector link and new elevator no. 3 from new connector level to South Station lobby below. Architectural finishes in existing station will be refurbished, new lighting and acoustic ceilings will be incorporated and signage and advertising will be replaced.

Each prospective bidder proposing to bid on this project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified bidders may obtain from the Contract Administration Office a "Request for Bid Form," which must be properly filled out and submitted for approval.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after December 3, 1987, Monday through Friday, at a charge of \$100. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements dated November, 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional postage and handling charge of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provisions, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 8 percent.

Bidders will affirmatively insure that, in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and

will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the office of the Project Manager, George H. Smith, Jr., 275 Dorchester Avenue, Boston, MA 02127, Telephone No. (617) 722-5593. A prebid conference will be held on December 28, 1987, at 10 a.m. in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

This contract is subject to minimum state wage rates as well as all other applicable labor laws.

Bid guaranty shall consist of a bid deposit of five percent of the value of the bid in the form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

TIME AND PLACE FOR FILING BIDS: ALL GENERAL BIDS shall be filed with the Awarding Authority at the sixth floor, 26 Court Street, Boston, MA 02108, before twelve o'clock noon on January 5, 1988, at which time and place respective bids will be opened forthwith and read aloud.

General bids will be valid only when accompanied by (1) a certificate of eligibility issued by DCPO, showing that the contractor has been approved to bid on projects the size and nature of that advertised; and (2) an updated statement summarizing the contractor's record for the period between the latest DCPO certification and the date the contractor submits its bid.

PLANS AND SPECIFICATIONS will be available on or about December 14, 1987, at the Public Facilities Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Plans and specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned. Bidders are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

A performance bond and labor and materials payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and in the amount 100 percent of the contract price will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

NOTICE TO CONTRACTORS

**Invitation for Removal of Dead or Dying Trees.
Pruning and Trimming of Trees in the Fens,
Riverway, Olmsted Park and Jamaica Pond.**

The City of Boston, acting by the Parks Commission, Room 930, 294 Washington Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Removal of Dead or Dying Trees. Pruning and Trimming of Trees in the Fens, Riverway, Olmsted Park and Jamaica Pond."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment and transportation to provide a crew to remove, prune, and trim trees at various locations within the City of Boston and to properly transport and legally dispose. Estimated Cost, \$50,000.

BIDS shall be submitted in duplicate before 2 p.m., Boston time, on Wednesday, December 23, 1987, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, December 7, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid, and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purposes of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston,

Mass., to facilitate compliance with these requirements.

The attention of bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Preference Section contract provisions of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 930, 294 Washington Street, Boston, MA 02108, on Tuesday, December 15, 1987, at 10 a.m., Boston time.

MAYOR APPOINTS NEW EXECUTIVE DIRECTOR, HUMAN RIGHTS

Mayor Raymond L. Flynn, on December 14, announced the appointment of Jim Williams as executive director of the city's Human Rights Commission.

Mayor Flynn said, "The Human Rights Commission plays a pivotal role in our city's progress by ensuring that all residents are treated equally, with no exceptions."

The Human Rights Commission provides information, referral, and advocacy for Boston residents who feel that they have been discriminated against. The commission investigates and mediates complaints, holds adjudicatory hearings, and renders decisions in those cases. It also does outreach and education in the community.

Williams, of the South End, replaces Frederick Mandel, the commission's first executive director. Williams is currently legislative director of the Boston Commission on Affairs of the Elderly/Area Agency on Aging. He is on the Board of Directors of the Gay and Lesbian Counseling Service, Women Incorporated, and the Epilepsy Association of New England. He is active in a number of Black organizations, as well as organizations which promote the needs of the elderly.

Mayor Flynn said, "Jim Williams brings to the position of executive director compassion, sensitivity, and success in organizing and promoting a wide spectrum of concerns. We look forward to his contributions in this important position."

The seven-member Human Rights Commission was created by a City Council ordinance two years ago. Williams, 31 years old, has a B.A. from Boston University, and a law degree from the University of Michigan.

UNITED WAY FACES CUTS

A shortfall in this year's United Way of Massachusetts Bay fund-raising campaign will mean rollbacks in services, such as affordable child care and family support programs, elderly services, emergency shelters, and teen services, according to United Way officials.

The United Way announced at the annual campaign's finale that it had raised a record \$44,352,599, 2.2 million new dollars, but \$2.2 million less than this year's \$46.5 million goal. The total is 5.1 percent more than the \$42.2 million raised last year but short of the 10.2 percent increase needed to keep pace with community needs.

Officials acknowledge that campaign pledges have been especially slow in coming in this year and hope for some pleasant surprises in the final weeks of the year. But, they are concerned that many employee campaigns and previous donors have not responded yet.

"Because the campaign total to date is less than needed to fund year-round services in 1988, we cannot fund a variety of special grants to meet particularly critical human care needs, vital funding increases to affiliated agencies will be well below necessary operating levels, and new United Way agencies cannot be funded," said Thomas B. McCullough, executive vice-president. "If

more is not raised, projected funding increases to United Way affiliates will average only 5 percent, and that will barely keep pace with even moderate inflation over the next year."

"In short, they'll be fewer people and fewer resources to take care of the needy," said Peg Ryan, the United Way's director of Home Care Services. "The shortfall will take its toll in home health aides for the elderly, child care workers, counselors for troubled teens, food for the hungry, and beds for homeless families."

The rollbacks in projected allocations come at a time when the United Way, metropolitan Boston's largest charitable organization, is more important than ever to meet the growing gap between needs and resources. United Way officials say local needs are growing, the cost of providing services is rising, and federal funding for human services is declining.

"Many people in our area don't realize that we are facing such critical needs despite daily headlines about homelessness, family violence, teen problems, and the growing demand for affordable child care and services for the elderly," said Charles S. Cowdrey, the United Way's vice-president of communications.

To counter the shortfall, the United Way's volunteer campaign team, under the leadership of Chairman Stephen J. Sweeney, is contacting previous years' donors, who have not yet responded. The United Way has also installed a toll-free "800" number (1-800-828-7600) to reach others who haven't been asked to give.

The fund raisers are looking to complete as yet unfinished employee campaigns in companies, universities, hospitals, local governments, schools, and professional firms. In addition, a special effort is being made to reach the thousands of small business firms in the area to gain their support in the communitywide effort. And, a new grant from The Boston Foundation will double certain individual gifts of more than \$1,000. The grant could mean up to 100,000 new dollars.

"The campaign has been extended through the end of December to allow time for individuals, companies, and employee groups to respond to the appeal for help in meeting critical year-round human care needs," Sweeney said.

"We're also asking those who did not give where they work to reconsider a gift and seek out their employers' United Way participation," said Jerry Ruane, the United Way's senior vice-president for fund raising. "But we will not resolicit anyone."

"We deeply appreciate the contributions that have been made — it is the most we have ever raised," he said. "Yet, local needs are greater than ever before, and we want those people who understand what the United Way means year-round to our community to respond and help us keep pace."

United Way officials point to the organization's long track record of cost efficiency, accountability, responsiveness, flexibility, and ease of giving but wonder how to reach beyond large workplaces, the United Way's traditional funding base. Virtually all employee contributions — about two-thirds of the total raised — come from individuals giving through payroll deduction at their place of employment. The system is effective and very cost-efficient — 88 cents of each dollar pledged goes to services — but United Way fund raisers estimate they are still reaching only about half of

the households in the 81 eastern Massachusetts cities and towns that are served. (In 1987, local United Way-funded services helped an estimated 1.7 million people — more than half — in the area.)

"The needs are there, the potential is there, and, now more than ever, the United Way is the best way for people to show they care," Cowdrey said. "Our research tells us that people want to do more as volunteers and give more as donors, and we see the United Way as the most effective and efficient way to do that."

This year marks the United Way movement's national centennial, and, in January, the local organization launched a strategic plan to double its capacity to serve the community through its volunteer force, community problem solving, funding more agencies to meet critical needs, and increasing fund-raising total to provide more services. A fifth goal is to effectively convey their message of the United Way as "the best way to care" to the public.

ABCD'S 14TH ANNUAL TOY DRIVE

Bring some joy into a needy child's life this holiday season. With one out of every four children in Boston under the age of six living under the poverty line, the Action for Boston Community Development (ABCD) 1987 Toy Drives need your ongoing support to put Christmas morning smiles on small faces throughout Boston's low-income neighborhoods.

Your help and the outstanding support of toy drive co-sponsors, Channel 5/WCVB-TV and the 1st American Bank for Savings will make it possible for ABCD's 1987 Toy Drives to put hope in thousands of little hearts. For many years Channel 5/WCVB-TV has "matched" all donated toys, greatly increasing the number of toys delivered to needy children on Christmas morning.

According to Donna Latson Gittens, Vice-President of Community Programming, Channel 5, "the toy drive is a Channel 5 tradition which the staff looks forward to each year. We are delighted to work with ABCD to help meet the needs of Boston's low-income community."

ABCD is Boston's antipoverty agency and the largest human services agency in New England, with funding from a variety of sources totaling over \$30 million annually. The agency is a private, non-profit corporation established in 1962, with the majority of board members elected from Boston's neighborhoods through the decentralized ABCD neighborhood network. ABCD programs include Fuel Assistance, Foster Grandparents, Head Start, Day Care, Center for Jobs, Education and Career Training, the Summer Youth Employment Program, a tuition-free, accredited Urban College administered in conjunction with area colleges and universities, Health Services, Surplus Food, and others.

III. SUSPENSION

Due to violation of the terms of probation instituted as a result of a departmental hearing on charges granted to Fire Fighter Michael A. Grinkley of Ladder Company 15, on July 30, 1987, the three months suspension held in abeyance have been imposed commencing 1800 hours, December 3, 1987, and continuing to 1800 hours, March 3, 1988.

IV. COMMENDATIONS

On October 3, 1987, while off duty, Fire Fighter Kirk Sumner, Ladder Company 7, came to the aid of a woman having a seizure at the Stockyard Restaurant in Brighton. He immediately began CPR until the patient started breathing on her own. Because of Fire Fighter Sumner's swift action and life saving knowledge, reflecting credit to himself and this department, the Fire Commissioner is pleased to commend him and make this commendation a part of his personnel folder.

At approximately 0815 hours on October 17, 1987, Fire Fighters Robert P. McNiff and Robert M. Staunton of Ladder Company 6, while off duty and driving south on Dorchester Avenue, noticed a man running with an object held under his jacket and being pursued by a Carney Hospital security officer.

Fire Fighter Staunton immediately chased and caught the suspect in a yard on St. Gregory Street. He subdued the suspect and held him to the ground until the arrival of Boston police officers who had been summoned by Carney Hospital security.

This act was performed with great effort and great personal risk, as the subject was in his early twenties, with a big and powerful build, and kept one hand under his jacket until subdued by Fire Fighter Staunton. It was not until the suspect had been arrested that it was determined that he was holding a handbag and not a weapon.

The Fire Commissioner is pleased to commend Fire Fighter Robert M. Staunton for his quick action and refers his case to the Board of Merit for further consideration.

The Fire Commissioner is pleased to commend Fire Fighter Inspector John J. Sullivan of the Fire Investigation Unit, Fire Prevention Division, for assisting the State Fire Marshal's Office, while off duty, in the interview and interrogation of an arson suspect in the Town of Dedham on November 24, 1987.

His expertise in interrogation resulted in a full confession and subsequent arrest of the suspect. This commendation shall be made part of his personnel folder.

CONTRACTS AMENDED

The Mayor has approved the amending of contracts, based on the following information:

PUBLIC FACILITIES DEPARTMENT

Urban Design Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on September 17, 1987, I respectfully request your Honor's written permission to dispense

with further public advertisement and amend a contract approved by your Honor on February 20, 1987, to Chan & Kreiger Associates, providing urban design services in support of various Community Development Block Grant funded programs for neighborhood development activities.

The contractor was selected based upon an evaluation of thirty-five proposals submitted in response to a publicly advertised Request For Proposals conducted by the Public Facilities Department on May 10, 1985. Eight proposals were selected among the thirty-five proposals received. The candidates were evaluated by Public Facilities Department staff based on the following criteria: ability and qualifications of firm; ability and qualifications of staff; experience with similar projects; financial stability; technical ability; quality of design services; and, cost of services.

Based on the above criteria, the Designer Selection Committee chose the following eight firms:

- 1) The Halvorson Company, rating, 95.
- 2) Sverdrup & Parcel, rating, 94.
- 3) Carbone Associates, rating, 91.
- 4) Architects & Associated Designers, rating, 70.
- 5) Niles Sutphin Associates, rating, 67.
- 6) Pierce Lamb Associates, rating, 67.
- 7) Miglissi Jackson, rating, 62.
- 8) Chan & Kreiger, Associates, rating, 51.

Your approval is requested to amend the contract to provide for additional architectural consulting services in support of neighborhood development programs undertaken by the Public Facilities Department. The cost of this amendment shall not exceed \$10,000 which I have determined to be reasonable. This contract, as amended, shall not exceed \$20,000. The period of performance, as amended, shall be from October 1, 1986, to January 31, 1988.

The submission of this request has been delayed due to the time involved in negotiations.

Because of the professional nature of the services to be provided, and the qualifications of the contractor, I believe that public advertising would serve no useful purpose in this instance.

Sincerely,

Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT

Legal Services

Dear Mr. Mayor:

On April 9, 1985, your Honor approved the award of a contract, without public advertising for bids, to Rackemann, Sawyer & Brewster, P.C. One Financial Center, Boston, to provide legal services in connection with the development of a solid waste disposal plant, during the period April 1, 1985 to June 30, 1985 at a cost not to exceed \$50,000.

On June 28, 1985, your Honor approved an amendment to this contract, which is effective on July 1, 1985, which extended the period of this contract from June 30, 1985, to September 30, 1985.

On October 31, 1985, your Honor approved a further amendment to this contract, which is effective on October 1, 1985, which extended the period of this contract from September 30, 1985, to December 31, 1985.

On January 24, 1986, your Honor approved a further amendment to this contract, which is effective on January 1, 1986, which extended the period of this contract from December 31, 1985, to March 31, 1986.

On May 1, 1986, your Honor approved a further amendment to this contract, which is effective on April 1, 1986, in the amount of \$7,500, bringing the

amended contract to \$57,500. The period of this contract was extended from March 31, 1986, to April 30, 1986.

On June 24, 1986, your Honor approved a further amendment to this contract, which is effective on May 1, 1986, in the amount of \$20,000, bringing the amended contract to \$77,500. The period of this contract was extended from April 30, 1986, to June 30, 1986.

On October 13, 1986, your Honor approved a further amendment to this contract, which is effective on July 1, 1986, in the amount of \$30,000, bringing the amended contract to \$107,500. The period of this contract was extended from June 30, 1986, to September 30, 1986.

On January 29, 1987, your Honor approved a further amendment to this contract, which is effective on October 1, 1986, in the amount of \$100,000, bringing the amended contract to \$207,500. The period of this contract was extended from September 30, 1986, to March 31, 1987.

On May 5, 1987, your Honor approved a further amendment to this contract, which is effective on April 1, 1987, in the amount of \$50,000, bringing the amended contract to \$257,500. The period of this contract was extended from March 31, 1987, to June 30, 1987.

In order to continue providing ongoing legal services in connection with the waste-to-energy project, your approval is requested to further amend this contract. The cost of the additional amendment, which is effective July 1, 1987, shall not exceed \$135,000, which I have deemed reasonable. The contract, as further amended, shall not exceed \$392,500. The period of this contract shall be extended from June 30, 1987, to March 31, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose. This letter is being submitted late due to the fact that contract price and time of contract were being negotiated.

Very truly yours,

Joseph F. Casazza,
Commissioner of Public Works.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

Printing Section

Software Support

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Profit Control Systems, a corporation located at 73-39 Woodhaven Boulevard, Glendale, NY 11385.

Under the terms of this contract, Profit Control Systems, at the request of a designated representative of this department, will supply support services applicable to the operation of all purchased Profit Control Systems software and to diagnosing equipment and operating system software problems located in the Printing Section.

On April 21, 1982, the Printing Section purchased the Stewart 2300 Management System from Stewart Systems on purchase order 3208-82,

requisition 124 and contract 4242. Stewart Systems merged with Profit Control Systems in November, 1985 and has supplied software support since the installation of the computer system in July of 1982. During the first year following the purchase of the computer system (fiscal year '83), software support was supplied at no cost. In fiscal years '84 and '85 the aggregate dollar amount for this service was \$4,900 per annum, and in fiscal years '86 and '87 it was \$6,100 per annum. Profit Control Systems is specifically qualified to do this work because the computer management system was purchased from them and only they can supply support services to their unique software. The support department at Profit Control Systems has the knowledge and expertise of how the programs and file structures behave. Since the software is copyrighted, it is impossible to obtain the source codes to the software, making it nonfeasible for any other person or group to even attempt to support the system.

Compensation under this contract shall be payable at a rate of \$1,525 per quarter which I have determined to be reasonable. The total amount of this contract shall not exceed \$6,100. The term of this contract shall be from July 1, 1987, to June 30, 1988.

For the reason set forth above and because Profit Control Systems is specially qualified to do this work for a reasonable price, I believe that public advertising would serve no useful purpose.

Respectfully yours,

William J. Hannon,
Superintendent.

PUBLIC FACILITIES DEPARTMENT

Installation of Partitions

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on July 23, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to the Suffolk County District Attorney's Office with offices at the New District Court House, Boston, MA 02108, for reconstruction and installation of partitions in the Courthouse Lobby. This contract is necessary to reimburse the Commonwealth of Massachusetts in accordance with a negotiated agreement with the Suffolk County District Attorney.

Compensation under this contract shall not exceed \$6,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from September 1, 1987, through February 28, 1988.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

The submission of this request has been delayed due to the time required of Suffolk County District Attorney's Office to return all necessary documents (2 months).

Sincerely,

Lisa G. Chapnick,
Director.

Electrical Repairs

Dear Mayor Flynn:

On September 20, 1987, this office responded to an emergency call at the West Roxbury Library involving a bad fire. After detailed inspection of the damage incurred by the fire it was determined that, for the safety of the employees and the public, an

emergency call was made to Congress Electric, Inc. to immediately rectify the electrical damage and restore lighting to the library.

Because of the urgency of the situation and in accordance with Massachusetts General Laws chapter 149, section 44A, I request your Honor's written permission to dispense with public advertising and award a contract to Congress Electric, Inc. of 512 Gallivan Boulevard, Boston, Mass. 02124, in an amount not to exceed \$7,500.

Sincerely,
Lisa G. Chapnick,
Director.

Renovations

Dear Mayor Flynn:

Pursuant to votes of the Public Facilities Commission on June 23, 1987, and November 5, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Fenway Community Health Center, Inc., a non-profit corporation, with offices at 16 Haviland Street, Boston, Massachusetts 02115, to provide renovations to its facility under the Non-Profit Organization/Physical Improvements Program.

Compensation under this contract shall not exceed \$21,000, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from September 1, 1987, to June 30, 1988. This contract has been submitted late since a design survey for HVAC work was not completed by the desired contract start date.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals in the *Boston Globe* on December 1, 1986. A selection committee, consisting of members of the Public Facilities Department's Development Division, evaluated proposals based on the following eligibility and selection criteria: community-based non-profit organization, low-moderate income census area, neighborhood location, readiness to start construction, and feasibility of project. The non-profit organizations which met the eligibility and selection criteria are listed below: Victory House, South Boston Neighborhood House, Inc., Little Folks Day Care, Inc., Paige Academy, NICE Day Care Center, and Fenway Community Health Center, Inc. Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Dear Mayor Flynn:

Pursuant to vote of the Public Facilities Commission on August 27, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to J.C.E. Day Care Center, Inc., a non-profit corporation, with offices at 3297 Washington Street, Jamaica Plain, Massachusetts 02130, to provide renovations to its facility under the Non-Profit Organization/Physical Improvements Program. Compensation under this contract shall not exceed \$37,500, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from November 1,

1987, to December 31, 1988. This contract has been submitted late due to the length of time it took to receive the required Certificate of Insurance from the contractor.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals in the *Boston Globe* on December 1, 1986. Sincerely,
Lisa G. Chapnick,
Director.

PUBLIC WORKS DEPARTMENT

Trucks

Dear Mr. Mayor:

In conjunction with the Waste Management of Massachusetts, Inc., contract(s) for Collecting and Removing Refuse (SC 7600-88), (SC 7604-88) and (SC 7606-88), as set forth in the Notice to Bidders, Page E, Paragraph 13.10, Section 2(f), in accordance with the specifications of the said refuse contract(s), the contractor is obligated to furnish plowing vehicles (50 percent for every vehicle used for Collecting and Refuse Removal) to be used for plowing operations during the snow season.

With regard to the foregoing, I respectfully request permission to dispense with public advertising and to award a contract to Waste Management of Massachusetts, Inc., a Corporation, located at 530 East First Street, South Boston, Massachusetts, for furnishing trucks for plowing operations during the snow season in various districts in the City of Boston.

The contractor is specially qualified to do this work because it is relative to the above mentioned contract for refuse collection and removal.

Compensation under this contract shall not exceed \$9,000 to be paid at an hourly rate of \$86.75 for each 3-axle truck and \$76.60 for each 2-axle truck utilized during plowing operations, and which I have established as being reasonable for the work to be performed. The term of this contract shall be from November 15, 1987, to April 30, 1988.

Because this work is relative to and in conjunction with another existing contract and the equitable cost of these services, I believe that public advertising would serve no useful purpose.

Very truly yours,
Joseph F. Casazza,
Commissioner of Public Works.

SCHOOL DEPARTMENT

Elevator Testing

Dear Mr. Mayor:

On October 1, 1986, your Honor approved the award of contract C-4023-87 for furnishing elevator

inspection, oil and grease and testing in various schools, publicly advertised for bids, to United States Elevator Corporation, 440-B East Squantum Street, North Quincy, during the period July 1, 1986, to June 30, 1987, at a cost of \$28,743.

There is an option in the original contract to renew this contract for an additional year. I am exercising the option to renew this contract, without further advertising, at the same cost \$28,743, which is reasonable.

The period of the contract will be from July 1, 1987, to June 30, 1988.

Because of the professional nature of the services to be performed, I believe that public advertising would serve no useful purpose, and that exercising the option to extend is more advantageous.

Preparation of this letter has been delayed pending determination of the results of collective bargaining negotiations and any resultant increase in the contract amount. The option to renew permits an increase in the amount of the contract equal to any increase in the wage rates of the mechanics, but United States Elevator Corporation has chosen not to request an increase.

Respectfully yours,
Paul W. Mooney,
Senior Structural Engineer.

Chapter 766 Services

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request authorization for the award of a contract as a sole source provider to: Lawrence Educational Collaborative, 10 High Street, Andover, MA 01810, for the provision of special educational services to Boston public school children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$97,960, which is deemed to be reasonable by the Committee during the period of July 1, 1987, to June 30, 1988.

The amount to be encumbered initially is \$24,490.

This contract is late due to a change in the administrative process of the Bureau of Institutional Schools and the late return of the contract by the vendor. The services required have, however, been provided.

The facility will provide educational services to Boston public school pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates of Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

Very truly yours,
Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to: Dr. Franklin Perkins School, 971 Main Street, Lancaster, MA 01523, for the provision of Special Education services to Boston public school children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$219,164 which is deemed to be reasonable

by the Committee during the period of July 1, 1987, to June 30, 1988.

The amount to be encumbered initially is \$27,396.

This contract is late due to the contractor having returned it late. The services have, however, been provided consonant with the students Individual Educational Plans.

The facility will provide educational services to Boston public school pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

FY-85 expenditure \$32,046.19; FY-86 \$248,872.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to: Frederick L. Chamberlain School, 17 Prospect Street, P.O. Box 778, Middleboro, MA 02346, for the provision of special education services to Boston public school children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$197,000 which is deemed to be reasonable by the Committee during the period of July 1, 1987, to June 30, 1988.

The amount to be encumbered initially is \$36,025.

This contract is late due to the contractor having returned it late. The services have however been provided consonant with the students Individual Educational Plans.

The facility will provide educational services to Boston public school pupils in accordance with each child's individual educational plan devised by the School Department staff.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

FY-85 expenditure \$ —0—; FY-86 \$11,294.58; FY-87 \$22,678.98.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to: New England Medical Center/Bay Cove Day Center, 750 Washington Street, Box 395, Boston, MA 02111, for the provision of special education services to Boston public school children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$74,012, which is deemed to be reasonable by the Committee during the period of July 1, 1987, to June 30, 1988.

This amount to be encumbered initially is \$37,006.

The facility will provide educational services to Boston public school pupils in accordance with each child's individual educational plan devised by the School Department staff.

This contract was returned late because provider believed they did not need a contract since program was terminating as of August 31, 1987. Charges for period exceeded \$2,000.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

FY-85 expenditure \$173,355.52; FY-86 \$181,839.40; FY-87 \$170,920.70.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the School Committee of the City of Boston, I request your authorization for the award of a contract as a sole source provider to: Shore Collaborative, Fulton School, 349 Fulton Street, Medford, MA 02155, for the provision of special education services to Boston public school children in accordance with M.G.L. c. 71B (chapter 766), and the regulations promulgated thereunder, at a cost not to exceed \$59,000, which is deemed to be reasonable by the Committee during the period of July 1, 1987, to June 30, 1988.

This amount to be encumbered initially is \$14,755.

The facility will provide educational services to Boston public school pupils in accordance with each child's individual educational plan devised by the School Department staff.

This contract is late due to the contractor having failed to return it in a timely manner. The services were provided consonant with each students educational plan.

Because it has been determined that these children are in immediate need of special education, and due to the professional nature of the services to be performed, the expertise of the facility in this area, and the setting of rates by Massachusetts Rate Setting Commission it is the determination of the School Committee that the public interest would not be served by public advertising for bids.

FY-85 expenditure \$11,347.68; FY-86 \$17,416.32; FY-87 \$12,083.26.

Very truly yours,

Laval S. Wilson,
Superintendent.

Chapter 636 Services

Dear Mr. Mayor:

On behalf of the Boston public schools I request your authorization for the award of a contract to the Massachusetts College of Art Foundation, located at 621 Huntington Avenue, Boston, MA 02115. This contract shall be in effect during the period from November 9, 1987, to June 30, 1988, and shall occur at a cost not to exceed \$33,817, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Massachusetts College of Art Foundation's portion as is related to that amount is \$33,817.

The contractor will provide the following services:

Through the college's Department of Education they will provide professional art liaison services to

Boston public schools for the purposes of: communicating with the schools regarding Massachusetts College of Arts' offerings (exhibitions, evening seminars, Visiting Artists and summer study opportunities); developing support staff for schools to match student teachers with interested BPS staff and assisting the BPS Supervisor of Art in program development. The Magnet Art Program will continue to develop and implement educational activities at English High School which enhance the curricula developed in all visual arts by English High School faculty in collaboration with Mass. College of Art. Student apprentices and non-traditional art materials will enrich classroom experience for all students and encourage artistic excellence.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of University Painting; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts as follows: 1985 — \$47,591; 1986 — \$47,591; 1987 — \$47,593.

Very truly yours,

Laval S. Wilson,
Superintendent.

Dear Mr. Mayor:

On behalf of the Boston public schools, I request your authorization for the award of a contract to the Community Music Center of Boston, Inc., located at 48 Warren Avenue, Boston, MA 02116. The contract shall be in effect during the period from November 23, 1987, to June 15, 1988, and shall occur at a cost not to exceed \$42,464, which I have deemed to be reasonable. On July 21, 1987, the School Committee approved all of the FY'88 chapter 636 proposals for the sum of \$5,128,956. Community Music Center of Boston's portion as is related to that amount is \$42,464.

The contractor will provide the following services:

District A: A 15-week program of services in student enrichment and staff development for bilingual and monolingual classes in music at the third-grade level and dance at the second-grade level. Continuation of developing methods of integrating music and dance in a multicultural approach into the curriculum. Instruction will include eurythmics, recorder, percussion instruments, dance and choreography techniques. Multicultural performances at the end of the program will be presented by participating students as part of the Community Music Center of Boston's Inter-District Festivals. Parents will participate as supporters and audience. Students will also present their work in school at in-house assemblies for fellow students.

District D: A 22-week program of services in students; enrichment and staff development for bilingual and monolingual students at the Quincy School in music. The program will build on past programming to develop means of integrating music in a multicultural approach that is consistent with the schools' stated priorities. Instruction will include eurythmics, percussion instrumental skills, choral work and movement techniques. The program will culminate in multi-cultural performances involving students in the Center's Inter-District Festival. Parents will participate as chaperones and audiences in these events. Students will also present their work in school at in-house assemblies for fellow students.

District E: A 30-week program of services in students enrichment and staff development for bilingual and monolingual classes in music and movement for grades K-5. Same program description as District A.

The contractor is uniquely qualified to provide the above services because: the contractor has organized appropriate resources to enable the Boston School Department to qualify for funding under chapter 636 (1974 Amendments to the 1965 Racial Imbalance Act) in the category of Cultural Institution; the institution has specifically designed services in conjunction with school personnel to meet the intent of U.S. District Court Judge W. Arthur Garrity, Memorandum and Orders Modifying Desegregation Plan (*Morgan v. McDonough*, Civil Action No. 72-911-G); further, the services have been reviewed and approved by appropriate personnel at the Department of Education.

Because of the professional nature of the services to be provided under this agreement and the expertise of the contractor in providing such services, it is my determination that the public interest would not be served by public advertisement for bids.

This agreement is to be executed without an appropriation of funds under provisions of General Laws, chapter 44, s. 53A, and is subject to the receipt of funds under grant from chapter 636.

Compensation to this vendor over the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$95,340; 1986 — \$77,390; 1987 — \$53,742.

Very truly yours,
Laval S. Wilson,
Superintendent.

TREASURY DEPARTMENT
Secretarial Assistance

Dear Mayor Flynn:
I respectfully request your permission to disburse with public advertising and to award a contract to Michelle Allix, 253 East Ninth Street, South Boston, Massachusetts, 02127, for assistance in secretarial duties for the Trust Division of the Treasury Department.

Under the terms of the contract the contractor will be answering phones, typing memoranda and reports, using the word processor and Lotus computer, filing, and other related work as needed.

Ms. Allix is specially qualified to perform these services because of her past secretarial experience, her ability to work productively and efficiently with little supervision, and she has obtained the knowledge to perform those duties.

Compensation under this contract shall not exceed \$6,600, which I have determined to be reasonable for the work to be performed. The contractor will be paid at the rate of \$7.50 per hour.

The term of this contract shall be October 20, 1987, through June 30, 1988.

Because of the professional nature of the work to be performed, I believe that public advertising would serve no useful purpose.

This award letter is submitted late due to the department's need to re-evaluate its current workload and the subsequent need for staffing.

Sincerely,
George A. Russell,
Collector-Treasurer.

Invitation for Bids for New Draperies for the School Committee Auditorium, 26 Court Street, Boston, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F, 39J, and 39K of chapter 30, and section 29 of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "New Draperies for the School Committee Auditorium, 26 Court Street, Boston, Mass."

GENERAL BIDS will be received before twelve o'clock noon on Monday, January 11, 1988, at which time and place they will be publicly opened and read aloud.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, December 23, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the

general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PAUL W. MOONEY,
Senior Structural Engineer.

**Request for Proposals for Transportation
Support Services.**

The City of Boston, acting by and through its Transportation Department, Policy and Planning Division, invites proposals from qualified consultants to provide transportation and traffic support services. Requests for proposals containing the scope of services, selection criteria and other pertinent information will be available in the Office of the Policy and Planning Director, Room 721, City Hall, Boston, MA 02201, on or after Monday, December 21, 1987.

Any inquiries regarding the information contained in this RFP should be directed to Ted Siegel, Transportation Department, City Hall, tel. (617) 725-3070 or 725-3086.

To be considered, four copies of each proposal must be received no later than 5 p.m., Boston time, on Tuesday, December 29, 1987. Proposals are to be submitted to the office of the Transportation Commissioner, Room 721, City Hall, Boston, MA 02201. Late proposals will not be accepted.

The Commissioner reserves the right to reject any or all proposals or any part or parts thereof and to accept the proposal which he deems to be in the best interests of the City of Boston.

By RICHARD A. DIMINO,
Commissioner.

DEPARTMENT OF HEALTH AND HOSPITALS

Invitation for Bids to Provide Medical Transcriptionist for Radiology Reports Using a DEC RAD Computer System at Boston City Hospital.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, third floor, Administration Building, Boston City Hospital, 818 Harrison Avenue, Boston, Mass., at or after twelve noon, Boston time, on Monday, December 21, 1987.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on Tuesday, January 5, 1988, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

Invitation for Bids for Removing and Replacing of Toilet Partitions at Hernandez School, formerly T. Roosevelt School, 61 School Street, Roxbury, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and section 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Removing and Replacement of Toilet Partitions at Hernandez School, formerly T. Roosevelt School, 61 School Street, Roxbury, Mass.," at an estimated cost of \$6,900.

SCOPE OF WORK: In general includes: removal and replacement of toilet partitions and all related work as specified.

PLANS AND SPECIFICATIONS will be available on or about Wednesday, December 23, 1987, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

GENERAL BIDS will be received before twelve o'clock noon on Monday, January 11, 1988, at which time and place they will be publicly opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

PUBLIC WORKS DEPARTMENT

Proposal for Miscellaneous Repairs to Street Lighting Hydraulic Boom and Bucket Trucks.

The City of Boston, acting by its Commissioner, invites sealed proposals for the performance of the work generally described above and in the contract documents.

Every proposal shall be submitted in duplicate on and in accordance with the contract documents which may be obtained at Room 714 (Contract Office), City Hall, Boston, Mass., on and after Monday, December 21, 1987.

All proposals shall be filed no later than 2 p.m., Boston time, Thursday, January 7, 1988, at Room 714, and at the office of the City Auditor, Room M4, City Hall, Boston, at which time and place they shall be publicly opened and read aloud. There will be a charge of five dollars (\$5), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

The Commissioner of Public Works has determined that there is little or no risk of default or unsatisfactory performance by the vendor/contractor, therefore, a performance bond will not be required.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**NEW ENGLAND'S
CONSTRUCTION INDUSTRY
HIGHLIGHTED AT
WORLD TRADE CENTER**

Exhibitors Flock to Sixth Annual Northeast Construction Expo & Conference.

THE BIG SHOW '88 is over 80 percent filled at this point and adding new exhibitors daily. The show will include a broad range of products with representation from all corners of the construction industry.

Over 225 major construction industry vendors have signed up to exhibit at the March BIG SHOW. Exhibits will include a wide variety of products and services from companies including: A&A Sash Services, Advantage Products, Arthur Industries, Bruning Division AM International, Canam Steel, Contel Business Systems, Hotsy Corp., B.L. Makepeace, N.E. Eagle Products, Northeast Gunit & Grouting, Old Fox Lawn Care, New England Glass Block, Rent-A-Tool, Shaughnessy Aerialifts, Stanley Magic Door, Wearguard Work Clothes, Weyerhaeuser, and many others.

Several important feature areas planned for the March show include: COM-STRUCT '88 a special "show-within-a-show" section for computers and communications equipment sponsored by McGraw-Hill's prestigious *Architectural Record* magazine; a special Kitchen and Bath "Products of Tomorrow" Center; and an impressive in-hall display of assembled modular structures.

Another important feature area will be THE BIG SHOW WorkMatch Center™. Through an exclusive arrangement between Slater Expositions and McGraw-Hill's F.W. Dodge Division, the show will feature a unique free job lead service — THE BIG SHOW WorkMatch Center™ — where exhibitors and attendees will be able to electronically access the well-known Dodge Reports database of new work projects.

The highly successful collaboration between Slater Expositions and F. W. Dodge on the WorkMatch Center™ concept began at the 1987 Northeast Construction Expo last March and was quickly followed by a joint effort at Slater's Southern California Construction Expo in Los Angeles in April and the Florida Construction Expo in Miami Beach in October. At all three of these

events the WorkMatch Center™ received excellent reviews for the timeliness and accessibility of the "on line" information.

Again, at the 1988 Northeast Construction Expo, attendees will be able to search the complete Dodge database — FREE OF CHARGE — by report date range, geography, project type, valuation, stage of development, job activity of buyers named in Dodge Reports . . . even search for the mention of a specific material or equipment detail, or pull up the latest information Dodge has on a job.

Every key word in a Dodge Report will be searchable, whether it's just the mention of a trade, material or equipment detail, the naming of an involved firm, the citing of the proposed contracting method, or a note that "sets-aside" the project for involvement of women, minorities or small businesses.

For more information on the Northeast Construction Expo & Conference, write or call: Slater Expositions, 1502 Providence Highway, Norwood, MA 02062-4620. 617/769-7676.

**CONTRACTS AWARDED
WITHOUT ADVERTISING**

The Mayor has approved the awarding of contracts without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT

Budget and Program Evaluation

Training

Dear Mr. Mayor:

I respectfully request your Honor's permission in the award of a contract to American Management System, Inc. of 1777 North Kent Street, Arlington.

VA 22209. Under the terms of the contract, the contractor will assist with the training and operation of their Local Government Financial Systems (LGFS) package within the Office of Budget & Program Evaluation. Specifically, the task plan calls for in-depth Advanced Budget Prep training for OBPE and test site departments, Reporter/Imagine training designed to improve OBPE reporting capabilities, developing user-friendly Budget Prep documentation, establishing procedures for handling system enhancement requests, and providing technical support training.

American Management Systems, Inc. is the sole provider of the Local Government Financial Systems (LGFS) package currently in place in the City of Boston, and is therefore uniquely qualified to provide the aforementioned services.

Compensation under the terms of this contract shall not exceed \$161,000. Services will be performed on a task order basis at a cost of \$70 per hour for professional services. Additionally, specialized professional services may be required at a rate of \$2,500 per visit to provide training in the areas of IMAGINE and PCI Download facilities. Payment for these services will be made from appropriation code 011-140-0141-0290 by the Office of Budget & Program Evaluation. The period of performance will be from November 2, 1987, through June 30, 1988.

Due to the professional nature of the services to be provided, no purpose would be served through public advertising. I, therefore, request permission to dispense with inviting sealed bids in the City Record pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Robert J. Ciolek,
Director.

Financial Forecasting System

Dear Mr. Mayor:

I respectfully request your Honor's permission to award a contract to Data Resources, Inc., of 24 Hartwell Avenue, Lexington, Massachusetts 02173. Under the terms of the contract, the contractor will assist the Office of Budget & Program Evaluation in the development of an integrated, detailed microcomputer based revenue and expenditure modeling system for incorporation into the annual budget cycle.

The Office of Budget & Program Evaluation (OBPE) issued a Request for Proposals (RFP) for assistance in the development of a financial forecasting system on August 28, 1977. The availability of the RFP was advertised in the *City Record* on August 31, 1987. In addition, proposals from over forty firms were solicited directly. Of the seven responding firms, the third lowest bid made by Data Resources Inc. was chosen after an extensive analysis by OBPE administrative staff. Criteria for selection included the quality of the consultant's experience and expertise, the ability to provide programming and data support, the educational and professional credentials of the project staff, and the degree and depth of understanding expressed by Data Resources, Inc. in responding to the scope of services detailed in the RFP.

The lowest bid of \$25,000 to \$30,000 made by H. Brooks was rejected because it is a small firm with limited experience in this area and few resources to draw on. The next lowest bid made by Charles River Associates in the amount of \$37,000 was seriously considered, but the principal individual assigned to the project left the firm to take a new position after the proposal was submitted.

Compensation under the terms of this contract will not exceed \$64,220. Services will be rendered

at the following hourly rates: \$165/Project Manager; \$110/Senior Economist; \$90/Economist; and \$75/Programmer. Additionally, a final project presentation by the executive vice-president may be required at the hourly rate of \$300. Payment for these services will be made from appropriation code 011-140-0141-0290-BP03 and the period of performance will be from November 23, 1987, through June 30, 1988. Based upon an extensive review of proposals submitted for consideration, I respectfully request your Honor's permission to enter into this contract.

Sincerely,
Robert J. Ciolek,
Director

HEALTH AND HOSPITALS DEPARTMENT

Service Contract

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your honor's permission to dispense with public advertising and award a contract to Coulter Electronics, Inc., 98 Mayfield Avenue, P.O. Box 4060, Edison, New Jersey 08818-4060, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$13,200.

Under this contract Coulter Electronics, Inc. will provide full service contract to include parts, labor and travel on a 24-hour basis, 7 days a week for the Coulter Counter S+4, S/N 7167.

In fiscal years 1985 and 1986 Coulter Electronics, Inc., the manufacturer of this equipment, was awarded unadvertised contracts as follows: 1986 — \$12,717; 1986 — \$17,640 (service for S+ and S+4). In 1987 a contract was awarded, as a result of public bid, to Beckman Instruments, Inc. in the amount of \$13,200. However, delays in repairs due to lack of system knowledge and parts were not uncommon, and therefore the department has chosen to return to the manufacturer for service of this sophisticated equipment.

Therefore, because Coulter Electronics, Inc. is the manufacturer and has the personnel specially trained to service this equipment, and as the cost, in my opinion, is reasonable, no benefit would inure to the city by publicly advertising for bids.

This award is being processed late due to difficulties in obtaining the actual cost for service of this equipment. The completed contract documents were not received from the vendor until December 2, 1987.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Dear Sir:

Pursuant to the authority delegated to me by the Board of Health and Hospitals, I respectfully request your Honor's permission to award a contract, without advertising to Equipment Consultant, Inc. (ECI), 49 Newark Street, Haverhill, Massachusetts 01830, for the period July 1, 1987, through June 30, 1988, at a cost not to exceed \$37,300.

Under this contract ECI will provide the following services to the Radiology Department at Boston City Hospital:

1. Perform (2) complete calibrations and safety inspections of the two (2) General Electric R & F Rooms in the Pediatric Department, \$3,600.
2. Perform (2) calibrations and safety inspections of the CGR Mobile Unit and provide maintenance including parts. Mon. - Fri., 8:00 a.m. to 5:00 p.m., \$5,500.

3. Perform two (2) calibrations and safety inspections of General Electric AMX II Mobile Unit and provide maintenance including parts. Mon. - Fri. 8:00 a.m. to 5:00 p.m., \$3,200.
4. Repairs as needed for Item 1 and services provided outside normal working hours weekends and holidays for Items 2 & 3 will be billed at \$105/hr., \$10,000.
5. Furnish X-ray tubes and batteries as required, \$15,000.

An unadvertised contract was awarded in 1985 to the manufacturer, General Electric Company for \$28,078. In 1986 because of response time from the General Electric Company, an unadvertised contract was awarded to Northeast X-ray, Inc. for \$28,640. In 1987 the hospital was awarded the contract to Northeast X-ray, Inc. but this company was purchased by TRW and the contract was awarded to TRW for \$39,840.

This service was publicly bid on May 4, 1987, and TRW was the only bidder. Because the response time from TRW was poor in the prior year, the Department has rejected this bid. ECI was contacted. Company representatives viewed the equipment and assured the hospital that their technicians were capable of repairing the equipment and would do so in a timely manner.

In view of the above and because the cost, in my opinion is reasonable no benefit would inure to the city by readvertising for bids.

The documents were not received by the Contract Office until after July 1, 1987, therefore this award is being processed late.

Very truly yours,
Lewis W. Pollack,
Commissioner.

Supplies and Equipment

Dear Sir:

A letter of award dated July 1, 1987, requesting permission to award a contract, for furnishing coagulation supplies and equipment to the Department of Health and Hospitals, to American Scientific Products, 20 Wiggins Avenue, Bedford, Massachusetts 01730, for the period July 1, 1987, through June 30, 1989, at a cost not to exceed \$108,000. Approval was granted September 8, 1987.

One of the items in this contract is the Fibrinogen Determination Kit, Cat. B4233-15, containing sufficient reagents for 50 tests.

The laboratory has notified this office that buying the product in this format is presenting problems resulting in waste of reagents, and making it financially unfeasible for them to continue purchasing the product in kit packaging.

The laboratory requests permission to purchase the individual components necessary to prepare their own kits, eliminating waste problems and better serving the needs of the areas.

The necessary items would consist of the following:

- Cat. B4233-20 Fibrinogen Calibration Reference, 10 x 1 ML at \$56.20 pkg.
- Cat. B4233-22 Abnormal Fibrinogen Control, 10 x 1 ML at \$30 pkg.
- Cat. B4233-27 Thrombin Reagent, 10 x 5 ML at \$160 pkg.
- Cat. B4234-25 Owen's Veronal Buffer, 10 x 15 ML at \$19 pkg.

American Scientific Products is agreeable to this change and will hold prices firm on these items through the end of the contract period which is June 30, 1989.

In as much as all terms and conditions of the contract will remain the same, permission is requested

to attach an addendum to the contract to allow the department to purchase the necessary items. There will be no change to the original contract amount.

Very truly yours,
Lewis W. Pollack,
Commissioner.

JOBS AND COMMUNITY SERVICES

Fiscal Agent

Dear Mayor Flynn:

I respectfully request your Honor's permission to award a contract to the Chinese American Civic Association, a non-profit corporation, located at 90 Tyler Street, Boston, Massachusetts 02111, to act as the fiscal agent by providing financial management services to the Chinese Occupational Training Center, (COTC), located at 31 Beach Street, Boston, Massachusetts 02111, to operate a training program for JTPA participants. Under the terms of the contract, COTC will operate an Electronics Assembly Skills Training Program for approximately forty JTPA and DPW eligible participants. In addition, counseling and job placement services will be provided.

The contractor was selected based upon an evaluation of its refunding proposal submitted to the Mayor's Office of Jobs and Community Services (JCS). Other selection criteria include the results of site monitoring visits conducted by JCS staff, an overall review of the contractor's performance during the prior contract period, administrative capability, reasonableness of cost, and the ability to serve the targeted population.

Compensation under the terms of this contract shall not exceed \$94,755, payment being provided by the Job Training Partnership Act and the Department of Public Welfare. The period of performance shall be from July 1, 1987, until June 30, 1988. This request has been delayed due to the time involved in reaching funding decisions.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids by advertising in the *City Record* pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Kristen J. McCormack,
Director.

LAW DEPARTMENT

Professional Services

Dear Mr. Mayor:

I respectfully request your permission to dispense with public advertising and to award a contract to Cathryn MacInnes, an individual located at Malden, for professional services to be performed on behalf of the Immigrant Rights Project.

Under the terms of the contract, Ms. MacInnes will perform the services as a senior legal assistant for the Law Department in charge of coordinating legal advice for immigrants and aliens who contact the Immigration Rights Project. She will also coordinate with AILA volunteer immigration counsel for aliens in need thereof. Ms. MacInnes is uniquely qualified to do this work because she has eight years experience in all aspects of immigration law and is presently attending Suffolk University Law School, evening division.

Compensation under this contract shall not exceed \$15,000. Payment shall be made at the rate of

\$13.50 per hour. I have determined that this rate to be reasonable.

The term of this contract shall be from December 2, 1987, through June 30, 1988.

Because of the professional nature of the services to be performed and Ms. MacInnes' special qualifications, I believe public advertising would serve no useful purpose.

Very truly yours,
Joseph I. Mulligan,
Corporation Counsel.

MANAGEMENT INFORMATION SYSTEM

IBM Machines

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with public advertising and award a contract to International Business Machines Corporation (IBM), Armonk, New York, with local offices at One Copley Place, Boston, for the lease or rental of various IBM data processing machines. This contract is for the period of July 1, 1987, through June 30, 1992, at a cost not to exceed \$8,000,000 and shall be charged to appropriation code 011-140-0149-MI02-0490. This contract is expressly subject to the availability of an appropriation in subsequent fiscal years.

Under these terms and conditions, IBM will 1) lease or rent machines to the city, 2) provide maintenance service for these machines and 3) as available, furnish programming and programming services for the use and operation of these machines.

This contract constitutes the renewal of the previous contract with IBM, No. 2712 which covered the period from July 1, 1982, through June 30, 1987. Due to the current installation of much of this equipment, and the professional and technical evaluation that occurs during additional computer acquisitions, I believe that public advertising would serve no useful purpose.

This request is submitted late because IBM submitted the attached lease and rental agreement late.

Sincerely,
Allan K. Stern,
Director.

Maintenance Services

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with public advertising and award a contract to International Business Machines Corporation (IBM), Armonk, New York, with local offices at One Copley Place, Boston, for the maintenance of previously installed IBM computer equipment, in various city departments, which the city has purchased. This contract is for the period of July 1, 1987, through June 30, 1988, at a cost not to exceed \$425,000 and shall be charged to appropriation code 011-140-0149-MI02-0270.

Under these terms and conditions, IBM will provide maintenance services for the machines covered under this agreement.

This contract constitutes the renewal of the previous contract with IBM, No. 2589-87, which covered the period from July 1, 1986, through June 30, 1987. Due to the current installation of this equipment, and the professional and technical nature of these services, and the fact that IBM can best maintain its own equipment, I believe that public advertising would serve no useful purpose. MIS has determined that the maintenance of IBM terminals could beneficially be opened up to public advertising

and has done so. This contract will be awarded shortly.

This contract was submitted late because the IBM submitted the attached maintenance agreement late.

Sincerely,
Allan K. Stern,
Director.

Licensed Program Materials

Dear Mr. Mayor:

Your permission is respectfully requested to dispense with public advertising and award a contract to International Business Machines Corporation (IBM), Armonk, New York, with local offices at One Copley Place, Boston, for a license to use the Program Products and specially developed IBM programs. This contract is for the period of July 1, 1987, through June 30, 1988, at a cost not to exceed \$298,900 and shall be charged to appropriation code 011-140-0149-MI02-0490.

Under these terms and conditions, IBM will provide IBM licensed program materials offered under this agreement.

This contract constitutes the renewal of the previous contract with IBM, No. 2588-87, which covered the period from July 1, 1986, through June 30, 1987. Due to the current installation of these products and their proprietary nature, I believe that public advertising would serve no useful purpose.

This contract was submitted late due to the development of the attached contract forms by the vendor.

Sincerely,
Allan K. Stern,
Director.

PENAL INSTITUTIONS DEPARTMENT

ESL Teacher

Dear Mr. Mayor:

In response to an advertisement in the *Boston Sunday Globe* on October 11, 1987, for an English as a Second Language Teacher at the Suffolk County House of Correction, Deer Island, a resume was submitted by Lillian Ladoulis, an individual located at Brookline.

Mrs. Ladoulis' experience includes being an ESL Teacher for the City of Boston at the English Language Center, Boston, and also taught to disadvantaged high school dropouts at Hyde Park High School, Boston.

Under the terms of this contract, Mrs. Ladoulis will instruct inmates that are confined to the Suffolk County House of Correction fifteen hours per week at a rate of \$15 per hour, which I have determined to be reasonable for the work to be performed.

Therefore, your permission is requested to award this contract to Lillian Ladoulis, Brookline, for the period of November 3, 1987, to June 30, 1988, at a total cost not to exceed \$7,800. This contract is being submitted late because of administrative delays.

Very truly yours,
Robert G. Walsh,
Commissioner.

PUBLIC FACILITIES DEPARTMENT

Renovations

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on August 27, 1987, I respectfully request your Honor's written permission to dispense with

further public advertisement and award a contract to South Boston Neighborhood House, Inc., a non-profit corporation, with offices at 521 East Seventh Street, South Boston, to provide renovations to its facilities under the Non-Profit Organization/Physical Improvements Program.

Compensation under this contract shall not exceed \$32,500, which I have determined to be a reasonable cost for the services to be performed. The term of this contract shall be from October 1, 1987, to December 31, 1988. This contract has been submitted late due to the length of time it took to receive the required Certificate of Insurance from the contractor.

The contractor was selected based upon an evaluation of the proposal submitted in response to a publicly advertised Request for Proposals in the *Boston Globe* on December 1, 1986. A selection committee, consisting of members of the Public Facilities Department's Development Division, evaluated proposals based on the following eligibility and selection criteria: community based non-profit organization, low-moderate income census area, neighborhood location, readiness to start construction, and feasibility of project. The non-profit organizations which met the eligibility and selection criteria are listed below:

- 1) Victory House
- 2) South Boston Neighborhood House, Inc.
- 3) Little Folks Day Care, Inc.
- 4) Paige Academy
- 5) NICE Day Care Center
- 6) Fenway Community Health Center, Inc.

Costs were determined to be reasonable after extensive analysis by Public Facilities Department staff.

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

Professional Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on September 17, 1987, I respectfully request your Honor's written permission to dispense with public advertisement and award a contract to H.M.F.H. Architects, Inc., a Massachusetts corporation, with offices at 543 Green Street, Cambridge, providing construction supervision services for the renovation of the L Street Bathhouse. The scope of work will include construction supervision. Supplementary services will include, Clerk of Works, testing and inspection, and reproductive services.

H.M.F.H. Architects, Inc. did the original design work for this project. Based on their familiarity with this project, I believe it is in the city's best interest to provide a continuation of services contract for construction supervision. This entire contract will be funded from money which was not expended in the original contract.

Compensation under this contract shall not exceed \$192,060.20 (including \$93,657.75 for supplementary services) which is a fixed fee of 1.96 percent based on an estimated cost of construction \$5,000,000, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be for 156 weeks from the date of execution.

I believe that H.M.F.H. Architects, Inc. is qualified to perform the services required.

In view of the technical and professional nature of the services, and the selection process used, it is my judgment that further public advertising would serve no useful purpose in this instance.

Sincerely,
Lisa G. Chapnick,
Director.

Security Services

Dear Mayor Flynn:

Pursuant to a vote of the Public Facilities Commission on May 28, 1987, I respectfully request your Honor's written permission to dispense with further public advertisement and award a contract to Excelon Security Services, Incorporated, a Massachusetts corporation, with offices at 870 Massachusetts Avenue, Boston, providing security services for the Public Facilities Department office building located at 15 Beacon Street, Boston.

Compensation under this contract shall not exceed \$20,097, which I have determined to be a reasonable cost for the work to be performed. The term of this contract shall be from July 1, 1987, to June 30, 1988.

Excelon Security Services, Inc. was the sole respondent to a publicly advertised Request for Proposals conducted by the Public Facilities Commission on March 29, 1987 in the *Boston Globe*. Costs were determined to be reasonable after extensive analysis by PFD staff. Other selection criteria include past performance and experience of Excelon Security Services, Incorporated to provide services. This request has been delayed due to the amount of time Excelon Security Services, Inc. required to return all necessary documents (18 weeks).

As this is a negotiated contract at a reasonable cost, based upon an extensive program and proposal review, I believe that further public advertising would serve no useful purpose. I, therefore, request permission to dispense with inviting sealed bids in the *City Record*, pursuant to authority granted under the City of Boston Code, St. 4, s. 5.

Sincerely,
Lisa G. Chapnick,
Director.

**SCHOOL DEPARTMENT
Maintenance Service**

Dear Mr. Mayor:

Your authorization is requested for the award of a contract, without public advertisement, to Kurzweil Computer Products, 185 Albany Street, Cambridge, for providing maintenance service for a Kurzweil Reading Machine (Model 1-111 KRM) located at Boston Latin School. The cost of this service for the period December 1, 1987, to June 30, 1988, will not exceed \$2,520, a price I have determined to be reasonable.

This machine has been on loan at no cost to the city from the Office of Special Education and would cost the School Department more than \$20,000 to purchase a new machine. For this reason, the special education designee recommends that we continue the maintenance contract with the above-named company.

Since this equipment was furnished by the above-named company and they are the only company who can supply this service effectively with specially trained technicians and have an inventory of parts on hand for these machines, I feel that the public interest would not be served by public advertisement for bids.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1984 — \$2,520; 1985 — \$2,520;

1986 — \$2,520; 1987 — \$2,520.

Very truly yours,
Leo J. Burke,
Business Manager.

Postage Meters

Dear Mr. Mayor:

I respectfully request your Honor's permission to dispense with public advertising and to award a contract to Pitney Bowes, located at 1605 Trapelo Road, Waltham, MA 02154, for providing the rental of postage meters for the period July 1, 1987, to June 30, 1988.

Under the terms of the contract, the contractor will provide the continued lease of mail machines, rental of postage meters, maintenance of existing equipment already installed and related supplies at various locations throughout the Boston public school system.

The contractor is specially qualified to supply this service and meets the School Department's specifications. Pitney Bowes has a readily available inventory of all parts. By law, any postage meter must be owned and kept in perfect order by the manufacturer. Pitney Bowes can only rent the meter to Boston public schools. The mailing machine is compatible with the postage meter and has been leased to the School Department.

Compensation under this contract shall not exceed \$6,000, which I have determined to be reasonable for the work to be performed.

Because of the satisfactory performance of the contractor during the previous contract period and the reasonable cost of the services, I believe that public advertising would serve no useful purpose.

Compensation to this vendor during the past three fiscal years in the form of unadvertised contracts is as follows: 1985 — \$5,000; 1986 — \$5,000. Contract documents forwarded April, 1987, were not returned in an acceptable form until October, 1987.

Very truly yours,
Leo J. Burke,
Business Manager.

Royalty Fees

Dear Mayor Flynn:

On behalf of the School Department of the City of Boston, I request your authorization for the award of a contract without public advertisement to The Psychological Corporation, 555 Academic Court, San Antonio, Texas, for the period November 2, 1987, to June 30, 1990, at a cost not to exceed \$135,000.

The contract will provide funding for payment of agreed royalty fees and will provide permission to copy educational test data solely copyrighted by The Psychological Corporation. The services have been satisfactory and the price is deemed reasonable.

The test documents have been selected by the testing department for the purpose of providing the schools with standardized pre-printed forms. The forms are utilized either as booklets or single answer sheets. The booklets are for reading and math and are self contained; that is, the questions are contained within the booklet and the answers appear after each question. Because the test documents to be provided are proprietary in nature and the price is reasonable, I believe that public advertising would serve no useful purpose.

Compensation to this vendor during the past fiscal years has been the following: 1985 — \$40,000; 1986 — \$45,000; 1987 — \$70,000.

Very truly yours,
Leo J. Burke,
Business Manager.

Parts for Electric Fork Lift for Boston Public
Schools.**

The School Committee of the City of Boston invites bids for maintenance, service and repair parts for electric fork lift for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 26 Court Street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Maintenance, Service and Repair Parts for Electric Fork Lift. Bid date: Thursday, January 14, 1988." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check payable to the City of Boston, in the amount of one hundred dollars (\$100), or a bid bond, must be left at the office of the Business Manager, at or before twelve o'clock noon, on Thursday, January 14, 1988. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid which it deems best for the interests of the city.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and contract and the obligation of the contractor to take affirmative action in connection with employment practices throughout the period of the contract.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and provisions of the contract documents entitled "Interior Painting of the Gymnasium at the Robert Gould Shaw School, 20 Mt. Vernon Street, West Roxbury, Mass."

SCOPE OF WORK: In general includes: preparation and painting of the gymnasium according to specifications.

PLANS AND SPECIFICATIONS will be available on or about January 7, 1988, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

GENERAL BIDS will be received before twelve o'clock noon on Thursday, January 21, 1988, at which time and place they will be publicly opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

The City of Boston, acting by its Board of Health and Hospitals and its Commissioner, hereinafter referred to as the Awarding Authority, invites proposals for furnishing the above service in accordance with specifications accompanying the proposal forms which may be obtained at the Office of Contract Management, Boston City Hospital, third floor, Administration Building, 818 Harrison Avenue, Boston, Mass., on or after twelve noon, Boston time, on December 28, 1987.

Bidders are required to leave at the above office their bid proposal together with a certified check in the amount of \$500, as a bid deposit, payable to and to become the property of the City of Boston if the proposal, after acceptance, is not carried out. A fully executed duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. The proposal must be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked identifying the particular service or equipment to which it relates.

Bids will be publicly opened and read on January 28, 1988, at twelve noon, Boston time, at the Office of Contract Management, at the address shown above.

No bid proposal may be withdrawn after the time limit for filing bid proposals and for thirty (30) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the bid proposals. In addition, no bid proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to the execution and delivery of the contract, unless no award has been made upon the expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.) chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The Awarding Authority reserves the right to waive any informalities and to accept or reject any or all bids, or any part of a bid, and to award the contract as it deems to be in the public interest so to do.

Invitation for Bids for Fabricating and Installing New Partitions and Performing Related Work at Madison Park Campus High School, 55 New Dudley Street, Roxbury, Mass.

The School Committee of the City of Boston, acting by its Department of Planning and Engineering, 26 Court Street, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the above-entitled project, subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44I, inclusive, of chapter 149 of the General Laws, as amended, and in accordance with the terms and

provisions of the contract documents entitled "Fabricating and Installing New Partitions and Performing Related Work at Madison Park Campus High School, 55 New Dudley Street, Roxbury, Mass." An estimated cost of \$20,000.

SCOPE OF WORK: In general includes: carpentry work to construct standard new drywall partitions.

PLANS AND SPECIFICATIONS will be available on or about January 7, 1988, at the Department of Planning and Engineering to all interested parties for a deposit of \$10. Plans and specifications must be returned in good condition within thirty days after bid opening in order to have the \$10 returned. Bidders are hereby notified that bid deposits must be 5 percent of the bid and shall be in the form of a bid bond, certified check, treasurer's check or cashier's check, payable to the City of Boston.

GENERAL BIDS will be received before twelve o'clock noon on Thursday, January 21, 1988, at which time and place they will be publicly opened and read aloud.

The attention of all bidders is specifically directed to the equal employment opportunity section of the specifications and the obligations of the contractor and all subcontractors to take affirmative action in connection with employment practices throughout the work. Pursuant to minority participation, the general contractor must complete the Minority Business Form in the specifications, giving assurance that at least 10 percent of his bid price shall be expended for minority business enterprise. The form must be signed by the Minority Business Enterprise. No bid for the award of this project will be considered acceptable unless the Minority Business Form signed by both parties accompanies the bid.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

AMENDED NOTICE TO BIDDERS

Sealed bids for MBTA Contract No. E1CN37, ALEWIFE STATION/GARAGE ACCESS IMPROVEMENTS, Cambridge, Mass., will be received by the Director of Construction, at the Contract Administration Office, fifth floor, Transportation Building, 10 Park Plaza, Boston, MA 02116-3933, until two o'clock (2 p.m.) on January 19,

1988. Immediately thereafter, in a designated room, the bids will be opened and read aloud publicly.

Work consists of Access Improvements at Alewife Station/Garage, including landscaping, paving, miscellaneous utility connections, signage, doors, glazing and architectural finish work with additional work at Malden MBTA Station, Malden, Mass., including landscaping, sidewalks, roadways, exterior lighting, traffic signal relocation and miscellaneous utility connections. (Work at Malden will be included in Addendum No. 2.)

This contract is subject to a financial assistance contract between the MBTA and the Executive Office of Transportation and Construction.

Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 a.m. to 4 p.m., after November 9, 1987, Monday through Friday, at a charge of \$50 per set. The Authority's Standard Specifications, Bidding and Contract Requirements and Division 1 — General Requirements, dated November 1983, is available at a charge of \$5 per copy. The Authority's Standard Specifications, Construction, dated January, 1980, is available at a charge of \$15 per copy. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15, payable by separate check. If requested, documents will be forwarded by air freight, where such service is available, at the expense of the plan holder. None of these charges are refundable.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the specifications. In addition, pursuant to the requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) and Women-owned Business Enterprise (WBE) participation provision, bidders must submit an assurance with their bids that they will make sufficient reasonable efforts to meet the stated goals of DBE 16 percent.

Bidders will affirmatively insure that in regard to any contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, or national origin in consideration for an award.

Bidders will be required to comply with federal equal employment opportunity regulations and the President's Executive Order No. 11246 and any amendments or supplements thereof.

This contract is subject to federal wage and hour laws and state minimum wage rates as well as all other applicable labor laws.

Authorization for the bidders to view the site of the work on the MBTA's property shall be obtained from the offices of the Project Manager, Howard Haywood, 21 Arlington Avenue, Charlestown, MA 02129, Telephone No. (617) 722-5806. A prebid conference will be held on January 12, 1988, at 10 a.m. in the above office. Any request for interpretation of plans and specifications should be submitted in writing at the same time.

Bidders will be required to certify as part of their bids that they are able to furnish labor that can work in harmony with all other elements of labor employed or to be employed on the work.

All bidders are advised that the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424), as amended, apply to any contract, procurement or agreements which result from this solicitation.

Bid guaranty shall consist of a bid deposit in the amount of 5 percent of the value of the bid, in the

form of a bid bond, cash, certified check, treasurer's or cashier's check.

The successful bidder shall be required to furnish a performance bond and a labor and materials payment bond, each for the full amount of the contract price.

The Authority reserves the right to reject any or all bids, to waive informalities, to advertise for new bids, or proceed to do the work otherwise, as may be deemed to be for the best interests of the Authority.

**Invitation for Bids for Excavating and Regrading
the Lagoon in the Public Garden.**

The City of Boston, acting by the Parks Commission, 294 Washington Street, Room 901, Boston, MA 02108, hereinafter referred to as the Awarding Authority, hereby invites sealed bids for the project listed below. Bids shall be on a form supplied by the Parks and Recreation Department, shall be clearly identified as a bid and signed by the bidder. All bids for this project are subject to all applicable provisions of law and in accordance with the terms and provisions of the contract document entitled: "Excavating and Regrading the Lagoon in the Public Garden."

SCOPE OF WORK includes: Furnishing all labor, materials, equipment to excavate and remove excess material and regrade the lagoon base in the Public Garden. Estimated cost, \$170,000.

BIDS shall be submitted in duplicate before 2 p.m. on Thursday, January 14, 1988, and opened forthwith and read aloud. One bid shall be filed with the Awarding Authority at the office designated above accompanied by the bid deposit. The duplicate copy of the bid shall be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bid. The Awarding Authority reserves the right to waive any informalities in, or to reject any and all bids, if it be in the public interest to do so.

SPECIFICATIONS will be available on or about Monday, December 28, 1987, after 9 a.m., Boston time, at the Parks and Recreation Department to all interested parties who present a \$25 certified check, payable to the City of Boston for each set. Specifications must be returned in good condition within thirty days of the bid opening in order for the bidder to have the \$25 check returned.

BIDDERS are hereby notified that bid deposits must be 5 percent of his/her bid and shall be in the form of a bid bond, cash, or certified check, treasurer's check or cashier's check, made payable to the City of Boston.

Pursuant to the minority participation section of the City of Boston contract, the contractor must give satisfactory assurance that at least 15 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business organization in which at least 51 percent of the beneficial ownership is held by one or more minority group members who are Black, Hispanic, Oriental, or American Indian.

Included with the contract documents is a copy of the "Minority Business Utilization Form."

Each general contractor must complete sign, and file with his bid the Minority Business Utilization Form. Failure to do so will result in the rejection of the bid proposal.

A completed Minority Business Identification Statement (MBU-IS-A) shall be submitted for each Minority Business Enterprise listed on a bidders form (MBU-F), and submitted at the time of bid opening, that is not included in the Minority Business Directory published by the Office of Minority Business. Copies of the Minority Business Identification Statement are available at the City of Boston Jobs and Community Services, 15 Beacon Street, Boston, MA 02108.

All contractors shall also avail themselves of the City of Boston Minority Business Directory published by the city through the Office of Contract Compliance and Enforcement Division of Jobs and Community Services, 15 Beacon Street, Boston, Mass., to facilitate compliance with these requirements.

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

The workforce requirement (employee manhour ratios per trade) for this contract are as follows: Minority, 25 percent; Boston Resident, 50 percent; and Female, 10 percent.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and in the sum of 100 percent of the contract price, as well as certain public liability and property damage insurance, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

Prospective bidders are requested to attend a prebid conference in the office of the Chief Engineer, Room 901, 294 Washington Street, Boston, MA 02108, on Tuesday, January 5, 1988, at 10 a.m., Boston time.

There will be a charge of twenty-five dollars (\$25), not refundable, for each set of contract documents taken out.

The attention of all bidders is directed to the provisions of the contract documents and specifically to the requirements for bid deposits, insurance and performance bonds as may be applicable.

Proposal guaranty shall consist of a bid deposit of 5 percent of the total bid in the form of a bid bond, certified check, treasurer's or cashier's check issued to the City of Boston.

A performance bond of a surety company authorized to do business in Massachusetts, and satisfactory to the Commissioner or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company payable to the City of Boston, will be required of the successful bidder as security to guarantee the faithful performance of the contract. The penal sum of such bond or amount of such check shall be in the sum of 100 percent of the contract price.

NOTICE

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications and the obligation of the contractor and subcontractors to take affirmative action in connection with employment practices in the performance of this contract.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following Workforce Requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Boston Resident Workforce:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on this contract.

3. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on this contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates," as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended.

ATTENTION TO ALL BIDDERS

I. Minority Business Requirements

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for Minority Business Enterprise Utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 30 percent of his bid price shall be expended for minority business enterprise. For the purpose of this paragraph, the term minority business enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the Minority Business Enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

PREBID CONFERENCE

Bidders seeking information pertaining to the City of Boston's Affirmative Action and Minority Business Enterprise Utilization requirements are invited to attend prebid conference to be held on January 6, 1988, at 10 a.m., in Room 714, City Hall. All prospective bidders are urged to attend and all will be held to knowledge of what there transpires, whether they are present or not.

ATTENTION IS CALLED TO CHAPTER 370 OF THE ACTS OF 1963, WHICH MUST BE STRICTLY COMPLIED WITH. The commissioner reserves the right to reject any and all proposals or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

**Proposal for Making Safe of Building, Project
No. 2-CI-AMS, City Funds.**

The City of Boston, acting by its Inspectional Services Commissioner, 5th floor, 1010 Massachusetts Avenue, Boston, MA 02118, hereinafter referred to as the Awarding Authority, invites sealed general bids to make safe the following buildings:

135 Appleton Street, Ward 4

Technical specifications may be obtained at the office of the Awarding Authority.

General bids will be received up until 11 a.m., Friday, January 8, 1988, at the office of the Awarding Authority, fifth floor, 1010 Massachusetts Avenue, Boston, MA 02118, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on the form for general bid obtained from the Awarding Authority. The general bids shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. Four copies of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of a bid bond, or cash, or in the form of a certified check, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston in the sum of 5 percent of the attached bid. One copy of the general bid will be filed with the City Auditor. The general bids shall be filed before time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended. This schedule will be available to the successful bidder.

The successful bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, and each in the sum of 100 percent of the contract price, will be required of the successful general bidder.

All bids for this project are subject to all applicable provisions of law, including without limitation, sections 39F and 39K through 39P of chapter 30, and sections 29 and 44A to 44H, inclusive of chapter 149 of the General Laws, as amended, and in

accordance with the terms and provisions of the contract documents entitled: Project No. 2-CI-AMS.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project and that the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, creed, color, or national origin.

The Inspectional Services Commissioner is allowing a thirty-day period to complete the making safe of these buildings starting with his signature on contract.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so.

Notice

The attention of all bidders is specifically directed to the City of Boston Supplemental Minority Participation and Resident Section contract provision of the specifications for and the obligations of the contractor and subcontractor to take affirmative action in connection with employment practices in the performance of this contract.

Attention to All Bidders

I. Minority Business Requirements.

No bid for the award of this project will be considered acceptable unless the general contractor complies fully with the following requirements for minority business enterprise utilization.

Pursuant to the Supplemental Minority Participation section of this contract, the general contractor must give satisfactory assurance that at least 10 percent of his bid price shall be expended for Minority Business Enterprise, if the bid is over \$10,000. For the purpose of this paragraph, the term Minority Business Enterprise means a business in which at least 51 percent of the beneficial ownership and control is held by one or more minority persons (Black, Hispanic, Asian-American, or American Indian).

Each general contractor must complete, sign, and file with his bid the Minority Business Utilization Form. The Minority Business Utilization Form shall be completed and signed by the minority business enterprise and the general contractor. Failure to submit a Minority Business Utilization Form with the bid proposal will result in the rejection of the bid.

The City of Boston Minority Business Directory lists all minority-owned businesses that have been certified as such by the City of Boston. A copy of this directory can be obtained from the Awarding Authority or the Minority Business Office, 15 Beacon Street, fifth floor, Boston, MA 02108, telephone number 720-4300. If a contractor wishes to use a minority business that is not listed in the directory, he must contact the Minority Business Office to obtain a copy and submit with his bid, a Minority Business Identification Statement. The dollar amount obligated to a non-certified (City of Boston) minority business will not count towards the minority business percentage requirements.

II. Workforce Requirements.

During the performance of this contract, the general contractor shall agree and shall require that his subcontractors agree to the following workforce requirements (labor).

1. **Minority Workforce:** The contractor and its subcontractors shall maintain a not less than 25 percent ratio of minority manhours to total employee manhours in each trade worked on the contract.

2. **Female Workforce:** The contractor and its subcontractors shall maintain a not less than 10 percent ratio of female employee manhours to total employee manhours in each trade worked on the contract.

3. **Boston Residents:** The contractor and its subcontractors shall maintain a not less than 50 percent ratio of Boston resident employee manhours to total employee manhours in each trade worked on the contract.

4. The workforce requirements of paragraphs (1), (2), and (3) above shall apply to each trade that appears on the list of "Classification and Minimum Wage Rates" as determined by the Commissioner of Labor and Industries under the provisions of chapter 149, sections 26 through 27G, of the General Laws of Massachusetts, as amended. If you have any questions pertaining to the applicability of these requirements, please call the Compliance Office at 720-4300.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246).

The contractor's attention is called to the "Equal Opportunity Clause" and "Standard Federal Equal Opportunity Construction Contract Specifications" set forth in this part.

The goals and timetables for minority and female participation are expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered areas. (See pages EEO-1 and EEO-2 of the bid specifications for goals and timetables.)

These goals are applicable to all the contractor's construction work (whether or not it is federal or federally assisted) performed in the covered areas.

As used in the notice, and in the contract, the covered area is Arlington, Boston, Belmont, Brookline, Burlington, Cambridge, Canton, Chelsea, Dedham, Everett, Malden, Medford, Melrose, Milton, Norwood, Reading, Revere, Somerville, Stoneham, Wakefield, Westwood, Winthrop, Winchester, Woburn, and the Islands of Boston Harbor, Massachusetts.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required to meet the goals established for the geographical area where the contract is to be performed.

The hours of minority and female employment and training must be substantially uniform throughout the length of the contract in each trade, and the contractor shall make a good-faith effort to employ minorities and women evenly on each of its projects.

The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total workhours performed.

The attention of all bidders is specifically directed to the provisions of the contract documents, including, with limitation, the notice to all bidders (including subbidders), and the provisions with respect to bonds, insurance, equal employment opportunity, minimum wages, time of performance, liquidated damages, and the requirements set forth in the specifications on supplemental equal employment opportunity, anti-discrimination and affirmative action program contract provisions, and to the requirements of mandatory compliance with section 3 of the Housing and Urban Development Act of 1968 and Executive Order 11246.
